Late
January,

That's all for self-
introduction.
So let me tell you a little bit
about the prequel
Let me tell you a little bit
about the prequel.
Just listen to the 2 pages.

Hello, my name is Yana.
A virtual animal-eared futanari
beautiful girl incarnated guy. *
I am 20 years old, born in the
early 90's. I call myself an
illustrator. I have never had a
partner in my life.

* The figure in this ranges.

but due
to some
work
schedule
issues I
had to
pass it
up.

My friend
A invited
me to go
to the
event
with him.

Although I
am
interested
in this
event. It is
held in
TOKYO,
so it is a
bit difficult
for me,
who lives
in KYOTO,
to attend.

This month
(January) there
will be a fanzine
event for adults
themed around
all sorts of
fetishes.

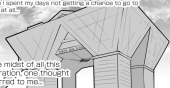

Are there
events like
the one I
was invited
to that
cater
specifically
to pump
fetishists?!

Last year, I missed the chance to go to a fanzine event
at Tokyo Big Sight, lost the lottery to see my favorite
group's live concert, and then I missed this opportunity
too, so I spent my days not getting a chance to go to
Tokyo at all.

In the midst of all this
frustration, one thought
occurred to me...

* KYOTO is about 600 km away from TOKYO and can
be reached in 2 hours by bullet train, but a round trip
fare costs about 30,000 yen.

MUCHI Fes. vol.06

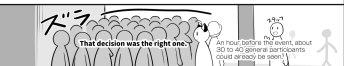

I want to go...
I really... really want to go...!!

But this is a Tokyo expedition from Kyoto...
The cost of transportation and lodging
alone will be quite expensive...

In my life, I have only had the opportunity to
go to Tokyo for very large events that I
know about months in advance and prepare
myself with lots of funds.

There is no way I can attend an event that
is coming up in two weeks, on such short
notice...

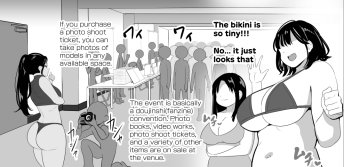

ADMISSION

Waiting at the door was... the Internet.

A view filled with my
favorite...favorite...plump, erotic body that
I had only seen on the Internet. It was
beyond extraordinary and unreal.

If you purchase a photo shoot ticket, you can take photos of models in any available space.

The bikini is so tiny!!!

No... it just looks that

The event is basically a doujinshi(fanzine) convention! Photo books, video works, photo shoot tickets, and a variety of other items are on sale at the venue.

As I gazed long and hard at the erotic bodies without hesitation,

I suddenly——

those who **"want my bodies photographed"** and those who **"want to take pictures of that body"**.

This is the best environment where all our interests coincide...!

Some people may be happy to have their bodies seen, but that's not the case for everyone.

Conversely, there are also people who don't want to see their bodies even if they're shown them.

Also, people have their own preferences.

However, the participants in this event are——

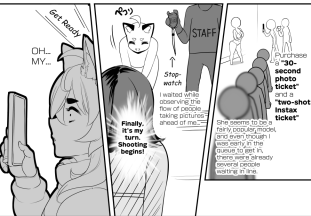

If sales go well, the event will shine brighter and so will the boobs!

It is not good to keep winning for free.
