

Lucy, Levy, and a Frisky Store Owner

Fairy Tail

By Azure/For Ace

Chapter One- A Special Backroom Deal (Oc x Lucy x Levy)

The store owner, being an average-looking guy with a burly build and a brush-like mustache over his face, grinned lecherously as he was seeing the two ditzy girls attempting to flaunt their sex appeal for a discount. He could tell that they were certainly desperate for a freebie, yet unable to really charm a man like himself into letting them have it all.

"I think we can work something out. Please, *Opens the side banister of the counter* come into my office where we can hash out the details of your...service, ladies. He he he~" He chuckled darkly, watching Lucy and Levy exchange nervous looks before reluctantly following him into the back.

The Store Owner, whose name was Nolan Mark, grabbed their copies and placed them underneath the counter for safe-keeping for when the 'transaction' was complete. He then held each of his arms around both Lucy's and Levy's waist and grabbed a handful of their asses while making their way back.

"Eep! N-no way...! Is he....?" Lucy remarked, looking at her side to see Nolan nodding with certainty. Obviously, what he had in mind for 'Payment' made her increasingly nervous since she had never done it before. 'Oh man, that face can only spell trouble. Well, we knew what we were getting into when we decided to use the seduction tactic on him. I guess fair is fair just as long as we get those copies. Still...I'm uneasy about this.'

"Mmmnhpp! Lucy...! Is this...what I think it is?" Levy asked squeamishly while Lucy regrettably nodded with a sad smile as they disappeared into the back of the store office, leaving the shop unattended.

"That's right if you want those books so badly, you two are going to have to work for it. I'm a lonely man you know, so you gotta think twice about how you go about seducing for money and freebies~" He grinned and brought over to his spacious yet partially cluttered office where he cleared off the junk collected atop of his desk before looking at them.

Lucy and Levy both stood side-by-side to each other, each wearing their flimsy outfit leaving little to the imagination. Lucy had her traditional white and blue busty tube-top with a small vest over her arms. Her mini-skirt covered very little of her thighs and actually let Nolan see a bit of her Prussian Blue panties underneath.

She had nice long legs and a full-bodied figure ripe for fucking as well as having two humongous breasts. Nolan guessed them to be a least the size of an H-cup, given how bouncy they are. Levy, on the other hand, was less impressive in comparison, but she had a nice voluptuous ass he could see even from behind her cut-off overalls. The girl's slender figure gave her a rather youthful appearance which made him even hornier for her than he was for Lucy, but both girls positively did it for him and ran his tongue down the bottom of his lips with excitement leaning back against the counter.

"Alright, I've made up my mind. First, I want you to strip. Do a little striptease for me, each of you, and then get on your knees and blow me good. I'm going to want to be very riled-up for when I fuck you both here and now." He explained, making Lucy blush scarlet while Levy simply covered the lower half of her face in anxiety.

"Uuuuhghh! Oh, alright then...if it means you'll hold up your end of the deal, Mister Nolan." Levy spoke shakily and started running her hands all over her lithe and petite body with a nervous iptOpbtien smile.

"Levy...?!" Lucy shrieked and decided to follow suit by turning around and pushing out her ass after keeping her legs spread apart. She started twerking her ass a bit, making Nolan growl with arousal already as she started removing her miniature vest from her shoulders. 'I'm doing this for the book, I'm doing this for the book!'

Levy said nothing else and simply followed along, both girls sensually strutting their bodies as they each started taking one bit of clothing at a time, starting with Lucy. Seeing as how her outfit was a lot skimpier, Lucy began tugging her up and allowed both of her pendulous H-cup-sized breasts to bounce free with nipples popping out fully before Nolan's eyes. The mustached man instantly growled with excitement already and watched as Levy started slipping off her overalls next, letting it spill onto the floor while she clutched her lower region bashfully with an embarrassed smile.

'We're really doing this! I can't believe it!' She thought, keeping the vibe of stripteasing going since she prevented Nolan from seeing all her good parts. Her top was still on over her chest, converting her tits while Lucy simply turned around, keeping her buttocks shaking side to side as she stepped out of her shoes before Nolan's eyes.

The blonde was a natural in the art of seductively strip-dancing for the perverted man, but Levy was finding a fast-growing appeal to it herself as she slowly tugged up on her top, letting her Prussian blue bra pop out with barely-concealed C-cups hiding behind them

"Mnnghhh! That's it, dance for Papa, you two. I like what I see." Nolan growled and watched Lucy shimmer her waist side to side while tugging the hem of her hip skirt down her thighs. It clung onto her buttocks, giving Nolan a showing off her thong clinging tightly to her body with plump buttocks gradually coming into the picture.

He growled loudly again and leaned back into the table surface, sporting a visible erection through his pants as they went on. Levy started removing her hands slowly from her crotch, letting her Prussian-lace panties peek out slowly from between her fingers as she tugged up her shirt to reveal her breasts in full.

!

Up came her bra, exposing her perky breasts and making Nolan drool a bit as she wriggled her way out of her undergarments next. She was almost there, but Lucy once again beat her to the punch by stepping out of her hip-skirt completely and leaving herself only wearing a black lace thong. The busty, full-bodied blonde was just as naked as her friend now, both of them were wearing only their panties while covering their chests until Nolan commanded them to take them off.

Sighing in unison, Lucy and Levy both removed their arms from their chests, revealing each set of delectable tits right before Nolan's eyes. From seeing Lucy's boisterous pair of H-cups to Levy's perky pair of C-cups, the store owner was feeling very frisky already and started unzipping his pants with a smile.

!

Out sprang his member which measured about thirteen inches solid with smooth balls looking stuffier than a pair of oranges. Lucy and Levy let out a gasp in unison as they saw Nolan gesture to it with his fingers, wearing a smug smile on his face.

"Now, onto your knees and get to work sucking me off, you two. I want to feel both sets of tongues licking it before I decide on who to plow first. Maybe you, Lucy.~" Nolan said, pointing to Lucy and making her feel squeamish as she held her cheeks with anxiety.

"Uh...! S-sure! Just as long as you hold up your end of the bargain." She squeaked out.

"S-same here. Oooohh....here I go." Levy whimpered and dropped down onto her kneecaps with Lucy, placing her lips against the bottom-most part of Nolan's shaft, tasting him softly with gentle kisses leading up his scrotum.

Schupp...Schupp..Schupp...!

"Mmmmm." She whimpered again and started getting into the act, tasting the older man's cock once her tongue came out to start licking up the underside of his cock.

Schluuuuppp!

"Nngghh! That's the ticket. C'mon, Lucy. Don't let your friend show you up, I want to feel that slutty mouth on my dick too, you know." He said, seeing Lucy quickly undo her pigtails, letting straight hair fall free before grabbing the middle of his shaft and starting to lick up from the side slowly with half-lidded eyes.

"Hmhmhmh. *Schluuuuppp....pop!* Schluupp..schlupp..schlupp..schlupp..schluuup!* Mmhm...!~" She hummed softly as she got into the act as well, tasting more of Nolan's cock and enjoying the sensation of his turgid dick touching her tongue as she and Levy both 'attacked' him at the same time.

Both girls started slathering their appendages all over his length together with one girl running theirs up the underside while the other started focusing on the top. Levy was the one taking charge of the former while Lucy occupied herself with Nolan's cock-head, kissing it repeatedly as she started sucking it into her mouth with fingers curling around the hilt of his dick.

"Aaaaghh! Oohhh yeah! Keep going, gurlies! Show 'Daddy' how much you want those copies." He growled briskly as they continued to service him tandem with both girls slathering most of his length and balls in their saliva.

A cascade of slurping noises constantly came out as Lucy started frenziedly sucking off the top with passion. This puzzled Levy for it seemed that Lucy was actually enjoying pleasuring this older man like it was some kind of in-joke. Regardless, she didn't want to lose and started going lower to where her tongue ran all over the hilt of Nolan's shaft all the way up the underside and back down again.

"Hmhmhmh! *Schluuuuppp.... schluuuuppp..pop!* Mmhm! Mhmm..mhm..mhm..mhm..mhmp!~" Levy started moving her head faster, making Lucy do the same with two of them essentially warring with each other over who got to pleasure the store owner.

Nolan, meanwhile, was getting to enjoy both worlds as he held each of their heads together while their lips started meeting in the middle of his cock. The plethora of slick, squelching noises continued coming out as each topless girl hungrily ran their tongues all over his cock, accidentally meeting their lips together which resulted in the two of them making out with each other in a lesbian embrace.

"Hmhm! *Levy...!*" Lucy moaned and brought her hand around the girl's shoulders, bringing her closer to where their breasts touched nipple-to-nipple while Levy held onto her neck.

"Mhm...! *Lucy...!*" Levy moaned and tasted her friend with Nolan's cock in the middle getting attacked by both tongues until they started feeling it engorge with impending ejaculation.

"Nngghhh! You, two naughty minxes, are making me....cum! Aagghh!~" He cried out and tossed back his head, letting his cock erupt between the two beauties with thick ropes of sperm shooting out from between each face!

Spurtt..splurt...splurt...splurt...splurt..splurt!

Levy and Lucy both tilted their heads back a bit and allowed Nolan's sperm to splatter against their cheeks, faces, and spurt into their mouths for as long as he went on. Both of them were caught up on the moment right and waited until he was finished to perform the next action that was sure to 'Sway' him into giving them those free copies.

Just as Nolan was about to relax in post-coital bliss while remaining erect, he winced when he saw Lucy cuddle Levy closely with her hands running down her naked backside while they made out with each other. This time each girl was snowballing his cum back and forth

between their lips, tasting each other while feeding each other in the process. It was the most erotic sight he had ever seen and it made his balls tremble with renewed vigor since he now wanted to fuck them both raw right fucking.

"Hngggh! Oh yeah, that's the stuff, you beautiful little bitches. Come here to Papa now." He growled, watching as they finished cleaning each other up with lips breaking contact and tongues rolling around their chins to clean up the rest of their respective cum shares. Levy swallowed hers and Lucy did the same, blushing furiously while they saw Nolan patting the surface of the desk right next to him.

He pointed at Lucy and beckoned her to come forth while reaching over to take Levy over to his side with a smile. Lucy got the idea and planted her hands against the surface of the desk, looking at him from over her right shoulder as he tugged down her thong completely while Levy watched.

"Mnnh!" She gasped and felt the cool air greet the moist cusp of her pussy as she became fully exposed in front of Nolan's eyes. The full-figured body leaned over the desk a bit with legs parting suggestively since she had a feeling Nolan would do the obvious to her now that she was naked.

"S-should I pull mine down too?" Levy asked herself nervously and felt the man's hand grip her chin, pulling her onto his lips with his tongue slid down into her mouth without a moment's notice. "Mmmbbhff!! Mmmnggghh!"

She moaned languidly as she felt his thick, hot tongue working its way around her throat while Lucy watched with flustered embarrassment. She was feeling very hot and bothered from watching her friend being French-kissed so shamelessly by the burly store owner as if she was his toy.

'He's kissing me! He's really kissing me! Ohhhh...God! His tongue is so strong.' She thought while whimpering internally, feeling his slimy appendage clean out her saliva while dominating her throat. Of course, Nolan was still a master of multi-tasking and grabbed the hilt of his cock with one eye open and focused on Lucy's ass.

He watched that delectable light-skinned peach shaking back and forth suggestively while she waited for him to fuck her. Lucy's pussy looked as tight and as fresh as an actual virgin. Nolan did not doubt in his mind that she was, even with a naughty figure like that, but he was very eager to see firsthand by putting his dick inside of that snug velvet box. He continued hungrily swapping out Levy's mouth with raw animal-like energy till he slowly pulled himself back, leaving the girl looking dazed with saliva dripping past her lips.

"Now we move on to the next phase of this arrangement, girly. I hope you're ready to receive that book~" He grunted and Lucy shakily nodded her head, keeping her hands planted firmly as Nolan brought his cock over to her sex and pushed it right in!

Squelch!

"Gghnnnk! Aaaaahhh.....! *Covers mouth* Mmmnggghh!" Lucy yelled loudly from behind her hand, leaving her eyes wide open as she felt the man's bulbous dick plunge straight through her sensitive folds on its way into her hymen with a smile. He brought his waist closer and closer to her buttocks and delivered a sharp thrust, piercing Lucy's barrier and officially taking away her virginity in one fell swoop!

She internally screamed inside of her head from the pain yet felt immense pleasure coming out through the rest of her body as Nolan ground his cock into her cervix. He was so big and thick that simply having it inside of her made every sensitive pleasure region lining the walls of her pussy throb. Sooner than later, Lucy's hand left her mouth when an aroused gasp of euphoria escaped her lips. She clutched her nails atop the desk surface and felt Nolan sliding himself all the way inside of her as he held Levy close to his side.

"Hhnggghhh! Aaaahhh.....! Ohhhh..man! T-this feels so intense.....!" She breathed out, beginning to make her tits heave and shake as he began grooving his waist into her buttocks with light bucking movements. Soon he was fucking her gently against the surface of his desk, enjoying the tight juicy cusp of her pussy after he had filled her up all the way.

Quiet taps of flesh started echoing out from between the middle-aged shop owner and the young buxom girl while Levy watched with ever-growing arousal. She was seeing Lucy's naked body bounce and tap against Nolan's waist with a euphoric look on her face, making her insides moisten entirely around her thong till she felt something pull it down.

"W-wha...?" She gasped in surprise and looked down to see that one of Nolan's fingers had reached down to hook the thin string of her panties until they passed her kneecaps. It was the hand he had been using to keep her at his side, but now it was moving back up between her smooth legs with one of his fingers pushing into Levy's hairless quim like so.

A quiet squelching sound emerged and so too did a shrill moan escape Levy's lips as he began fingerbanging her from underneath while fucking Lucy.

"Nngghhh! Aaahh....!" Levy cried out and soon felt Nolan's lips swallow up hers up again in an invasive, open-mouth exchange that had the blue-haired girl swallowing his tongue. Her eyes were wide with surprise as he kept violating his mouth voraciously while fucking Lucy against the desk.

The loud slaps of skin grew louder and went harder as he started fucking the girl more intensely with hard thrusts of his hips. Nolan couldn't feel anything except more spongy pleasure coming from the feeling of Lucy's pussy clenching tightly around his dick. Likewise, she too was enjoying the sensation greatly and began letting out her moans of pleasure.

"Aaahh...aah...ahh...ah...ahh..ahhh...aaahhh! Don't...nnggh....stop! K-Keep going! Aaahh!~" She cried out, feeling her entire pussy tunnel inwardly while she felt Nolan pumping into her womb non-stop. Lucy could feel her ass tapping relentlessly against his waist repeatedly while she dug her nails into the wooden surface.

She would be ready to cum any minute now and maybe take the storekeeper with her when she did. Part of her was hoping that he would pull out lest he wanted her pregnant, she knew it wasn't a safe day for her today, but the spice of such a risk made Lucy even hornier regardless. Nolan could feel his appendage swelling with ejaculate ready to be pumped into the blonde's womb, meanwhile, he continued finger-fucking Levy to the point the girl rode herself on his hand with a delirious smile on her face.

She had to ball a hand into her mouth to keep from screaming too loudly but was unable to completely hold herself back.

"Aaaahhhh.....! Aaaaahhhhhh! I'm.....g-g-getting closer, M-mister Nolan! Uhh!~" She cried out, feeling her insides quiver as her folds clutched the man's finger while it continued plunging into her depths.

"Good. You'll both cum for me simultaneously, and then we move on to the next step in Phase Two. Oh, you better believe we aren't done yet, not by a long shot, you beautiful women." He growled, running his tongue around his lips and continued bottoming out of Lucy non-stop for several more minutes in total until he felt the insides of the woman's pussy start clutching him intensely in orgasmic spasm! Lucy threw her head back and came, making her tits jiggle wildly as she felt Nolan succumb to his release as well.

"Gnnghh! Here it comes! Uggghh!" He growled and plunged his dick far up into Lucy's tight, pulsating quim with his release coming out like a fire hydrant. His cock throbbed and spewed forth thick ropes of seed into Lucy's depths, filling up her womb while Levy came to orgasm right there on his fingers at the same time.

"Aaaagghhhh!~" Levy cried out with her head tossing back, shuddering and twitching constantly while Lucy received a thick creampie within her fertile unprotected body.

Splurt...splurt...splurt...splurt...splurt...splurt!

Nolan moaned blissfully as he emptied inside of the busty blonde-haired girl, enjoying that he got to fuck and probably impregnate someone so beautiful just for a copy of a book. Lucy quivered salaciously and whimpered in post-coital pleasure, feeling his sperm filling up her depths for about a solid minute or two on end until he was finished cumming inside. They were done as well and left spent in his arms, breathing heavily with exhausted smiles on their faces.

"That..*huff*...was....incredible." Levy breathed out while Lucy nodded in agreement till they heard Nolan speak up.

"Glad you feel that way because you're getting the real thing right now." He said briskly to the petite blue-haired girl, surprising her and making her blush intensely as she saw a wide smile from him. "Now take the rest of those panties down and get over there next to your friend. I want to finger-bang that pussy now while getting to plow you.~"

"S-sure, yes sir." Levy whimpered shakily and felt Nolan let her go. She pulled down her panties all the way and walked over to bend herself over the desk with her ass sticking out and legs spread wide apart with her pussy on display. She looked at Lucy for confirmation on continuing this obviously shady deal just to get their copies, but she only saw a look of reassurance on the blonde's face as she nodded her head to her unasked question.

"Don't worry, it'll be worth it. Plus, this guy's really....really good at making a girl feel everything and more.~" She breathed out, making Levy blush till she looked back from over her shoulder at the sight of Nolan getting behind her while placing his left hand between Lucy's voluptuous legs.

To their amusement, his cock was still as solid as a rock and fully erect. His balls looked stuffed and Nolan looked like he was ready to go multiple rounds in a single day, which only meant a busy 'exchange' from the two of them.

"Believe me, girls. I've been without it for a long time now that all my energy is pent-up. You, two little angels, are just what I need for good old-fashioned stress relief.~" He said, chuckling as he rubbed the sperm-soaked tip of his cock all over Levy's juicy folds before pushing himself in.

Squelch!

Levy winced and let her mouth fall open as her eyes went wide with excitement and mild pain. She felt Nolan pushing on through her silken virgin depths until he reached her cherry in no time at all.

"Gnnngghhh! Aaaahhh.....!" She let out and felt the man's bulbous cock prod and push against her hymen until he grabbed hold of one of her hips and pushed on in with a single thrust! Just like that, Levy felt her innocence get taken away with the storekeeper's thick cock pushing on through her slimy insides all the way to her cervix as he did with Lucy.

"Haaaggggnhhhh! Oohhhh...my...God! Mmhmm!~" She cried out, biting down on her bottom lip with pain yet feeling sensation pleasure all the same from having her virgin insides being stretched out. She clawed at the desk and clenched her teeth while struggling to get adjusted to it.

Lucy watched with a smile of approval till she felt one of Nolan's thick fingers plunge straight into her asshole!

"Gnnkk! Aaahhh.....! Holy cow.....! Nngghh!" She yelled out, blushing redder than a tomato as she felt her tight little asshole getting fingered out by Nolan's digit. It was a completely foreign sensation to Lucy and it was making her breathe heavily just like Levy was. 'R-right in the ass?! I thought he was going to dig those fingers into my pussy! Uuuughh!'

Lucy had bitten down on her bottom lip as she continued shaking her legs into the air thanks to Nolan's fingers bucking into her ass. She loved the feeling of having that part of her body begin to stretch out, it was definitely new to her and it brought the girl to new heights. She watched as Nolan began bucking into Levy even more voraciously than before, apparently in the momentum of sexual bliss. The portly mustache man grunted briskly with pleasure as he began thundering his pelvis directly against Levy's taint from behind, making the petite blue-head begin huffing loudly in ravenous ecstasy.

"Uuuuaaggh! Ooohhh.....! S-so...good! Mmnhh! Uhh..uhh..uhh...uuhh..uhh...uuh...uuhh!~" She cried out, closing her eyes tight as she relished the sensation of having her tender virgin hole being plunged more thoroughly with Nolan's increase in hip movement. The highly masculine shopkeeper was aggressive with Levy's dainty body and enjoyed how much softer her skin was than Lucy's.

To him, it felt he was fucking a cute teenager fresh out of the academy, making his thrusts much stronger for he was filled with carnal lust for the smaller girl. Levy's petite body bounced back and forth repeatedly against his waist, her ample buttocks wriggled non-stop as she felt her insides being churned by the man's thick length. Nolan could feel every squelch of moisture gushing out of her virgin folds, making squeeze even harder around her waist as he drilled into Levy for a minute more.

"Aaaaggnhh! Uuhhhh! L-Levy! How are you feeling over there? A-are you okay?" Lucy managed to ask in a series of hefty breaths and moans, making Nolan look over to see the girl raise her legs high with her ankles being held back her fingers. She was sitting pretzel style with legs parted in a 'V' shape while having Nolan continue plunging his fingers into her ass. She was wonderfully tight and comfortably smooth throughout, but seeing the flustered face she was making was an even better aphrodisiac for him.

Levy turned her head to the side and shakily nodded her head at Lucy while still bouncing back and forth to Nolan's hard thrusts.

"Gghnhh...! I'm doing f-fine, Lucy! It's j-just so intense and yet...sooooo good! I think I'm about to cum soon." Levy breathed out, her body jostled and swayed some more to Nolan's ever-increasing rate of thrusts into her ample booty. Seeing the two girls make eye contact gave Nolan a reason to grin since it gave him the impulse of wanting to see 'that' again. He suddenly plucked his fingers right out of Lucy's ass, making her shriek quietly in surprise when she felt them leave her anus, but then he grabbed the back of her head and promptly guided her over to Levy's face.

"There, there now, c'mon. If you really want to show her you care, why don't you demonstrate it for me a second time, ladies? It is doing 'Daddy' wonders what seeing two beautiful girls do when they're so close to each other. Now kiss!" Nolan let out and despite hearing Lucy's muffled look of surprise, the blonde locked lips with Levy again and expertly started swallowing her lips in a steamy lesbian kiss.

"Mhmmhpb!!? Mmmmm...*Schlupp..schlupp..schlupp..schlup..schlupp...schlup!* Uhh! Levy...!~" Lucy moaned in between wet breaths wrought with lesbian-kissing saliva. Levy too was surprised by this course of action happening again, but she relented to kissing Lucy back just as fiercely while continuing to feel Nolan bucking into her tight pussy with renewed passion.

"Hmhhmh. *Schlup..schlup...schlup..schlup...schlup!*...mmhmm. Lucy.~" Levy hummed in between her lips, salaciously swabbing her tongue around with Lucy's while Nolan watched with perverse glee and excitement. They graphically spun each spongy appendage around the other so eloquently that it made Nolan growl with animal-like arousal all over again.

He felt like a beast and reached over Levy's naked backside to grab onto her perky set of tits, making her scream pleurably inside of Lucy's mouth while she tongued her out, and started fucking her even harder against the desk surface! The slaps of bodily flesh colliding into her soft, smooth ass became even more intense to the point some random items shook and fell off the desk surface. Lucy and Levy both moaned strongly into each other's mouths, each of them interlocking their fingers with each other while this sensational three-way romp went on.

"Mmngghhh! Oh yes! That's it, you two! Suck each other's saliva to your heart's content! Daddy's getting a big one built up just for you, girlie!" He growled, enjoying the doughiness of Levy's modest breasts and squeezing them gingerly between his fingers until he could feel her body beginning to tremble loudly with euphoria.

'Uuuugghhhh! I'm gonna lose it...! Aaaaaahhhh!' Levy cried out from inside her head as she continued swirling her tongue around Lucy's palate in mutually passionate French-kissing with the other girl. Together they ground their faces into each other diagonally with the blonde grabbing onto her Levy's face to steady their lesbian embrace with each other.

Seeing Lucy's tongue swiveling around the corners of Levy's mouth was almost enough for Nolan to burst. Still, he endured and went on to bottom out Levy's tightening pussy for minutes on end until he could feel her cervix clamping down around once she achieved orgasm! The two beautiful women moaned and hungrily swallowed each other's mouths the entire time, eventually reaching the point where Levy shuddered explicitly in a climax and howled into Lucy's mouth!

Pop!

"Aaaaaaaahhhhhhh! I'm cumming!" She cried out euphorically while Lucy looked on with smiling pride. The girl shuddered wildly while keeping her hands locked with Lucy's, she was shaking her tits and wiggling her buttocks into Nolan's waist until he came!

"Ggnngghhh! M-me too! Hope you're ready to take an entire bottle of birth-control pills once I'm through with you! Both of you! Ugh! Here it comes!" Nolan yelled out and started slamming his pelvis voraciously into Levy's tight little ass, making sure to feel every inch of his cock sunder into the deepest parts of her pussy when he blows.

With a shout, he came and Levy's eyes bugged out in wide circles when she felt Nolan pour a thick amount of sperm directly inside of her pussy. It wasn't a safe day for her, not at all, but the spice coupled with the thrill had made Levy enjoy cumming with Nolan very much.

Splurt...splurt...splurt...splurt...splurt...splurt...splurt...splurt...splurt!

Nolan growled like a wildebeest and watched as Levy made out with Lucy once more in the middle of a mutually sustained orgasm she was sharing with him. Pumping cum into one cute girl while watching her make out with another was exciting Nolan to the point he felt like he could all day long. He could probably, given that he had been pent-up and unfulfilled for years now.

'Uuughhh! Crap! I really hope that Lucy and I aren't not playing with fire here by letting him cum inside us so much!' Levy thought as he continued swiveling her tongue around the inside of Lucy's mouth until the two girls slowly pulled themselves apart from each other when they were finished.

Nolan enjoyed seeing the sight of a thick saliva string bridging between their lips once he had finished blowing his load inside of Levy's body. He could practically feel the ooze of overflowing cum spilling out onto his desk when he pulled out. With a wistful sigh of relief and a smug look of pride, he cleared his throat to catch their attention and made them both see that he was still harder than a rock.

"Uuhh...!? Still...!? Just how much virility do you have?" Lucy shrieked out yet despite her outburst, looked at the cock with a drooling expression alongside Levy. Both girls were still raring to go despite the cum oozing like waterfalls from each of their gaping quims.

"Plenty, now how about you both get down onto the floor and sandwich each other for me? I'm not quite satisfied yet, you know.~" Nolan suggested and the two of them complied right away as they got off of the desk together at the same time.

Making sure nothing was in the way like any extra clothing or accessories, Lucy and Levy held each other in a warm lesbian embrace while Nolan hastily threw a thick-looking blanket onto the ground to soothe their backsides. He looked at Levy first and winked at her, pointing at the ground and telling her to lie down on it first so she could be on the bottom of the sandwich. She didn't question and did as she was told, allowing Lucy to climb on top of her with her chest pushing gently into her perky pair of breasts.

The girls were both blushing intimately with each other as they laid together in a sandwich position. Lucy's plump and supple rear wriggled delightfully in front of Nolan's face while Levy simply kept her legs comfortably tangled with hers as she kept her thighs spaced apart. Both of them had never been in this kind of situation before, but they were each getting increasingly excited sexually to the point they wouldn't mind anything else. The shopkeeper rubbed his hands together with excitement and guided his sperm-soaked cock down between the buns of Lucy's plump ass, this elicited a look of confusion on the blond's face as she looked at Nolan from over her shoulder.

"H-hey...wait a minute are you going to stick it down into---!"

Plop!

"Ggghgggggnhhhh!! My...my asshole is being...ripped art! Uuughhh!~" Lucy cried out, partially in pain since she had never felt her asshole being violated in such a way before, or at all really. She felt the smooth, thick surface of Nolan's cock plunging into it without a care in the world. She was feeling every ounce of stiffness of her rectum being stretched apart and clutched his length rather stiffly as he sunk into it halfway.

He held onto her hips and started rolling his pelvis thoroughly into her buttocks, making Lucy's body swaying fluidly above Levy's body. The latter watched the lip-bitten face Lucy was making and ran her hands around the back of her neck, pulling her closer. Lucy's buttocks quivered and swayed back and forth into Nolan's pelvis rather slowly at first, but he quickly started picking up the pace. Soon her creamy buttocks were clapping noisily when feeling his pelvis slam into it from above, making Lucy begin huffing loudly in writhing euphoria. She could feel every stretch of anal muscle stretching out and tugging on the mans' dick as he thoroughly invaded her depths!

"Uuuuaaghh!!! Holy Hell....! Hhghhnhhh!! Levy..! Taking it in the ass is...gugghh....completely different from taking it the other way! Aaahhh!~" Lucy cried out, making her large doughy breasts slow and sway above Levy's own perky set of B-cups with nipples rubbing against each other.

The blonde's bodacious body started wriggling voraciously above Levy's frame, leading to her pussy gushing noticeably above the other girl's mound. Lucy was finding it enticing and thoroughly stimulating despite the mild pain anal sex came with. She could feel every thickened inch of Nolan's cock sawing out of her bum, making her undulate and writhe above her friend's equally naked body like a common porn star acting a three-way scene. Nolan grunted briskly and kept a strained grin on his face, he was feeling every tight dampened muscle of Lucy's anus clutching him the harder he plunged into it from behind.

Slowly but surely, the pace at which Lucy's buttocks clapped away into his pelvis became rampant. The man was pulling her onto his hips and savagely cleaving into her asshole, making Lucy moan loudly while Levy occupied herself by grabbing into her bulbous breasts!

"Gghhgnhhhh! Aaaaahhhh! Aahh...ahh...ahh...ahh...ahh...ahh...ahh...ahh...ahhhhhh! Nnggh! L-Levy.....! Hnnggh!" Lucy cried out, tossing back her head and moaning loudly in ecstasy as she began to feel nothing except mind-numbing pleasure coming from the store owner's dick.

Levy, meanwhile, took to fondling each of her breasts playfully into both hands. They fondled and squeezed them intimately with fingers prodding into various highly sensitive places while occasionally swallowing one of her nipples into her mouth. Levy hummed loudly with her face nestled between Lucy's breasts, squeezing one nipple hungrily between her lips while tweezing the other between her fingers. This myriad of sensations was driving the blonde crazy with sexual bliss as she continued to feel Nolan pummel his waist into her ass for another thirteen and a half minutes until she blew.

"Nngh..ngh..nnggh..ngh..ngh..ngh..ngh! I'm almost getting there! But I'm not going to let it out of your ass! S-since you two are so close together like this, I can finally do something I've always wanted to do." Nolan announced, keeping his waist rolling into Lucy's heart-shaped ass from behind. He was feeling the girl's anus clutch him deeply as if it didn't want to let him go, making him nearly want to cum inside of her asshole until he pulled himself out of it with great reluctance.

Plop!

"Uuaagghhhh! Uuuuhh.....! I won't be able to sit right after today! B-but why did you pull out?!" Lucy demanded while Levy continued swiveling her tongue around the areola of her right nipple, tasting Lucy's tits and feeling the girl shudder subtly from above her. She could

tell that Nolan stopped fucking her ass just now and wondered what he was up to, but then Levy caught a glimpse of him shifting his position to where his large cock pushed out from between each girl's sex.

Lucy just now noticed it too and was about to look back at Nolan from over her shoulder when she felt him slide his beefy cock through each girl's body! A soft 'Squelch' sound of moisture followed as both Levy and Lucy could feel the storekeeper thrust his dick midway, causing it to grind blissfully between each pair of womanly folds!

"Uuuuaghhhh! Mnnghhhh! Oohh...wow! I-I can really feel it grinding against me, Levy!Oooohhh!" Lucy crooned and Levy nodded in agreement with her as they felt the man's turgid cock begin rubbing itself between each girl's sex. They could both feel it sandwiched between them, rubbing thoroughly against their vulvas and making them writhe in each other's arms while he continued thrusting himself along their clits.

"Mnnghhhh!! Yess! That's right! Cuddle with each other while I get to fuck your clits! Ooohh...! Both of you are so erect too! I can feel each one grinding up against my cock!~" Nolan let out as he continued bucking his pelvis between each girl's waists, thrusting his cock between Lucy and Levy's nether regions and feeling their erectile clits rubbing against it gingerly as he went. They held onto each other with arms encircling the other's waist, leaving their tits to be squishing together while Levy and Lucy both moaned constantly as this continued.

Nolan was little more than a beast right now with how hard he was throwing his lower body into their pussies, feeling their folds moisten and gush all over him while he sawed out from in-between each one. Lucy and Levy felt his cock saw out from between their groins over and over again, stimulating their clits for the longest time while each girl's toes began curling up with impending orgasm!

"Aaahhh...aaahhh...aaahh...aaahh...aahh! Uuuuaghhhh!" Lucy cried out, closing her eyes and moaning constantly with her mouth hanging agape.

"Uuuughhhh! Mmooorree! Please! Aaaahhhh...!" Levy cried out, tilting her head back as well and enjoying the sensation of feeling her nipples rubbing against Lucy's while Nolan continued his cock between both.

It pushed out and thrust forward like a fierce javelin, over and over again, with Nola feeling his own climax hitting him like a brick wall! His balls started to churn and his shaft began to throb, making the man growl loudly as he continued rubbing his dick between Lucy and Levy's pussy in turns. The air of the store's backroom became filled with even louder cries of elation, this lasted for several more minutes until Lucy suddenly started shedding violently first, achieving orgasm with Levy following right behind!

Both women let out an ear-piercing scream of euphoria as they ground their naked bodies together in mutual orgasmic relief, shuddering constantly with their pussies gushing all over Nolan's twitching cock! The man held onto Lucy's wide hips and thrust in-between each girl one last time before cumming, his balls swelled once more and his cock spewed forth thick ropes of cum directly between their breasts!

Splurt...splurt...splurt...splurt...splurt...splurt...splurt!

"Hnnghhhhhh! Ohhhh...yeah! Nnghhh!" Nolan cried out and continued grinding himself between Levy's and Lucy's rears, feeling ropes of sperm pumping out constantly for at least another minute until he was done. Once he was finished, his member remained fully erect still despite losing a bit of strength. He looked to see Lucy pull herself off of Levy's body with her torso painted in his seed. Levy was the same way with her perky tits, heaving while being sprinkled in his sperm after having received most of it.

They were both heaving raggedly in post-sex euphoria with Levy and Lucy still eying Nolan anxiously with lust-struck smiles on their faces, especially after seeing he was still completely hard with balls looking no less stuffed than they did at the start of this little arrangement. Reaching over to scrape some of his sperm from off of Levy's torso, Lucy dipped a semen-coated finger into her mouth and sucked on it erotically as they looked at him for ideas on what to do next.

"Wow...that felt...great! Hehehehe~" Levy beamed, still breathing with exhilaration over having gotten painted by the man's cum just now. She did what Lucy did and scraped plenty off of it with her fingers to bring into her mouth to ingest. They both ran their tongues all over their hands in such an erotic, perverted manner with mouths becoming messy with his seed.

Needless to say, Nolan was extremely turned on right now and got closer to each frisky female with a smile. He put his hands around their waists and held them closely with fingers gripping their butts from the side.

"Well now, I think we're nearly finished with this agreement. What say we make the next few rounds something to really remember? I'm up for at least that much until I'm all tuckered out for the day. I take it, you girls are also far from finished?~" Nolan asked coyly, making both

Lucy and Levy look at each other to exchange looks. Each one nodded without hesitation and looked at Nolan with sultry smiles before tackling him onto the ground to go at it again!

Moans filled the air once more when Nolan took Levy and Lucy onto the ground with one mounting his face while the other straddling him for yet another thoroughly fucking! With a squelch of moisture and a loud cry of relief filling the air, Lucy had managed to fill herself on his cock once again and felt the man's length burrow directly into the back of her womb like so. He could see the bulge of his dick sticking out from underneath her stomach as he felt the softness of her thighs rubbing up against his waist when she began writhing about. Lucy wasted no time by rolling her pelvis fervently along his pelvis, feeling his cock stir up her insides all over again by thrusting into her sperm-stuffed womb in a cowgirl style position. Her buttocks would voraciously slap onto his legs, making her tits jostle about in the air while she planted her hands flat upon the surface of his chest.

Euphoric screams of pleasure now filled the air once more as she began riding him wildly without shame! Meanwhile, Levy did the same, but with his mouth and straddled his face in reverse. This put her buttock above his neck, hovering over it as she planted her feet outside of his face. The kinky Blue-nette ground her pussy lips thoroughly along Nolan's lips, making him taste the nectar while sucking up every last drop of moisture he could with his mouth. She screamed in blissful agony while feeling the man's tongue burrow deeply into her sex.

Levy wriggled her pubis around all over Nolan's face, taking his tongue into her depths and making herself writhe in euphoria while he tongued her out. The man knew where to touch a woman expertly, he was tasting every inch of the girl's pink insides while being mindful of his own cum nesting inside of her quim. Levy and Lucy both had been so stuffed with it that he wonders if he really did knock them up. Such a pervasive thought prompted him to tongue out the blue-haired girl even harder while keeping Lucy bouncing atop his waist in a non-stop dick-riding frenzy!

Before long, Levy came and soaked his face in her juices while Lucy wound up squeezing Nolan's dick to completion, letting him cum inside of her like a volcano yet again! Thick ropes of sperm filled her insides thoroughly, giving her a bit of bump in the surface of her stomach in the process. Once she was finished shuddering in a post-orgasmic frenzy, Levy figured it was time she had her time on Nolan's cock again and took her friend's place.

With another shout of euphoria followed by throwing back her head, Levy felt the thick mast of Nolan's cock sliding through her silken folds once again as she rested atop his hips in the same cowgirl position Lucy had just been in. The blonde, busty girl was resting nearby with a hand gingerly stroking the insides of her pussy to the scene. Lucy held onto one of her massive tits with her right hand and fondled it while fingering her sperm-filled sex to the sight of Levy riding Nolan with unrivaled enthusiasm. The blue-haired girl kept her head tossed back, her chest arching forward, and her ample little buttocks thumping away into his waist from above as he filled her with his cock.

Levy writhed and feverishly slammed her waist down onto the shopkeeper's pelvis, feeling his cock thunder away into the roof of her womb! She was huffing, moaning, and trembling with ever-growing excitement while feeling the man grab onto her buttocks from below with both hands. Nolan watched as Levy fucked herself on his meat continuously for about ten more minutes, eventually feeling her insides coil around his cock sensationally with the onset of yet another climax! The girl trembled and felt her entire body writhe in orgasmic euphoria, feeling her insides clutch his length possessively and milk him until he filled her with yet another thick load of sperm drowning out the inside of her uterus!

Lucy had fingered her slot even faster to the sight of seeing his balls pulsating like a human heart, filling up Levy's pussy to the brim and leaving her with a bulge in her stomach like she was. The sight of having her friend, as well as herself, potentially knocked up by a random storekeeper, made Lucy yell loudly in euphoria herself as she came!

Just after Levy finished cumming atop Nolan's waist, as well as finished getting stuffed by his sperm. She fell back onto the ground gently and lied there, spent. The girl was out of commission for a little while after having such a mind-shattering orgasm follow a back-to-back fuck marathon. Fortunately for Nolan, Lucy was still raring to go at least one last time. The man was getting softened up and felt he could only go one last time before getting wrung out for the day. Seeing Lucy walk over to him with swaying hips and a sultry smile on her face was enough to get him riled up. He got up from off the ground and guided the busty blonde over to the surface of his desk again, placing her atop the surface like before except this he was going all-in on fucking her raw in missionary position.

**

Squelch!

"Aaaggghhhhh! Oohhh...God! Mmngghhh! Oohhh...I can never tired of how that feels when's deep inside of me!~" Lucy cried out in ecstasy as she felt Nolan's cock burrow to the hilt inside of her sperm-soaked pussy. Her feet wriggled and her toes curled up as they rested just outside of the man's buttocks. Nolan was pushed balls-deep inside of her and felt the ocean of sperm resting within her womb while he wriggled into place with hands fully on her hips.

"Unnghhh! Ohhh me nether! I'll never get tired of doing this to you after today. You and your friend there are definitely going to need to take pills right away. I'm certainly going to want to do this with you again, you beautiful blonde angel.~" Nolan growled and ran his tongue around his lips before beginning to move his waist into her hips. Lucy's legs started jostling back into the air above Nolan's shoulders now that he began thrusting himself into her body.

Her pussy gushed and squelched around his length nearly constantly with insides being stirred up once again. He made sure to push in hard enough so that the girl's massive breasts would shake and flop around in the air the faster he went.

"Mmngghhh! Aahhhhh! Y-yes! Levy and I will both do that! We definitely want to keep doing this after today! Aaaaahhhh! Aahh..aahh..ahh..aah..ahh..aahh..aahh!~" She cried out, closing her eyes and leaning her head back with mouth hanging agape in blinding euphoria. Lucy could feel every turgid inch of the man's cock burrow frenziedly into her depths, hitting her in her deepest places to where her legs would shake about in reaction!

He was fucking her heard and literally bumping up into her G-spot like crazy, making Lucy have her tongue spill out of her mouth a few minutes after he starts. Nolan kept on rutting his pelvis feverishly into her buttocks, feeling her pussy clutch his length and squeeze tightly around it as they fucked voraciously for the next several minutes. Her body would heave and roll into his pelvis from below, shaking and twitching non-stop as he pummeled away with a wide grin on his mustached face. Levy had still been resting nearby with sperm leaking out of her pussy en masse, watching Lucy twist her legs around Nolan as they continued fucking well into a ten-minute mark!

"Uhh..uuuhh..ugh..uh..ugh..ugh..uuuhh...aaggghhhhh! Here it comes! I'm coming, you beautiful big-breasted bitch! I'm going to fill your insides full of tadpoles, so you better take a pill right away so I can do this for as long as I want later down the line! Hnngghhh!" Nolan yelled loudly and slammed his pelvis into her crotch once again, filling her pussy entirely with it as he bent over Lucy's body with cum spewing out into her womb in thick loads!

All the same, Lucy came as well since he had hit her G-spot with his last thrust, making her give off a goofy expression as she came intensely in orgasm! Her feet curled up and her legs wrapped tightly across his back with arms doing the same with the back of his neck! Their bodies rolled into each other feverishly in animal-like rutting with Lucy feeling every blast of sperm spilling into her womb!

"Aaaaaggghhhhhhhhh!!~" She cried out with a goofy ahegao expression on her face, feeling every thick splash of cum spill into her like so.

Splurt...splurt...splurt...splurt...splurt...splurt...splurt...splurt...splurt...splurt!

Lucy and Nolan growled and ground into each other's waists, thoroughly rubbing groins with Nolan cumming for at least a couple of minutes tops before finally becoming softened. Once he was done, he went semi-flaccid and collapsed onto the beautiful blonde's frame, heaving tiredly with her in post-coital bliss.

Lucy was wearing a blissfully content smile on her face the entire time and watched her friend Levy come over, wearing a mischievous smirk on her lips as she closed on Nolan from the side with her lips touching his.

Schlupp...schlup...schlup...schlup...schlupp...schlup...schlupp!

"Aaahh! Mhmm! Sooooo tasty....!" Levy moaned as she finished rolling her tongue down the side of the man's sperm-covered length with Lucy bobbing her head on the very tip of his cock from the other side.

He had been sitting down in one of his office chairs, holding both girls' heads into each of his hands as they cleaned up his cock with their eager tongues. Of course, he was still soft yet only halfway so, making it a tender yet slightly painful sensation having both girls slurping his dick like a pair of broken whores.

"Mmmmm! Mhmm! Mmhmm...*Schluip..schlup...schlup...schlup..schlup!*.mmhm! Ready to cum, Nolan? Hehehehe.~" Lucy purred as she stroked the hilt of his meat with one of her hands while Levy simply rolled her tongue all over every inch of his shaft till Lucy resumed sucking on the head.

"Ghngghh! Yesss! This is it for me, girls! Nolan's spent...right....after...you suck him off to completion! Gyaaaagghhh!" He growled loudly and tossed his head back a bit, cumming a final multitude of sperm shots directly into Lucy's mouth, filling her cheeks till she quickly swapped out with Levy so she could do the same.

Both girls had closed their lips tightly after taking in a number of cumshots into their throats, each of them kept on taking turns with one pair of lips milking his penis after the other. They sucked and slurped hungrily for the entire duration of his ejaculation, eventually milking him dry when he was left finished and fully flaccid. Nolan let out a sigh and wore a proud grin on his burly face, enjoying what may have been the best Backroom deal of his life as he watched the girls swallow down their respective loads.

Gulp!

They opened their mouths and showed him a clean plate and sperm-free set of teeth each before kissing each other on the lips in a raunchy lesbian fashion. All he could do was enjoy the scenery and mentally prepare an entire month's supply of birth control to include with their books.

After gathering their clothes and putting every article back on over their bodies, albeit in slightly disheveled states, Lucy and Levy had finished getting re-dressed and walked back to the counter where Nolan was waiting for them. The burly yet handsomely-built man waited with their copies on the counter as well as a box of Birth Control Pills while wearing a sly smile on his face.

"There you both go, free of charge. All things considered, I think a discount simply wouldn't do you justice. That was the Best fuck of my life. Heh heh heh.~" He chuckled and saw Lucy and Levy smile enthusiastically as they took their copies right off the counter with glee. The girls giddily high-fived each other and flashed Nolan a sultry gaze before Lucy slipped them a slip of paper with their numbers on it.

"We'll be sure to visit whenever you have some...free time to kill in the backroom, Mister Nolan. Thanks for the 'Store Discount', we were really glad we could convince you to give us these last two copies.~" Lucy purred, stroking the side of his arm while Levy did the same.

"Hope you'll keep in touch with us whenever you're feeling lonely and in need. We might certainly stop by and 'Arrange' more deals with you just for the fun of it anyway.~" Levy added and the mustache-wearing man smiled confidently and brought each girl to his side, cupping their buttocks from around their waists and kissing each of them hungrily in turns.

"Hmmm. Deal. Let's meet up again sometime soon, I don't have anything better to do than run this store and fuck two beautiful teenage girls all day long. Just be sure to take those pills in the morning, I did let out a lot inside each of you. Consider them on- the-house as well, I think you'll be needing them for our visits.~" He said and both of them smiled at him with sultry bedroom gazes.

"Deal!~" They said in unison.

End of Chapter!

To be continued?

This has been for Ace. Thanks for Reading.
