# SERVICE ALTERNATOR

- Laser energy rifle with high battery capacity
- Medium powered barrel for sustained fire. No projectile stun capabilities
- Alternate melee mode with stun charge

# SERVICE ISO-RIFLE

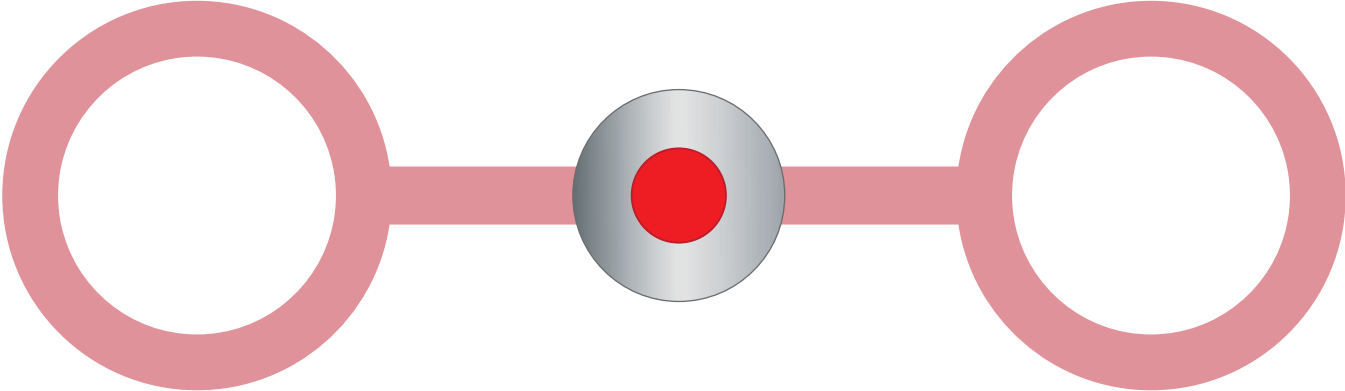

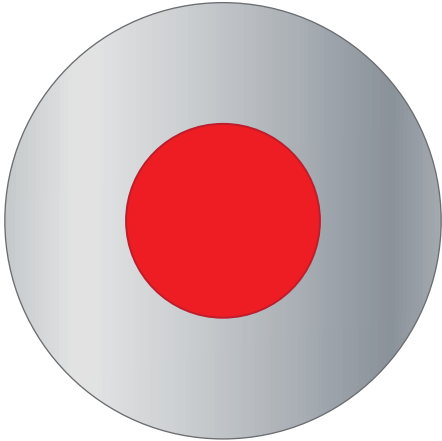

- Laser energy rifle with low battery capacity
- High powered barrel for long range accuracy. No stun capabilities
- Overcharge only

# CADET CLICKER

- Teleporter and communicator in one device
- Clicker is not itself a teleporter but rather a beacon that a teleport deck uses.
- Home Location is a default location that can always be returned to. This can either be a Cadet Station or Cadet Ship big enough to house a return deck.
- Clicker can teleport anyone touching the primary user within the workable radius of 6 feet.
- Teleporter can't teleport a girl out of a stomach due to direct contact. But can teleport criminal and girl together to accommodate arrest and later extraction.

# JELLY DOUGHNUT

**Laser restraint disk.  
Maximum of four loop beams per doughnut.**

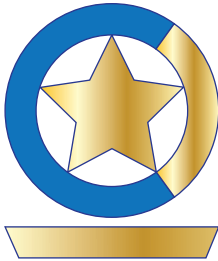

# CADET BADGES

JUNIOR CADET

CADET

SERGEANT

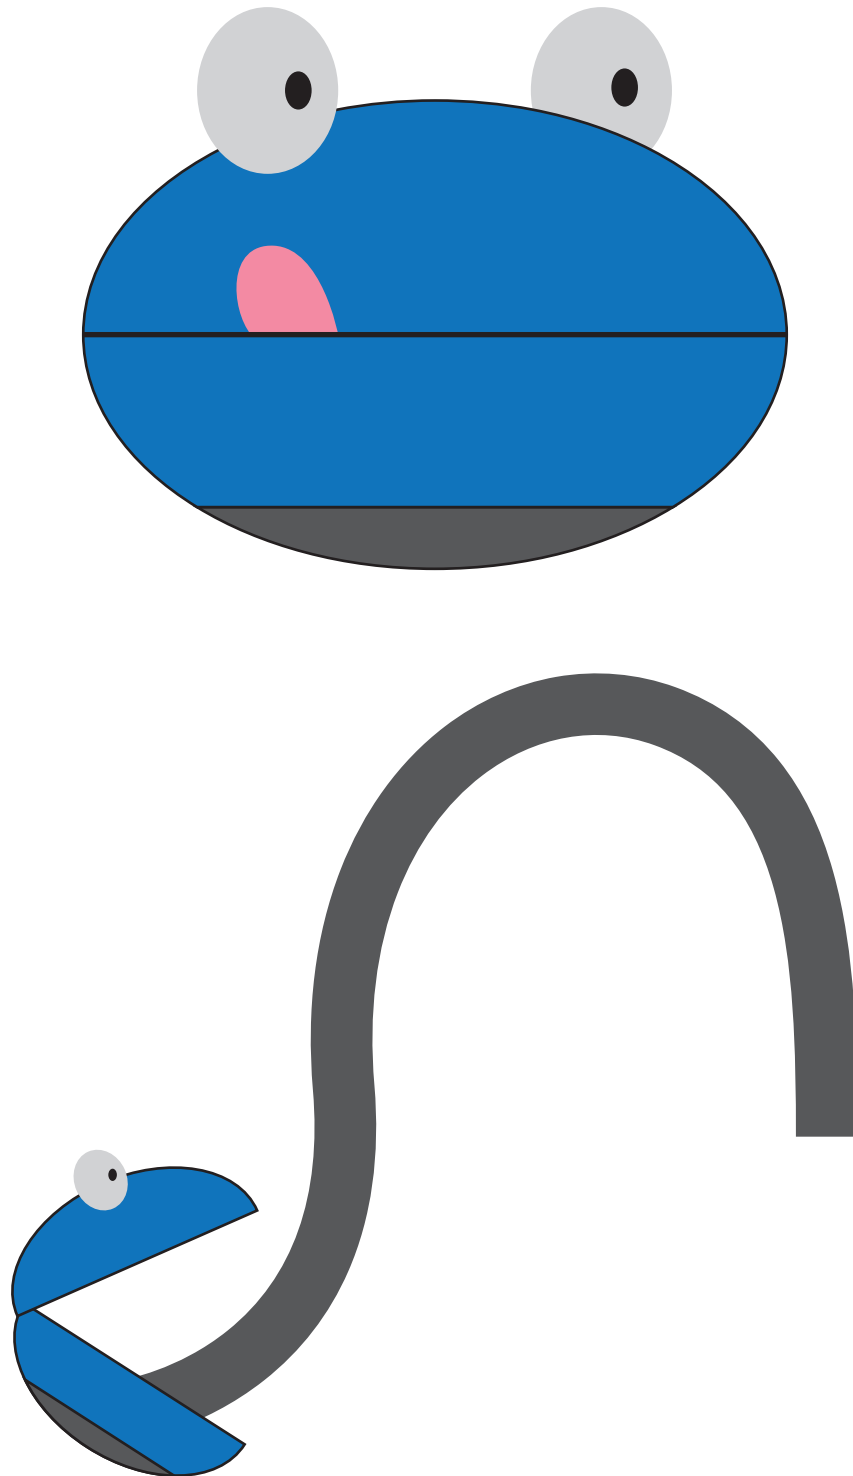

LIEUTENANT

CAPTAIN

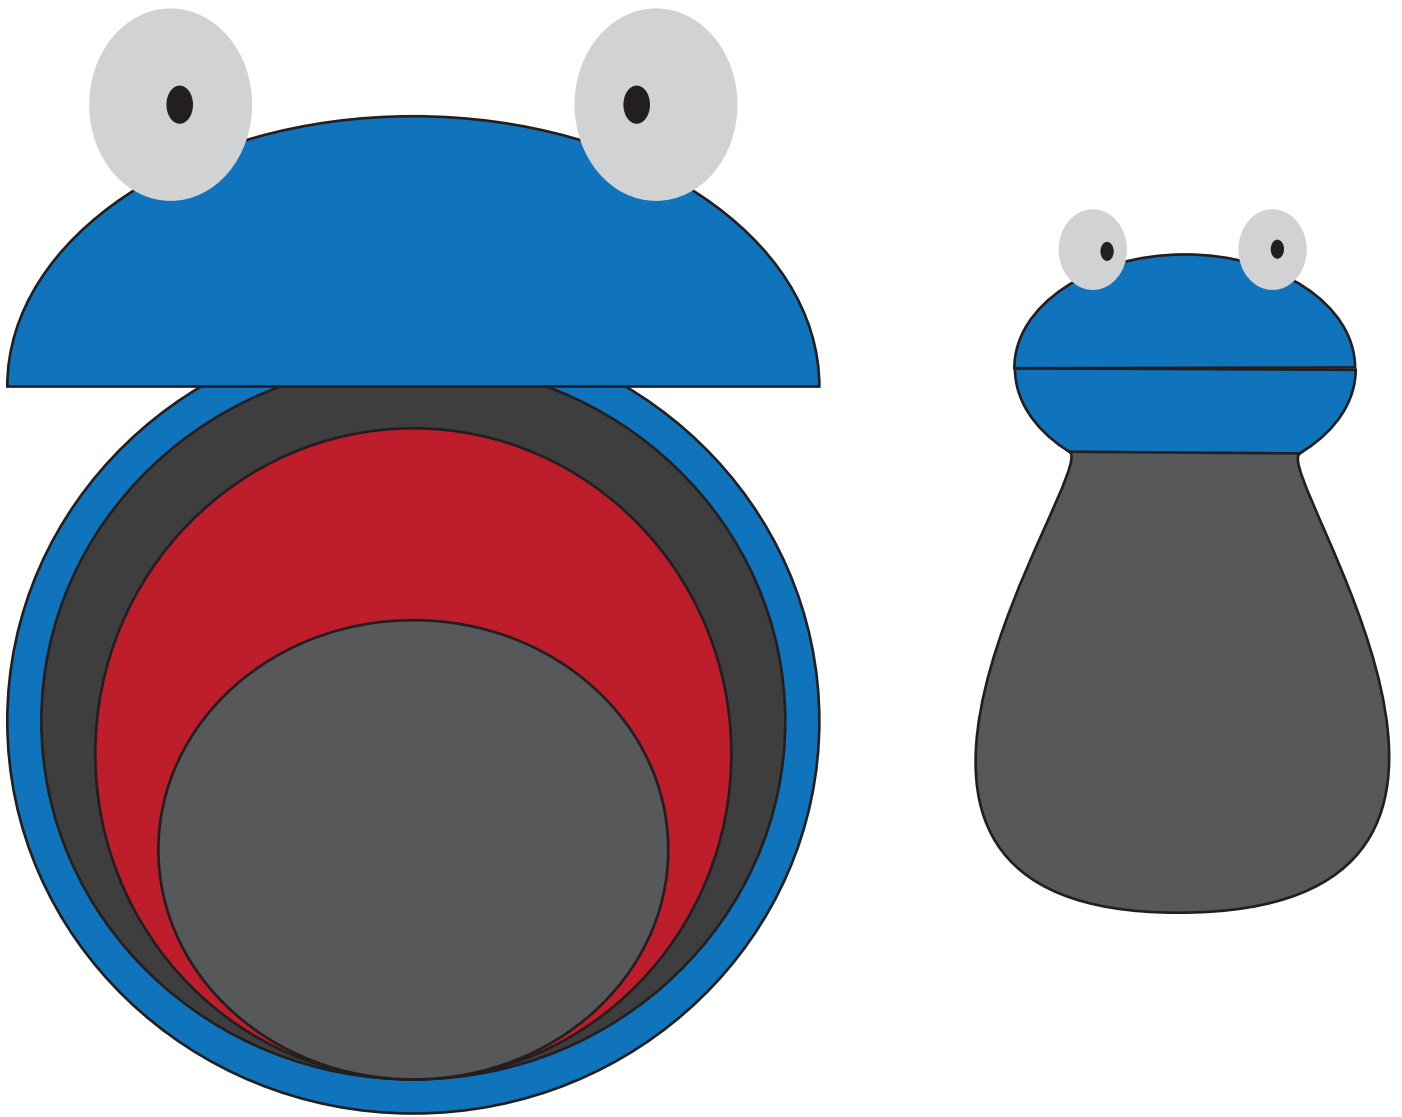

# EXTRACTOR BOT
