The book said that Demon
can be eliminated with
a sword that is specialized
in killing them...

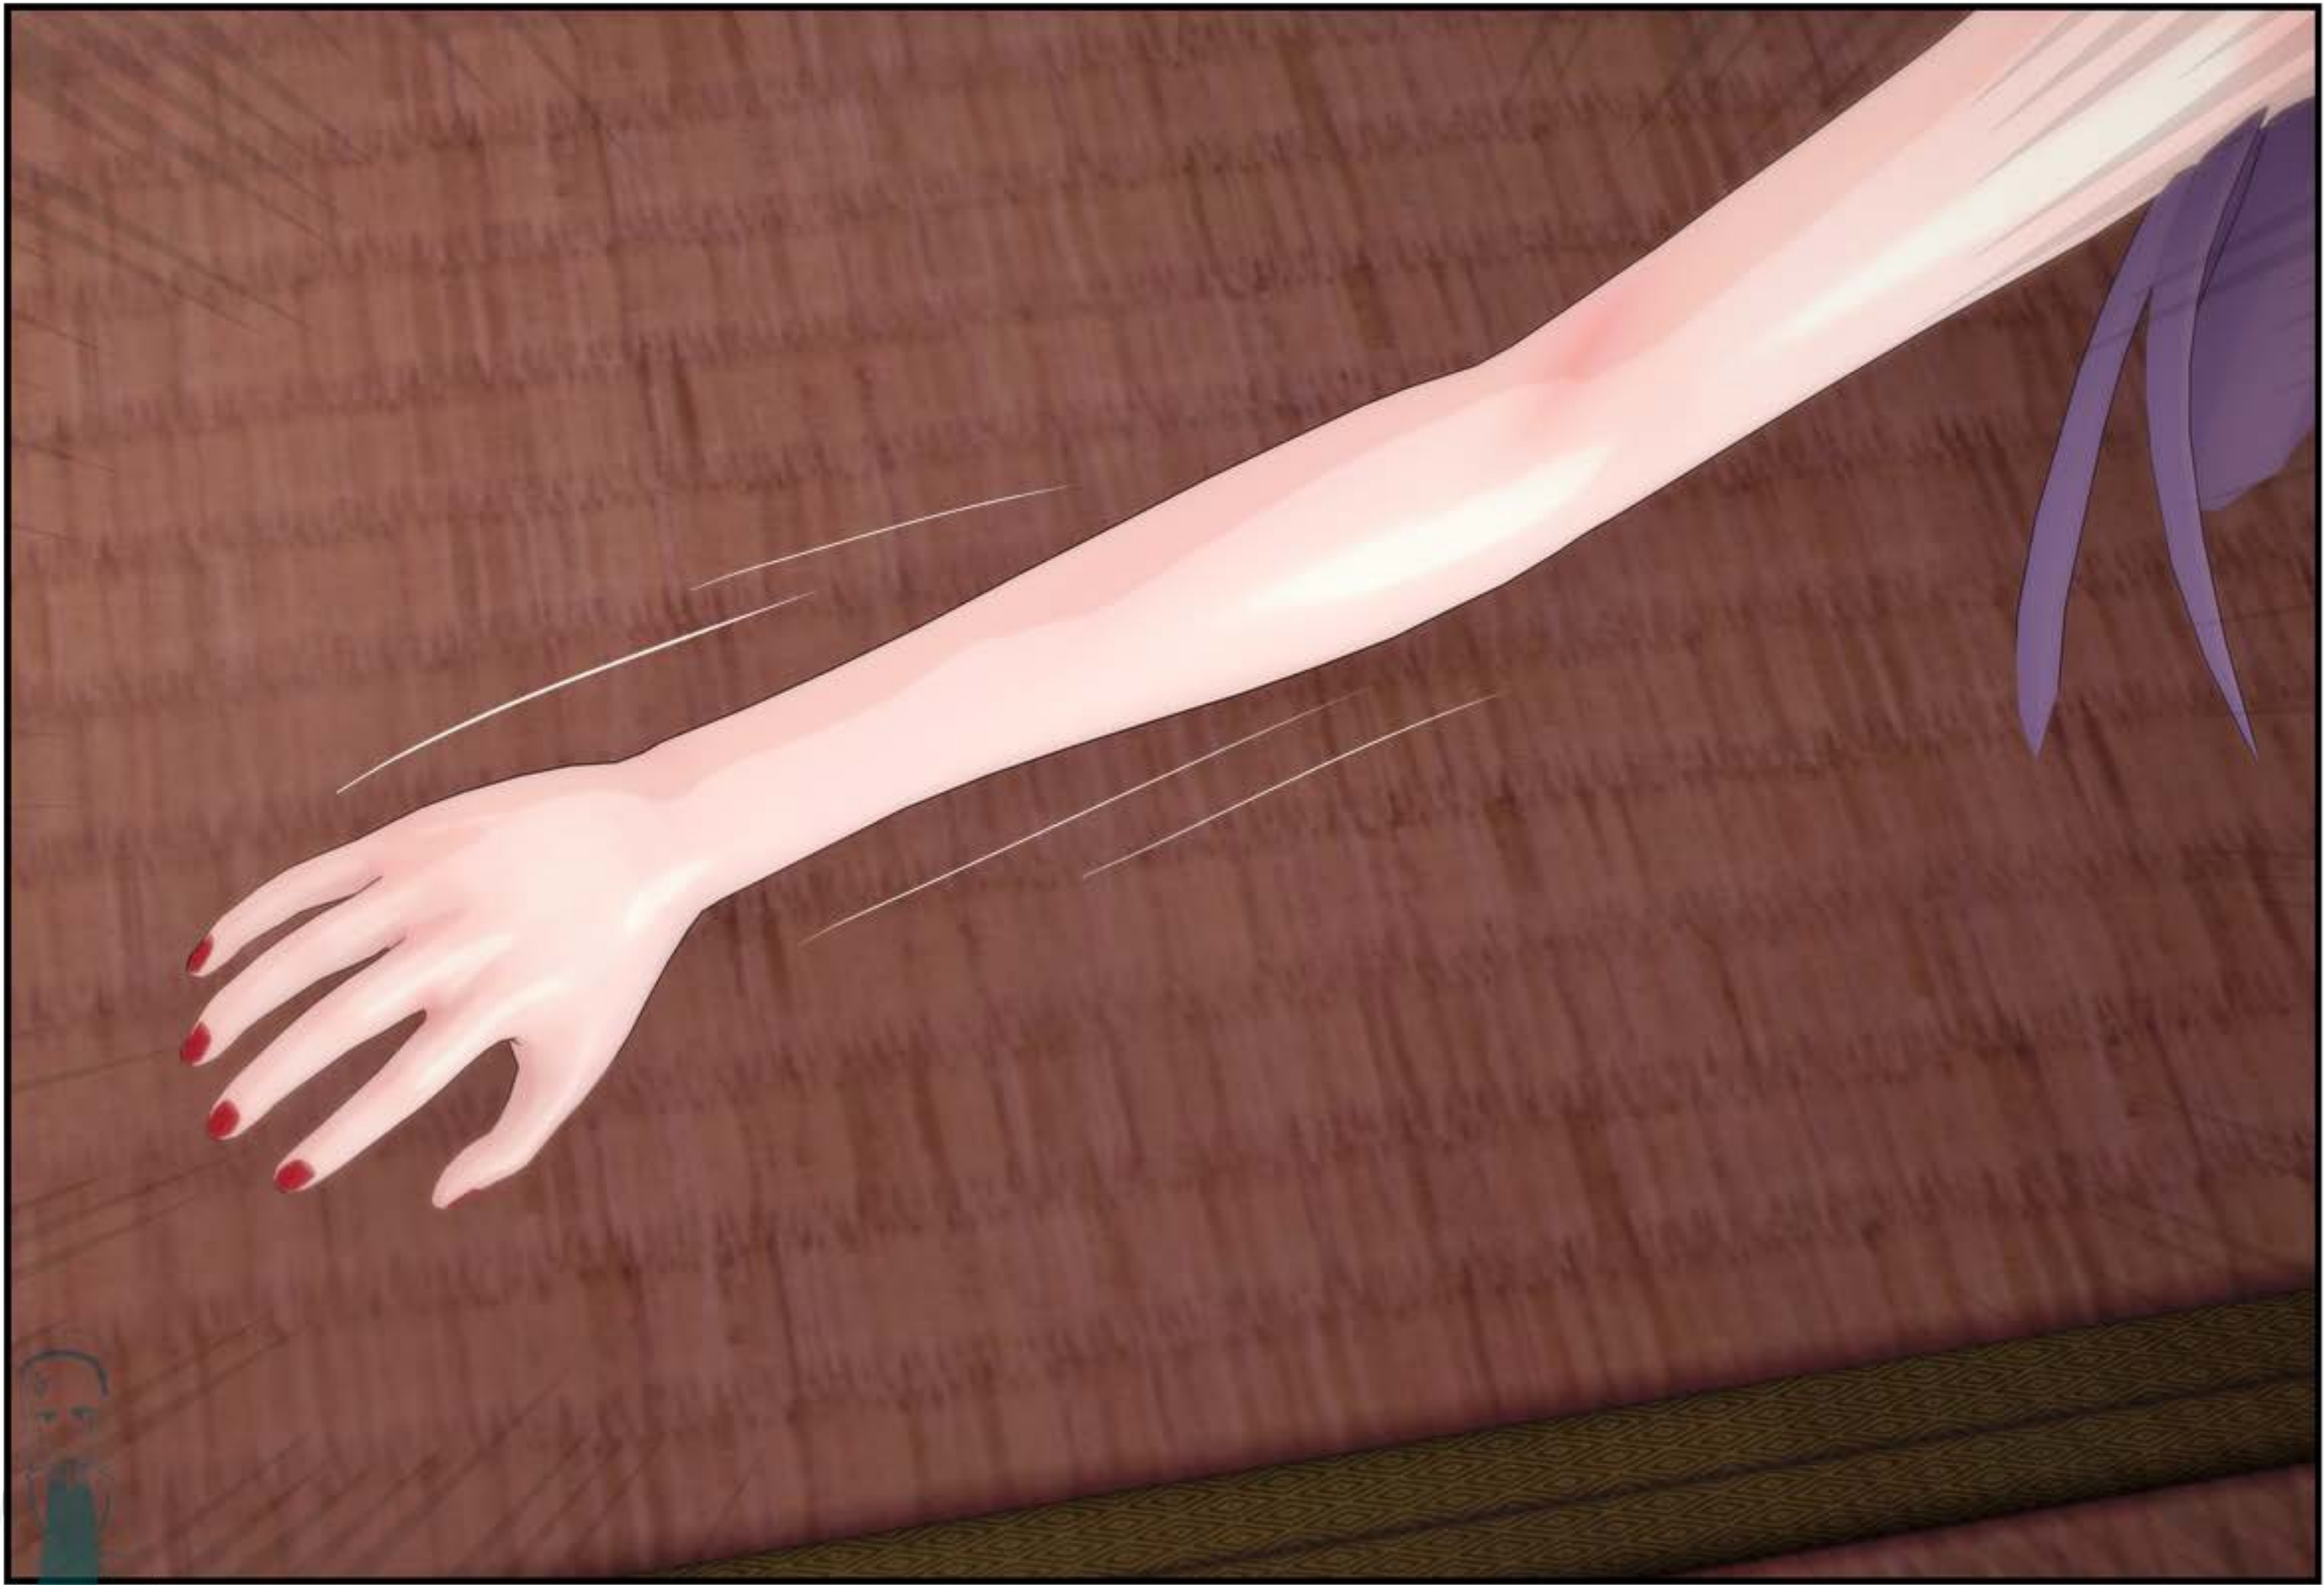

But... one sword, held
by someone...

...Enough to vanish
them forever?

As Demon lurking around in every corner, many factions were formed in order to prevent the threat...

Nezuko! Slow down
a bit!

Um... Uhm!!!

"I recieved an order
to patrol the area tonight."

"It's also a good chance
to let Nezuko stretch herself."

U-Ugh... S-Someone...

Someone...
Help me...

Hang in there!
I'm coming!

What happened?
That sword... are
you a Demon Slayer, too?

Y-Yes... I got
ambused...

Our camp is nearby,
let me take you to there!

That... would be very nice of you, Demon Slayer...

Uhmhhh!!!!
Uhnmm!!! Umhhh!!!!

Is there something
wrong, Nezuko?

That girl... She is also a Demon... I'm surprised.

She can live with
a human like you...

"W-What...!? Why
did he suddenly attack us?"

Hah... Guess it was my first luck tonight.

To catch one Slayer
and his Demon pet.

Oh there...

Respect when someone is talking, would you?

Nezukoooo!!!!

Don't you dare...
to hurt my sister!

Nice move, I admit.
But it's not enough.

Moreover, could you
teach her not to interrupt?

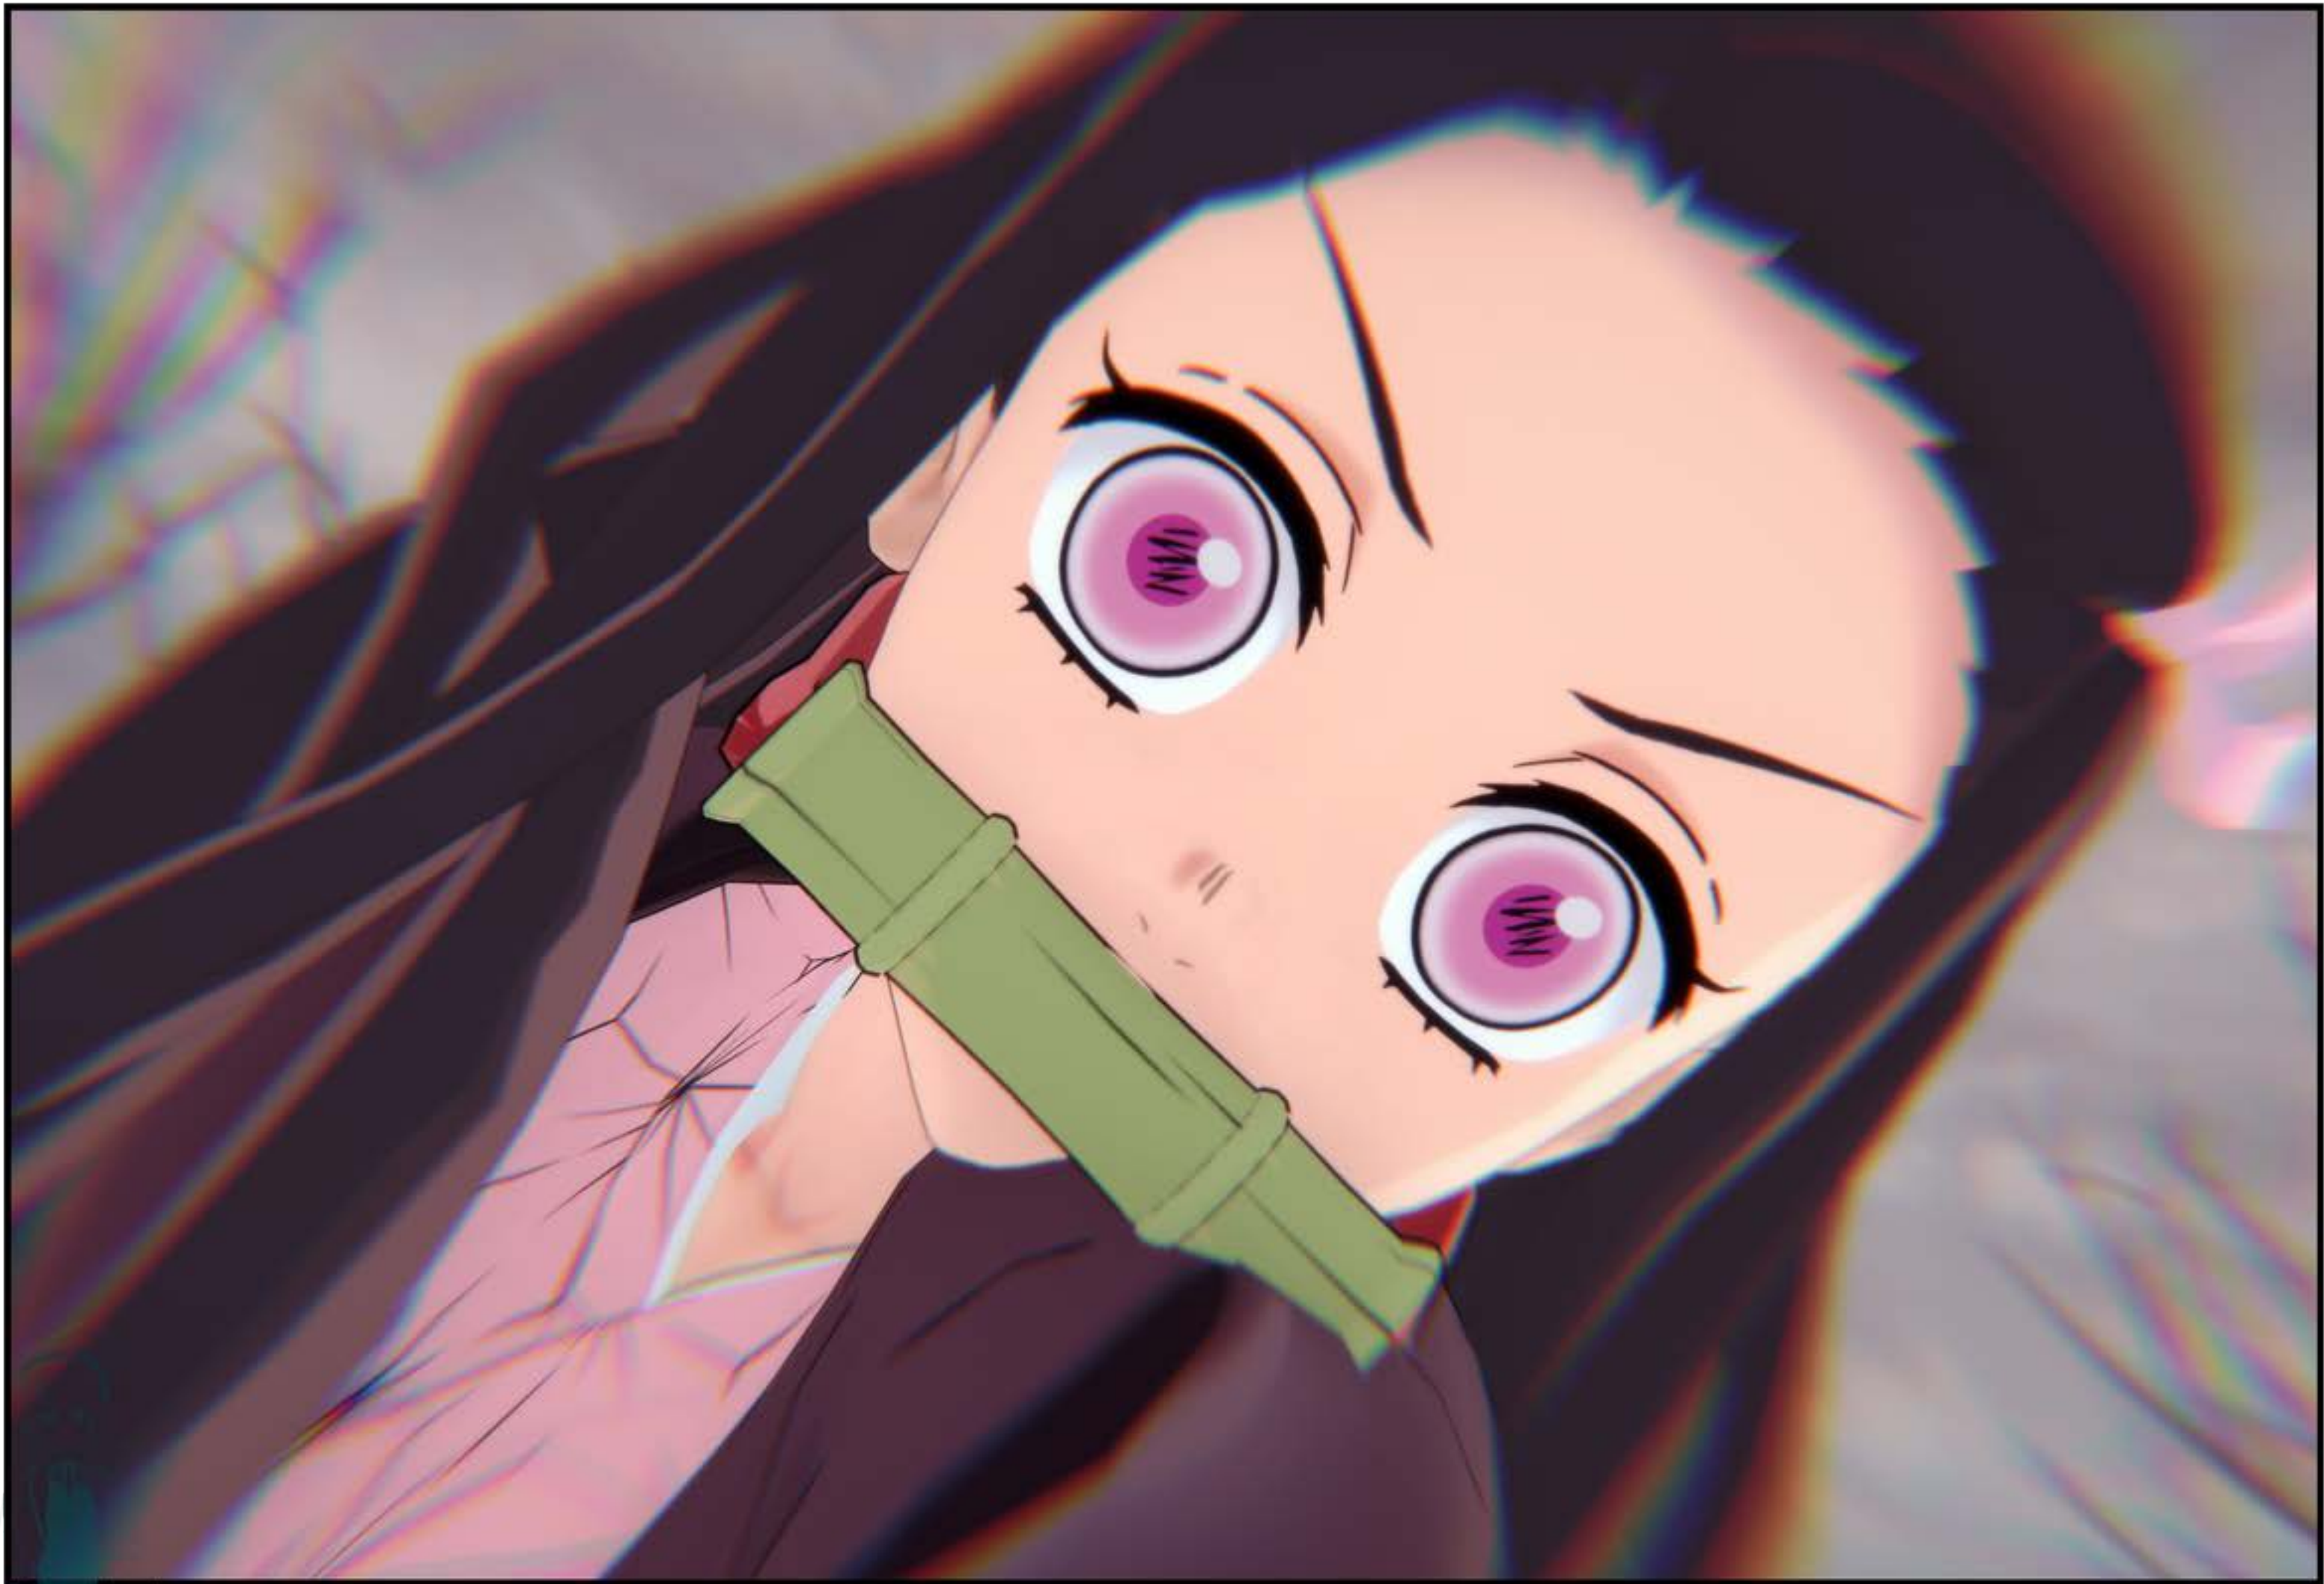

"Ugh!? He deflected my sword!?"

Stay back.

Hmph... For me,
she is perfect to be
under my lead.

N-Nezuko!

I won't let you
get away with this!!!

A close-up anime-style illustration of a character with wide, shocked eyes and a speech bubble. The character has large, expressive eyes with white highlights and dark pupils, and a slightly open mouth. The background is a blurred cityscape. A speech bubble is positioned above the character's head, containing the text "I can't see... his move...".

"I can't see... his move..."

Uhhhhmmmmm!!!!

What are you... Those are not even sword skill...

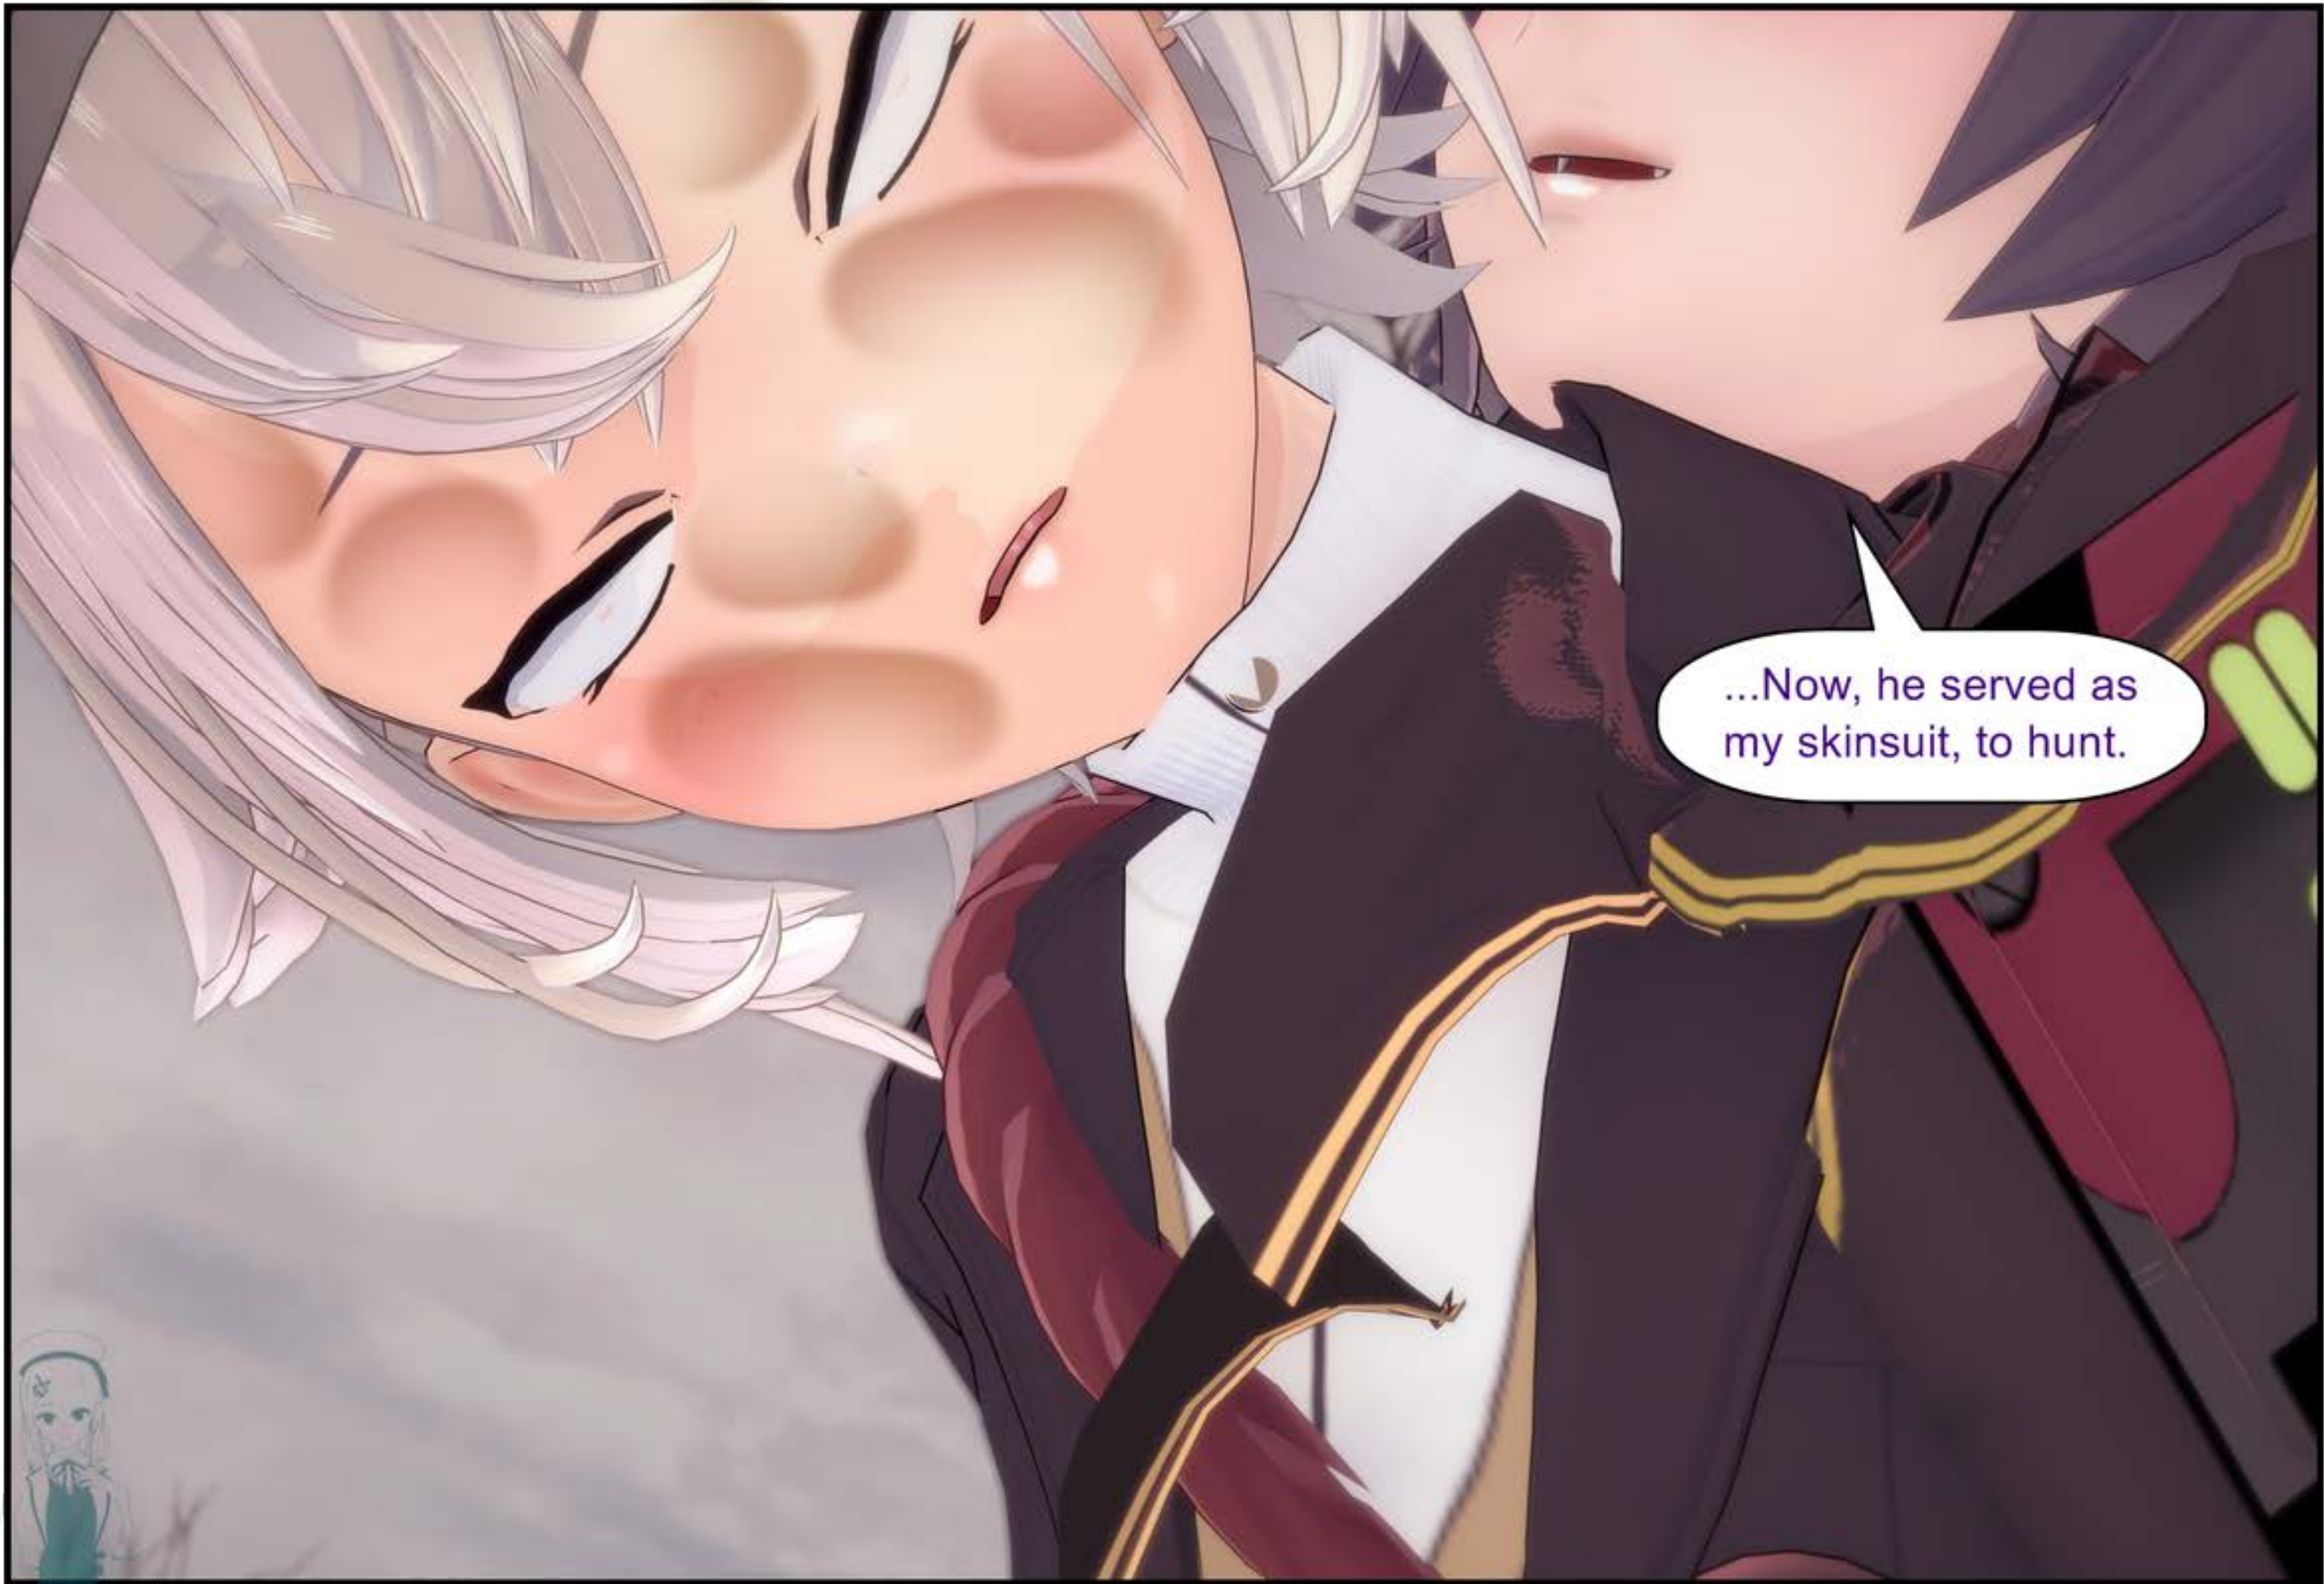

You get it right... We applied our own Demonic skills into the sword.

And this is Hotaru,
a Demon Slayer like you...

...Now, he served as my skinsuit, to hunt.

Each of my moves
put a poison effect
on both of you.

But don't die so soon.
You two will be
beneficial for us.

A girl with long black hair, wearing a pink kimono with a green collar and a dark purple outer garment, lies on a grey path at night. Her eyes are closed, and she appears to be unconscious. The path is illuminated by a light source from the left, casting a long shadow. In the background, there are dark, leafless trees and a large, dark rock formation on the left. Two white speech bubbles are present: one above the girl and one below her.

Especially that girl,
a Demon but still have
human side.

"Ne...zuko..."

Don't you dare...

Earlier...

This can't be...
I thought we already...

Do you think... one sword could kill me?

Though I must say,
it was a bit hurt.

Crack....

Maybe wield it harder to my neck next time.

Also, you wonder why you
keep coming back here,
to my hunting ground, right?

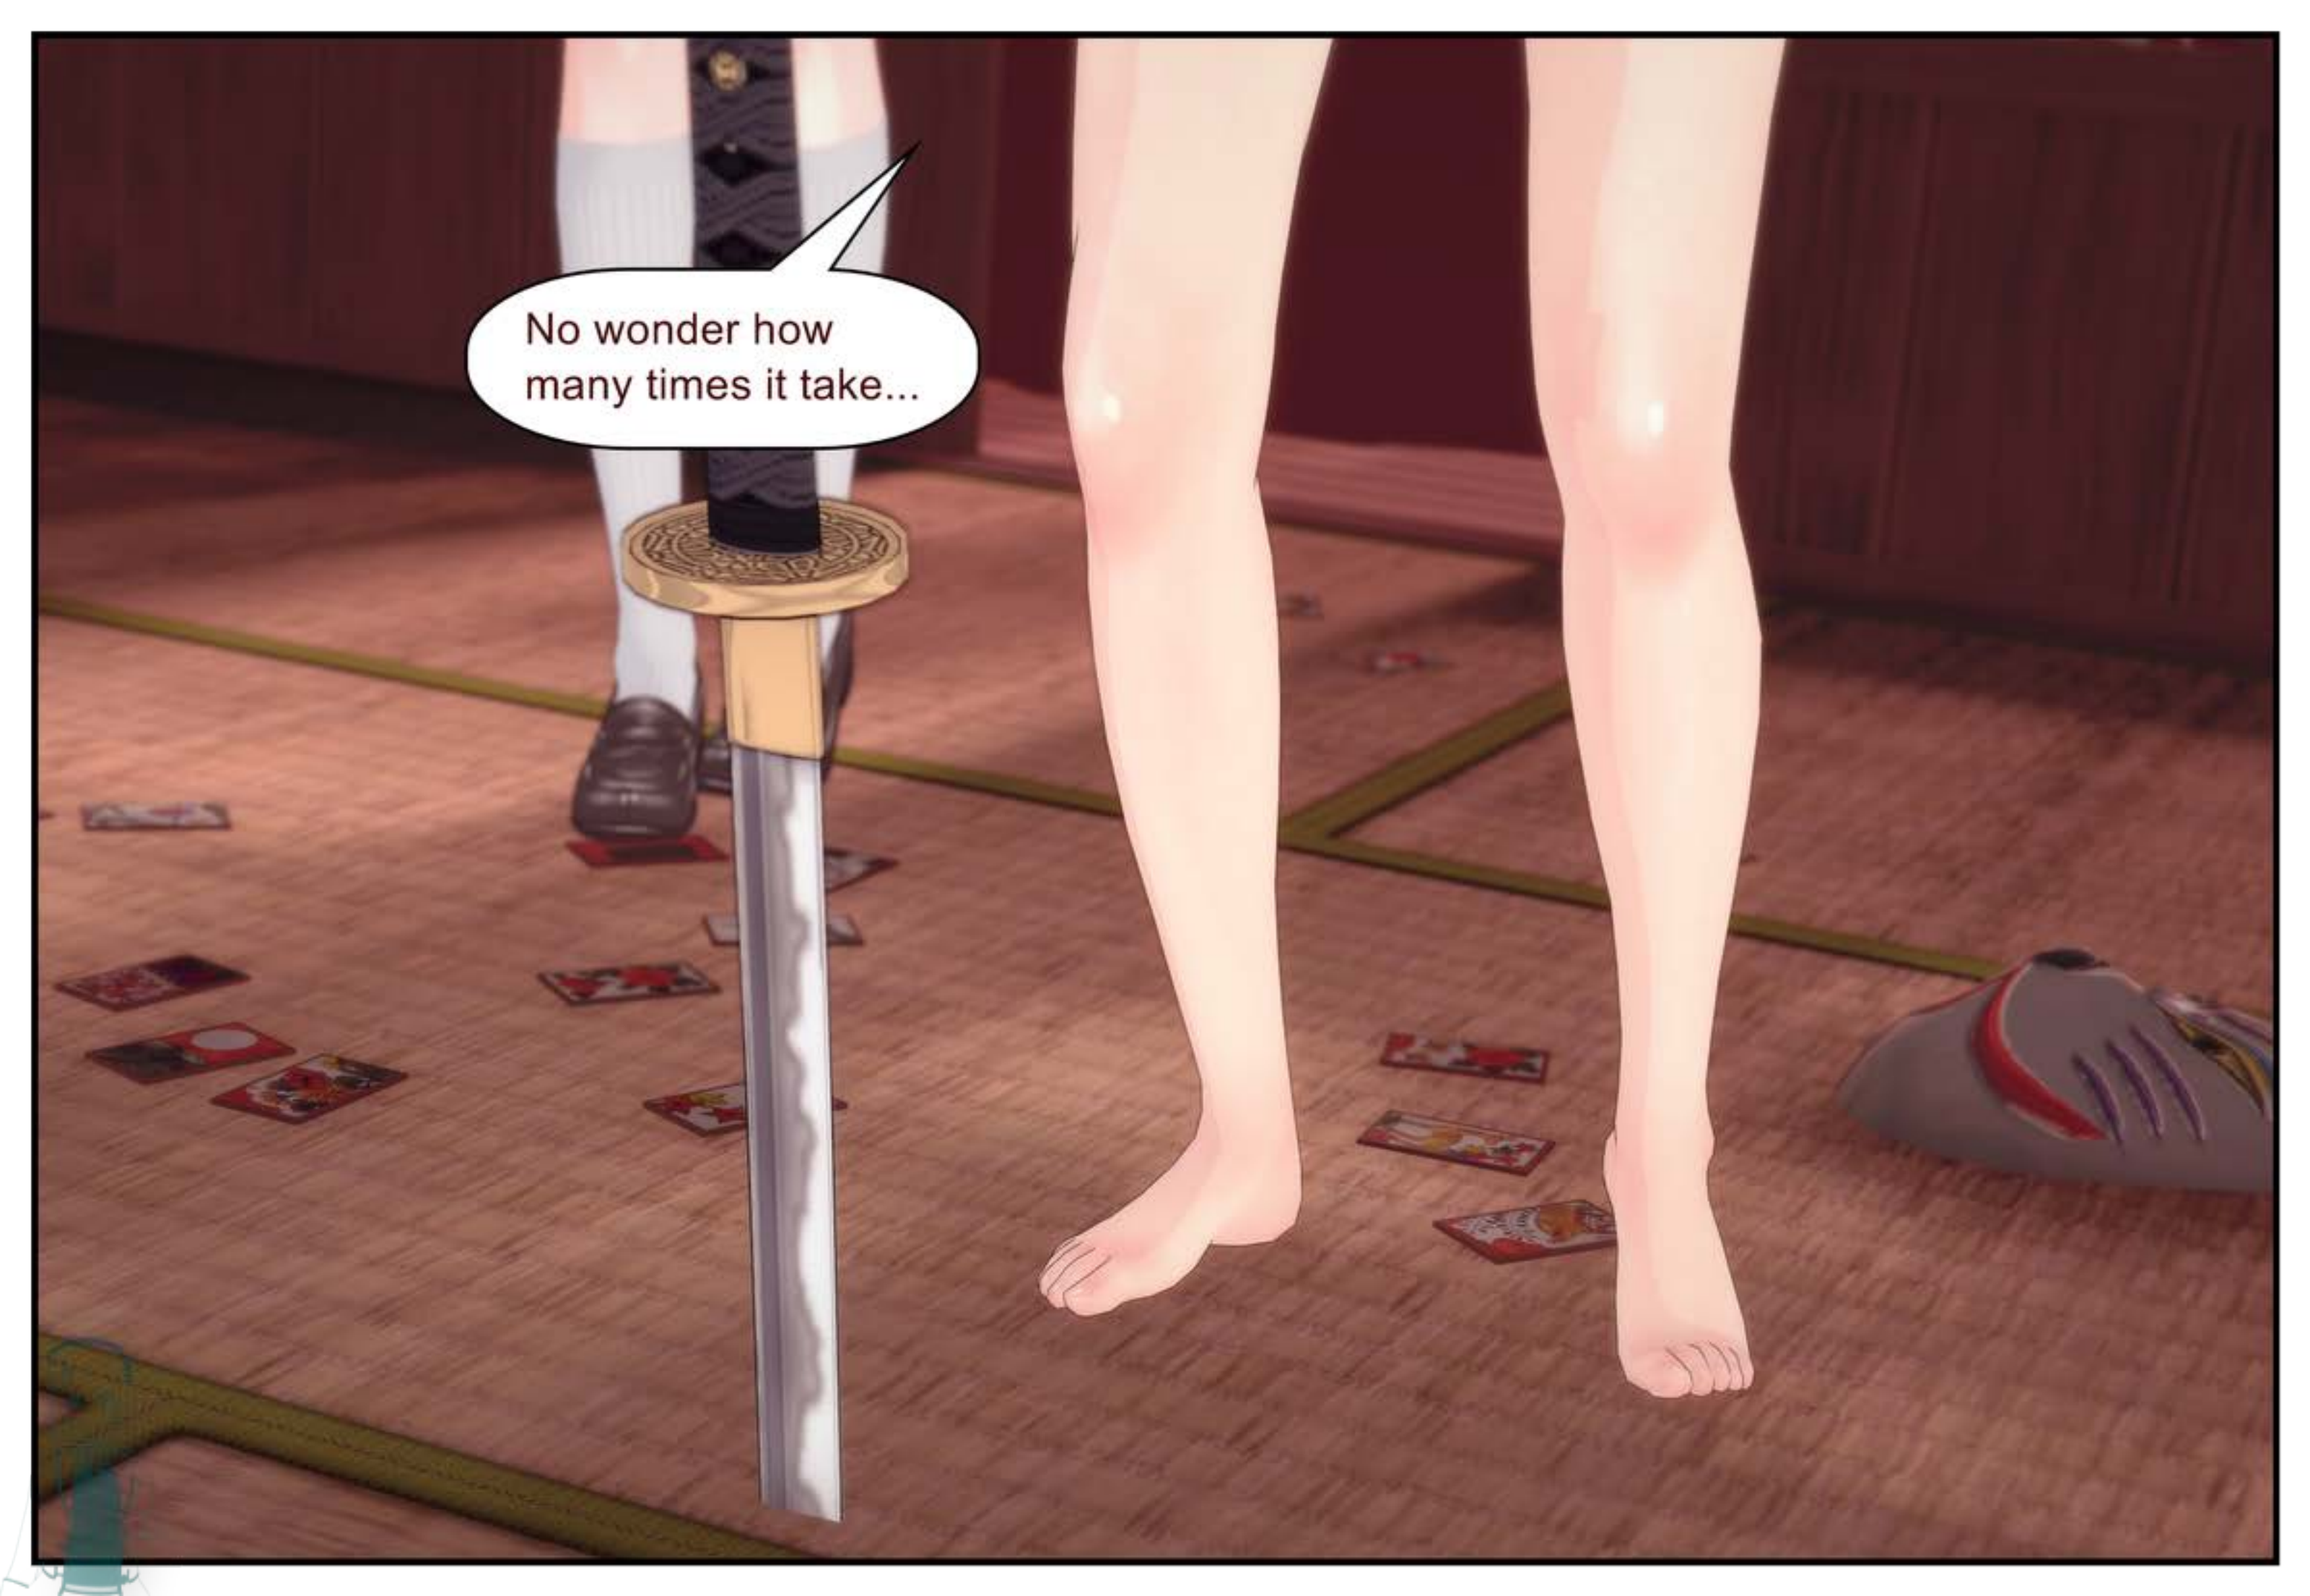

Because I'm still here, alive and breathing.

I won't let you get away this time!!!

No wonder how
many times it take...

...I will cut you to pieces, until you completely vanish!

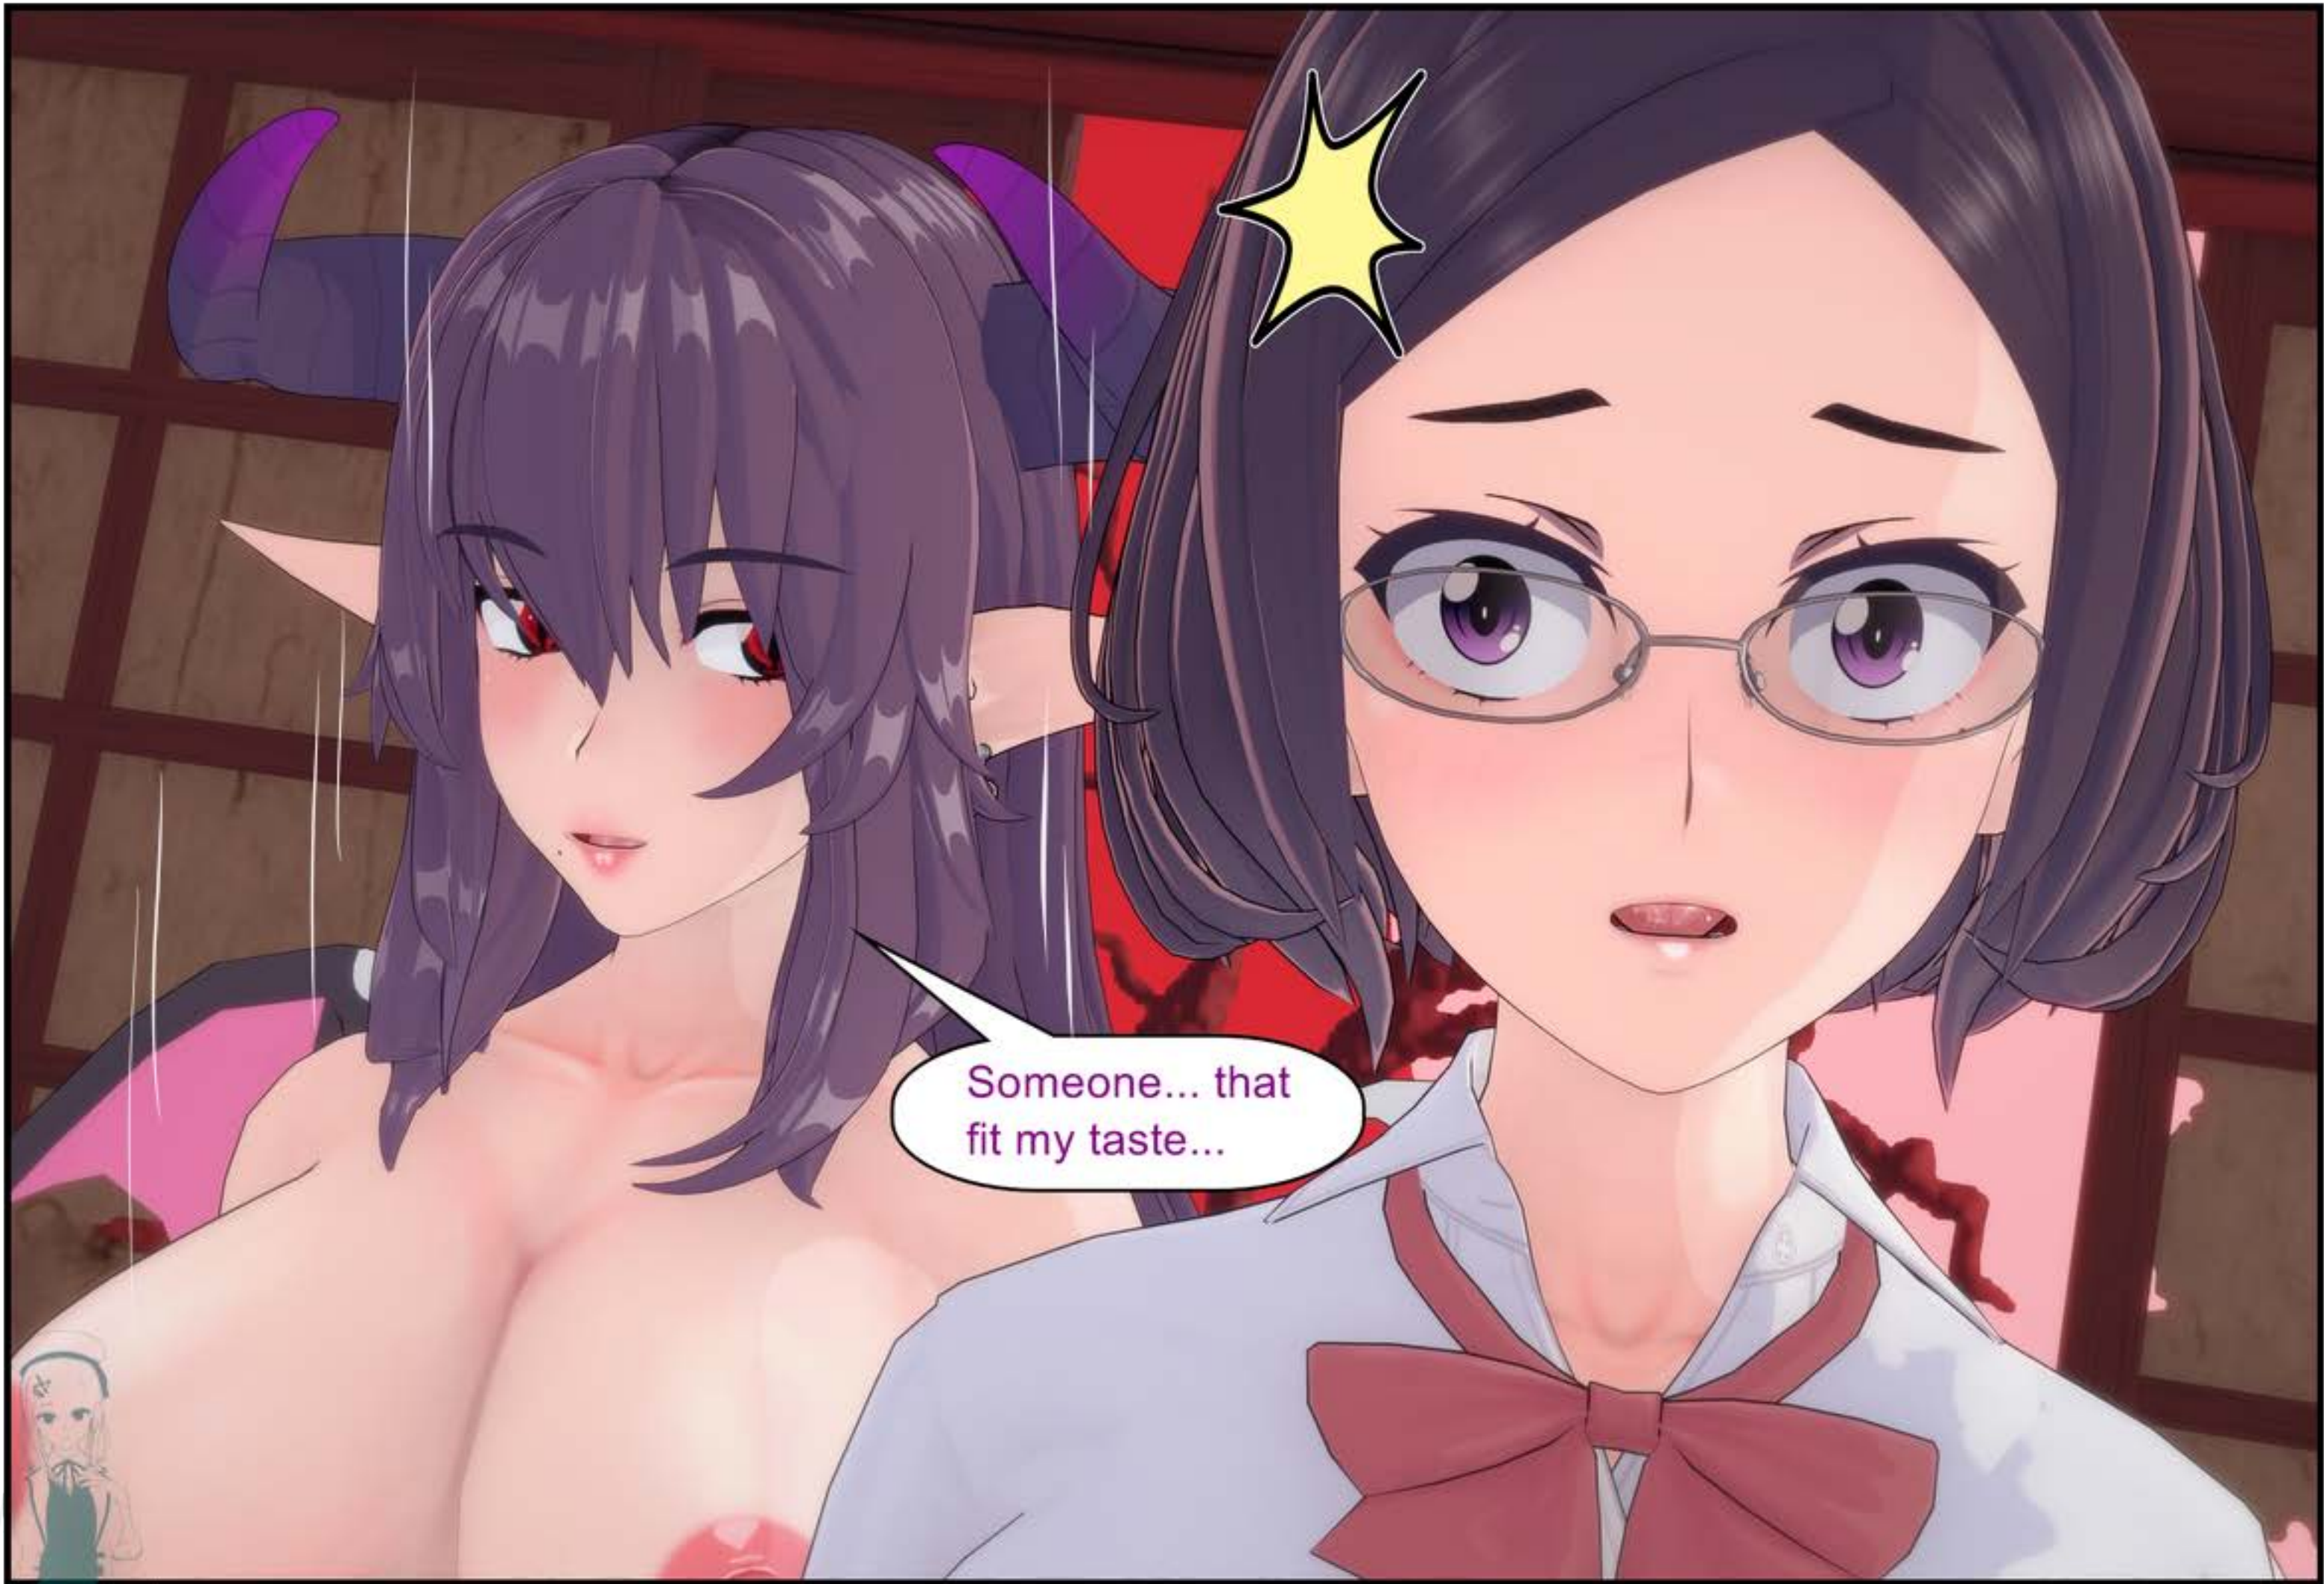

I would love to...
but seem like my
strength is not
yet recover...

Did you know? Demon usually don't hunt alone.

If no one with them,
they will create more.

Someone... that
fit my taste...

Leave her alone!!!!

Kyyyaaaaaaaa!!!!

S-Save me...

A-Aaaahhh.... Gyyaaa...

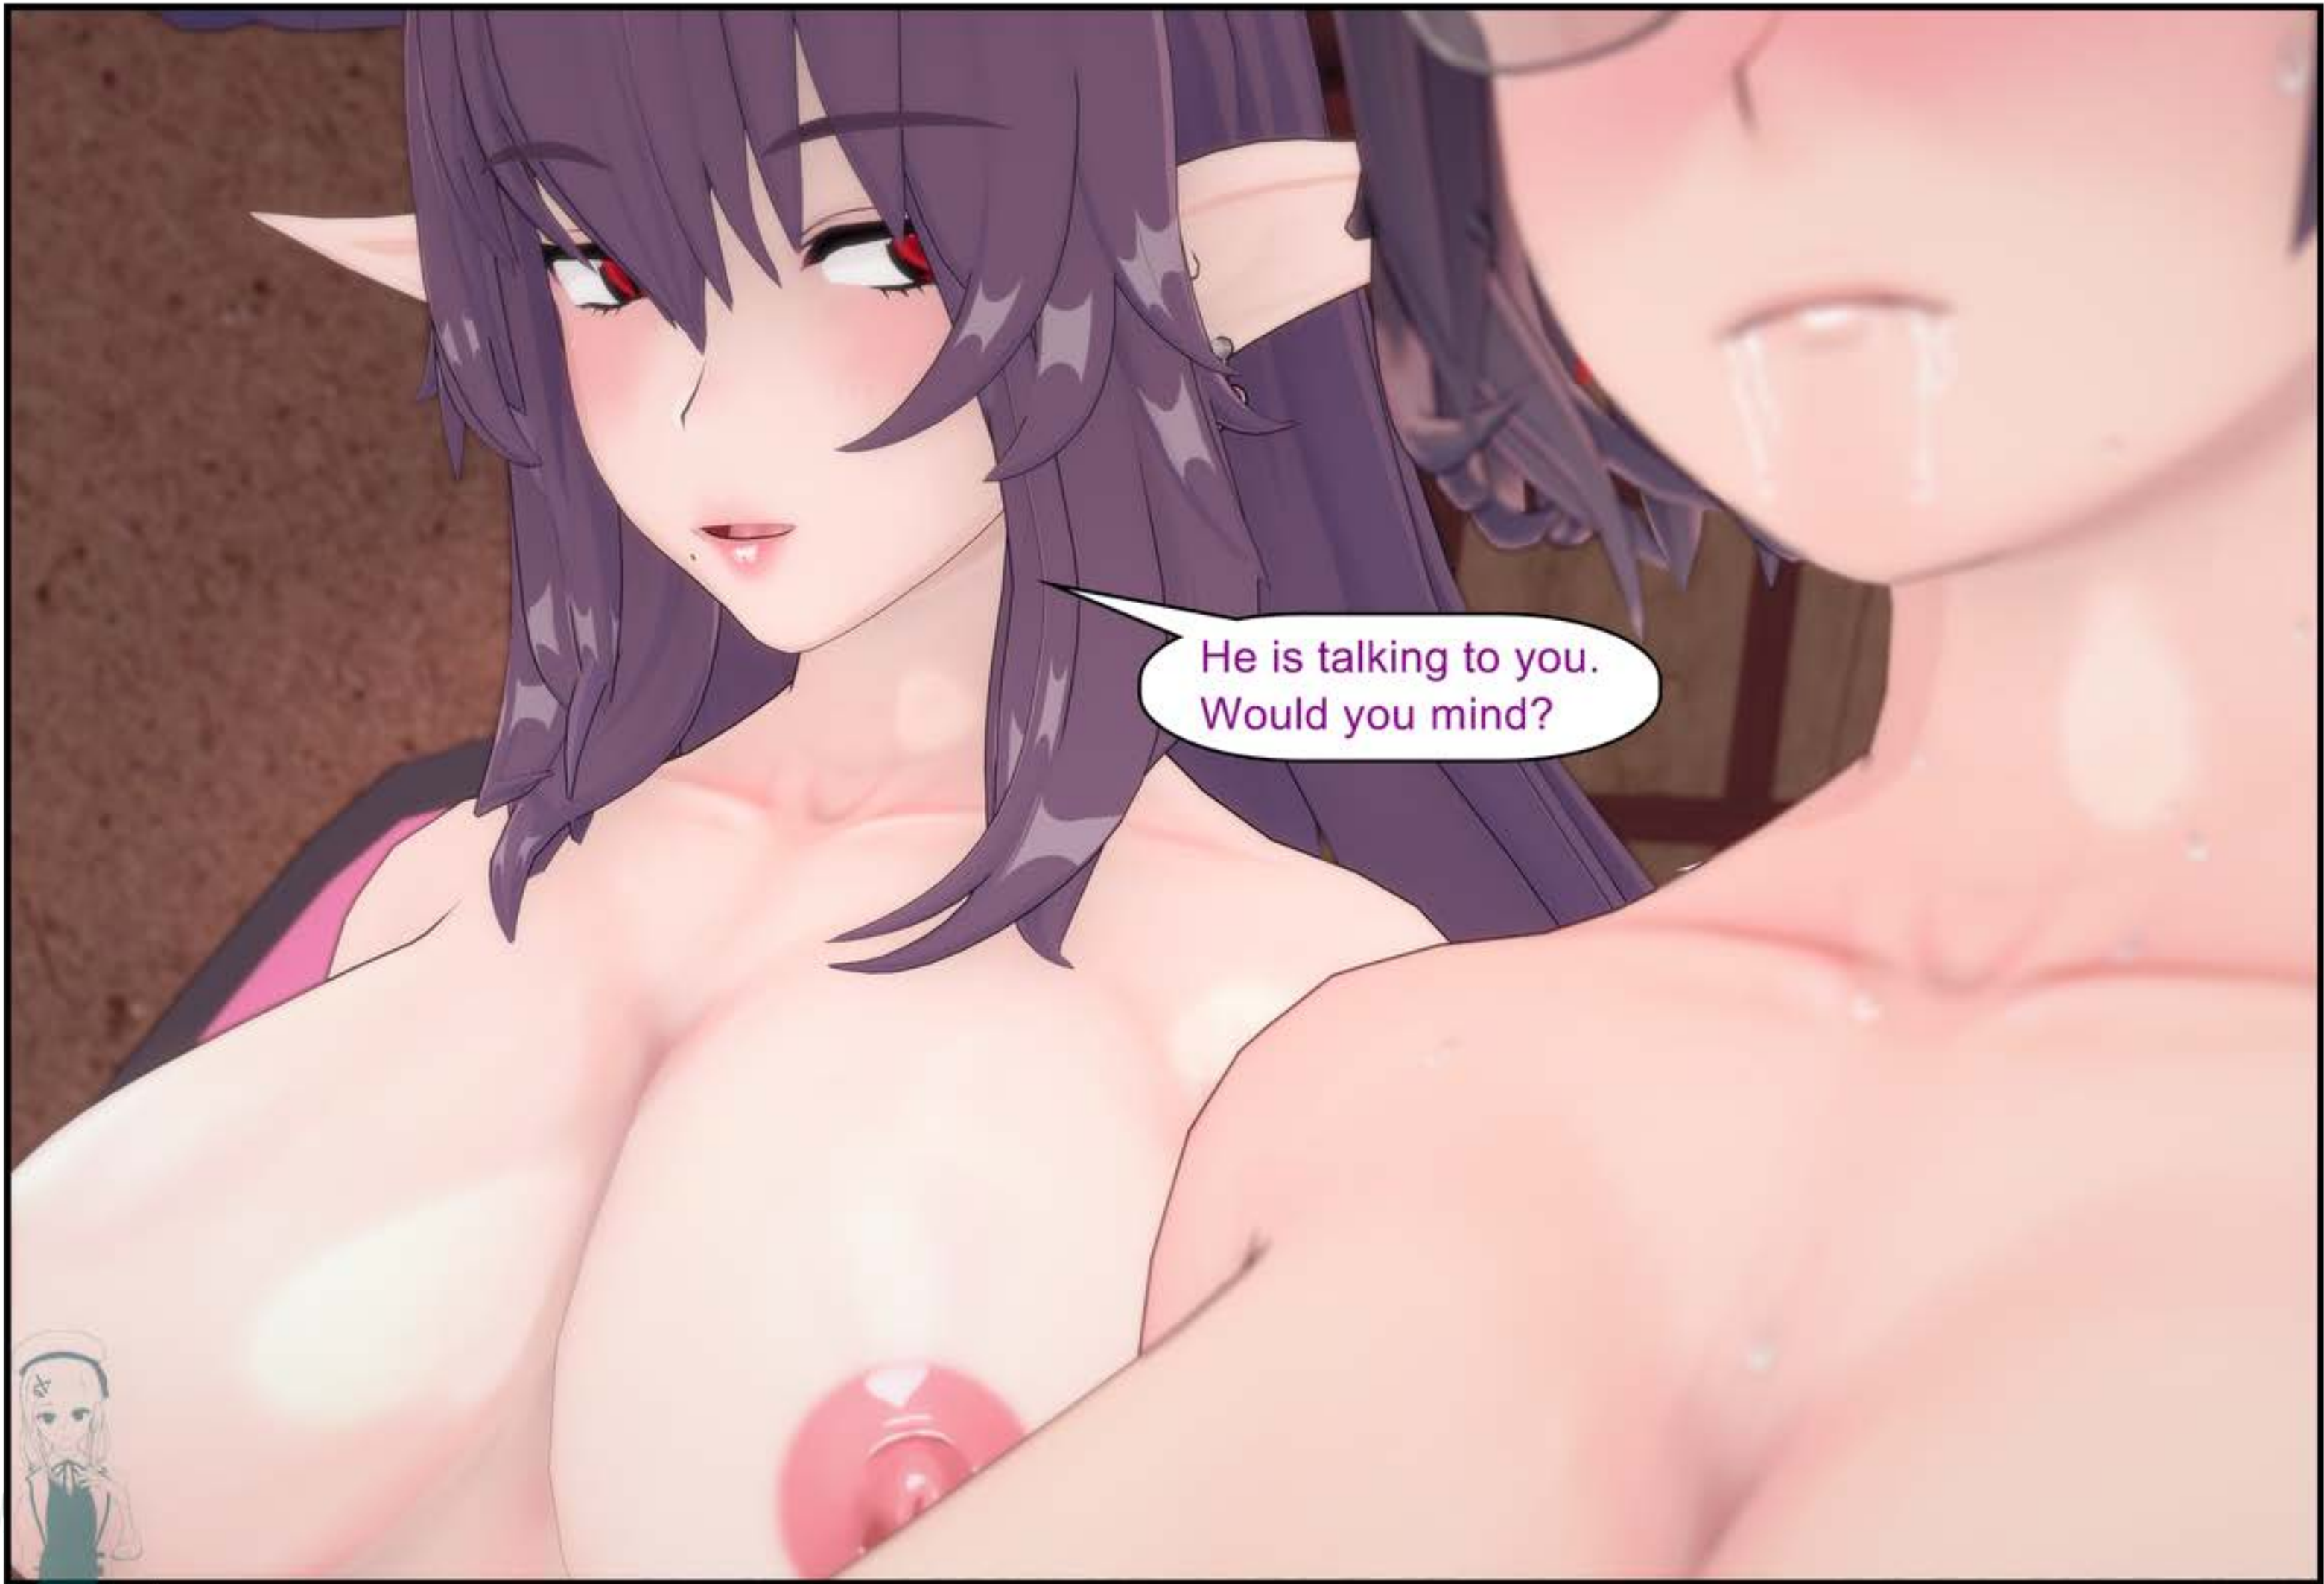

Hah...

You... What did you do to her!!??

He is talking to you.
Would you mind?

I don't need you
anymore, Demon Slayer...

I was reborn... by the Queen herself!

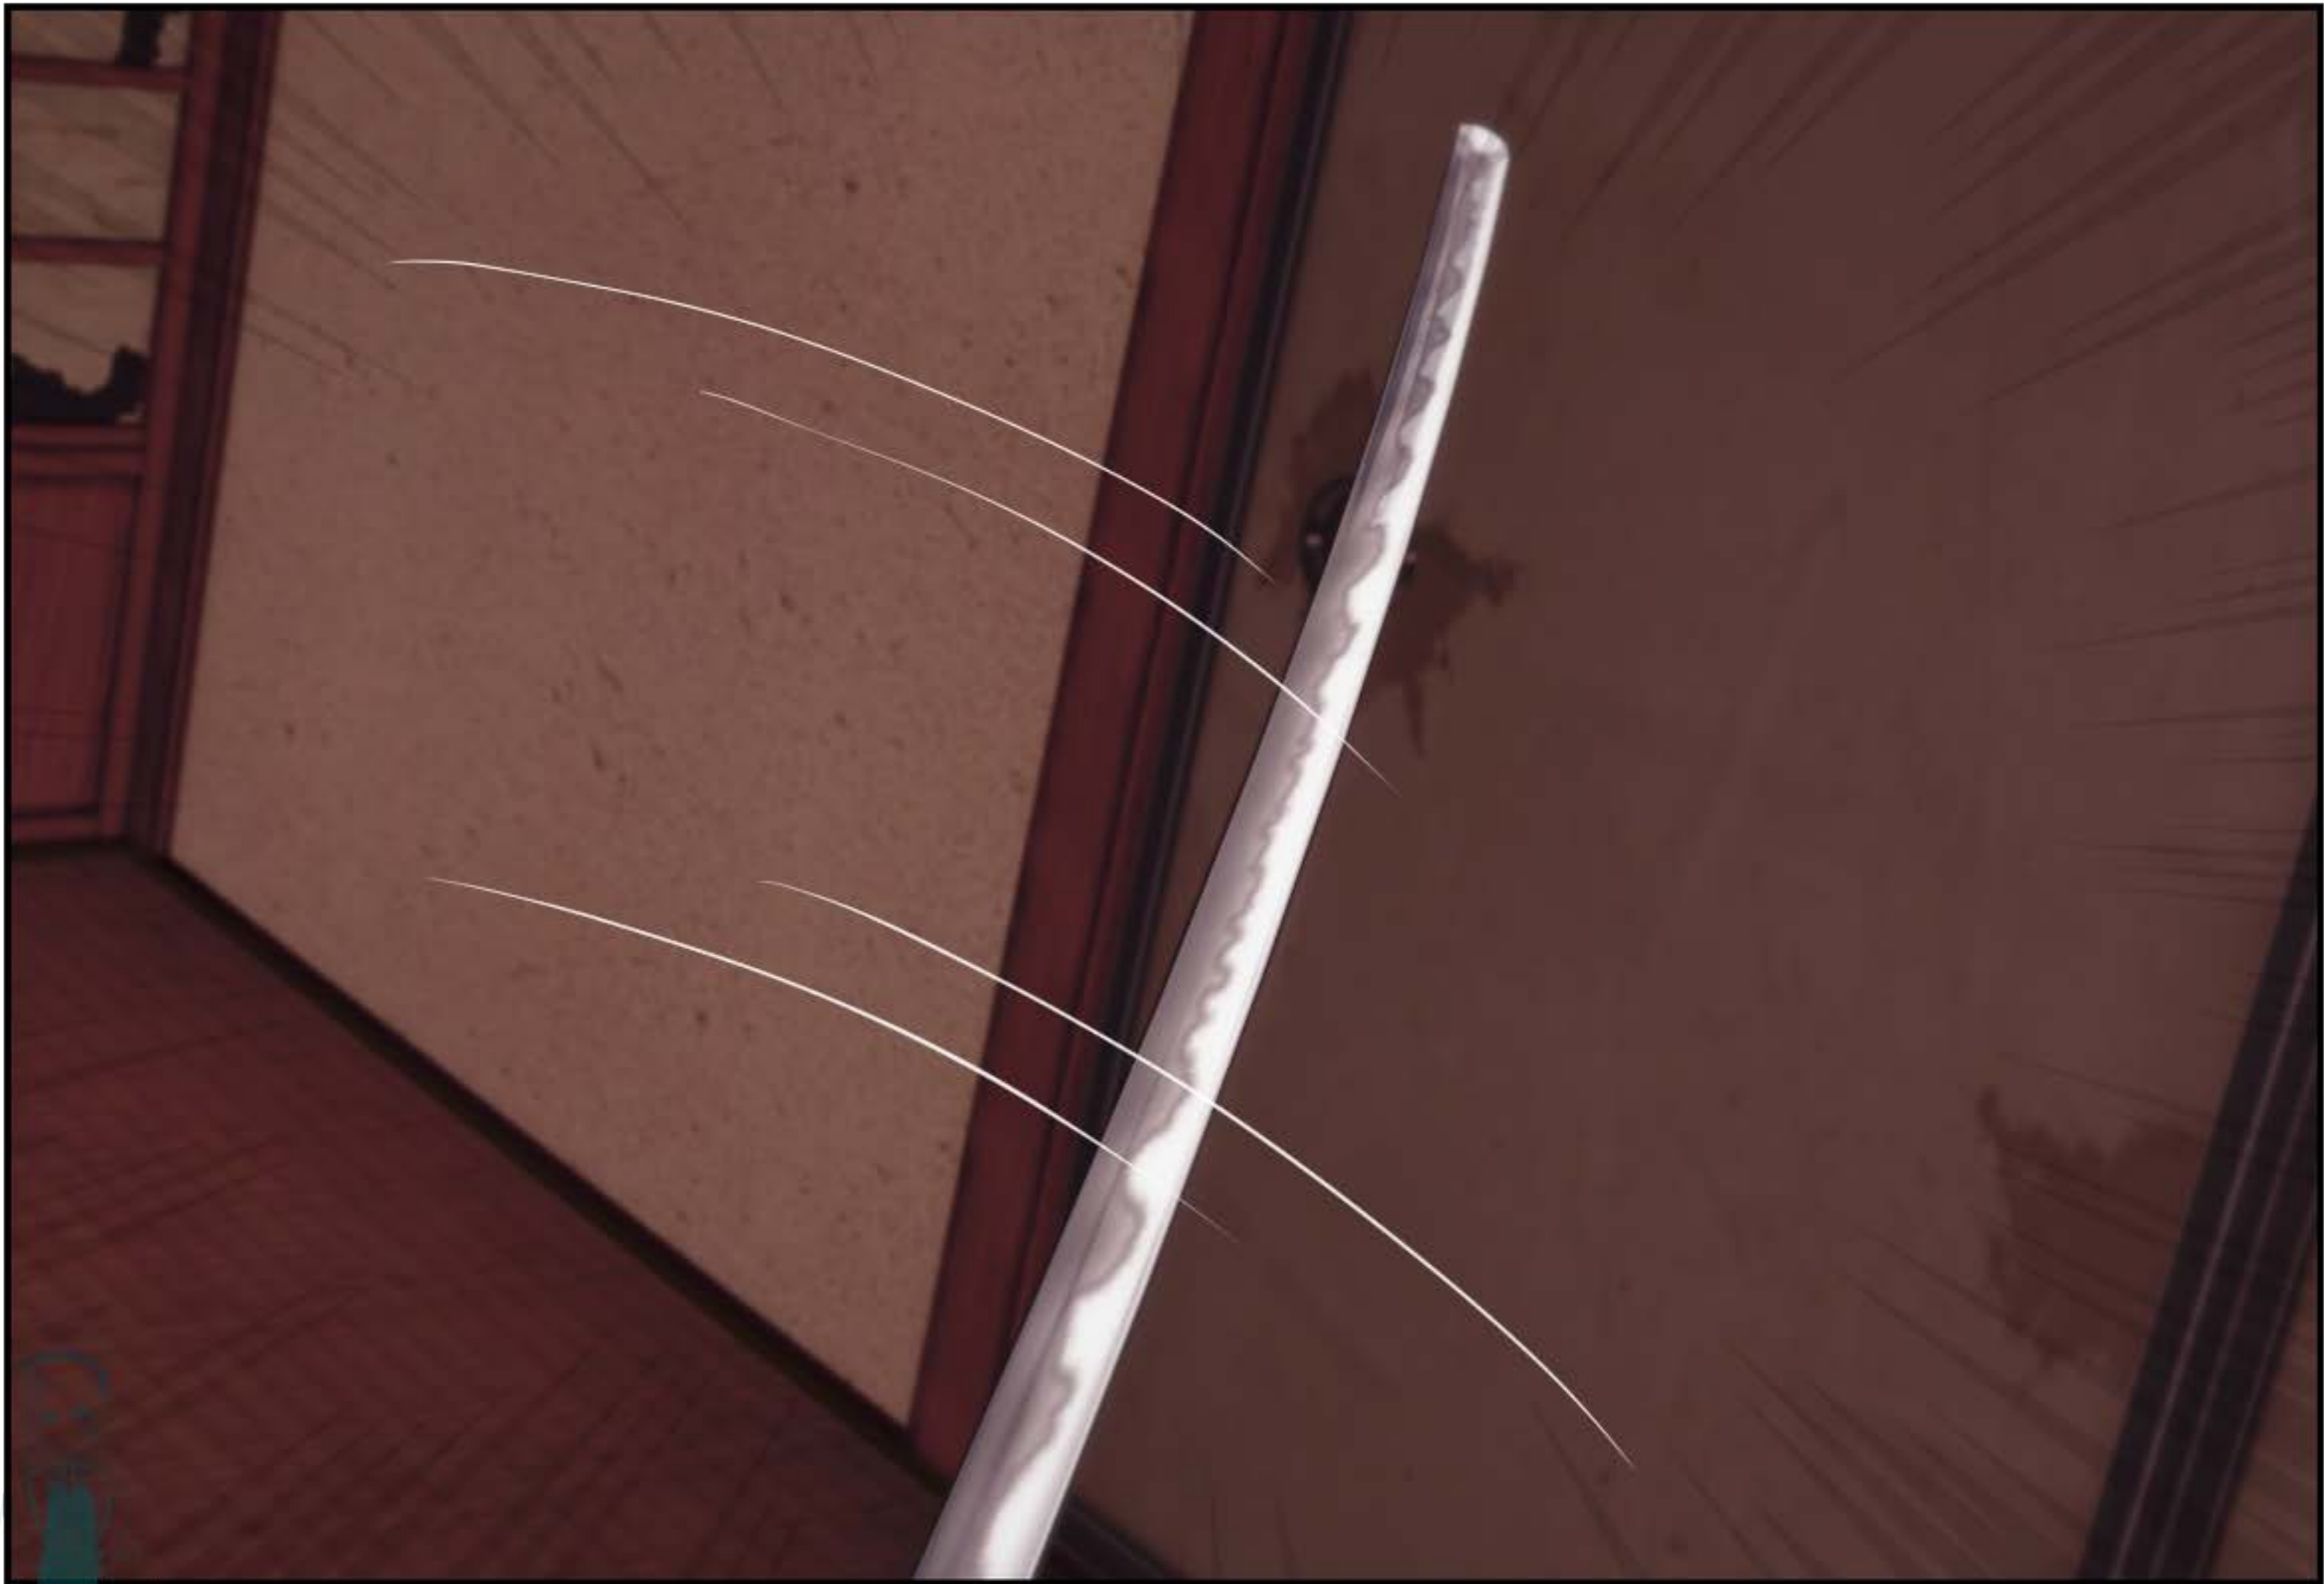

You all tried to act brave, but can't even protect someone behind your back.

What a shame,
for a Demon Slayer.

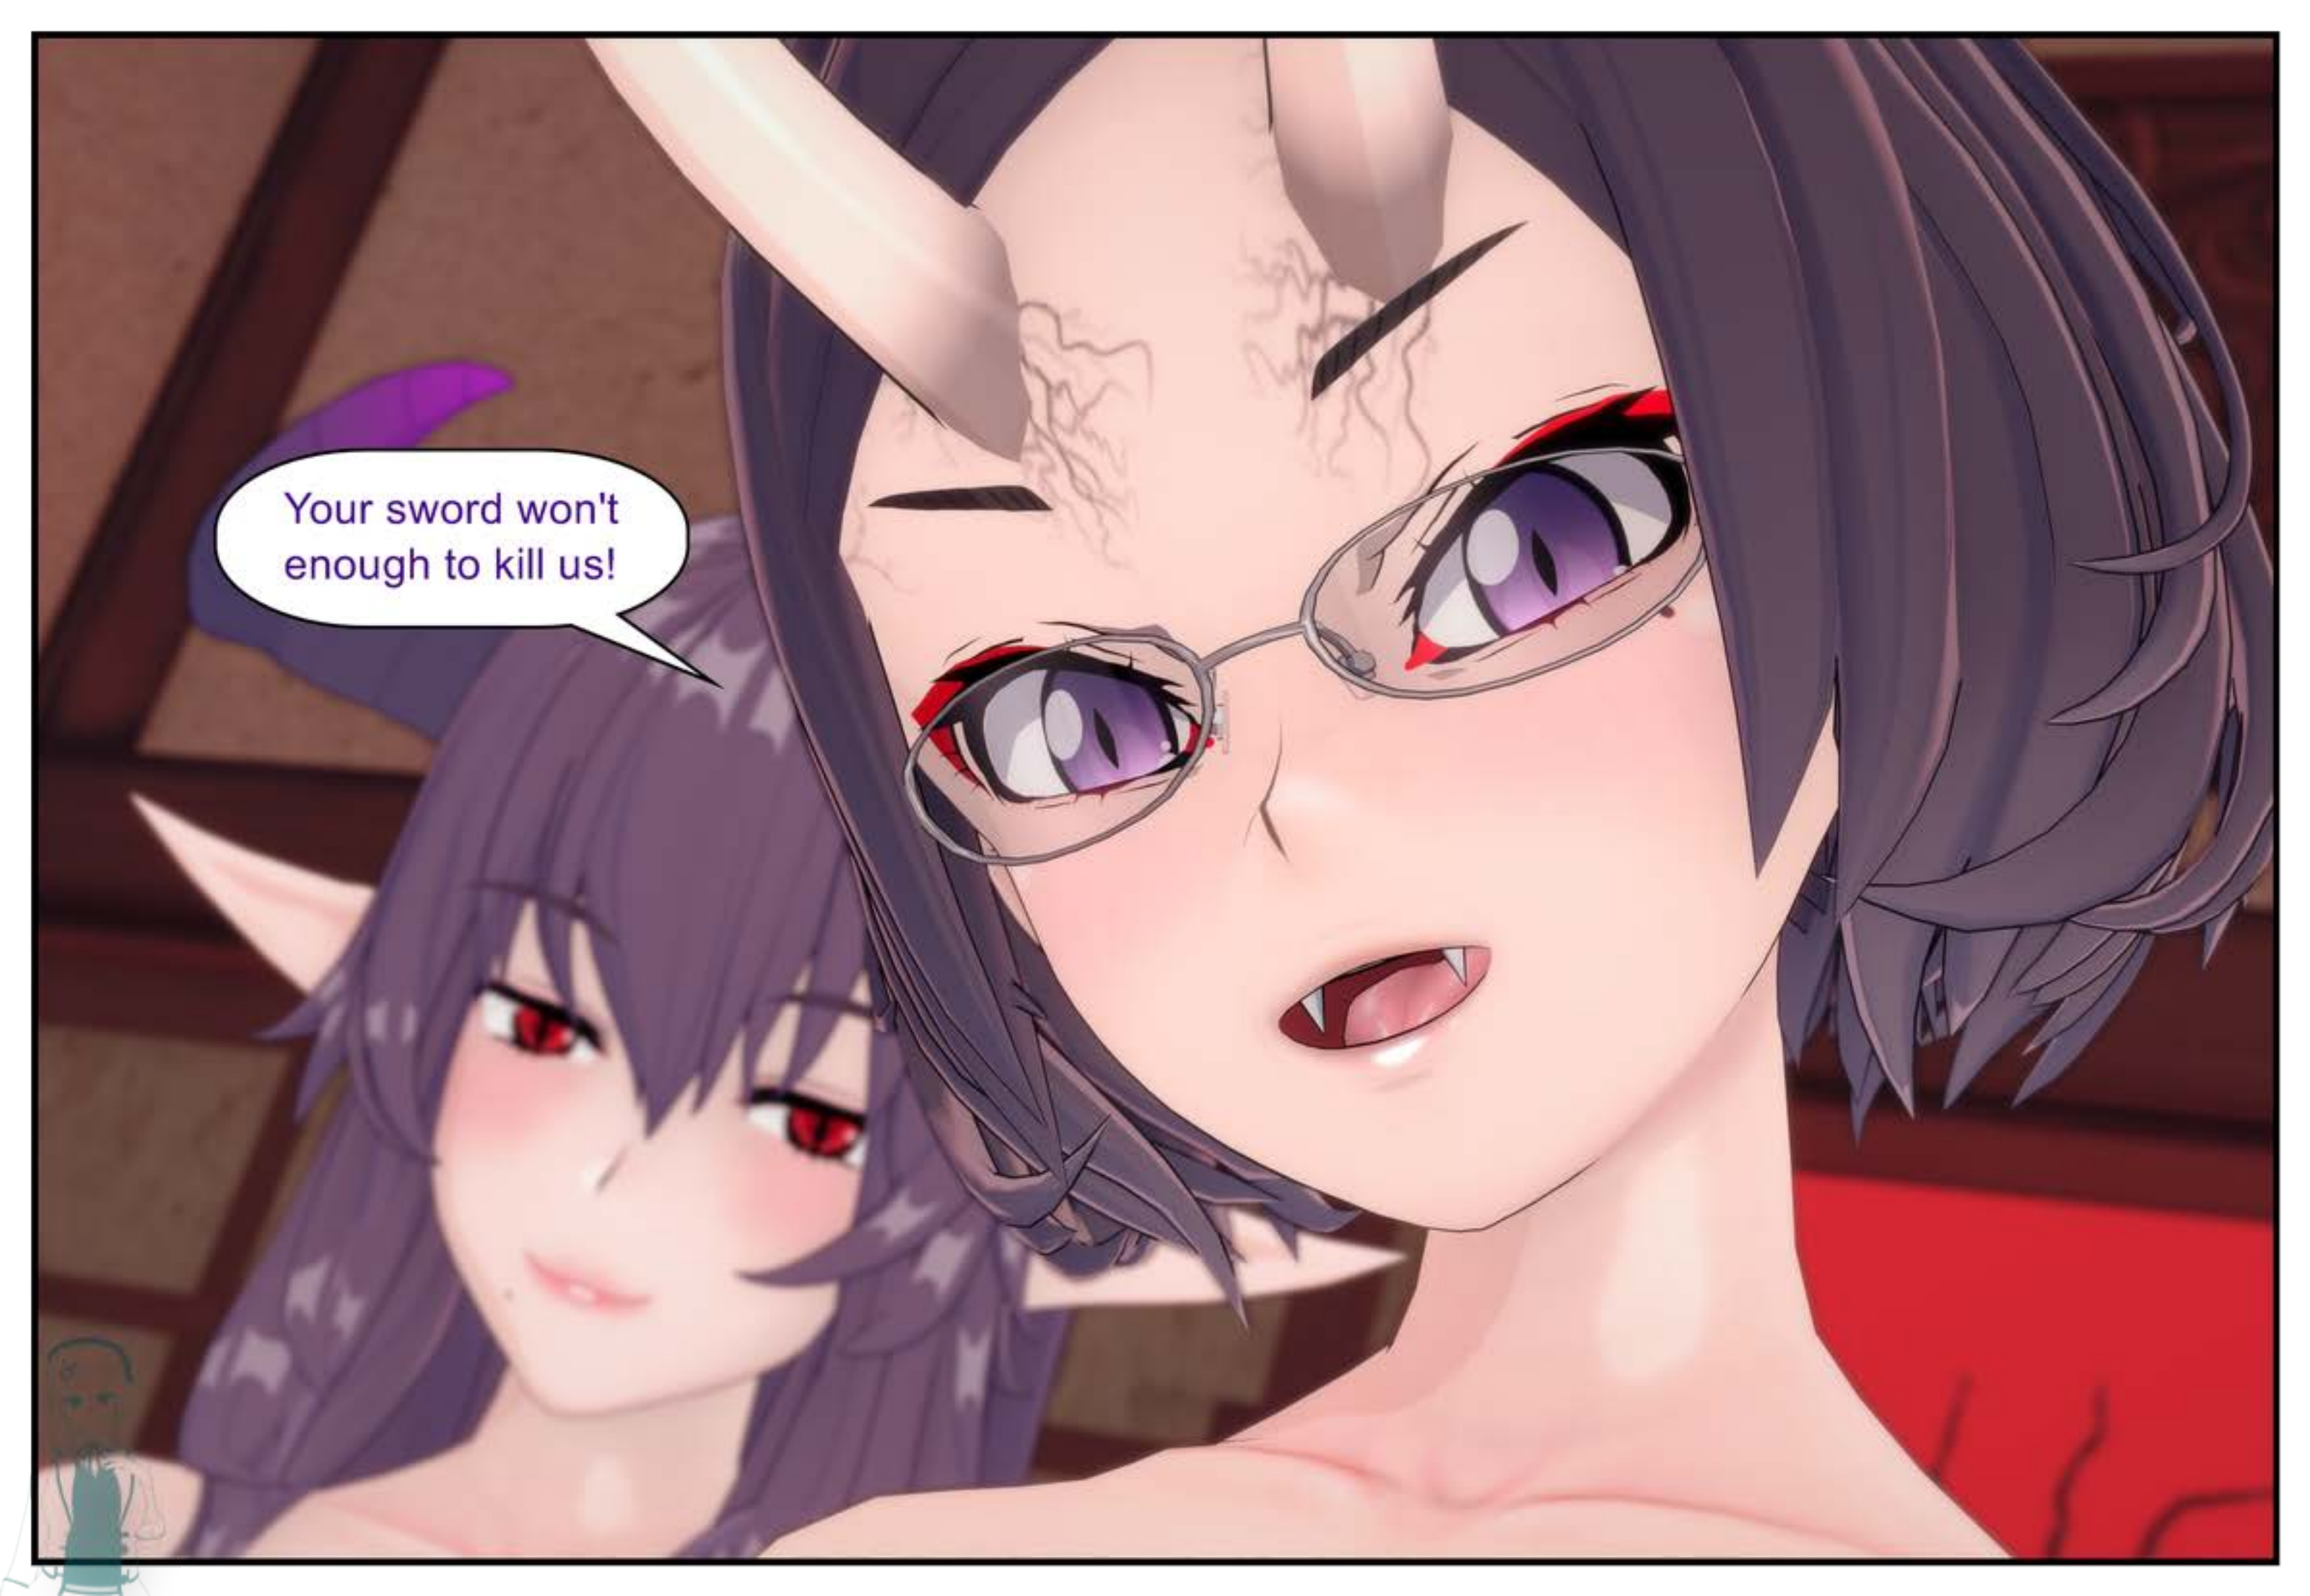

That's not what she
will say!!! Get out of
her body, Demon!

Did you hear
what my Queen said?

Your sword won't
enough to kill us!

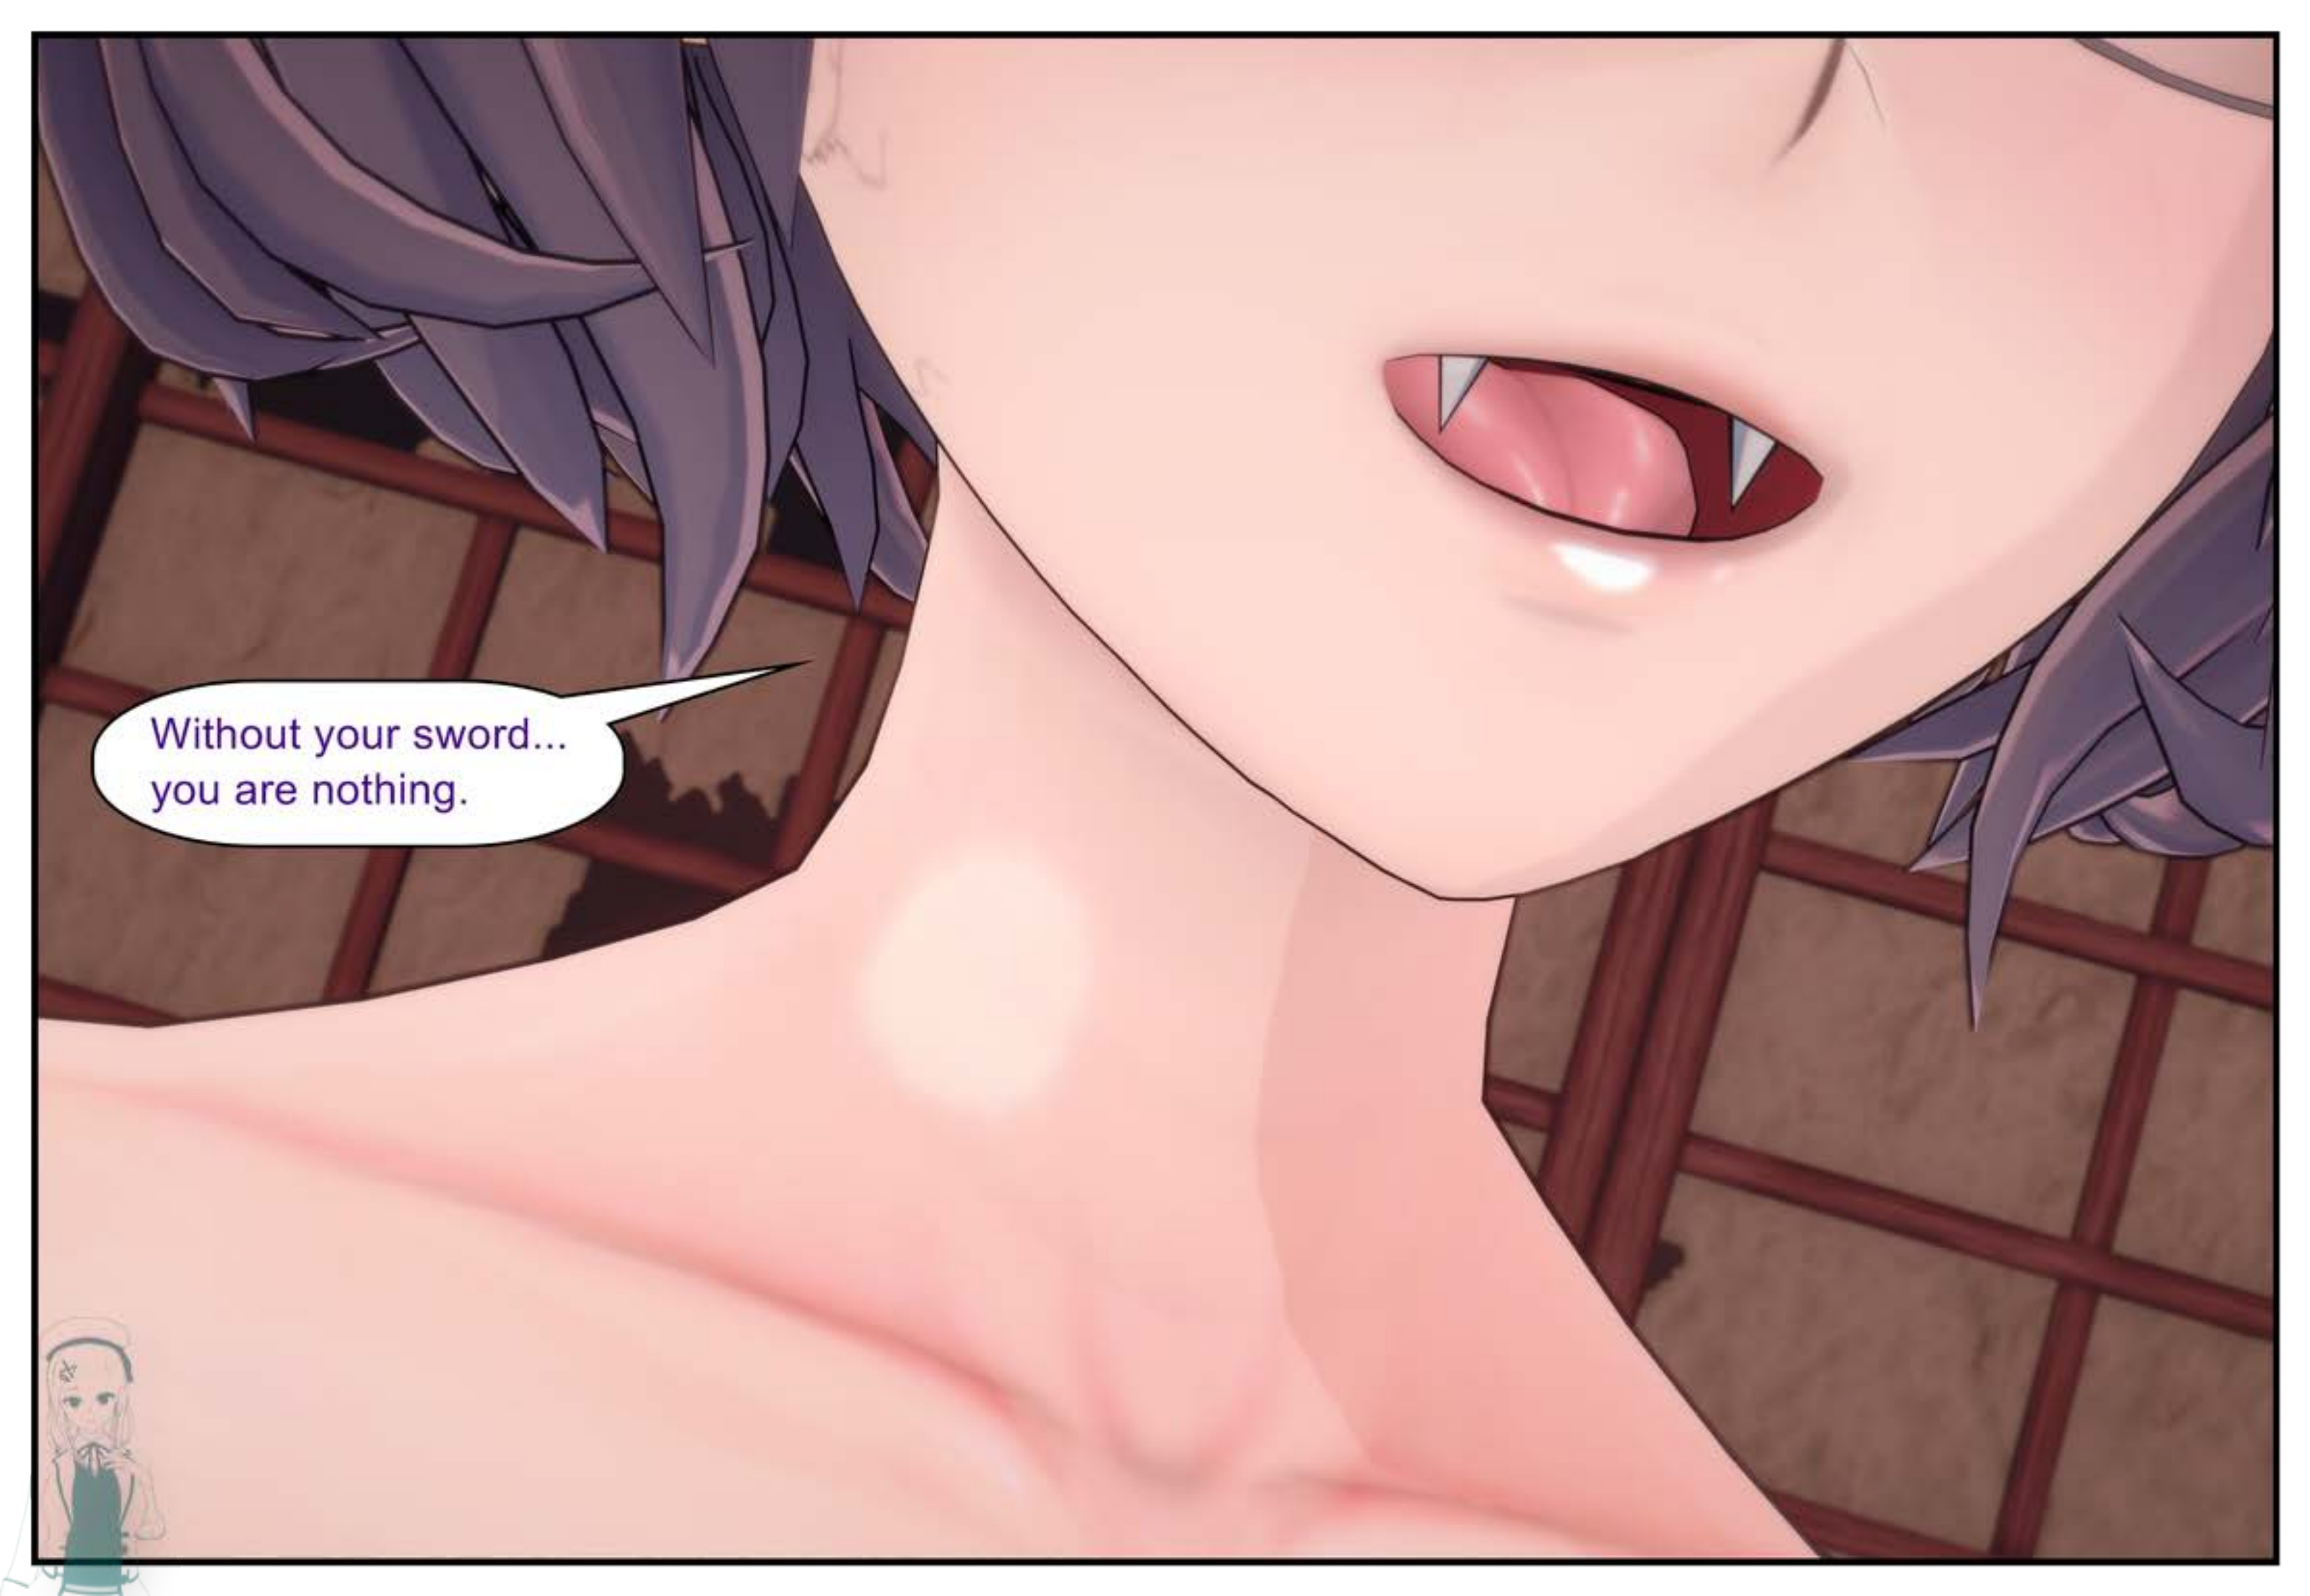

N-No... Impossible...

Gyyyaaaaa!!!!

mm

A close-up illustration of a character's face, focusing on the right eye and the side of the head. The character has pale skin and vibrant purple hair with sharp, pointed ends. The eye is a deep red color with a white, triangular pupil. The character's expression is neutral but intense. The background shows a wooden lattice structure, possibly a window or a fence. A speech bubble is positioned on the left side of the frame.

Without your sword...
you are nothing.

...Demon Slayer...!

Impressive...

No, this is all for you, my Queen.

Then, I will give you the honor...

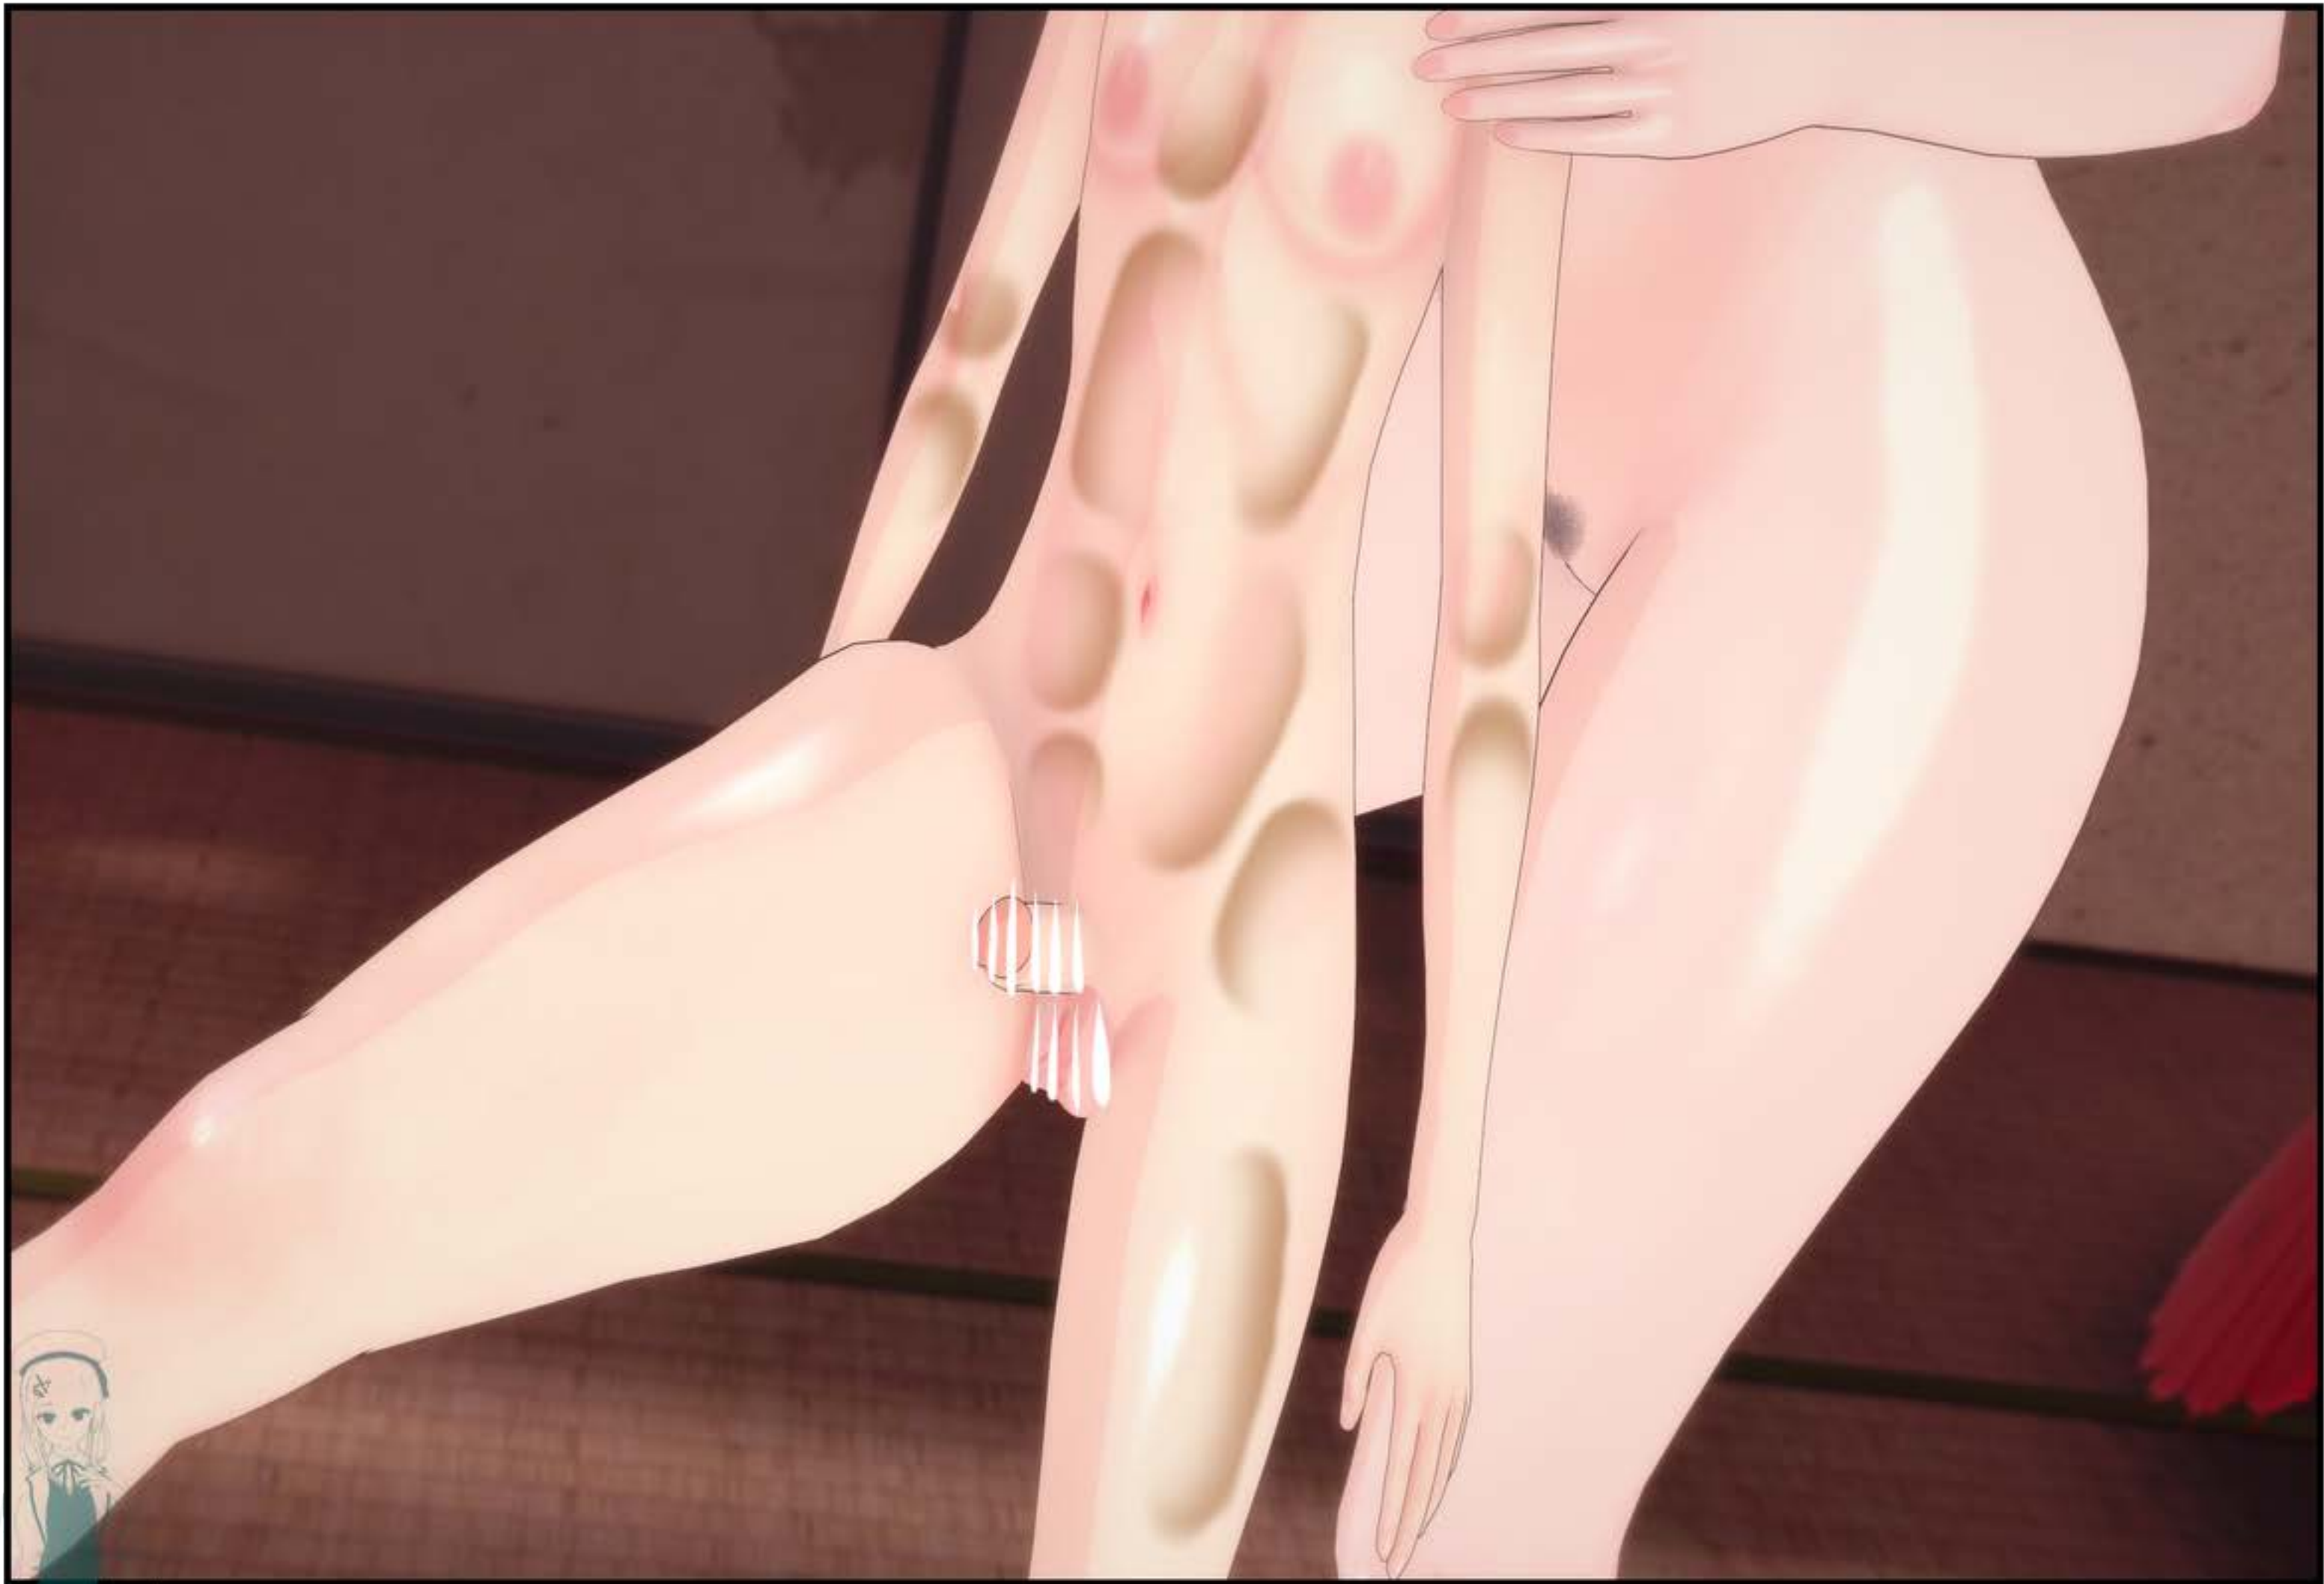

...To put the skin on,
become Hotaru.

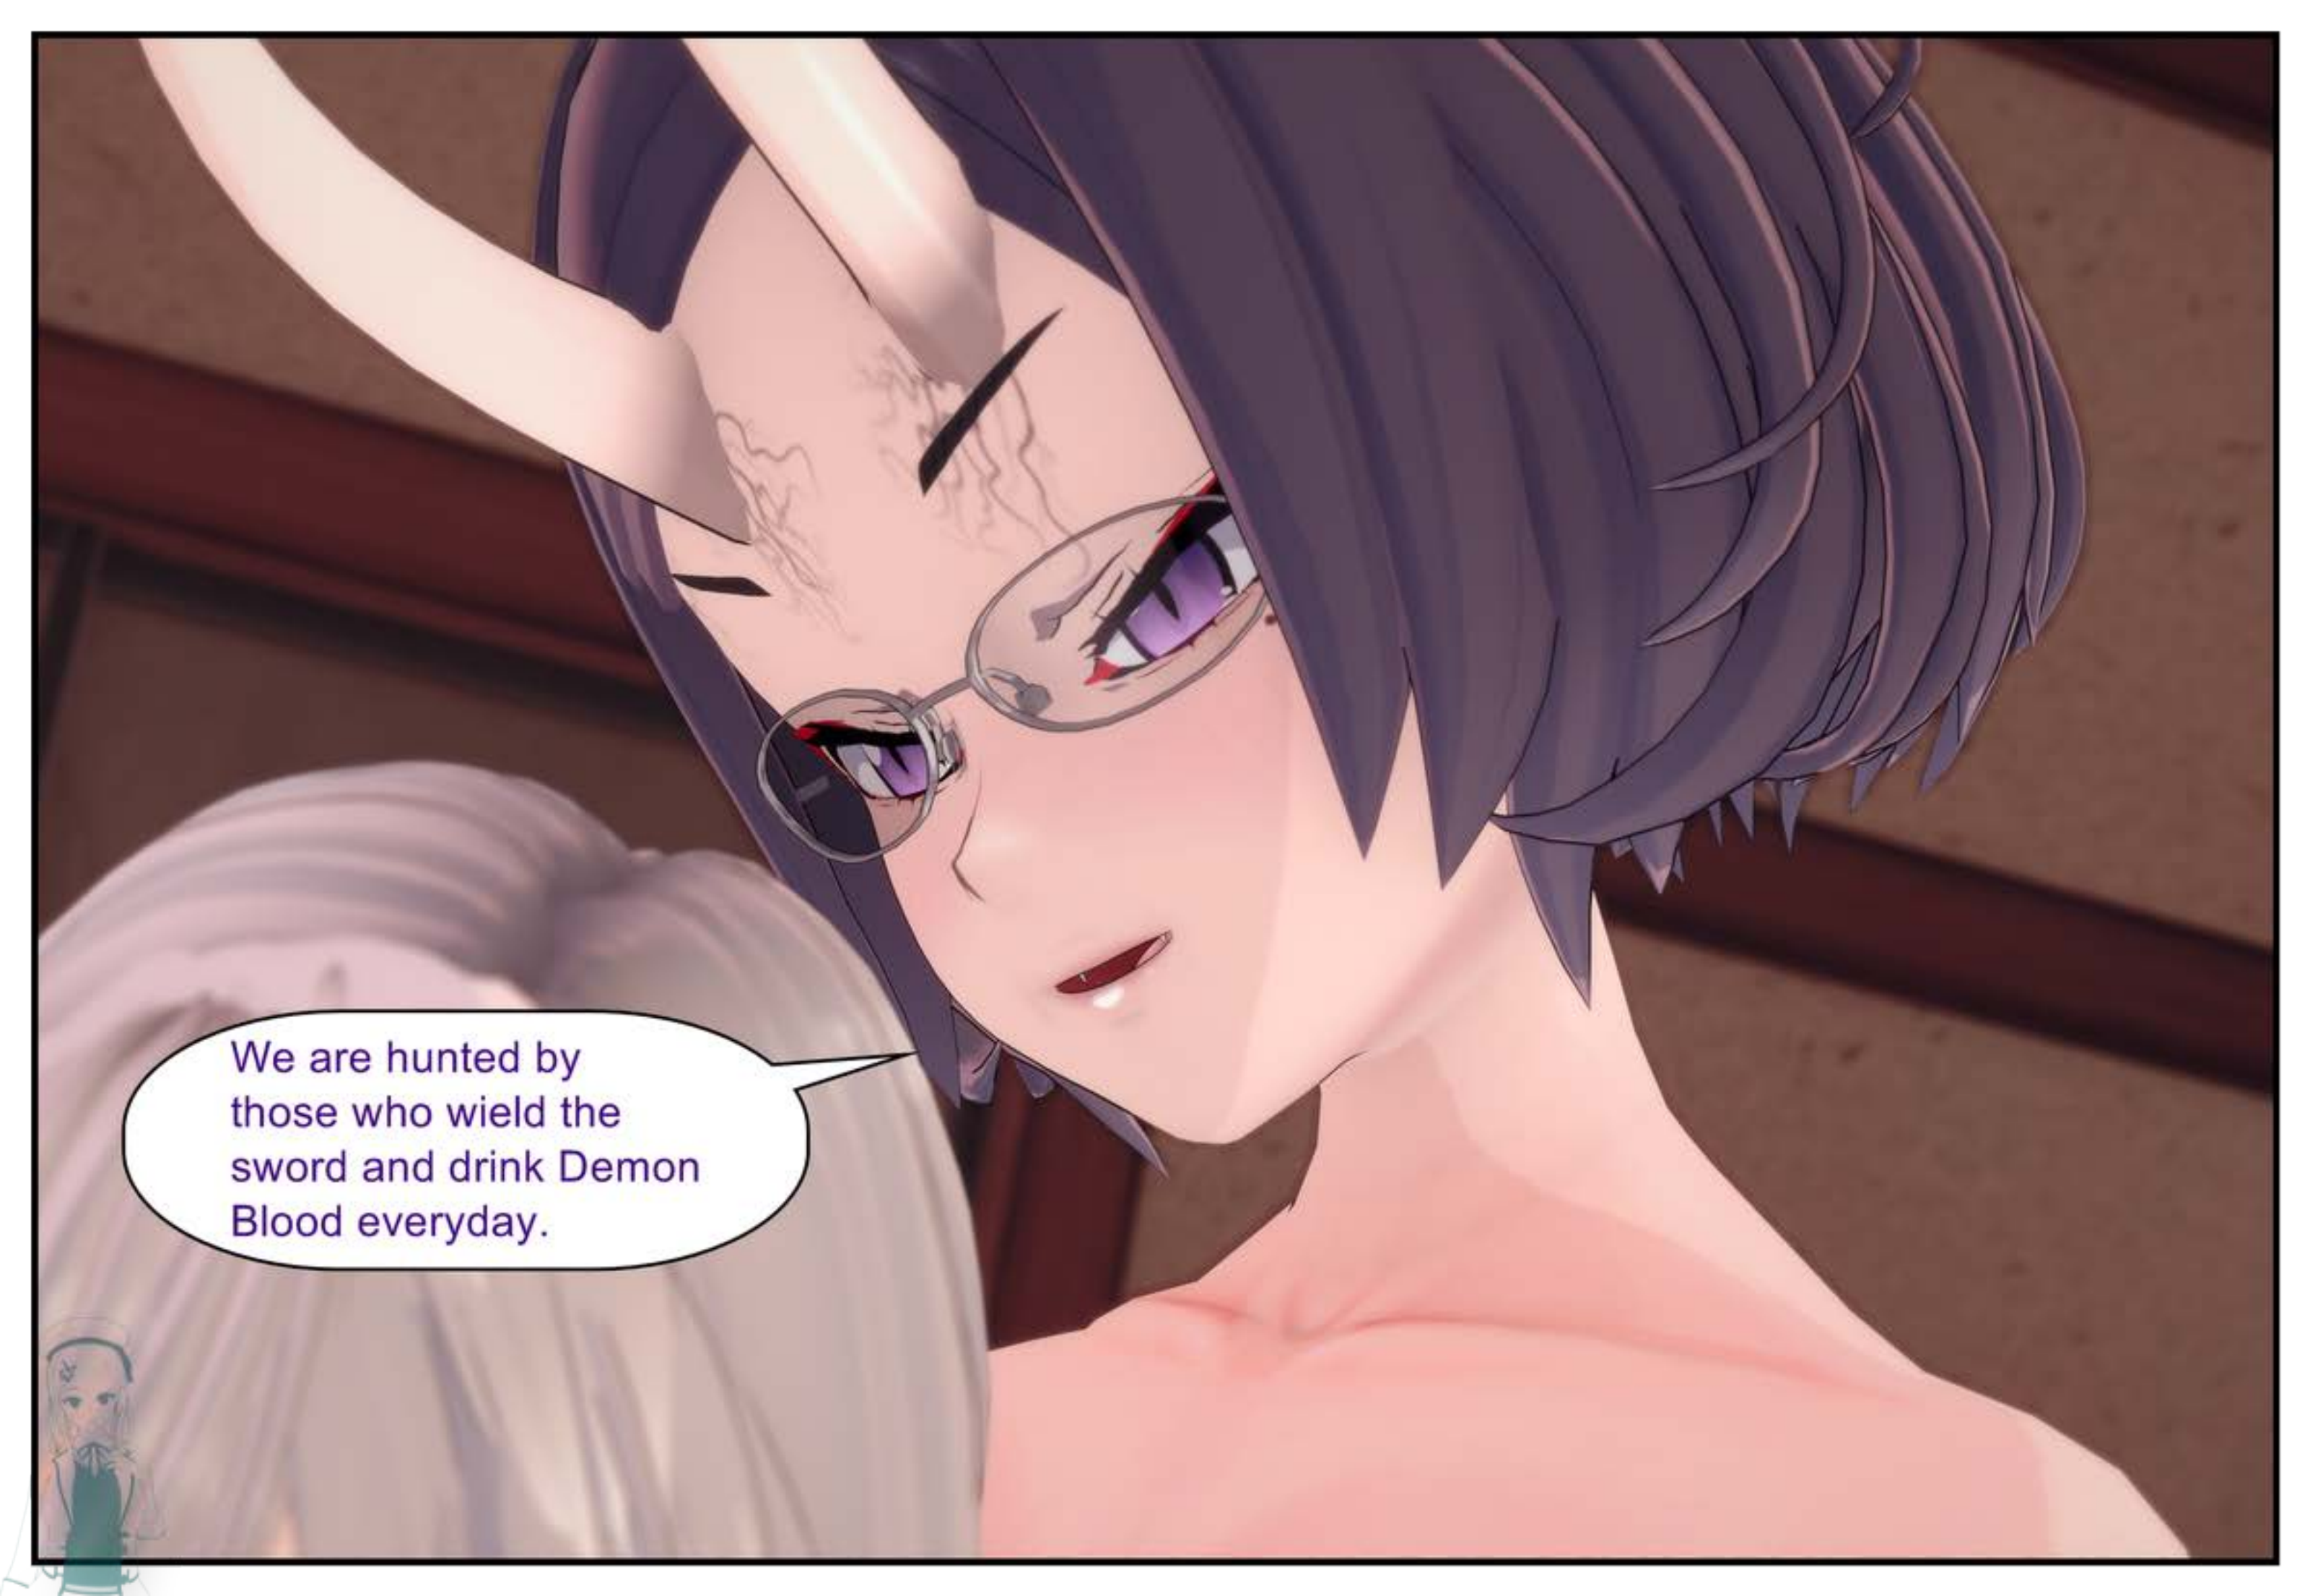

It's my pleasure...
I'm on it now.

Hm... To be truth,
he's a bit small.

We are hunted by
those who wield the
sword and drink Demon
Blood everyday.

While we only trying to survive...

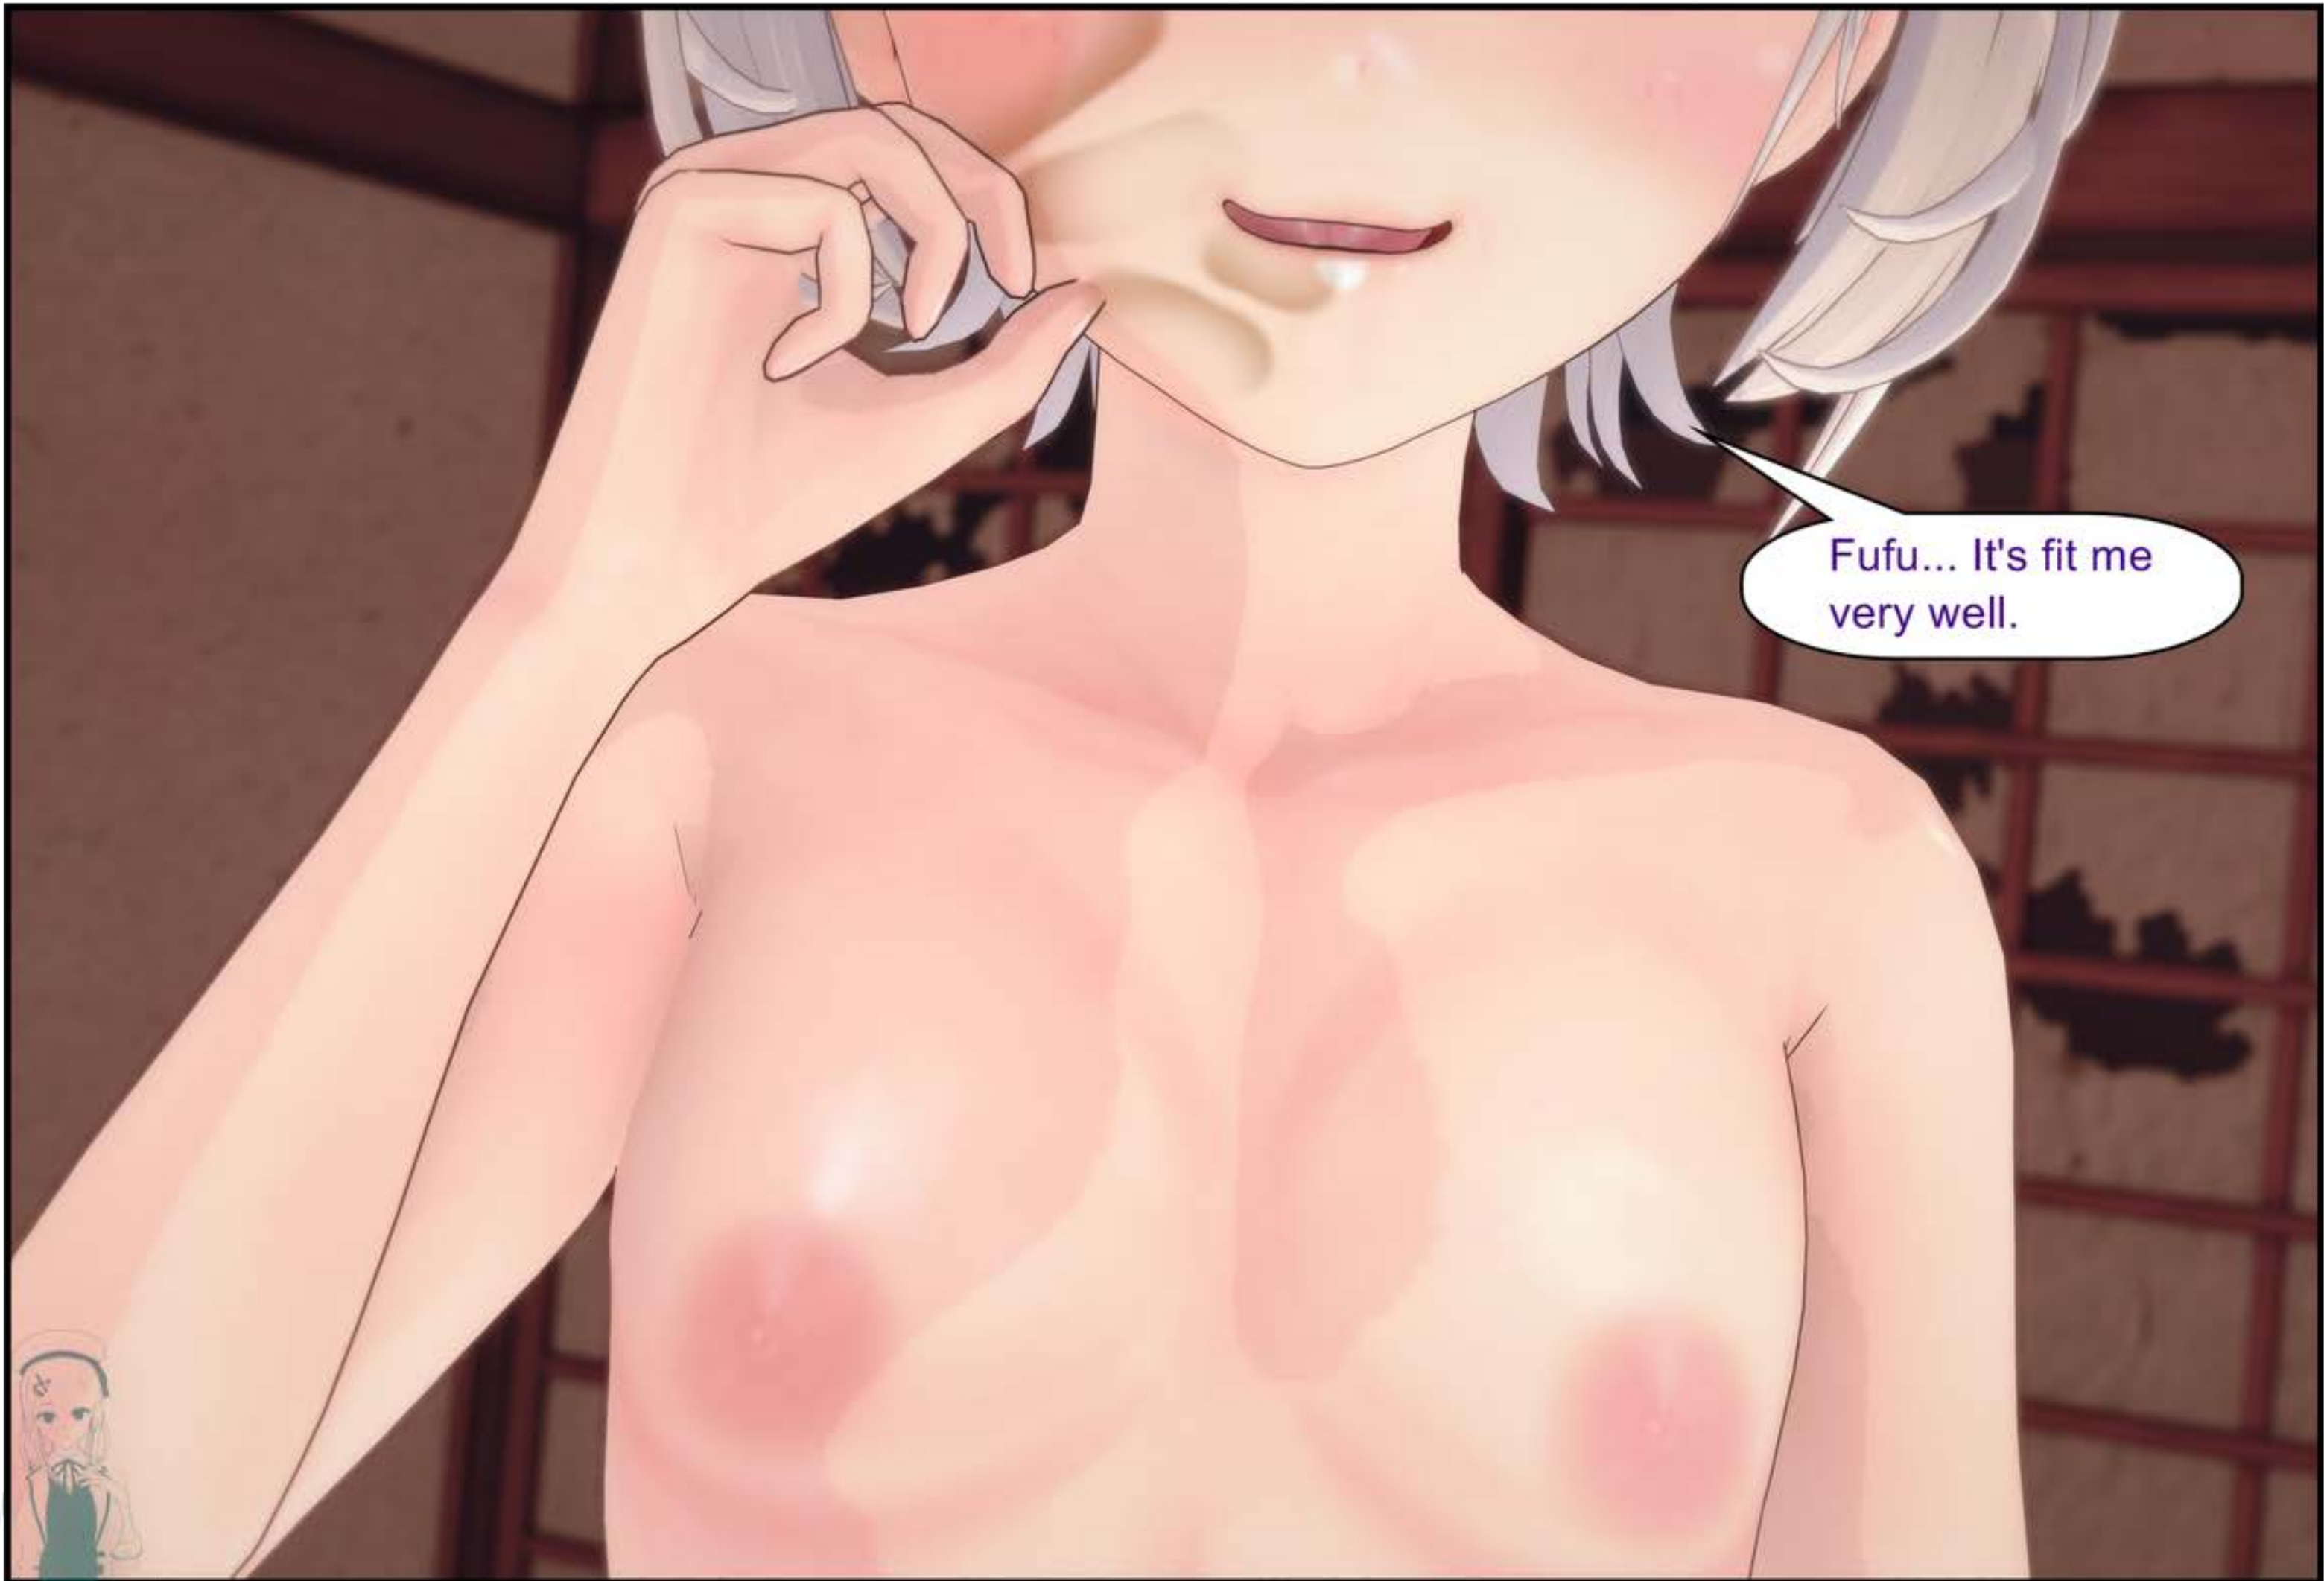

Fufu... It's fit me very well.

Then? What do you want me to do next, my Queen?

Stand still.

Un... Nn... Um...
Mm... Slurp... Nn...

Um... Slurp... Nn...
Um... Un... Slurp...

M-My Queen... It's...

A manga-style illustration showing a purple-haired girl with small purple horns and a red gem earring. She is leaning over and licking the leg of a person whose legs are the central focus of the frame. The girl has a speech bubble above her head containing sound effects. The person being licked has a speech bubble above their leg area containing a warning. The background is a simple brown floor.

Um... Nn... Slurp...
Slurp... Slurp... Um...

S-Something...
is coming!!!

Uh.... Uuuhhmmmm!!!!

Haaaahhhh....

Gulp... Uck...
Gulp...

Now, I have a task
for you, my Demon.
A prey just stepped
into our ground.

Bring him to me...

The Present...

Uhm... Uhm...!!!!

Seem like your
sister awake, Tanjiro.

We will let her watch
as you... turn into a skin.

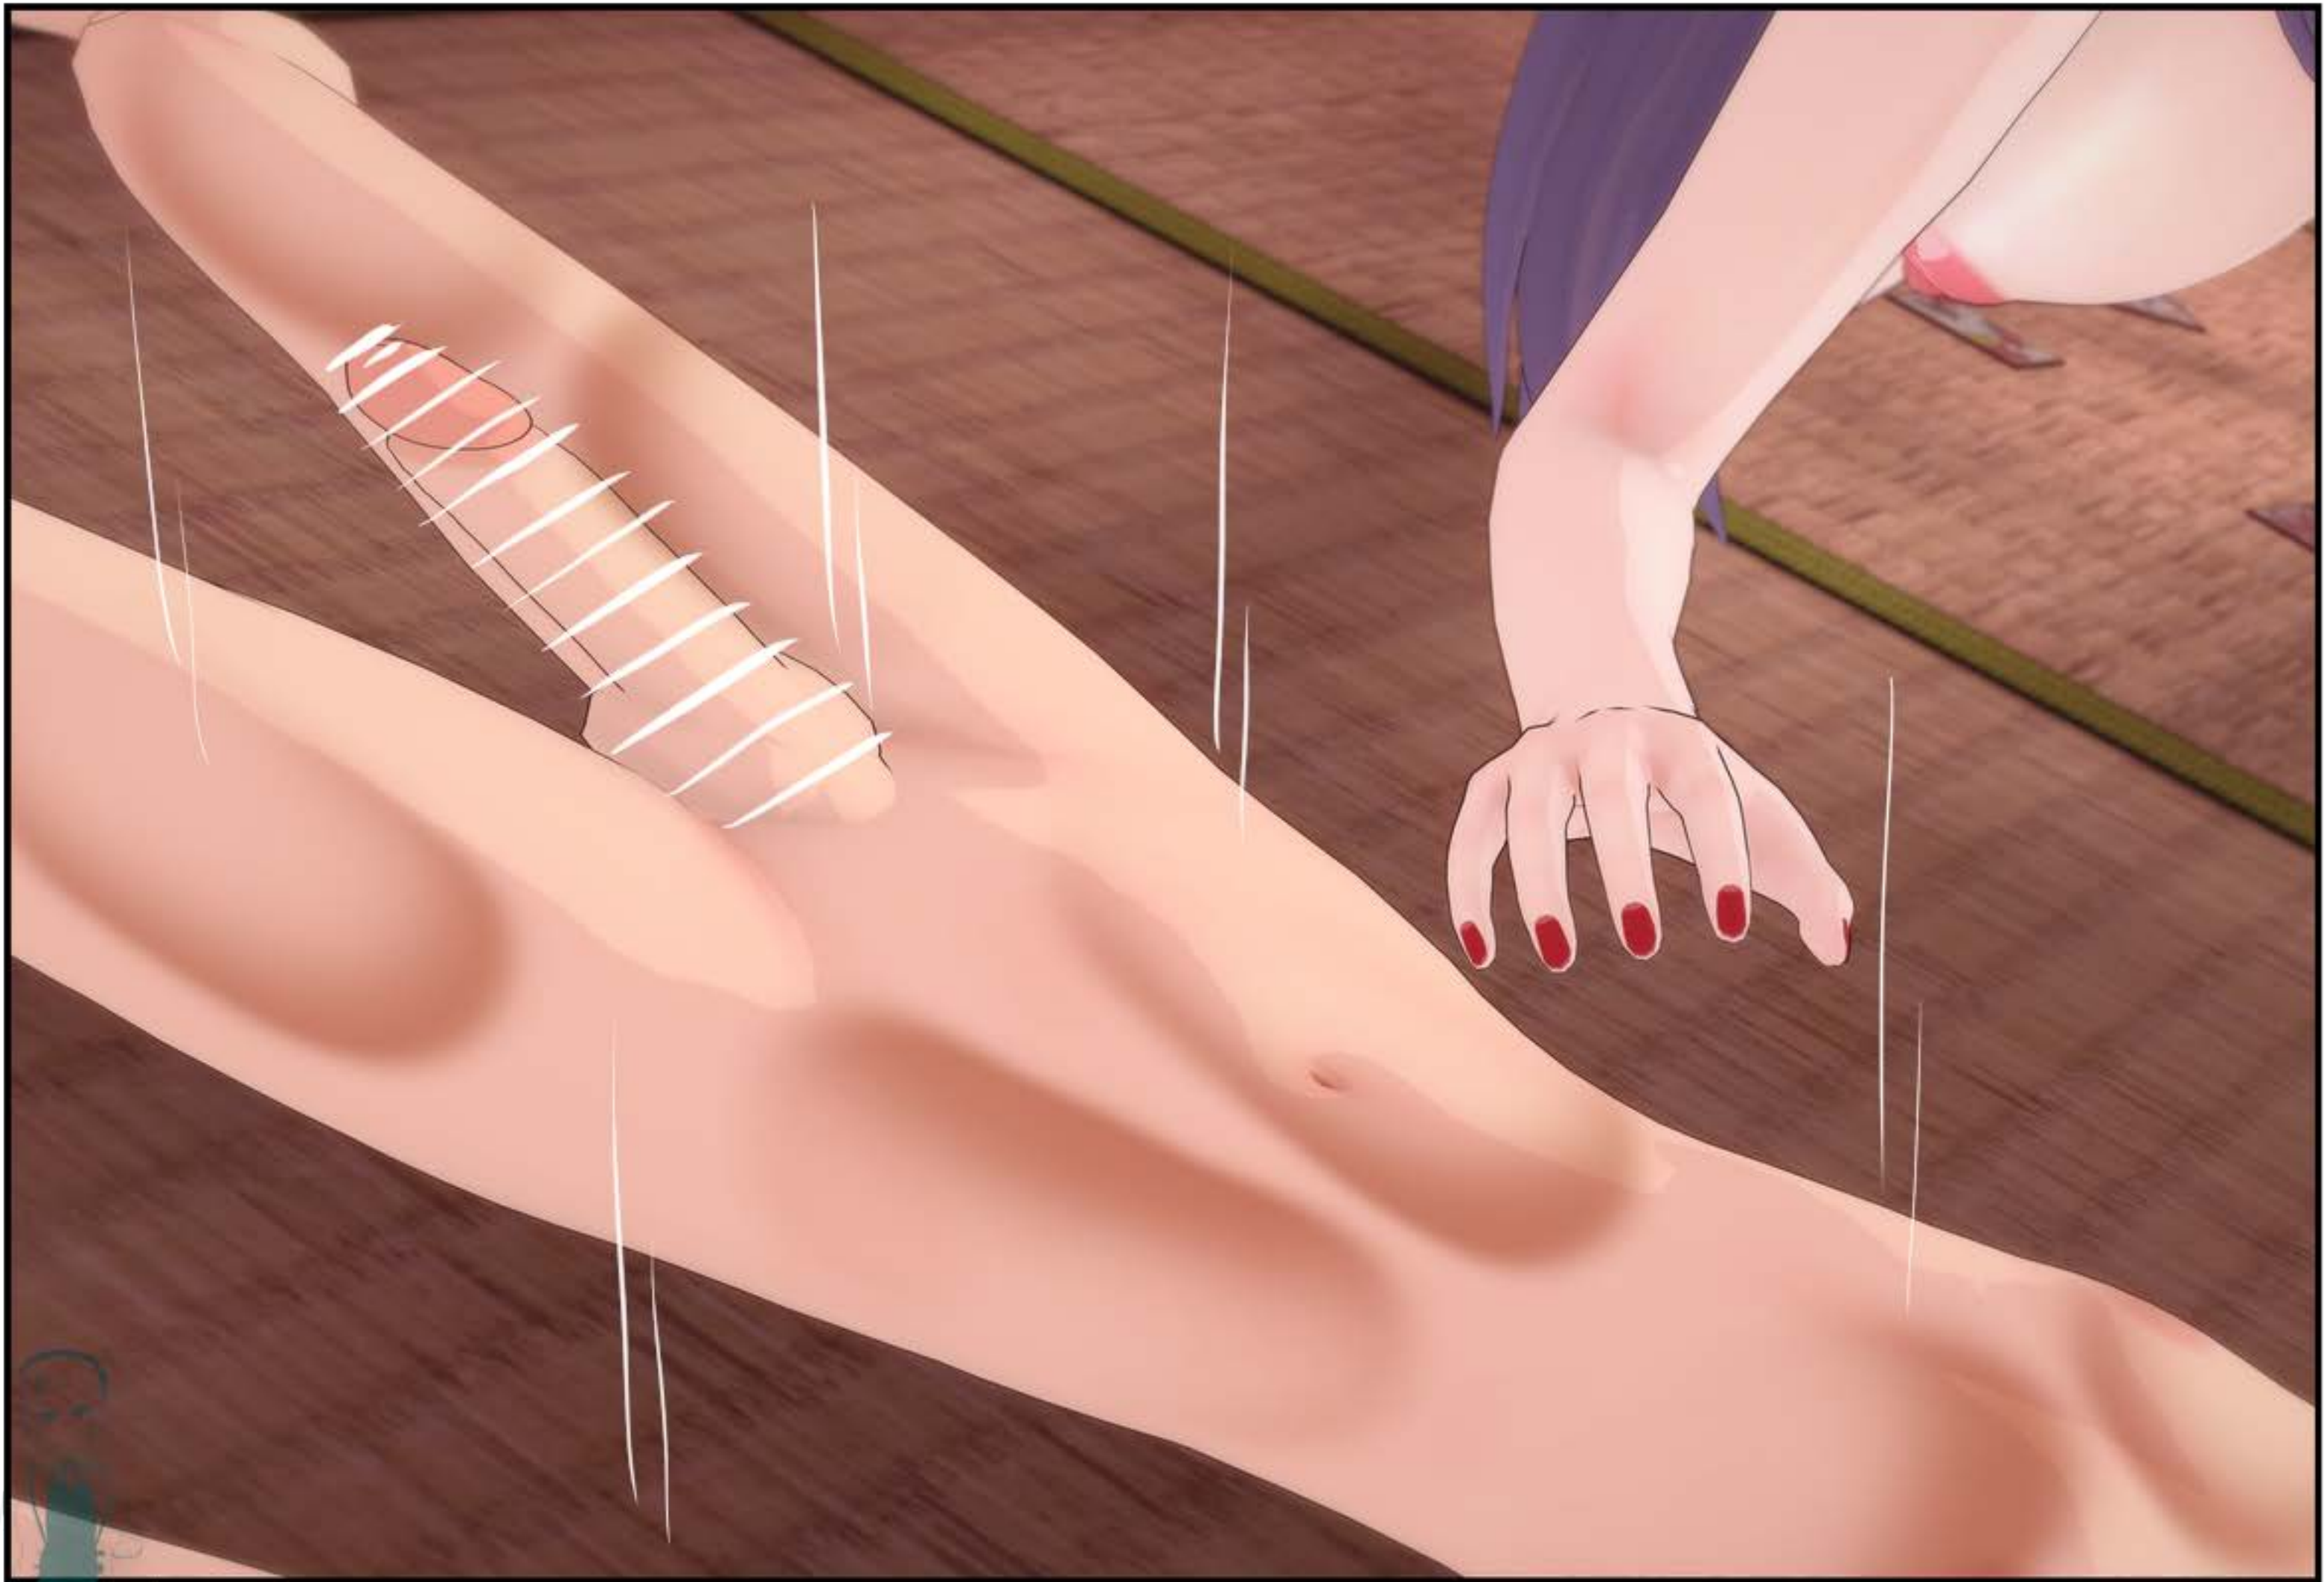

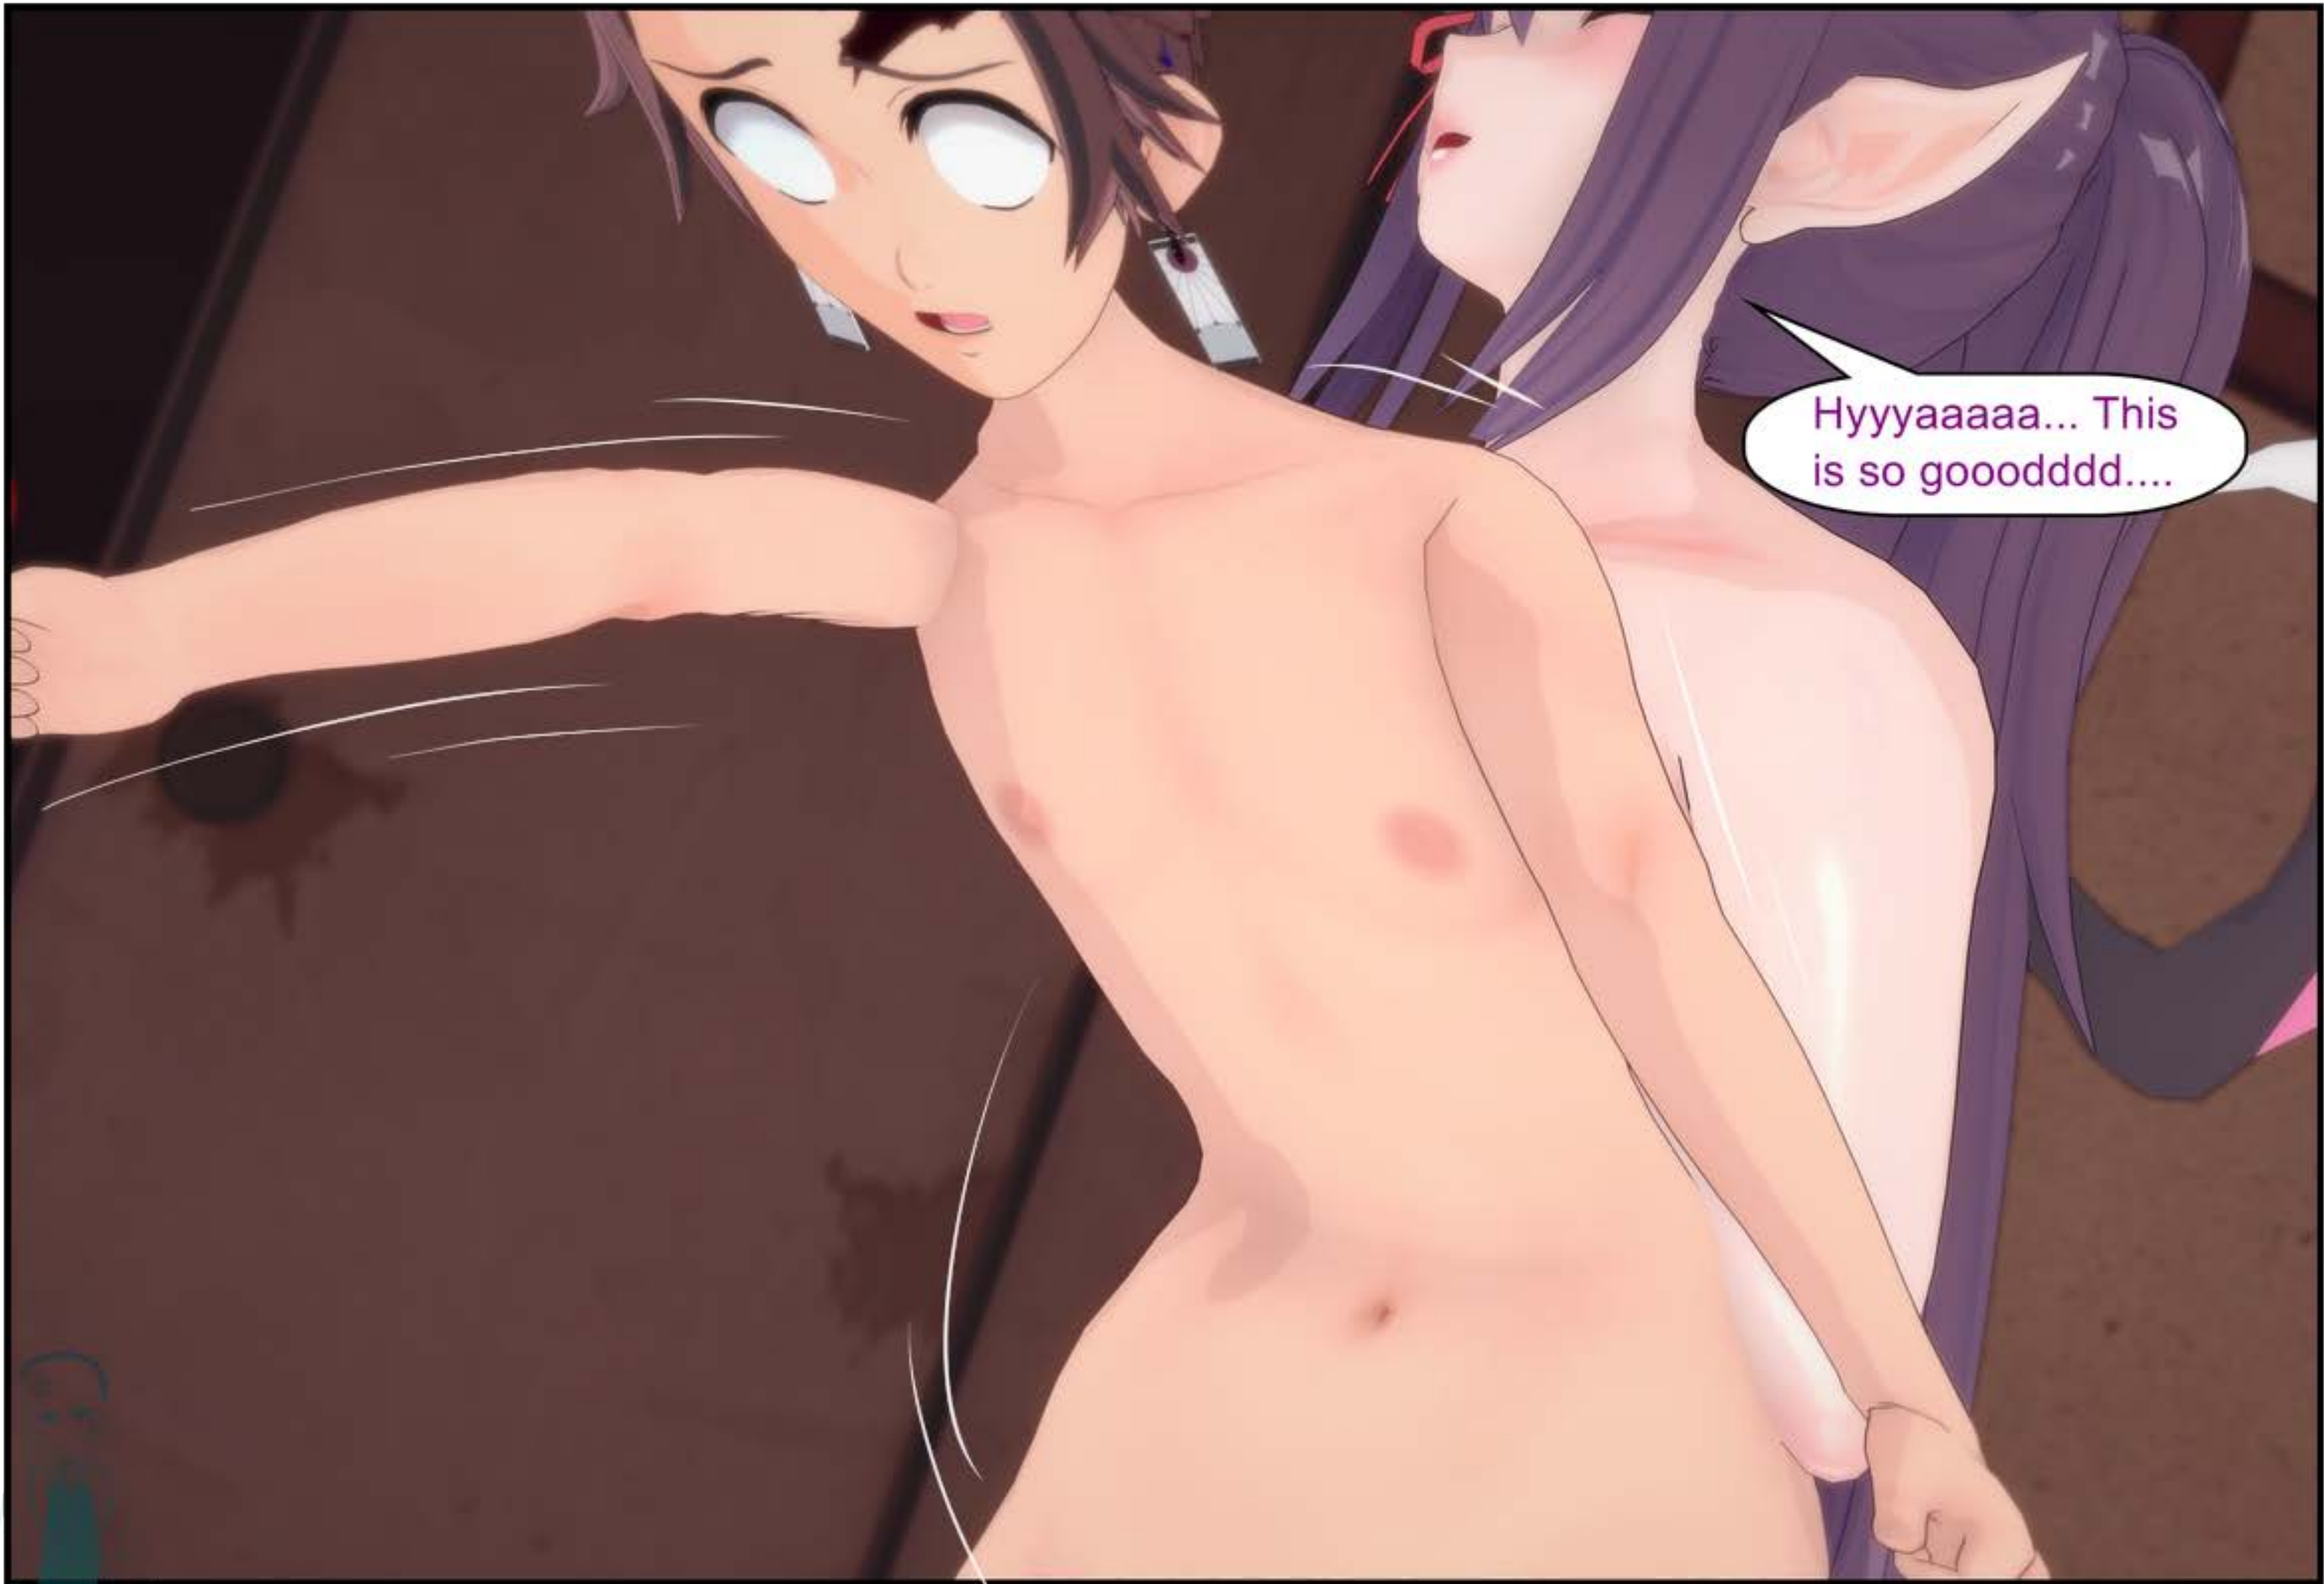

Now, would you
look at this...

A manga-style illustration. In the foreground, a young man with dark, spiky hair and wide, white eyes looks shocked. He is being held from behind by a demoness with large, pink, bat-like wings and a pale complexion. She has red markings on her cheeks and is holding a sword. In the background, another demoness with purple hair, red eyes, and purple horns looks on. The setting appears to be an interior room with a wooden lattice window.

Your brother as a
Demon Slayer...
in my hand.

Hyyyaaaaa... This is so goodddd....

His flesh fused one
with me... And the
body tempature...

My Queen? You seem perfectly in that skin.

Yes, I feel... so refresh.

A small signature of the artist, a character with a crown and a blue dress.

If he strong enough,
he maybe able to resist.

Until then, we will
play in front of his sister.

So open wide, Demon
who live with human.

To be continued?

Let the fun begin.
