

# WELCOME UFO PEOPLE

WORDS BY ROB KRISTOFFERSEN    PICTURES BY TODD PURSEP

JUNE 22, 1976, 10:30 PM,  
THE CANARY ISLANDS, SPAIN

FROM THE ISLAND OF FUERTEVENTURA, THE  
CREW OF THE ATREVIDA WATCHES A UFO RISE  
ABOVE THE NEARBY ISLAND OF GRAN CANARIA.

SOME BELIEVE THAT MISSILES LAUNCHED  
FROM THE SUBMARINE USS VON STEUBEN IS  
RESPONSIBLE FOR THE SIGHTING...

HOWEVER, AN HOUR EARLIER, DR. JULIO  
PADRÓN LEÓN AND SANTIAGO DEL PINO WERE  
TRAVELING BY TAXI...

WHEN THEIR CAR WAS  
STOPPED BY A LARGE ORB,  
"LIKE A BUBBLE," WITH TWO  
GIANT HUMANOIDS INSIDE.

THE DRIVER QUICKLY TURNED INTO A NEARBY  
DRIVEWAY WHERE THEY BUST THROUGH THE  
FRONT DOOR OF A STRANGER'S HOUSE.  
TOGETHER THEY WATCHED THE OBJECT DEPART.
