injections?

Or as Mum

my first Bra's.

# Bazira - the Succubus

Oh...this

By the way:

# Bazira - the Succubus

Andrew, now Andrea, could not believe her day. He just went out to the selling party and did it in time... He reactet to so many unspoken wishes that his body became fully female...and she is ready to bring pleasure and damnation in one single joyment... And now a party with mostly elder and or frustated single Girls are waiting...and with it so many possible ways to become...more.

# Bazira - the Succubus

Hello there.  
I am Andrea. Are you  
Mrs. James? You inveted me  
to your Fapper Party  
today.

Oh, yes..  
I am Martina James.  
nice to meet you Miss.

But I must say...  
your clothes are very...  
revealing...haven't said that  
childs are here  
too?

Oh I am very  
sorry for my mistake.  
By the way it is just Andrea  
please. I...um...came from  
a modell shooting right  
now and...

Wow!!!

Jason! pst!

Thank you  
buddy... But I am truly  
very sorry. Someone took  
my clothes while I was on stage...  
and all I had was this here.  
I am a Modell and we had  
the newest summer  
collection...

# Bazira - the Succubus

Of course...  
you are just another  
young Slut...

No Problem  
Andrea...this could happen  
to us all.

...but I must  
say...she looks somehow  
hot...

By the way...this little  
one here is my son,  
Jason.

...why do I feel so  
hot? Am I turned on by  
her provocative look?

Oh...my...

\*poke\*

# Bazira - the Succubus

I have NEVER seen so HUGE BOOBIES before Miss.

Jason...

I often wished that my Mum would have such huge BEWBS...maybe way larger!

Jason...

Then she would find a new Daddy ways faster my Friend Robby said...

JASON!

I totally bet it is easy to find nice guys with your luck...am I right?

# Bazira - the Succubus

*Oh Jason...  
you are so cute. Thank you.  
But you can trust me...*

*...a woman's  
chest size is not that  
important as your friend  
told you.*

# Bazira - the Succubus

And I sometimes wish that you have been born as Girl, Jason. Or that you would be a Teenage Girl...

...then you would know that this was very hurtfull for every woman and for me as Mother.

ohh...

The meeting did not started yet...but for Andrea and Bazira it is already time to feed other souls...and the unholy magic started already to change the James family reality.

But Moom...I never wanted to hurt you...

...I love you Mommy... \*sniff\*

And I love you my sweet...

# Bazira - the Succubus

...and so cute  
Janine...why do you make  
such a long face dear?

But I didn't  
understand that. All those  
Sluts in my school are super  
popular, you know?

Don't worry my  
little angel. AS I was your  
age I had the same girls  
on my school.

And Girls  
like me got mostly  
ignored...they don't care  
that I look cute...they  
all want super  
hot Girls.

But you are.  
Belive me - soon you  
will find a really nice  
boy who likes you  
as you are...

They get everyting.  
I want that too Mum!  
I secretly so often wish that I  
would be like them...an mega hawt  
and popular School Slut, with the  
full package and that you would  
be in the same way as I...

Oh Janine...  
there is no need that  
you want that. I understand  
you. But in one or  
two years...

But  
wishes never come  
true...thats so  
unfair!
