Ah.. Hah.. This is such a great reward.. Master..

Uhm.. Is that
so.. Slurp..

Let me see how long you will last.

Ah.. Ah.. Hah..
I'm going to.. climax!

クウウウウウウウウ

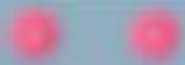

A nice and wet of you, Shiroko.

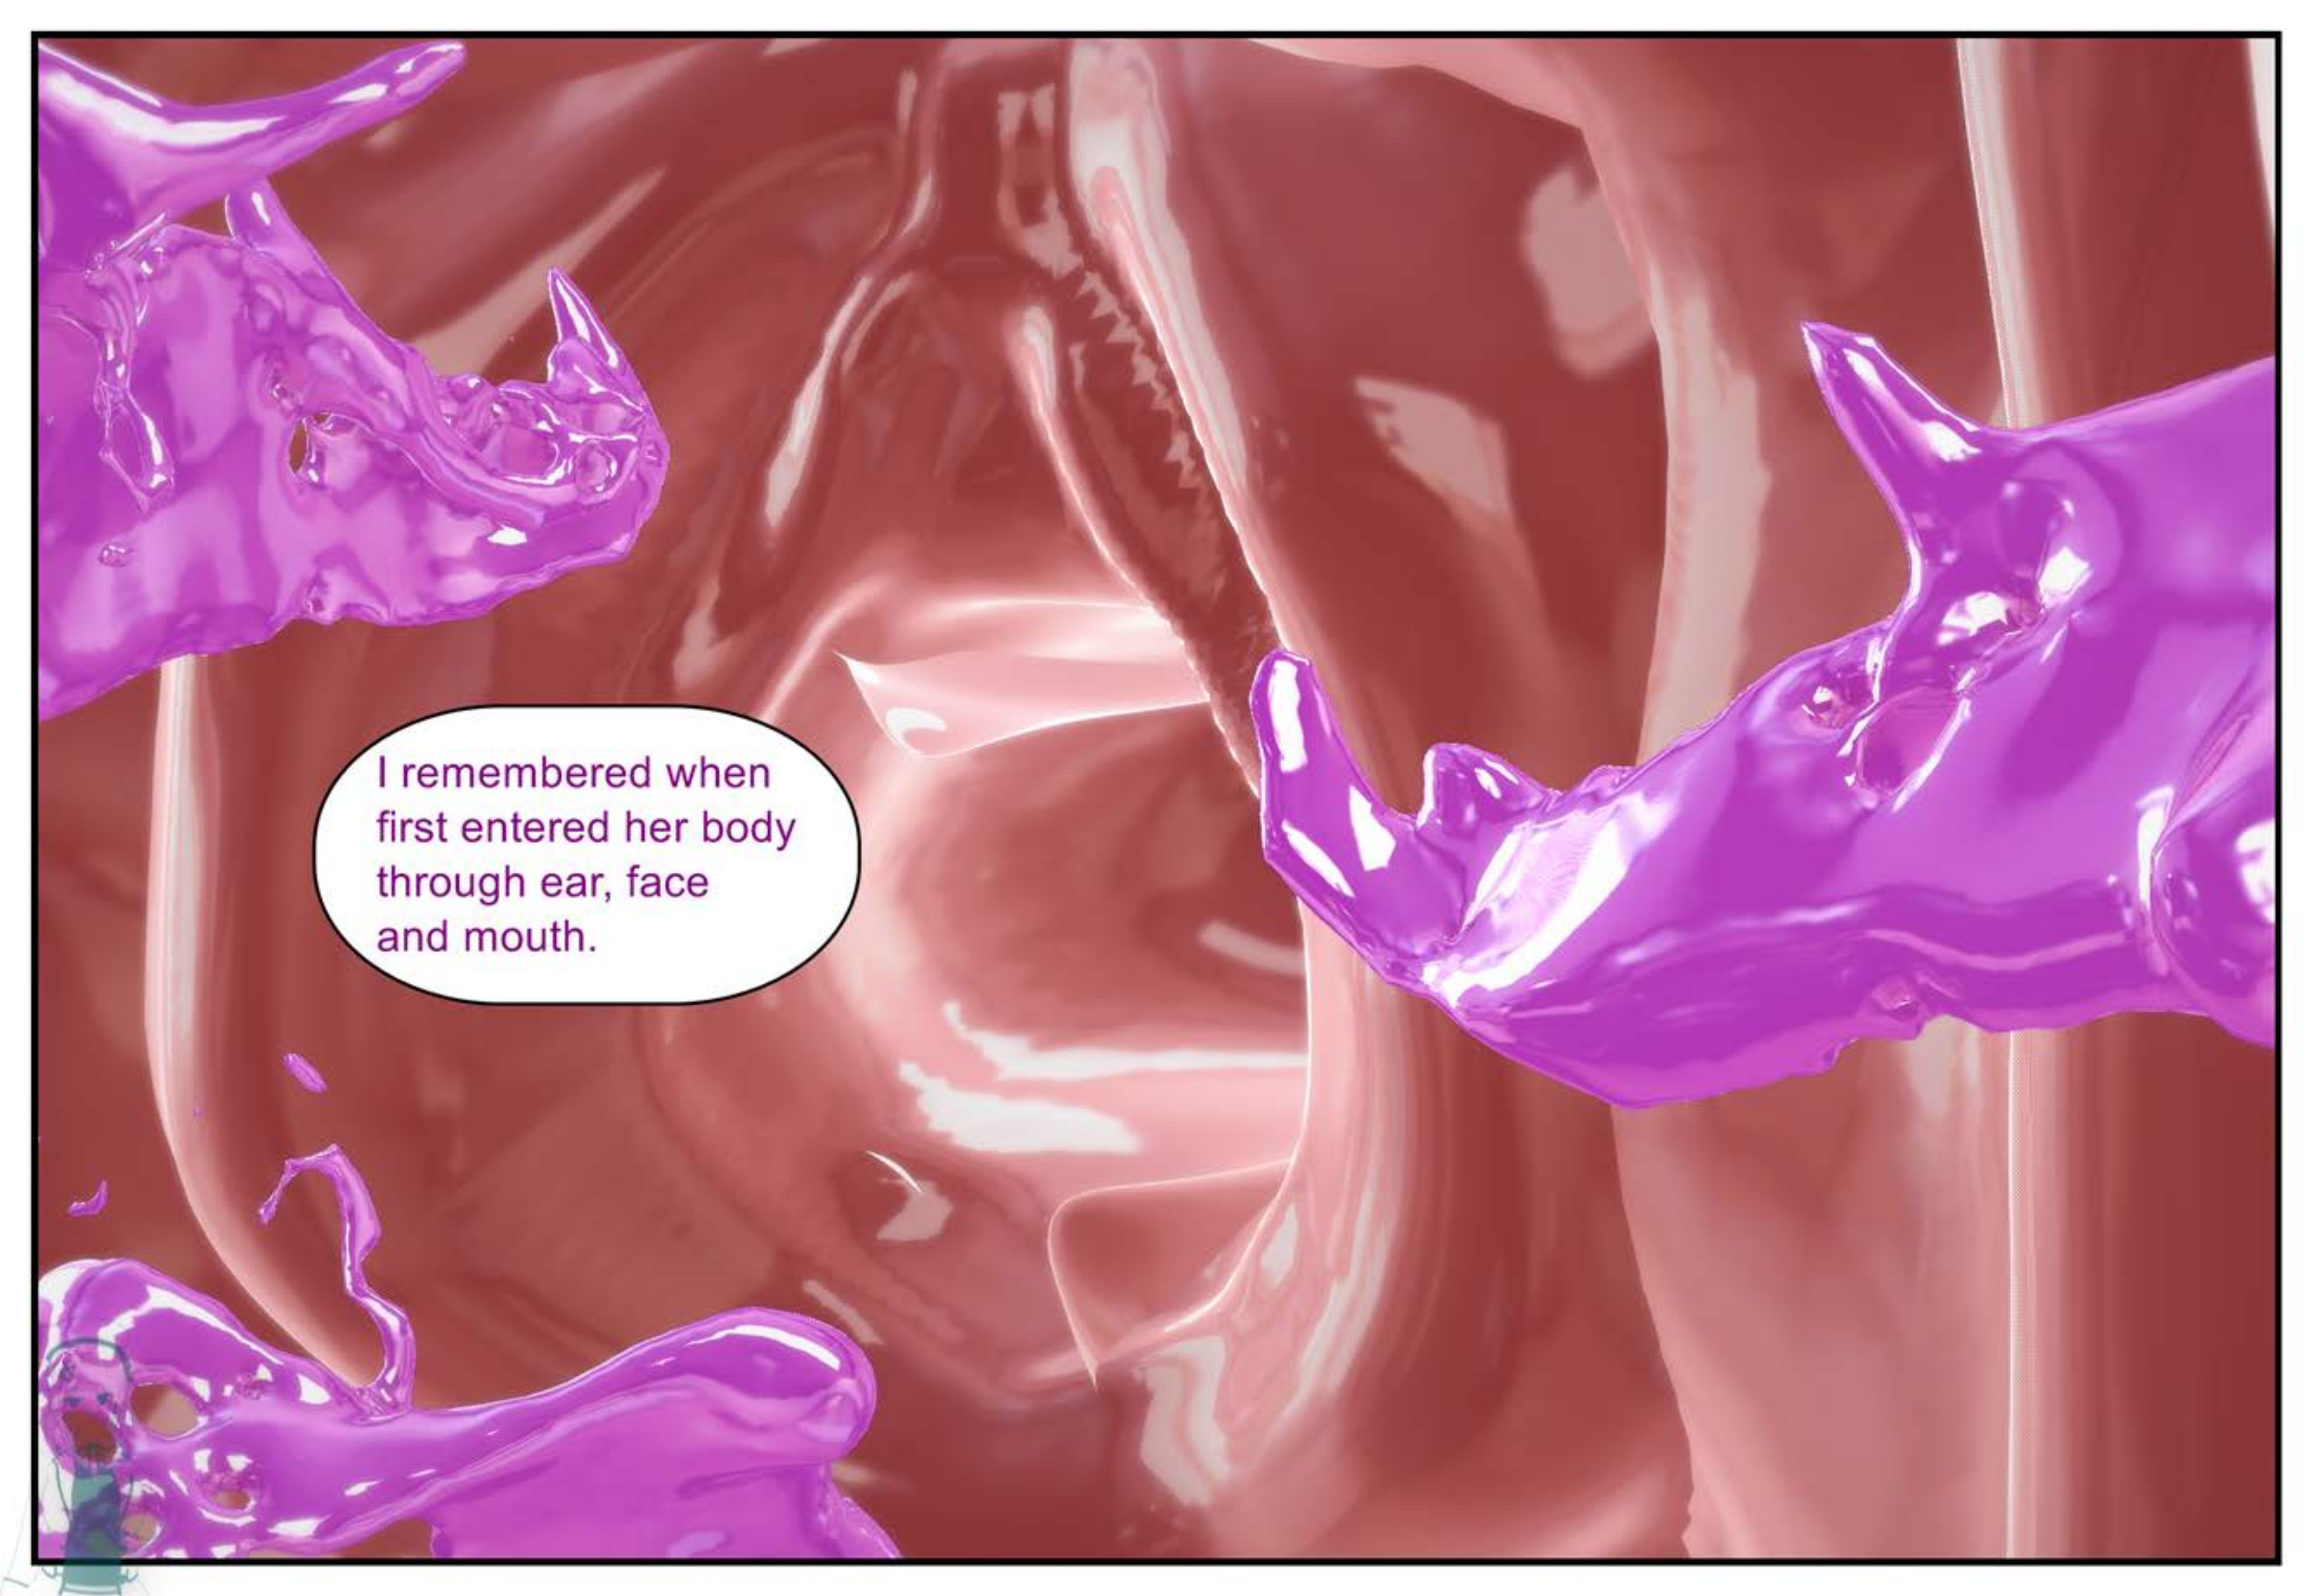

I supposed I have
been here for a
long time already.

"And a bit detail in
my parasite ability
with Asuna.."

I remembered when
first entered her body
through ear, face
and mouth.

Once I got control
of her brain, I started
to root deeper inside.

And then, I could easily do any changes to Asuna's body.

Moreover, I could
split a bit of myself
and infect others..

Like how I travel
from one to another.

"And soon, I will be
over every students."

Yawn.. Is someone in here?

A manga-style illustration. On the left, a young girl with long, flowing pink hair and heterochromia (one yellow eye, one blue eye) is shown from the chest up. She wears a white dress shirt, a dark blue necktie, and a light blue tie. She has a slightly concerned or thoughtful expression. In the background, two nude women are standing. The woman on the left has long grey hair, a red mark on her forehead, and blue eyes. The woman on the right has short blue hair with white fox-like ears and red eyes. Both women have large breasts and are wearing minimal clothing. The setting appears to be a server room or a control room, with blue glowing circles and lines in the background. Two speech bubbles are present: one from the pink-haired girl and one from the grey-haired woman.

"She really didn't notice us.."

So dark.. I thought I heard a voice..

Hey there,
Hoshino.

Ah.. Shiroko?
I couldn't see you
clearly, it's dark.

Well, I'm changing
my clothes a bit.

Let's get back to Serika, okay?

"Heh.. I will tag along, too."

The lockdown is lifted and we are free to leave, but..

I don't know..
I just woke up.

..where Nonomi
and Ayane?

BYDOS

Hm.. And Asuna,
let's get you back
to your place.

"Can't just leave
without taking
over her, I have to
stop playing around."

Shiroko? A moment with you, please?

You think Asuna is behind all these weird things..

I don't think so.
Maybe you just
overthinking?

Sorry, I still can't
get it out of my head..

Okay, let's prepare to go home.

Not a problem,
Serika.

Alright, Hoshino,
mind you find others
with Shiroko?

What is it,
Asuna?

Look again at
your friend, Serika.

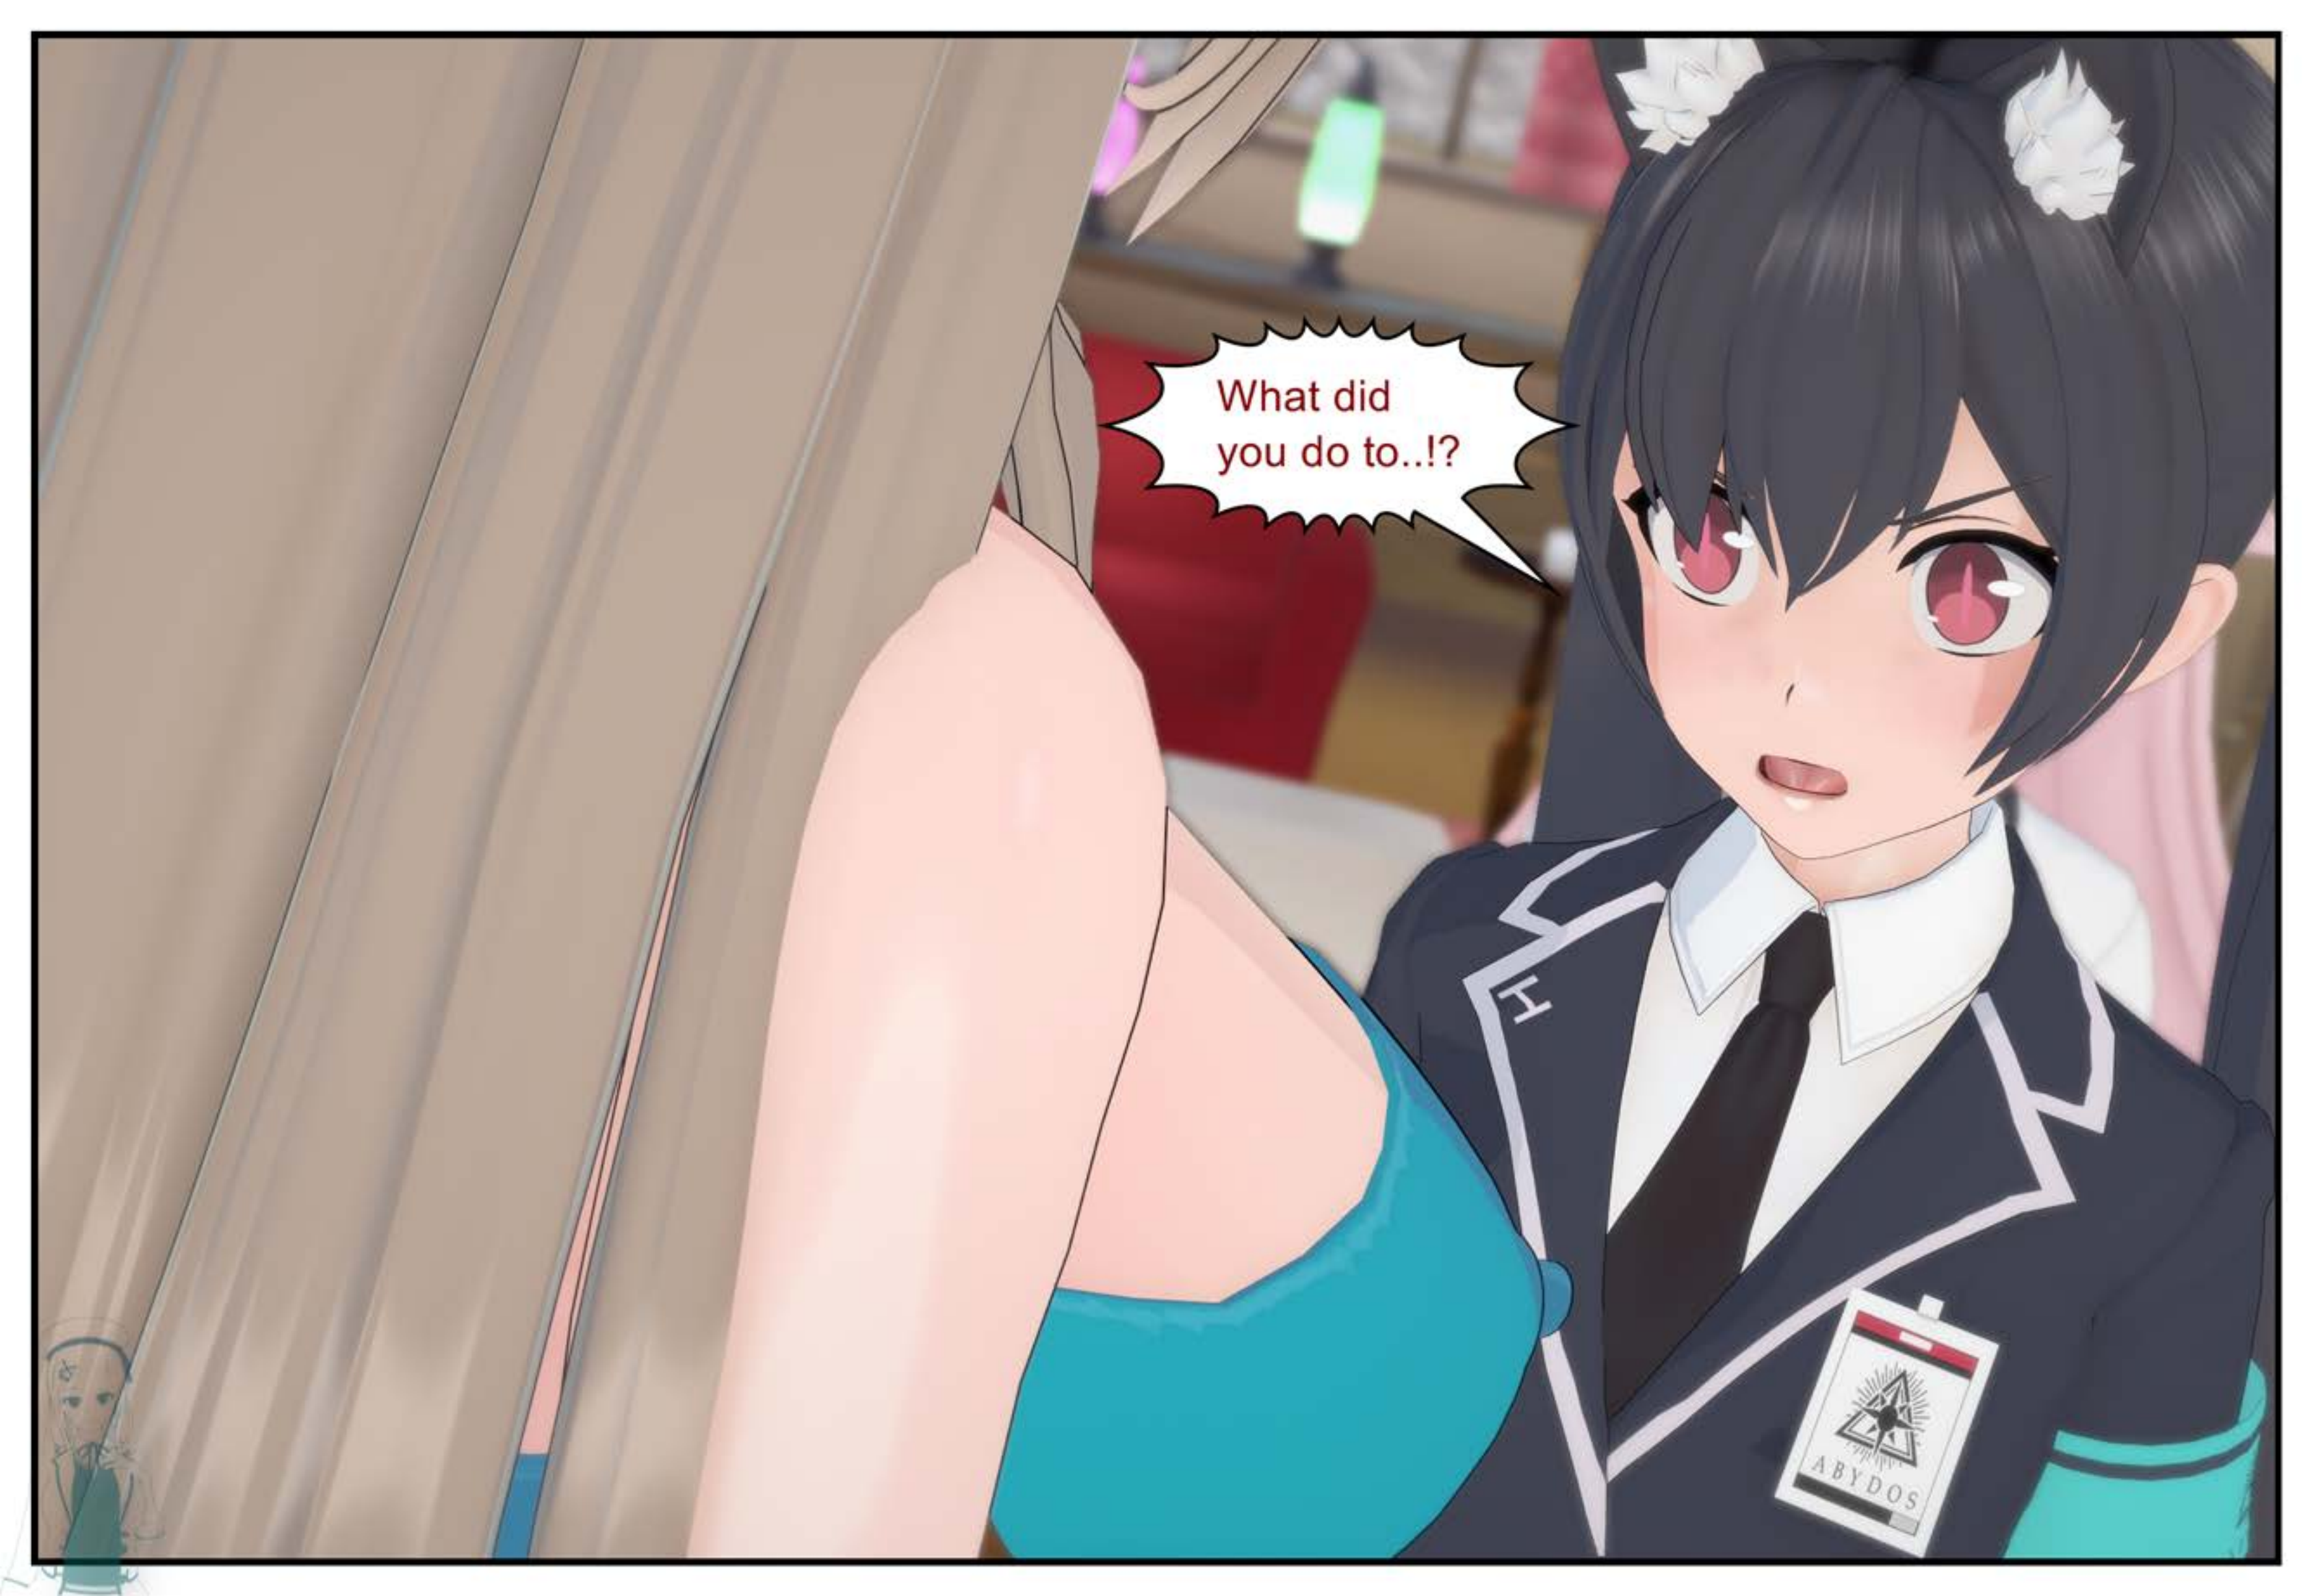

I was worrying if
you ever found
out me or not.

What did
you do to..!?

I love playing around with you and see how struggle you are.

..Serika.. You were
my favorite.

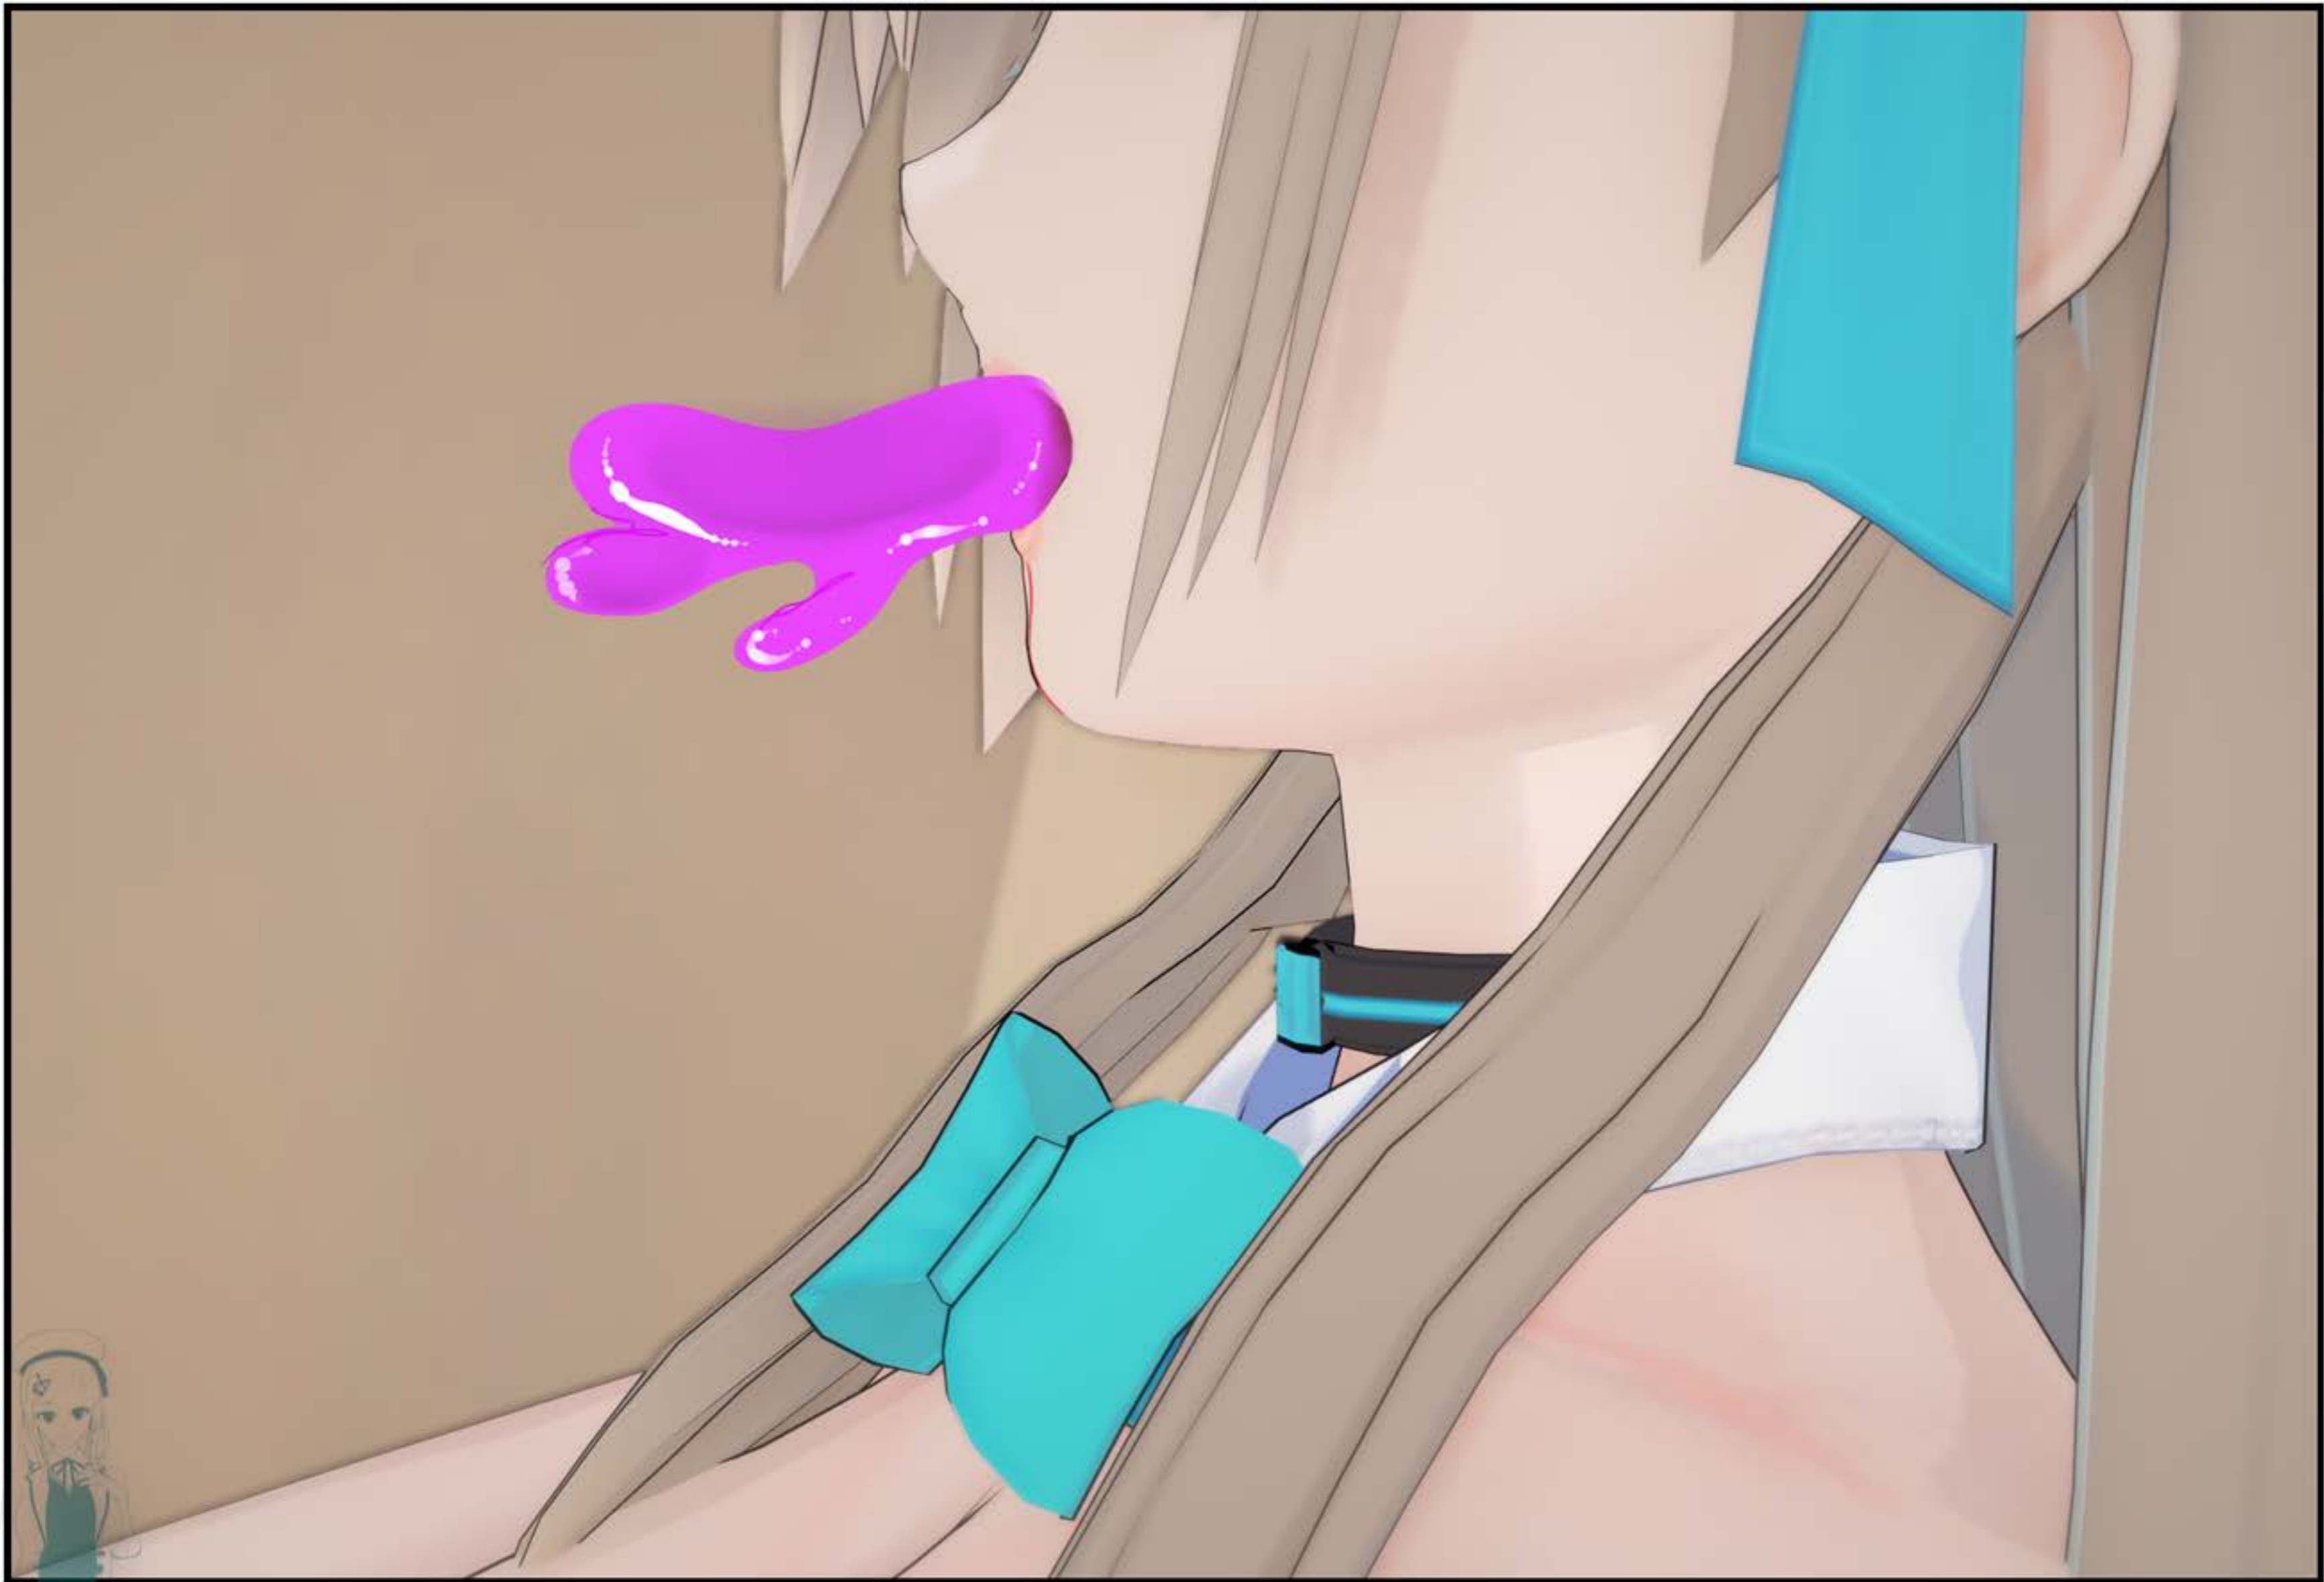

Don't be afraid,
because in a moment..

..I will
become you!

Gyyyaaaaa!!!!

Uh.. Ugh..

Don't worry, the process of taking over is a bit painful.

Hehe.. I will take a good care of your body.

Taking over success.

Still, I need time
to root through
this body.

But that's also
all memebbers of
Abydos High.

And we will start
to invade Kivotos.

As a parasite
who rule everything!

Sorry we
are late, Master.

Took us time to
re-control these
bodies.

I could even infect any bodies whom I possessed.

Isn't that right..

..Asuna?

Anything you
wanted, Master.

Hm.. There's still
someone that I
should meet..

Sensei..

A few days later..

I'm doing it, and
I want to ask you
to do what I said.

Serika.. The outside
was chaos, what is
happening?

You are not
Serika.. Who
actually are you?

One more word and
you will see the real
me in her empty body.

"Someone's coming!"

Hey, lost in here, little girl?

S-Serika!?

Well.. it's a nice
weapon you have.

Could you give and
show me how to
use it, hm?

Kyyyaaaaaa!!!!

A 3D rendered scene of a hallway with a light blue carpet and white walls. In the center, there is a set of double doors with frosted glass panels. To the left, there is a window with white frames. A red speech bubble with a jagged black border is positioned in the middle of the hallway, containing the text 'BANG!!!'. The scene is lit with soft, even lighting, and there are some faint shadows on the floor.

BANG!!!

Was that a gunshot!?
Are you okay?

N-No.. I freaked out.. because a mouse..

Ah.. This joint operation is so hard and scary..

Well, we just need
to round up the
Abydos High.

Ah, right. There's
a command to
rendevous outside.

"Hm.. I act too early and careless."

"Look like they are gathering all of my slaves."

"I may fail this time, but I will remain here."
