
A scene from a video game showing two women, one with blonde hair and glasses, and one with red hair, looking at a laptop. The blonde woman is on the left, wearing black-rimmed glasses and has her hair pulled back. The red-haired woman is on the right, with her hair in a bun and resting her chin on her hand. They are both unclothed. In the foreground, the back of a black office chair is visible, with a small white logo that reads '@SIBIS'. The background consists of a white brick wall and a window with white frames and green horizontal blinds.

Looks like the best we can do is put in a support request. Reporting all this weirdness.

Let's do that. Hopefully, they can sort this out.

I guess
now we wait.

Now
we wait.

Wow.
Terry is so amazingly
good looking.

Just look at her boobs, all out in the open. So hot.

I wonder if Terrence would let me play with her bits.

I really
would like to know how
my pussy feels if it's on
somebody else.

Yeah, I do, too...

Terry? I know this sounds weird, but I kinda want to...

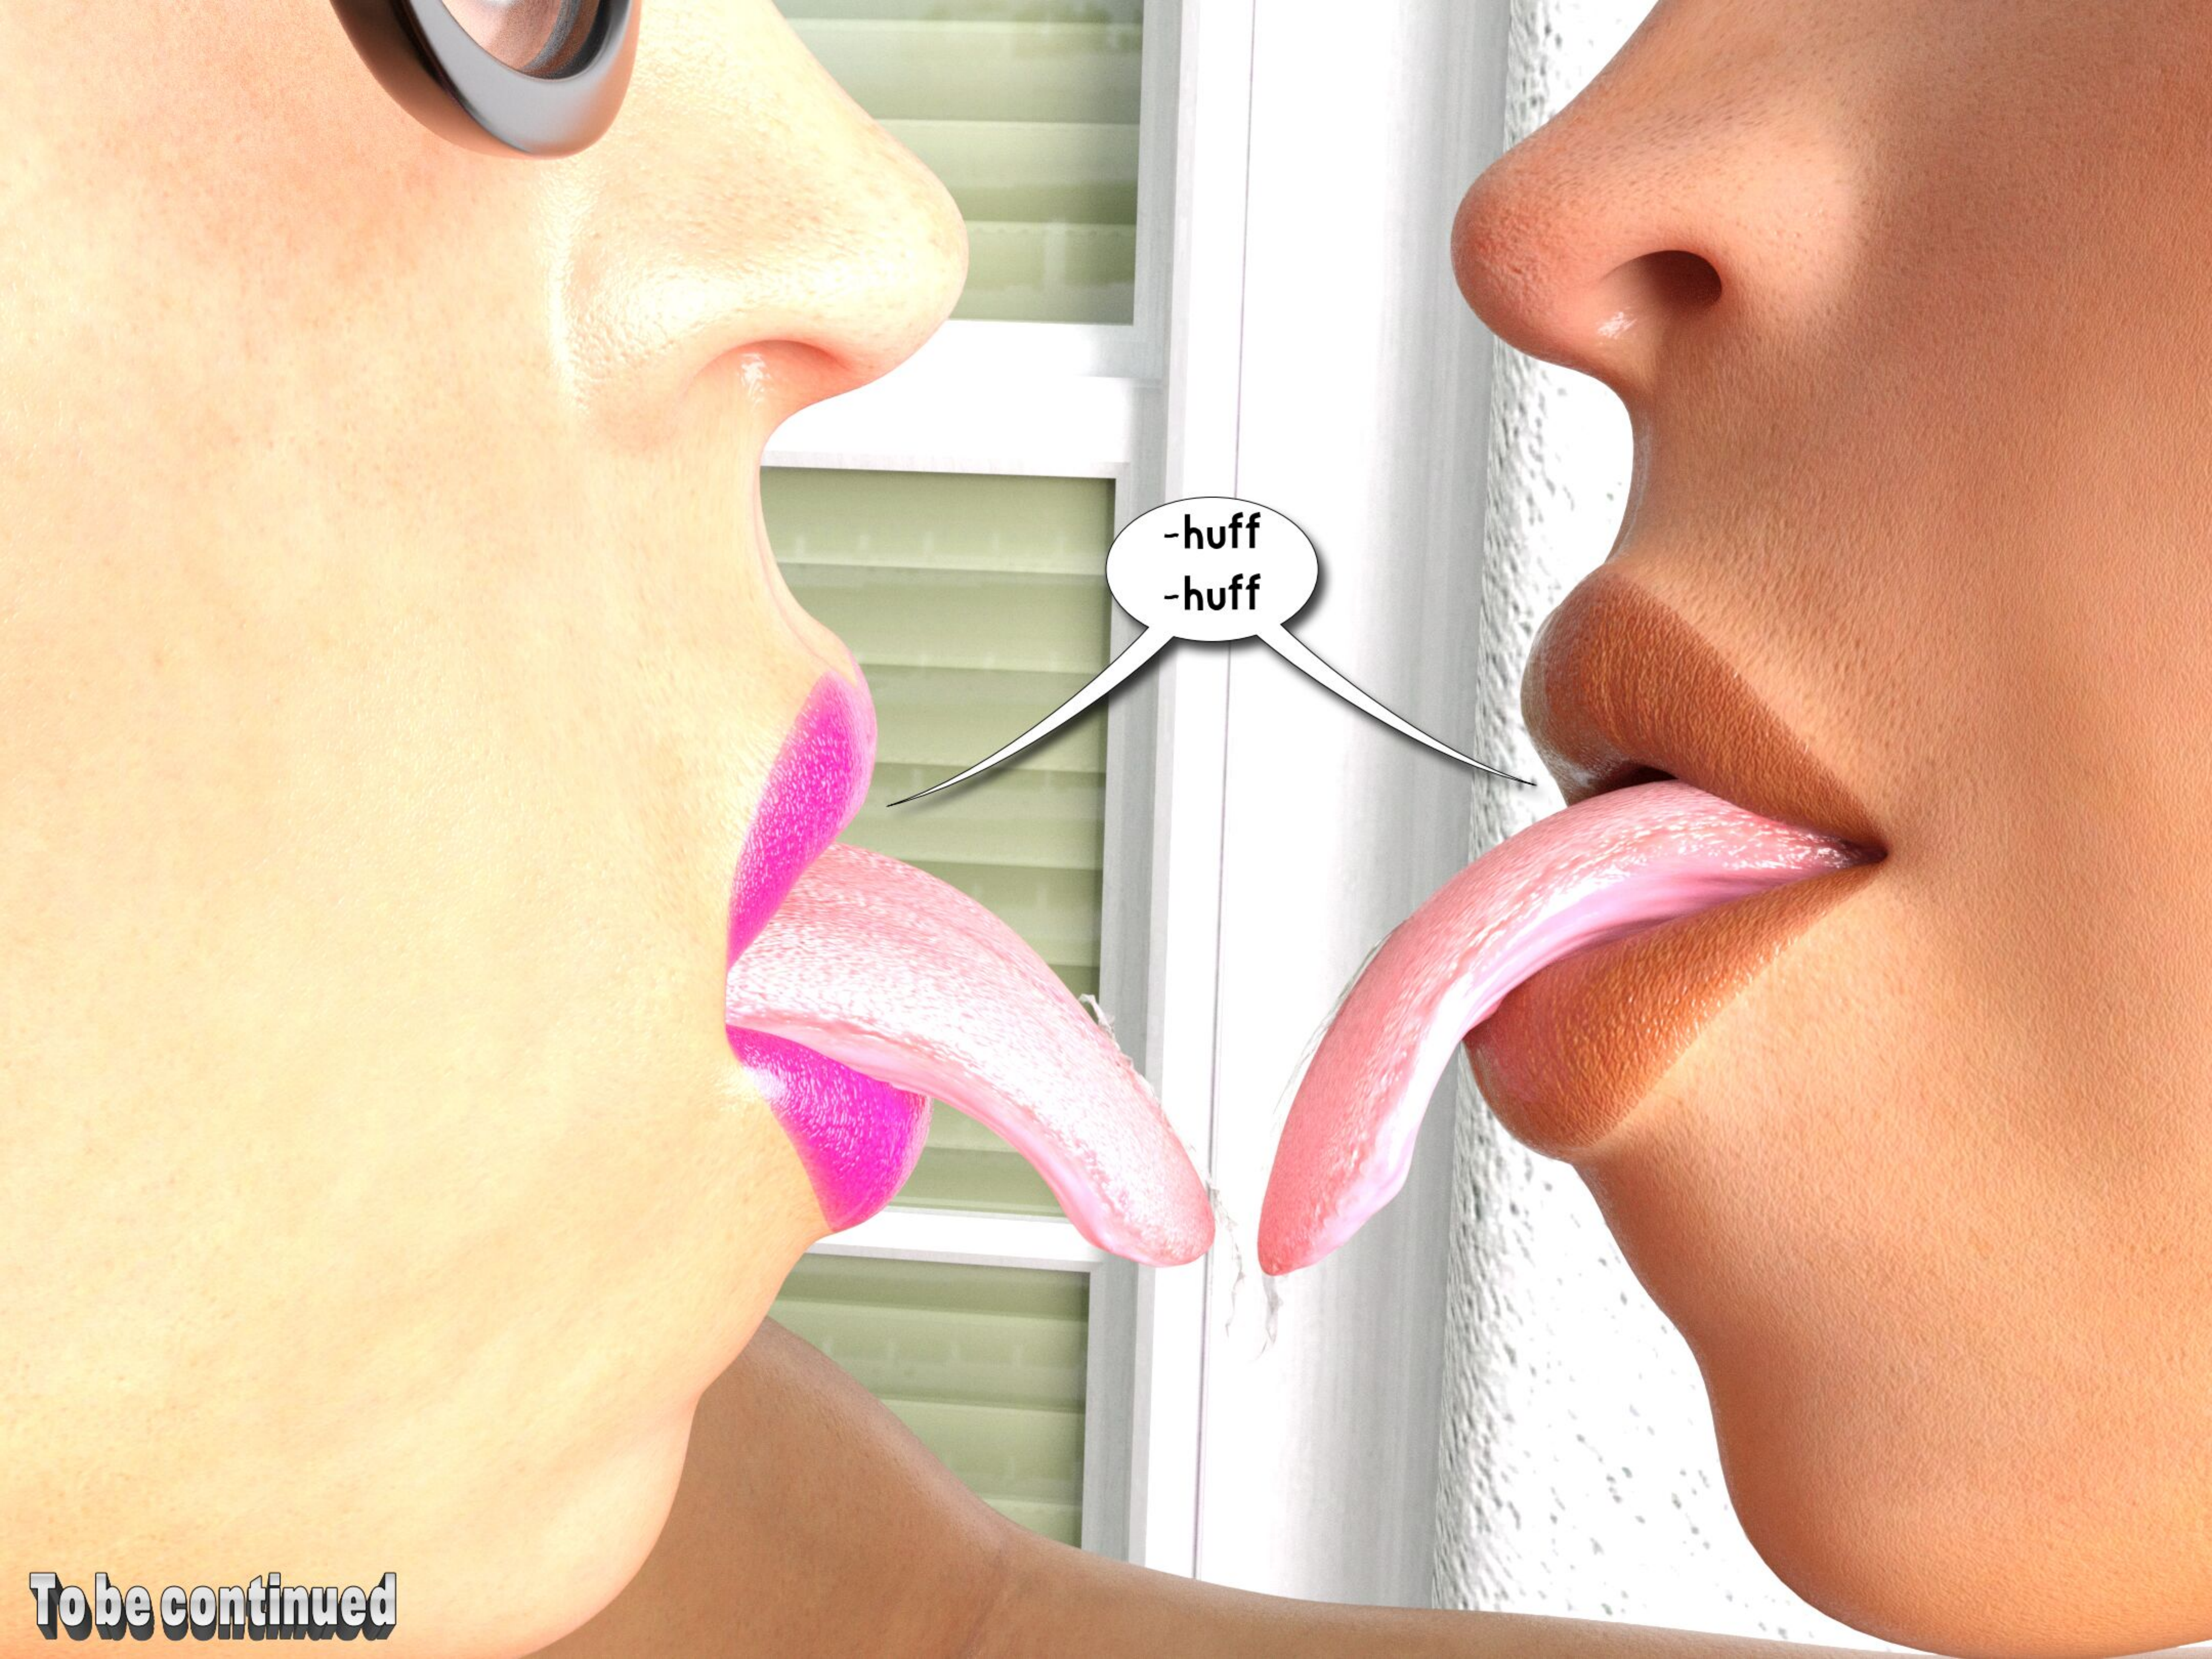

Ever since I first thought about you, I was excited to meet you.

I imagined how being with you, or rather, being you would feel like.

Kiss me, Terrence. Let your love flow, and I can show you.
