

PRIYANNA SOLVICHEG

“Nothing to see here, citizen. Simple guard business.”

Personality Traits. Priyanna grew up on a farm as the only girl in a house of 10 children. Her beautiful exterior is contrasted by her no-nonsense professionalism, outright ignoring any attempt at flirting or differential treatment to her male colleagues. She is a talented fighter and capable leader.

Ideals. No crime goes unpunished. I'll see to it.

Fears. Will delivering justice turn me into a villain?

Quirks. Sings softly to herself when drinking wine.

Secret. Priyanna has trouble sleeping. She moonlights as a vigilante: hunting down the criminals she can't while on guard duty. Her demeanor becomes soft and kind when helping people as her alter-ego.
