Un... Ah...?

Where... am I?

"I didn't remember why was I ended up in this place..."

"Sometimes, I even feel the pain run through the left side of my face..."

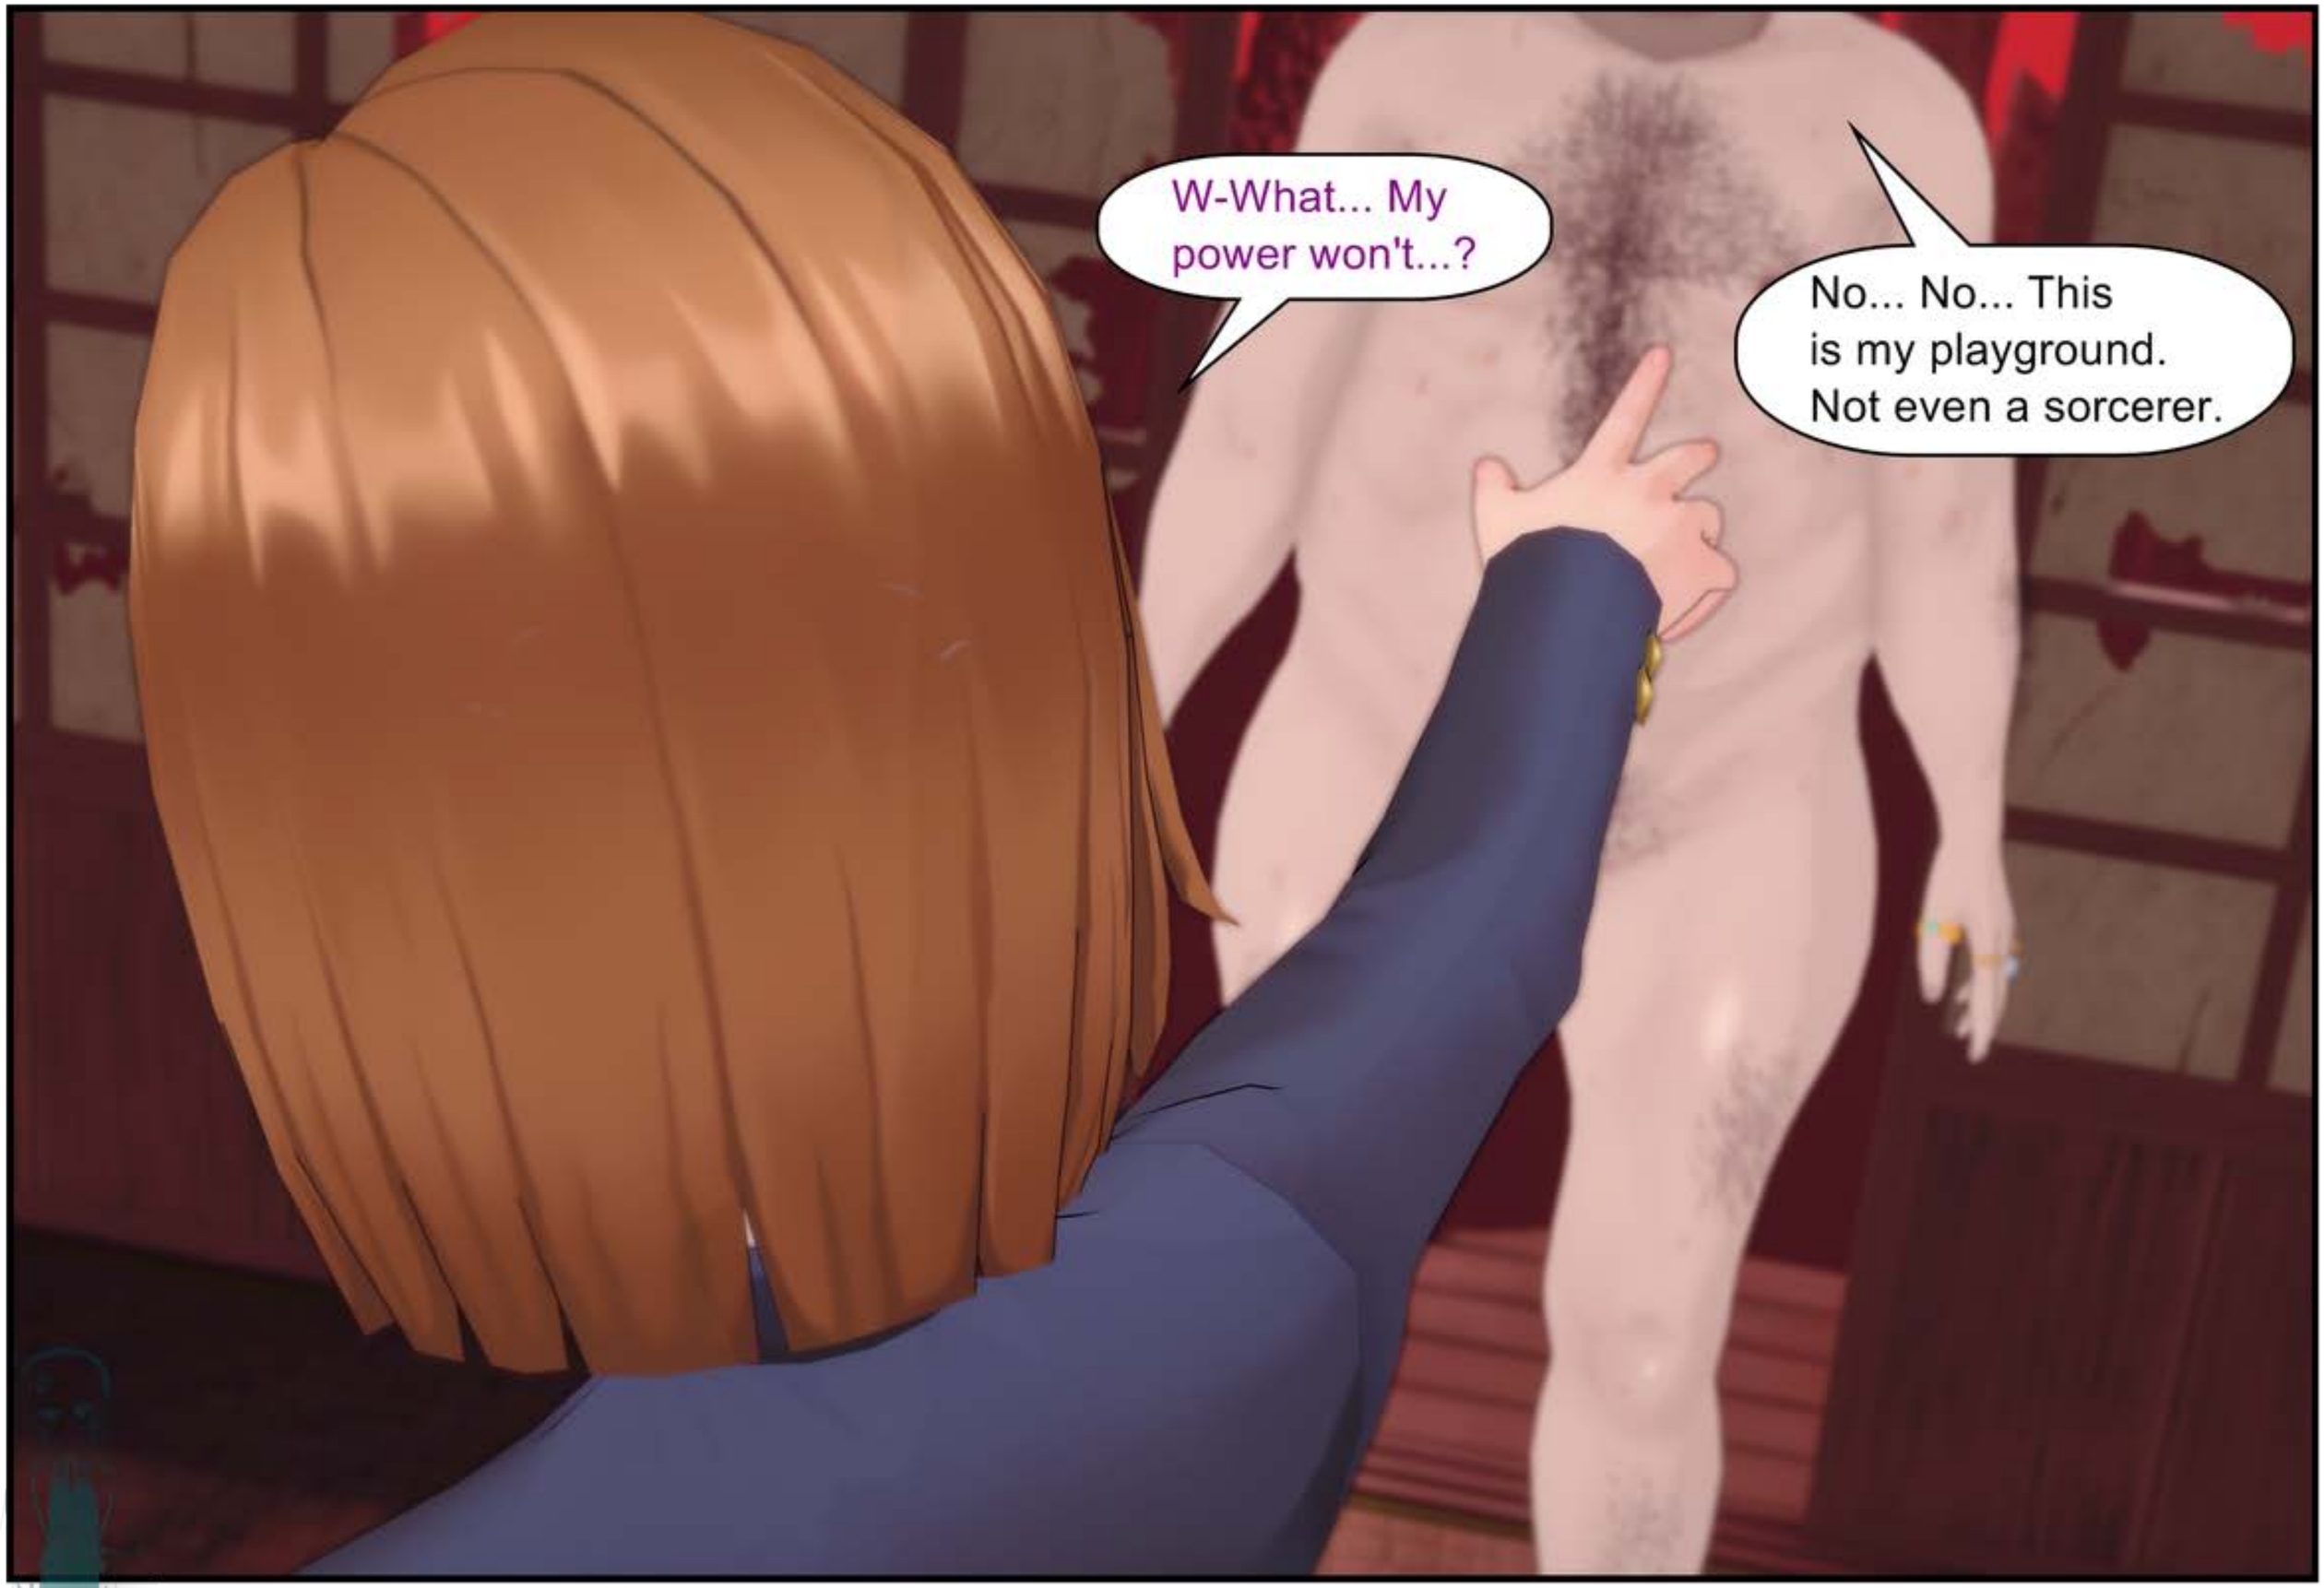
"Anyway, I have to find a way out and return to the others..."

Oh? How come there is a beautiful lady inside my lair?

I have... waited for so long. I need... a woman scent...

You are... a spirit!? An evil smell coming out from you...

I will eliminate an ugly cursed like you!



W-What... My power won't...?
No... No... This is my playground. Not even a sorcerer.

You are just like... a fish in the barrel now...

"I-Impossible... I have never seen any curse like this before!"

It's my turn now...

I won't let you!

There is no use in resisitng, girl...

Aaahhh... This is the exact thing I wanted for a long time!

Yes... I'm starting to love it...

Muhahaha... Now,
a full control of
your body!!!

This is it...
Possessing a woman.

Today is my lucky day then... Having a fully host...

Hah... It's been a long time...

...Since I last grope a woman... She screamed a lot...

Their breast... I can have it all day long!

Yes... This is best!
I can't stop it!!!

Oh... Only playing with her breast is boring...

To fully extend a woman's body...

...is to play with them in nude!

Ah... I'm getting pumped up...

Give me back my body! You... ugly pervert curse!
You... can still fight back!?

You underestimated a sorcerer like me!
Hehe... Is that so?

Here you are,
return your body.

You know... I just wanted to cuddle beautiful girls...

But... You kept calling
me ugly... It made me sad.

That is why... My house, my rules.

I can't... control myself...

Of course, because
you are now my puppet.

Now... Come over here to me...

That's right... Let me see that hole of yours, ehehe...

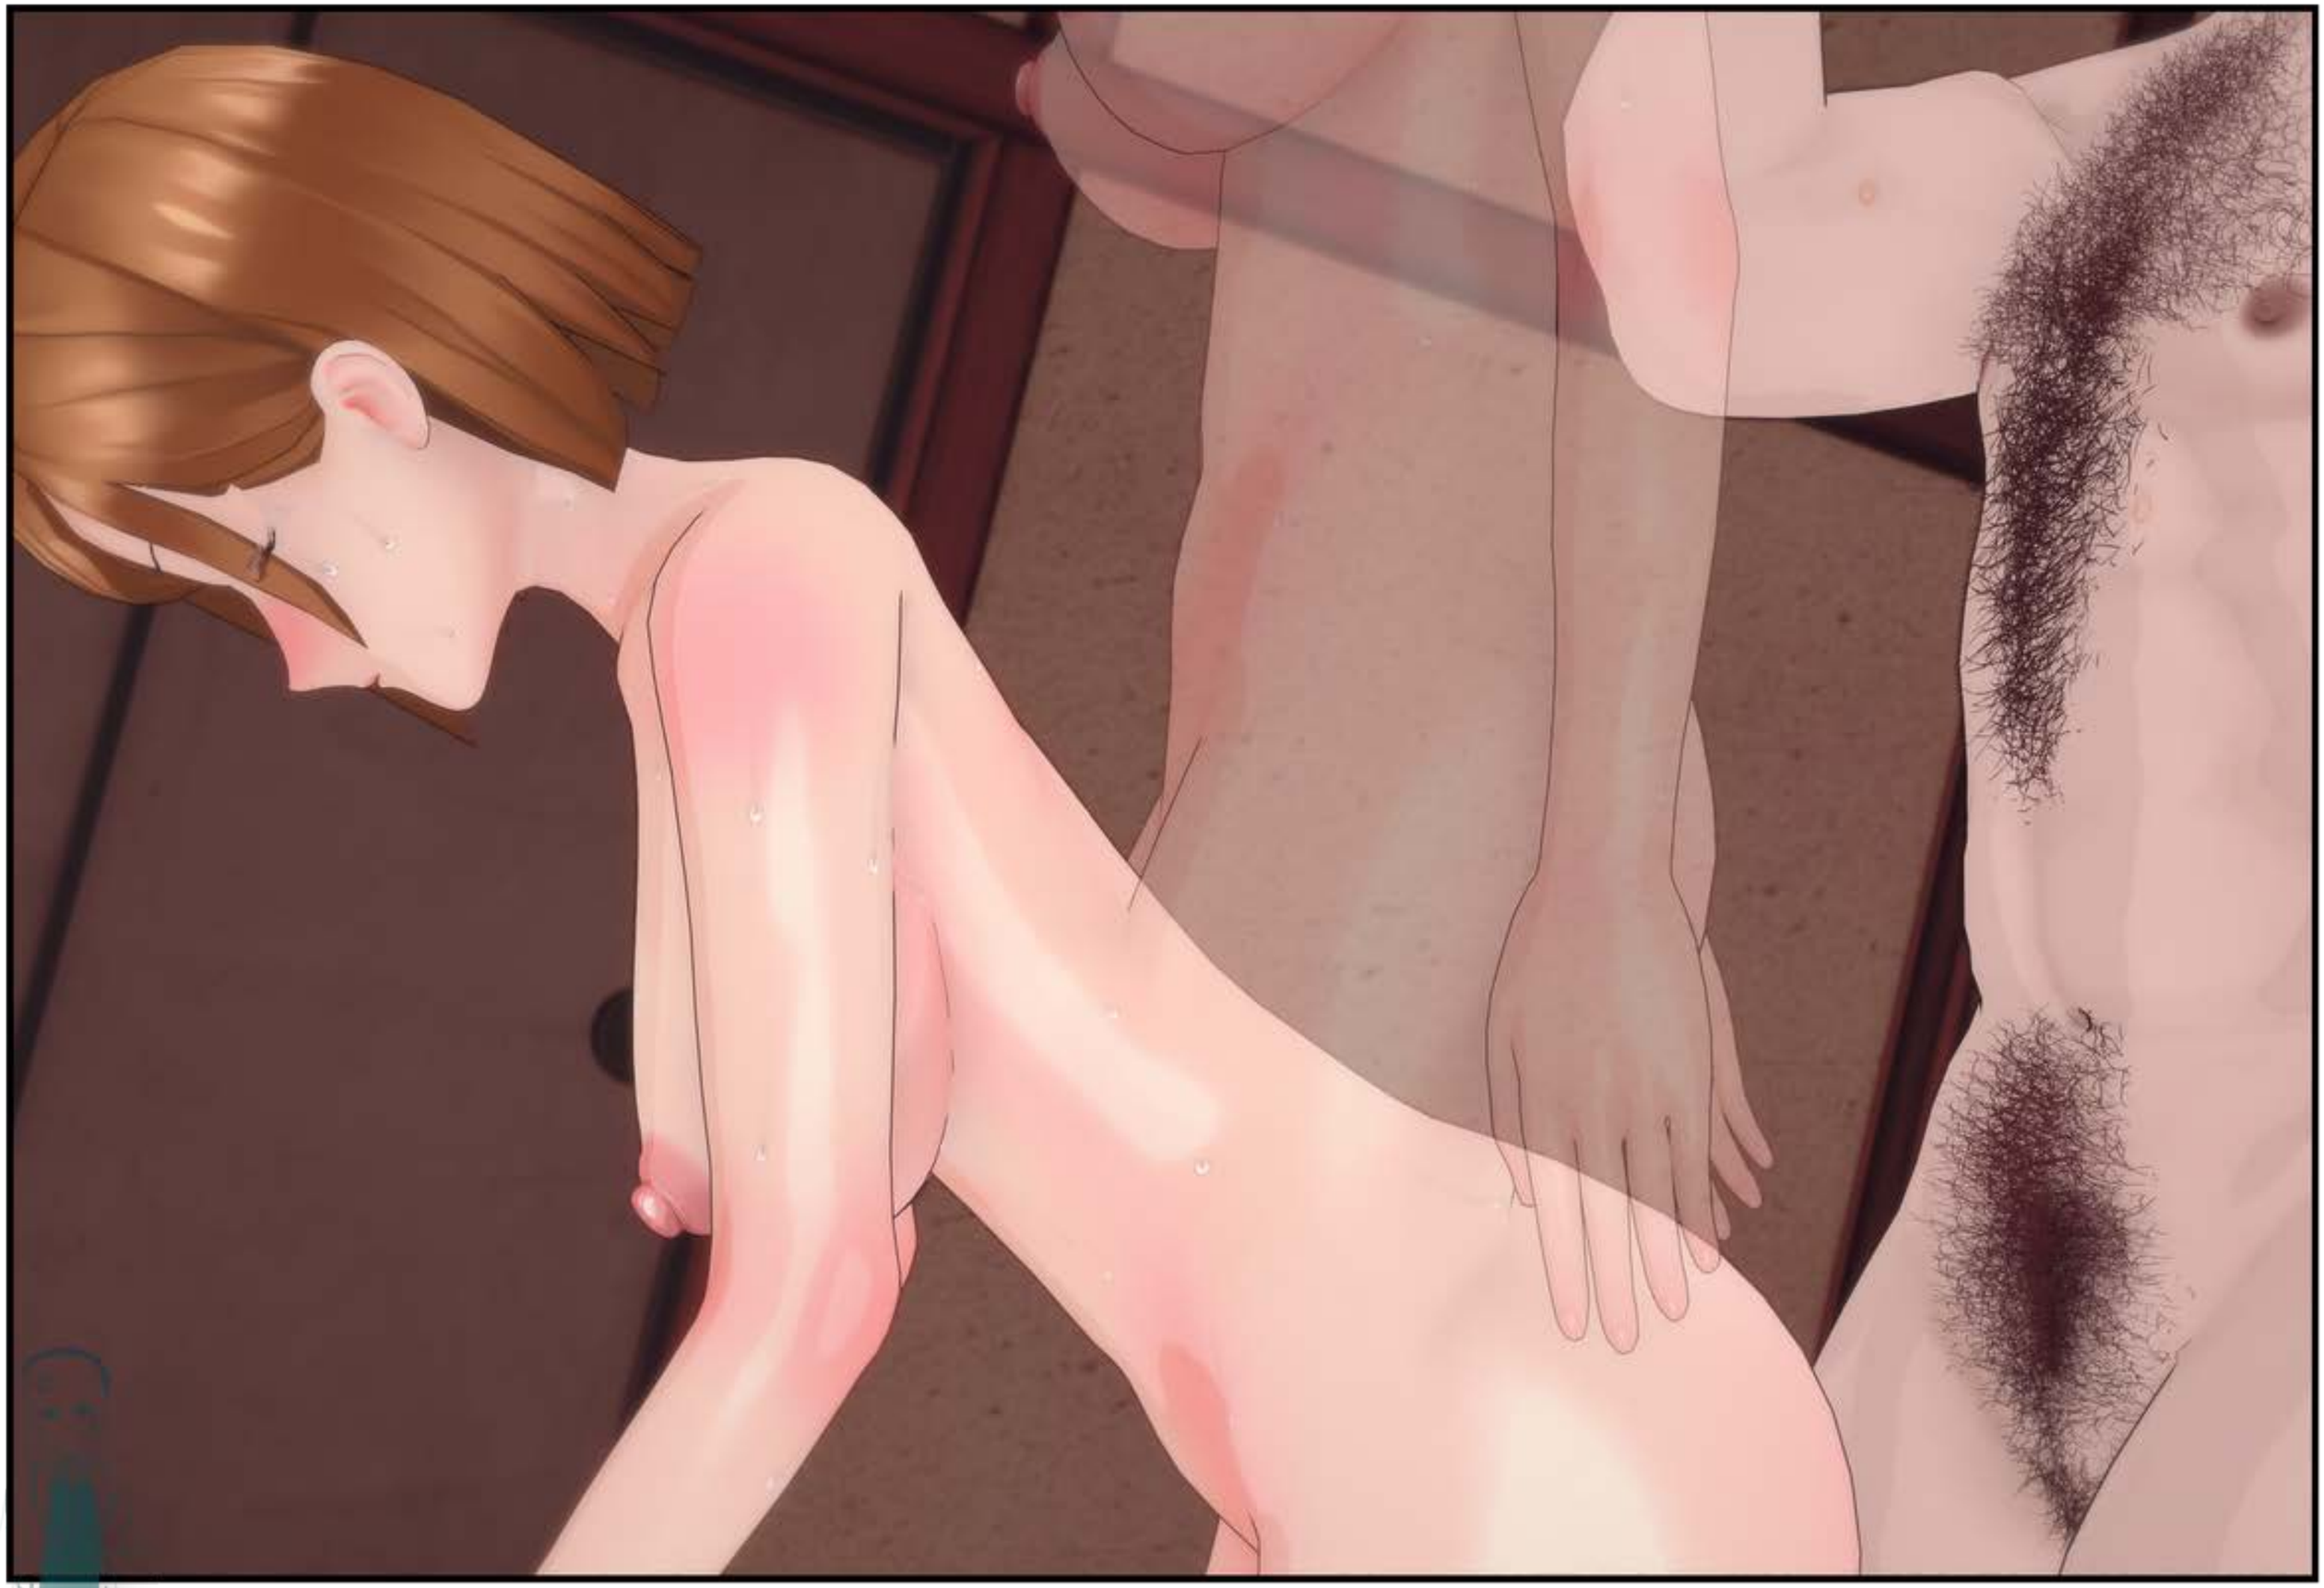
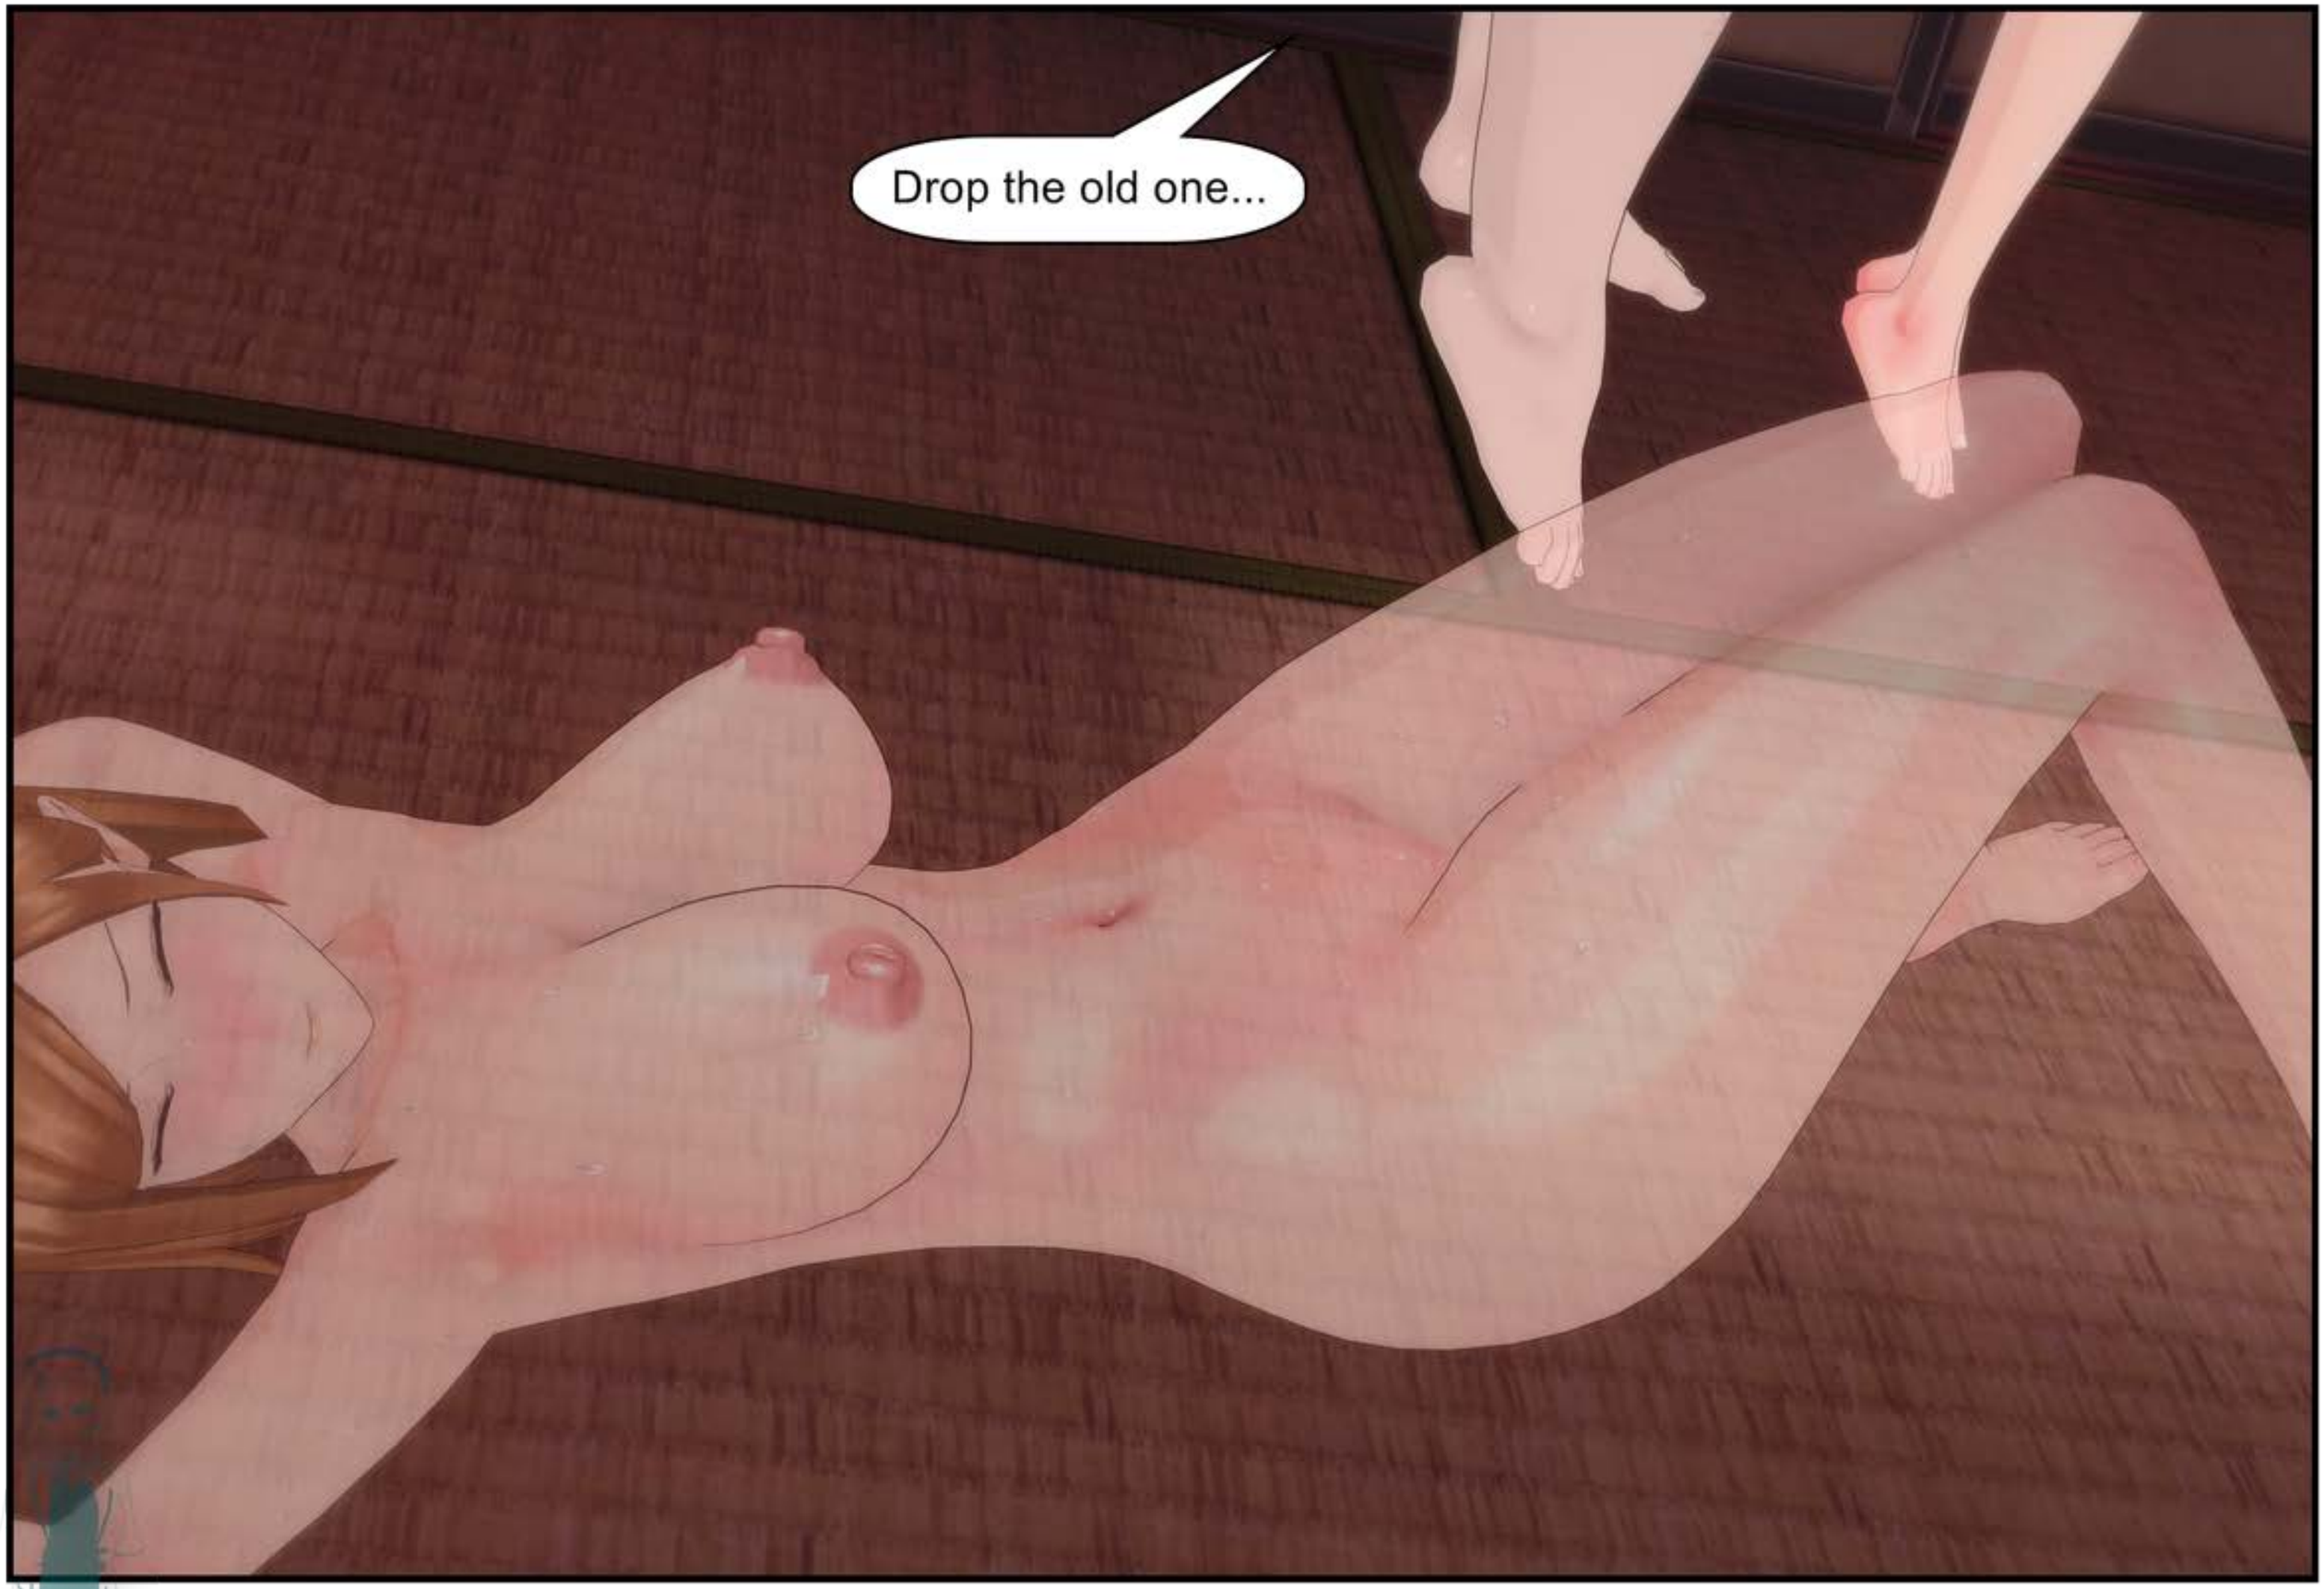
Are you feeling it?
My semen just filled
up inside you!

While you are still in motion of pleasure...

...I can pull your soul out easier...





Drop the old one...

...and replace with
the new and handsome
soul like me!

Now... No one is
going to interupt me...

I have officially become you... A sorcerer.

How dare you!?
Hmph... Why don't you look at yourself?

You have become... a spirit, replace my posistion...

That's right... I'm going to use your body and be in the real world...

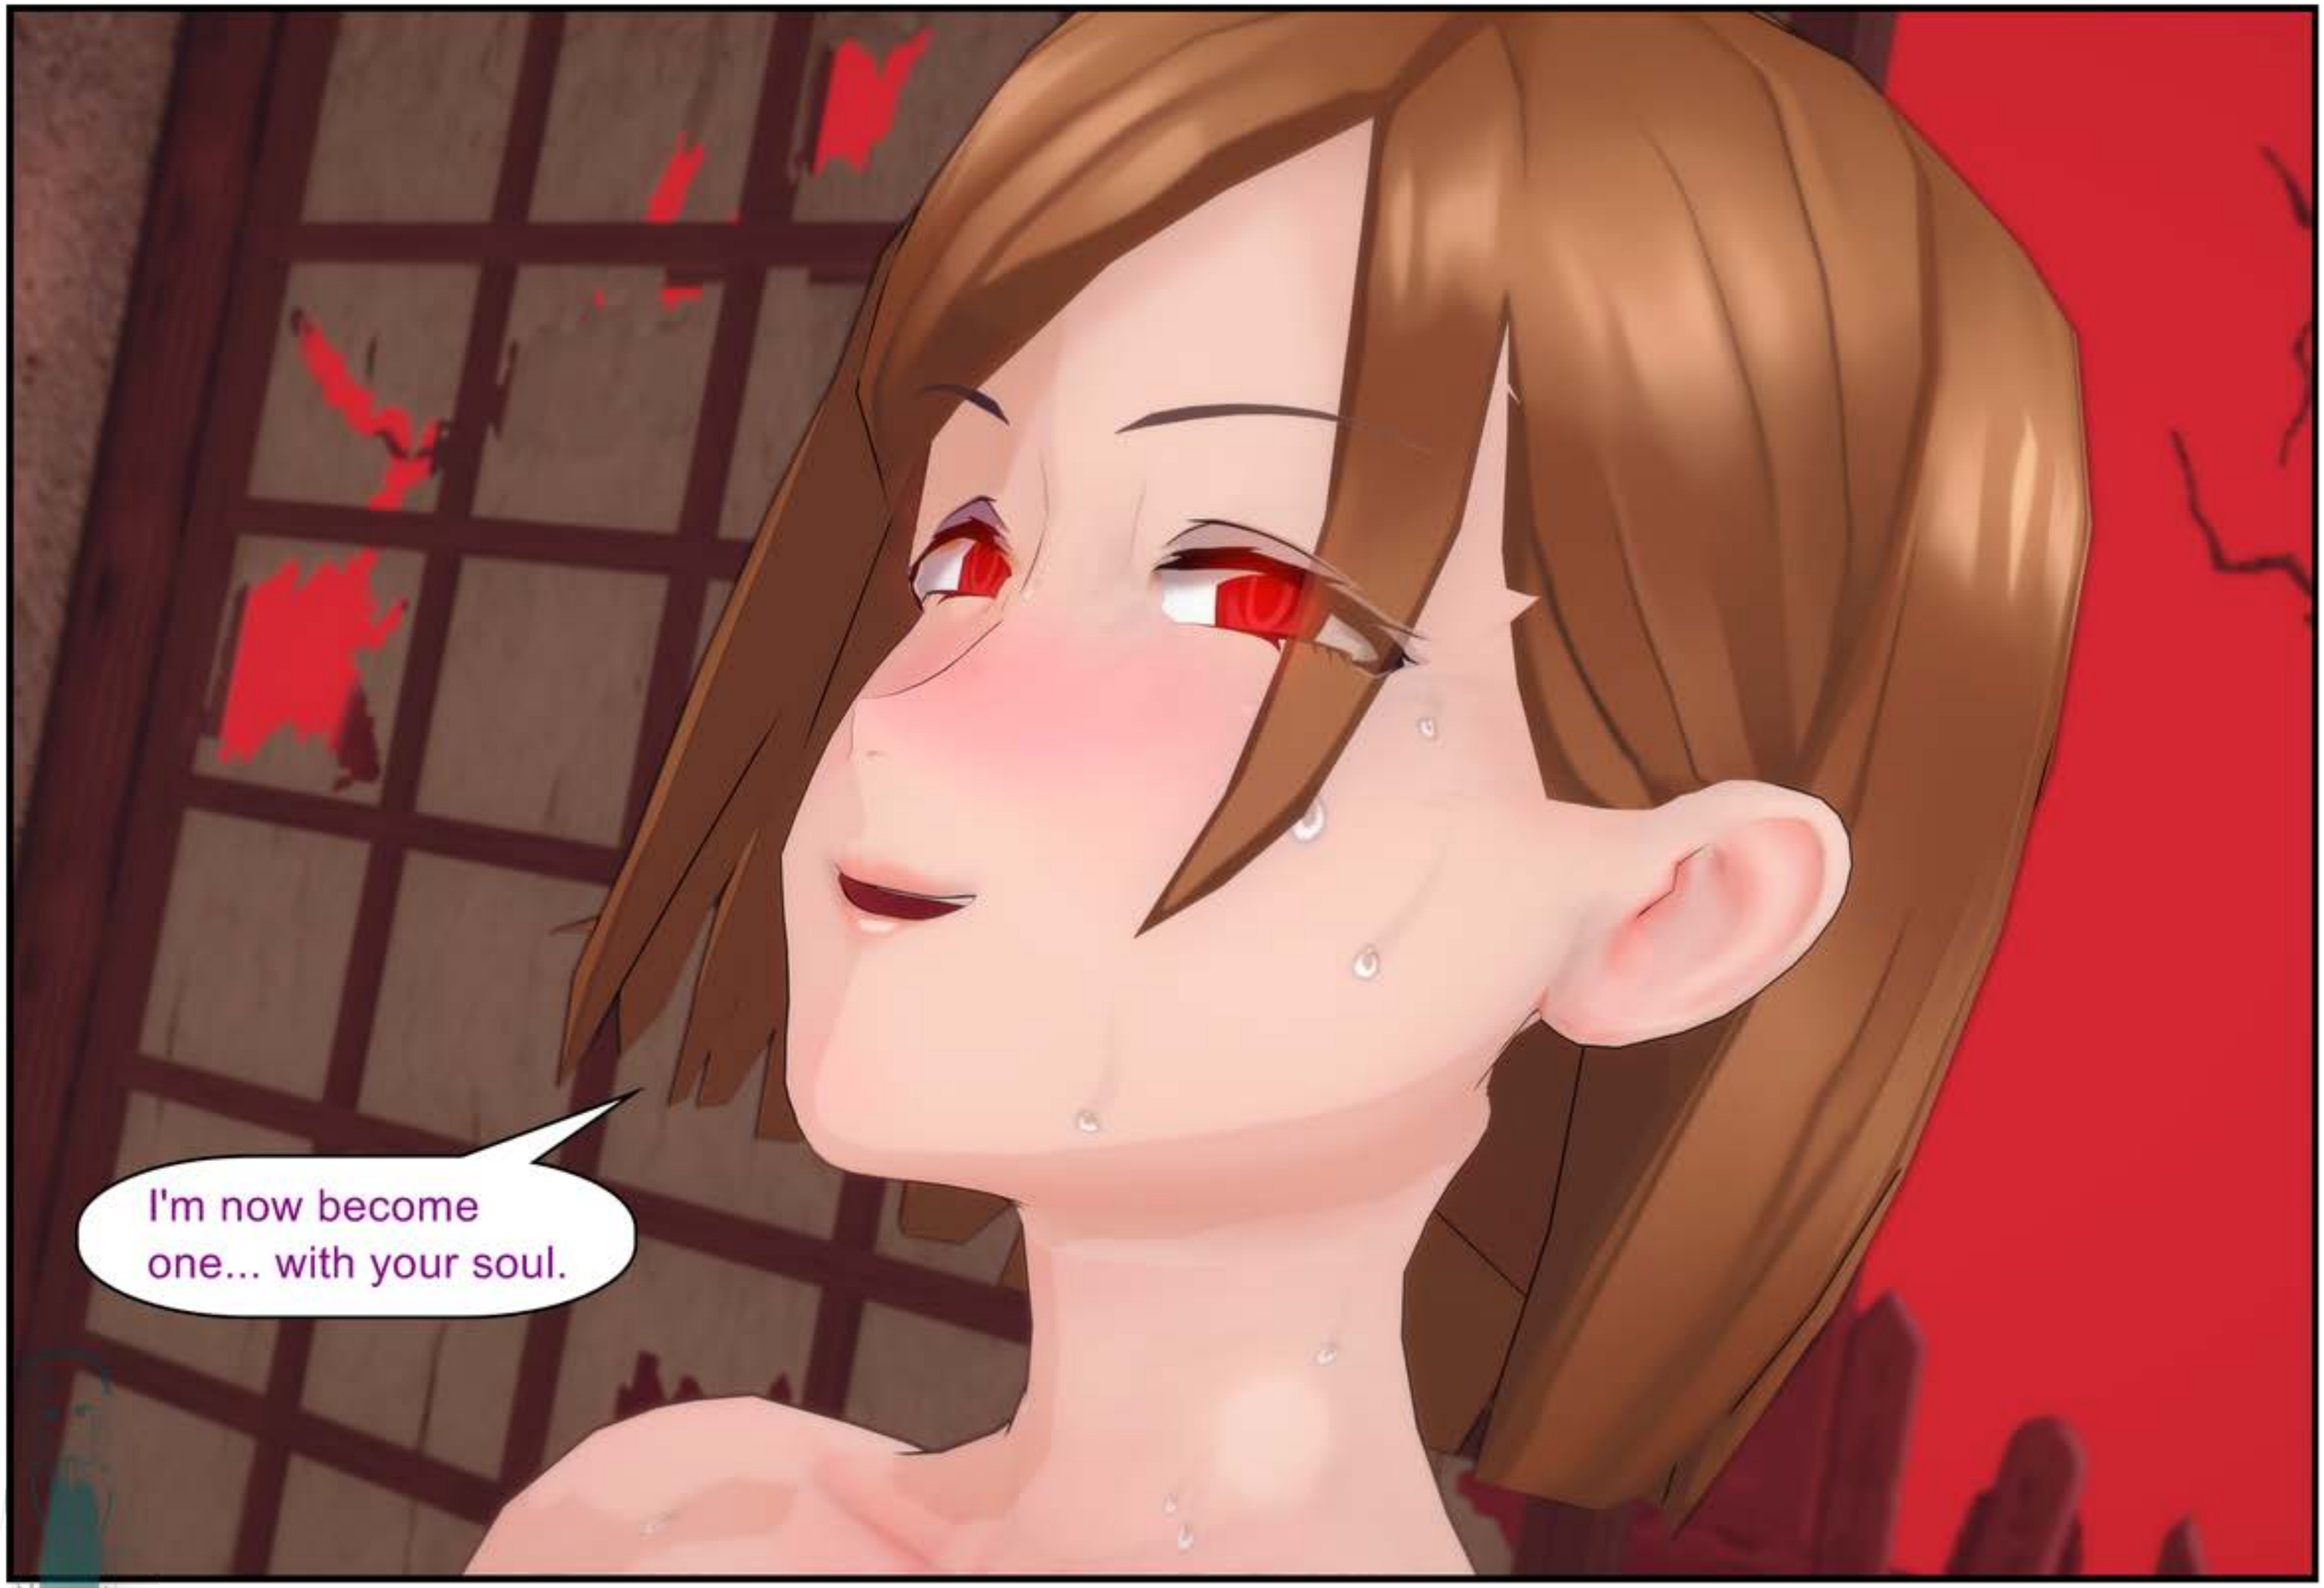
...While you can rot here, Nobara Kugisaki.

You... An ugly
and pervert curse...
think... you can steal
my body!?

Then, you messed with the wrong sorcerer!

I'm not going to allow it!!!

Just like I thought...
you would fall into
my trap, Nobara.



I'm now become
one... with your soul.

I'm her and nothing is going to separate me from this body!

...Nobara Kugisaki
is no longer existed...

The End?
