

*" My dear friend,*

*I hope this gift arrives you well. This Stone is called Rasputin' s eye and is part of a long-forgotten story. It should give you strength in battle.*

*Thank you for your service,*

*A Fan"*

Soviet Superwoman took the present and put it on while reading the letter.

**"Aw, that is so cute, and it came from Russia. This gem is so beautiful that I will wear it today! It goes so very well with my outfit, I am now ready for a night out on the town!"**

And so she did.

**"Wha..what was the feeling? Like an electric current racing down my body! My fingers and toes are tingling!"**

Our heroine was on the way into town as she heard two voices mumbling. They have gotten louder and louder and started to hurt Olga.

**"Are those voices...?"**

**"Do you feel the energy? Embrace it! "**

**"Get out of my head...everything feels so strange!"**

Soviet Superwoman was surprised by the familiar voice. The heroine knew it but couldn't recognize it. But that wasn't the main problem, is she getting bigger?

**"No...these thoughts...these voices...something is terribly wrong, I feel so heavy. Hard to concentrate..."**

**"My skin is on fire...something is happening to me...I must resist this, I must resist these voices! Harder to think...head head hurts so bad. The voices...what is happening to me?"**

The veins have gotten darkened by the power, while her arms became more massive.

**"My body...can't control it...my resist these changes...must not listen to the voices...I must remain in control...Uuuhhh...so hard to think straight. I can feel my body shifting...even my teeth are growing...pointed! I have to fight this, whatever it is!"**

But it didn't stop there something was happening between her legs.

**"My...ladyparts are throbbing...it is getting so hot. I am getting wet...and something**

**else...must concentrate! Oh god, it feels so odd...something is wrong...is that a..."**

Her jeans were gotten tighter with every second until it couldn't hold it any longer. Her legs and her newly grown cock popped the jeans open and ripped it to shreds.

**"Nyet! Not a cock! Oh god it throbs so badly, my entire body is on fire! My nipples are so hard, as hard as what is growing between my legs!"**

Her penis throbbed and grew with every heartbeat. The forbidden pleasure caused more pressure between her legs, which lead to the testicles expanding to massive balls.

**"It is growing so big...so hard...nyet, I cannot touch it! My body feels so heavy...it aches! Nyet, I must ignore these voices! It is the size of my arm! It hurts so bad! I need to *STROKE* it, pull on it, I need some release!"**

Soviet superwoman slowly lost her kindness and humanity and got replaced by a nasty drive to fuck and conquer.

**"My... *FAT* balls?...they are so heavy now...I can feel the pressure bulding in them, oh god...my cock is still getting bigger! Stop, please! Get out of my head! So hard to think...my body feels so heavy...so big...please (*DON'T*) stop..."**

She stroke her growing dick first a bit hesitant but got faster and faster.

**"God forgive me, I have to...just a few strokes...just to stop the pain...relieve some of the pressure...My arms! my legs! \*huff huff\*... Everything is so *MASSIVE*...*OH YES STOMPING, DESTROYING EVERYTHING ... feels so good...SO FUCKING GOOD!*"**

This lead to more growth and her feet burst out of the shoes. Her legs became gigantic, muscular tree trunks with even more massive feet underneath them.

**"The voices...I cannot resist them...my willpower is draining...soon I will be nothing more than a slaving beast..., part of me wants to so badly! *YES! YES! MORE....I CAN FEEL MY BALLS STILL GROWING....LOOK AT MY COCK. MY CUM NUTS ARE PAST MY KNEES NOW...I AM SO HUNG, SO FUCKING HARD...IT FEELS SO MUCH BETTER NOW...JUST A FEW MORE STROKES...MY BODY FEELS SO POWERFUL!*"**

The mind degenerated faster and faster, while the void pumped the fallen heroine up with the unholy seed.

**" *SO FUCKING BIG AND HARD...I WANT TO FUCK SOMEONE SO BADLY WITH MY HUGE DICK!*No...no...this is not right...please make this stop!\*huff\* I do not want to be a *BEAST!* I am a woman!! Oh god, I can feel *IT COMING!*"**

The only thing Soviet Superwoman wanted to do is masturbate, pumping, and cover everything with her sticky jizz. Then it started.

**" OH....YES....SO GOOD...my mind is leaving me...I'm drooling\* glub\*...it feels so good...it is too late now...YES! MAKE ME A TOWERING, HORNY BEAST!"**

Precum dripped out and brought the last barrier in our heroine's head crumbling down.

**"I loose myself...oh god...\*pant\*YEEEEEEES! HERE I CUUM!!  
\*YAAARGH\*"**

The wild beast panted heavy, and the massive dong twitched excessively. With a roar, the monster blasted her load like a firehose across the street.

**" UUUUURGH! SO BIG AND HEAVY...YES!  
TAKE MY NUT JUICE. HUMANS!"**

The stench of the gluelike cum pleased the former hero and drove her to another growth spurt. She took a deep breath, inhaling the smell, then growing a bit.

**" HA,\*SNIFF\* THE STENCH OF MY SPERM IS  
SO GOOD, MAKES ME CUM EVEN MORE!  
MOOOORE!ROAR!"**

With every gasp, her face deformed to a freakish monstrous head, with long teeth, a massive tongue, and inhuman bone-structure.

**" I WAS SO WEAK, NEVER AGAIN! \*PANT\*  
BIGGER, FUCKING BIIIIIGGEEER!!!! I  
WILL CONQUER THE WORLD WITH MY HUGE  
TITS AND FAT DICK!"**

She repeated the procedure several times until she was taller than the bridge before her. After minutes of cumming and transforming, the street was fully covered in this unholy and viscose sea of sperm, covering the monster's feet.

**" AHHH, SOAKING THE STREET WITH MY  
SEED FEELS SO GREAT, WOULD BE NICE TO  
DROWN SOMEONE IN MY LOAD,  
THOUGH...HEHEHE!"**

**" Finally, you see my site of view, everyone is here to serve  
you, but you had to kill me to learn it! Yeah, it was me,  
Ilsa, who lead you on this path, and you must admit, you look  
great! "**

Pleased with the mayhem she created, the beast laughed. Her plan will be so delicious,

drowning the little humans in her beautiful semen.

***" MHHH, I HAVE AN IDEA,... UHHH I GET SOOO  
HARD AGAIN ...BRAHAHA!"***

That thought alone aroused her again, quick to the city!
