I-I hope you don't mind
an older woman like me.
I'll... be in your care.

In one of East City's most popular bars.

When I told Bulma that I was feeling pent up from not getting any for the past seven years, the last thing I expected her to do was dress me up and tell me to hit up the clubs in town for some "young man meat".

Oh... why did I think I could do this?

Sure, she meant well. But I've only ever been with Goku my whole life and have never had the chance to date any other guys. After being here for the last few hours, none of the guys who've hit on me have come close to peaking my interest.

Chink!

Fidget!

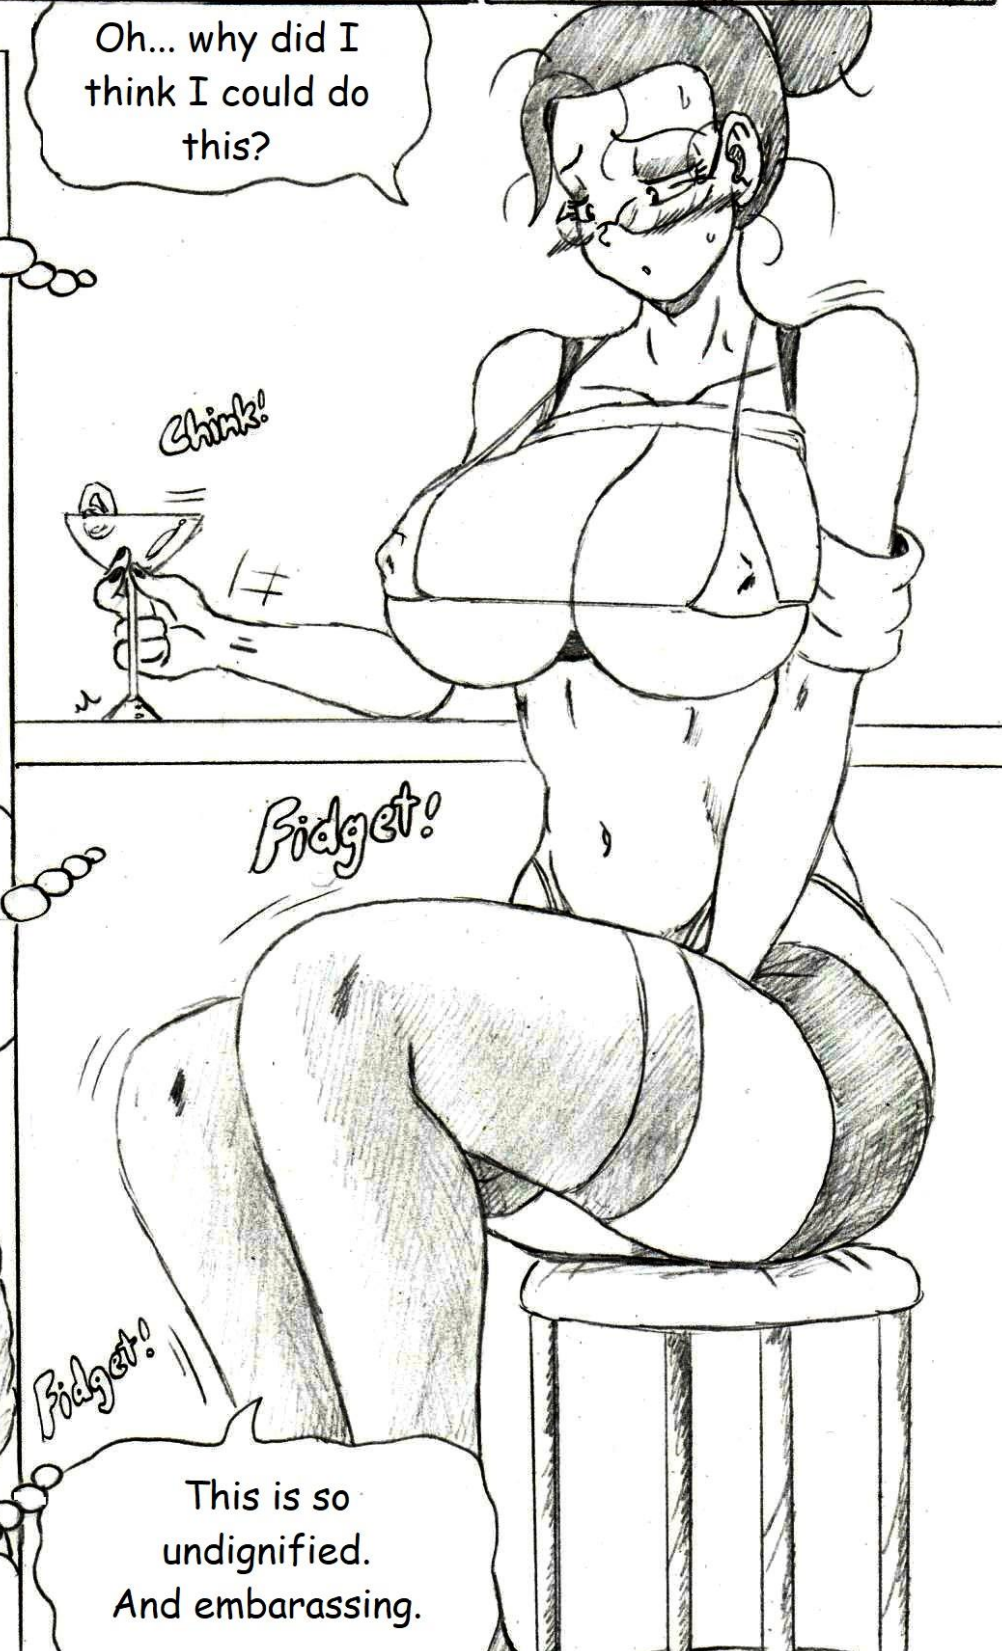

LOVE HOTEL

N-No thanks

Fidget!

Stupid Goku. Why did you have to leave me all alone and frustrated?

This is so undignified. And embarassing.

Ah... still...

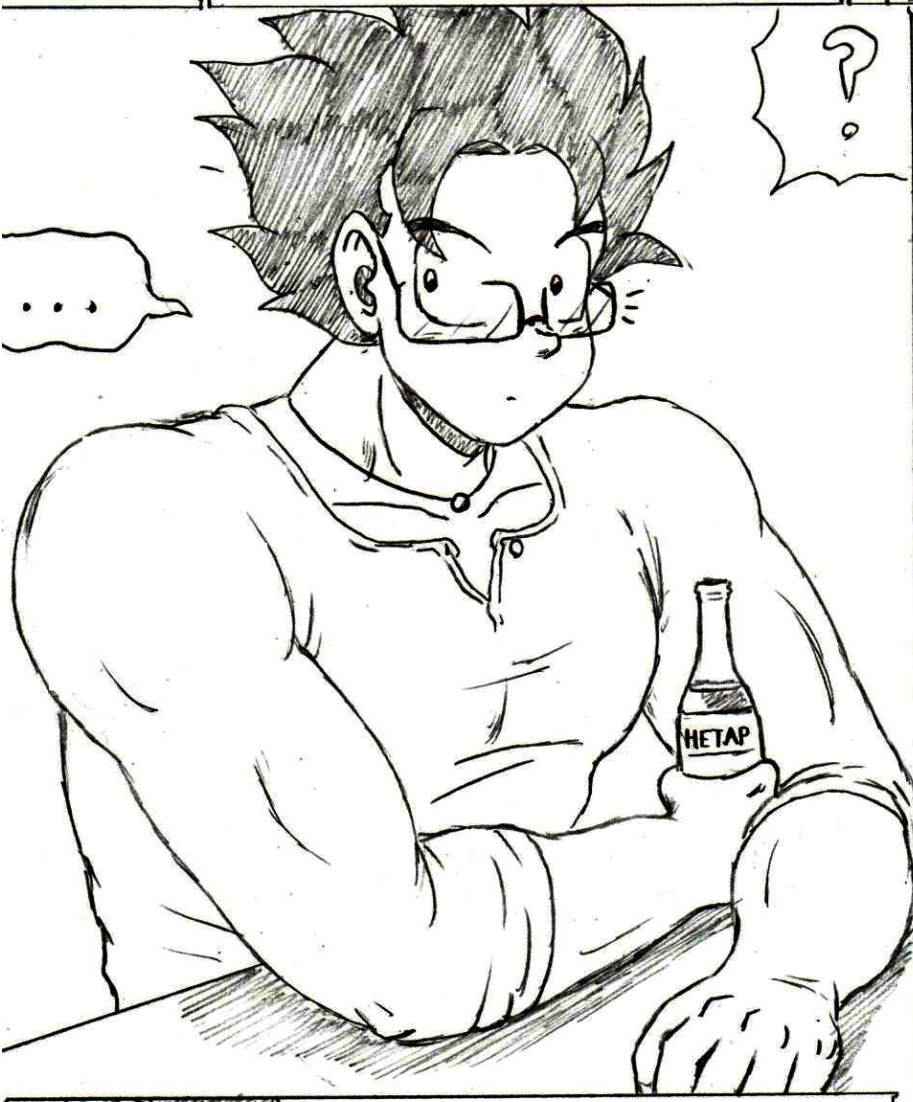

I mean, okay, no one will possibly recognize me in this... and yes, girls who got it like to flaunt it from time to time. But come on!

Still... what was Bulma thinking? This outfit is so skimpy and barely covers anything! It's outrageous!

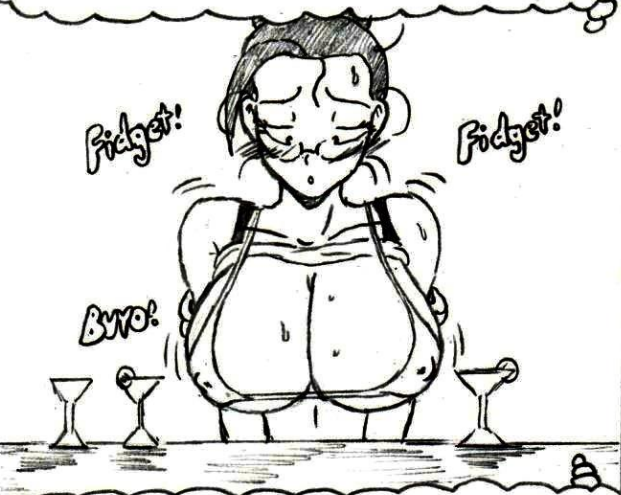

Being seen like this in public is really turning me on.

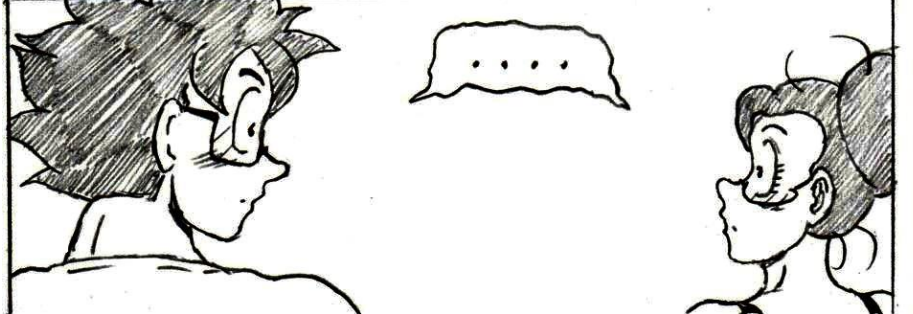

This ensemble makes me look like some cheap hooker!

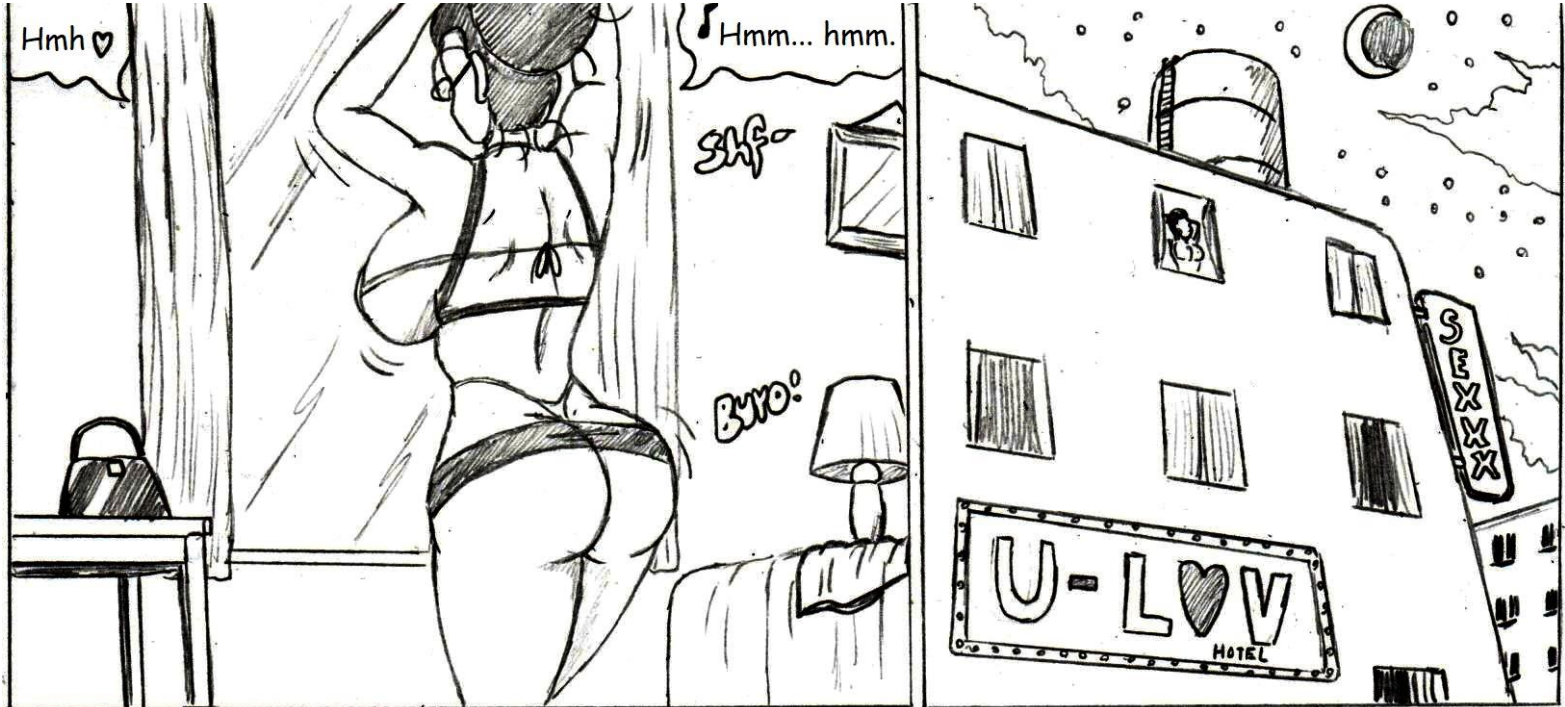

Ah. I can't take it anymore. I... I need a dick inside me... and soon. If I can't pick up a boy at this club...

I'll just go home and masturbate for the rest of the night. Ah... yeah...

Hmh ♡

Hmm... hmm.

SHF-

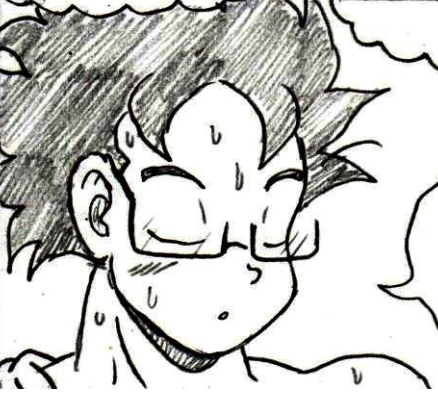

BYO!

Since I've been so busy studying my butt off this past week, I'm happy that Sharpener was able to get me to put the books down and take the time to show me how to restyle my hair and change my look, so that no one from school would recognize me out and about.

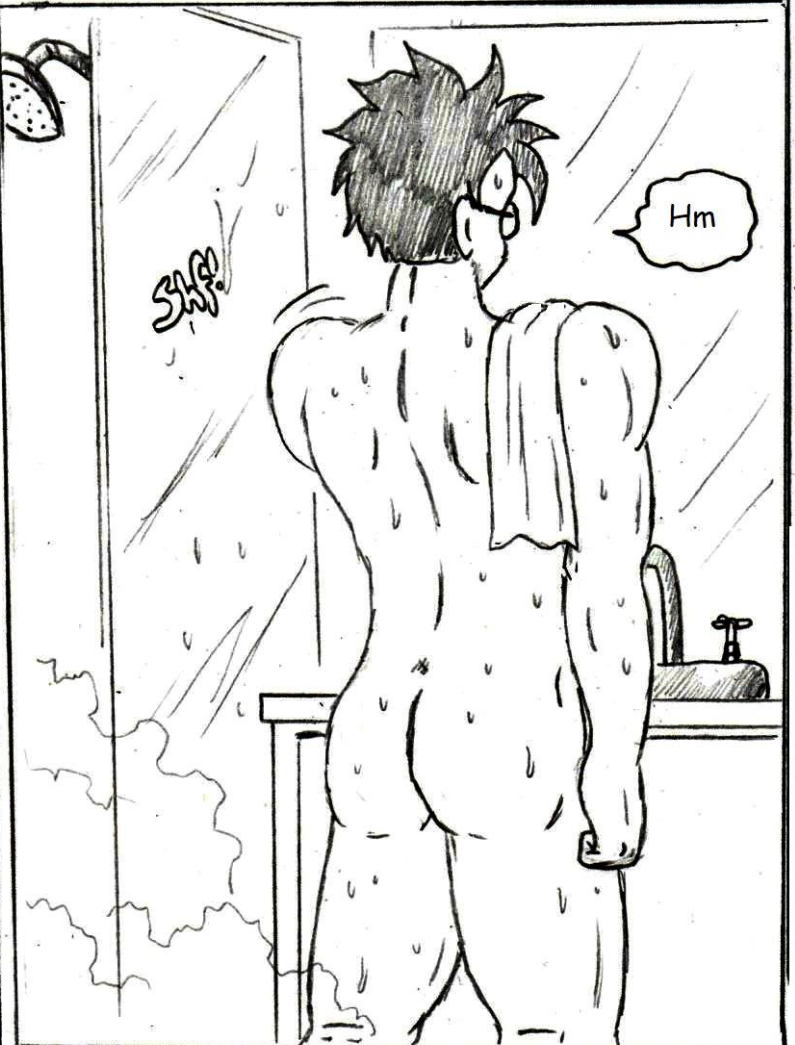

Wouldn't want any complicated rumors of me going out to town and socializing spreading around campus.

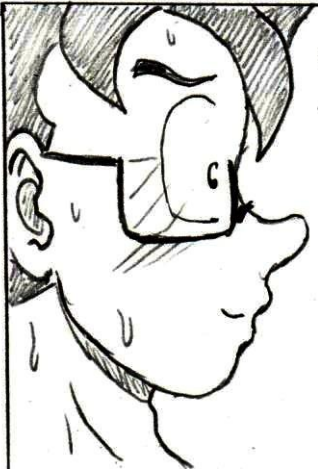

I thought I'd strike out my first time, but I ran into a heck of a girl right off the bat. She's so mature, pretty, and has a great sense of humor. Now we're here at this hotel... and she wants to sleep with me. Heh... Never imagined.

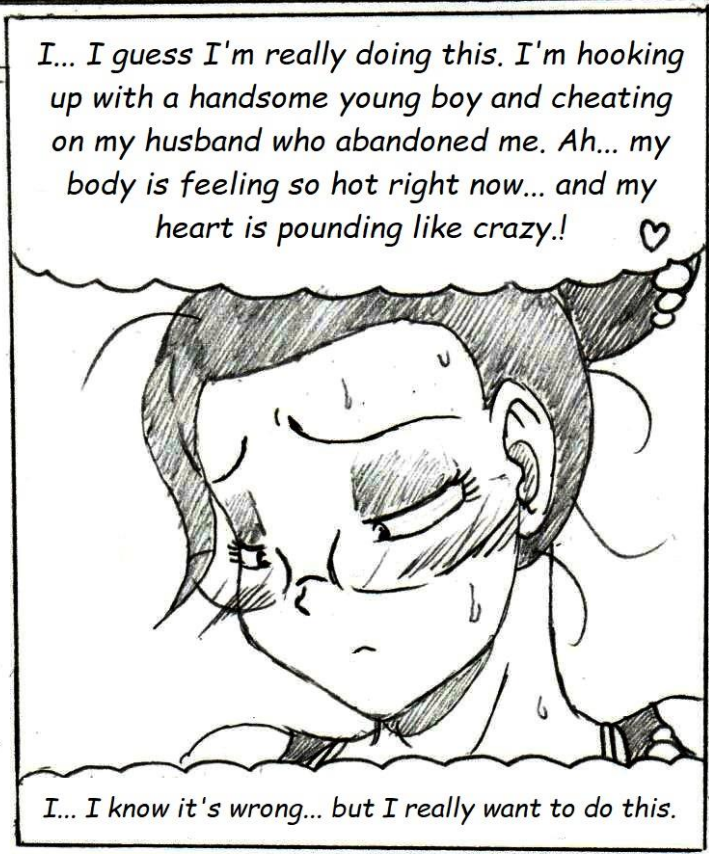

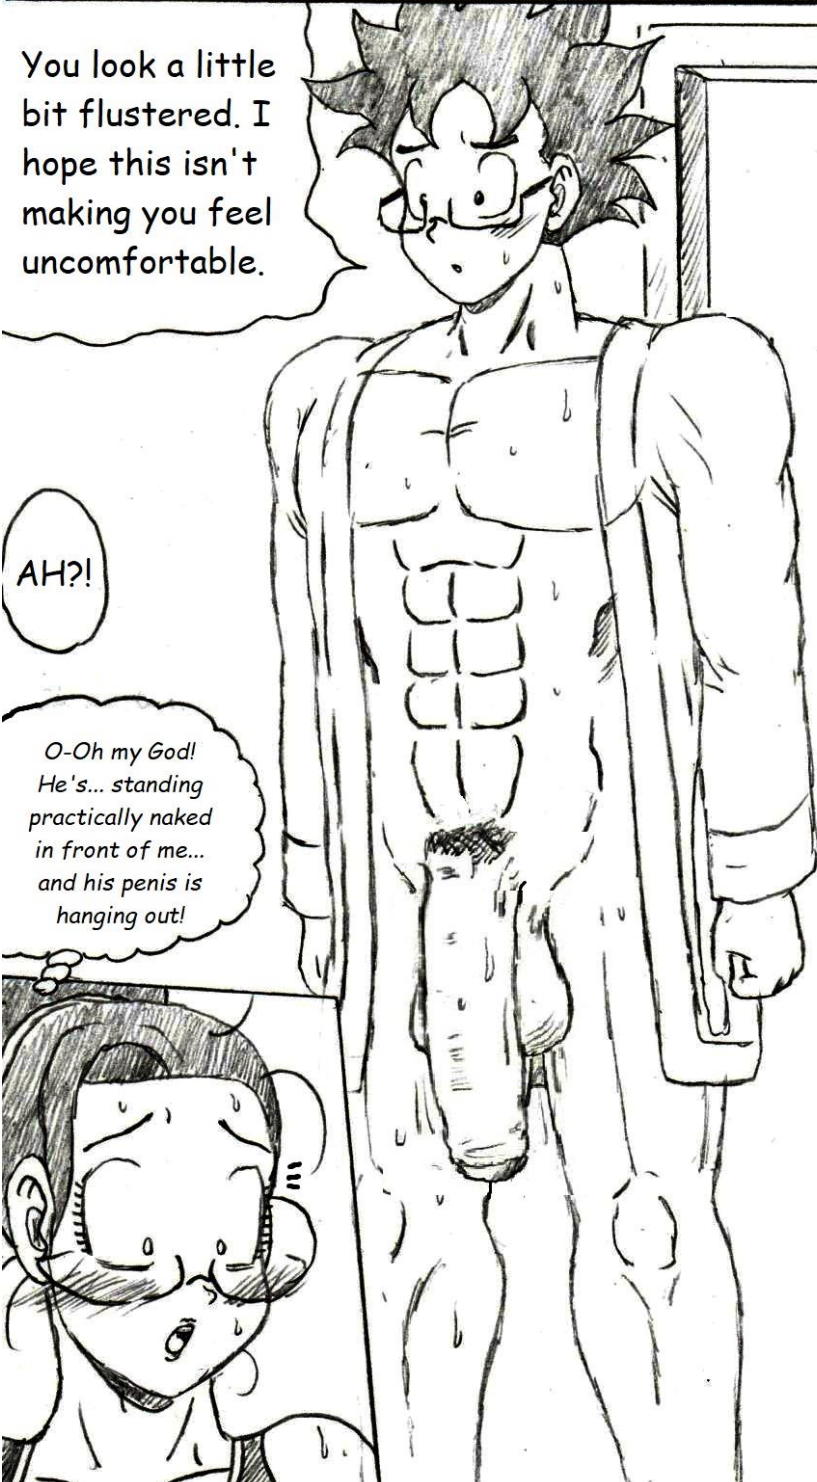

Alright, Gohan. Be brave. You've got this.

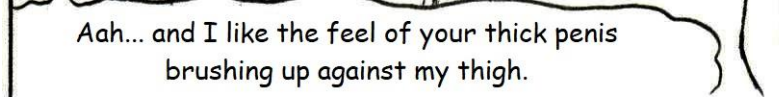

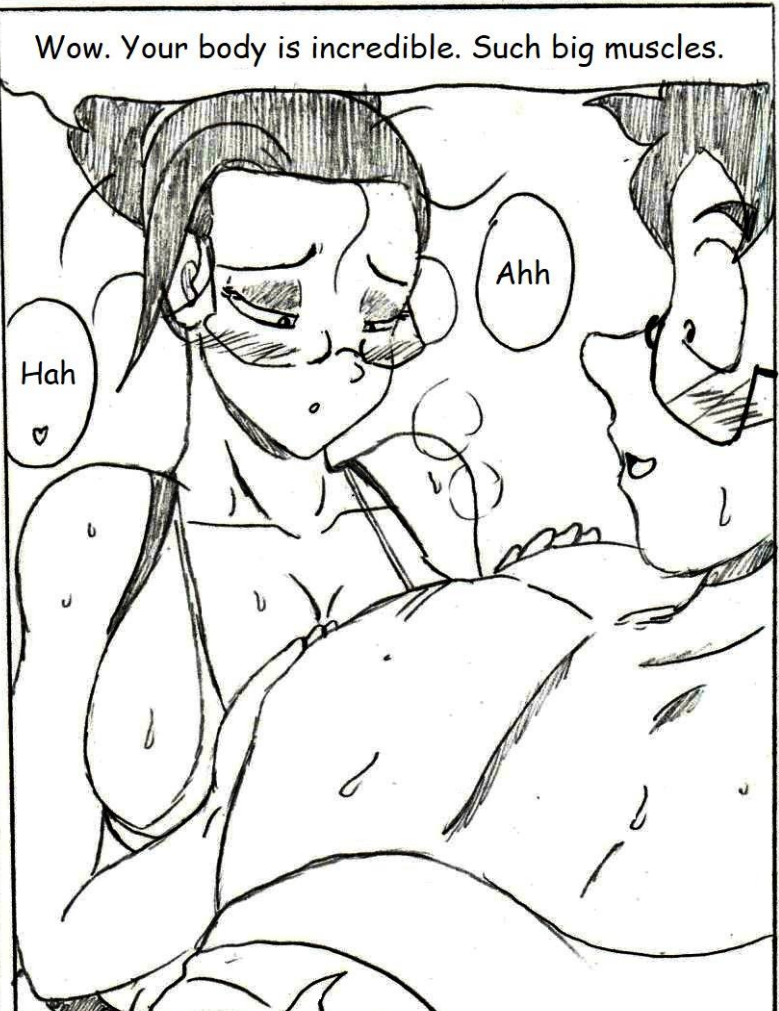

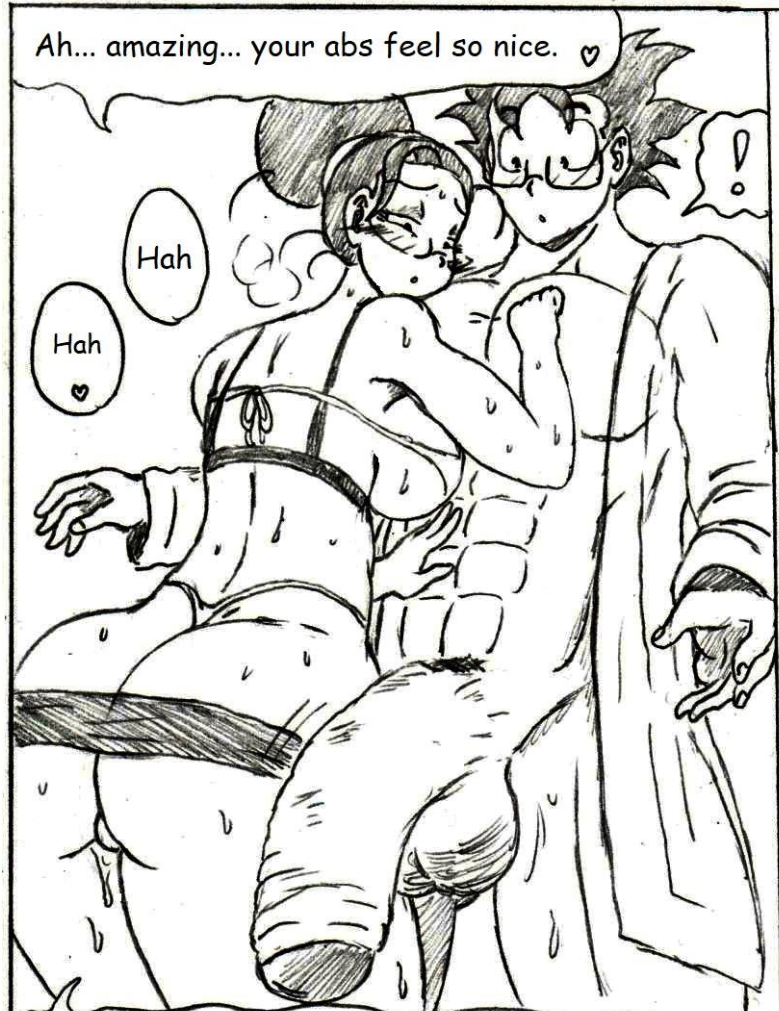

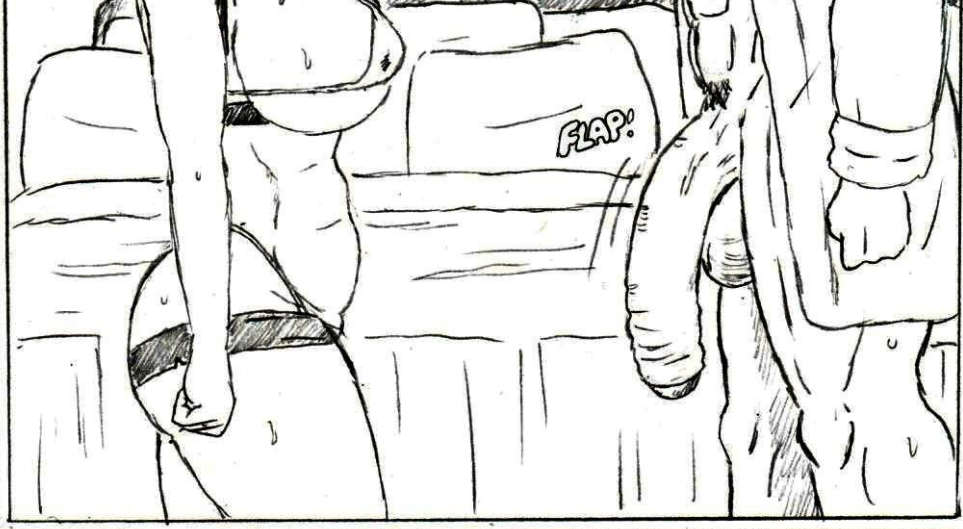

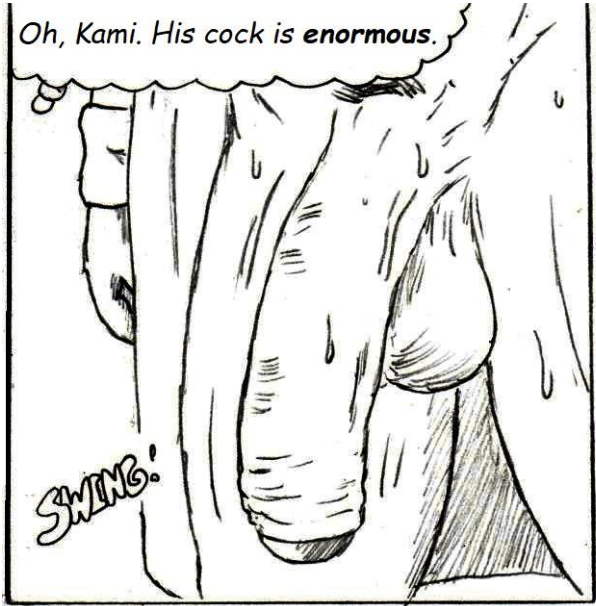

Hm

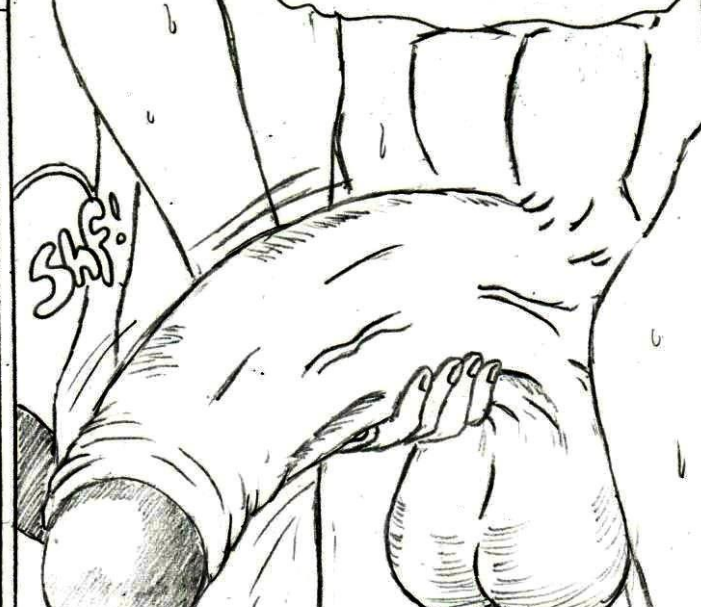

Wow. I can't believe I managed to pick up a girl so easily my first night out. She may be older than me, but she's really beautiful and totally my type. Guess I don't suck at this after all.

How do you hide such a huge thing? ♡

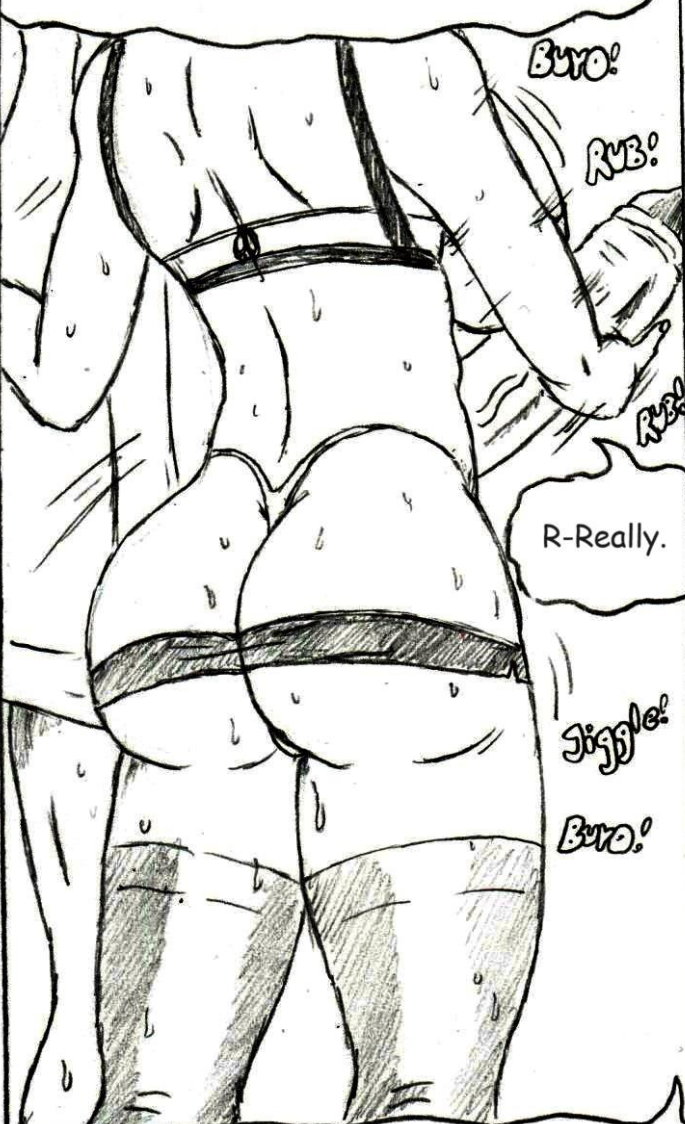

Wow... so heavy. ♡

Well... aah... I wear special boxers made by a friend.

Y-You have a really nice body, miss.

Ah... it's incredible. I bet you can please a lot of girls with this dick. ♡

Okay. We'll keep this a secret. For both of us.

Well? ♡

I'm not a young lady anymore... so you might be a bit disappointed.
