

**NMM gold
trim
Step-by-step**

Paints required:

NMM gold

- Rhinox hide
- Mournfang brown
- Averland sunset
- Ivory (Vallejo mc)
- White
- Abaddon black

**Basecoat the trim
with rhinox hide.**

We now start glazing in the light reflections with a 1:1 mix of rhinox hide & mournfang brown – add 3-4 parts of water. I have added a video reference for how i locate light reflections & glaze.

We now move towards the middle of the light reflections with pure mournfang brown.

We now move further towards the middle of the light reflections with a 1:1 mix of mournfang brown & averland sunset.

We now glaze the very middle of the light reflections with averland sunset.

We once again glaze the very middle of the light reflections with a 1:1 mix of ivory & averland sunset.

We now glaze or leave a couple of dots of pure white further towards the middle, of the previous step.

We now shade the areas still covered in the basecoat with thinned down abaddon black – add 3-4 parts of water.

We now edge highlight all the edges on the trim with pure averland sunset – add 1-2 parts of water.

We now highlight all the nails with pure white – Done!
