Once upon a Time, in a far off land there was a good Queen who only had one selfish wish...
To be blessed with a baby girl.
As the seasons passed, she bore no children...

AS THESE WINTER DAYS TAKE HOLD MY HEART WILL GROW WARM WITH ONE WISH...

HOW I LONG TO HAVE A DAUGHTER... TO RAISE A PRINCESS & DRESS HER THE FINEST MOST FEMININE CLOTHING...

...BUT THESE DREAMS REQUIRE A SACRIFICE...

HEAR ME NOW... POWERS THAT BE--- WITH A LITTLE PRICK I WISH TO HAVE A DAUGHTER THAT HAS HAIR AS BLACK AS EBONY.

NOT LIKE THE KING'S LIL' PRICK EVER PUT A BUN IN MY OVEN!

OUCH!

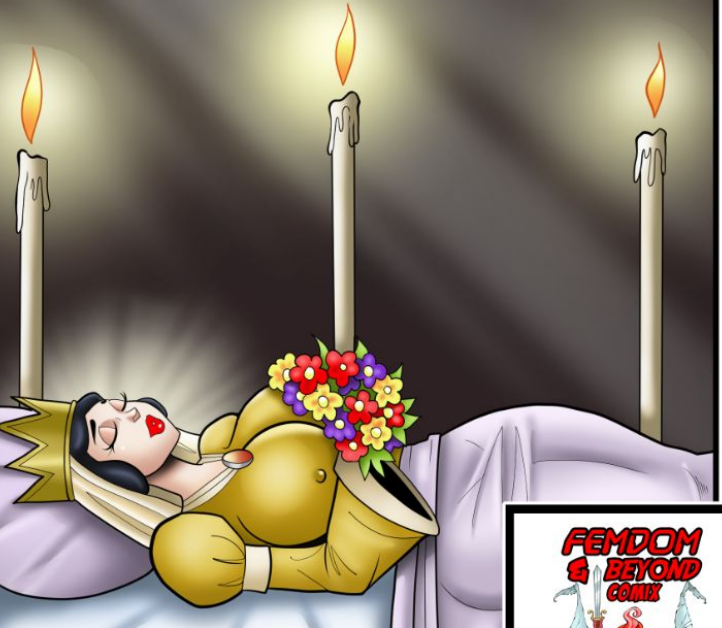

...WITH LIPS AS RED AS BLOOD!

...AND WITH SKIN AS WHITE AS SNOW!

But fate had other plans...

A BOY?!

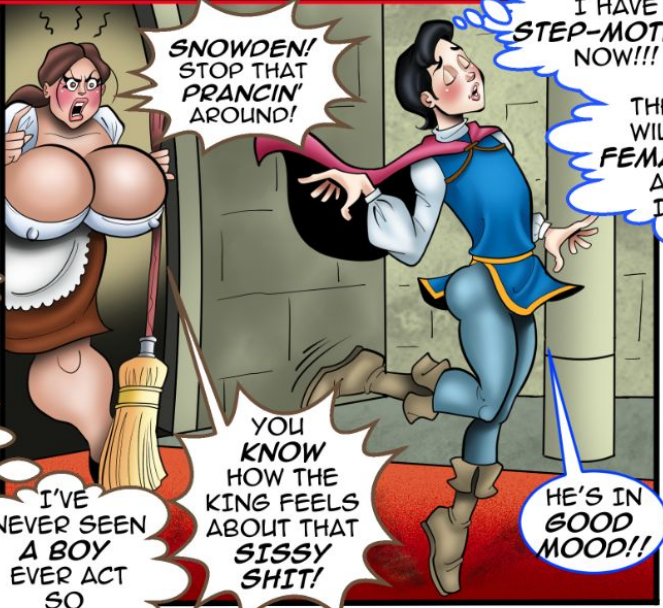

WTF?!

In a short time, Fate took more than a blood sacrifice as it's offering...

Eighteen years passed and the kingdom was graced with a it's own fairy prince...

SNOWDEN! STOP THAT PRANCIN' AROUND!
