THANK YOU FOR PURCHASING!

Hello! This is kimakkun.

This is the first time I've made an art pack in which I'm the one doing most of the illustrations. Six bachelors are quite a lot and I tried my best to spread them quite evenly and a little bit interestingly. I hope you like it!

My favorite bachelor is Shane, but I'm not the marrying type haha. He's my No. 1 boyfriend (amongst my other boyfriends lol). I hope you'll love Shane nevertheless in your runs, whether as lover or a friend.

Thank you for the guest artists participating in this pack! I hope you will give them love too!
