

INT. DORM - NIGHT

Deku stands staring out the window of his room.

Uraraka enters the room.

URARAKA

Sorry.

DEKU

No, it's alright.

URARAKA

Just thought I'd check on you.

DEKU

Don't worry. I'm not going anywhere, I promise.

URARAKA

Good. Then, you won't mind if I spend the night, right?

DEKU

That doesn't sound like a good idea. The others might get the wrong idea. Not that I mind you being here, that is.

Uraraka smiles.

URARAKA

You should get some sleep.

DEKU

I wish I could, but I'm still a bit on edge.

URARAKA

How about I help you relax?

CUT TO:

Uraraka's giving Deku a blow job.

Deku busts.

URARAKA

Feel relaxed yet.

Deku shields his face with his hand as he averts his eyes

from Uraraka.

DEKU
I don't think so.

CUT TO:

Deku and Uraraka are in missionary.

Deku slides into her.

DEKU
Are you alright?

URARAKA
I'm fine.

Deku starts thrusting.

His thrusting becomes more intense.

DEKU
Uraraka, I'm gonna. . . I have to pull
out.

Uraraka wraps her legs around his waist.

URARAKA
It's okay. Do it inside.

Deku finishes inside Uraraka.

They're both catching their breath.

CUT TO:

Uraraka is riding Deku in cowgirl.

She leans down on his chest.

They both start floating, neither of them caring about it.

Uraraka wraps her arms and legs around him as her hips'
movements become desperate.

They finish and fall back down to the bed.

URARAKA
Sorry, I got caught up in the moment
and lost control.

She looks up at Deku, who is passed out and snoring.

URARAKA (V.O.)

Well, at least he's sleeping now.

She closes her eyes and rests her head on his chest.

URARAKA

I love you, Deku.

Deku speaks with a tired, sleepy voice.

DEKU

I love you, too.
