

# Heaven and Hell

## Chapter 1

Lisa: Well, I guess he's not coming... Maybe I can relax a little bit and take a nap before Alice comes back from her part-time job.

Nathan: No! Lisa! I'm down here! Can't' you hear me? (Oh boy, I have to hold on to something!)

Lisa: Why didn't he text me? He should've told me if he's not making it...

Nathan: Lisa please stop! I can't hold on for much longer! (Fuck! Somehow I managed to get between her toes. I have to grab on to something or I'm gonna get squished in here. Her toes are fucking massive!)

Nathan: (How can this happen? I just talked to that girl in the bar and on the next day, I wake up like this?! How is this even possible? I'm even smaller than Lisa's pinky toe. I have to grab that sandal or this could end bad! I hope she notices me when she stops walking! This is scary as hell and her toes are sweaty.)

Lisa: (Oh boy I'm so tired. Maybe it's not even that bad that Nathan didn't show up. My feet are hurting so much from walking around at the campus. I think a little rest would be nice. Let's get those sandals off first and give my soles some fresh air.)

Nathan: Lisa! Can't you see me? I'm hanging on your shoe! Please don't drop it. (Holy hell! This is so scary. If she drops me, I'm not sure if I make it. This can't be happening! She's just so goddamn

Lisa: (Ahh this feels so good, taking off those sweaty sandals. It's been so hot lately and the air conditioner isn't working properly.)

Nathan: (Omg, this is crazy. I'm so far away from the ground. I have to prepare for a hard landing. Maybe I can reduce the impact when I try to land on this soft surface of this sandal. It's a little bit moist from her toes and smells pretty strong.)

Lisa: (Ohh, I can't wait to lay down and get some rest.)

Nathan: (Ohh No! Here it comes! I have to hold on, no matter what. This is gonna be painful... for a brief moment I thought she looked me directly in the eyes. But I guess that was just my imagination. Well, talking about imagining things: I never ever thought I would be clinging to the sandals of my girlfriend, holding on to my life.)

Nathan somehow survived the fall, while clinging to Lisa's shoe. Meanwhile Lisa is taking off her other sandal to take a little rest in her bed.

Lisa: (Let's take off the other one too. Ahh so fresh <3)

Nathan: (What just happened? I feel so dizzy... did I fall...? Everything is.. so... blurred, black...? I think.... I... gonn...a... pass ou....)

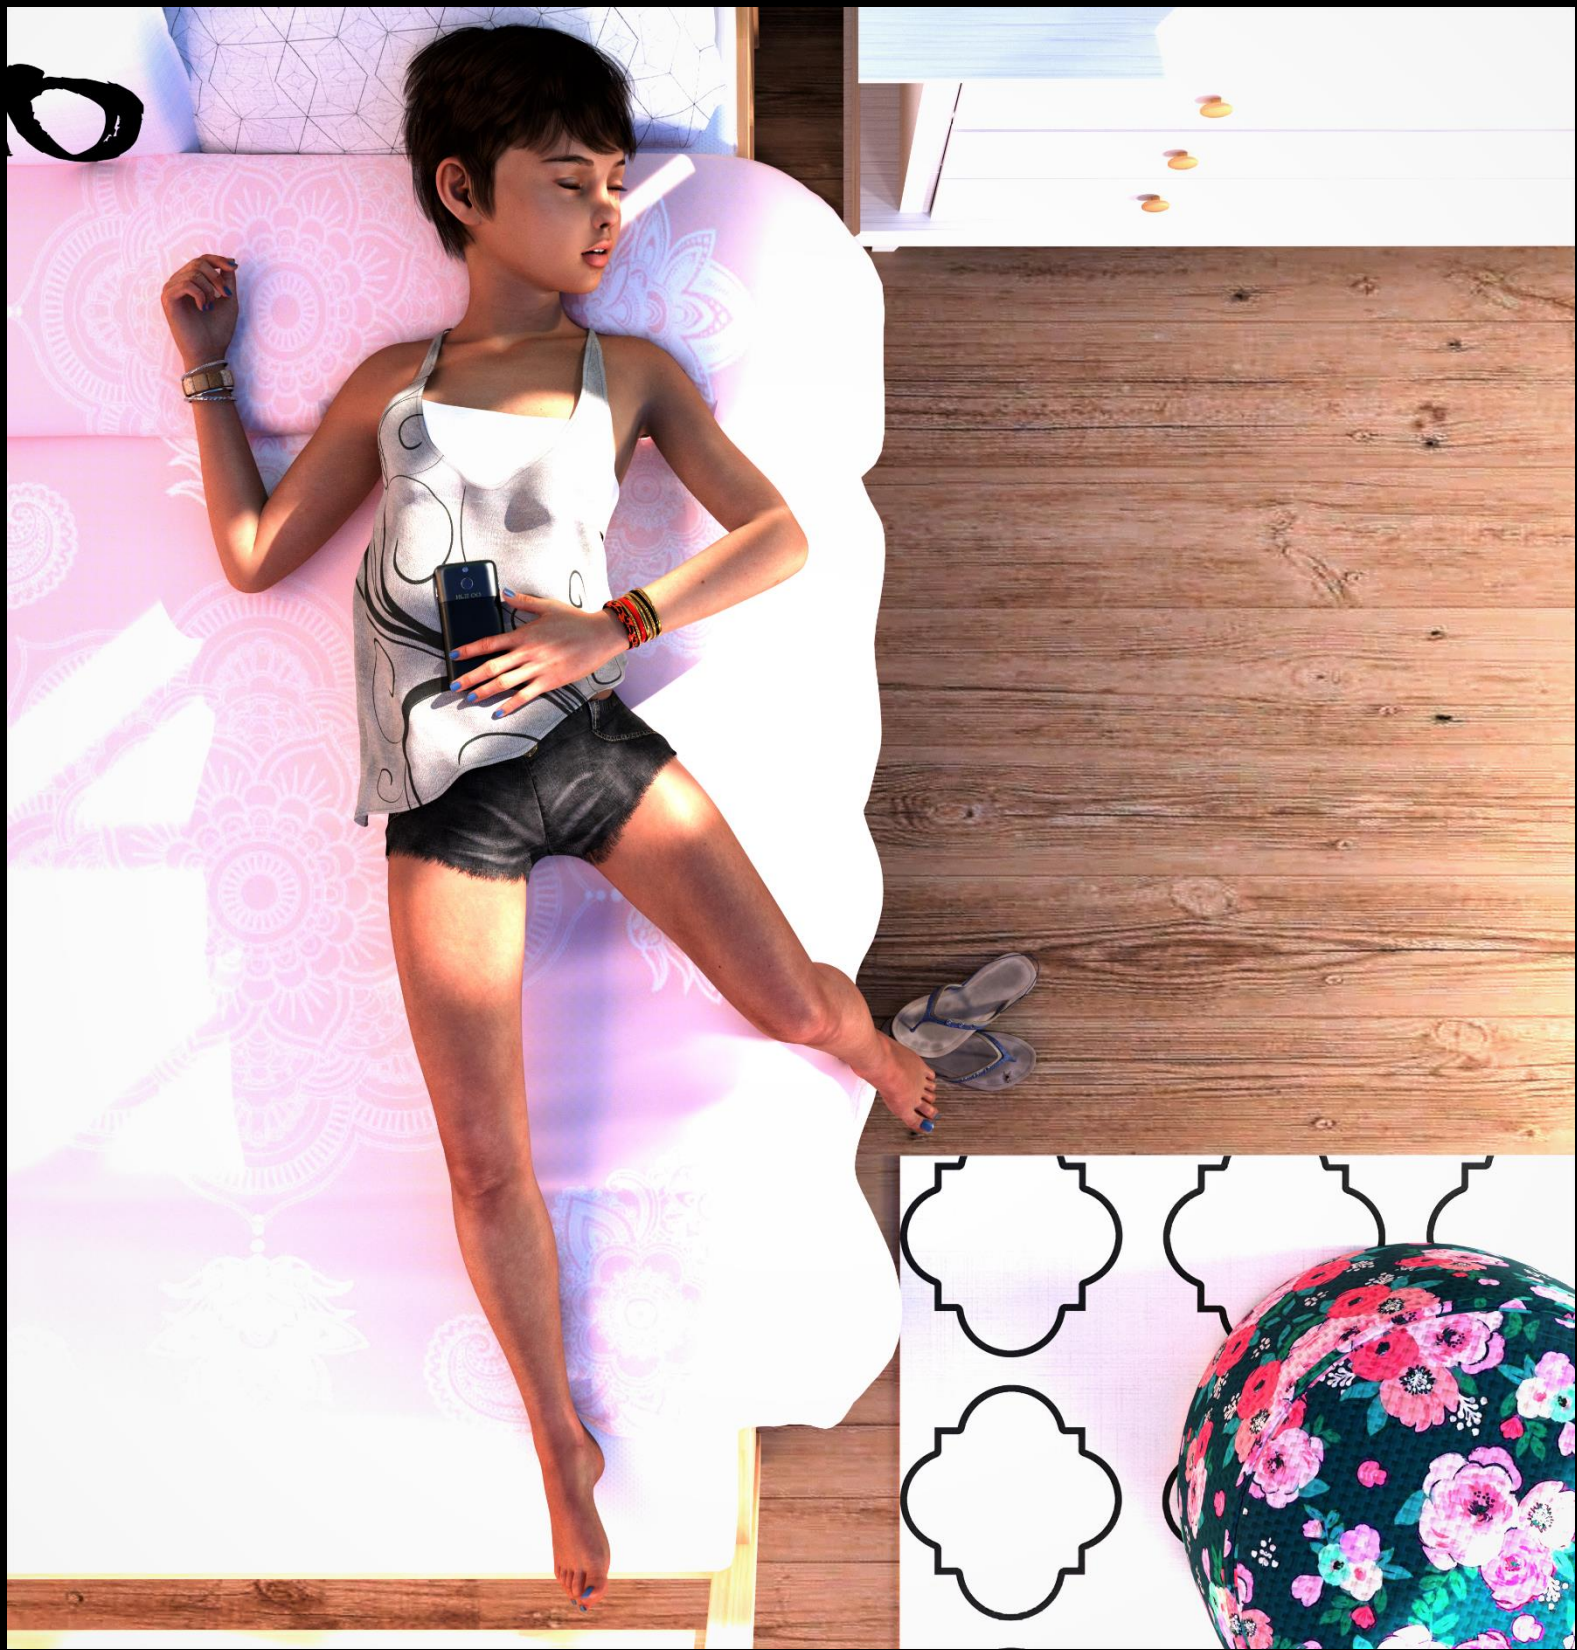

Lisa laid down on her bed and checked her smartphone, unaware about her boyfriend lying unconscious on her sandals.

Lisa: (Ah this feels so good! Getting off those shoes and feel the fresh air. I wonder when Alice will come back. I'm sure she's gonna get angry about Nathan... She never really liked him anyway.)

After some time, Lisa just feel asleep. Right next to her foot, Nathan was still lying on her sandal.

After Nathan gained back his consciousness he thought about, how he could get up there to get Lisa's attention. The sandals were piled up so maybe he could use them to make a jump for the blanket that was hanging down. Looking up he could see Lisa's left foot looming over him. He had no other choice but to try it.

After Nathan reached the top of the blanket, he stood right in front of Lisa's massive foot. It was towering above him like a skyscraper. He could smell a slight sweaty smell and felt the warmth of her body. He wanted to wake her up but in order to do so, he first needs to climb...

Nathan: (Wow her foot is gigantic! Its kind of looks fascinating from this up close but one sudden movement and she could easily crush me, even with just her pinky toe. Better wake her up, before this scary thought becomes reality... I have to reach her face somehow. Well let's just take the middle lane!)

Nathan could feel Lisa's subtle breathing while he made his way to her chest. At his size, walking on her body felt like climbing on a mountain.

Nathan carefully climbed down between her breasts. He could hear Lisa's subtle breathing and felt her skin moving under his feet.

Nathan: (She looks so peaceful when she's asleep. I have to reach her face and get her attention! I'm almost there... just a little bit more)

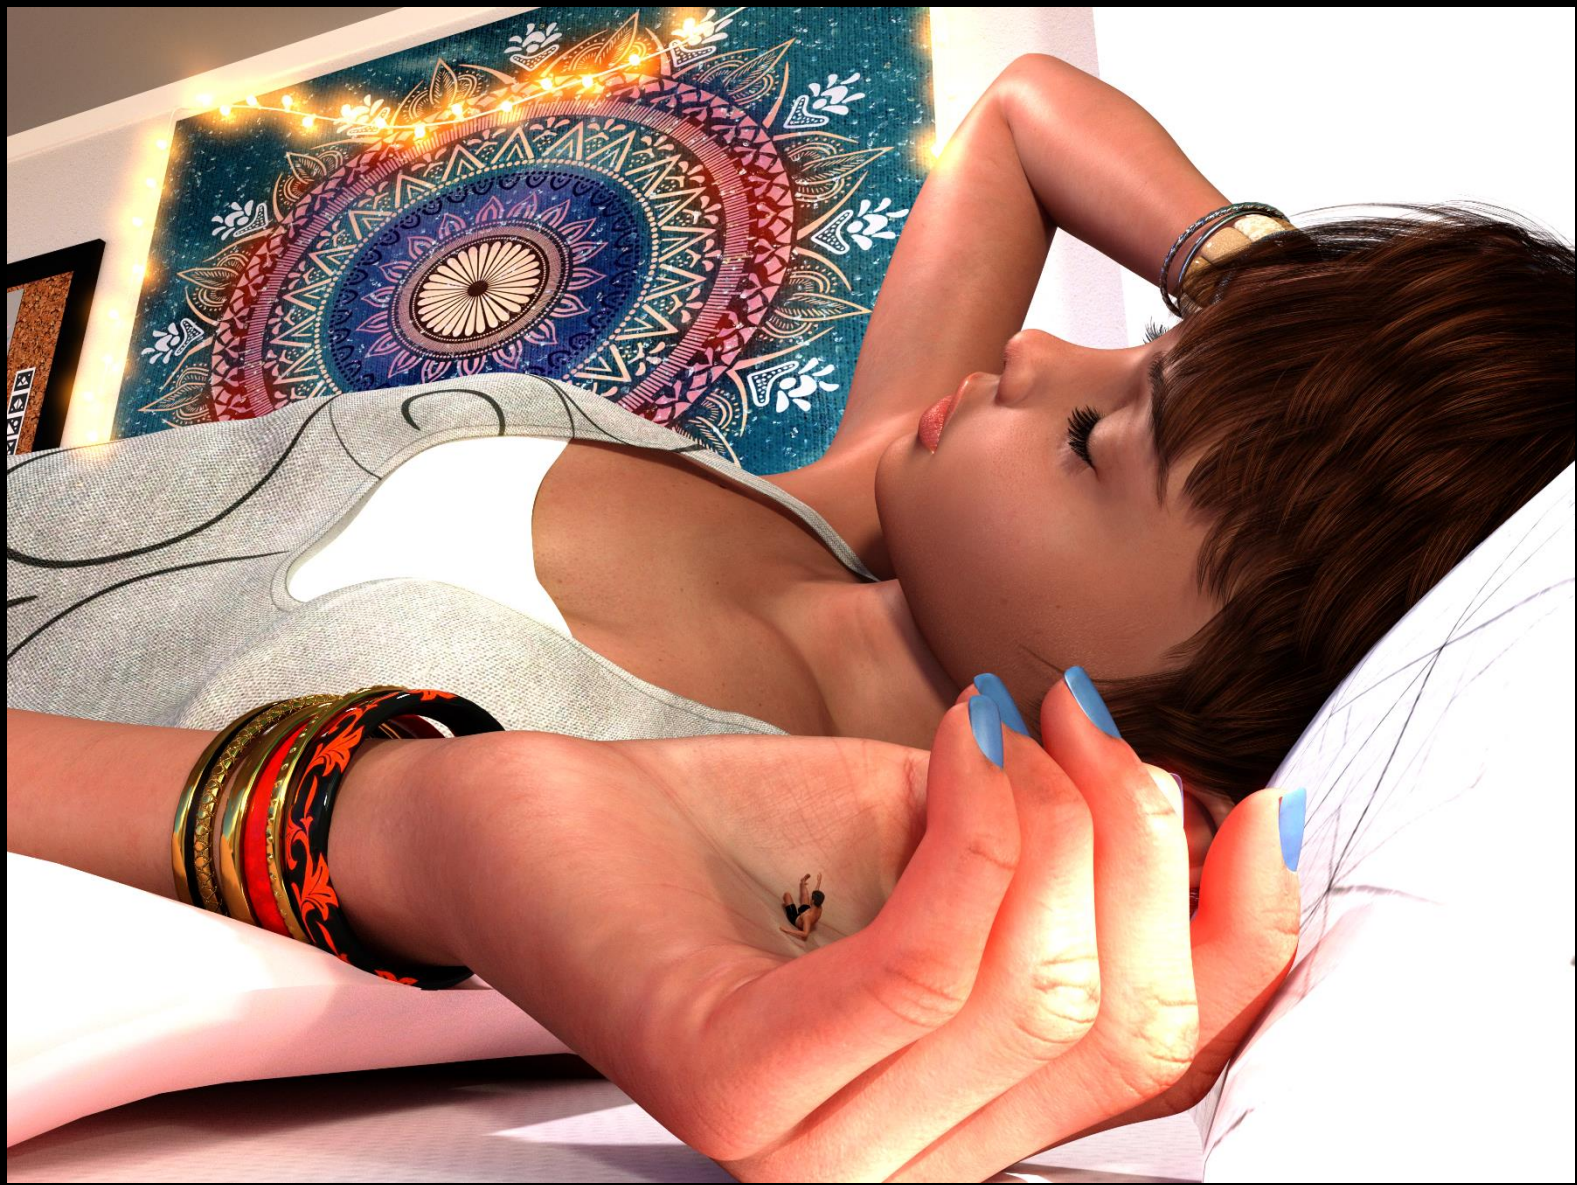

Finally, Nathan reached Lisa's Face. He thought getting her attention by touching the lips would be the best idea... but also the most dangerous. While he was pressing down her soft and moist lips, he could feel her breath coming out of her nostrils. It felt like holding a hair dryer against your face.

Nathan: (Boy it's hot here. Must be her breath. Her lips feel so soft. I can smell her cherry lipstick. It's a little bit sticky like some kind of moisturizer. I could easily slip here and fall into her mouth. Not a good idea....)

Luckily for Nathan, he landed in Lisa's palm when she tried to roll over. Her hand was a little bit sweaty and warm. Her fingers were towering above him. The thought of her massive hand, suddenly closing, gave Nathan some serious goosebumps...

Nathan: (I feel dizzy. That was scary as hell. Just out of a sudden, she turned around and I lost balance. Thank god I didn't fell into her mouth. That would have been the end. Actually, palm is kinda comfy... wouldn't mind relaxing here for a while if this were dream. But this right now is fucking reality and I have to get big again as soon as possible! I think her smartphone fell down. Maybe I could...)

Nathan crawled out of Lisa's hand, who was already asleep again. Making his way to her right leg, where he could possibly climb down to get to her smartphone. Climbing on his girlfriend seemed to be slowly becoming routine...

Nathan: (Alright, If I manage to slide down her leg until I reach her toes, I could try to make the jump, as long as I land on one of her sandals. Maybe I can set an alarm on her phone, so she wakes up and sees me down here. Just gotta be careful not to get stepped on)

Slowly and cautiously, Nathan climbed down Lisa's leg. When he reached her foot, he could feel and smell the moisture of her toes. The sun was shining on them for a long time, so they were especially sweaty and slippery!

Nathan: (I'm almost there. Just a little bit more until I reach her big toe. From here I can risk the jump. It should be alright, if I manage to land on her sandal. Whoa... It's still so high from here. Come on Nathan you can do it!)

Nathan finally reached the floor and ran to Lisa's smartphone that was lying upside down on the ground. He tried to lift it up but it was so heavy. Suddenly he heard banging noises in the distance. He didn't really know where they came from... as the noises came closer, he looked up and saw Lisa's roommate open the door. Alice...

Nathan: (Shit, it's Alice! Lisa's roommate... and she totally hates my guts. She's a sadistic bitch that always tells Lisa to do mean things and of course she wants her to break up with me! I have to get out of here. If she sees me like this, I'm dead! She would probably play some crazy games with me or would try to satisfy her crazy fantasies... Alice is really the worst thing right now that could happen to me...)

When Alice entered the room, she saw Lisa sleeping on her bed. She approached her slowly and gently reached for her leg. Meanwhile Nathan managed to hide behind Lisa's dresser. He watched with fear, as Alice stomped through the room. Alice means trouble...

Alice: (Wha...Lisa? Why is she here? I thought she wanted to go out with Nathan. I really could use some private time right now. Just me and my videogames...Haaa Heaven!  
My boss is such an asshole, treating me like shit. What the hell is he thinking? This is just a fucking part-time job! I'd totally kill that motherfucker if I could... Well anyway, I want to know why Lisa is here. I'm sure Nathan did something mean. He doesn't deserve her! I always tell her that but she never listens!)

Nathan: (Oh man that was close! Holy fuck she's so huge. Why did she have to come back NOW? I was so close to waking Lisa up. Ok I just have to make Lisa see me when she wakes up. It doesn't matter if Alice sees me too...)

When Lisa woke up and moved her feet down to the floor, Nathan started to run towards her phone. She couldn't hear his screams so Nathan tried to get closer but he had to be careful not to get squished by her feet.

Meanwhile Alice sat down on her bed and talked to Lisa.

Alice: Hey what's up? Why are you here? I thought you were going out with Nathan. He didn't ditch you, did he?

Lisa: Well I guess he did... He didn't even call me! Why would he do that? It even was his idea to go to the cinema.

Alice: I told you he's an unreliable ass! Why do you even like this guy...?

Lisa: Come on Alice, he's not that bad. He really can be sweet sometimes. I really like him.

Alice: Whatever...

Nathan: LISA!! I'm down here! Please! Right next to your feet! (I have to be careful. If she makes any sudden movements I'm done for! Better get a little bit closer but from the right angle!)

Nathan ran around Lisa's feet as she was slowly moving out of her bed. He came to a halt when he watched Lisa's gigantic hand reaching for her phone. As she picked it up with ease, Alice's and Nathans eyes met...

Lisa: Oh, come on Alice, how often did I tell you to take off your shoes when you come in? Look how dirty your sneakers are, and now you're even sitting with them in your bed? Are you serious? I can't even imagine the smell...

Alice: Haha yeah... I'm sorry you're right. They do smell really bad and I was running around at work with them for hours... I'm gonna take them... Uhh...yeah sure. Sorry!

(What the hell is that? There, between Lisas feet! It looks like a bug but it's too big for that, I think. And its movement is kinda strange... Wait... it looks like... no way! That can't be true?? Is it a human...?)

Oh it stopped! It feels like it's looking right at me... What the hell is going on?? Could it be....NATHAN?? No! But how??)

Nathan trembled with fear when Alice looked right at him. Just seconds later, Lisa stood up and walked towards her cupboard. Without much think Nathan started to run after her. He was sprinting right next to her feet but kept his distance, as he could feel the ground shake when Lisa stepped on the floor. Alice was watching the whole time and now she was sure: The tiny little speck next to Lisas feet was a human and it probably was Nathan. Various thoughts were crossing her mind.

Lisa: Hey I'm going out for a bit. You wanna come too?

Alice: Ehhh...what? What did you say?

Lisa: I'm asking, if you want to go out. Alice...? Are you listening??

Alice: I...uhhh. No.. thanks. I think I'm ok. I'll stay here.

Lisa: Well alright then. I'm just gonna change my clothes.

Nathan: Lisa stop! Don't go away! Don't leave me here with her!! Please! (Oh this can't be... No no no...not Alice! How could she see me this fast? Did she stare at Alice feet? Or was it because I was standing in the sunlight? Whatever! I have to get away befor Alice can do something. She's just completley crazy!

Alice: (Ohhh what should I do?? He's way to slow to catch up with Lisa. Her foot is like a 100 times bigger than him! Maybe I could....

Alice stared at the tiny little man running for his life, but she was elsewhere with her thoughts....

Alice: (He's completely helpless.... He can't do anything.... I could totally take advantage of him. He is an asshole...he deserves this...my punishment. I never liked him and now I can do with him what I want. He's gonna be my toy for the rest of his life! How long that may be... This will be fun...)

When Lisa walked past Nathan, who was running in panic next to her, Alice slowly stood up and kneeled down on the floor. She reached out her gigantic hand in order to pick up tiny Nathan who was running for his life...

Alice: (Haha this is so easy. It's like trying to catch an ant. He's moving so slowly. He could never run away like this...) Come here little boy. Let me get a better look on you....

Nathan: No! Stay away you fucking bitch! LISA!! Please, you have to stop her! Lisa!! (Oh my god her fingers are just huge! She was just sitting on her bed a second ago. How can she be that fast? For her it probably feels like I'm running in slow motion! This is just pathetic... I'm like an insect to her. I have to prepare for a bad time....)

Alice picked Nathan up with ease. He was so light she almost couldn't feel him between her fingers. She moved him closer to her face. She could hear him screaming into her face. Meanwhile Lisa was changing her clothes. She didn't notice that her boyfriend was right behind her in the grasp of her roommate...

Alice: (Oh look at you...you are so tiny. I could easily squish him with my fingers. I have to be really careful or the fun ends to soon...)

Nathan: Let me go you fucking monster! You are totally crazy! Let me go! (Oh my god this can't be true! Her fingers are squeezing me so tight I can't even move! I can't even imagine what she's going to do with me...)

As Alice was examining the tiny man, Lisa turned around to show Alice her outfit. She put her foot on the sitting stool, to show Alice her new pair of sandals. In fear of getting seen by her, Alice dropped Nathan in her cleavage.

Lisa: Hey Alice look at this! They are pretty, aren't they? I got them on a special summer sale in town today. Alice...you listening?

Alice: What? Ehhh oh yeah it's great....uhhmm...looks really nice on you! (Oh shit! I have to hide Nathan. Let's put him in here for a while...That was close)

Nathan: What the hell are you doing?? Noooo I'm falling! (Omg this can't be happening!)

As Lisa was all dressed up and ready to leave, Alice kneeled on the floor and wished her a nice evening. With a sweet fake smile, she watched her leaving the room. Now it was only her and Nathan, who was buried somewhere under her tank top...

Lisa: Alright, see ya later...

Alice: Bye! I wish you a pleasant evening. Don't go to wild outside sweetie... (Great! Now I can have my fun with Nathan without any further distractions!.... I can feel him moving down there. Just what is he thinking...? Oh there's so much stuff I can do with this little shit. He has no idea what's coming to him...)

Nathan: (Where am I? It's pitch black in here! I can't see anything...and it's so hot and moist. This has to be her belly! I have to get out of here! Maybe I can crawl downwards...If I would know where exactly that is...

As soon as Lisa left the room, Alice stood up to look for Nathan. He fell through her hoodie on the floor and tried to crawl away. Alice noticed the tiny body moving on the floor and reached out her hand to grab Nathan.

Alice: Oh there you are! I was worried I'd lost you little guy. Now come here! Don't be shy...we're gonna have a lot of fun...

Nathan: Get away from me you bitch! You are completely crazy! Why didn't you tell Lisa?? She's my girlfriend! She would have helped me.

Alice: Do you really think I care about that? I'm gonna use you as I like and you can't do anything about that. Just look at your pathetic size... I could squish you like a fucking bug.

Nathan: What the hell are you talking about?? I am still a human being. I'm the same Nathan as I was before!

Alice: Oh you are? We'll see about that...

Alice held Nathan directly in front of her face. With big and curious eyes, she looked at him. Nathan who was dangling upside down, just could see the ominous glare in her eyes...

Alice: Wow...you really ARE tiny. Amazing how something this small can still be in human form...

Nathan: Alice. Please...let me down...I beg you! Please be reasonable! I'm still Nathan...I can tell you what happened and then we can find a solution together and Lisa can help us! You have no right to treat me like this.

Alice: Oh! Begging already? I thought this would start a little bit later...and I don't give a fuck about what happened to you! I'm in charge now and to make sure you understand that....

Alice slowly opened her mouth and stuck out her tongue. It was moist and Nathan could feel her warm breath coming out of her mouth. She moved him closer and let him slide along her tongue. Instantly Nathan was covered with her wet and sticky saliva.

Alice: Let's give you a taste of what's to come... Ahhhhhh

Nathan: Wait! No..no no NO. What are you doing Al....

Alice: (Oh this feels so funny. I can feel his hands poking my soft tongue. He doesn't really taste special though...feels more like licking your own skin...a little bit salty.

Nathan: (What is she doing?? Ewww...her tongue is so slippery. I can't grab onto anything... Please just make it stop...please...I don't wanna die like this...)

After Alice got a good lick out of Nathan, she made herself more comfortable and sat down on the floor. She held Nathan up in the air, high above her mouth and kept dangling him around. Nathan could still feel her breath from up there. Without a warning, Alice let go of him...

Alice: Ohhh you don't taste as good as expected... Well anyway I'm not giving up yet!

Nathan: Alice! No! What are you doing? Please let me go! I'm really afraid! This is no joke!

Alice: I can't hear whatever you're saying...and I don't care! (Ohhh he looks so helpless between my fingers. Scaring him really IS a lot of fun! I wonder how he's gonna make a fall from here...

Nathan: (Oh no! What is she doing? Why is she holding me up like this? Please don't let me fall! Her mouth is like a black hole down there! Wait...Wa...Ahhhhhhh)

Nathan managed to land on her upper lip. He was struggling not to slip down into her mouth. Her lip was moist and warm and he could feel his body getting sticky by her saliva.

Nathan: (Oh thank god! I almost fell into her mouth. How can she do something like this? When I saw her for the first time, I knew she was a sadistic asshole but I never thought she would be downright crazy! I just have to hold on, no matter what!

Alice: (Haha this is kinda funny. I can feel his tiny hands on my lips. He's trying to grab my soft skin so hard! I wonder how long he can take this....

It was only a matter of time until Nathan would lose his strength and slide down into Alice's mouth.

Nathan: Please Alice, I can't hold on for much longer! I'll do everything you want from me! Just put me down!...

Alice: (Hmmm I'm getting bored....and it's starts to feel a little bit weird....like it tickles a lot! Maybe I'll try something else....)

Alice picked up her dirty sneakers, that were lying next to her. In her other hand was Nathan who tried to cling onto her thumb! He didn't want to be put in there... He could already smell the strong smell from her shoes she had used the whole day.

Alice: Ok little guy, I'm going to put on a more relaxed outfit. I've been sweating in this hoodie the whole day... Meanwhile you'll be a good boy and stay in there OK? If not, I'm gonna put those shoes on with you inside....

(Jeez, they DO really smell bad... I definitely need to take a shower soon)

Nathan: Omg Alice, the smell is horrible! I'm getting sick! This is too much! Please don't put me in there, I swear I won't run away! Alice.... I'm slipping.... ALICE!! (She can't do this! I'm gonna get unconscious if I stay in there. Right now, I can just accept my situation and do what she says. Maybe she will be nicer if I cooperate...)

The air inside Alice's shoes was sticky und humid. The smell was almost unbearable... Nathan tried to climb up to get some fresh air. He watched Alice as she was undressing. A short moment later she turned around and looked at her sneakers with a slightly amused smile...

Alice: Hey I told you not to peek! You are pretty rude for a tiny guy, you know that? I guess I have to punish you now... haha (Like I care if he sees me naked... I would have punished him anyway)

Nathan: What? No...you didn't say anything! I wasn't peeking! I had to get out of your shoes because the smell almost killed me! Your feet smell horrible! I deserve no punishment; you should help me to get to a normal size again! (What does she mean by "punishment"? It can't get any worse than this, can it....?)

Alice slowly lifted up her leg and took off her knee socks. Her feet had been sweating the whole day and she enjoyed the fresh air between her toes... She didn't even notice, that her tank top was slipping down. Nathan on the other hand, got a pretty bad feeling about where this whole thing was going....

Alice: Ah this feels so nice! My feet are so moist from those socks. It's like putting off your bra after a long day...not that I'm wearing one for most of the time. And little guy: I know just the right place for you too... I'm sure you will love it there.... (Oh wow! My feet really DO smell bad... I almost feel sorry for him a little bit .....not....)

Nathan: Alice! I can see your....just put something on please....! Don't tell me you want to put me...no no no...you are kidding right? Are you out of your goddamn mind? Alice this isn't a joke! ALICE!

Alice wiggled her toes and slowly raised her foot towards Nathan. He could feel the warmth coming from her sole and the moist smell. Her foot was gigantic compared to him and he was afraid what was coming next...

Alice: You like my cute little foot, don't ya? Well to you it's probably not really small haha.... But I promise you're gonna spend some private time with my feet to get more comfortable! (My feet are so sweaty... but I don't really care....Ohhh he's so small! I could easily crush him with just my pinky toe! This is just an overwhelming feeling of power!)

Nathan: Alice no! Put down your foot! The smell is horrible! It's even worse than your sneakers... (This is crazy... her feet are huge! What will she do to me? I can't imagine touching her feet or something like that. She is such a sadistic bitch! If this is over I'm gonna tell Lisa everything about her true character and they'll never see each other again!....But first I have to bear with this maniac...and follow her orders. Oh Lisa, please come home....)

Alice grabbed Nathan from her shoe and placed him on the carpet. She sat down in front of him and started to take off her other sock. Nathan was still terrified by her size and begged her for mercy...

Alice: You stay there or I will catch you with my foot and I can't promise you'll like that.... (He just looks so insignificant down there. I must be like a fucking mountain to him. This is amazing!)

Nathan: Alice please stop! I'm gonna do everything I can, but please don't humiliate me like this! I'm still a human being and not some kind of bug or toy! Maybe I can understand your reaction a little bit (I seriously can't!) because you are freaked out that something like this is even possible, but there's no need to make this worse!

Alice: Oh shut up! And now listen....

When Alice was finished with taking off her knee socks she slightly lifted her right foot and demanded Nathan to come closer. Nathan was intimidated by the sheer size of her sole....

Alice: Come on tiny! Let's take a better look at my feet. They are cute, aren't they? Haha I can't even see you down there! So cute! (My foot is just so big compared to him! He seriously must feel like a bug down there)

Nathan: Alice...what are you doing? Please...I'm afraid. Your foot is just huge! This is really uncomfortable... (What the hell is she thinking? Can she even imagine what it's like being this small?)

Alice: Come touch it. I'm sure it feels very soft and moist. The smell should be better now since I got some fresh air down there!

Nathan: I don't want to touch it! It still smells like sweat and old sneakers.

Alice: Oh, is that so? I don't care! Now lick it!

Nathan: What?

Alice: I told you to put out your tongue and lick the bottom of my sole! Are you deaf?

Nathan: You can't be serious Alice! I won't do that! Ever!

Alice: You fucking piece of shit! You're gonna lick my fucking sole as much as I want or I'm gonna crush you with my feet until there's nothing left of you! Now get to work!

Nathan:.....(How can someone be this crazy and cruel. This is my end....)

Alice didn't really feel pleased by Nathans tiny tongue so she decided to make him use more "body contact". She quickly lifted up the tiny man and dropped him into her sock. As soon as Nathan fell down, he was engulfed by darkness...

Alice: You know what tiny guy: I almost can't feel anything. Are you even using your tongue? This is pathetic! Let me help you out a little bit... (When he's down there in my sock he will be so close to my toes. I have to be sure to not use too much pressure or he will be flattened down there)

Nathan: No Alice wait! I can do that much better. Look: I'm licking as hard as I can! Your skin is just so thick! Don't throw me into your socks! I won't survive that! Please! (Uhhh her soles taste like sweat and dirt. I'm licking as hard as I can but my tongue is getting numb...If she puts me into her socks I will probably suffocate between her toes! She can't be serious!)

With a pleased smile, Alice dropped Nathan into her sock. On his way down, she watched him as he was quickly engulfed by darkness...

Alice: Down you go little guy! I hope you are not afraid of the dark, but don't worry: My foot is gonna keep you company soon! (Oh I'm sure this will feel great! At least for me. Just gotta be careful not to crush him!)

Nathan: Alice!!! No! Please get me out! Ahhhhhh.... (This is the end! I will just die in her sock, squished under her toes...)

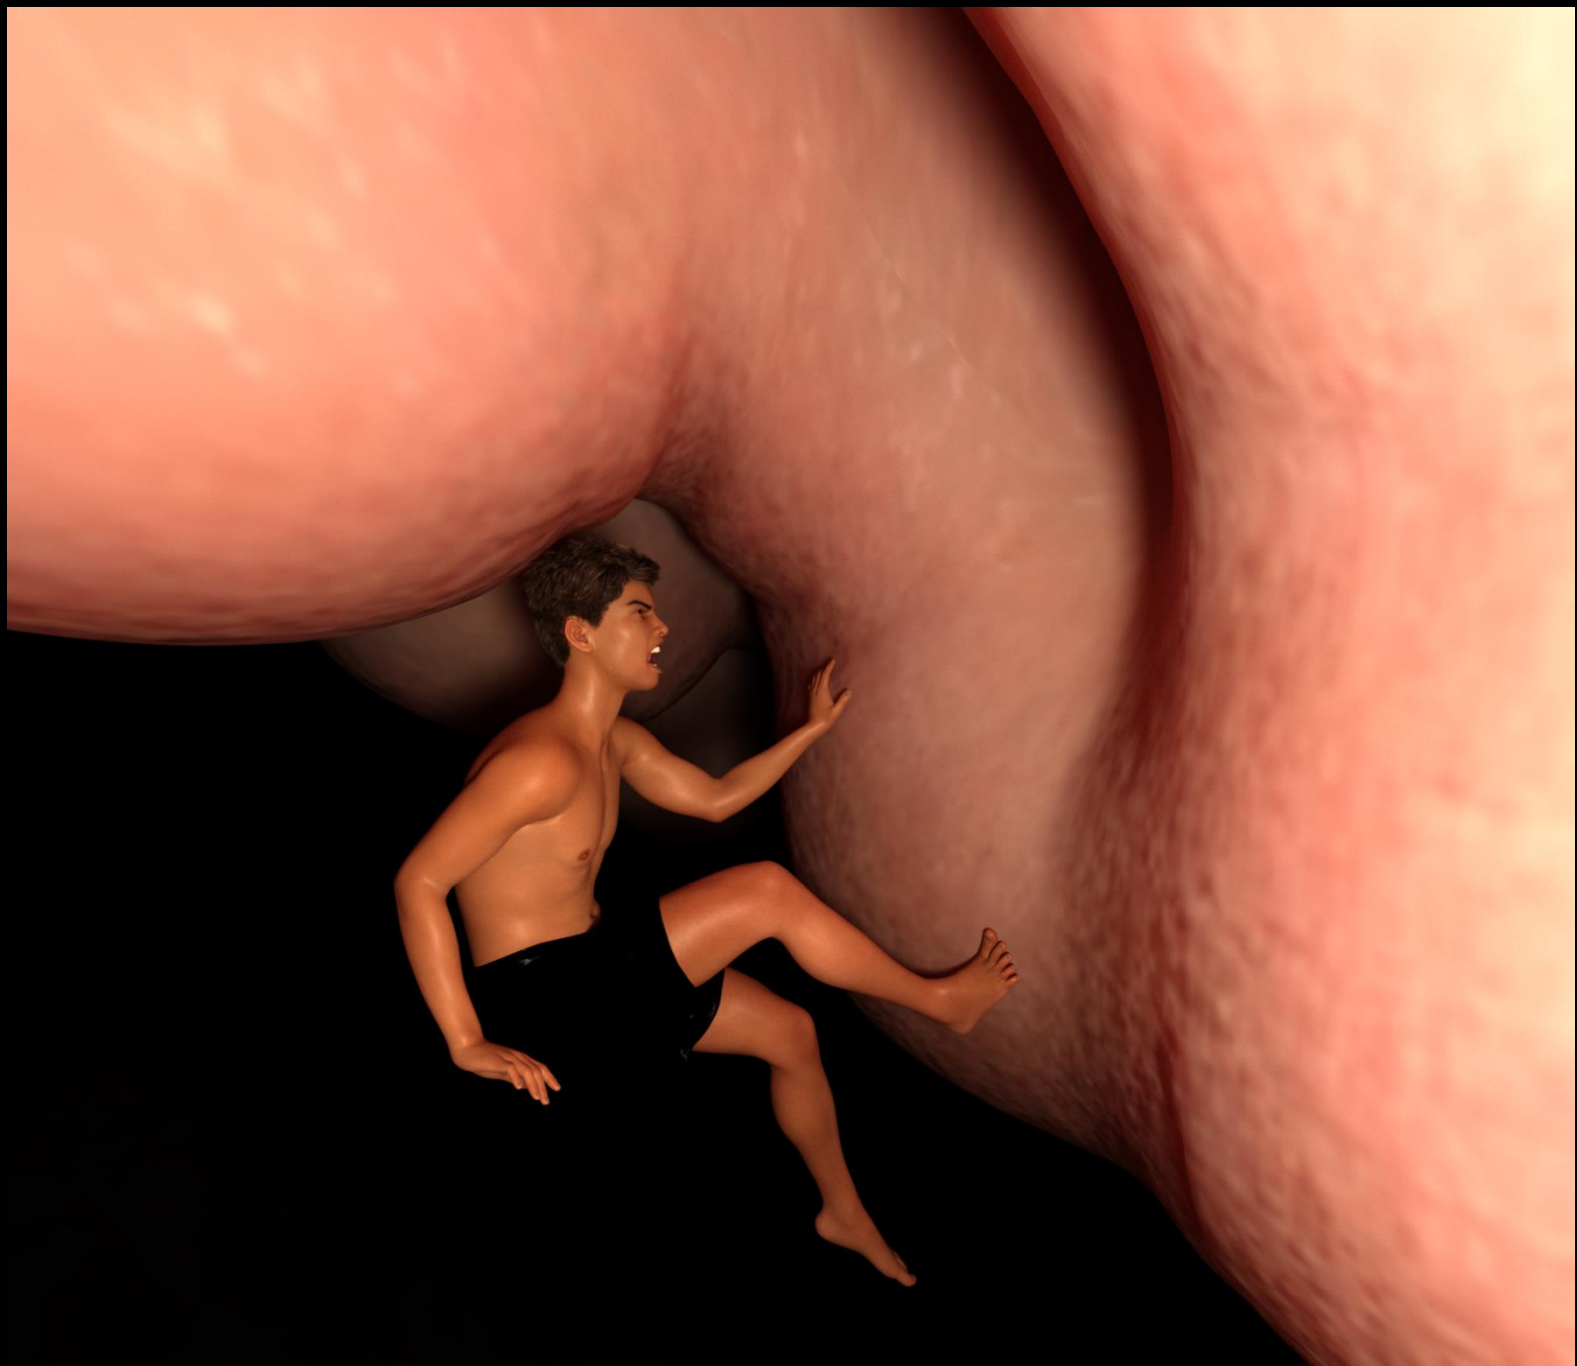

Alice lowered her sock and lifted up her right foot. Inside her sock, Nathan was tumbling down but could see her enormous foot coming closer to him...

Alice: I hope you are prepared little guy! Here it comes! (I have to move slowly. My toes should reach him when he's at the bottom of my sock. It will be nice and warm down there for him haha)

Nathan: (Oh my god it's so dark inside! Where am I? Is that her foot above me? She will crush me down here...I'm done for...)

Nathan barely managed to get under Alice's toes where he wasn't crushed under her sole. It was dark down there and he couldn't see anything. It felt like dying in a moist and sweaty cave and Nathan began to feel dizzy... Alice on the other hand was enjoying herself. She should feel the tiny guy kicking against her foot. She just needed to make sure, he doesn't suffocate between her toes....

Alice: (Haha this feels so nice funny. He's pushing quite a bit down there. I wonder what the smell is like. It has to be overwhelming! As long as I can feel him struggle, he should be ok...)

Nathan: (This is hell! I'm kicking as hard as I can but she's not reacting a bit! It's so hot in here and the smell of her foot is everywhere. I can't hold on for much longer. I wonder if this will be my end. Dying under the soles of a sadistic girl...I...just can't...it's so dark....down...here....)

Alice noticed that Nathans struggle under her toes became very faint until it finally stopped. He was totally exhausted and passed out between her toes. Alice kinda got a little bit worried and removed her sock. Some minutes later Nathans crawled out....

Alice: Ohhhh I'm so sorry! Didn't you get enough air or was it to moist down there? Haha, glad I released you from your "prison".

Nathan: Haaa... Ha...Whoa...Where am I? Just a second ago everything just turned black. Air! Oh my god! Fresh air!

Alice: But you know what? Maybe you are right and my feet really do smell! So how about we take a shower....together!

Nathan: Together? But...

Alice: Oh don't be shy and of course I have to make sure you don't run off somewhere!

Alice stood up and walked towards her dresser and started to take her clothes off until she was naked. Meanwhile Nathan got up and slowly walked towards Alice. He still was overwhelmed by her sheer size...

Alice: Alright tiny, I'm gonna prepare for the shower and you should too! I'm keeping an eye on you so you better don't run... You should stay next to my panties. So, I don't step on you by accident or something like that! (I wonder what he's thinking. I'm completely naked and he can see every detail of my body...But I really don't care. He's just so small)

Nathan: (Oh my god...she's just so huge! She could easily crush me and probably wouldn't even notice... Actually I think she's right. I better get to her panties so she knows where I am....I never thought I would say this... I hope she's gonna be careful in the shower. What does she want to do there?)

Nathan followed Alice's advice and quickly walked towards her panties, that were lying on the floor. He watched her getting ready for the shower but was still afraid by her gigantic size...

Alice: Good boy! Now stay there!

Nathan: (What exactly does she mean by showering together? I could easily drown in the shower! I hope she's gonna be careful...)

When Alice was finished with putting on her bath towel, she bowed down and reached for Nathan.

Alice: Alright tiny guy, I'm all dressed up. I'm gonna pick you up so be a nice boy and stand still!

Nathan: Whoaa! Be careful! You could easily crush me with your fingers and...

Alice: Yeah Yeah... I know. Don't be such a pussy! This is gonna be a lot of fun!

With tiny Nathan in her left hand, Alice walked towards the room door. She was excited for the bath, especially with the tiny guy around...

Nathan: (Oh boy...I don't know what's expecting me there...)

Alice: All right little guy. Let's go to the bath!
