

**That's enough for me!!  
I won't let you continue  
being disrespectful to  
Sonia.**

**If you don't shut up,  
I will shut you up.**

**We won't be able  
to find anything if  
you guys keep  
fighting all the time.**

**In your timeline Sonia  
may be the mother  
of your children....**

**OK!!**

**We are going  
to split!!**

**...but in my  
timeline she's  
just another  
hot blonde  
that I'm going  
to fuck her  
pussy.**

**Johnny from my  
timeline, Kung Lao  
and Liu Kang went  
that way.**

**I'll take care of  
your younger  
version.**

Yeah!!  
Good idea  
Jax!!

Or else I'll  
kill myself!!

You need to mature  
a lot, little boy!!

Do you really think  
you would talk bad  
about Sonia in front  
of me and everything  
would be fine?!

It's time someone  
taught you how to  
be a real man.

What the fuck?

You are rebellious  
disrespectful and  
arrogant.

Johnny from my timeline was  
like that too... but I taught  
him how to be a good boy.

I'll teach you too... Let's see  
if you continue to disrespect  
women when I make you  
my woman.

Oh, of course!!  
You are very  
playful!!

But now it's  
my turn to play.

Hey man!!  
calm down...

I was just  
kidding.

SLUPE!

SLUPE!

SLUPE!

GUSH!

What's wrong Johnny?

I don't know but boobs are dripping...

it's like something is sucking my boobs really hard.

This seems like evil magic...

Shang Tsung must be to blame for this.

You're lucky Cage.

Liu Kang and I know exactly how to deal with Shang Tsung's magic...

And how do you...

my ass is dripping too.

I don't think this is evil magic...it feels so good.

Let's go Cage.

We can't waste time. You never know what's behind that sorcerer's evil mind.

We're going to need to suck that magic out of you...

That's what he wants you to believe...

We're going to need you to be strong, Cage.

Things don't look good here, Liu Kang...

do you think we should call Raiden?

No way...

let's take care of this, you and I.

**You loved that, right?**

**The way I sucked your  
breasts...**

**you were all wet....  
you opened your fat hole  
when I sucked and slowly  
closed it when I stopped  
to breathe.....**

**I know you liked  
daddy Jax...**

**Now come here...**

**Are you ready?**

**No way!!  
This doesn't fit me!!**

**Don't worry...  
It does fit!!**

**I don't know...  
I'm getting butterflies  
just being around this guy.**

**Damn butterflies...**

**Don't worry, Daddy Jax  
will get into your stomach  
and he'll kill those butterflies...**

**If you want, I can drown the  
butterflies in cum...**

**It's no use,  
it won't happen...**

**Maybe you need  
encouragement....**

**That smell...**

**I missed that  
smell so much!!**

**After Johnny from my timeline  
and I had our daughters,  
we couldn't see each other  
anymore, but before...**

**we saw each other every day...  
hidden from Sonia, of course!!**

**And he smelled like this...  
the Hollywood slutty smell.  
The smell of wood and  
cherry...**

**But of course you only  
have the smell and the taste...  
your courage and strength  
are not equal...**

**Johnny would already be  
riding my cock, unlike you.**

**I'm as brave as he is.**

**So prove me!!**

**What do you think, huh?**

**Do I look weak now?  
Do I look lacking in courage?**

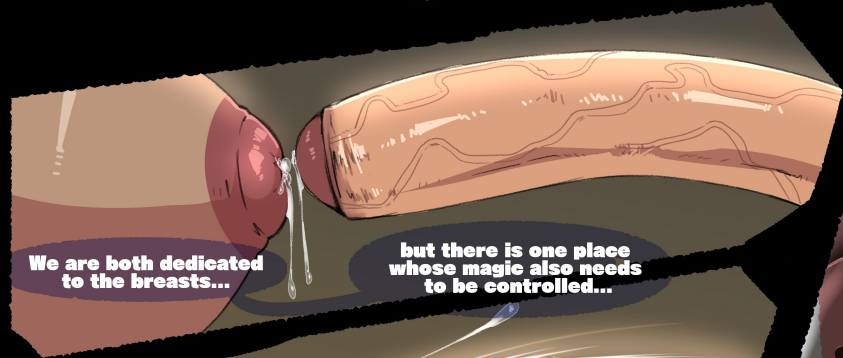

**Yeah, boy!!**

**Keep up the good  
work and soon you  
will be as strong as  
your future self...**

**Now, kill those butterflies  
drowned in cum.**

It's not helping...  
I think we're focusing  
on the wrong place,  
Liu Kang...

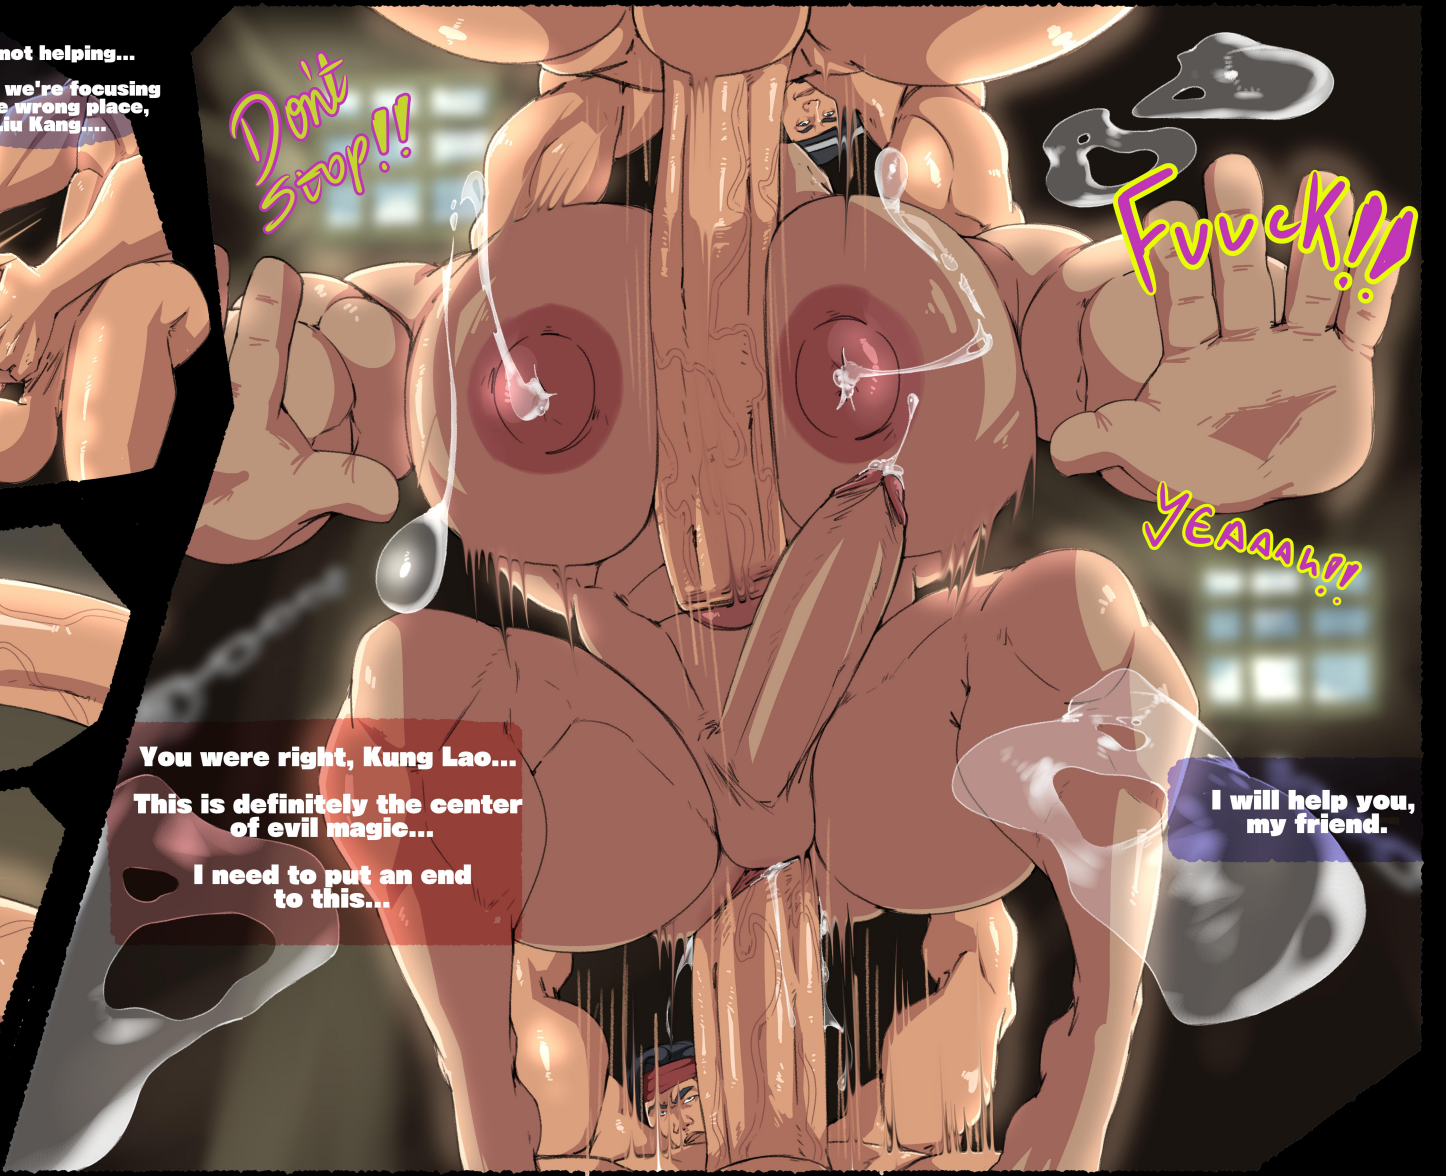

We are both dedicated  
to the breasts...

but there is one place  
whose magic also needs  
to be controlled...

I understand you  
perfectly, Kung Lao.

Don't  
Scoop!!

Fuuuck!!

YEAHH!!

You were right, Kung Lao...

This is definitely the center  
of evil magic...

I need to put an end  
to this...

I will help you,  
my friend.

FWWV!!!

YES!

KEEP GOING!

WOW!

GUSH!

WOW!

AHH!

SLUP!

OH!

WHPM!!!

GUSH!

SLUP!

AHH!

YES!

DON'T STOP!

GUSH!
