

Danny's sexy adventures: PUNCHING BAG

I was unemployed and I used to go around FreeBopolis on my skateboard, hitting on hot Daddies. That time I was in the Business District, during lunch Break...it was full of hot Daddies. I stopped mid-step when I saw him.

WOW!

There was just something about him—the way he stood, slightly to the side with a hand on his hip. The way his khakis hugged his perfect ass. The way he waited outside the store on his phone, blissfully unaware of what he was doing to my engorged cock.

DROO!

WHAT A HUGE ASS! I can see the Brief lines!!!

With a deep breath to steady my nerves, I walked up and put my hand on his shoulder.

OH?

DROO!

Oh, sorry.

He hurriedly pocketed his phone as he turned toward me. His face had a pleasing shape, with a spiderweb of light wrinkles around his ocean blue eyes. He stepped aside to make way for me.

For a moment, we just stood there. I lost myself in his eyes as he narrowed them, no doubt wondering why I hadn't moved. My gaze wandered down to the wedding ring on his finger and my cock swelled a little bit more.

Can I help you, son?

You're handsome

Why thank you...I'm Alan.

I'm Danny.

But you've probably got him beat there.

You are really beefy! A strapping young lad. My son's the same build.
