**Characters:**

ABBY

MARINA

KEVIN

EXT. JUNE AND ABBY'S APT

We start on an establishing shot of the apartment building downtown.

ABBY  
Hey! I'm home!

INT. JUNE AND ABBY'S APT FRONT HALLWAY

Abby is taking off her work shoes while simultaneously sorting through some mail, most of them bills with [PAST DUE] written on them in red.

ABBY  
It looks like we got something from the building manager too.

JUNE  
(From the living room)  
Abbs, come quickly!

INT. JUNE AND ABBY'S APT LIVING ROOM

Abby wanders into the living room while reading the letter. June is standing in front of a mirror topless, her back to us.

ABBY  
What is it?!

June turns around proudly displaying a Nintendo Switch console hanging underneath the weight of her boob.

JUNE  
Look! No hands! I've been trying all day to see how much weight my girls can hold.

ABBY  
Woah that's actually really cool.

JUNE  
Yeah I can probably go heavier if I practice.

ABBY  
By the way, I'm reading this letter and it looks like they're raising our rent by a lot this month.

JUNE  
They are? How much?

June stands next to Abby, Switch still hanging between her boobs, and looks over her shoulder to read the amount herself.

JUNE (CONT'D)  
What the fuck?! That much? Can they even legally do that?

ABBY  
It says something here about "additional expenses accrued by the tenant."

JUNE  
That sounds like made-up bullshit! What have they even had to spend money on recently?

ABBY  
Oh, there's actually an invoice here..

June takes the invoice section and it folds out to be much longer than expected. She reads it over.

JUNE  
Okay yeah, most of this is my fault. However I still think the thing with the fridge was an honest mistake. I didn't expect my leftovers to be THAT corrosive. Plus a lot of this stuff was broken when we moved in.

ABBY  
Yeah, plus it's not like they do much to upkeep this dump of a building anyways.

Wide shot reveals the messy apartment with stains and holes on the walls, leaky pipes, mold and a rat running by in the foreground.

JUNE  
This feels wack, but moving seems like it'll be such a hassle.

ABBY  
Yeah, plus who knows if we even find a place this cheap. What do you think we should do June?

JUNE

Don't worry Abbs, I've got an idea.  
All we need to do is get a third  
roommate. It'll actually SAVE us  
money in the long run!

ABBY

Oh yeah! I guess another roommate  
could be fun. Do you know anyone?

June puts her hand on Abby's shoulder and looks her in the  
eye determined.

JUNE

I know the PERFECT candidate.

INT. RESTAURANT BATHROOM

Smash cut to a closeup of KEVIN looking grumpy as usual.

KEVIN

I'm not interested.

JUNE

But why not?

Pull back to see JUNE is riding KEVIN who is sitting on the  
toilet. KEVIN is sweating and about to cum But looking kinda  
pissed that JUNE waited until now to ask him a question.

KEVIN

Hold on, just lemme... HNGGG

KEVIN clutches JUNE by the ass and lifts it up after one last  
thrust as his dick flops out and shoots a string of cum right  
on the bathroom floor.

JUNE

Don't you think it would be so  
chill living together though?

Both of them start putting their pants back on. KEVIN  
noticeably does not clean up the jizz on the ground or wash  
his hands.

KEVIN

Listen June, I like you and  
everything, but I just can't live  
with you. I am personally against  
living with chicks if I'm banging  
them, but even by girl standards  
you live like a slob.

JUNE

Yeah, that's true. I am pretty gross haha.

KEVIN

Also you gotta stop coming by when I'm at work. I only get 15 minutes per shift and you know I like to use that time to do my jelqing exercises.

KEVIN finishes putting on his Burger World uniform and walks out of the bathroom and back into the restaurant. Abby is sitting at a nearby table eating as she sees the door open and calls over to June who is still sitting on the toilet.

ABBY

So? How did it go?

Cut to a full page montage of JUNE and ABBY getting rejected by multiple friends and acquaintances. JUNE constantly tries to reassure ABBY each time that she has ANOTHER person in mind that will "agree for sure" only for that person to decline for some reason.

NARRATION

And so the girls continue to run through June's contact list in search for the perfect roommate (or any roommate for that matter)

EXT. THE RUSTY BOTTLE

We see JUNE and ABBY walking out of a fish and chip restaurant, looking dejected. JUNE is looking at her phone and crosses out the last name on a list of people, ABBY is eating french fries.

JUNE

Well, I'm pretty sure that was the last person on my entire contact list.

ABBY

At least you tried. I wish I had some friends to ask.

The girls notice the bar across the street.

JUNE

Feel like grabbing a beer?

INT. THE RUSTY BOTTLE

Inside the bar there are lots of gruff looking dudes playing pool, drinking and smoking. The girls sit down at the bar and order a drink.

MARINA

June? Hey, how have you been!

The girl sitting next to JUNE and ABBY is MARINA. She is surrounded by several empty bottles and looks a little bit inebriated.

JUNE turns to look at MARINA surprised.

JUNE

Huh? Oh uh...

MARINA

It's okay if you don't remember, it's been awhile. Red Mountain Music Festival. 6 years ago. Ring any bells?

JUNE

(After a moment of thinking she eventually remembers)

Oh! Yeah, I remember! You look totally different, it just took me a second.

MARINA

So why are you here anyway? Are you working at the docks?

JUNE

Oh no we were just um... doing something in the area and walked in to grab a drink.

MARINA

Ha, that's soooooo weird. Don't see people walk in very often. By the way, who's your friend?

ABBY

Oh I'm Abby!

MARINA finishes her beer, the bartender immediately replaces it with another one.

MARINA

Pleased t'meet ya. Are you two...?

JUNE  
We're um, roommates.

MARINA  
Roomies huh?

MARINA takes a long sip of her beer then smiles playfully.

MARINA (CONT'D)  
So what are you two doing tonight?

CUT TO:

Montage of the three of them drinking, having fun together into the night. Eventually they spill out of the bar into the streets. We see them laughing, running around, riding the bus and having a great night.

EXT. JUNE AND ABBY'S APT

Eventually they make their way to the front of JUNE and ABBY's apartment.

ABBY  
Hey! This is where we live June!

MARINA  
Yeah you keep saying that!

JUNE  
Abbs, don't you remember? We came back home because it was your idea.

ABBY  
OH RIGHT!

ABBY runs right through the front door of the apartment. We see a side view panel of the main apartment staircase as the girls are climbing up to the 3rd floor with ABBY running off ahead excitedly as JUNE and MARINA trail behind and give each other sexy looks.

EXT. JUNE AND ABBY'S APT

ABBY opens the front door and bursts inside. She runs to the bedroom and starts rustling through a pile of clothes.

JUNE and MARINA enter the apartment behind her. MARINA places her hand on JUNE's hip as they walk through the door and JUNE turns to MARINA. They have a moment of tension which is immediately broken by ABBY.

ABBY  
I FOUND IIIIIT!

ABBY runs out with a big bottle of liquor in her hand.

ABBY (CONT'D)  
I knew I had one sitting around.

MARINA  
Damn girl, that's the fancy shit  
too!

ABBY  
I've been saving it for a special  
occasion.

INT. KITCHEN

ABBY pours out 3 glasses of the drink for everyone. The three sit on the floor drinking them.

ABBY  
I want to hear moooooore about both  
of your history together. How did  
you meet?

JUNE  
(Blushing)  
It was at that um.. music festival.

MARINA  
Red Mountain yeah. Our tents just  
happened to be set up around the  
same campfire.

JUNE  
I was camping with my boyfriend at  
the time and his friends.

ABBY  
Whaaaaat!? I can't imagine you with  
a boyfriend June!

JUNE  
It was a weird time for me okay!  
Besides, that guy sucked. He and  
his buddies ditched me the first  
night to go hang out with other  
girls. I barely saw him the whole  
week.

MARINA

All my friends got food poisoning from some rotten fish the first night and had to go home. So the whole week the two of us had that entire campfire to ourselves.

JUNE

Lots of time to get to know each other huh?

MARINA

You know June, I don't think you ever told me back then you were dating that guy. Does that make you a... cheater?

MARINA starts elbowing JUNE, teasing her, while JUNE blushes angrily.

JUNE

HEY I JUST-

ABBY

Oh myyyy gaaaawwd! June you totally CHEATED!

JUNE

You guys are the worst.

JUNE pulls her hat down over her face in embarrassment.

ABBY

Hey wait, if that's true does that mean you guys...?

ABBY points at the two of them as MARINA grins from ear to ear.

JUNE

Heh heh...

ABBY

Whoooooaaaaaahhhhhh! You've seen each other's junk, haven't you?

MARINA

You haven't yet? Aren't you roommates?

ABBY

Oh I see them all the time. Most people have seen June's junk.

MARINA

Ohh, I wonder if it's as nice as I remember.

JUNE getting flustered stands up.

JUNE

You guys are so meeeeeaaaaan to me!  
I gotta piss.

ABBY

Don't break any hearts on your way  
to the bathroom!

The girls laugh as JUNE leaves the room.

INT. BATHROOM

JUNE is washing her face in the sink, then lights up a cigarette. She looks at herself in the cracked mirror, then blows a hot cloud of smoke, fogging the mirror up. She draws a penis with her finger in the mirror and snickers to herself.

Suddenly music starts playing from the other room. ABBY runs by the door really fast. She is not wearing pants. This is followed almost immediately by a large crash in the other room.

INT. JUNE AND ABBY'S APT LIVING ROOM

JUNE enters the living room to see ABBY and MARINA dancing to music in their underwear.

ABBY

June! LOOK! We took our pants off!

ABBY shakes her butt at JUNE.

JUNE

I thought there was something  
different about you.

JUNE takes a drag of her cigarette.

MARINA

What, you aren't gonna join us?

MARINA grabs JUNE by the hips and pulls her close, then whispers in her ear.

MARINA (CONT'D)

Abby told me something about you...

JUNE

Huh?

Closeup of MARINA's hand gripping tighter onto JUNE's waistband. JUNE blushes slightly. ABBY is still dancing by herself, somewhat oblivious.

MARINA takes the cig out of JUNE's mouth and takes a drag off of it without taking her eyes off of JUNE. She then turns around to face ABBY and kisses her right on the mouth, allowing the smoke to spill out into it.

JUNE looks surprised, while ABBY looks a little dizzy from the kiss.

ABBY

Woweeeeee hehehe.

MARINA turns back to JUNE and smirks devilishly.

MARINA

C'mon June. We're waiting.

JUNE steels herself for a moment.

JUNE

Whelp, alright. Guess it's that kind of party now.

JUNE pulls her pants down to reveal she isn't wearing any underwear.

MARINA

Oh, you were going commando all day?

JUNE

Don't judge me, I haven't done laundry in awhile.

ABBY starts getting a bit dizzy and flops on the couch.

ABBY

No more dancing for me pleeeeeease.

ABBY pours herself another drink.

ABBY (CONT'D)

Hey you guys should kiss each other for me. Yer s'goddanm cute looking together.

MARINA  
Hey, good idea.

MARINA gets on her knees in front of JUNE and kisses her on the bush. She looks up at JUNE and smiles.

MARINA (CONT'D)  
She didn't say WHERE to kiss.

JUNE  
So we get to choose huh?

JUNE gets down on the ground with MARINA and runs her hands underneath her shirt, moving up to her chest. MARINA lifts her shirt up as JUNE fondles her breasts before finally placing her lips on the nipples to give them a small kiss.

ABBY watches from the couch and starts getting a little turned on.

June moves her hands around MARINA's body and makes their way down her back towards her ass.

MARINA  
You know I still think of you from  
time to time, June.

MARINA swigs her glass, finishing her drink. She stands up.

MARINA (CONT'D)  
I'm getting another drink.

MARINA turns her back to JUNE and walks over to ABBY grabbing the bottle from her and pouring herself another one, bending over and wiggling her ass in JUNE's face.

JUNE stares directly at MARINA's ass with determination. She cannot control herself any longer so she reaches out and pulls down MARINA's panties, then immediately buries her face in her ass.

MARINA blushes as she knocks back another drink.

MARINA (CONT'D)  
Oh...!

From the font MARINA's penis flops out in front of ABBY's face as she watches hungrily.

ABBY leans forward and starts making exaggerated smoochy lips at the penis, making herself giggle.

JUNE continues to bury her face inside MARINA's ass. She then pulls back to breathe and takes another drag on her cig.

JUNE  
We should go to the bedroom, huh?

CUT TO:

INT. BEDROOM

MARINA is lying on the bed with the cigarette in her mouth, she is still wearing her top. ABBY is sprawled on her back across the bed sideways near MARINA's feet. JUNE is sitting up kneeling on the bed beside both of them.

MARINA  
So you guys just got the one bed,  
huh?

JUNE cuddles up next to MARINA's shoulder, then reaches over and takes a hold of her penis, slowly jerking it and playing with it as it starts to get hard.

JUNE  
Yep, just the one.

MARINA  
And you two have never like, fooled  
around with each other before?

ABBY turns over and sits up.

ABBY  
We've done stuff next to each other  
a lot, but like...

MARINA  
I'm just impressed is all. You guys  
have a really unique relationship,  
you know? Ultra casual like. It  
seems really nice.

JUNE  
It is really nice.

JUNE looks over at ABBY and keeps jerking.

MARINA  
Abby, do you want to join in?

ABBY looks at MARINA's penis and blushes slightly.

ABBY  
I... was thinking maybe I should just  
watch you guys.

JUNE smiles

JUNE

It's okay Abbs, you don't have to be shy or anything.

ABBY hesitates for a moment but continues to stare at MARINA's penis.

ABBY

I just think you should go first, June.

JUNE

Hmm, suit yourself.

JUNE sits forward and puts the penis in her month. She starts sucking on it. MARINA moans softly.

ABBY watches and starts to slip her fingers into the front of her panties.

MARINA takes another hit from the cigarette. She locks eyes with ABBY.

ABBY

Oh geeeeeze...

ABBY slips her panties all the way off. She starts rubbing her pussy.

JUNE swings her leg over and hops on top of MARINA, riding her. JUNE leans forward and presses her lips against MARINA.

We see a whole page with multiple shots of JUNE and MARINA passionately kissing each other and riding. JUNE takes her top off and her boobs spill out.

JUNE rides MARINA while sitting up and takes the cigarette out of MARINA's mouth then hits it as MARINA massages JUNE's breasts.

ABBY is furiously masturbating as her gaze looks down. We see her POV, a close-up of JUNE's ass puckering as MARINA's penis slides in and out of JUNE's pussy. ABBY starts moaning and biting her lip.

JUNE raises her ass up and the cock flops out. Juices dripping. Both are breathing hard.

JUNE

Mmmmmmm ohhh shit...

ABBY can't help herself anymore and she fully goes for it. She starts licking the juices off of JUNE's pussy from the back. JUNE reacts with a moan.

MARINA grabs JUNE's boobs with her hand and starts to jerk off with the other.

JUNE rolls onto her back, ABBY starts eating her out while JUNE rests her head below MARINA's crotch.

MARINA sits up and puts her cock in JUNE's mouth while simultaneously massaging her breasts with her hands. This continues for awhile. We see shots from each angle as this continues.

Things keep getting more exciting as limbs become entangled, flesh gets gripped and the bed starts getting rocked back and forth. We see lamps get knocked off of shelves, and piles of clutter fall to the floor. The bed starts screeching faster and faster.

We see faster shots of all kind of different positions between the three of them. Everyone is getting sucked, fucked, groped and scissored all over.

Everyone gets closer and closer to climaxing. The bed is starting to crack.

ABBY  
I'M GONNA-

JUNE  
I'M CUMMING

MARINA  
ME TOO!

All three of them cum at the same time the bed finally gives way as the legs snap and the bed comes crashing down. The three tumble out of bed and sprawl across the floor. All of them are breathing hard.

JUNE  
Hey...  
(hah)  
Mari...  
(hah hah))

MARINA  
Yeah?

JUNE  
Do you wanna be our third roommate?

Immediately after she asks a crack starts to run up the wall, across the ceiling and towards the ceiling fan in the middle, the ceiling fan breaks through and falls to the ground.

MARINA

Can I be honest with you guys?  
I don't think I can live in this  
place...

JUNE

It's okay. I kind of thought you'd  
say that. It's weird to ask so  
suddenly...

ABBY

Aww man, that's gonna be expensive...

JUNE finds the cigarette amongst the clutter and starts smoking it.

JUNE

There's no way they let us stay  
after this. Even if we could pay it  
all off.

MARINA sits up to look at her.

MARINA

Hey, you didn't let me finish. I  
said I don't think I can live in  
THIS place, but not that I wouldn't  
be roomies with you two. I sort of  
got a place of my own ya know.

Both JUNE and ABBY sit up and look at her with surprise.

MARINA (CONT'D)

Best part, no rent!

JUNE

Wait are you...?

ABBY

Serious??!!

MARINA licks the last few drops out of the booze bottle on the ground,

MARINA

Sure am! Although I should warn  
you, it's not the most conventional  
living situation.

JUNE

We can do unconventional!

MARINA

Alright, I'll take you two over tomorrow to check it out.

ABBY curls up next to MARINA sleepily.

ABBY

Marina, I am so glad that I met you.

JUNE smiles and yawns.

JUNE

Man I should really clean up or... something but...

She looks over and ABBY is already asleep in MARINA's arms.

JUNE (CONT'D)

Well, I guess we can do that tomorrow.

JUNE crawls over to MARINA and snuggles up with the other two.

MARINA

Yeah, this is a nice moment.

We end on a wide shot of the three of them asleep on the ground.

EXT. DOCKS

It is the next morning. We see the sun rising behind the city buildings. We are outside looking at JUNE, ABBY and MARINA looking at something we can not see yet. JUNE and ABBY's expressions are confused.

MARINA

Well girls, what do you think of the place?

ABBY

Wait, you mean this is where you...?

JUNE

It's...

We turn to finally see what they're looking at, it is a small boat tied at the dock.

MARINA

Yeah she isn't much I know, but she's my most prized possession.

JUNE smiles and turns to MARINA.

JUNE

It's super cool Mari.

ABBY

Holy shit! We're gonna live in a boat? That's so awesome!

MARINA

I don't need money for rent or anything because I own it, but I would really appreciate the company.

ABBY skips around excitedly and grabs MARINA and JUNE by the arm, linking the three together.

ABBY

Wahoo! Yes yes yes! Boooooaaaaat!

NARRATION

I think this is the start of something beautiful.

Final shot of the three out on the water in the boat, the three look happy together with the wind at their back.

We pull back to see the boat sailing into the sunset.

THE END
