if he likes the view.

1 It's good here..
Not much to complain
Ellena brings me whatever
i need you know...

3 It's a hella long story, but
to keep it short: Before,
I worked at an office. My
boss, Flower, did some kind
of magic, and I ended up
shrinking while the other
girls at the office grew.
And now, here I am...

2 Yeah, right, it is pretty nice.
But how did you end up
in a dollhouse in some girl's apartment?

4 Damn, that must've been pretty
hard for you ..

It seems like you two are having a good time chatting, but I'm ready, which means...

**Which means you're gonna
take care of that guy
for me... And be
gentle... Aight?**

Ok... Waait a second now...
WAIT WAIT WAIT ..

Get ready little guy...
You're about to explore
the best cave in your life

In your... Pussy...
B..B...But i'm still a Virgin...

Get in there...

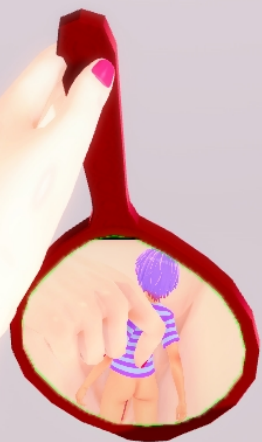

A first-person perspective shot from a video game. A hand is reaching out to pick up a red, oval-shaped mirror with a handle, which is lying on a white surface. The background shows a room with a red carpet, a wooden cabinet, and a doorway. The text "Let me grab my mirror real quick" is overlaid on the scene in a pink, glowing font.

Let me grab my mirror real quick

..

**Come on buddy... It doesn't bite..
Or it does..**

M.mm.. My dick..
Barely reaches it..

Come oon... I don't feel you getting inside...

Oh shit, That's not what i meant to do

-Moans- Oh shit.. That's good

I didn't meant to...
Push him Inside you know..

Well... Yeeeah...

Ellena, What the fuck...
But you still enjoyed it...
Didn't you ELLENA !!!

Sorry, buddy, I didn't mean to do it...
But you slipped and got in there. Won't deny it was enjoyable,
but okay. I think you've been through enough. It's by my means to get you back to normal.

A character with short, spiky purple hair and a purple and white striped t-shirt is standing in the center of a large, brown, rectangular mat. They are holding a large, blue, cylindrical water bottle with both hands. Their eyes are closed, and they have a slightly sad or resigned expression. The background is a plain, light-colored wall with a yellow vertical stripe on the right side.

Oh... OK then..

Just drink that, and you should be back to normal in no time. Just make sure to drink every last drop in there if you want to get to your original height. If you leave anything in there, you might be a little shorter than usual. And drink fast because this one evaporates in no time at all. Once opened, you have about 30 seconds to drink it.

Hey i don't feel anything...

It's working don't worry..
Did you drank it all?

I'm sure i did yeah...
Oh wait... I feel something...

A 3D rendered character with pink hair and a striped shirt stands on a brown carpet. A blue water bottle is on the floor to the left. The character has their eyes closed and a speech bubble above them.

OOOH i think i'm growing back !@!!!

It tickles my ears...

Yeah... Cause the air pressure it's changing

Let me get you down
before you break my table..

Woow, That was a huge jump in Height

This feels amazing to be honest!

Are we done?

Still, small..

That felt like it was the last
growth

Is it done?
I want to open my eyes so bad !!!

Ahm...

YEES! I'M BIG AGAIN...

Ahm... I think you've left some in the bottle

I what?

Wait you're right i was way taller than you...

172cm/5'8"

180cm/5'11" - 135cm/4'5"

That's so stupid and unfair...
I really tought i drank it all...
But damn my luck..
Can you make another growth juice?

Yeah.. Sorry dude.. I can make it but it's gonna take a while
Proolly couple weeks minimum if i'm lucky.. Cause Flower is
mad at me for some reason so until were clear i can't do anything...

I need to go out to clear out my head...

Sorry again...
Can call you when
It's ready...

THE AFTERMATH

Today only tall girls outside...
Just my luck calling again..

and these are some cheerleaders
They can't be taller than 5'4"/163cm

She's so tall... And she's like what
