Rewire versus the Firestarters

Rewire is a minor supervillain who likes to keep a low profile. He can put people in a mindless trance by tapping them on the forehead.

The Firestarters are a family of three women with superpowers. All of them can fly, are fast, strong, and can bend fire! They are the protectors of the city taking down all the criminals that come out at night...

Now what will happen when the Firestarters try to prevent Rewire's latest coup? Tune in on „Rewire versus the Firestarters“!

Featuring

Rewire...	A minor supervillain with MC powers
Erika...	as Flame, the leader of the Firestarters
Velia...	as Ember, Erika's daughter
Lucy...	as Spark, Erika's daughter

Portega City. It's dawn as an extravagantly dressed guy gathers a group of ruffians around him... explaining his plan. Their eyes are all white and mindless – a clear sign of the guy's powers – for he is known as Rewire, a local supervillain!

You think I let you, Rewire?!

You've chosen a bad day to do evil!

Take this!

You, block her! The rest of you, run!

Fucking
Firestarters!
huff *huff*

chuckle

Damn those
superheroes!

Now where do
you think you
are going?!

Rewire splits his forces once again as another pesky superhero appears out of nowhere.

Heya!

chuckle

Take that!

Ha!

In one smooth motion, our superheroine kicks back one of the attackers and evades the other one...

While his minions get trashed, Rewire is focused on getting away. But another superheroine blocks his way!

Indeed,
here it
ends!

Ah, fuck!
He gets
away again!

Say
"goodbye"!

Skillfully Rewire's last minion is pushed back...

... right into the pack already rendered defenceless by her allies.

We
are...

The
Firestarters!

And we
protect this
City!

I'm sorry!
She had a
shotgun... I had to
concentrate a
little...

It's fine girls!
He's just a small
fry. We'll get him
next time.

Too bad
Rewire got
away...
AGAIN!

Rewire keeps running for quite some time until he's sure nobody is following him...

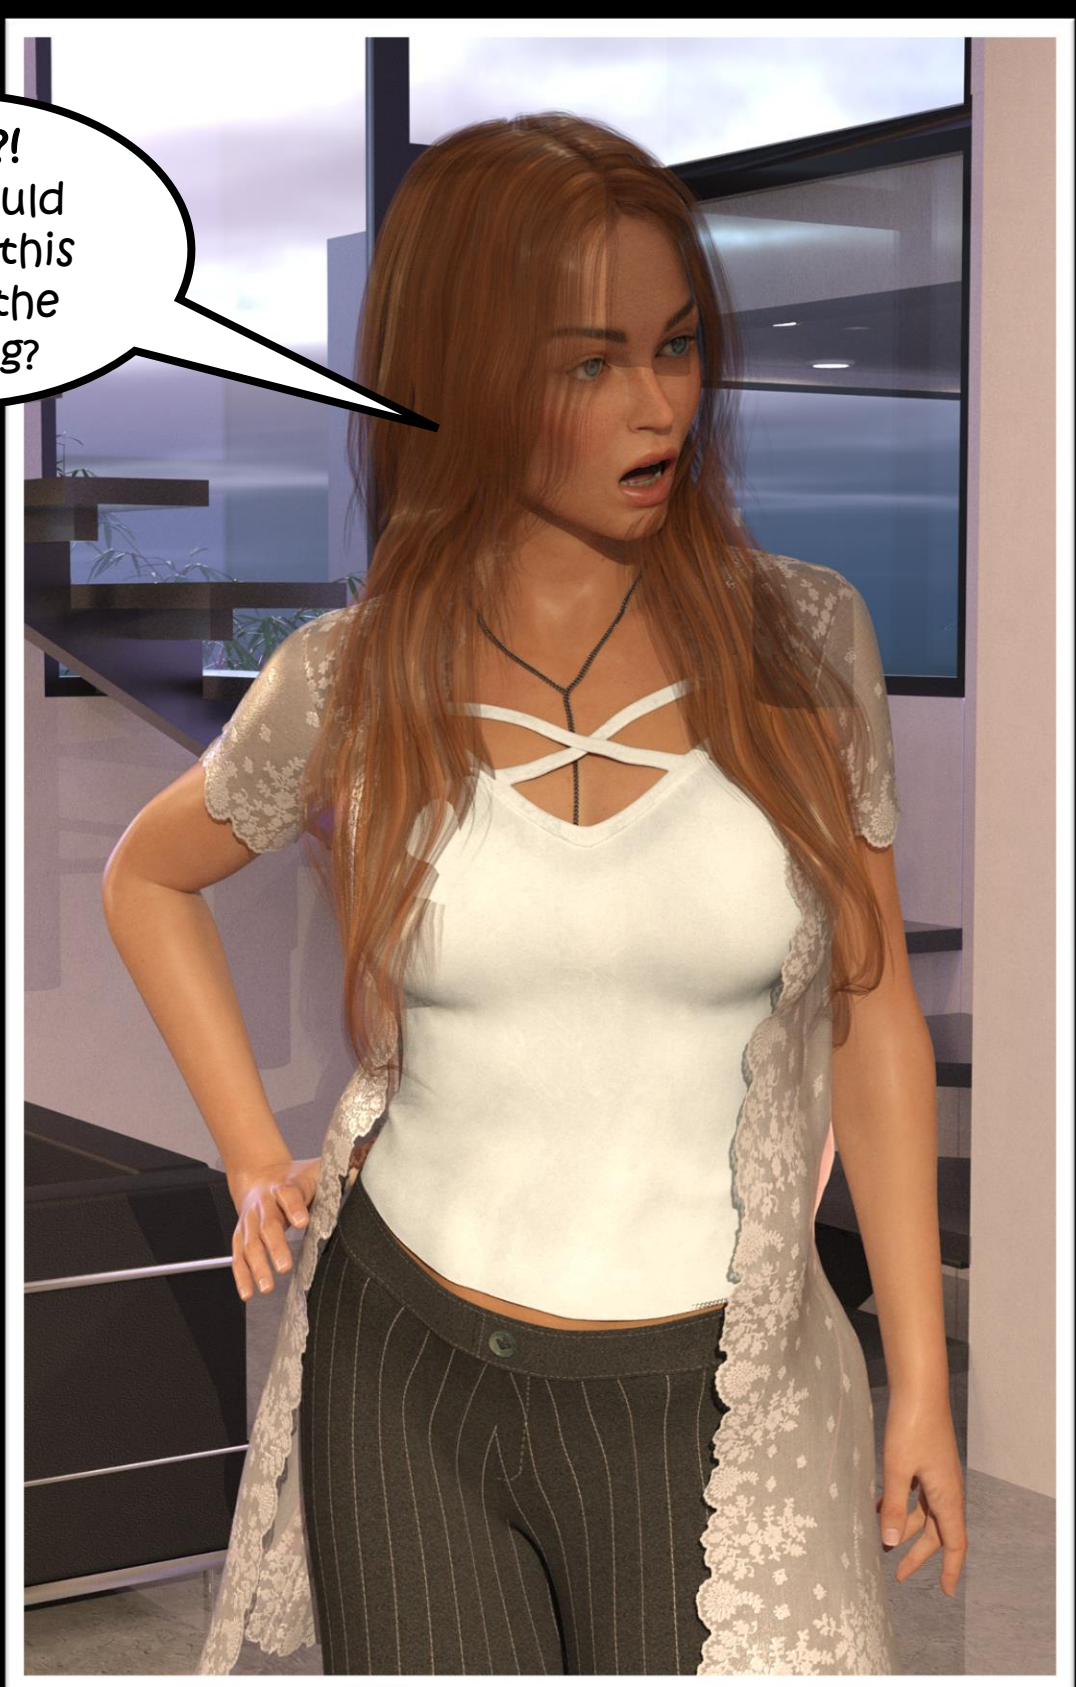

Damn you, Firestarters!

One day I will have my revenge!

A little later, Rewire sneaks around a residential area and peeks through one of the windows...

You are very beautiful.

Why don't you just be mine?!

What?!

A woman with long, straight red hair and pale, white eyes stands in a modern, brightly lit interior. She is wearing a white, lace-trimmed top with a crisscross pattern at the neckline. A speech bubble is positioned to her right, containing the text "Uhh... I will obey, master!". The background shows a contemporary living space with a dark door, a white table with a plant, and a window looking out at night.

Uhh... I will
obey, master!

Mom?
Who's that?

Welcome
our new
master.

Everything will become clear, my dear.

LAP

WTF

Hey!
Fuck off, buddy!
Don't you dare
touch...

Master, I'm at
your command.

Just this.

LMP

Good girls!

Master, I will obey.

All hail our Master.

Now, why don't
you lead me into
the master
bedroom? Let's
have some fun.
chuckle

Yes, master.
Please follow
me.

Yes, master.
Let's have
some fun.

The three women obediently lead their new master into Charlotte's bedroom where they stand at attention before Rewire who lays down on the large bed, leering at them.

Now, why don't we get to know each other a little better? Introduce yourselves.

We are the Rivers family. I'm Charlotte, I'm 35 and I'm working in accounting at a small office downtown.

Tiffany. I'm Ally's sister, 18 years old. Last year of school.

Ally. I'm Charlotte's daughter and I'm 19 years old. Starting college next semester.

Mhm...
Now strip, girls.

We have
stripped naked,
master.

Do our naked
bodies please
you, master?

Very!

Now let's get
this party
started.

As Charlotte goes down on her master's cock Ally and Tiffany are having a scissoring session next to the bed.

You like that, Ally?

Oh, yes, master!

I love the feeling of your big hard dick in my tight teenage cunt!

Oh, god! Your lips feel amazing on my nipples, mom!

Wow!
My nipples'

As the Rivers family keeps up the pleasure, Rewire's eyes suddenly spot somebody familiar on a photo at the bedside table...

Oh, my!
I know that
woman!

Slave, who
is that?

That's
Auntie Erika,
master.

Erika Williams

I think I fucked that Erika chick back in my high school days.

Tell me more about her.

My sister used to be a bit shy at school.

A bit of a nerd.

My sister and her two girls are the famous Firestarters.

As it turns out, the woman in the picture is not only the girl Rewire took control of about 19 years ago, and the leader of the Firestarters but also mother to his twin daughters! What a fateful day!

Oh, yes, master! Pump me full of your seed!

And with the final instructions of his plan explained to Tiffany, Rewire shoots his load deep inside her spasming pussy.

Charlotte and Ally finish each other off on the floor in the meantime...

Alright, girl.
Do it now.
Get her

Yes, master.
Calling now...

Tiffany! Hey!
What's up?

What a brilliant
turn of events.
chuckle

Hey Velia!
I just stumbled
upon some
important info.

You still
wanna know
about your
father, right?

Duh!
Course I
do!

Meet me tomorrow at
that abandoned school
we used to hang out. 8
a clock. I promise, what
I found will **blow**
your mind.

The next day at the abandoned school Tiffany mentioned. Velia eagerly is on her way to meet up with her cousin. The thought about who her father might be nagging in her mind.

Not suspecting anything Velia enters the neglected classroom and approaches Tiffany – ignorant of the threat lurking in the corner...

Oh, don't worry.

You will meet master really soon.

And that's when Tiffany suddenly starts to strip off her clothes...

Velia is flabbergasted...

What the... Tiff! What are you...

And notices the approaching danger far too late!

Uhh...

Welcome to the club, cousin.

I will obey, Master.

Strip!

Thank you,
master.

Wow!
I'm proud
of you.

You've
developed
nicely.

Tiff, why don't
you make her
feel good while
I explain the
plan to her?

Yes,
master!

Now let's go over my plan...

Oh, and call me daddy.

...
Do you understand?

Rewire starts explaining his plan to his newly converted slave.
