

MOAN

What?  
A fey?

Well, hello there. Are you my new Mistress?

Well, no.  
I am not a  
female, as you  
can see.

Shut up. Your kidding, right?

There's no way. Let me see.

No way. You actually are male?

Told you.

A 3D rendered character with short, layered red hair and red eyes. She has intricate, glowing orange and red tattoos on her chest and shoulders. She is standing in a library with wooden bookshelves. A bookshelf to her right contains several books with gold-embossed covers and blue spines. One book's spine is visible with the text 'BOOK TITLE' and 'Author'. She has a slightly confused or questioning expression.

This is weird. This has never happened to me.

Normally, I get summoned by horny females, so I am not sure what to do here.

Well, I did want to have someone to test out my potions.

I guess I can do that. And after all, you summoned me, so it's really up to you.

If you would try out this mixture then.

Sure.

How is it?
