

Joey stripped off his outer clothes, revealing his Kid Raven costume. His mask in place, the leather-clad kid crusader anticipated beating up the kids flooding his high school with drugs!

Kid Raven IS Going Down

Suddenly gas billowed up, and he fell to his knees! It stung his eyes, and nose as he was overwhelmed!

"Aw fuck yeah, it worked! Caught him!"

"Unzip his costume! Pull out his dick!"

"Wow, tough-guy superhero has a small little kid-cock! Ha ha!"

Dazed by the gas, Kid Raven heard the voices distantly. He blushed hotly as they mocked his cock. He was 18! He was just... catching up...

"It's not!" he wanted to sob, but the gas made him so.... compliant. He felt them caress his face, as they undressed him.

Kid Raven gulped as he recognized the other teens, all members of the football team. They had all made fun of him in his secret ID many times, and now he was in their power. The gas made him their complete slave.

choke
Don't....!
Please!

Hey, Kid **might** have something between his legs after all.... Yeah, you **can't** fight it, Kid Raven. Might as well **enjoy** this. We are... And you're not interfering **ever** again.

Steve pushed his length against the masked teen's lips. "Shut up and enjoy some linebacker cock, masked man...."

Aw fuck, Carter... his fucking mouth is so warm and wet... yeah, suck that big cock, hero...."

Oh
fuck, hero, suck my
cock! Yeah, use your
tongue... that's a good
boy...

sob Even hard, I'm hardly half the size they are!

"Your little-kid penis ain't worth sucking... turn him over. "

"Steve, listen to him moan. He loves having his ass played with!"

The high-school stud laughed.
"Always figured you were a pussy-boy, Kid Raven. Glad to find out I was right.
Yeah, present that ass, dude. We own you, now..."

It feels so good!

Carter's fingers are so good in my ass! I want him to do that to me forever!

Yeah, keeping moaning, stud, I know you love that...

"I can't believe this is happening!" Kid Raven thinks as he feels the two sports-studs stroke and tease his strong body. He blinks back tears as the two teens mock him constantly for how small his penis is, until he's ready to break.

"Hey, Steve, I think pussy boy is crying!"

"Fuck, Carter, he is. Guess he can't bear that tiny cock. Maybe we should show him what real men are like?"

"Hey, Steve! Super-Pussy knows my **name!** I'm flattered! Well, since you're such a **fan,** Kid Raven, you get my cock **first!**"

Any protest the struggling hero had was silenced by Steve's strong cock sliding down Kid Raven's throat!

"Yeah, I know you love taking that cock, hero... so fucking tight... "

Kid Raven trembled as the quarterback's thick stud-cock took his virginity, the powerful tool thrusting deep inside him over and over. He wanted to beg Carter to fuck him forever, but Steve's cock was deep in his throat!

Finally Carter decided to show the teen hero some mercy, removed his cock ring, and slipped his lips over the youth's pulsing penis as Kid Raven shot his load.

After they were done, Carter dressed Kid Raven again... then unmasked him. "Fuck me, it's Joey Thomas, the nerd boy. Who knew you had such a fucking tight body? You little shit. Well, you're our little bitch now, hero, the gas made sure of that...permanently!"

Thank God, I'm Carter's bitch-boy! His cock is so magnificent. I want it inside me again, already!

The next day...

NO!
HOW?!

Hey, **Kid Raven**?
Have any **memory** of last
night!? Yeah? Be at the gym
tonight at Eight in your
bitch-suit!

YEAH!

That night in the gym, the studs were waiting for Kid Raven. The hero meekly knelt and began to lick Carter's thick tool.

"Good boy," Carter crooned to the hero. "You get to keep your playsuit on for now..."

"Y-yessir.." Kid Raven muttered as he continued to lick his master's cock.

THE END of our purple protector? Probably....
