isn't all  
that bad

Comic by Chantel97

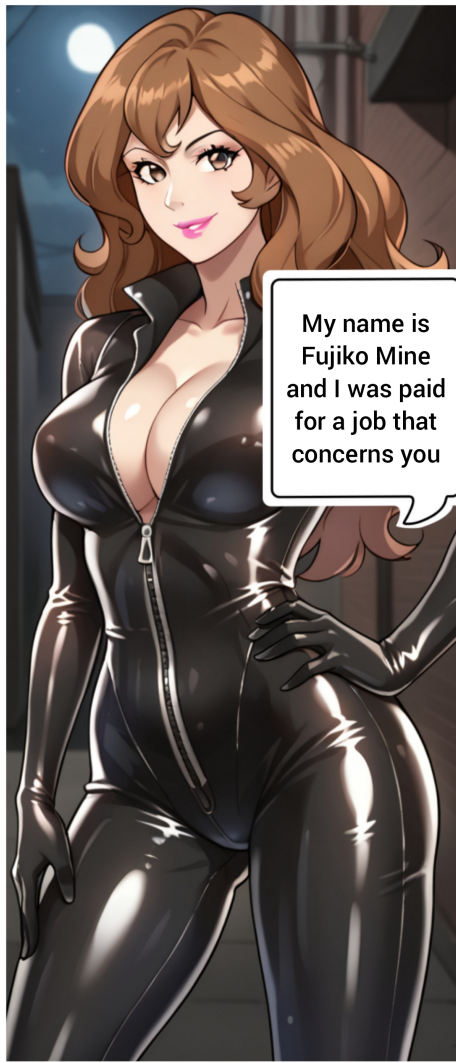

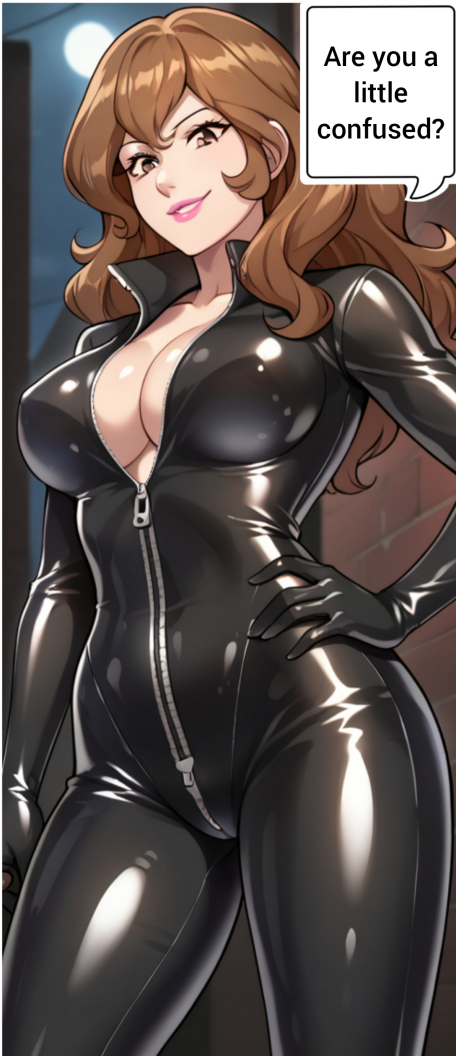

You came to the date in time

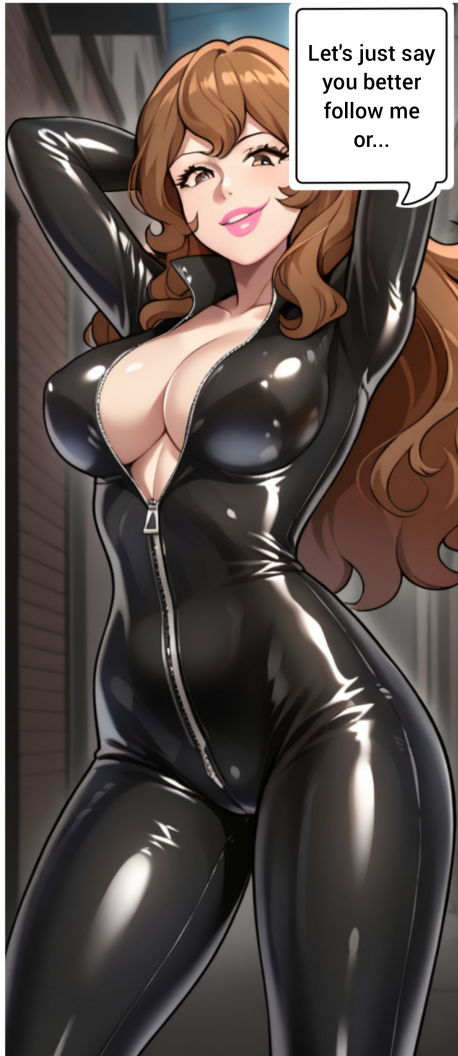

Do you know who I am?

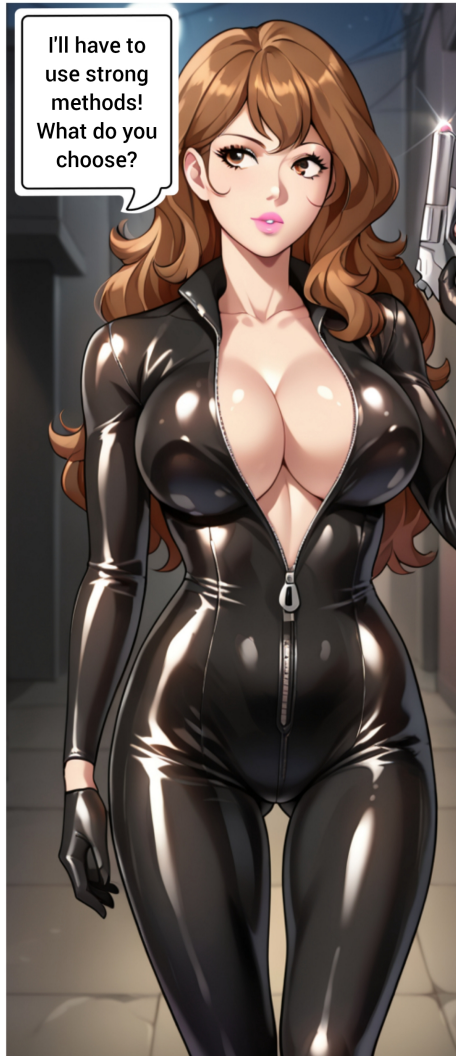

My name is Fujiko Mine and I was paid for a job that concerns you

Are you a little confused?

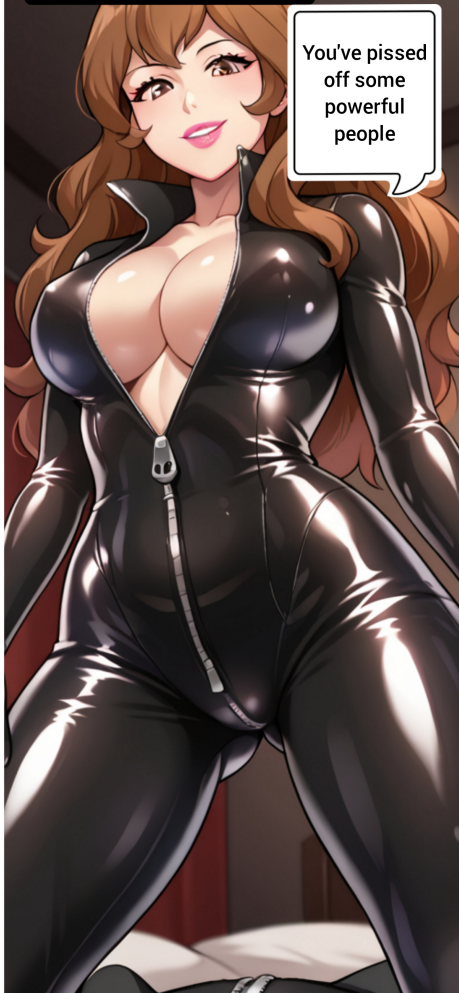

Let's just say you better follow me or...

I'll have to use strong methods! What do you choose?

Ten minutes later

You've pissed off some powerful people

They instructed me to kidnap you and leave you in this hotel tied up and gagged

But... they didn't specify how hot you were

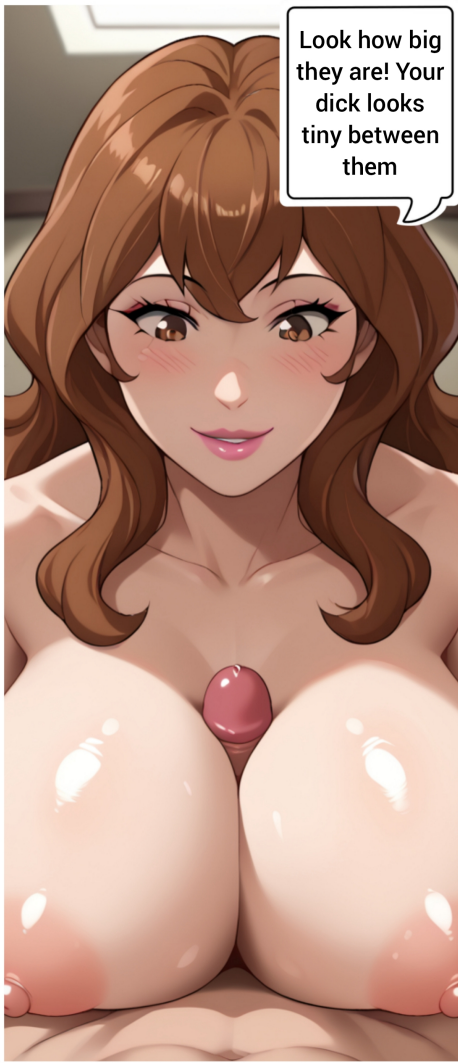

I think I'll do a little work before I leave you here

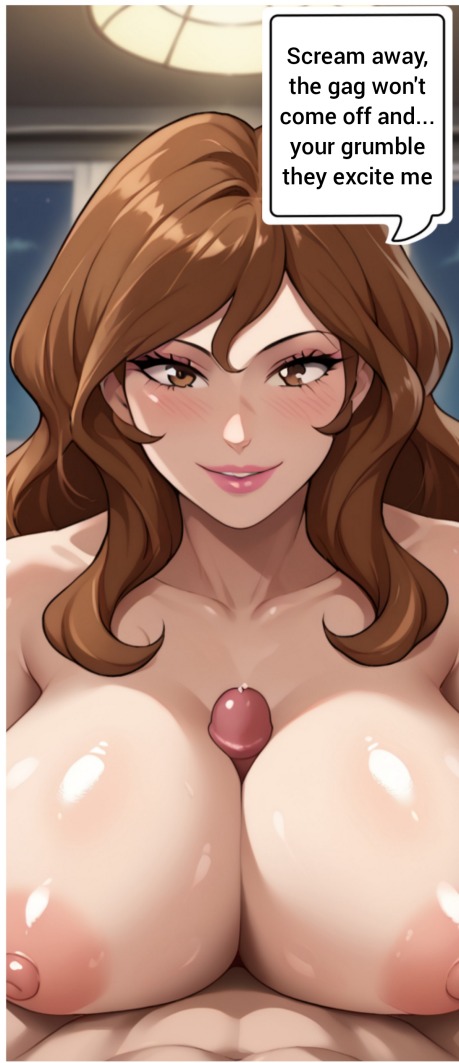

Do you like what you see?

Too bad you can't touch them... you can shake as much as you want but the knots will hold

Look how big they are! Your dick looks tiny between them

Scream away, the gag won't come off and... your grumble they excite me

Let's see if you can hold out for a while

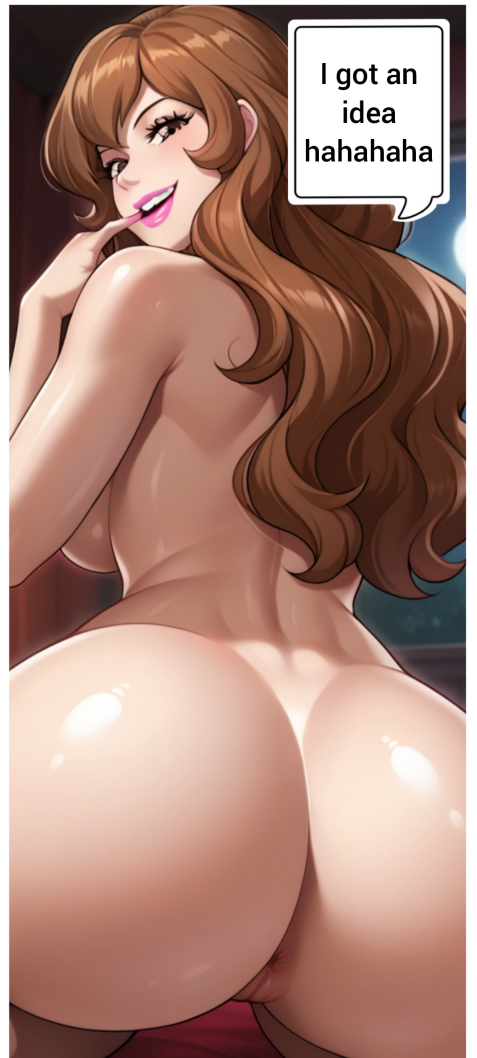

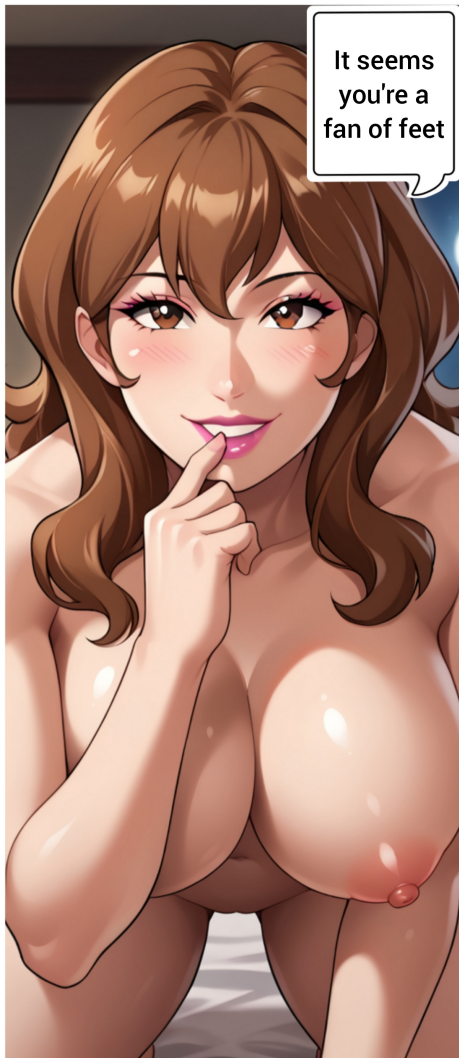

Go ahead and grumble... I won't stop

Scream more! Come on!

Are you almost there? Then let's change something

But my employers will be arriving soon

Unfortunately we have to leave each other

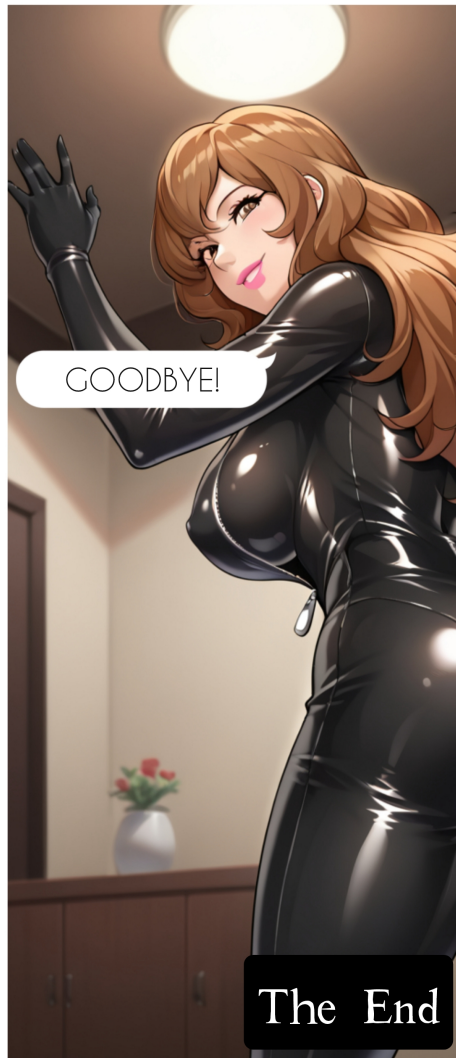

Thanks for the little entertainment

But now I have to go, I wish you good luck

Even though I'll be sorry to leave you to your fate

GOODBYE!

The End
