Yawn..

Can we.. go home now, Serika?

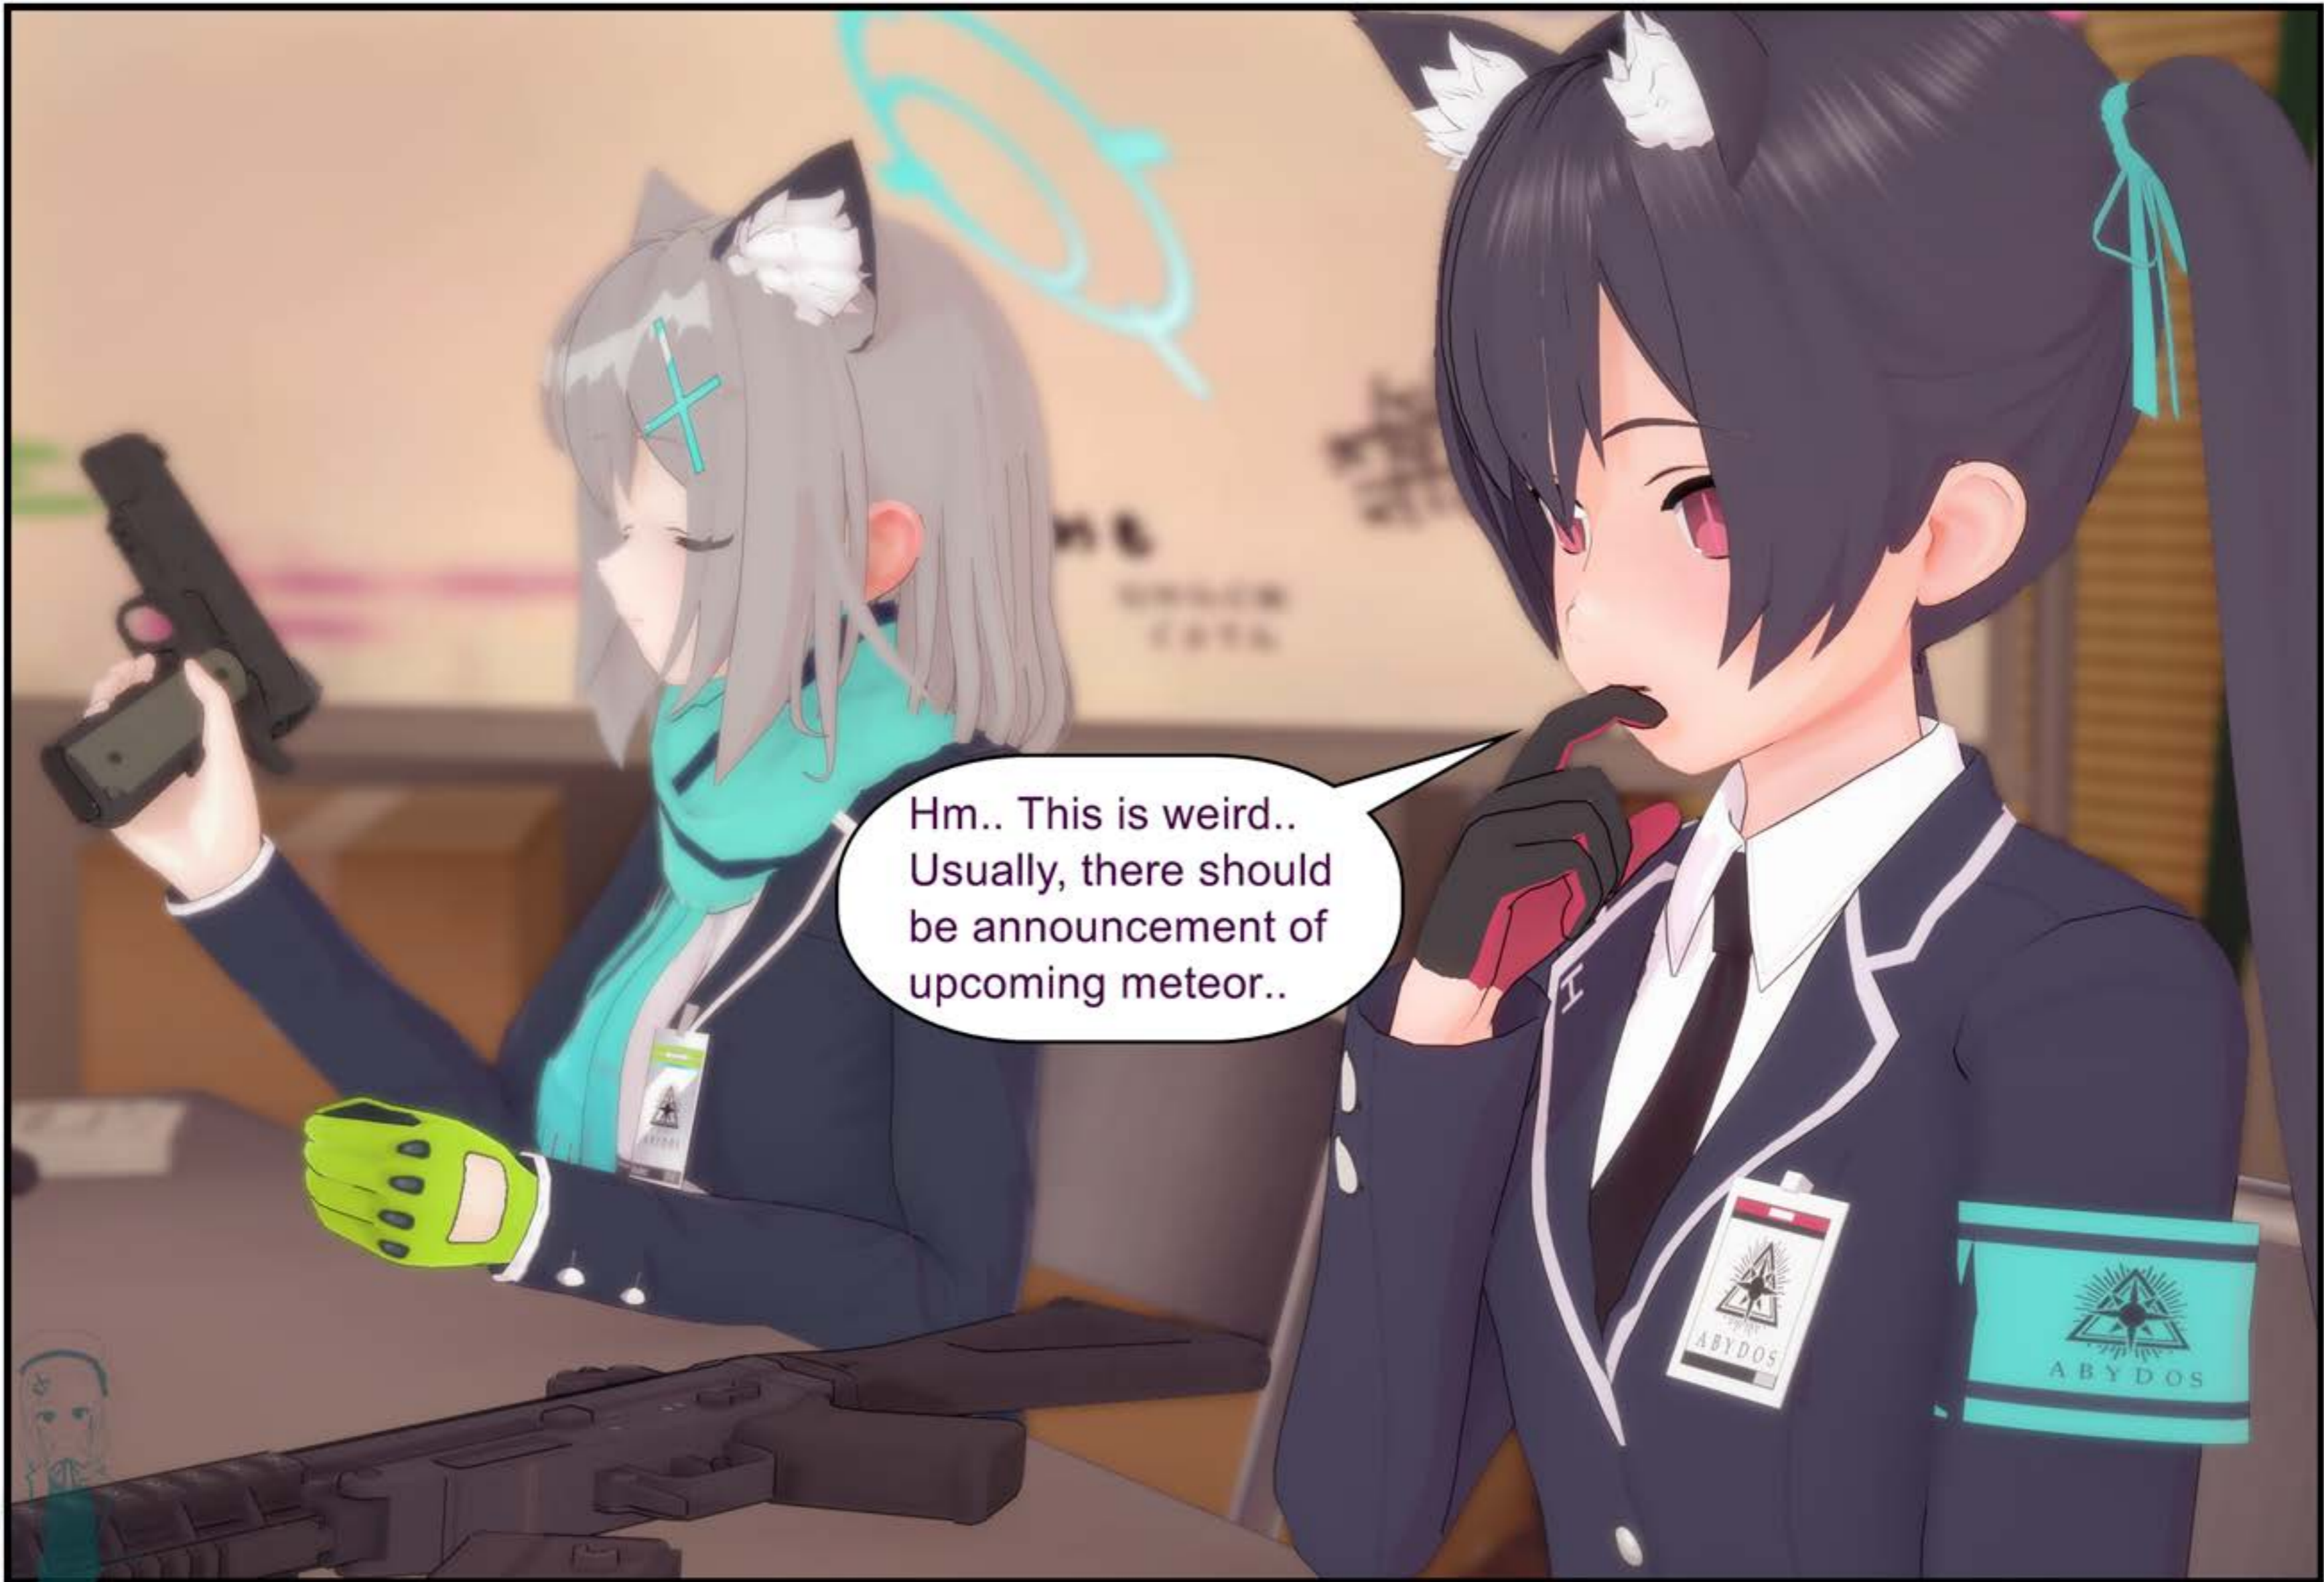

ABYDOS

Not yet, Hoshino.
We are still on a
lock down.

The expert are taking care of the meteor that crashed near our school.

Hm.. This is weird..
Usually, there should
be announcement of
upcoming meteor..

Maybe it all happened too fast.

Uhm.. Nonomi hasn't returned for half an hour now.. Should we..

Hi everyone,
Nonomi's here. No
need to look for me.

We were worrying if you have anything..

About that, I thought I heard someone in here..

Was that intruder!?

Nope. My mistakes, so don't mind it.

Phew, at least you didn't go out of the school..

I suggest from now on, we should go in group.

I agree. Who know what is the reason for this lock down.

"Hm.. They haven't realized my presence yet."

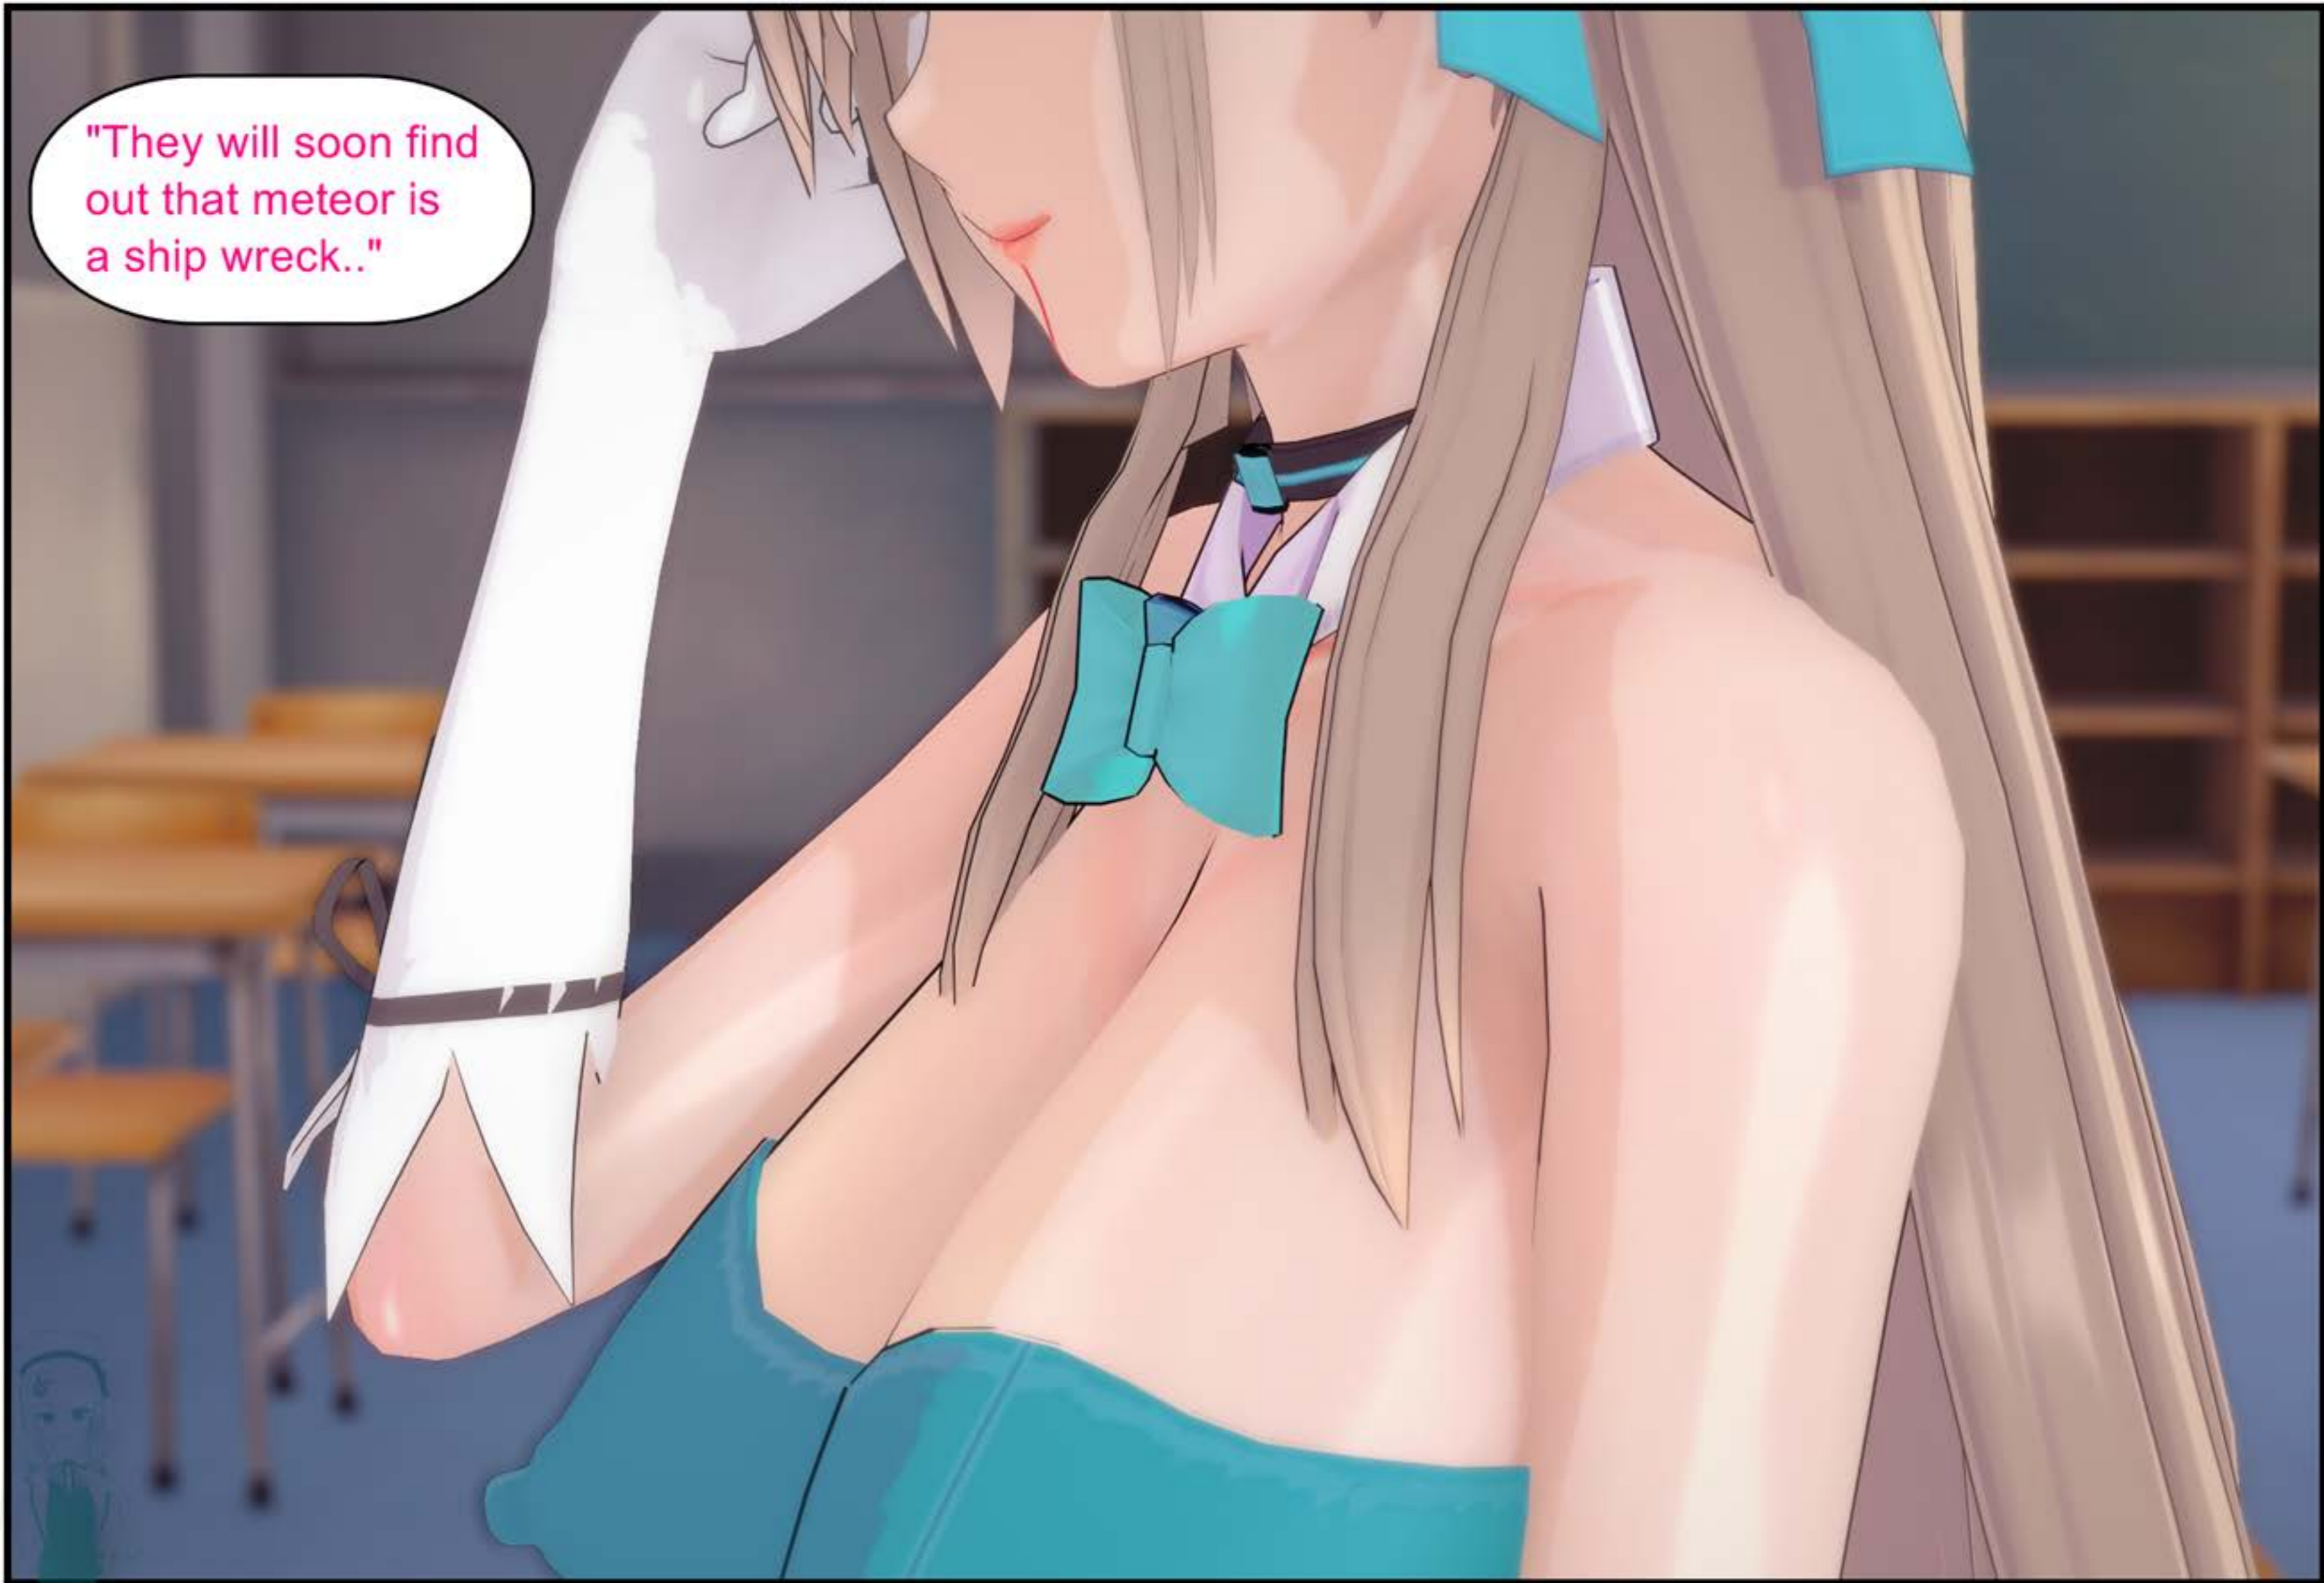

"Nonomi, do me a favor."

"Infect them all,
one by one in this
Countermeasures
Committee."

"They will soon find out that meteor is a ship wreck.."

"That's why.. I will have to turn this Abydos High into my base soon."

I need to use nearby bathroom a bit.

Hm? Where are you going, Ayane?

I say that you should have someone to tag along.

Oh, it's okay. I will be fine on my own..

Then.. Let me go with Ayane.

It will be safer
with me, and I
will wait for you.

Thank you
very much, Nonomi.
Mind you a bit.

Then we will get going now.

Alright, come back as soon as you can.

That was scary,
right? The meteor..

With that, we
can be together
all night to night!

Haha.. You
are right.

Hey, I also found something, too.

Hm..? What is it, Nonomi?

You are not going
to resist when see it.

Nonomi..?

W-What are you doing!!??

委員長

N-Nonomi..
Your eyes..?

W-What..!?

部長

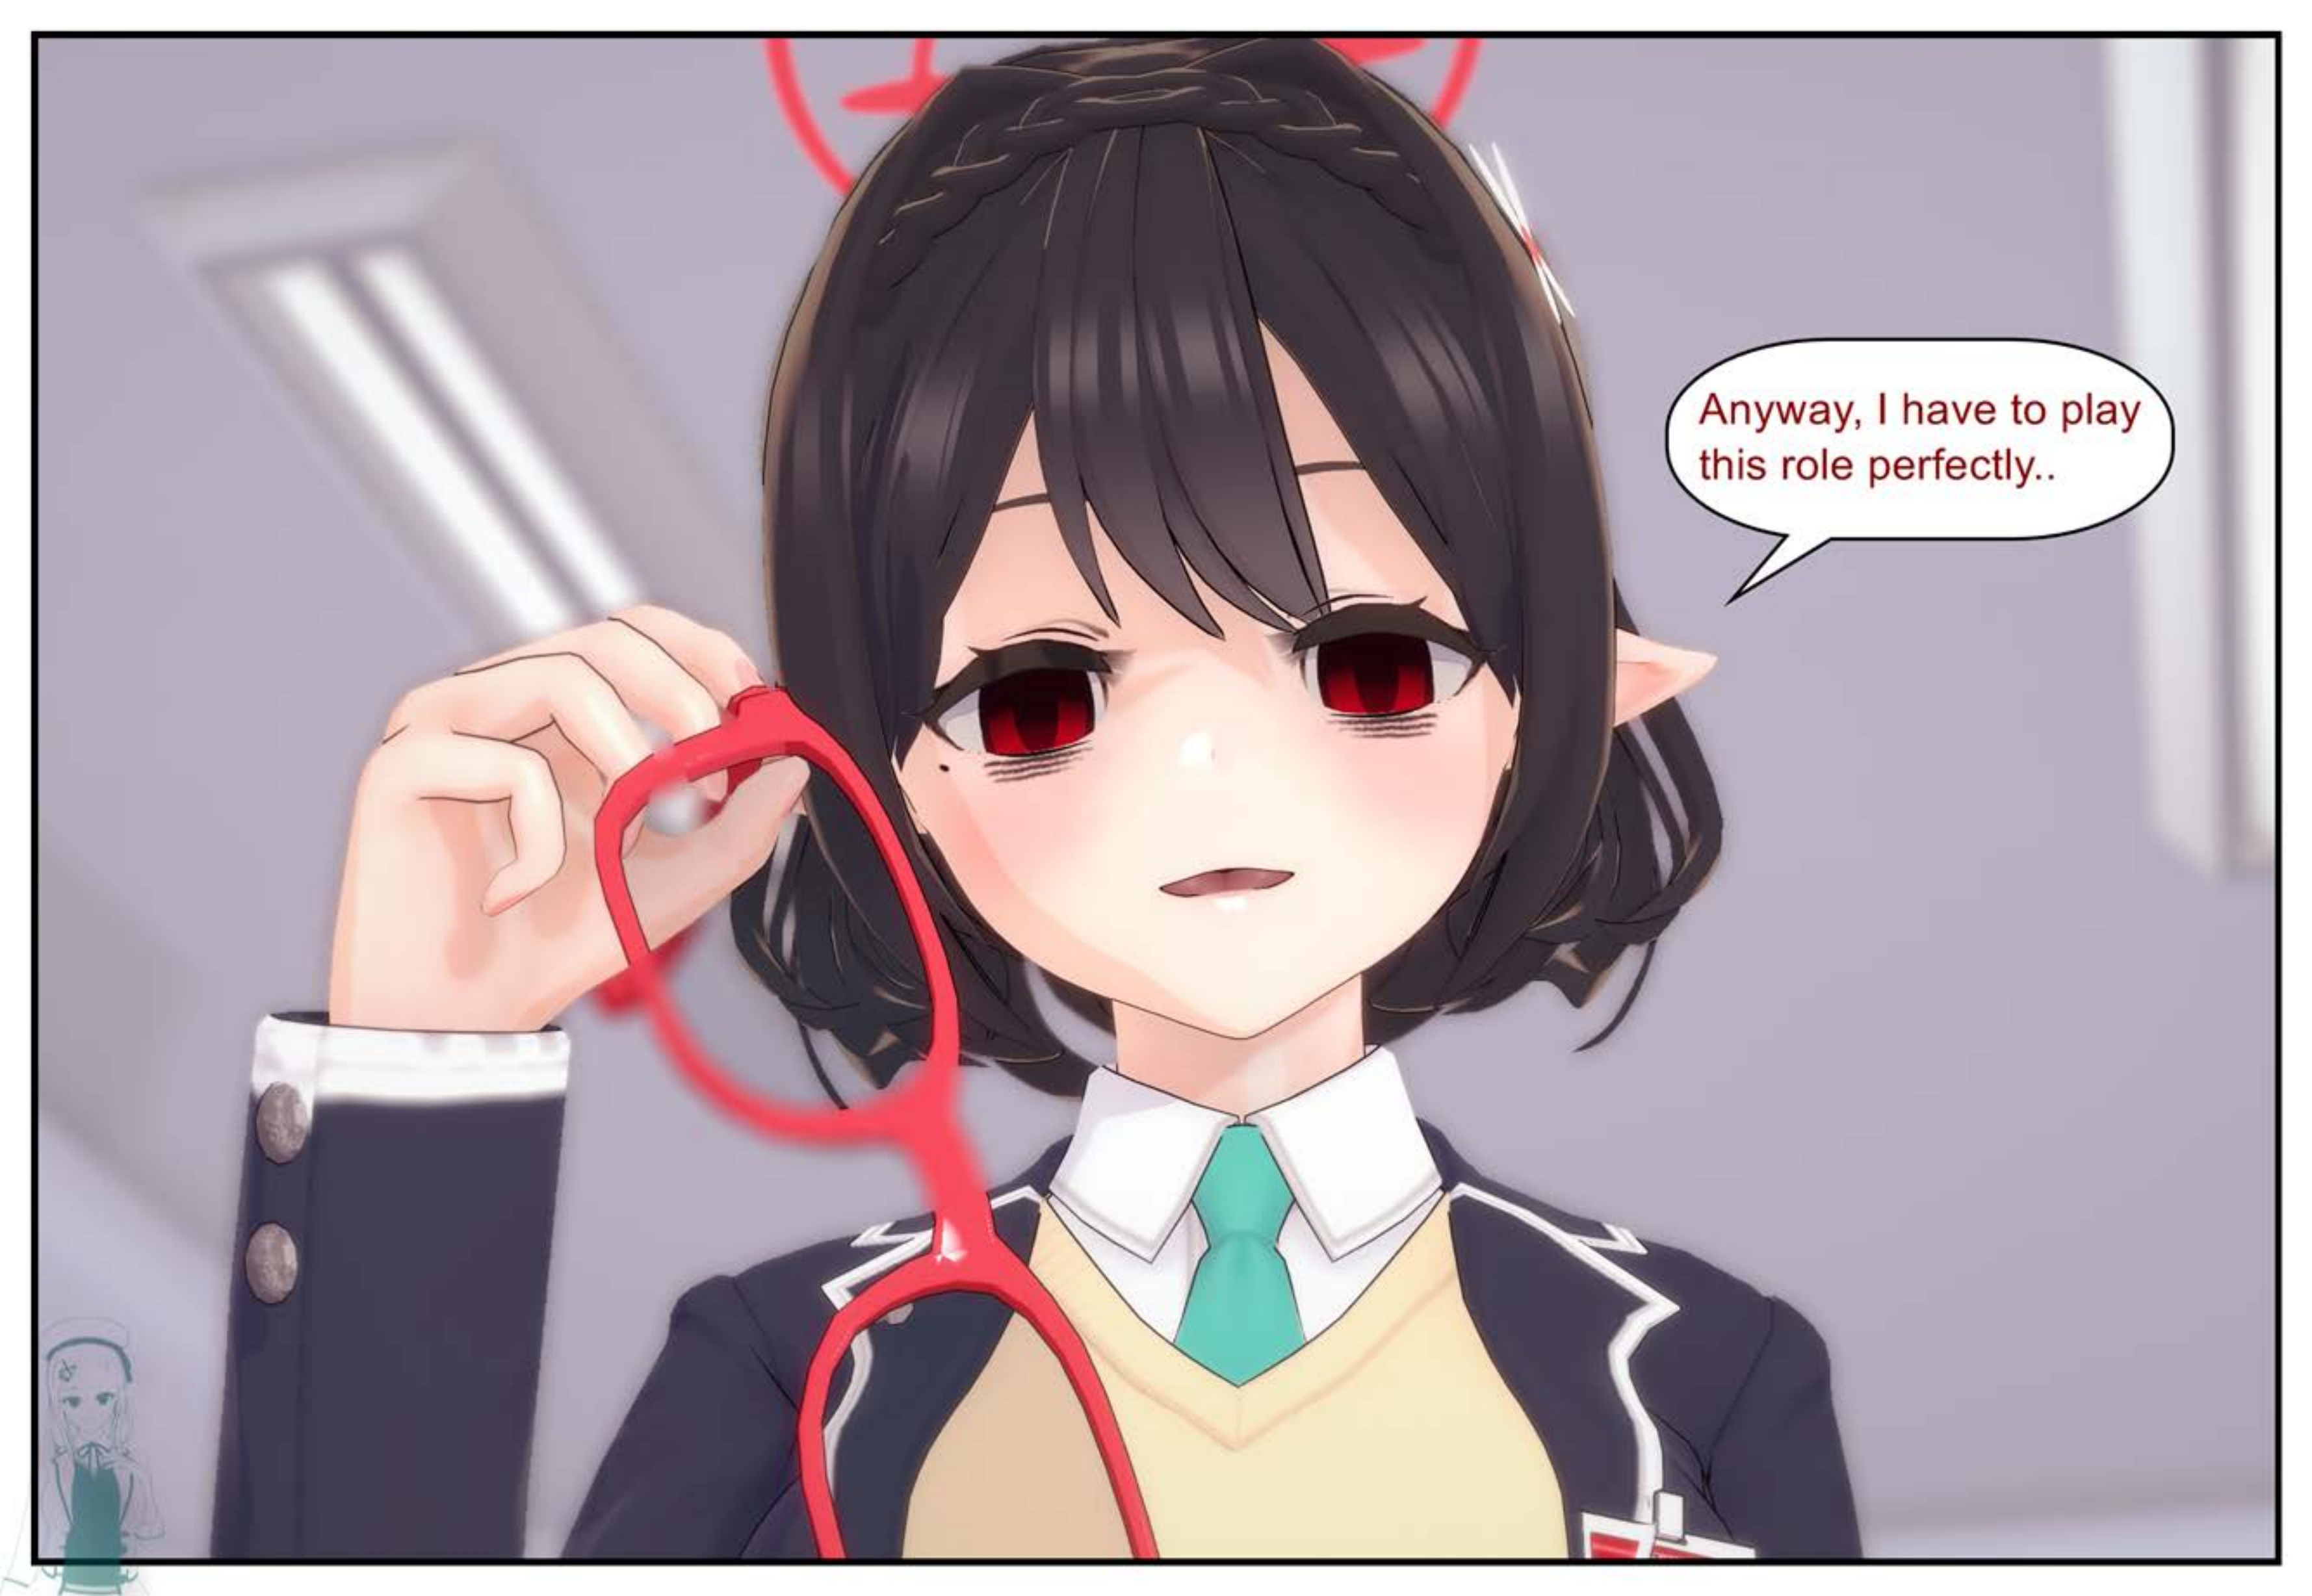

"Hm.. This glasses just in the way, I can't see if take it off."

A young girl with short black hair, red eyes, and red horns. She is wearing a dark blue school uniform jacket with white trim, a white collared shirt, and a teal tie. She is holding a pair of red-rimmed glasses in her right hand. A speech bubble is positioned to her right. The background is a simple, light-colored wall with a blurred light source on the left.

Anyway, I have to play
this role perfectly..

"Ugh.. Before that,
I should take care
of this first.."

Hahhh~ It's
good to get it
all out..

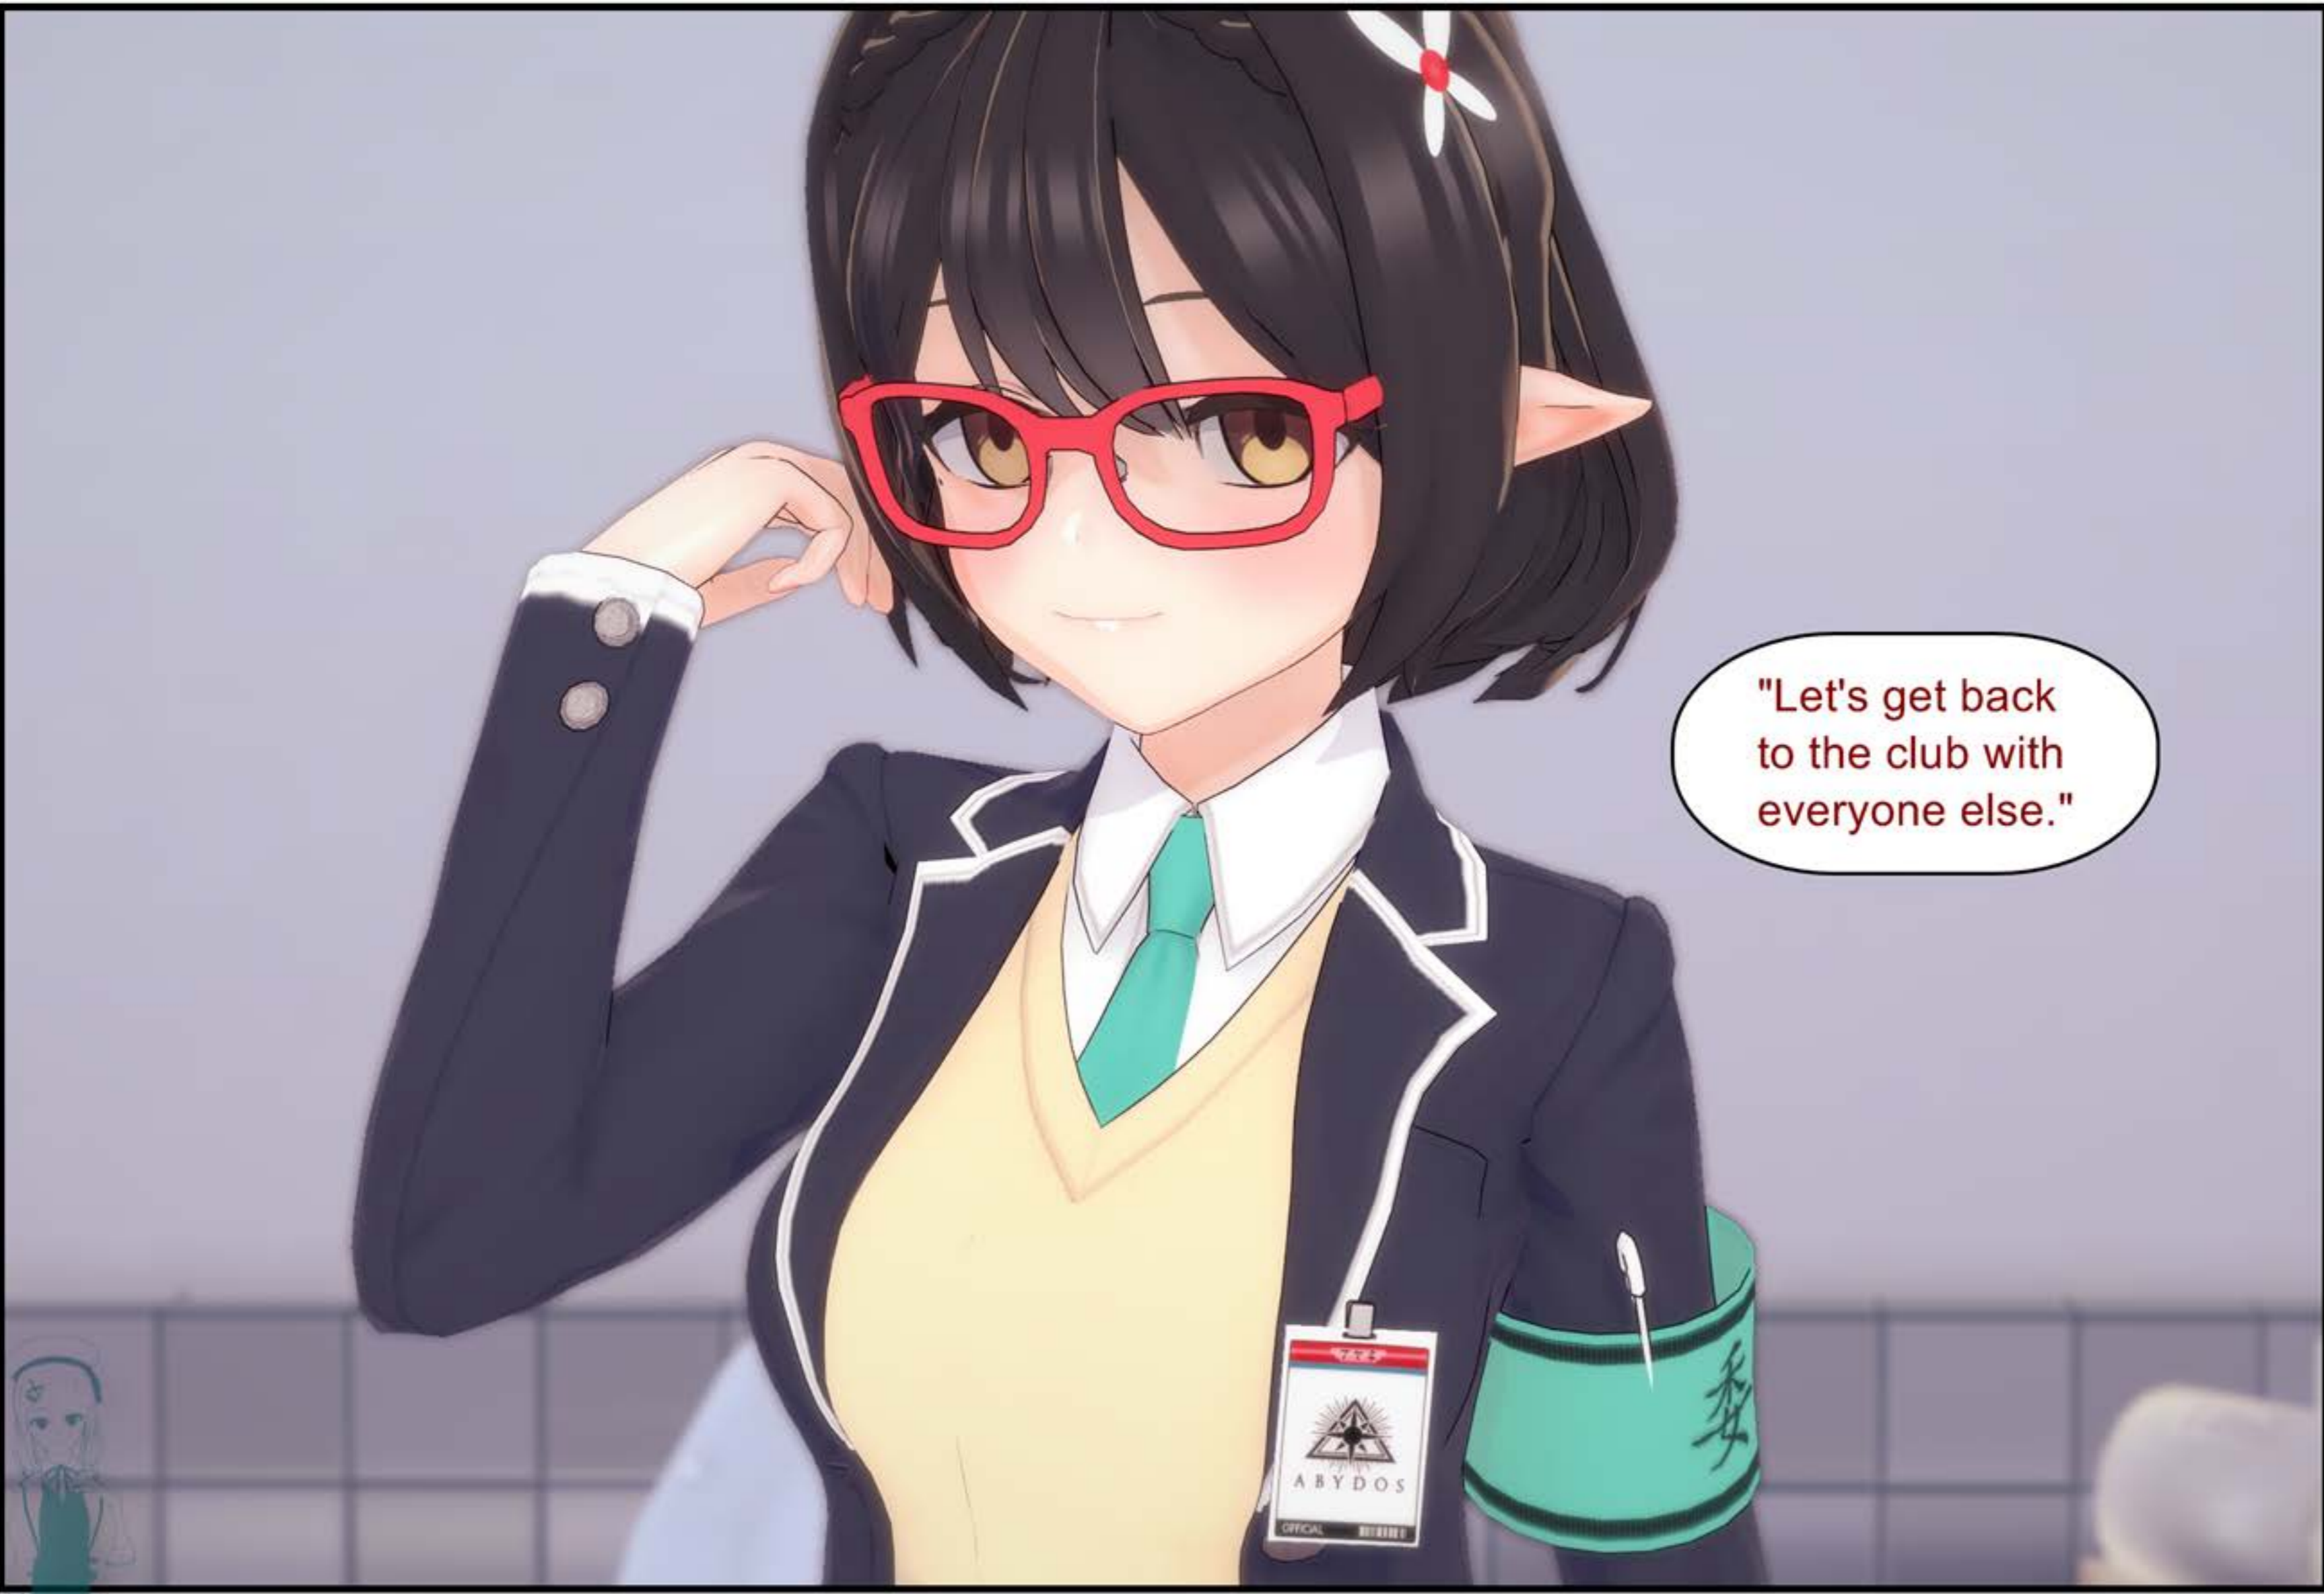

"Now then.."

"Let's get back to the club with everyone else."

A-Ayane..!?

Why did Nonomi..
What have you done
to her!?

Master, you can stop that acting.

Hm..? Me? Are you calling me?

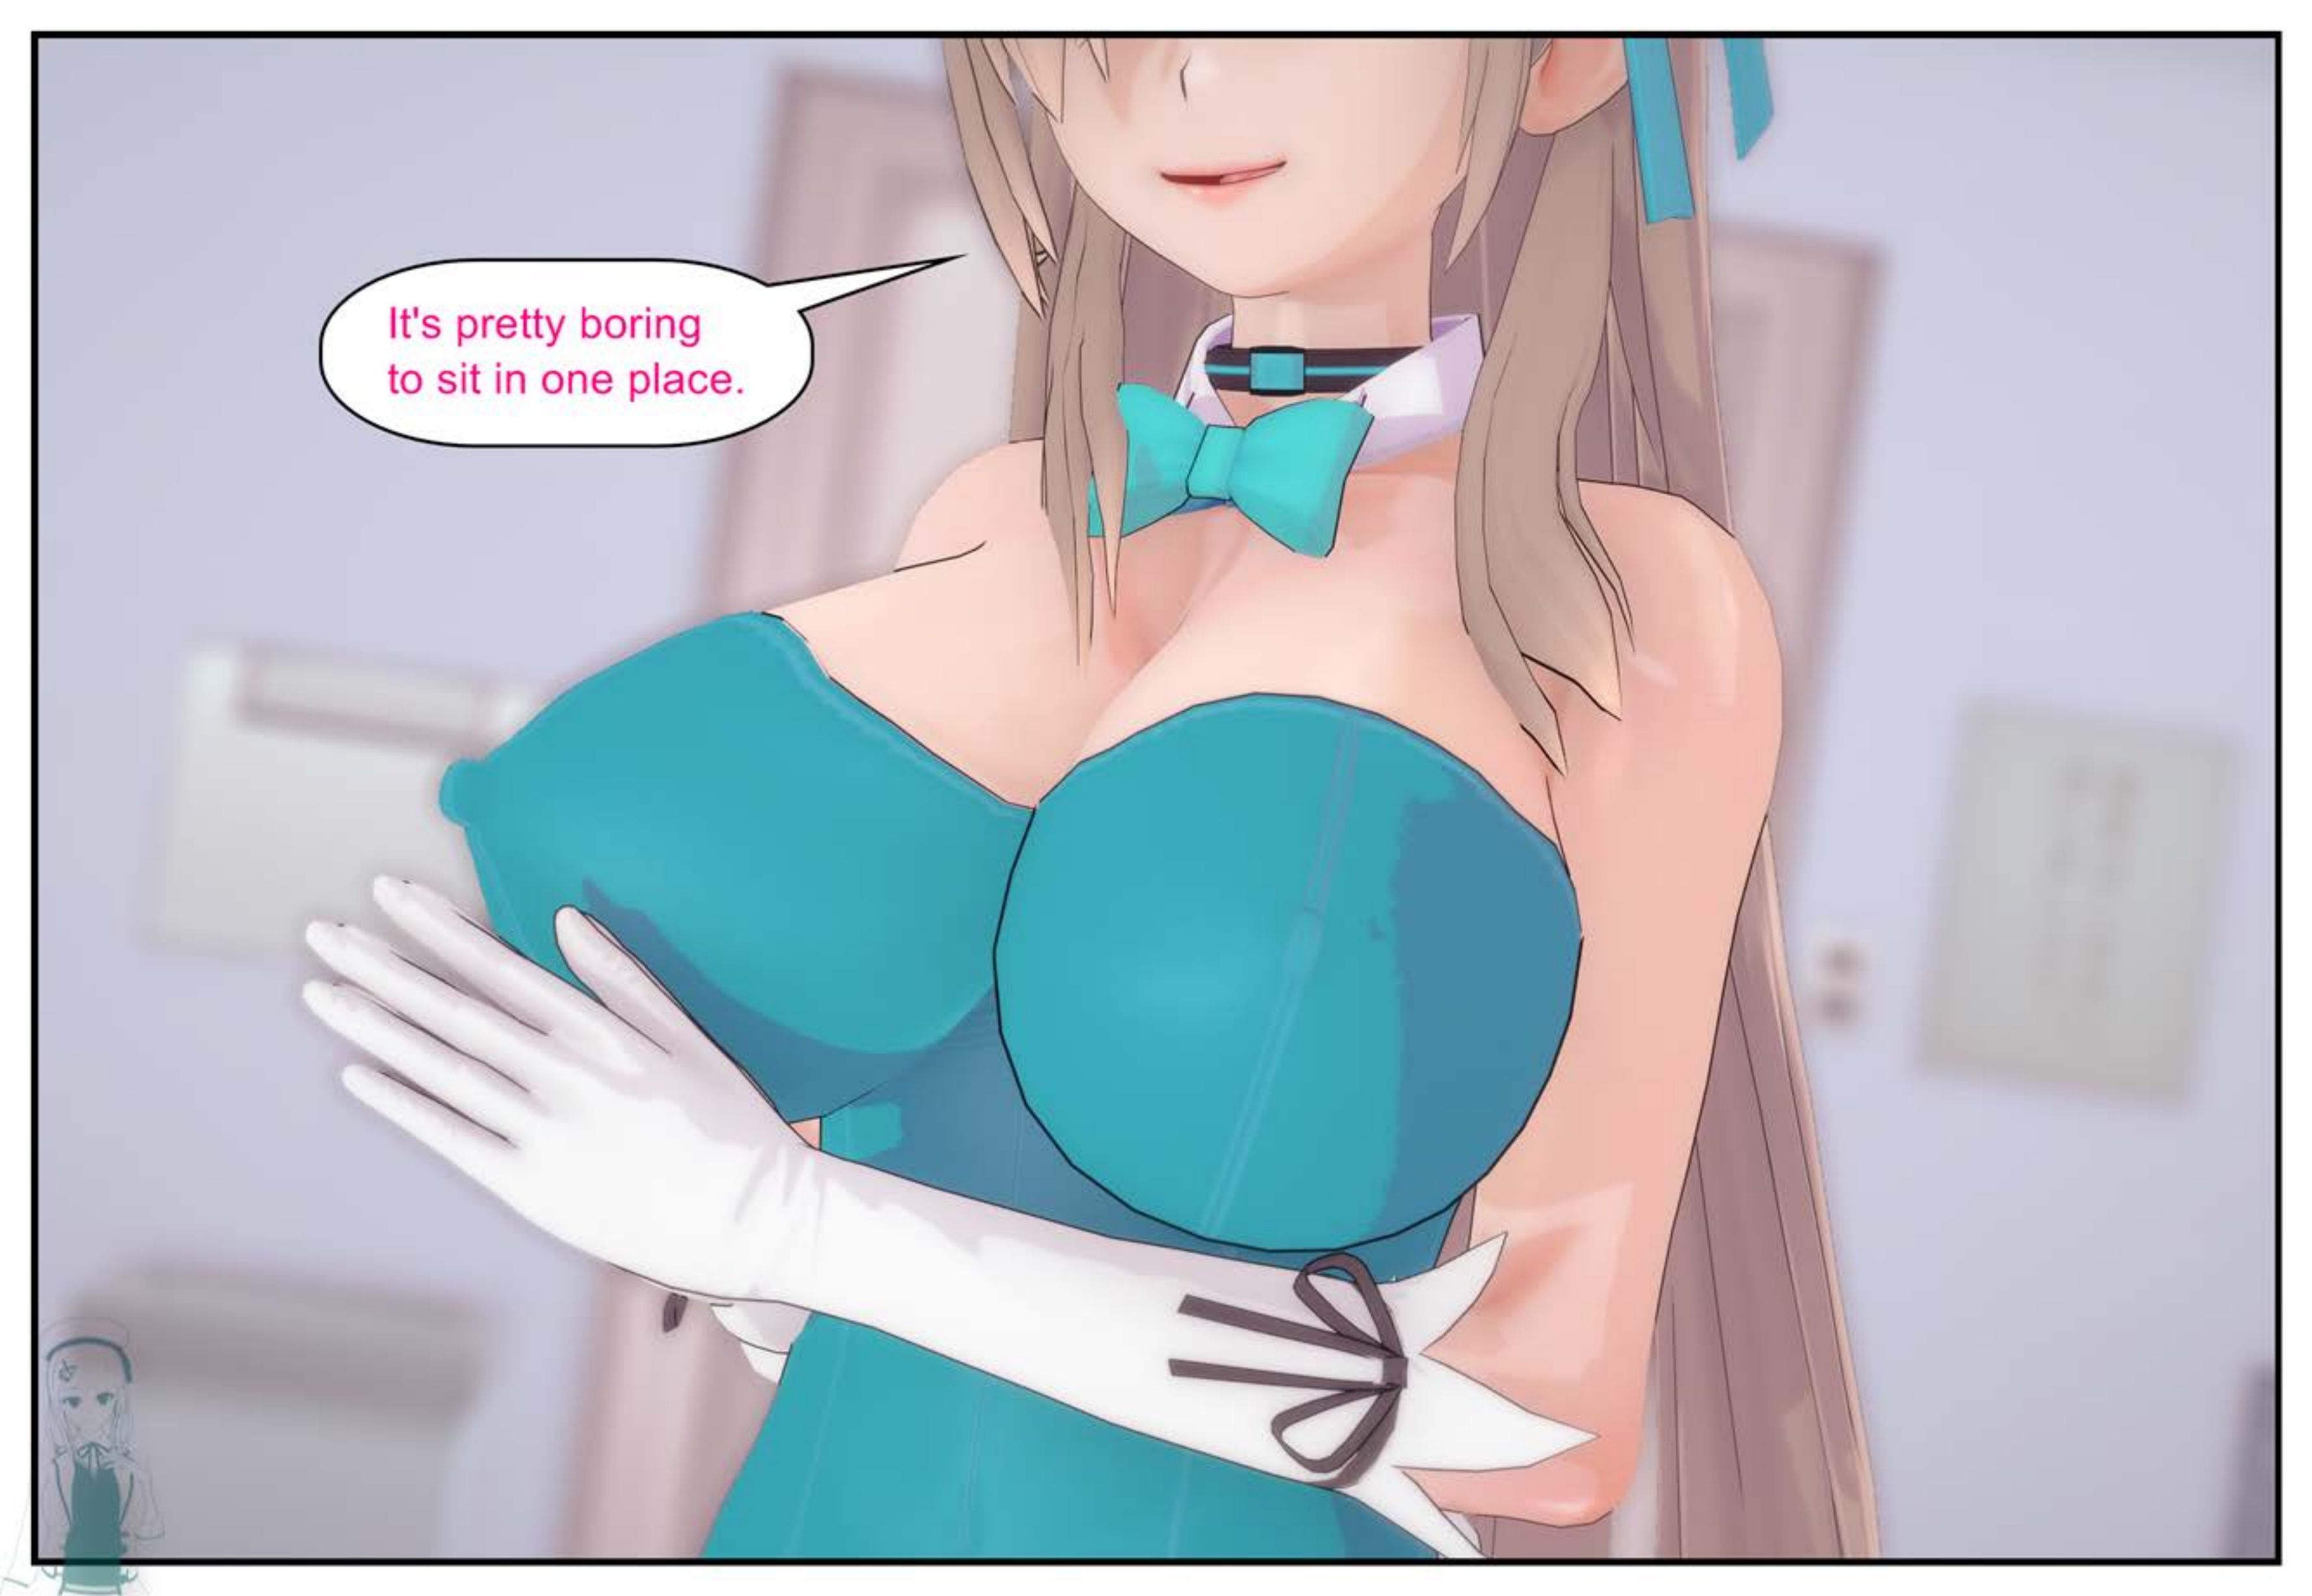

No one see this scene would just stand there and asking why.

Ah.. That was my best acting of Asuna so far.

It's pretty boring
to sit in one place.

By the way, I found
Asuna fit to be my
pernament host.

Look like you
already 100%
parasited into her.

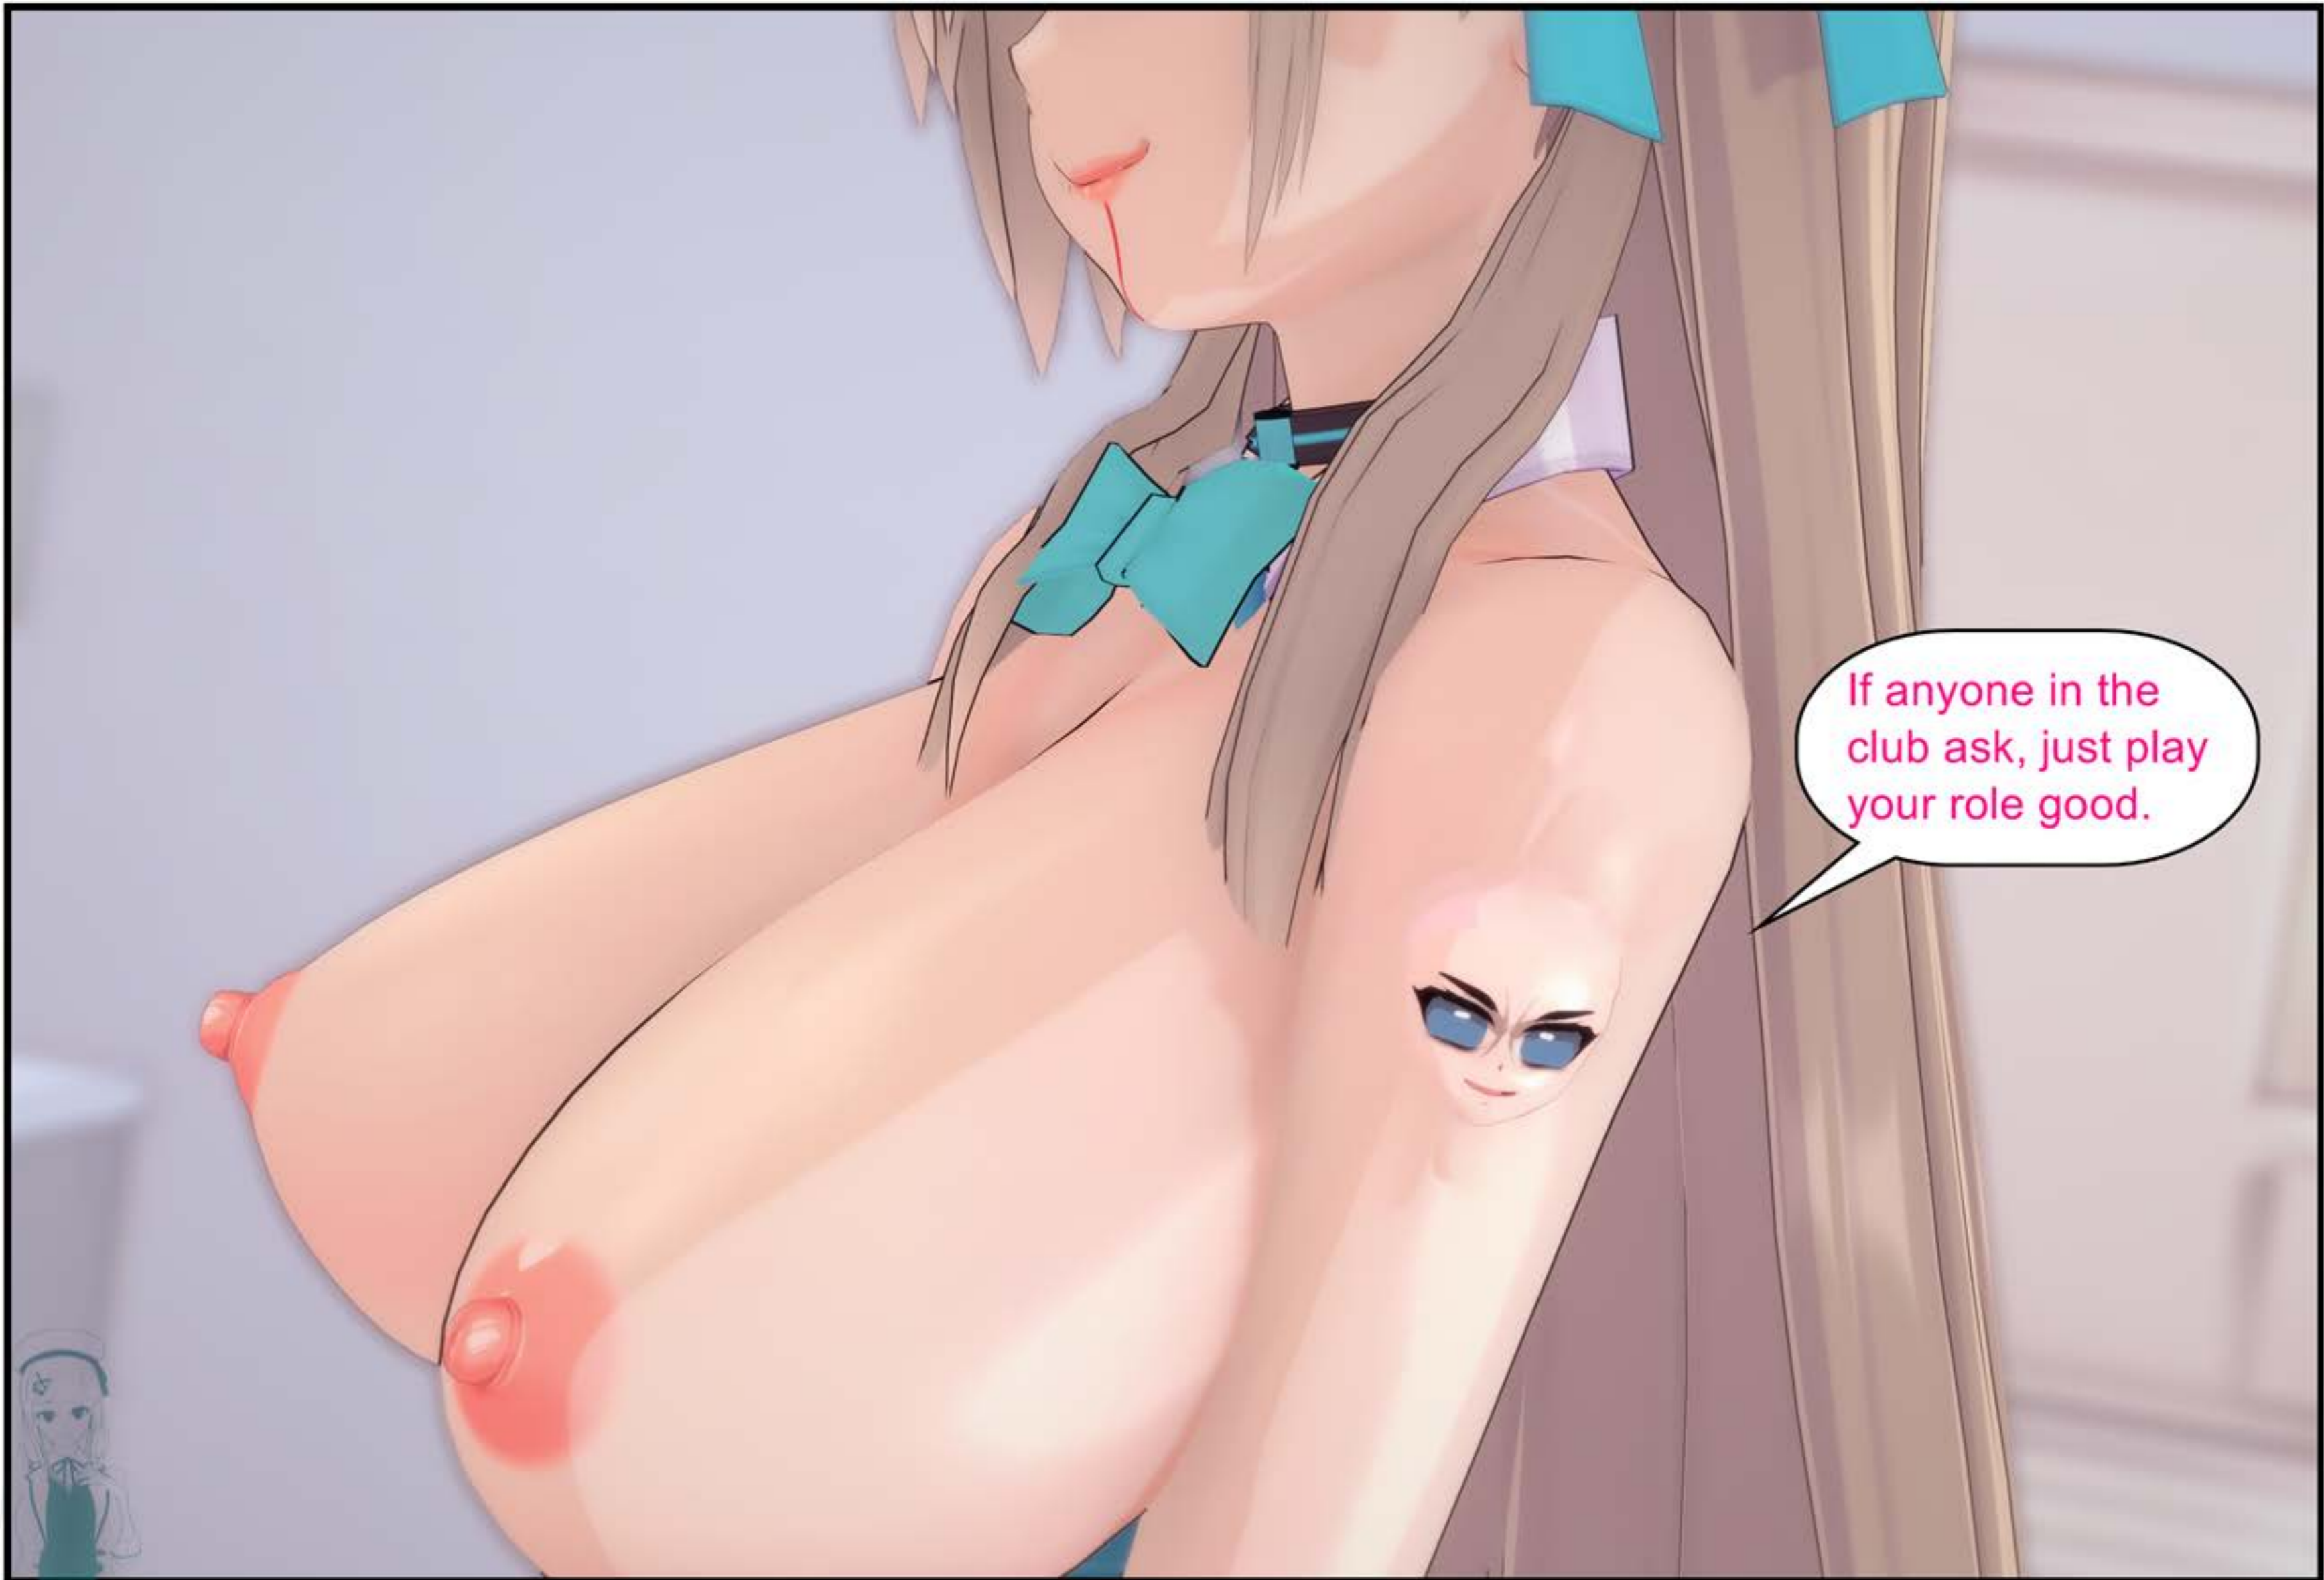

What about Nonomi,
Master? Should we
leave her here?

Leave her here, as she may come in handy after.

If anyone in the club ask, just play your role good.

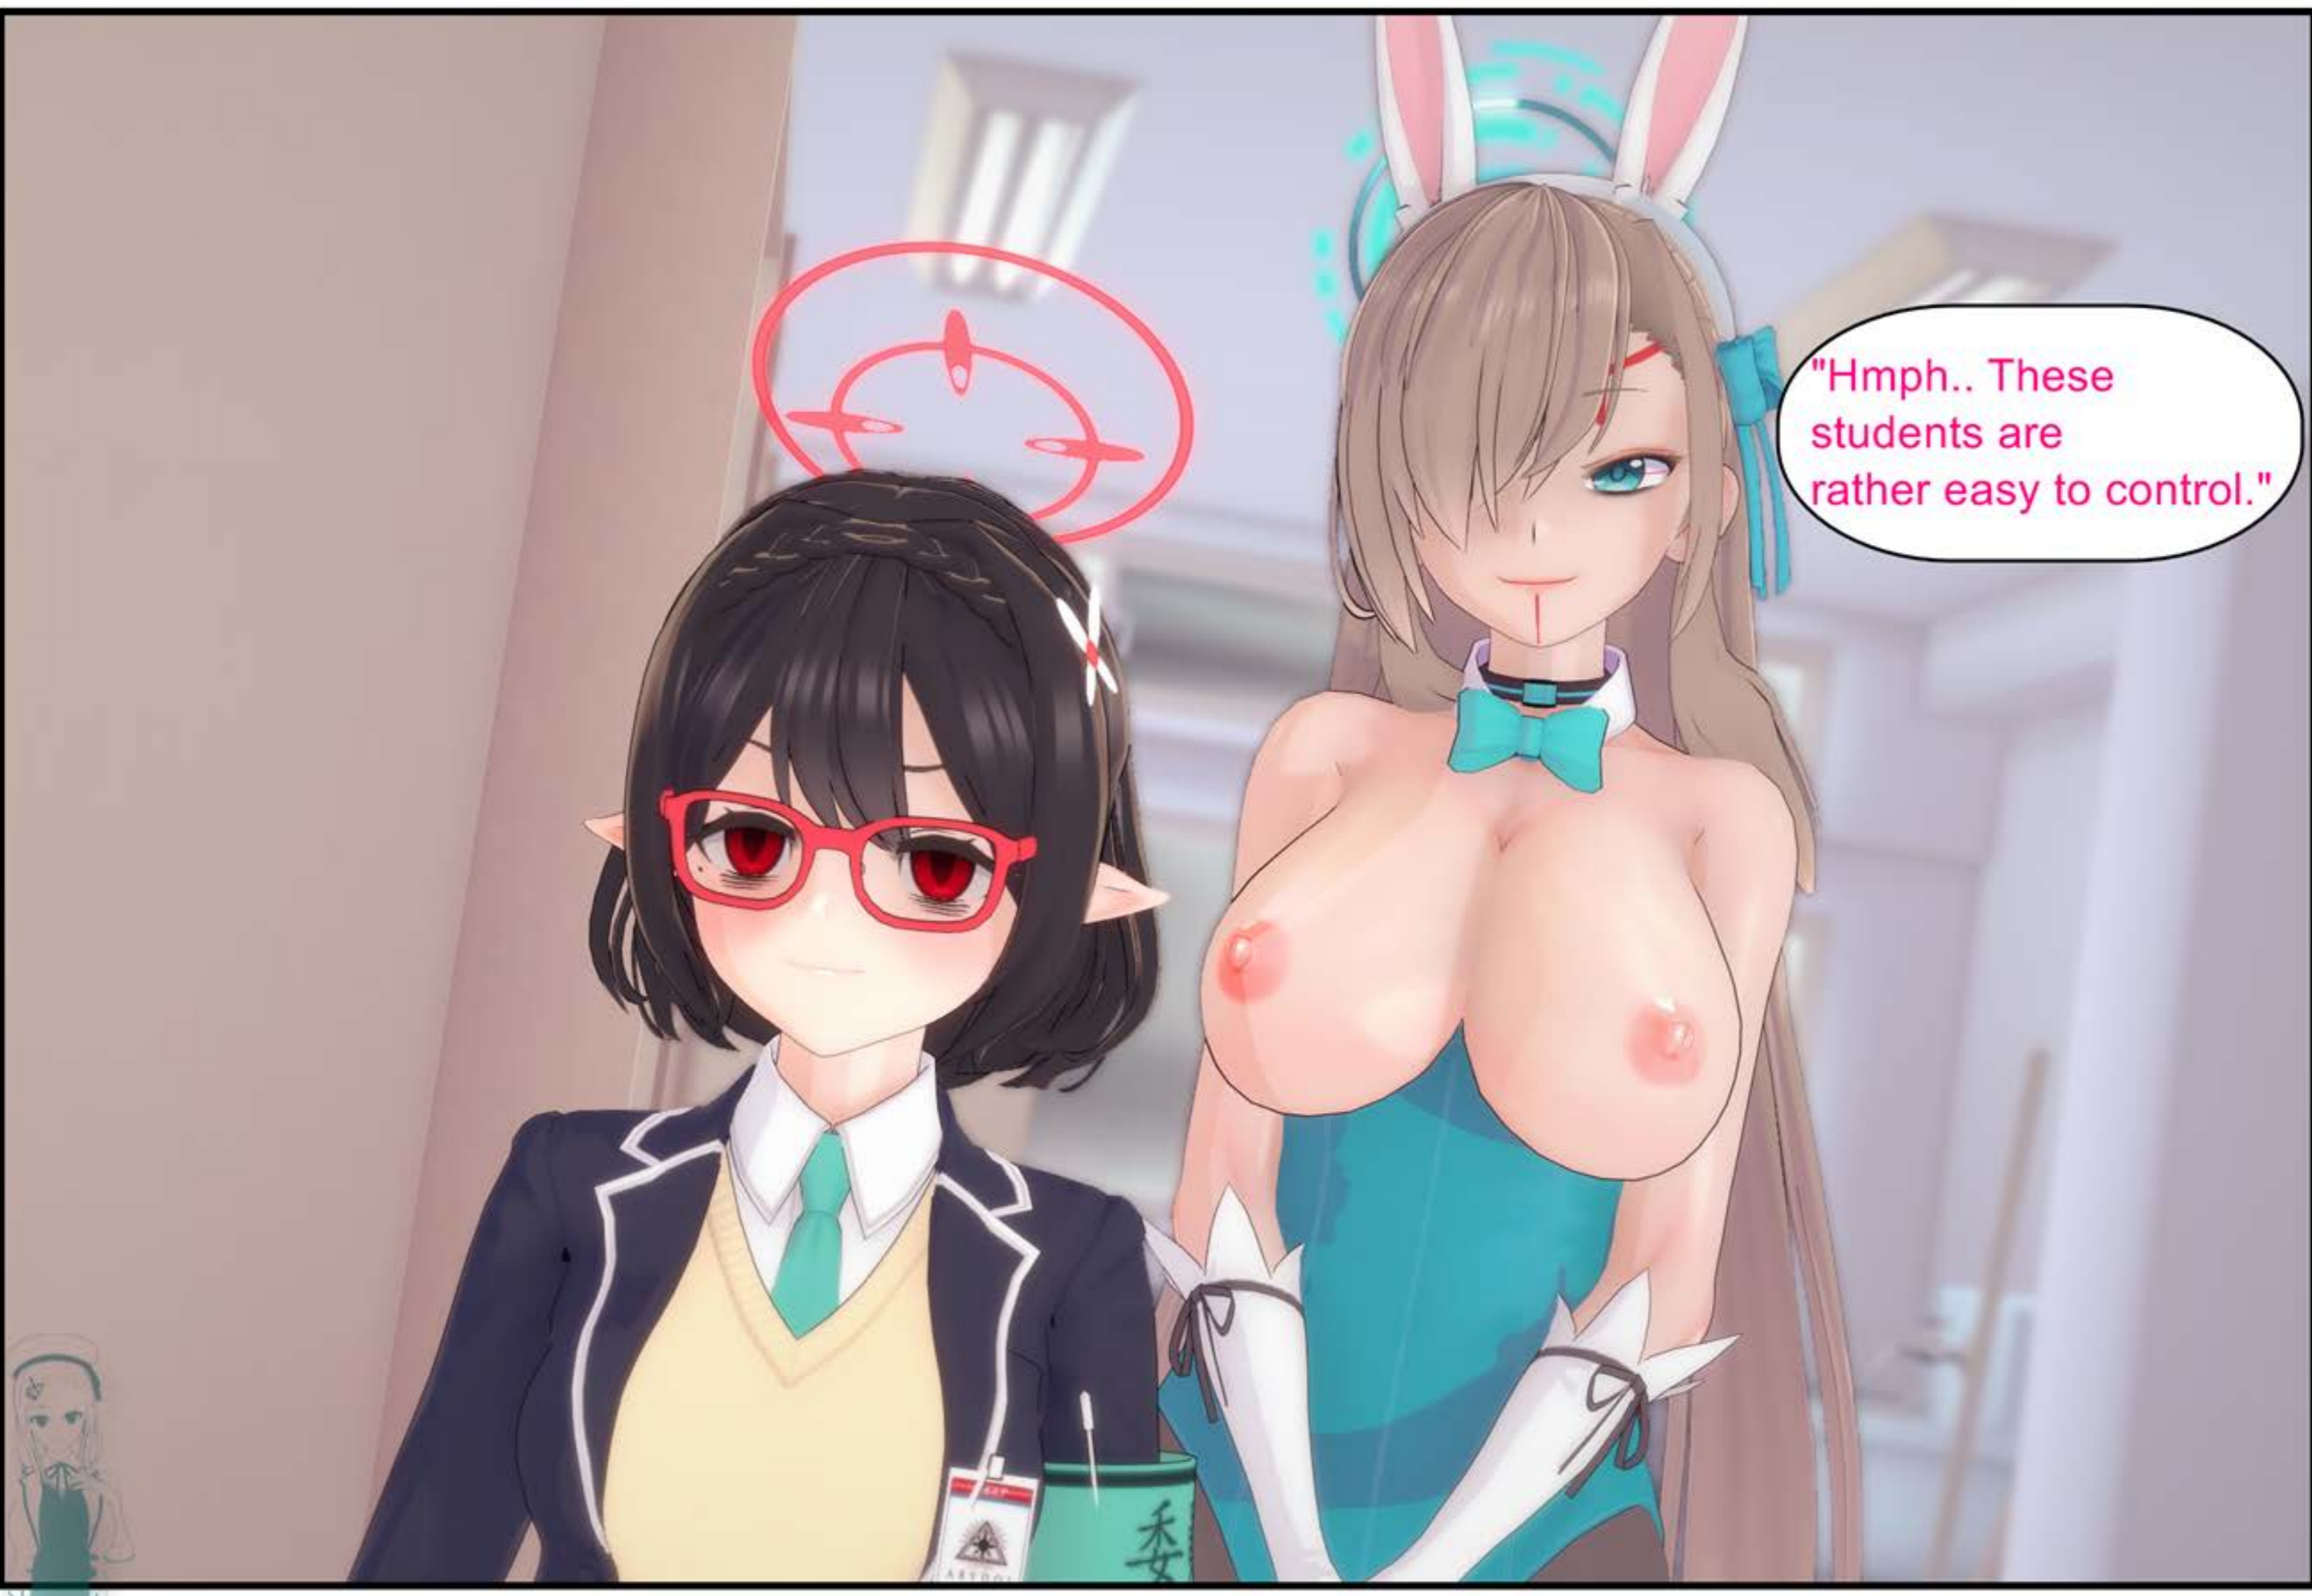

And I would like to see the other students in that club.

Yes, Master.
Please follow me.

"Hmph.. These students are rather easy to control."

"Oh, as far as I know, this school is deserted."

"Then, after I
took over that
Countermeasures
Committee Club.."

"I will turn it lively again and into my new home base."

"Until then, I still have some use out of you, Asuna."

Hey, took you long enough, Ayane.

Hm? I thought
Nonomi went
with you?

Oh, Nonomi said she was a bit sleepy so she went to the infirmary for a bed.

Uhm.. Is that so?

Hi everyone,
sorry for coming
this hour.

Also, I saw Asuna,
she stuck in here
before the lock down.

What is Millennium High doing here?

Ah, I was in a nearby town, then I heard a lock down on this area..

Hm.. But why did you get in Abydos?

Can we let her take shelter here until the lock down is over?

For safety, I would like to ask you some questions, Asuna.

You don't fully trust me, hm?

Serika.. I think Asuna already..

We are just making sure, is that alright?

Of course, ask me anything.

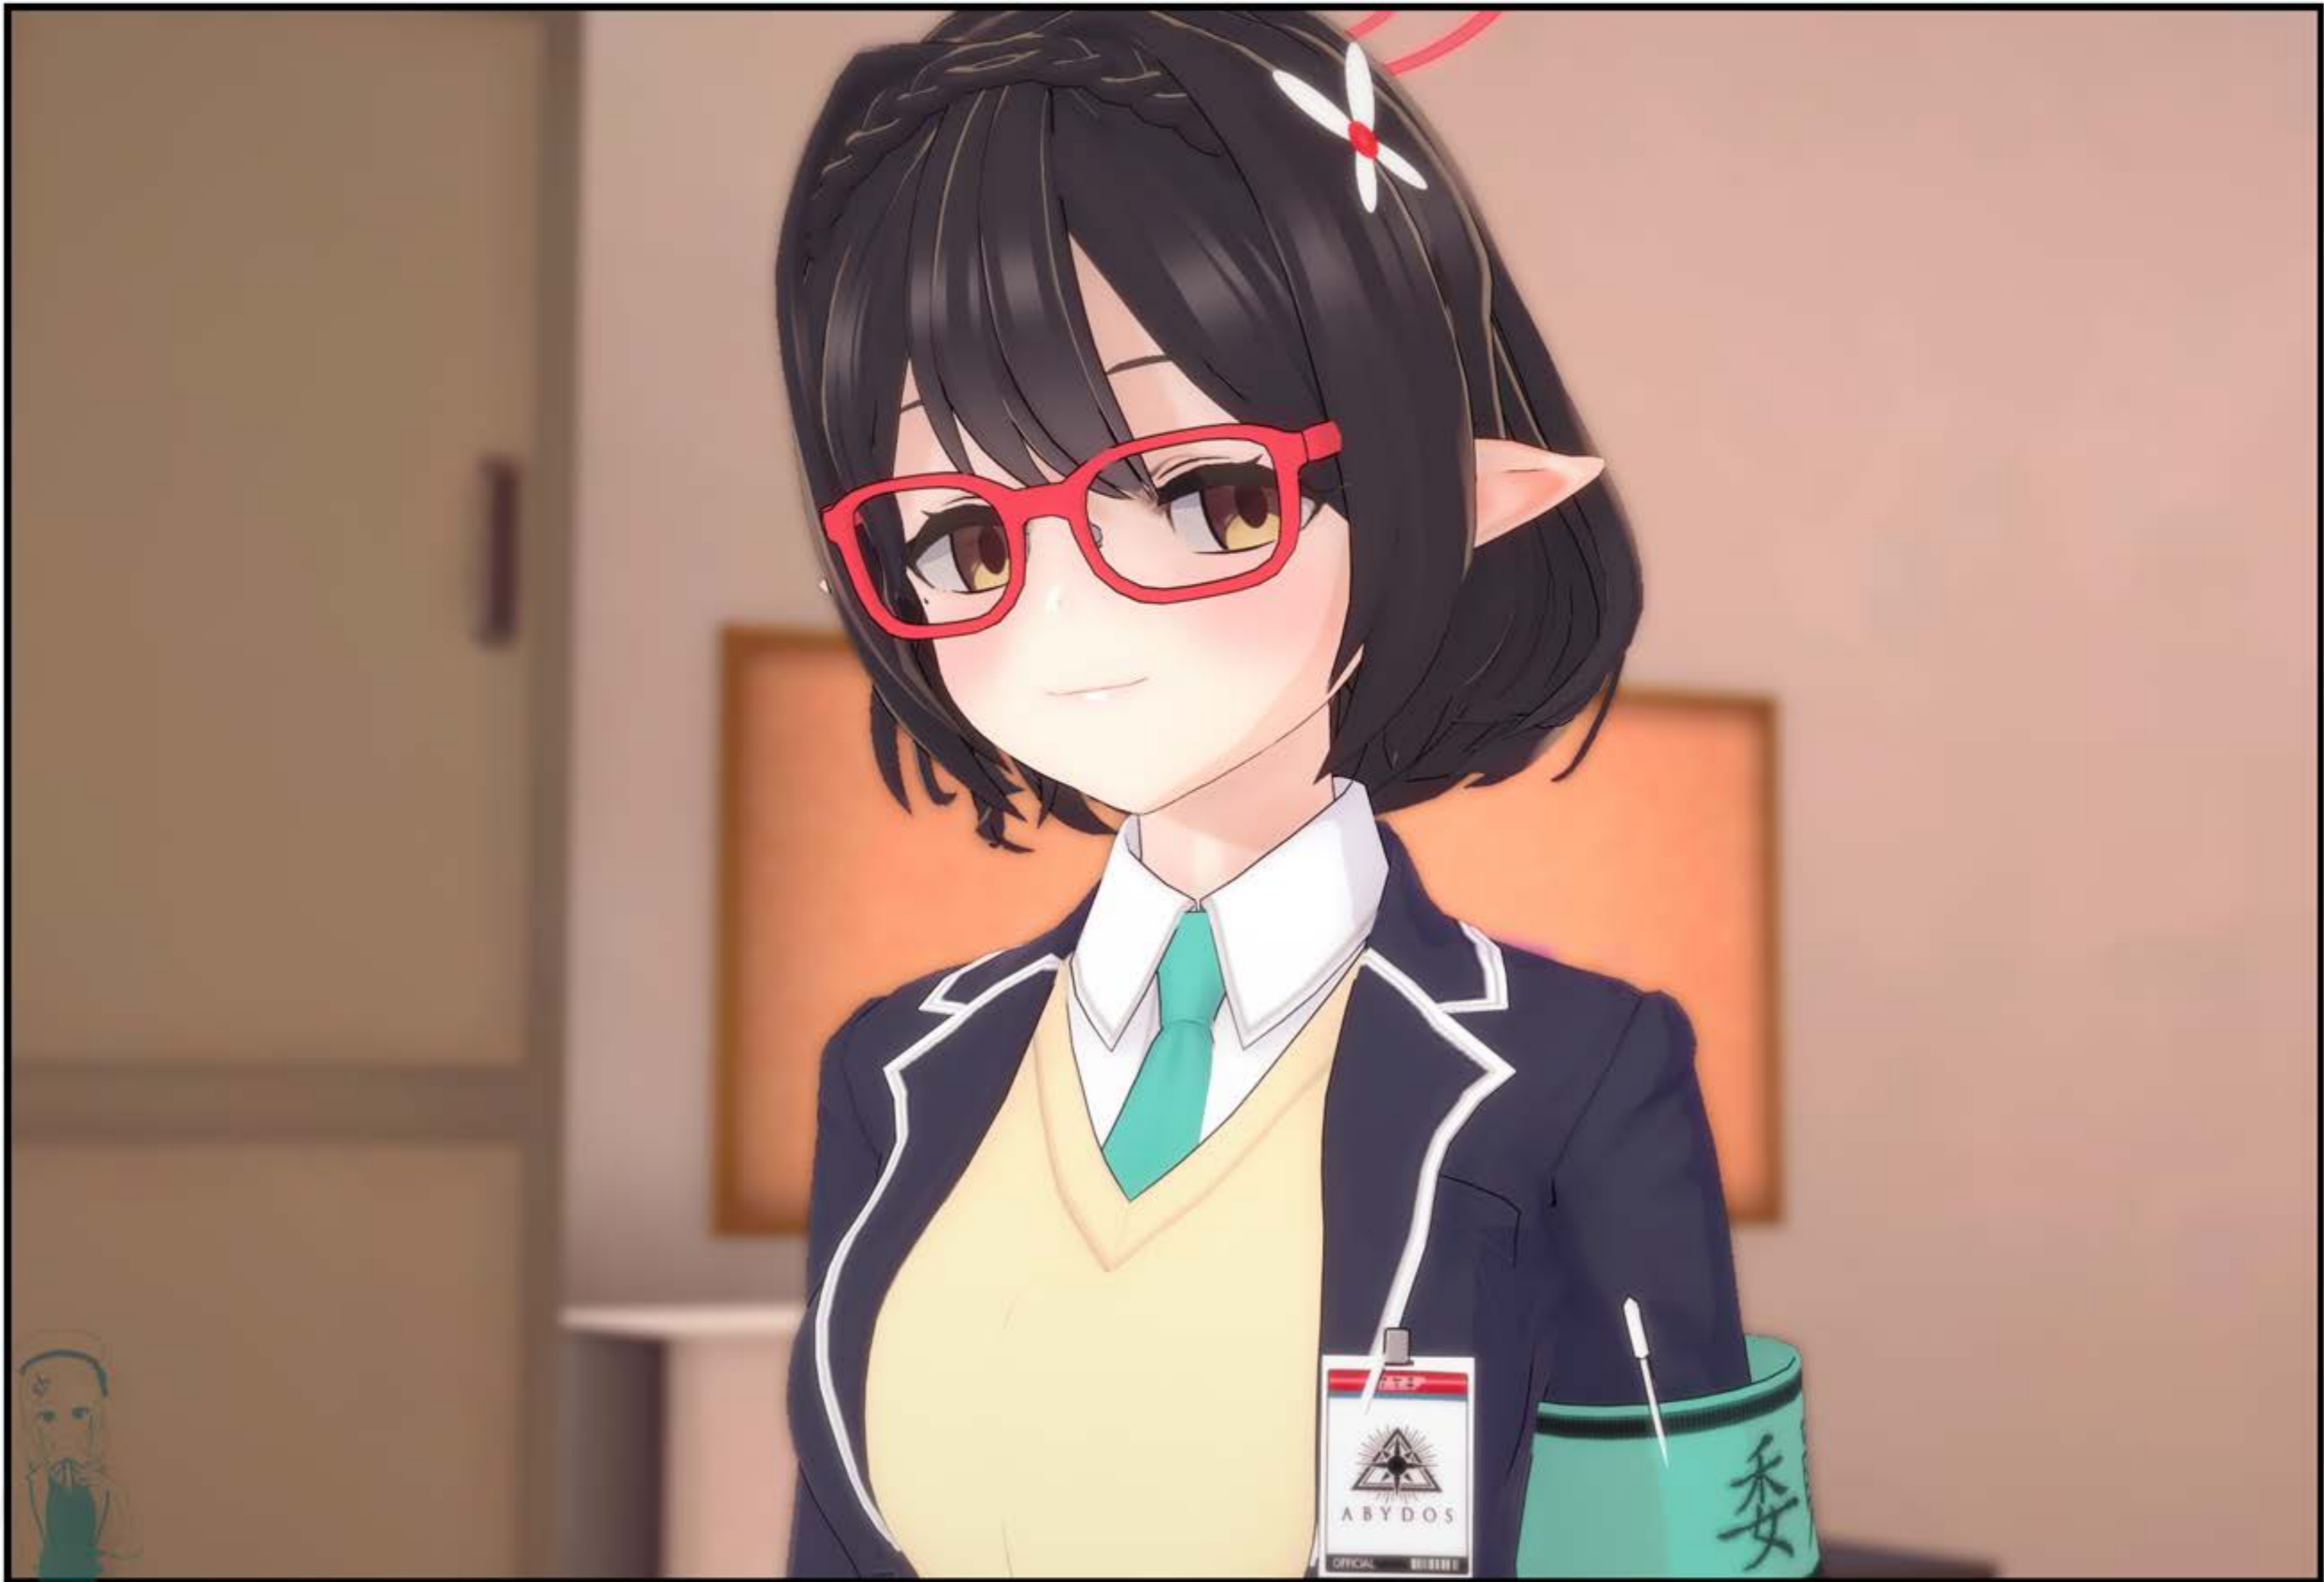

Then let's take this outside.

Ah.. This lock down sure is troublesome.

I hope so, I don't want to stay up all night here.

Oh, I'm sure it will be over soon.

Uhm, this coffee taste a bit bad..

Hm.. I think it's good.

Uhm.. It's a bit weird, asking outside like this.

Answer me, Ichinose Asuna..

For someone
in town this
late is strange..

..Also, how can you find Abydos High to take shelter?

I'm here to pick up my clothes, that's why I'm still in this bunny.

But as soon as I got to the laundry, the alarm went off.

The lock down started all sudden, and I can't take shelter anywhere.

Then, I found this place..

Ayane.. What are you..!?

長員

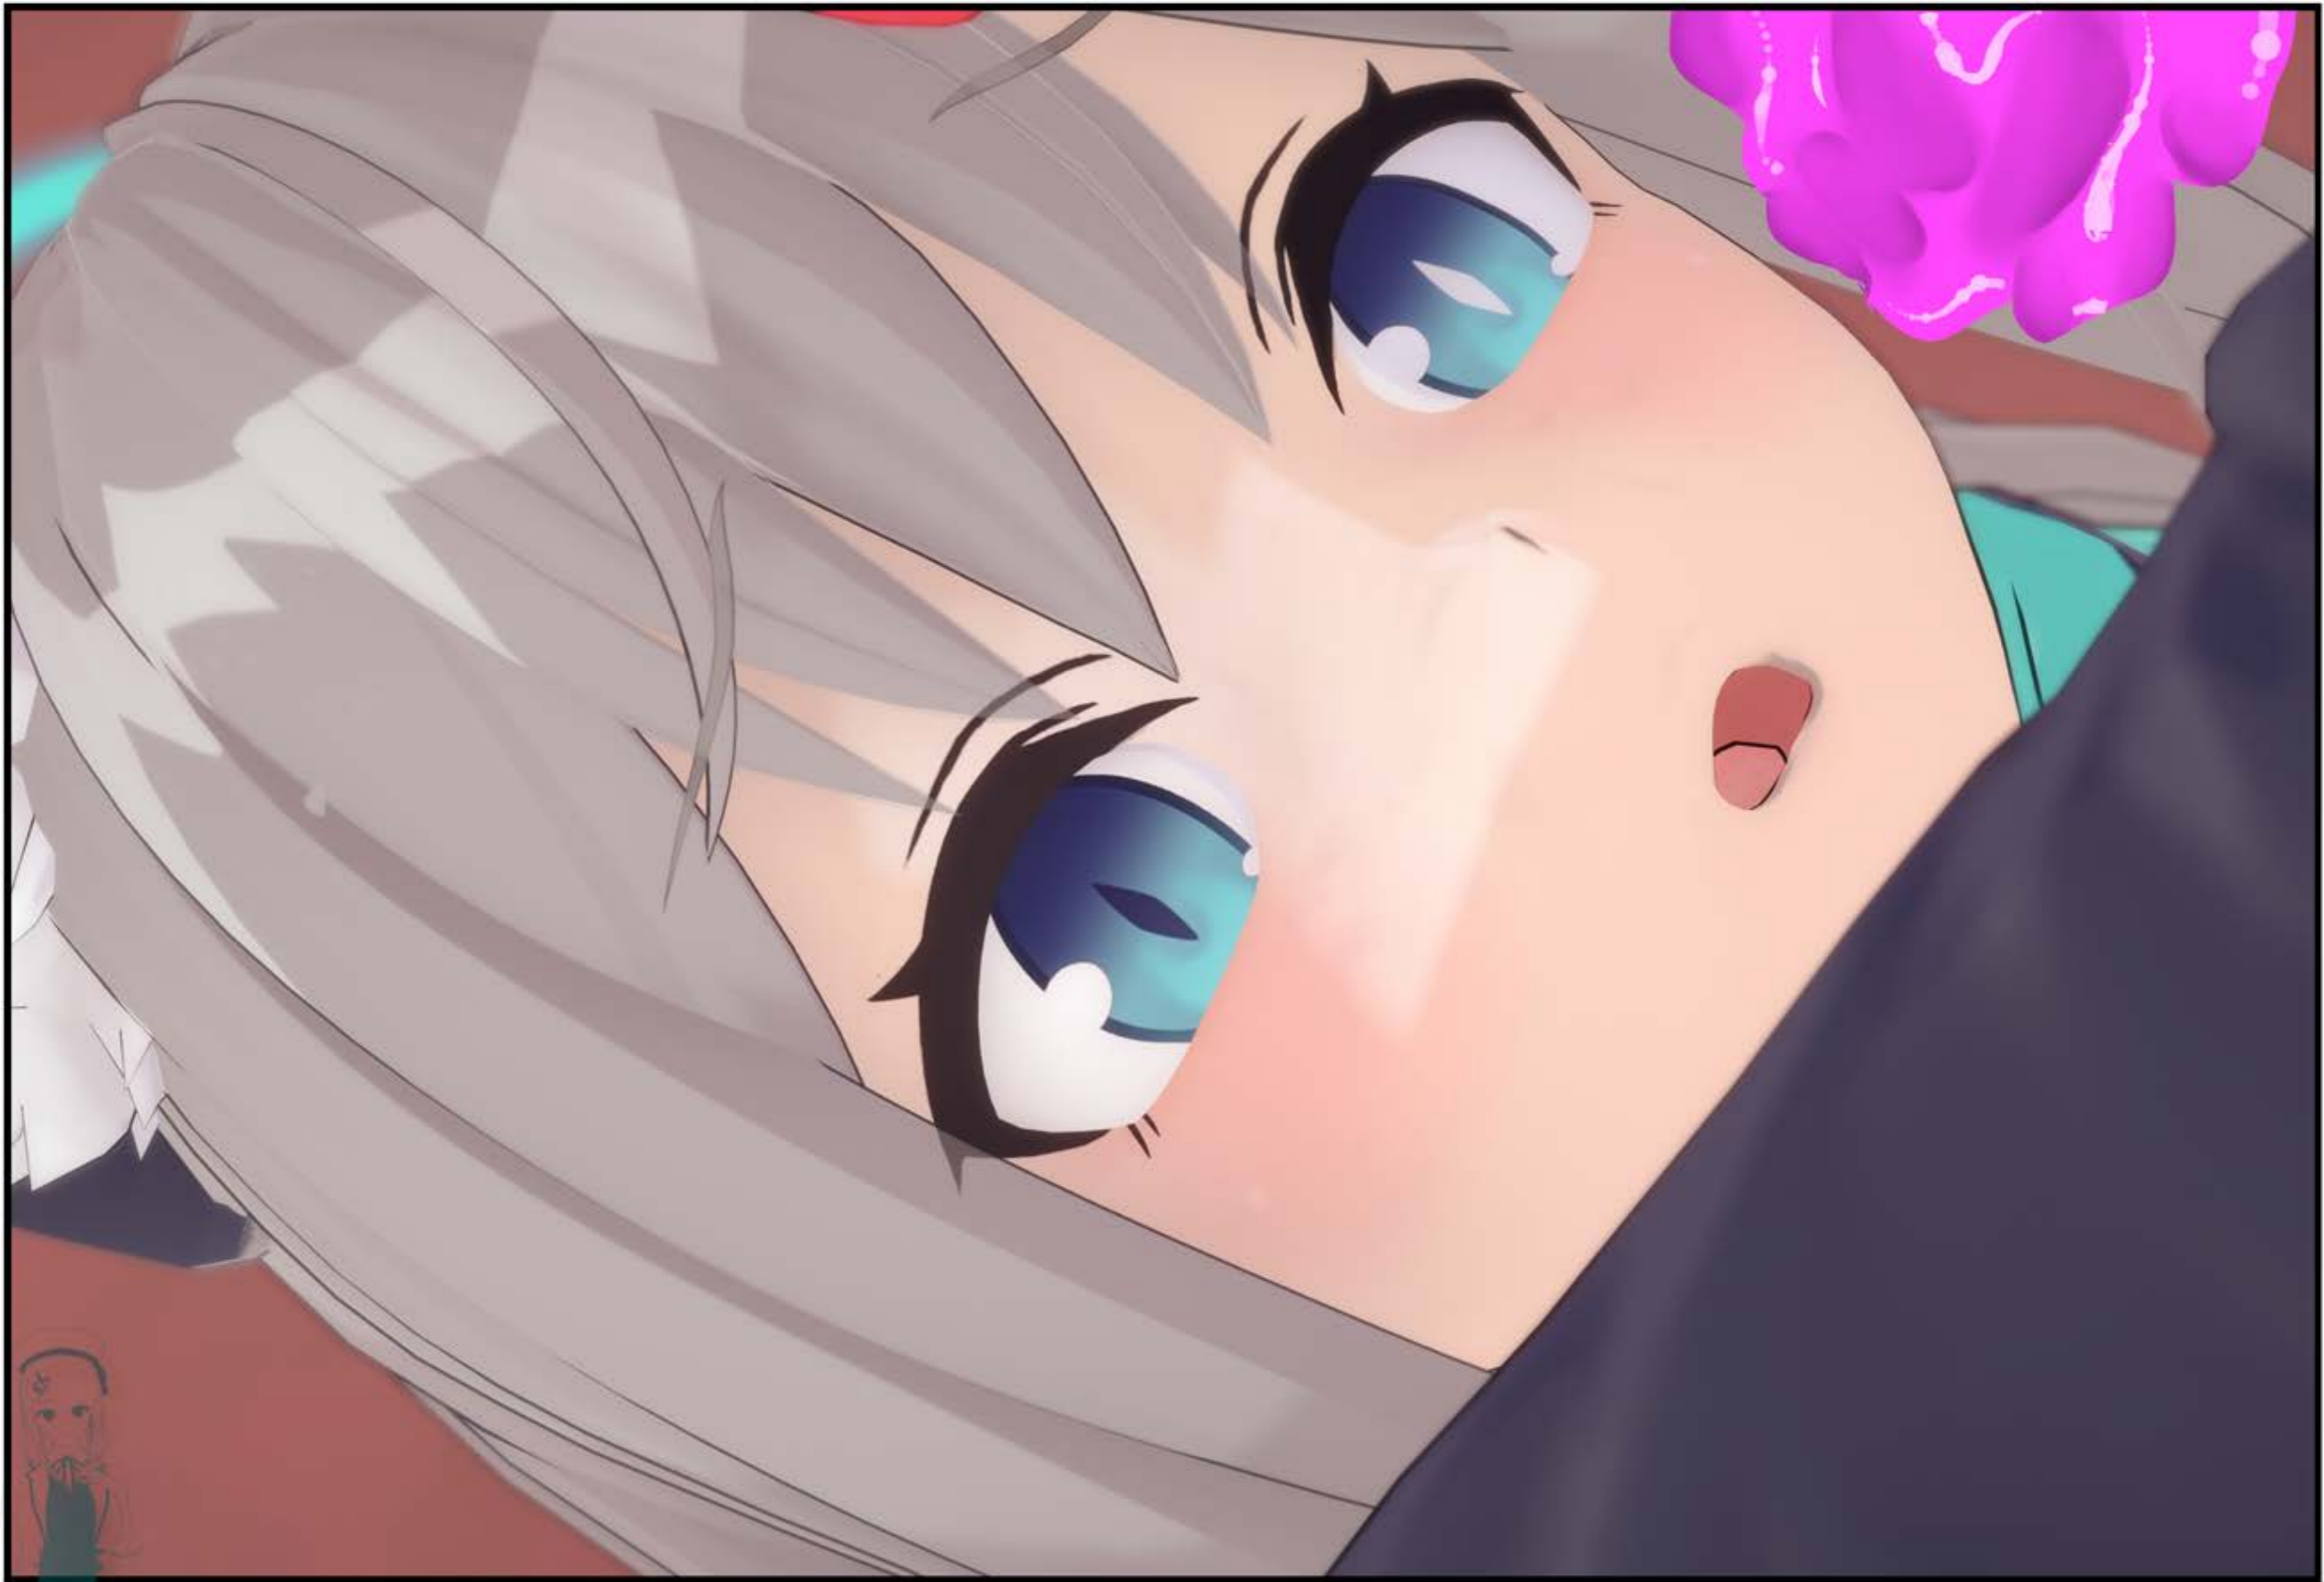

I have to admit
that you react
fast, Shiroko.

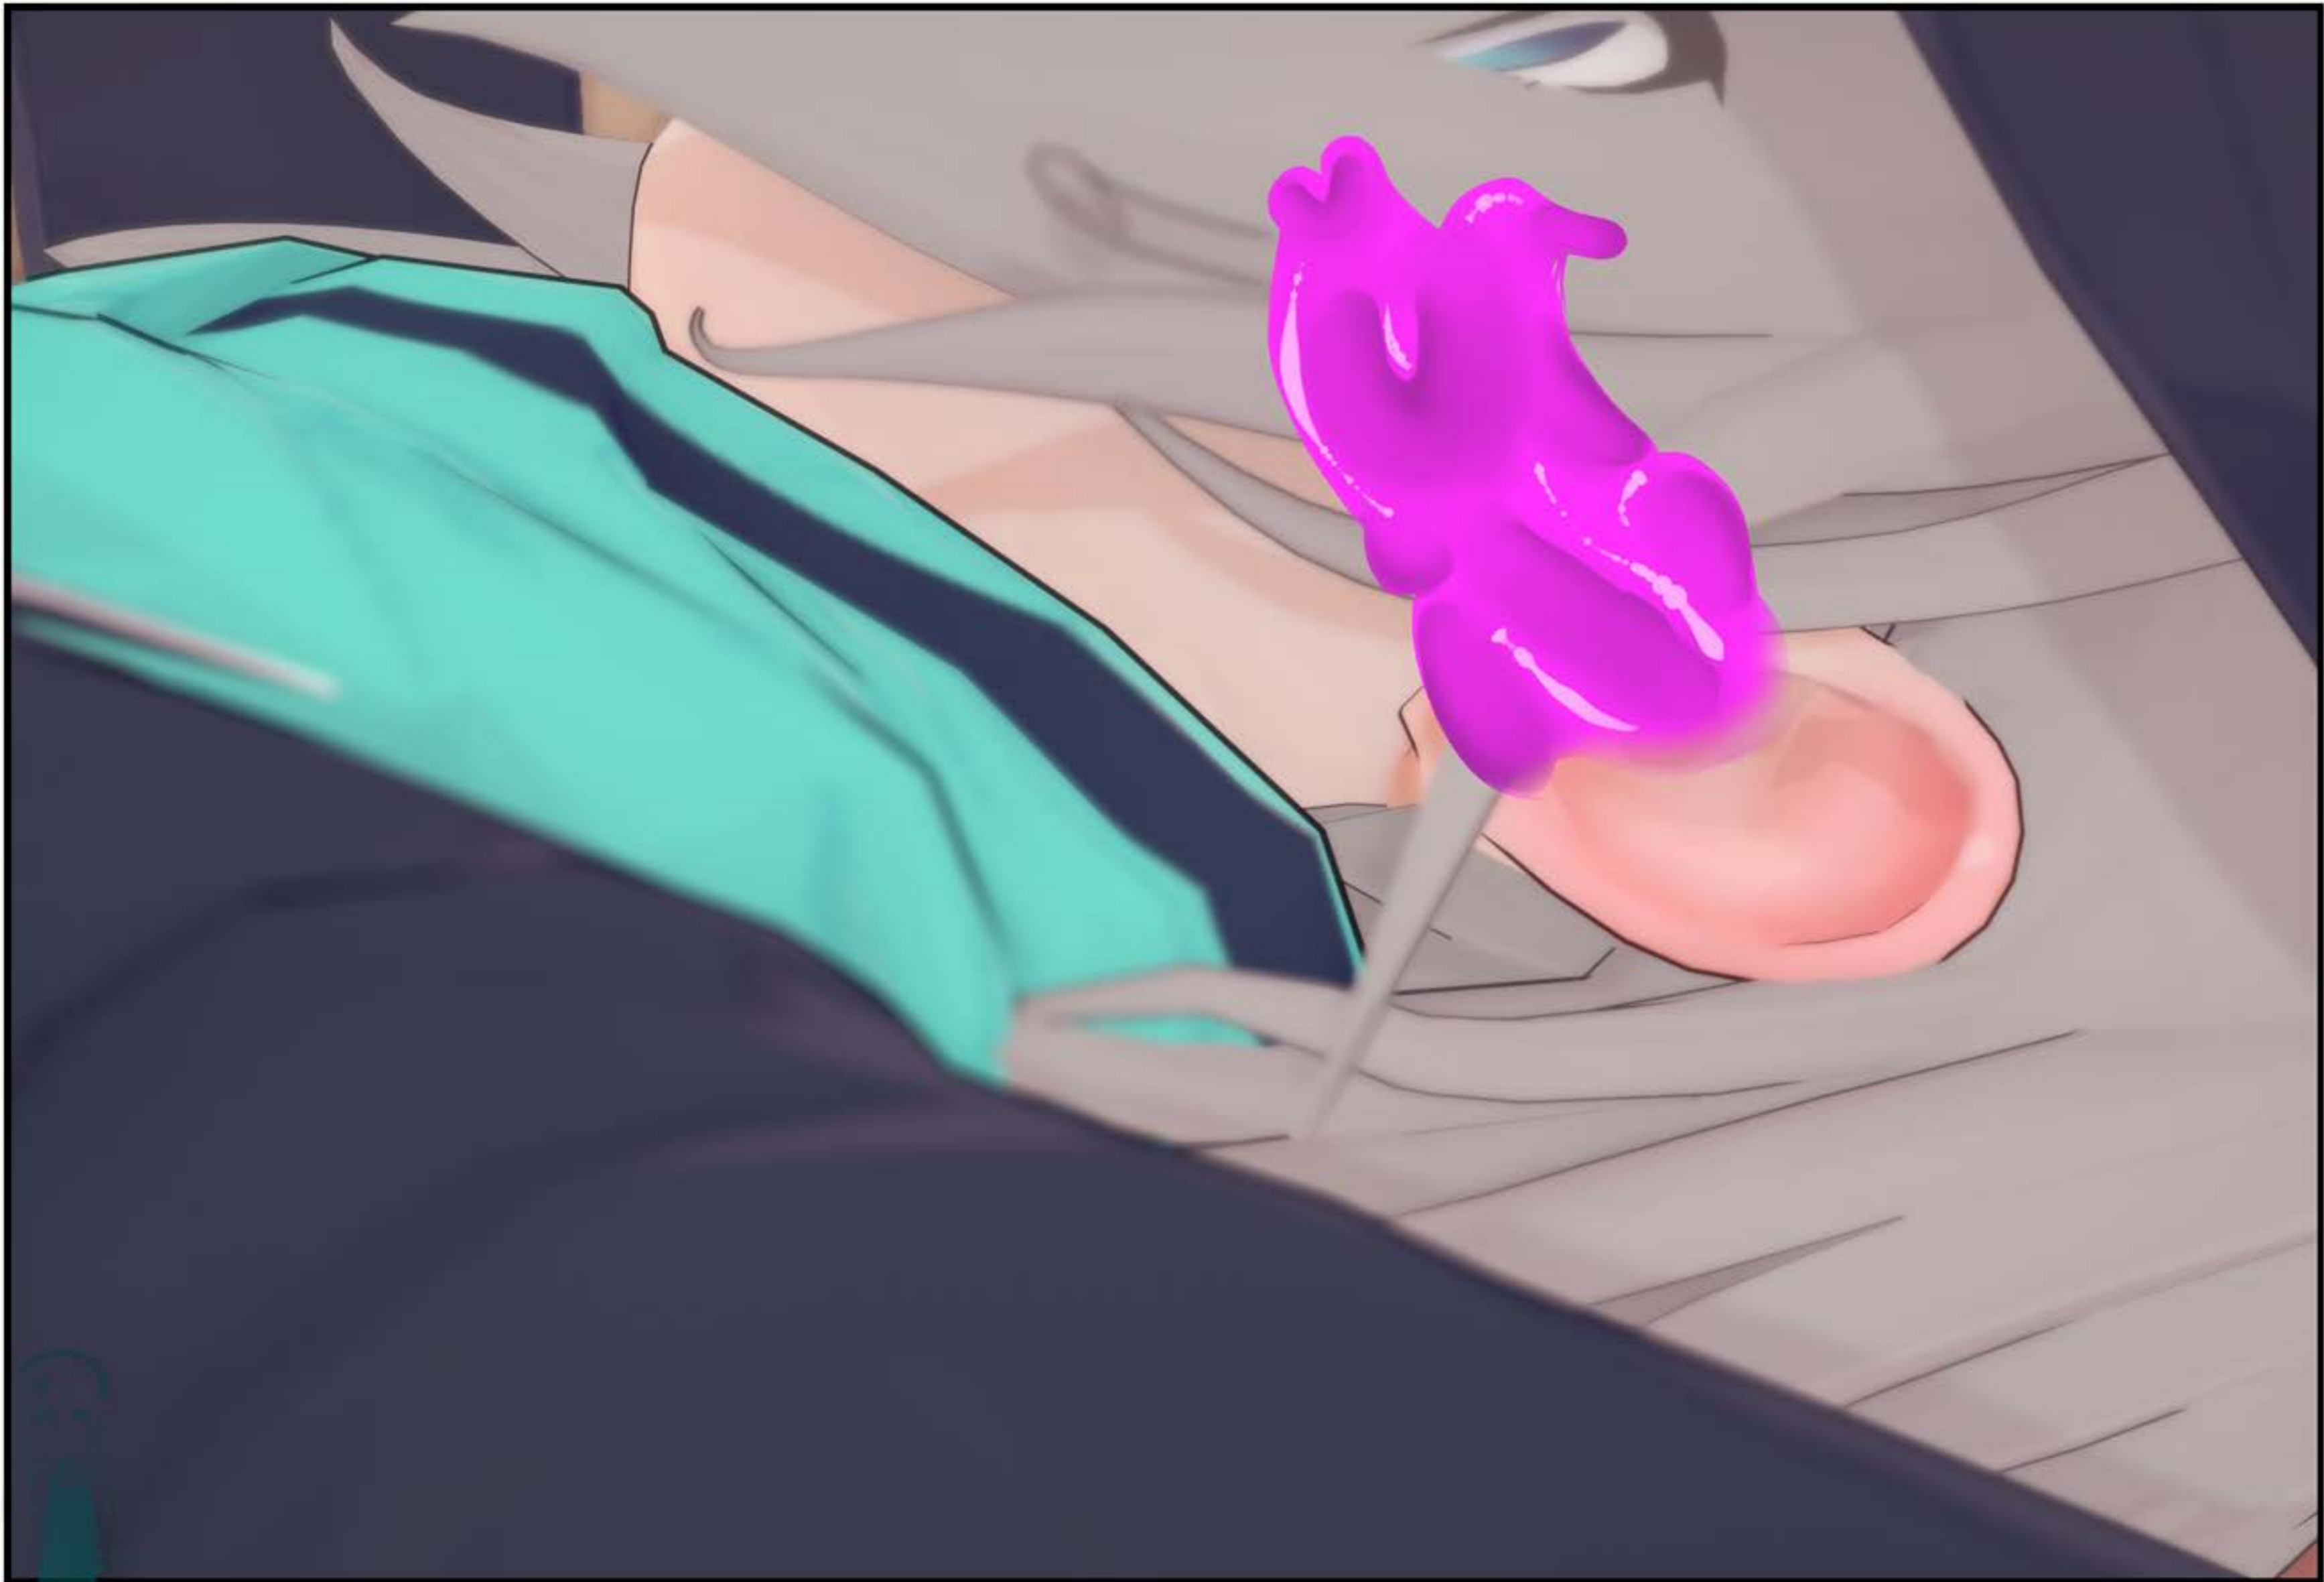

More than that,
you are perfect
for me..

Strong resistance,
but not very hard
for me to take over.

Hmph, this body
stronger than Ayane.

"Now then, what should I do with her?"

Then, can I
have a shelter
here, Serika?

Well, that convincing
enough, Asuna.

I still have to let Hoshino decide.

"Kuku.. You are perfect for me, Serika.."

Ah, this is so
fun.. Ah.. Hah..
I can't stop myself..

Ah.. Uhm..
More.. Hah~

Ah.. Shiroko?
Why are you..

I don't know,
Ayane suddenly
collapsed..

..and her body temperature was very hot so I thought this way.

Oh? A way to cool yourself?

Stay here, I
will go look
for Hoshino.

Is it okay to let
her go, Master?

No, I want to
play around with
Serika a bit longer.

Hehe.. We are getting closer of taking Abydos.

Yes, Master will make our school lively again.

To be continued?

Of course it will,
"my students."
