

Grillllim-
I'm bored. Can
you come over here
and play with
me a bit?

I gotta fix this
compressor, Steph.
Also, I'd rather not get
eaten and digested
by you.

Awww-
Is that ALL
you think I do to tiny
creatures?

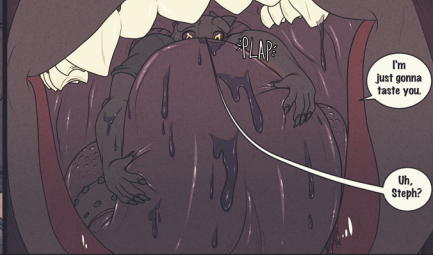

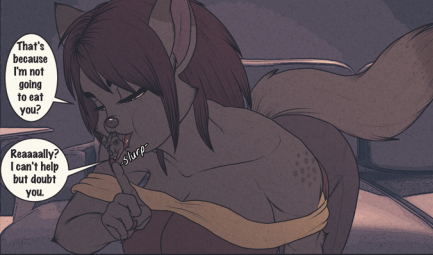

I've noticed that
be the main thing you
do, so...yes.

Well, then...
I guess I should
show you just how
safe I can be.

Even
if by just
a little bit
of force.
Ah-

You're
gonna eat
me to prove
you're safe?
...You know that
makes no
sense at all,
right?

And I gotta say I'm loving it. You taste nice and meaty.

You know this was pretty tiring to endure. You mind letting me out?

Mlem-Better?

Definitely. Thanks. *huff*

No problem, Grim. And see? I can be a good cat. I just sometimes not help but lean on my predator ways when I see cute lil guys like you.

I suppose I can understand that.

Now relax with me and watch some anime. You feeling comfy there?

sighs Yeah.

giggle Blushy lil guy.

You really love anime, huh?

Yeah, about as much as I love to tease lil guys like you, mister blushy-
giggle

So sluggish. I don't feel like doing anything.
