

# **Tara: Tara's Research - Chapter 30**

**I'm a Succubus, you say? But what does that really mean? What sort of things can I do?**

**A Liquid Bimbocite  
Story - Part 34**

**It's time for...  
The Claw!**

**Story and  
art by  
Mr Phoenyx**

What would you do if you suddenly found out that you were not human? That you were, in fact, at least partially a demon?

Fuck, I can feel it twitching and throbbing between my legs where my clitoris should be!

**TWITCH!**

Would you freak out a little, lose your mind, and possibly go just a bit insane from the shock?

It's such a fucking turn on.

**THROB!**

Or would you stubbornly refuse to accept such a crazy suggestion and languish in your denial?

Is this how dudes feel all the time?

Of course, you could decide to just accept it, revel in it even, and lose yourself in the vileness of it all.

This constant need to touch it or have it touched?

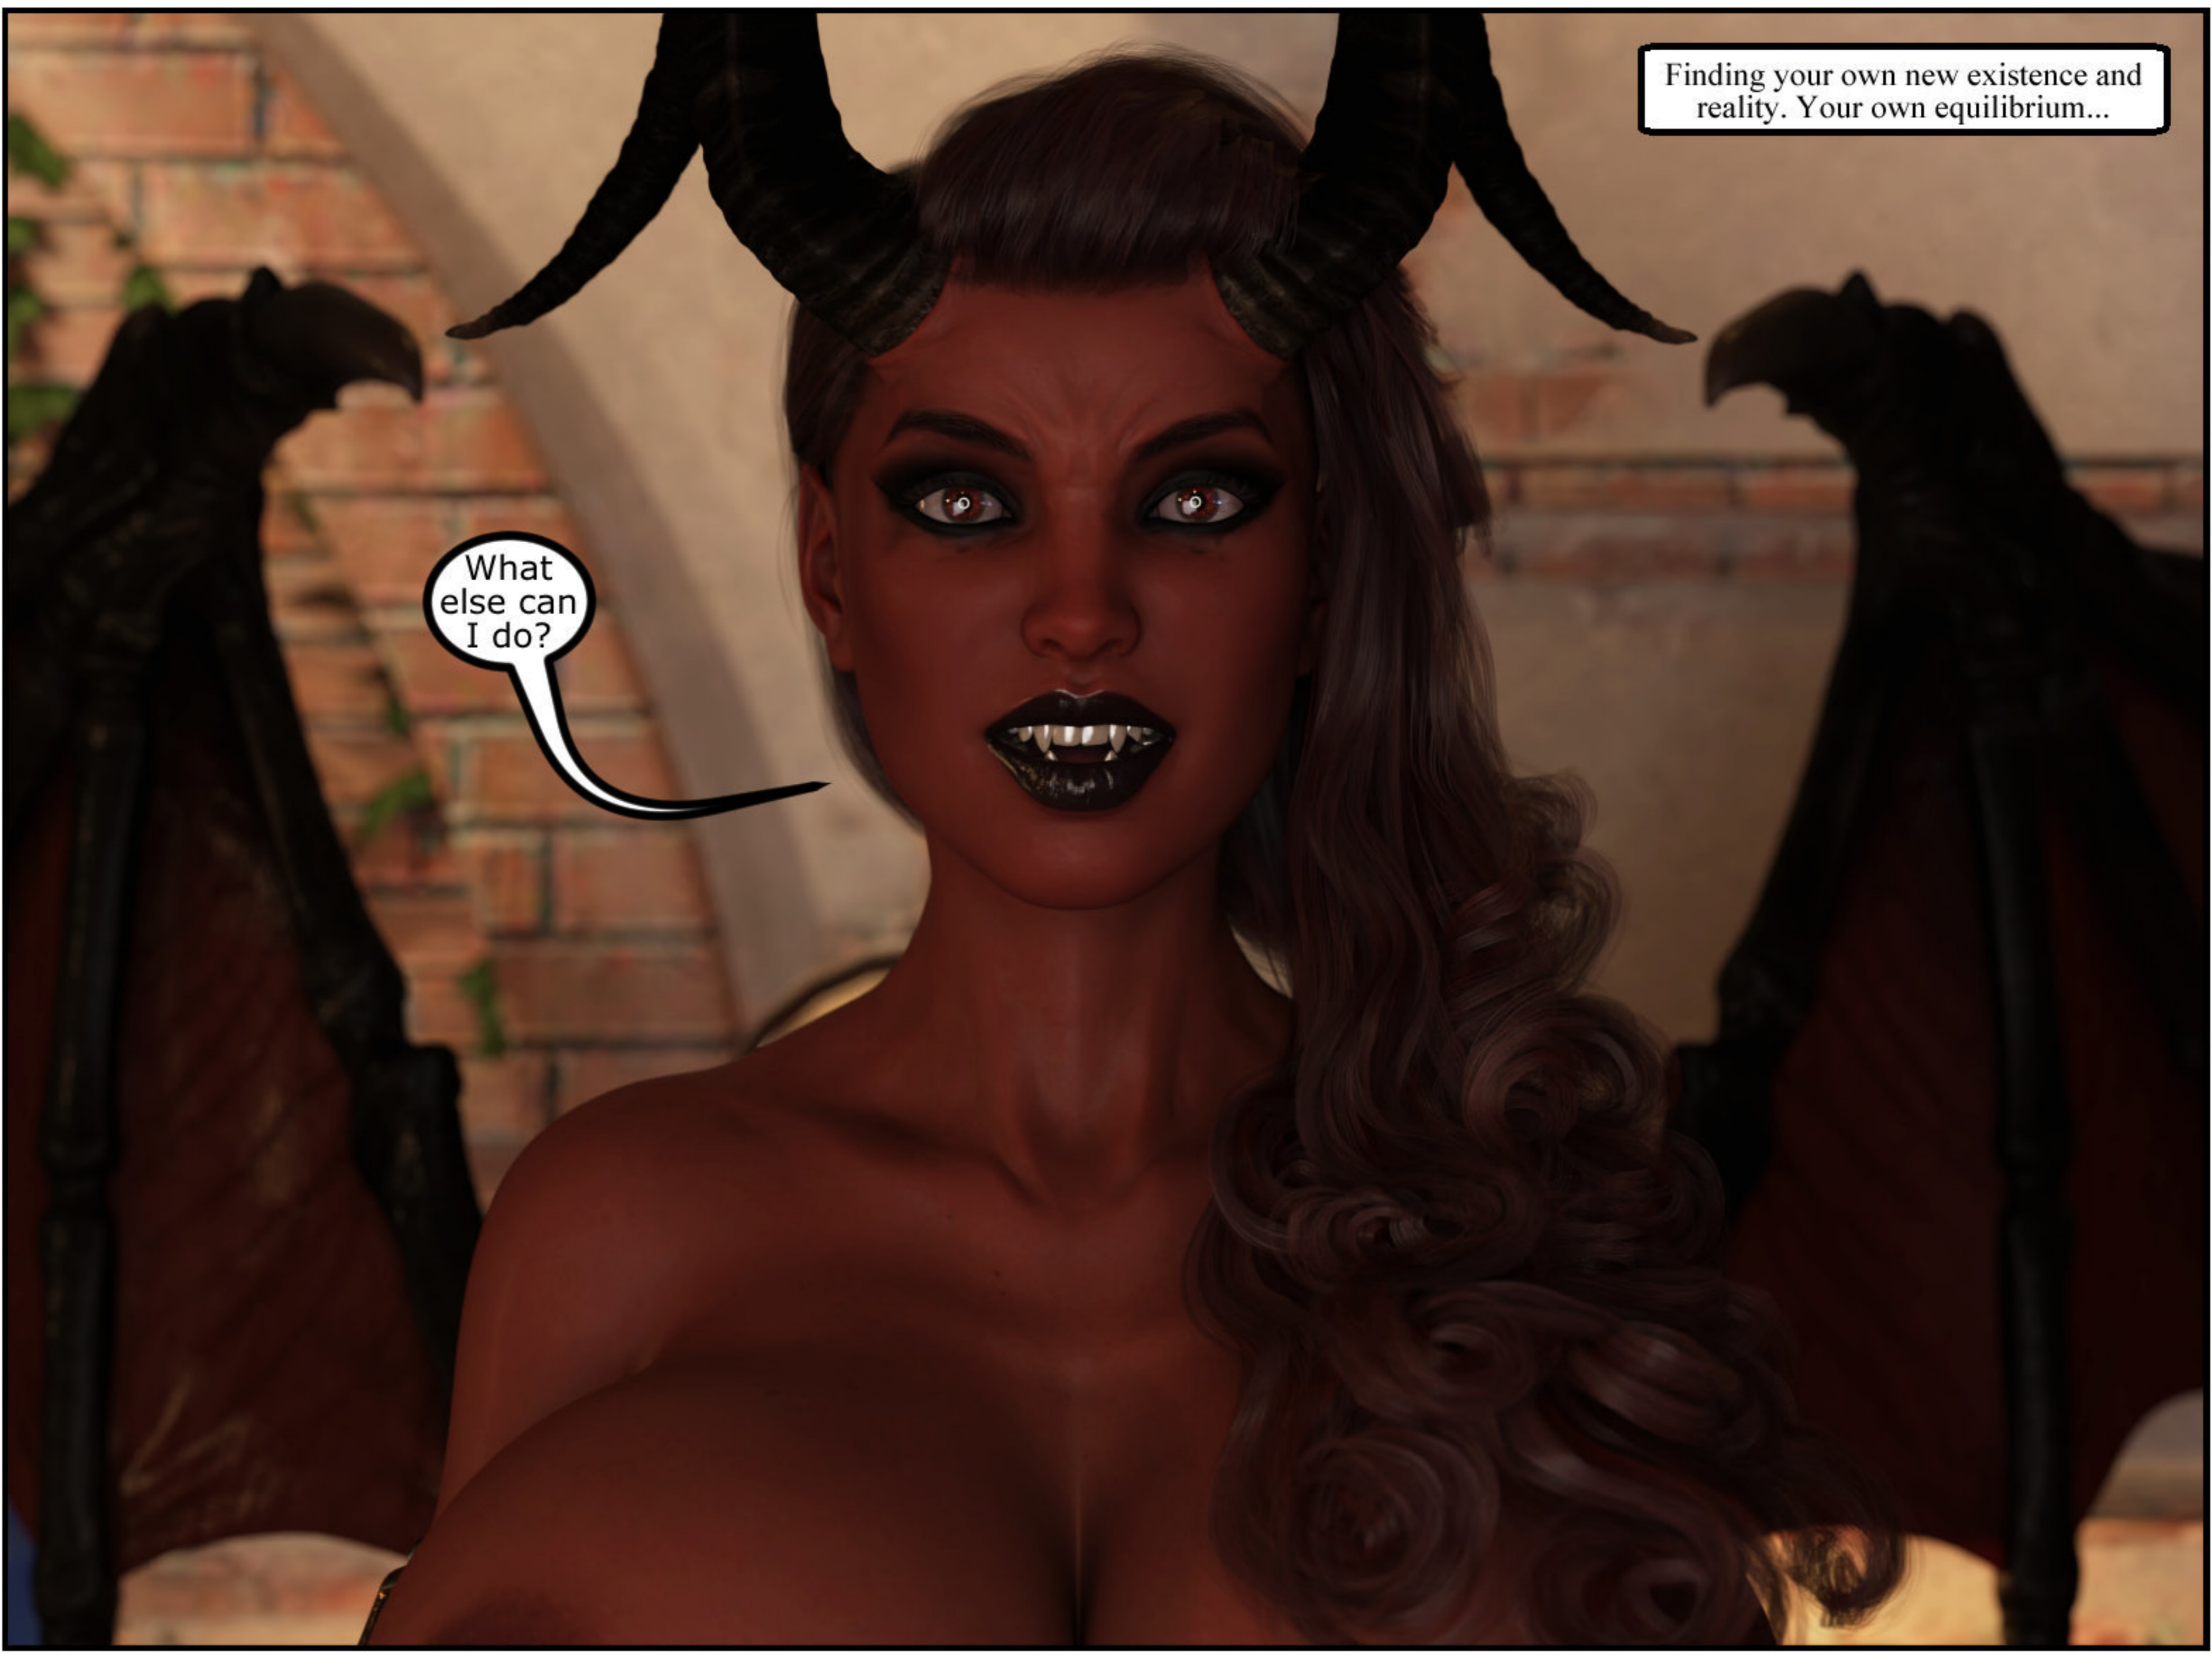

Or would you take a more tempered approach? Calmly experimenting and playing with the possibilities?

This is absolutely amazing, Evlin!

Finding your own new existence and reality. Your own equilibrium...

What else can I do?

A 3D rendered character with dark skin, long wavy hair, and large curved horns. She has glowing red eyes and a menacing expression. She is standing on a balcony with a brick wall and a metal railing in the background. Her hands are raised, showing sharp claws. A speech bubble is positioned to her right.

You  
can change  
your own body  
pretty much however  
you want, within  
certain power  
limits.

A 3D rendered character with long, dark, wavy hair and two large, dark, curved horns. She has a dark complexion and glowing red eyes. She is wearing a dark, strapless top and is standing on a balcony with a brick wall and a metal railing in the background. A speech bubble is positioned to her right.

You have a limited supply of surplus sexual energy at the moment, and there are physical limits to what your human physiology can do.

But  
you can  
realize anything  
you can imagine, fulfill  
any of your desires,  
within those  
restrictions.

Then again, that is precisely why I asked your sexbomb friend, Honey, to be here.

To remove one of those limitations, the available power, so that you can truly, deeply enjoy playing with your new abilities.

A muscular woman with long, dark, wavy hair and large, dark, curved horns. She has glowing red eyes and a metallic, silver mouth. She is standing in a dark, industrial environment with metal beams and a brick wall. A speech bubble is positioned to her right.

She  
is kind of  
like a *lust*  
battery  
now.

She  
can provide  
an almost **endless**  
supply of lewd  
and obscene  
energies.

So long as you keep her appropriately... stimulated.

Mmmm,  
yeah! Stimulate  
me, baby! Honey needs  
you to stimulate her  
so **fucking**  
hard!

Plus,  
my giant  
titties, like, totally  
want to thank you  
for sucking  
on 'em.

So,  
like, do  
ya wanna pump  
that thick, hard,  
rod between  
'em?

A woman with large, dark, curved horns and long, dark hair is shown from the chest up. She has large, prominent breasts and is wearing several gold and silver bangles on her right wrist. She is looking towards the viewer with a suggestive expression, her mouth slightly open. To her left, a large, dark, clawed hand is visible. To her right, a hand with red-painted nails is holding a piece of pink fabric. The background shows a brick wall and a window with a light fixture.

Oh,  
yes! I most  
definitely want  
to do  
that!

Gawd!  
This feeling  
is electric! It's so  
violent and  
intense.

I  
need a  
little more  
power before I  
try a few  
things.

Plus,  
these *perfect...*  
fucking **ginormo** juggs...  
just need  
to be--

**Thrust!**

Ugh!  
**Fuuuccckkkk!**  
That was... uhhh...  
really quick.

Geez!  
No wonder  
some guys have  
trouble.

It's  
like a  
volcano that is constantly  
ready to  
erupt.

I  
guess I  
will need to work  
on my endurance  
some more.  
**<Laugh!>**

**Sploooge!**

Splurt!

Mmmm!  
I don't mind.  
I'm used to it by  
now. Some boys  
'splode just from  
seeing  
me.

Erupt!

Damn!  
You're still  
going. You musta  
been, like, really gummed  
up. When was the last  
time somebody  
cleaned your  
pipes?

That's it!  
Let it all out.  
Give it **all**, every drop, to  
Honey's massive  
mountains.

Spew!

Ohhh,  
fuck! you  
are **so** damn  
tasty!

Lick!

Prip!

So  
rich and  
thick! I can taste  
how badly you needed  
that in your  
jizz.

Mmmm,  
yeeesss! You've  
been wanting to fuck  
my hot body for a  
while. I can  
tell.

**Grow!**

Which is good, 'cause, like, your spunk is super yummy! Almost as tasty as Evlin's!

**Swell!!**

My  
ginormo  
juggies thank you  
for your generous  
donation!  
<Giggle!>

**Bulge!**

But  
I want  
more of it.  
Shove that fucking  
cock down my throat  
and let me  
clean you  
up!

You  
keep giving  
me invitations that  
simply cannot  
be denied!

Glam!

I'm going to need some of that lust energy you've been storing up.

**Glom!**

**Grab!**

**Squeeze!**

So  
I can try  
a few things  
while you  
suck me  
off.

**Dribble!**

I always wanted longer nails, but I never really liked acrylics much.

Wipe!

They  
just seemed  
kind of unprofessional  
to me. Now, let's  
see what I can  
do.

**Grow!**

Not bad, not bad. I think we can go a little longer than that.

**Extend!**

These are pretty nice, about how I would normally like them, but let's give it a little more.

**Claws!**

Whoa!  
That was  
a lot more than  
I had intended  
to grow.

**Longer!**

Uhhh...  
Evlin? I can't  
seem to stop them  
from getting  
longer!

**Talons!**

Oh!  
Thank goodness!  
They finally stopped.  
What the hell  
happened?

A succubus with dark skin, long dark hair, and large, prominent breasts stands on a balcony. She has dark horns on her head and is looking towards the viewer with a slight smile. The background shows a brick building with a balcony railing. A hand with a gold watch is visible in the foreground on the right side.

You are still learning control. You just need to work on it.

Succubae, well demons in general, are creatures of emotion and chaos.

We quite literally **live** off of your human feelings.

Lust and desire in my case.

SsssCchHh-Plorp!

Awww!  
I was really  
enjoying  
that!

OK!  
Good to  
know, but why  
can't I make them  
go back down  
in size?

A dark-skinned woman with long, wavy dark hair and two large, dark horns on her head. She has glowing red eyes and a menacing expression, showing her teeth. She is wearing a dark, strapless top. The background is a brick wall with a metal railing.

Like  
I just said,  
"emotion". You  
are a creature of  
feelings and  
desires  
now.

You  
don't live  
off of it like a real  
Succubus does, but  
giving into your whims  
and fancies is now  
an intregal part  
of who you  
are.

In  
other words,  
you're too worked  
up and aroused. You  
need to calm  
down.

A dark-skinned devil character with horns and large breasts is shown in a comic panel. She has red eyes and is looking towards the viewer. The background is a dimly lit industrial or warehouse setting with metal beams and a brick wall. Two speech bubbles are present on the right side of the panel.

Give  
into your  
deepest fantasies.  
Revel in your darkest  
cravings. Indulge in  
every lecherous  
thought.

Blow  
several more  
loads all over Honey  
there, she'll love it, and  
get it out of your  
system. Then you  
should be  
fine.

A woman with long, wavy, light-colored hair, dark horns, and large, dark wings is the central figure. She is wearing a strapless, revealing outfit and multiple gold-colored bangles on both wrists. She is holding a pair of glasses in her left hand and a cigarette in her right. The background shows a brick wall, a window with a city skyline at night, and a chair with a white lace cushion. A speech bubble is positioned to her left.

A  
Honey a day  
keeps the weirdness  
away? Now that's a great  
prescription,  
Dr. Evlin!  
<Laugh!>

**Pribble!**

Why not two or three, or maybe even ten times a day?  
**<Giggle!>**

A comic book panel featuring a woman with large, dark, curved horns and voluminous, light-colored hair. She has a stern expression and is wearing dark eye makeup and lipstick. She is topless and wearing gold bangles on both wrists. Her hands are raised, holding a dark, clawed hand on the left and a dark, clawed hand on the right. The background is a blurred outdoor setting with a building and greenery.

Sounds  
good to me,  
but where to start?  
There are so many  
**delicious**  
choices!

First,  
I think I  
need some more  
of her incredible  
breast  
milk.

A woman with dark skin, long wavy hair, and large, dark horns stands in a dark, industrial-looking environment. She is wearing a dark, strapless top and has large, prominent breasts. She is looking directly at the camera with a serious expression. Her hands are visible, wearing dark gloves with sharp claws. The background features a brick wall and some greenery.

Though  
that's basically  
the opposite of what  
you were just  
saying.

But you did tell me to give into my whims, and I think I just thought of something to do with these claws.

That worked great! Maybe I will keep them.

**SHRED!**

A woman with long, wavy brown hair, dark skin, and large, dark horns. She has large, dark, feathered wings. She is wearing a gold bracelet on her right wrist and a gold ring on her left hand. She is holding a dagger in her right hand. The background is a brick building with a large archway and some greenery. The scene is lit with warm, golden light.

Also,  
I meant  
to ask you, "Did  
her boobs grow  
earlier?"

A 3D rendered character with dark skin, long dark hair, and large, curved horns. She has glowing red eyes and is wearing a dark, strapless top. She is standing on a balcony with a brick wall and a metal railing. Her right hand is on her hip, and her left hand is extended outwards. A speech bubble is positioned to her right.

Yes!  
Like I said,  
she's sort of like  
a lust battery  
now.

She absorbs the sexual energy around her and stores it in her flesh.

Mostly  
in her tits,  
clearly, but other parts  
of her body can  
store it as  
well.

And  
you can  
suck it out in  
all sorts of  
ways.

Though  
gulping down  
loads of her honied  
milk is probably  
the tastiest.  
Agreed?

A woman with long, wavy, light-colored hair, dark skin, and large, dark, curved horns. She has dark, feathered wings extending from her back. She is wearing a gold watch on her left wrist and a ring on her left hand. She is holding a long, dark dagger horizontally across her chest. She has a slight, confident smile. The background is a brick wall with a large, arched window showing a night cityscape with blurred lights.

Yes,  
it is quickly  
becoming my  
personal  
favorite.

So  
I hope  
you don't mind  
if I indulge in  
another  
helping?

**Glom!**

**Grab!**

MooAaanNn!!!

Glug!

Glug!

Squeeze!

**Smaller!**

**Glug!**

**Glug!**

**Glug!**

**Shrink!**

Fuck  
me, that  
tastes **SOOO** good!  
How can something so  
simple taste so  
amazing?

**Gush!**

A 3D-rendered woman with long, wavy, light-colored hair and horns. She is wearing multiple gold and green bangles on both wrists. Her eyes are closed, and she has a white, milk-like substance dripping from her mouth. She is positioned in front of a railing, with a blurred cityscape at night visible in the background. A speech bubble is attached to her left side.

I  
could easily  
get addicted to  
sucking on her awesome  
tits every day. It not only  
tastes incredible, but  
it feels so...  
so...

MoQqAqanNn!!!

Bulge!

**Expand!**

**Enlarge!**

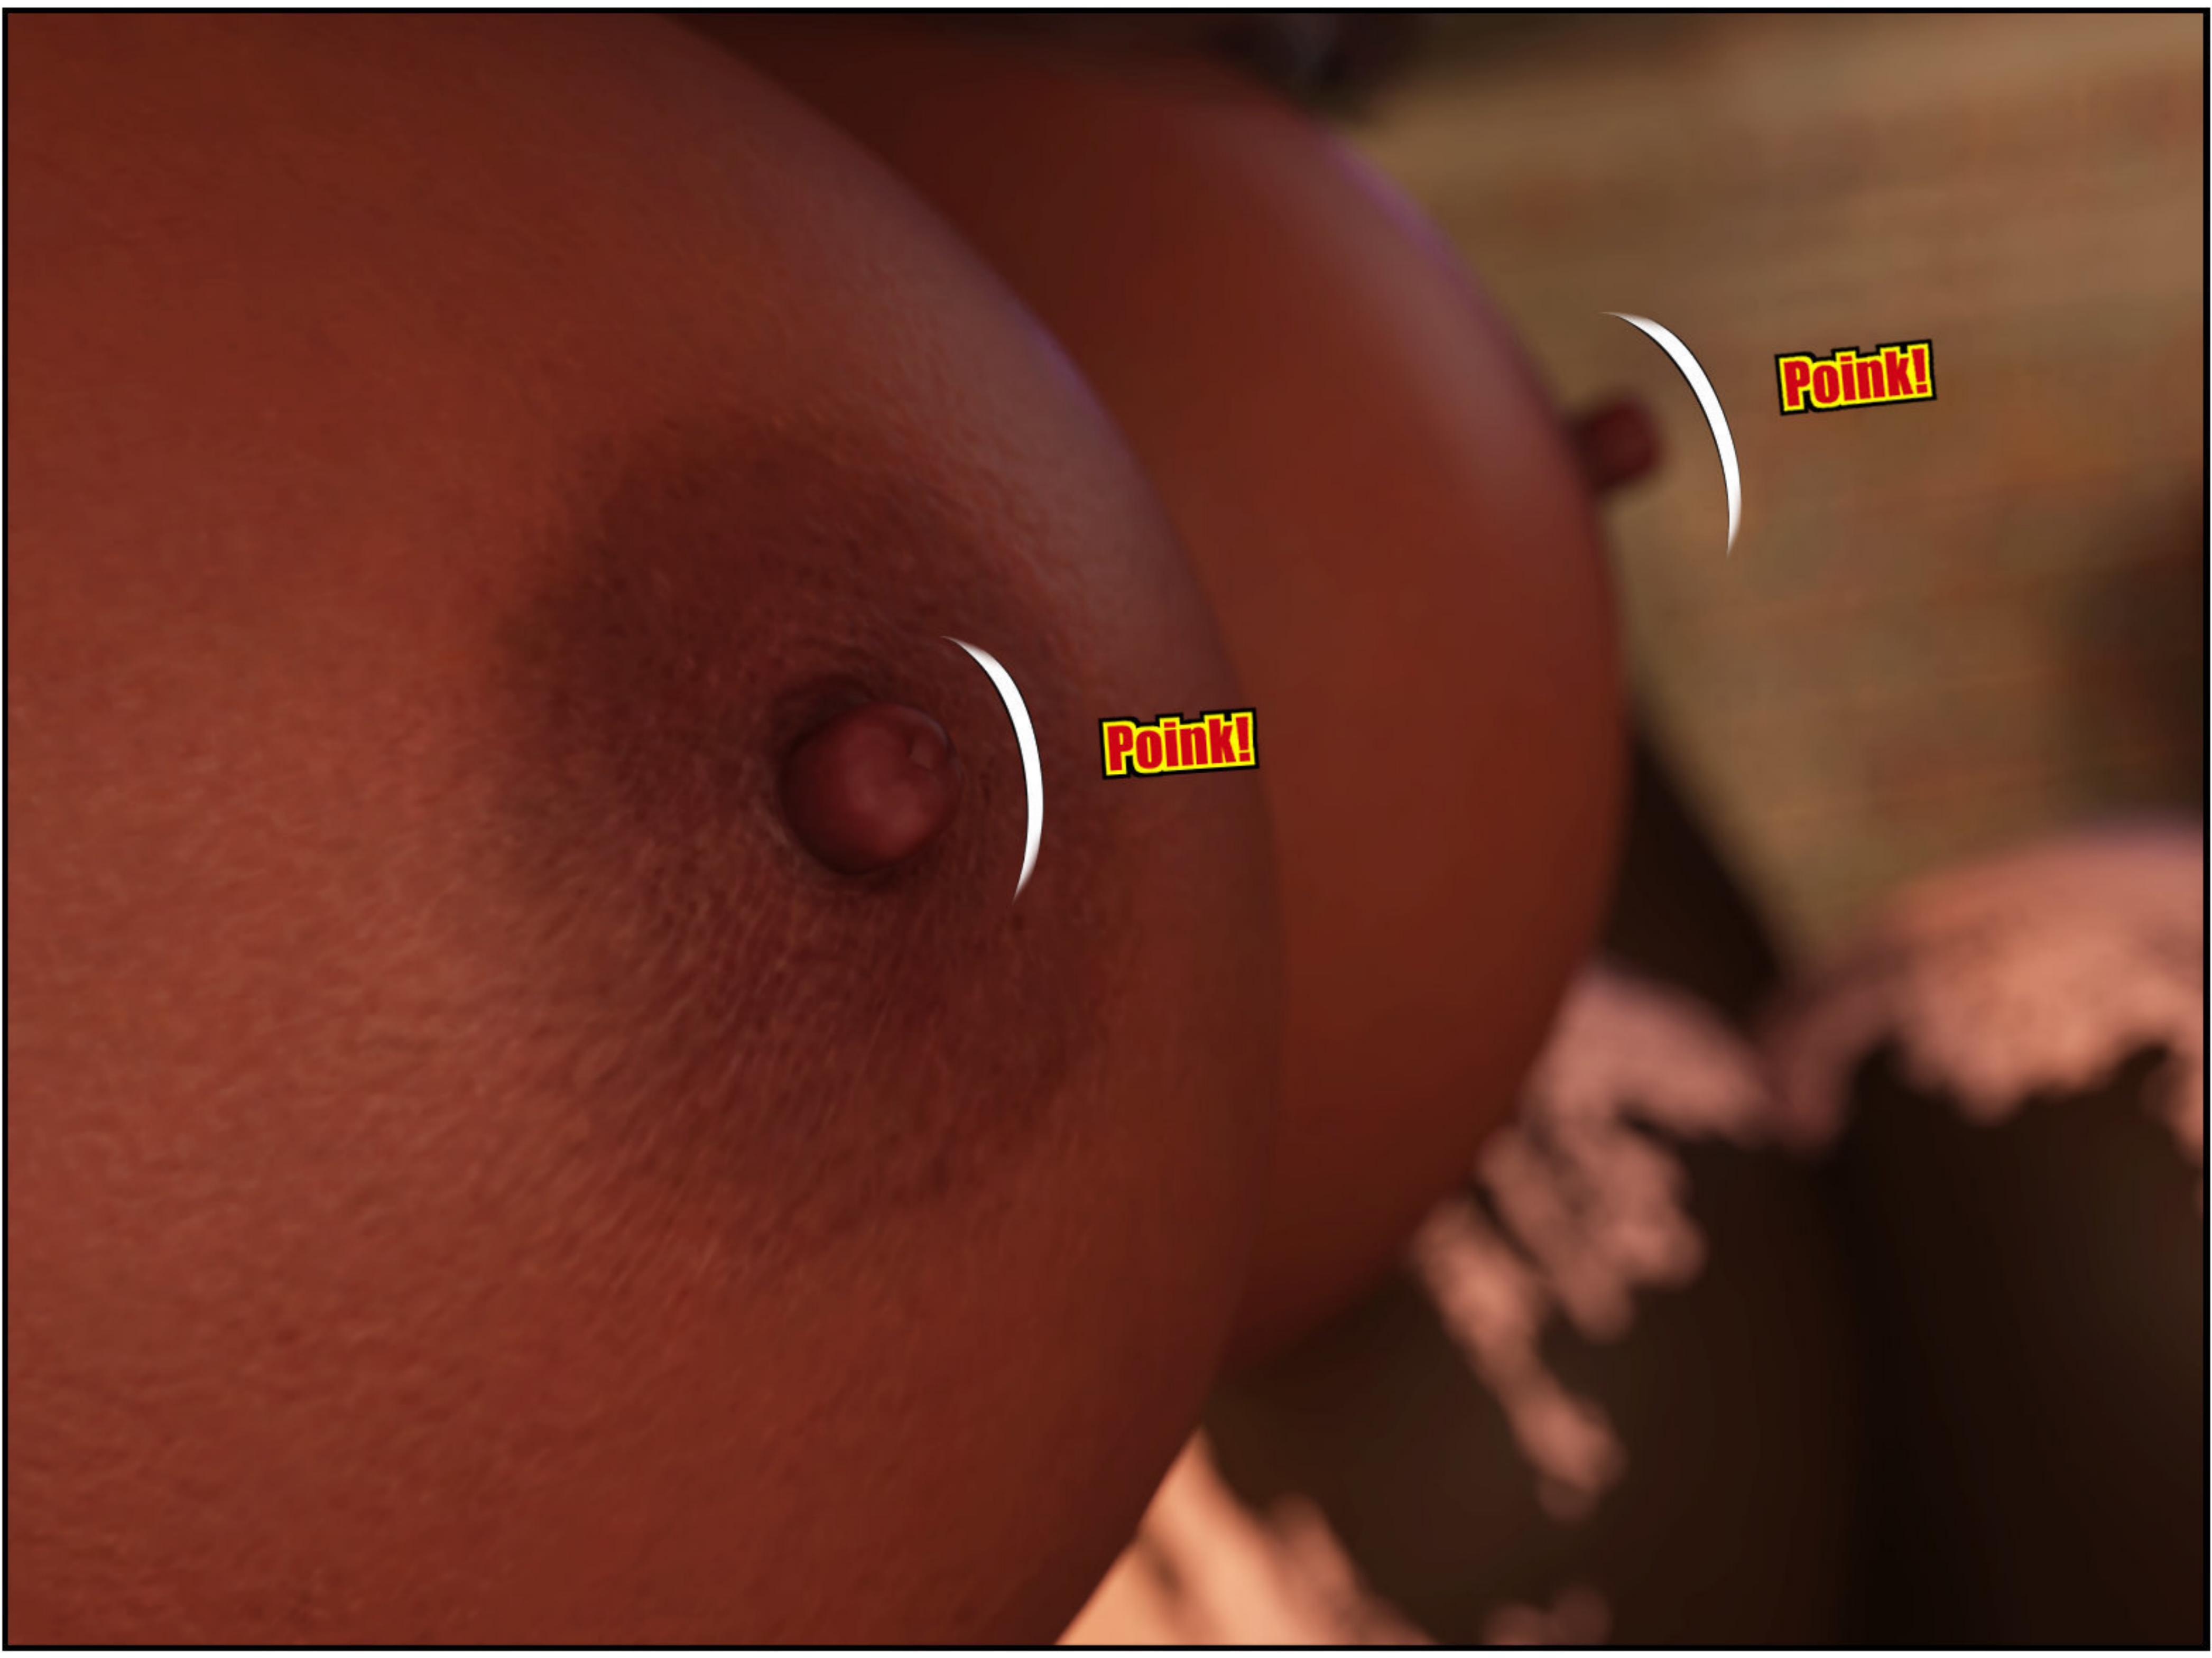

Balloon!

YyyeEees\$\$\$S\$\$S!!

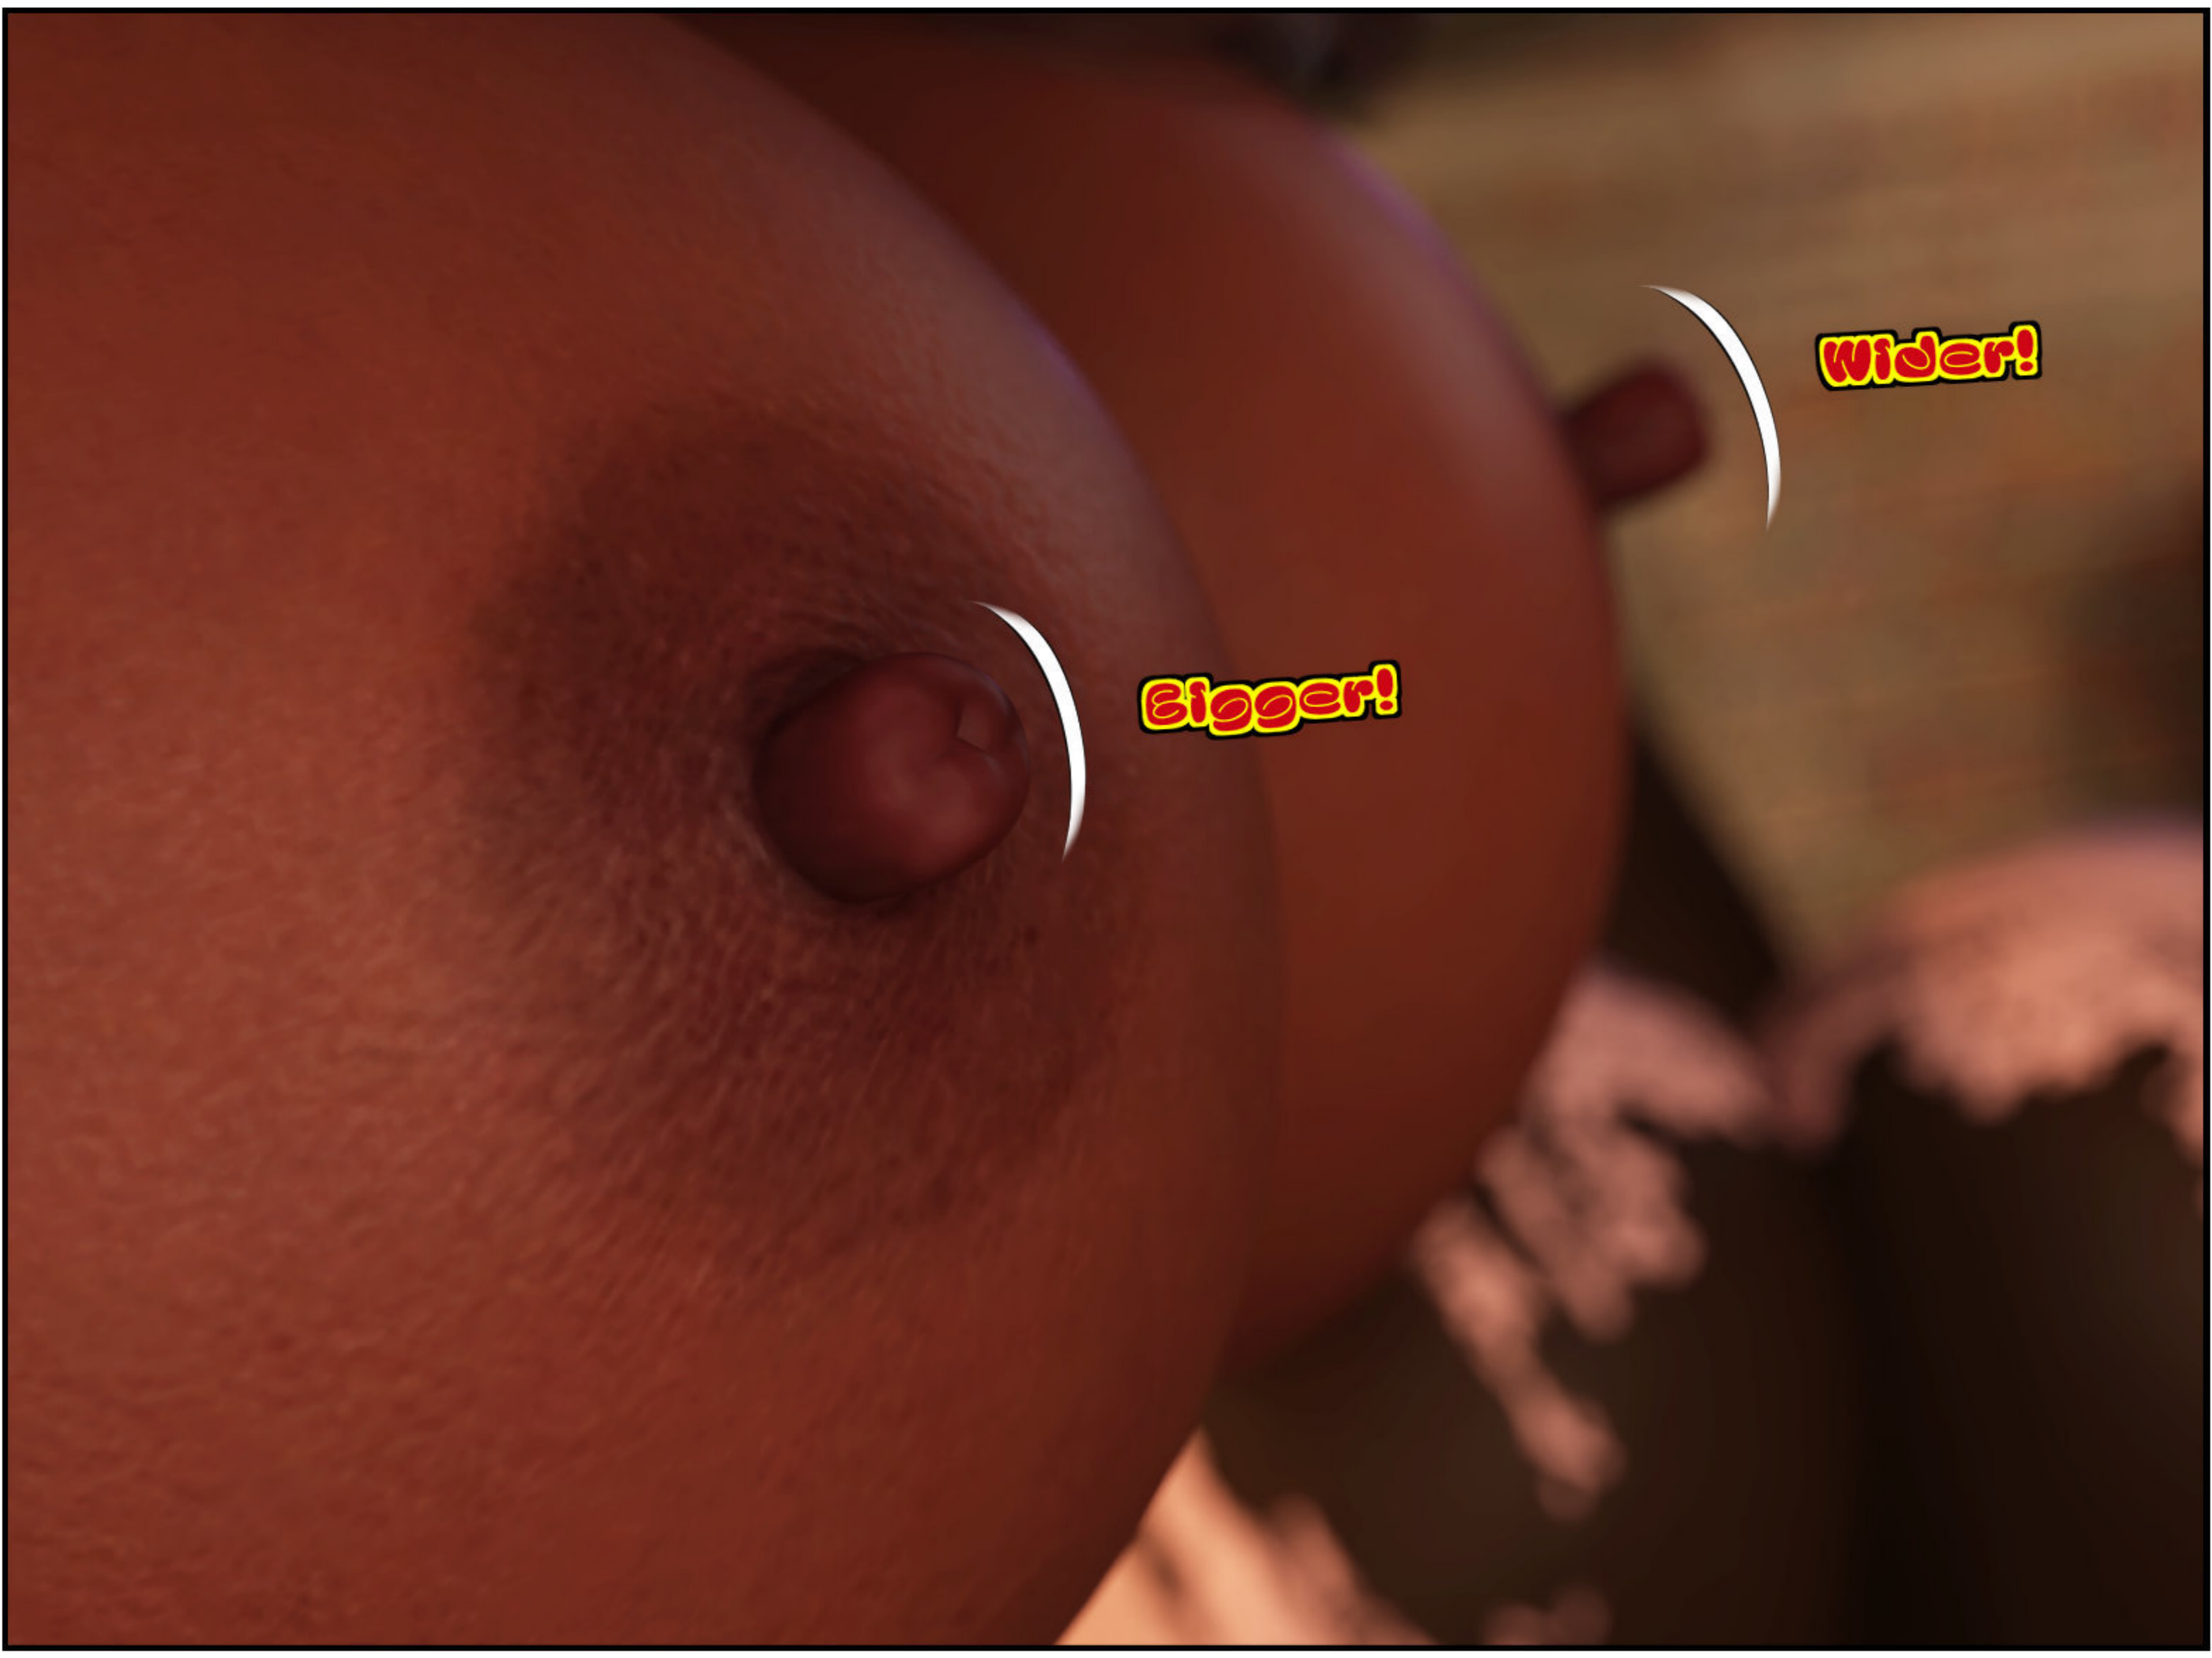

Poink!

Poink!

**Wider!**

**Bigger!**

A close-up, 3D-rendered image of a brown pig's face. The pig has a large, rounded snout and a small, dark eye. Two speech bubbles are present: one near the eye and one near the ear. The background is a blurred, light-colored wall.

**Plumper!**

**Thicker!**

A woman with large, dark, curved horns and long, wavy grey hair is the central figure. She has very large, prominent breasts and is wearing several gold and silver bangles on her wrists. She is looking towards the camera with a slightly menacing or intense expression. The background features a brick wall and a window showing a city skyline at night. A speech bubble is positioned to her left, and a portion of a chair with a lace pattern is visible in the bottom right corner.

Oh my!  
I didn't plan  
on that happening  
either, but I gotta admit  
that I really fucking  
**love** that it  
did!

The story will  
continue in  
the next part.
