M-My body..

A young girl with long, dark purple hair and bangs is shown from the chest up. She has a sad expression, with tears on her cheeks and a small frown. She is wearing a light blue dress with a darker blue floral pattern on the chest. Her hands are raised slightly, and she is wearing a white scrunchie with black polka dots on her left wrist. To her right is a large, white, mechanical creature with a complex, angular design. It has a yellow banner hanging from its mouth with Japanese text. The background is a simple, light-colored wall with a green chalkboard partially visible on the right.

..You always
made anyone who
come close to you
get danger.
