

PART 1

The sun had just begun to rise over the horizon and birds had begun chirping, anxious for their morning meal. The world was slowly waking up and getting ready for a long day while Cinderello was preparing for bed. Everyday was pain and torture for him, his life a cruel joke.

At a very young age, when Cinderello was only a baby, his mother passed away! His father quickly married a wealthy upstanding woman Named Lady Tremaine but then promptly died after contracting the flu. This left Cinderello in her care! He barely knew his mother and father, only what Lady Tremaine told him of them. She said they were poor, uneducated and disgusting people.

Cinderello was treated like a slave by Lady Tremaine, forced from a young age to labor day in and out! He wasn't her own blood so she saw no reason to put any money into him! He got no education! Received only scraps of food! And wore dirty old rags that were on the verge of falling apart! Worst of all, is that Lady Tremaine was quite wealthy. She could easily have provided Cinderello with the bare necessities but even that would have been too much of an effort.

Lady Tremaine was bad, a total wench! But even worse than her were her two daughters, Anastasia and Drizella. They were twins, two years older than him and they made his life a true living hell! Ever since he was young they tormented him with things getting worse every day! He was 18 now and both of them 20, their torture only got worse as time went on! Lady Tremaine would watch them inflict horrible pain on the boy, and when he screamed for help, on the verge of passing out, she would simply laugh!

Cinderello knew nothing but pain, unhappiness, torture and slavery! He watched the sun rise through the window, the only small but of pleasure he received each day before heading to sleep, eager to catch an hour of rest before his next day began. The light from the sun slowly rose up the wall of the house to the window, reaching Cinderellos face as he smiled. One day, he would escape this place and live a normal life! A life free from ownership!

He wanted to stay and watch the sunrise, freeze this moment, but he needed sleep. Slowly and quietly he walked to his bedroom, a small dark closet that was built under the staircase! You could barely even stand upright inside of it but Lady Tremaine always rubbed it in mentioning how SHE had paid good money to have that made for him, and how he should be respectful! Cinderello curled into a ball on the dirty pile of sheets and hay that he used as a mattress and closed his eyes, eager to get some sleep. He had barely had his eyes closed for 2 minutes before he heard the pounding of feet above him. It was like elephants walking around, stomping and cracking, the steps so powerful it felt like the house may come down!

He closed his eyes, squeezing them and muttering to himself, praying over and over....

"Please leave me alone, please leave me alone, please leave me alone, please leave me alone"

His step sister's heavy footsteps came barreling down the staircase above him, each step causing dust and debris to rain down on top of his face and body! It sounded like a stampede of wild animals rushing down and his room under the stairs physically shook!

"CINDERELLO!" Anastasia yelled abrasively!

"CINDERELLO! WAKE UP YOU LAZY SHIT! WE'RE HUNGRY!" Drizella yelled immediately after!

He closed his eyes and pretended not to hear them! He had spent the entire night doing chores! Sweeping, mopping, cleaning their clothes, dirty socks, panties, just the thought of it made him shudder in disgust! Both his step sisters were large women, not fat, not by any means, but just, LARGE, AMAZONIAN, and it didn't help that Cinderello was short and small. They could easily throw him around and manhandle him like a beach ball if they wanted to!

"CINDERELLO!" Anastasia yelled again as another set of heavy footsteps came down the stairs above him! He winced as more dirt and debris fell from the underside of the stairs onto his face.

"Where is Cinderello? Why is breakfast not started?" Lady Tremaine asked...

"He's still sleeping! Why is he such a lazy boy, mother!?" Drizella asked...

"CINDERELLO! I AM GOING TO GIVE YOU UNTIL THE COUNT OF 3..... 1.....2....."

Cinderello quickly scampered out of his blankets and rushed out from under the stairs on his hands and knees! He had to get down on all fours to get through the tiny door that had been built! Both his step sisters broke into laughter at the sight of him scared and shaking on the floor!

"MOTHER! He's like! A LITTLE RAT!" Drizella shouted in laughter.

"Yes he is!... Cinderello! Get started on breakfast and make me some tea..NOW!" Lady Tremaine shouted as she walked to her padded chair and threw her feet up.

Cinderello had begun getting to his feet and was heading towards the kitchen when Anastasia grabbed him by the collar of his ripped rag shirt! She pulled so hard that it choked him for a moment before the fabric tore and allowed him to breathe a bit!

"Are you not going to give your Step Sisters their good morning kiss?" Anastasia asked in third person as Drizella stood beside her, hands on her hips as she giggled.

"Please, i don't feel well this morning!" Cinderello begged as he looked up at Anastasia...

"Aweeeee, Drizella, did you hear that? He doesn't feel well this morning!" Anastasia asked rhetorically!

"He forgot to ask if WE give a shit!" Drizella said with a smile as she turned around and began lifting her light morning dress!

Cinderello watched, his eyes already watering as her massive ass came into view! Drizella had dark red hair and it showed through in her pubic hair making it look like a giant bush of red fire! Her massive sweaty pale as cheeks popped out from below her dress and they still had indents and lines on them from the creases in her bed sheets. Each cheek was large, round, sweaty, and covered in cellulite! She reached back, parting her fat cheeks with a slick wet squelch to reveal the dark abyss between them! Dark red matted hair! Dried pieces of feces caked everywhere! The inside of her ass crack was covered in a slew of tiny red pimples that went up her ass crack to the top of her cheeks making Cinderello gag! His eyes focused on her dirty winking asshole under the matted hair as she looked back!

"WHY ISN'T HE KISSING!" Drizella yelled!

Anastasia grabbed the back of his head before he had time to react and thrust him forward so hard that his feet came out from under him! Cinderello let out a muffled high pitched yelp as his face crashed between Drizella's sweaty ass cheeks. He felt the dirty wet pubic hair smear against his face as each bulbous cheek jiggled on either side of his head! Anastasia began rubbing his face up and down, wiping it in her crack as he pressed his lips together tight! He could feel the shit and grime smearing around as Drizella wiggled her ass, laughing at his pain!

Cinderello limped and held his head with one hand as he walked to the front door. When he opened it the light was so bright that it physically burned his eyes! He could see the outline of someone large as he shaded his eyes to let them adjust! Slowly he could see it was a large delivery man looking down at him with concern...

"My boy, are you okay?" He asked quietly

"Uhhh, yea, how can i help you?" Cinderello muttered...

"Oh, well, i have a invitation here for the family of Lady Tremaine"

"An Invitation?" Cinderello asked...

"Yes, an invitation to a Ball being thrown by the Princess!"

"The.. Princess?" Cinderello asked...

Suddenly Cinderello was hit from the side like a linebacker had body checked him! He flew to the side out of view from the door and hit the wall with so much force that it shook the house and almost knocked him unconscious!

"Out of my way! Hello! I will take that! Thank you!" Anastasia smiled as she snatched the letter and tried to slam the door! The delivery man stuck his foot in the way allowing the door to slam on it as he winced in pain!

"WAIT! THAT BOY! Is he okay?????" The delivery man asked quickly as Anastasia shoved his foot out of the way from the door!

"He's fine! Thank you!" She said before slamming the door!

Anastasia ripped open the letter and began to read the invitation...

"OH MY GOD... Princess Cirilla is having a Ball! AT THE ROYAL CASTLE! AND OUR FAMILY HAS BEEN INVITED!" Anastasia shouted as she sat down at the table and continued stuffing her face!

"AHHH can you imagine the food!!!!!" Drizella moaned!

"Forget about the food! Both you young ladies need to concentrate on finding husbands! And this ball is the perfect chance! Speaking of which, starting right now, we need to get both of you on a diet! We need you in tip top shape!" Lady Tremaine said casually as both her daughters froze in shock...

"A... diet?" Drizella asked, as if she did not know the word...

"Yes.. a diet! It's important to look good so you can find a rush husband!" Lady Tremaine commented..

"A Ball, that sounds exciting, i can't wait," Cinderello said softly from behind them all as all the ladies froze in silence.

It was so quiet, you could practically hear the windmill turning outside! Cinderello began to blush a moment before all three ladies burst out laughing! They laughed so hard it was like they were going to die! Lady Tremaine leaned over, holding her sides as both daughters collapsed to the table! Drizella pounded her fists beside her plate as she laughed! Anastasia was crying, she was laughing so hard! Cinderello turned a bright red and looked down, he wanted to cry as all the women laughed on and on for over five minutes before stopping to catch their breath.

"GO TO THE BALL! YOU!...HONESTLY, CINDERELLO, I THOUGHT YOU DIDN'T HAVE A SENSE OF HUMOR, BUT THAT! AHHAHA AHHAHA SUCH A FUNNY JOKE!" Anastasia cried in laughter...

“Oh my god... HE’S BLUSHING! HE WAS SERIOUS!” Drizella yelled as all three ladies burst into laughter again!

Cinderello was so embarrassed! As they laughed he snuck out of the room and sat down in the hall across from the bathroom. Why was it so funny? Why did they get to go to the ball while he stayed home? Doing what? Cleaning and organizing their garbage!? His mind suddenly drifted to the thought of Princess Cirilla! She was so beautiful! What he would give to just be in her presence for a mere moment!

He had only ever seen her from afar, but he knew she was kind and loving from the way people spoke about her! She hated to see anyone in her kingdom suffer! She had abolished poverty, homelessness, and did anything she could to help those in need! If only she knew what Cinderello was going through! Surely! If he could make it to the ball and tell her! She could help him get away from Lady Tremaine and her two demon daughters.... But.... there was no way he could make it, he would never be allowed to leave the house!

“HEY! SHITHEAD!” It’s time!

Drizella said as she looked down on him and delivered a shift hard kick to his thigh! He reared up in pain and gasped for air as she grabbed the back of his collar and began dragging him down the hallway!

Lady Tremaine used Cinderello for all sorts of things, cooking, cleaning, any sort of field labor and farm work! Both her daughters used him as a constant punching bag and even as furniture at times! But worst of all was the paper duties! Lady Tremaine was obsessed with saving money, pinching pennies at every corner! Just a few months back, she had decided toilet paper was too much of a burden on her savings, and now designated Cinderello to clean her and both daughters after each bathroom use by mouth!

Cinderello actually shook with fear, shivering and whimpering as Drizella dragged him down the hall. The horrible memories he had accumulated over the past year serving as toilet paper for the household were enough to last a lifetime! He tried so desperately to forget that they used him this way but it was so rough and so often that his mouth barely got a break!

Drizella slammed the wooden bathroom door behind her and dropped onto the toilet with her dress bunched up by her waist in each hand! Cinderello watched as the fat from each cheek overlapped the toilet seat, hanging to the side in a very disgusting fashion! Less than a second after she had sat down, a very wet and chaotic shit began exploding from her asshole! She moaned loud as it came out like a spluttering broken shotgun, filling the bowl with wet waste! Cinderello began to gag as she let out a deep low laugh...

“I can’t believe YOU thought YOU were gonna go to the ball! YOUR TOILET PAPER!” Drizella grunted and paused to push out a long load of shit that plopped into the water below her.

Cinderello could hear the shit slithering into the bowl beneath her fat cheeks as her anus popped with wet crackling noises. His eyes began to water and she noticed, snickering and laughing as she rubbed her hand over the side of his head.

“Awe, poor baby” Drizella giggled as she spread her fat sweaty thighs. Cinderello was about to pull back but she dug her fingers into his hair and yanked him forward!

“How about a closer smell?” She asked while shoving his head between her legs and into the toilet bowl!

He fought back until his face entered the bowl! He could feel her fat sweaty thighs squeezing his head and blocking his ears as he looked down below into the sick depths of the toilet! The water was stained black and brown with splotches of yellow! Large boulders of soft shit floated back and forth crashing into one another like icebergs in the ocean!

BBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBFRRRRRRRRRRRRRRSPPPRTTTTTT

A brutal wind of gas blew from her dirty ass spraying shit all over the bowl while urine began spraying out and down his head! Cinderello could feel the urine soaking into his hair and then dripping down his forehead in a thick stream! Drizella dug her fingers into the skin on the back of his head as she moaned loud, the urine was so hot that it steamed, fogging up the bowl and making Cinderello choke!

The gas in the bowl was so thick, so potent, he could barely stand it! His vision began to spin as he choked, dry heaving and gagging loud!

“You better not puke on me you little shit!” Drizella said in a cruel tone as she shoved him back hard to his knees! Cinderello tumbled from the force of her push and hit the wall hard.

His head stung as a burning pain ran over him right where his head had cracked earlier! He reached up, holding his skull as it throbbed and pounded like a drum! Drizella got to her feet and turned around, lowering the toilet seat and kneeling on top with her massive ass stretched out in Cinderello’s direction. She didn;t even need to say anything, he knew how badly he would be punished if she was forced to wait.

Cinderello never got used to the size of his step sister's rear ends! Each of them were huge! Massive! Full of cellulite and they got even wider when bent over! Her cheeks nearly filled the bathroom stretching from wall to wall as the burning odor of her shit filled the small space! Cinderello crawled forward! Even with her ass stuck out, her anus was still too deep to lick! He reached up, grabbing each sweaty cheek and pushing hard, lifting the fat and spreading them so her anus was visible! Even when holding them up though, there was still a shitty mess of red hair covering her asshole.

Her shit had a burning earthy smell but also very wet and bitter! Cinderello’s eyes watered from just approaching the center of her crack! Using his tongue he licked the hairs, cleaning the bits of wet shit from them and trying not to puke! Drizella moaned and cooed, wiggling her ass back and forth a tiny bit making it harder for him to clean without smearing his face!

He dug his tongue through the hair, sucking on it and then dry heaving lightly on the horrible flavor! He could taste onions and the clam chowder she had eaten the previous evening! Her entire asshole had a deep fishy flavor and it was too much for him to take! Desperately he shoved his tongue into her rectum, trying to distract himself from the flavor.

BBBBBBBBBBBsppprpt PDPpprptptppd sppbprttt

The fart erupted from her asshole like bubble wrap exploding rapidly in succession but with little balls of juice inside! It bubbled out and pushed Cinderello’s tongue out before causing him to fall back onto the floor, gasping and brushing his face! Drizeela laughed maniacally as she looked over her shoulder at her slave of a step brother and the juice dripping from her ass crack!

“MOTHEERRRRRR! CINDERELLO IS TAKING HIS TIME WITH HIS DUTIES AGAIN!” Drizella yelled in a sweet and sarcastic voice.

Cinderello knew he was about to be punished, he swallowed his pride and the urge to puke as he dove back into Drizella’s ass cheeks, pushing his tongue hard into her shitty asshole! She

moaned loud and grabbed the top of the toilet to keep from falling over! He could feel her asshole gripping his tongue, squeezing as he licked up and down! His tiny hands had slipped from her sweaty cheeks letting them clap closed on his head but even then he kept going, not wanting to endure any more forms of punishment.

With his head sealed between her cheeks and his tongue pushed deep inside her asshole, Drizella let a hot fart loose! She could feel the burn herself and gagged a bit feeling Cinderello squirm in her cheeks, he never stopped cleaning though. After five minutes she stood up, pushing him back and allowing his sweaty head to pop from her ass cheeks! Cinderello landed on his ass and hit the wall, gasping and dry heaving silently under his breath.

Drizella reached back and stuck a finger up her asshole, moving it around and then pulled it out with a wet POP! She stuck it under Cinderello's nose and wiped across his upper lip leaving a tiny brown stain.

"Next time, don't make me wait!" She smiled and let her dress fall as she began to walk out. Cinderello heard the footsteps coming before he even had a chance to rinse out his mouth! He looked up to see Anastasia coming right towards him, one hand wrapped around her bloated stomach!

PART 2

Cinderello could not stop gagging, his throat tasted like a sewer, coated in the taste of Drizella's sour feces! He reached up, pulling long red hairs from between his teeth, the fact that they came from her asshole made it even worse! Before he could even catch his breath, Anastasia began squeezing into the bathroom! It was a tight squeeze even without Cinderello there! Her massive ass turned towards Cinderello and rammed him into the wall as she struggled to get the door closed!

BBBBBBBBBBBBfppprt bpPPRPRppsprrttttttt

Cinderello cried and began choking immediately as the hot anal fumes blasted his face through her dress! Each fat ass cheek was practically the size of his body and held him against the wooden wall with the force of a truck!

The fart came out wet and splattered as it squeezed between her fat cheeks! It smelled like a dead animal corpse and Cinderello dry heaved from the very bottom of his stomach! Her big ass finally pooped by him as she closed the door and began working her dress up to her hips.

"Can you relax? That wasn't even a bad one, this is why both your parents commit suicide! They couldn't stand the fact that their son is a shit slurping faggot!" Anastasia said with a grunt as she dropped her fat ass onto the suffering toilet below her!

Anastasia's cheeks poured over the side of the tiny porcelain toilet as she unloaded! It sounded like hot mud spraying from her asshole! Cinderello winced from the sound of her wet feces and covered his nose!

“That’s not true!” He mumbled...

“SHUT UP YOU WORM!” Anastasia thrust her bare foot out hard into Cinderello!

He looked up as the foot hit his chest, cracking his ribs and sending him flying back right off the floor! Cinderello felt a crack as his head hit the back of the sink sending him tumbling to the floor like a rag doll! He couldn’t see straight as he drooled on the floor, he could hear Anastasia laughing though under the sound of her wet shit forming a small mountain.

Anastasia lifted her feet, letting both dirty bare soles rest on the side of Cinderello’s face, even when she was sitting, the weight was too much for him! He tried to move her feet by grabbing at her ankles but she kept them firmly planted, pressing harder down and causing him to scream out in pain!

“Oh shut up!” She said with a little laugh of enjoyment as she grunted hard.

So much shit had filled the bowl that the water was completely covered! Her shit was splattering out, hitting more hot shit with a wet slapping sound like mud hitting wet grass! Cinderello knew that the smell of her gas and shit was rising, but even with his head pressed to the floor under her feet, the smell was too intense! His eyes watered from the rancid odor, it was so strong and bitter! He could practically taste it in the air as he began choking! Anastasia laughed and began cupping her toes, clawing his face with her nails.

She pushed hard, rolling him away and then standing up. She could barely turn around with how large she was and how small the bathroom was but she managed with her ass squeezing against the wooden wall! Cinderello got to his knees and looked up, the first thing he noticed was the wall! She had left a thick brown stain of shit across it when she squeezed by! There were tiny bits of corn and skins from beans in the shit and it dripped to the floor.

Anastasia got onto the top of the toilet seat, same as Drizella, and bent over with her massive ass stretched out towards Cinderello’s face! Her cheeks were so wide that they stretched wall to wall. With a bit of effort she reached back, knowing Cinderello would not be able to spread her cheeks. She grabbed each one and pulled wide revealing her shit stained ass crack! It was so thick! Like cake frosting! The inside of her ass was so packed with shit that he could not even see her asshole! His eyes began to water as his throat closed up, his body begging him not to do this!

“I... I... don’t know where your asshole is Anastasia” Cinderello muttered, gasping for air in the thick shit fumes filled bathroom.

“YOU HAVE TO CLEAN IT ALL ANYWAYS, GET GOING! COME ON!” Anastasia yelled in aggravation, a huge blob of shit dripped from her ass crack to the wooden floor beneath the toilet.

“I can't even see your asshole!” Cinderello cried..

Anastasia grunted in frustration and began to push! Cinderello could see the massive thick caking of shit moving, it rose up and then down, and then up and then down..

BBBBBBBBBBBBBBBFRRRRPppsprpfpfrpPPSPPRPT

Cinderello watched as the massive blast of gas erupted from her anus! The shit was like wet cement exploding from on top of a broken gas pipe! Chunks of wet shit blew out, blasting into Cinderello and speckling his entire face and torso with massive chunks of feces! He froze, looking down at the wet shit dripping off of him! It fell from his face and leaked down his cheeks as he whimpered and cried!

“There, NOW you can see my asshole! GET TO WORK! I don't have all day shithead!” Anastasia spat as she turned and rested on the back of the toilet.

Cinderello's body worked like a machine, his arms moving himself forward mechanically as he got closer and closer to the shit caked ass crack! He could feel his throat closing, his stomach churning! Drizella's shit was still taking his throat and his stomach was beginning to feel the side effects! The feces in Anastasia ass crack were so warm they were still steaming! His eyes watered so badly that he had to pull back and breath first! Gasping and choking!

“HURRY! It fucking stinks in here!” Anastasia groaned.

Cinderello cried as he leaned in, his tongue stretched out! He closed his eyes and scooped his little tongue into her crack, running it up as far as he could get! Cinderello could only get a few inches before his tongue was literally filled with shit! It was so much he couldn't even get it all into his mouth! He cupped his hands under his chin and tilted his head back, sucking hard and accidentally pulling all the mushy feces down his throat in one large shot!

With shit leaking down his neck, Cinderello's eyes went wide! He was going to puke! He cupped his hands over his mouth and gagged hard, feeling the warm shit sitting in his throat! Drizella's feces came up hitting the fresh shit as a battle commenced inside of him! The two sisters shits bubbled into one another, mixing and choking him as he gagged and struggled to get it down! Anastasia's feces pushed through, landing in his stomach as he gasped choking and dry heaving!

“YOU ARE USELESS! ABSOLUTELY USELESS! WE SHOULD GRIND YOU UP AND FEED YOU TO THE PIGS! MAYBE THEN WE COULD GET SOME ACTUAL....” Anastasia only

stopped screaming when Cinderello dove back into her ass crack! She closed her eyes and moaned feeling his tongue run up her crack a few inches before being weighed down with shit! As soon as he stopped, she groaned, knowing it would be another minute for him to choke it down.

Cinderello felt so sick, her shit was always foul, but this was a totally different beast! Each swallow left his mouth coated in the skin of beans and corn! He could taste the chicken and cream sauce that had gone right through her! Dairy always had that effect on Anastasia. Her feces were like clumpy hot lava, burning his throat but sinking down so low that he could feel every small chunk! With wide eyes, he held his mouth with both hands, trying not to uke and to keep his step sister happy!

As soon as he had gotten the shit down, he dove back in and licked up her ass crack to the very top! By the time he reached the top, his mouth was practically overflowing with mushy light brown shit! He had to cup his hands around his mouth to stop it from dropping down his chin and chest! Leaning his head back Cinderello sucked and choked it down! He could feel his stomach was at its limit! The hot shit was backing up in his throat, but if he stopped now, Anastasia would only punish him worse!

“Ughhhhhh” Cinderello moaned as he leaned in and began licking up and down her fat pale cheeks, cleaning the shit from them! Some of it had begun to dry because of how long she was waiting and he had to scrape it with his teeth!

BBBFRRTTTTT

A massive eruption of gas blasted from Anastasia’s asshole! The gas was so powerful that it moved the hairs on Cinderello’s head and fogged up the mirror above the sink behind him! He was frozen! His skin on fire! It felt like his lungs were going to collapse from the odor! His chest buckled as he took a gasp and began choking harder than he ever had before! Collapsing to the ground he choked, shit flowing up his throat and trying to come out his mouth!

“UGH! I HAVE TO DO EVERYTHING MYSELF!” Anastasia screamed as she got up above Cinderello.

He looked up, her massive pale thighs like elephant legs or white tree trunks! She began to crouch, bending and lowering herself before dropping down! The full weight of her ass came down, crashing into Cinderello’s head as her cheeks hit the floor! She was so large that you could not even see his head under her cheeks! The entire house shook for a moment as she landed and laughed to herself just thinking of the tiny guy beneath her.

Cinderello was in pure darkness! He could feel the sweaty shit covered skin pressing to his face and smothering him close to the point of death! His arms were totally pinned down under her weight! All he could do was lick! He shot out his tongue, trying to move his head! Any direction

he moved he could taste shit! It was so sour and bitter! It began rubbing into his eyes and hair as she moved back and forth, rubbing her massive ass on top of him! There was no air! No light! Cinderello barely lasted a minute before going unconscious.

“Wake up..... Wake up Cinderello, good morning”

Cinderello slowly opened his eyes to see Princess Cirillia standing above him! She got down onto her knees, her blonde wavy hair flowing around her shoulders and down her beautiful gown. She smelled like strawberries as she moved closer and closer. Gently she took her soft small hand and copper his chin before kissing him! Cinderello was frozen in shock for a few seconds, like a statue! She bit his lip and continued kissing as he started to kiss back, this had to be a dream!

Suddenly Cinderello woke up! There was a giant pig licking his face and snorting as it cleaned the shit from his face and hair! He heard laughing and spun to see his two stepsisters standing outside the pig pen and laughing so hard they could barely stand! Cinderello tried getting to his feet but slipped in the mud, falling back and landing on his head as the pigs swarmed him, licking more shit from his filthy body! Both his step sisters began to laugh harder, both of them on their hands and knees on the grass now! Anastasia was crying from laughing so hard!

“Clean yourself up and head down to the butchers, Mother wants you to pick up the meat order she put in, and then head to the dress shop!” Anastasia order

“We’re gonna get something fancy for the ball! But YOU are gonna carry the dresses home! DON’T GET ANY SHIT ON THEM IDIOT!” Drizella yelled as they walked away heading to the main road and disappearing around the corner.

Cinderello got to his feet and kicked the pigs away as he let out a dry heave! He smelled worse than a trash can and his throat tasted like a toilet! He crawled under the fence and walked around the house! There was an outdoor shower in the back, Lady Tremaine didn’t allow him to shower inside so had this built for him. It was just a drain with a shower head attached that hung off the side of the house with a pull string attached. When he pulled the sting, freezing cold water came down. It was all he had but he was thankful knowing some people were not afforded showers at all.

As he cleaned off the shit from his step sisters and gargled the water, washing out his throat, he tried to think of how much worse his life could be! He could be begging for scraps on the street! Sleeping in the cold and snow! His life was shit but it could always be worse! At least he had a bed, and a roof over his head, and food... well.. His stomach flexed and tried to eject the shit inside of him as he choked and gagged remembering the sight of both his step sisters dirty ass cracks. The smell was imprinted into his brain!

When he was done showering and washing off he still felt dirty, but knew he had to rush! If he was late or made any of the ladies wait, he would be punished severely! Quickly he got naked and rang out his clothes, drying them as best as he could before putting them back on and taking off running towards the butcher shop. It was only a five minute run but he had to stop and begin walking after only a few steps! He could feel the shit sloshing around in his belly and it made him incredibly light headed!

Walking as fast as he could, Cinderello headed down the gravel road towards the butchers. He could see and hear all the villagers talking about the ball and showing off invitations to each other. It was like everyone in the village was invited! Cinderello fell to the ground as a few young women rushed by pushing him out of the way! He had to roll to the side quickly to avoid being run over by a horse and carriage! Quickly he got to his feet and brushed off his clothes before resuming his fast walk to the butchers.

When he arrived at the Butcher shop he could see Arielle out front standing on a rickety ladder and trying to hang a sign! Arielle was the butcher's daughter and the same age as Cinderello, he had a crush on her since they were very young! As he walked by to the front door of the shop he looked up towards her! Her long red hair was in a ponytail with a big red bow in the back! His eyes drifted down to the bottom of her dress and he could see up it! She had long legs with thick thighs! Her pattern pink underwear were being gobbled up by her plump pale cheeks! She looked down and gasped, stepping back as she fell into the air! Cinderello was half her size, even though they were the same age! He did all he could think of and dove into the way, landing on the ground below her! Her massive butt came down hard on his back! Crashing into him and cracking multiple bones as he cried out in pain!

Cinderello could barely breath as he gasped and rolled over onto his back while holding his chest! It felt like a boulder had landed on his back! Arielle had rolled off of him onto the grass and had already gotten up! She brushed off her dress and straightened her hair before glaring down at Cinderello!

“YOU PERVERT!” She shouted before stomping her black loafer down onto his chest hard!

Cinderello gasped as he choked on his lungs! He was already struggling to breath and she had forced all the air out of him again! Arielle pressed down hard with one foot before standing on him with both feet and thank walking back to her step stool! Cinderello watched in pain as she stepped up, the moment her foot touched the step, it snapped and cracked under her!

“AHHH, LOOK WHAT YOU DID! YOU IDIOT!” She screamed as a ton of villagers looked over at the commotion.

“I... I... I didn't” Cinderello gasped as he caught his breath! It felt like his spine and ribs had been broken!

“HOW AM I SUPPOSED TO HANG THIS SIGN NOW!” She screamed as he scampered to all fours and crawled a few steps before getting to his feet! Cinderello ran into the butcher shop, the bell ringing above the door as he slammed it closed.

The butcher looked up from the counter and smiled!

“Ahhhh Cinderello! How are you my boy!” He looked outside to his daughter, stomping her feet and kicking around the pieces of the broken step stool.

“Arielle wasn’t giving you any trouble was she?” he asked with a grin..

“No sir” Cinderello answered...

The butcher dug around behind him before taking out two massive slabs of meat and wrapping them up. The bag was almost half Cinderello’s weight. He struggled to pick it up as the butcher laughed.

“You gonna be okay with that?” He asked...

“Yes sir! Thank you sir!” Cinderello said as he made his way to the door! He could still feel his back and chest aching in pain from Arielle landing on him! Just as he was about to open the door, the butcher called out to him.

“Cinderello! If you don’t mind, can you give Arielle a hand quickly? I’m a bit busy here, my hands are full, and she always has issues when she works alone”

Cinderello looked outside, she was still raging, throwing around pieces of broken wood from the step stool and swinging them into one another as she cursed! She was beautiful, but so angry!

“Uhhh... i really have to”

“Come on, it will be quick!” The butcher interrupted him and asked again.

“Well, uhhh, i guess if”

“GREAT! Thank you Cinderello! Thank you” The butcher cut him off again and turned around to resume his work.

Cinderello had barely opened the door when Arielle stopped breaking the stool further and turned to glare at him! She looked so angry, like she wanted to kill him! Cinderello looked down, blushing as he lowered the bag full of meat to the ground.

“Your father asked me to help you... do you need some help?” Cinderello asked very sheepishly...

Arielle took a step forward, she was about to beat the shit out of him but stopped. A smile slowly formed on her lips as she came up with an even better idea! One where she could punish Cinderello and get her job done.

“Well, now that you mention it, i could use some help!” Arielle said in a sweet tone, a total change in character! Cinderello looked up to meet her eyeline. She was twice his height. She walked over to where the step stool was and looked up at the overhanging porch roof.

“Give me a boost, so i can hook this new sign up! We’re running a promotion for the Ball!” Arielle said as she turned her back to Cinderello and waited for him.

Cinderello walked behind her and looked up her back as he stuttered...

“Uhhh, i don’t know if i can... I mean, maybe if... I mean, maybe you should boost me?” Cinderello said quietly from behind his crush... she looked over her shoulder at him....

“What?!”

“I was just saying that”

“YOU WERE SAYING WHAT? THAT I'M TOO HEAVY? ALSO WHY WOULD I WANT TO PUT MY HANDS ON YOU! YOU SMELL LIKE SHIT!” Arielle yelled as a ton of people began to watch, Cinderello blushed and tried to shush her!

“GET YOUR HAND’S OUT OF MY FACE! I WOULD NEVER PUT MY HANDS ON YOU! YOUR FILTHY!” Arielle screamed as Cinderello got to his knees, begging her to stop!

Arielle turned her back to him and kicked her foot back hitting him hard!

“Cup your hands together so I can step in them! AND DON’T YOU DARE DROP ME!” Arielle screamed!

Cinderello got to his feet quickly and cupped his hands together, locking his fingers inbetween one another! He just wanted this to be over with so people would stop watching! Arielle stepped into his hands with one foot and her weight was immense! She was not fat, a bit curvy, but to Cinderello she was a giant! Arielle stepped up with her full weight and rested her other foot on his forearm!

Cinderello felt like he was lifting a truck! She was so heavy! Her shoe soles were cutting into his palms and making his hands bleed as he started to whimper and cry! His thin arms were shaking like twigs, unable to support her!

Arielle was able to get one hook from the sign through the loop when Cinderello's arms dropped a bit! Arielle almost fell but leaned back heavily to catch herself, resting her full weight on his head!

Cinderello looked up at the worst possible time! Arielle came back hard and fast, her dress moving up slightly from the breeze and wind of her movements! Cinderello got a quick glimpse of her ass and sweaty pink panties bunched up between her cheeks just before they crashed into his face! Half her weight was resting on his tilted back head with her feet still in his hands!

Arielle wiggled her ass back and forth and smiled, feeling his face crushed beneath her entire body weight was actually a bit nice! His nose stuck into her ass crack which was incredibly sweaty! She didn't want to reach back there and itch it with her fingers so his nose could make a nice substitute! Quickly she looped the other part of the sign on and then leaned forward a bit sticking her ass out and rubbing it up and down Cinderello's nose! His hands were shaking under her feet and she knew he was about to drop her any moment!

Cinderello wanted to cry out but he was in so much pain it was unbearable! Her rubber shoe soles were digging into his palms so deep, the edges of the soles scraping off his skin! Arielle's fat ass covered his entire face and it felt like his neck would break any moment! If it wasn't for him using all of his body strength to support her, his neck would have snapped instantly!

Her ass began to grind up and down his face, his nose rubbing into her ass crack down the back of her sweaty panties! Her asshole stunk horribly! Not nearly as bad as his step sisters but nowhere near what he imagined! It was an oily vinegary smell, the odor of sweat but mixed with the unmistakable odor of feces! It was so thick! Like she hadn't washed!

Cinderello's knees buckled as his legs went limp! Her gas exploded out into her sweaty panties, spraying out three hundred and sixty degrees around her asscheeks and Cinderello's face! He could feel the wet gas pushing past his skin as he choked on the smell and collapsed! His body went down like a rag doll, crumbling to the grass! Arielle gasped! Her eyes wide as she dropped down! Instead of putting her arms down to break her fall! She raised them up in the air to protect herself! Cinderello hit the ground hard, Arielle came down again, for the second time that day, landing on his chest with a brutal crack! Everyone in the market stopped to look over at what made the sound!

Slowly she rolled to the side and pushed herself up to her feet! She turned around, about to scream at Cinderello but then froze and screamed!

and jewellery glimmered in the moonlight shining through the shaded silk. He caught her smile before the carriage moved quickly down the road! It was followed by a group of armed knights on horses who all eyed Cinderello with discretion.

As soon as the carriage was gone from his view, Cinderello let out a breath and began to choke! He hadn't realized, he was holding his breath the entire time! He had to lean on a stone fence for a minute until he could walk properly again! Princess Cirilla was a goddess! What he would give for just one moment with her... His mind drifted to the ball, that would be his chance, but... there was no way he would be allowed to go. Slowly a tear rolled down his cheek which he quickly dried!

Cinderello walked slowly, trying to take his time. He had a bad feeling that some sort of horrible punishment awaited him at home. The moon was high in the sky and crickets chirped in the silence but that beautiful night lull was disrupted by a shrill high pitched voice. Cinderello froze, He could hear women screaming about something! The closer and closer he got, the voices became more clear, it was Drizella and Anastasia.

Cinderello got down on his hands and knees and began crawling across the front lawn, making his way to the house! He hugged the wall and crawled to the window so he could hear the conversation clearly.

"OH MY GOD! AHFFF This dress is INCREDIBLEEEEE!" Drizella screamed!

"Mines too tight in the waist! HOW AM I SUPPOSED TO EAT IN THIS THING?" Anastasia screamed

"You two young ladies CAN FORGET about food! Your main priority is to find a husband at this ball! NO EATING!" Lady Tremaine said in a dominant tone!

There was an awkward pause as Cinderello continued to listen...

"Speaking of eating, where is that little shit, Cinderello?" Anastasia asked...

"Probably jerking off out back in the barn again! What a pervert!" Drizella laughed

"When he arrives home, make sure he tends to the dishes and finishes all of his chores! He has fallen behind being in the infirmary all day, and this place is a mess! Have a goodnight girls" Lady Tremaine said while slowly walking up the stairs. Cinderello could hear them creaking under her weight.

As soon as Lady Tremaine was upstairs with her bedroom door closed, both girls began to laugh..

Cinderello got back to his hands and knees, crawling along the house perimeter quietly to stay out of sight. When he was in the darkness behind the home he ran quickly to the barn and slipped inside! He opened and closed the door very slowly but the horses began to neigh and exhale loud at his arrival! Quickly began to pet them, trying to calm them down!

“Shhhhh shhhhhh” Cinderello tried to hush them but the footsteps of his cruel step sisters could already be heard approaching the barn!

He ran to the back and jumped into a big pile of hay! Burrowing underneath and hiding as his heart raced! The bare door creaked loudly as Anastasia and Drizella walked in! Their breathing was loud and harsh like that of a wild animal!

“I SWORE! I just heard him come in here!” Anastasia said while stomping around and looking into the horse pens.

“Maybe he ran off already?” Drizella said while guardian the door with her hands on her hips...

“No, he’s here, i can smell it! He always smells like farts!” Anastasia said with a chuckle as she sniffed the air and began walking closer and closer towards the hay pile he was hiding beneath! Cinderello watched her through the hay walking closer and closer.

“How can you smell anything, this entire place smells like shit!” Drizella said while fanning her nose!

Cinderello began to shake as her feet walked right up to the haypile he was under! She was less than an inch away from him

“There’s a distinct difference between the smell of human feces and that from farm animals! It’s a lot.... More... POTENT!” Anastasia screamed the last word as she reached down and grabbed the back of Cinderello’s neck through the hay pile!

Cinderello screamed in horror as he jumped out and tried to run! Anastasia wrapped her arms around him, trying to put him in a headlock but he was able to maneuver and squeeze out! Desperately he sprinted towards the barn door with Drizella blocking it like a linebacker! She moved back and forth, stopping him and trying to grab him as Anastasia came up behind him! In seconds they grabbed him and brought him to the barn floor with a harsh thud as they cackled and laughed! All of the horses were jumping and neighing like crazy but neither of the young women cared, they had more important business to take care of!

Cinderello felt like he was going to pass out as he gasped into the skin of her sweaty ass cheek! The weight on his head was so fucking heavy that it felt like his skull may EXPLODE! Anastasia leaned left and then right, grabbing each fat cheek and spreading them wide! Cinderello began to shake as he saw her hairy ass crack! It was COVERED IN SHIT! All of the hairs were dripping with wet clumpy feces, stained with the burning smell of onions!

Cinderello shook and trembled, unable to move as Anastasia grabbed the bottom of his chin, forcing his mouth open.

“I hope you're hungry!”

Cinderello watched as she came down! In less than a second her asshole was on his lips! Each cheek squeezed around the side of his face as feces began smearing across all of his features! Desperately he closed his eyes in a last ditch effort to keep the feces from giving him a horrible case of pink eye!

Anastasia moaned as her anus came into contact with his mouth! Her asshole was so big and she knew from experience how to find his mouth perfectly! Cinderello could feel her thick anus pushing on his lips and pumping on the inside of his mouth, trying to expel his dinner! He threw his hands up, trying to throw her off but she quickly pinned him down!

“Ahahahaha, he's fighting back today” Anastasia laughed!

“I would too if I had to smell that up close!” Drizeela said while choking and leaning with her head outside of the barn door, trying to get fresh air!

“Ugh shut up!” Anastasia grunted as a deep bassy wet fart exploded into Cinderello's lips!

BBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBFBRT spprprpfpr PPSRPTPTPTPTPpsprt

Cinderello cried as the hot gas forced his cheeks to puff out before launching the brunt of it down his throat! The burn was worse than anything he had been forced to endure from either of the cruel women! He could feel her anus vibrating on his tongue, it shook his lips with how hard the rumble was! Desperately he choked, the odor flowing out his nose and into her sweaty ass crack! The smell of the gas began filling the room as both women started to dry heave and gag again!

“I'm gonna wait outside!” Drizella said with a red face and one hand over her nose!

“Ugh, maybe that's best for tonight” Anastasia groaned and rubbed her bloated stomach as Cinderello flailed beneath her.

BBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBFBRTTT

An explosion of gas like an atomic bomb left her asshole! Cinderello could feel his throat actually inflating from how intense the hot blow of methane was! His entire body went limp as his vision began to spin! He could feel Anastasia's hands running down his body as she leaned forward, bracing herself and pushing.

"Just like we ugghhh...been practicing shit lips, open up your....ahhh... throat, nice and wide! This one's gonna be a rocky one!" Anastasia said while grunting and moaning.

Cinderello choked hard, the odor of her gas was so hot and spicy! The burning dead smell of rotten beef hung in his lungs forcing him to heave endlessly! If he could have ended his life at this very moment, he gladly would have!

He felt Anastasia's asshole widen in his mouth, stretching his lips to such a diameter that he felt his skin beginning to tear! The massive turd scraped his tongue, it felt like the tip of a boulder! She pushed and moaned, grunting and forcing the shit out of her body with a massive struggle as it slowly wormed out!

Cinderello's eyes went wide! The shit was so hard, so rocky and SO WIDE! It filled his ENTIRE MOUTH! There was no way it would fit inside of his throat! Anastasia grunted and pushed as a soft air fart leaked around the turd and pushed into his mouth! In an instant the shit began rushing out! The hard rocky head forced its way into his throat, ripping and tearing the skin!

Cinderello felt his entire body go into shock! The massive shit began to turn soft and mushy but retained its girth and massive shape! He could feel it working its way down his throat, forcing his esophagus to stretch much wider than was possible! Tears dripped from his eyes as he cried, the spicy shit squeezing past his tongue and forcing him to endure every bitter flavor! He could taste the veggies, broccoli and cauliflower, the beans, the rotten meat, it was horrific! All of it was tainted with the onion salty clay like flavor of feces!

BBBBBBBBBBBBBBBBBFRTPPpsppr fppppptppPSPPRRTBBFRTT

"Ahhhhhhhhh fuck me" Anastasia moaned in relief as a massive fart blew from her anus cutting the turd in half! Cinderello screamed into her ass as the massive shit was ripped down his throat by the weight of the portion in his stomach! He could feel his throat shrinking in size as the shit settled in his stomach! All of his organs and intestines had moved slightly to accommodate the massive shit and he was still in partial shock!

With barely a second to recover! Anastasia grunted and pushed, releasing the second half! Cinderello used all his strength to grab each of her cheeks, trying to force her off of his face but it was too little too late! She grabbed his hands, throwing them back and sitting full weight on his head.

Cinderello could feel the second half, the massive mushy shit pushing quickly into his mouth! It felt like hot oatmeal in the shape of sausage flowing over his tongue! The shit was now soft, as it reached his throat the massive turd began squeezing in, changing shape and becoming thinner! He could feel his entire insides filled with feces! There was nothing he could do but keep his throat open and hold his breath!

Tears dripped down his cheeks as she grunted and pushed! The shit seemed endless! Coiling in his stomach! He could feel the weight increasing more and more as he cried!

The shit ended with a massive wet choppy fart, blowing from her anus as it slapped open and closed inside of his mouth! The shit seeped down his throat, barely able to get in his stomach with how full it was! He could literally feel the shit sitting at the bottom of his throat, bobbing around.

Anastasia grunted and pushed off of his chest making him scream out in pain! She unsteadily got to her feet and stepped aside, letting her dress fall to her ankles without even bothering to wipe her ass! She looked back to Cinderello, laying on the floor, crying, gasping, dry heaving! His stomach was bloated and round! The idea that it was FULL OF HER SHIT made her smile.

She began fanning her nose and then laughed from the smell, it was foul! The kind of shit smell that crawled into your nose and hung there! She walked to the door of the barn and peeked out to her sister.

“You ready?” Anastasia asked?

“Are you kidding, I’m about to burst!” Drizella said with a giggle!

Drizella walked into the barn and towards Cinderello! Immediately he began to squirm and cry, trying to crawl backwards but unable to from the shock!

“Ah ah ah” Cinderello gasped, his mouth was still covered in feces, he could barely speak!

“Ugh, god, you stink!” Drizella groaned as she held her nose with one hand and walked over, stepping over Cinderello’s head!

He watched as she gathered her skirt and squatted! Her big ass came down towards him as he braced for the impact but it never came! Slowly he opened his eyes to find her squatting above him! Her big hairy asshole pulsing and wincing barely an inch from his eyes! Her anus had an atrocious spicy odor that reeked similar to Anastasia’s but different! It had a distinct green smell,

very wet and sweaty! Cinderello let out a long deep set heave from his stomach as Drizella let loose!

Cinderello was hit by a blast of wet shit! All he could see was brown as his face was forced back to the wooden floor! He turned his head sideways, trying to avoid the avalanche of wet shit but it was impossible to move with her pinning him down! Wet gooey shit and liquid feces sprayed onto his cheek and leaked down his face forming a massive mushy pool beneath his head. He could hear Drizella groaning as she expelled the waste.

Wet farts blew from her asshole, painting his face with chunks of feces! It got into his eyes, leaked inside of his ears! The wet shit ran down his face like a literal avalanche, sinking into his nose and covering his lips! Cinderello gasped and blew air from his mouth, shit splattering from his face!

When he finally recovered, both Anastasia and Drizella were gone! He woke up in a room temperature pool of feces! He was covered in a swarm of flies that ate at his skin! He began to wave his hands, brushing them off as he pushed his weak and shaking body from the floor!

Cinderello showered for over an hour, crying the entire time! The foul taste of both step sisters feces stained his throat and nasal passages to such an extent that water could not wash! Countless times he threw up, gagging and gasping as the thick chunks of feces forced their way back up his throat! He fell to the ground on his hands and knees! Gasping as the brown chunks poured from his mouth! If there was a hell, this was it!

By the time he had finished showering and vomiting, it was nearly 3am, he would need to be up in only two hours for his chores! There was no point in sleeping, it wouldn't do him any good!

Cinderello walked back to the barn, right away he focused on the pool of feces on the floor! He hated those women! Anastasia and Drizella! They were evil! Why did they treat him so poorly? He looked down and noticed he was making fists with his hands....

It was at that moment he had a stroke of inspiration. Maybe it was the shock of ingesting over ten pounds of warm feces! Maybe it was the hatred he had for his step sisters! Regardless, he used the raw emotion and passion, gathering leather and wool from the barn! He was going to make a suit! He was going to clean himself up! He was going to that ball! And he would leave this horrible life forever!

PART 4

The sun had just begun to rise when Cinderello took a step back to admire his work! What he had created was truly astounding! Over the years he had been forced to work as a tailor for his step sisters, fixing and sewing their clothes as the seams ripped! He became very talented with a thread and needle which paid off tonight ten fold!

All throughout the night, Cinderello scavenged the barn, finding all the leather and cotton he could! He had arranged the scraps into a beautiful suit running the edges down vertically to create a striped pattern! He used the extra bits to create a vest and belt and in the end he even had a bit of leather left over! He took a step back and smiled, it looked incredible! Tonight would be his chance! He could finally leave this horrible life behind!

“CINDERELLLOOOOOO WHERE ARE YOU? GET YOUR ASS IN HERE NOW!” Anastasia screamed from inside the house!

Anastasia's voice caused a shiver to run down his spine as he turned and began rushing towards the house! It wasn't until that moment that Cinderello realized he was so distracted with his suit, He had totally forgotten to start ANY of his chores! He felt a deep sense of dread roll over him as he began to imagine the punishments that would be inflicted upon him! He had just reached the back door of the house when Anastasia screamed for him once again, this time even louder! She could have woken up the entire village!

“CINDERELLLLLLOOOOOOOOOO!” Anastasia screamed, her voice echoing down the hallways!

Cinderello had barely reached the top floor of the house when the odor hit him! The thick sour meaty smell of shit! It smelled like a barn animal had gone to the bathroom inside of the house! Anastasia was about to scream his name again but stopped as he took a step into her room! The air was so thick he could barely breathe! Anastasia was laying on her back, fanning her face and holding her bloated morning stomach under her bedsheets. She pointed to the window and then ordered...

“OPEN IT, NOW!”

Cinderello rushed over to the window, the smell was so dense, it was like walking into a cloud of mustard gas! His entire body began to shake as he reached the window! With watering eyes he pushed the window open allowing a breeze of fresh air to enter! As soon as it did, he gasped, taking a much needed breath.

created a slick slime that let his face slide deep with his nose and mouth pressed right to her greasy asshole!

When the blast hit him, it hit him point blank! He could feel the skin on his face melting as the burning shit flew out covering him completely! Anastasia moaned as the feces sprayed from her ass, painting her step brother in an avalanche of shit! She knew it was going to be a mess, but she didn't care, she wouldn't be the one cleaning it all up!

Cinderello cried, trying not to open his mouth but with his nose completely full of shit, he had no choice! He gasped, sucking in as the feces exploded violently towards him! Anastasia could feel him inhaling and reached back, forcing his face even deeper as she moaned! His body began to shake before going limp

Anastasia peeked under the covers after plugging her nose, she could feel what a mess it was! When she finally found Cinderello, he was unrecognizable! Covered almost head to toe in hot sticky feces! She used her bare feet to push his body off her mattress, he rolled off and hit the floor with a wet sticky splat, landing on his face!

When Cinderello woke up, he was laying on the floor and dripping wet! He slowly pushed himself off the wooden floor as the morning's events slowly came back to him! The last thing he remembered was being trapped in Anastasia's bed, he had no idea how he had gotten here. He looked up to see Anastasia and Drizella standing in front of him, both of them a cruel smile stretched across their face!

"Well well well, what do we have here?" Lady Tremaine said with a disappointed tone

Cinderello turned to see her standing behind him! His suit that he had worked ALL NIGHT on was hanging from her arm.

"Don't tell me YOU thought that you would be attending the ball?" Lady Tremaine said while looking down on him

Cinderello was so scared he could barely speak!

"THAT SUIT LOOKS LIKE CRAP!" Drizella shouted!

"LIKE TOTAL SHIT!" Anastasia added on!

"This ball is for royalty, everyone in the town will be there... do you know who won't be there?" Lady Tremaine asked..

“SERVANTS AND SLAVES! YOU IGNORANT FOOL!” Lady Tremaine shouted as she kicked at Cinderello’s left hand causing his face to crash into the wooden floor! Both his step sisters began to cackle and laugh in a high pitched and ear piercing tone!

“WHO TOLD YOU, THAT YOU COULD USE MY SUPPLIES? MY COTTON? MY SILK? MY LEATHER? YOU ARE A SLAVE! YOU OWN NOTHING! YOU HAVE NO PROPERTY! AND YOU HAVE NO RIGHTS! I OWN YOU!” Lady Tremaine spat down onto Cinderello’s head before tossing the suit jacket and pants to his step sisters!

Cinderello turned just in time to see his spoiled sisters ripping apart the suit! They laughed and giggled as they tore it to pieces! Dropping the bits and scraps by Cinderello’s face! He had worked so hard! He had put in everything he had! And now, it is gone! Anastasia threw the scrap of leather that used to be pants as his face as Drizella stomped and jumped on the jacket!

“NOW, GO CLEAN THE TOILETS, CHANGE ANASTASIA'S SOILED SHEETS, CLEAN THE KITCHEN, AND GET STARTED ON YOUR CHORES IN THE FIELDS! AND.... IF I EVEN HEAR A PEEP, ABOUT YOU TRYING TO ATTEND THIS BALL! I WILL LOCK YOU IN THE SEPTIC TANK AND FORGET ABOUT YOU! UNDERSTAND!?” Lady Tremaine shouted and asked as Cinderello nodded and cried!

“NOW GO!”

Cinderello had barely finished his chores by nightfall. With his body sore and aching and stomach empty and grumbling, he made his way to the barn! From the entrance he could see Lady Tremaine, Drizella and Anastasia getting ready to leave for the ball! All of them were dressed in very expensive lavish looking gowns with matching hats! He had not had any water all day and the deep stained taste of Anastasia’s shit was still inside of his throat! She looked out the window and caught his eyes for a moment, waving and laughing before he slammed the barn door!

Cinderello could hear the ladies leaving as they got into a carriage Lady Tremaine had ordered for them! He peeked out the window watching them leave as the carriage disappeared into the distance. When they were totally gone from view he walked to the far end of the barn and leaned against the wall. His muscles and bones were so sore! Slowly he fell down to the floor using the wall as support! When he was sitting, he started to cry, curling into a ball and resting on a pile of hay!

His life was terrible, it was barely even a life! Cinderello started to have very dark thoughts, debating ending it all as he looked across the barn to the sharp farming tools! He pushed

himself off the ground and began slowly walking towards the tools, his mind running over all the horrible things he was forced to do on a daily basis! Surely, death would be better!

“Why so glum??” A bright female voice came from behind him! Cinderello jumped and screamed in fear from being taken so off guard!

“AHHHHHHH!” He spun and took a step back tripping over his own feet and smacking the wooden floor hard!

Cinderello looked up and his jaw literally dropped! Mist filled the room and through it he could see one of the most beautiful women he had ever laid eyes on! She was stunning and tall with long blonde golden hair flowing to her waist! Her plump and curvy body was incredibly exposed while she only wore boots, gloves and a very revealing corset! Her plump massive breasts were barely contained within her bra which consisted of two very thin straps with hearts covering her nipples!

She began walking through the mist that filled the barn, her high heels clicking on the wooden floor as she approached Cinderello! He began crawling backwards until he hit the wall making her laugh and giggle! She never stopped walking towards him, it wasn't until she stood right before him that he realized how large she was! She had to be at least seven feet tall!

“Well, look at you! Such a poor little thing” She said while kneeling down and coming almost face to face with him. He could smell a strong sweet scent emanating from her body!

“Wh....who...who are....you?” Cinderello stuttered and asked..

“Hmmm” she said to herself while standing and turning, her ass was now facing Cinderello and he could see it was ENORMOUS! The back of her corset disappeared between her jiggly fat globes!

“I guess you could say I'm your guardian angel, I have been looking over you, for a long time! It's my job to make sure you're happy!” She said while turning and looking to him on the floor.

“But.... but... I... I haven't been happy?” Cinderello asked in confusion...

“Oh yea, well, i guess i have been slacking off a bit lately, but today we can turn it all around!” She said with a big smile as she clapped her hands together!

“What do you say?” She asked with a smile!

“What are you going to do?” Cinderello asked, still confused as to what was going on

The fart was indescribable with words! It was inhuman! The gas lasted almost 40 seconds before ceasing for a moment only to begin again! The odor was so intense that Cinderello could not even smell it, only feel the fiery burn! All of his vision went black as he began to choke and gag, it was like his soul had been ripped out of his body by the methane! He clawed at the darkness, crying and choking on the taste of feces! A small part of him thought he may even be dead!

Suddenly he was ripped back into the world! Cinderello was on his hands and knees, gasping and dry heaving as her gas was expelled from his lungs! He could hear her laughing and looked up to see her bending over, her massive ass exposed and facing him!

Cinderello's eyes were full of salty tears as he wiped at his face. As soon as he did, he noticed the sleeves, the fancy silk pattern layered on cotton. He looked down at his body and gasped! This wasn't possible!!! How??? The suit he had been picturing, it was real? It was on him! He was wearing it!

With his lungs still full of her rancid burning gas, he pushed himself to his feet and looked at his body! He was like a new person! His hair had been cleaned, his nails trimmed! He looked like royalty! tears began dripping from his eyes, he had never been so happy!

"Wow, you look absolutely adorable! Soo handsome!" She said with a big smile while walking over and playing with his tie.

"Now.... How about a carriage?" she asked with a big grin..

"You can do that??!?!?" Cinderello asked with a huge smile

"Of course!!! BUT... since the carriage is much... larger... it's gonna take a bit more work to create... but remember Cinderello, Nothing good comes easy" The guardian angel said while walking over to the side of the barn and bending over to expose her massive ass! Each cheek on its own was larger than Cinderello's head!

She reached back grabbing each cheek and digging her fingers into the fat before pulling them apart! As soon as she did, her greasy pink anus fluttered and let a gaseous blast out.

The smell filled the barn and was strong enough to knock the largest of men right off their feet! Cinderello was struggling to stand as he choked on the rancid gas! He could feel it filling his lungs like a poisonous gas!

“Now get that mouth over here Cinderello! We have some work to do!”

PART 5

Cinderello lay on his back, his entire body trembling as this fantasy goddess stepped over him facing his feet! He stared up between her legs which lead into her extremely fat and round ass, it was so astoundingly huge, the butt barely fit her body! She began to squat, her cheeks parting as the massive ass approached him!

Desperately, Cinderello reached upwards, bracing his hands against each fat globe as his palms sunk into them! The goddess above him began to apply more of her weight while laughing and feeling his thin arms begin to shake!

“Poor Cinderello! I’m trying to help, you do realize that? Right?” She asked while leaning back completely, using Cinderello’s hands and arms like a human stool!

Cinderello was red in the face, sweat dripping down his forehead! His arms were trembling like twigs as he struggled to support the goddess! He could feel his elbows beginning to bend as her anus twitched, he could tell she was holding in a fart! Suddenly she lifted her weight slightly, and then dropped back!

Cinderello gasped as both his arms bent inwards, it felt like his bones were going to snap as he went limp and let out a breathless gasp! Her massive fat ass came down, crashing into his face and smothering him so deeply that his head was completely covered!

“OOHHHHhhhhh perfect! Now let’s finish things up and get you to that Ball, how does that sound?” She asked while wiggling on his face, her entire bottom half jiggled like Jello on top of him!

“Open your mouth Cinderello, don’t...fight...BACK” She said with some strain as she forced his jaw open with her weight! She gave three small bounces, forcing his lips around her anus and then sitting heavily! She could feel him shaking, his mouth quivering, she felt bad for the young man, but this was how it had to be! She would give him a chance at a life he could only dream of, but he would only have the one chance!

Cinderello felt like his head was going to explode as she bounced on him, pushing his mouth open and then settling down with her full weight! He could feel her bare puckered asshole tightening and loosening inside of his mouth, getting ready to blow! It was like a volcano pulsing! Tears dripped down from his eyes as his arms waved back and forth, he felt like he was being suffocated!

The fart was so loud that everyone within the town went silent, freezing and turning the direction of the blast as their minds tried to put together what it could have been! Everyone at the ball froze for a moment as the music slowly faded out. As soon as the blast had ended, the musicians began to play again as everyone resumed dancing! Birds evacuated the area, fleeing from the trees and flying away in giant flocks.

Cinderello felt the beginning of the blast hit his throat, it felt like his entire body was being inflated with hot air! Like a giant balloon! He could taste and smell an array of horrible flavors and odors! Broccoli, Cabbage, Eggs, Cheese, Broiled Meat, Lentil Beans, all of it smothered in the heavy acidic earthy flavor of feces!

He could feel his lungs about to pop as the fart increased in pressure! He could feel the gas filling his head, flowing throughout his body, it was endless! The pain was more horrible than anything you could possibly imagine, like being ripped apart by hot gas! The fart got even more intense, his entire throat vibrated from the power and sheer force! Cinderello gasped one final time, dry heaving as everything went black!

“Hey! Prince Charming! Wakey wakey!”

Cinderello slowly sat up as the Goddess appeared before him! He jumped in shock and began scooting back until he hit the wall of the barn! She laughed and stepped back while using one hand to fan behind her still steaming behind. There was a small mist of thick brown gas flowing from it that drifted throughout the barn.

“PLEASE! JUST LEAVE ME ALONE!” Cinderello cried as she began to laugh a bit more!

“Relax Cinderello, we are all done, look!” She smiled and pointed to the left, out the front doors of the barn.

Cinderello slowly turned his head to gaze out of the barn, The doors were open and he could hear horses neighing! Slowly he got to his feet and walked towards the barn entrance. Slowly the carriage came into view, it was...Beautiful! It was something meant for royalty, better even!

The horses from the barn were already in the reins and had all been freshly groomed! He wanted to cry as he turned back to the Goddess, she was smiling with her arms crossed, she looked proud of her work!

“Thank you!!!! This... this is.... I can't...” Cinderello stuttered as the Goddess laughed and walked forward, reaching out with one hand to stroke his shoulder!

“Listen to me carefully Cinderello! All of this, everything i have done! The carriage, Your suit, the horses! None of this is permanent, it's all the effects from my spell! Tonight you have a chance to change your life, to be free from your evil family, forever! If you are going to make someone fall in love with you, it must be done before Midnight!” She said with warning..

“Midnight?” Cinderello asked while brushing off his fresh suit

“Yes! Midnight, that's when all the spells will be undone! It's 8pm, you have four hours! This is your chance Cinderello!” The goddess said while taking his chin in her hands and then leaning in to kiss him! He blushed as her lips touched his cheek, he was not used to such nice care and careful treatment!

“Now go! You don't have much time!” She smiled and pushed him a little as Cinderello smiled!

“Thank you!!! Again!!! For everything!” Cinderello said to the goddess as he hopped into the carriage! The horses neighed and began heading down the path towards the castle as she smiled, watching him disappear into the distance. As soon as she was gone, a cruel smile crossed her face! Slowly she disappeared!

Cinderello could not wipe the smile off of his face as the carriage made its way to the main road and then towards the castle! Almost everyone from town was at the Ball and the ones who were not were all at home, the streets were empty and Cinderello felt like a king! He leaned back onto the leather seat and breathed a sigh of relief! He began to think... what would he do? How would he approach a woman? He had never even really spoken to a woman romantically! His heart began to race as he realized, this was all too good to be true, he could, he would lose it all!

Oh noo! Lady Tremaine, Drizella, Anastasia! They were all at the Ball too! What if they saw him? Cinderello began to hyper ventilate as he stuck his head out the carriage window! He could see the castle approaching as the road turned from cobblestone to freshly and smoothed bricks. He was almost at the castle!!!!

Cinderello grabbed his chest and then opened his jacket. Inside the chest pocket was a watch on a gold chain. It was incredibly fancy and ticked very softly. He could see it was 8:30, he still had 3 and a half hours until the spells effects wore off, surely that would be enough time?

The carriage came to a stop and the door opened! Cinderello jumped slightly before realizing it had been opened by one of the castle attendants. They stared at Cinderello for a moment until he regained his composure and smiled, slowly stepping out. As soon as he had left the carriage, the attendant closed the door and led the carriage around the side of the castle.

He looked up the stairs before him to the castle doors! They were wide open and covered in bright beautiful banners! All the castle windows were lit up and he could hear a loud crowd of voices under the loud music from the band playing! He took a deep breath and smoothed out his jacket once more before heading up the stairs!

The Queen entered the Princesses chambers and frowned seeing her daughter hiding and avoiding the guests. One of the castle attendants was laying on his back as the princess rested both her feet on him! Her soles covered his entire as she wiggled her toes and let out a sigh. She had a book in her hand and was completely ignoring the man below her who had tears dripping down his cheeks!

The Queen let out a sigh as she approached her daughter and placed a hand on her shoulder!

“Darling, this entire night was planned just for you, it would be nice if you made even the slightest appearance!”

“Ugh! Mother! I don’t want to spend even a SINGLE SECOND with any of your suitors! Those men are foul and disgusting!” The princess said in a spoiled tone.

“They are all princes, they are rich, and from affluent families Dear” The Queen replied..

“Those men! They expect me to do what? Serve them?? Your last princes of choice actually asked me to pour him a drink!!! POUR HIM A DRINK MOTHER!!! What do i look like?? Some sort of slave?” The princess lifted both her bare feet from the servants face and then slammed them down hard pounding his skull into the stone floor! He cried out in pain as she returned her attention to her book.

“Darling, it’s your job to be a provider, a caregiver, that’s what Princesses do! You will never find a good man if you continue to treat them like dirt!” The Queen said softly, trying to teach her daughter..

“They are dirt!” The princess said quietly as she wiggled her sweaty toes on the servants face!

“Maybe... but for now my dear, please, you need to show your face at the Ball, even if only for an hour? Please...” The Queen asked softly as Princess Cirilia looked up to her and groaned before smiling a bit...

“Fineeeeeeeee” She replied as she stood up and walked over to her dressing room. The slave she had her feet rested on began to choke and gasp immediately! His face had two small footprints outlined in dirt across his features! The Queen looked down and snickered...

“Get out of here and clean yourself up!” The Queen spat at the servant as he choked and scampered out of the Princesses Chambers.

Cinderello walked through the front doors, The Castle was enormous! There were corridors leading left and right but both had guards and nicely dressed servants blocking them. Ahead of him was the Ballroom, it was packed with people! Buffet tables of food! And a huge dance floor where couples in each other's arms twirled and held onto one another!

As soon as Cinderello stepped into the Ballroom, a Servant approached him with a tray of food, holding it out towards his face.

“Quiche sir?” The servant said while waiting with the platter...

“Uhhh, yes, that’s a quiche?” Cinderello answered back very confused...

The servant waited, watching Cinderello, it was very awkward.

“Do you want one sir?” The servant asked...

“Oh, i have no money, thank you though” Cinderello smiled..

“They are free? My lord?” The servant said slowly and very confused, as if he was talking to a foreigner.

“Free?” Cinderello asked, shocked...

“Yes... as in, you do not need to pay” The servant explained slowly like he was stupid...

“I know what free means!!” Cinderello said back a bit defensively.

Slowly Cinderello reached out and took one of the small appetizers, something about it still felt like a trick to him. As soon as he had taken the food the servant began to walk away but looked back every few seconds in a suspicious manner! Cinderello stared back until he was far enough away that the crowd broke their view. He began to eat the small appetizer as his stomach groaned! It was... so good, he had never tasted such flavors! He closed his eyes and shoved the rest in his mouth, chewing and holding his chest! This was like a dream.

“HAHAHAHAHAHAHEHEHEHEHAHAHA” Cinderello froze as he heard Anastasia's high pitched and horribly annoying laughter! It pierced through any crowd because of how shrill it was!

Cinderello turned to see Anastasia laughing and holding onto a man's arm! He looked incredibly uncomfortable as he tried to pull away from her!

"YOU ARE SO FUNNY! COME, LET'S DANCE!" Anastasia shouted drunkenly as she pulled him to the dancefloor!

Cinderello ducked and hid behind a few women and their large puffy dresses as Anastasia passed him and headed to the dance floor with her hostage in tow. He watched her and was thankful that she was drunk, it would be easier to avoid her, he still had no idea where Drizella or Lady Tremaine were though. He needed to be careful.

Suddenly the light dimmed and the music began to slowly die out. A servant stepped out to the main starway at the far end of the Ballroom as horns began to sound out in unison. Everyone turned their attention.

"PRESENTING, THE QUEEN, AND PRINCESS CIRILLIA" The servant announced as everyone began to clap and cheer!

Cinderello watched as the Queen and Princess Appeared at the top of the stairs both of them dressed in the most beautiful gowns adorned in jewels! The Princess was more beautiful than anyone he had ever laid his eyes on! Her beautiful blonde hair shimmered like it was made of pure gold! Her bright green eyes looked so kind! Her lips and pale skin, she was perfect in every way! As soon as they reached the bottom of the stairs, princes and men swarmed them trying to get the Princesses attention. The music began to rise again as Cinderello turned to look behind him... Lady Tremaine and Drizella were heading right towards him!

Cinderello turned back, he had to hide! There was a dense crowd of men and women all busy chatting, that's when he saw her, Arielle! She was wearing a large dress with a huge puffy behind! She also had her back turned and was busy flirting with a young man. Cinderello ducked down and moved towards her, gently lifting her dress and dropping it behind him! He moved her dress very carefully making sure she wouldn't notice or feel him!

"I swear mother! I just saw him!" Drizella said over the loud music!

"That's impossible!" Lady Tremaine replied...

Cinderello listened from under Arielle's dress as a horrible odor caught his nose! Slowly he turned his head to see her big bubbly ass inches from his face! Her cheeks were clenched together tight, pressing into one another and chewing on her panties as she paced back and forth slightly!

With both hands covering his mouth, he gasped and gagged, trying not to be too loud! The odor was so eggy and wet, it smelled like she was about to shit herself! The smell crawled deep into his lungs like poison gas!

“HAHAHAH gawd, you're too funny!” Arielle laughed and leaned forward towards the man she was speaking with, her ass bulging out as she bent and pushing quickly into Cinderello’s face! He had no time to react or move, her sweaty cheeks just engulfed his face! He felt her freeze as she reached back and grabbed his face, feeling him back there. Cinderello was like a statue, his face smothered in her ass while the smell seeped onto him. He quivered and shook anticipating how she would react! Would she scream? Would she beat him in front of everyone? This was it! It was over! He had blown his only chance!

“I’m sorry! I need to excuse myself for a moment, I'll be right back” Arielle said politely to the man.

“Oh, take your time Miss” He said back as she slowly began to walk!

Cinderello had to crawl behind her fast to stay under the back of her dress! Her fat ass wobbled back and forth, jiggling and smacking into one another as the fat rippled all the way down her thighs! Her ass was dripping with sweat from how hot it was under the dress! Suddenly Cinderello felt a hot wind blow past his face as she began farting, each step she took caused a wet splatter to blow from between her cheeks!

Cinderello wanted to puke as Arielle unleashed hell upon his face! Each fart was short and wet, popping out from her fat cheeks and blowing past his face like a little bomb! They reeked of egg and burnt cheese, his eyes watered and dripped down landing on the back of his hands as he scampered behind her!

Suddenly she stopped and Cinderello’s face crashed into her ass, he hadn’t stopped fast enough and collided with her cheeks! She let loose as soon as his face had entered the deepest reaches of her ass with the damp panties pressed to his nose.

BBBBBBBBBBBBBBBBBBBBbbfrrtsppppppfprttt

Cinderello felt the gas blow deep into his nose as he fell back tumbling out from her dress and choking! The taste and odor was utterly repulsive, like swallowing the fumes from a box of composting rotting eggs and cheese! He could feel the wet taste deep in his throat as he gasped and gagged trying to fill his lungs with fresh air! Arielle looked down on him with a smirk on her face...

"I figured that was you" she said quietly while looking back and forth. She had walked to a private corner of the castle in order to see who was under her dress and no one was looking thankfully.

"I'm so sorry, i was just, i was just" Cinderello stammered as he got to his feet and choked...

"You were just what? CREEPING ON MY ASS, you pervert!!!" Arielle accused him!

"NO, i would never! HONEST! I was hiding, from Lady Tremaine, and Drizella, I can't let them see me here! They would kill me!" Cinderello whined!

"Hmmm... would they?" Arielle said with a cruel smile as Cinderello began to shake!

"You can't tell them! Please! Arielle! This is my chance!" Cinderello begged as he dropped to his knees in the castle hallway.

"Your chance at what?" Arielle asked...

"At.... a new life?" Cinderello asked, even though he was doubtful...

Arielle began to process the information as she burst into laughter! She laughed so hard that she had to hold onto her sides in order to not fall over on the floor!

"You think..hahaha.. That...hahaha.. You can hahah. Oh god, find ahaha a wife? What? Someone haha who's gonna ignore the fact hahaha that your literal dirt? YOU EAT SHIT! For god's sake, who would ever EVER give you a chance!!!! EVERYONE knows what you do for your step sisters! Your garbage! Worse! A TOILET!" Arielle berated him as Cinderello tried to hush her, begging her to be quiet!

"Please! Be quiet!" Cinderello begged!

"Hmmm, maybe, i could... but... i'd need you to do something for me" Arielle said with a grin as Cinderello groveled in front of her feet!

"ANYTHING! I'll do anything Arielle!"

"Perfect, the ladies room, the line is horribly long, i don't want my date catching the attention of any other ladies, so, let me use your mouth, then, i may decide to keep your presence here a secret" Arielle said as she put a hand over her bloated stomach, it could be seen bulging even through her corset and dress.

"Arielle! I'm here to meet someone, I can't! Please, anything but that!" Cinderello begged!

“OH LADY TREMAINEEEEE” Arielle called out with a smile as Cinderelloe practically covered her mouth!

“Okay okay!!! I’ll do it!!!” Cinderello cried...

“That’s what i thought...” Arielle smiled as she turned and lifted the back of her dress revealing her massive and bubbly ass! The odor that flowed out was beyond horrible, like the fumes from a volcano! Cinderello shivered as his stomach turned, he hadn’t anticipated having to eat any feces tonight! He just prayed he could keep his suit clean!

“What are you waiting for?” Arielle asked followed by a repulsive wet fart.

SAPPPPPPPFRBBBFRLPTT

Cinderello cried as he crawled under her dress! She dropped it behind him and then began working her panties down her thick sweaty thighs! Cinderello gagged loud as he saw the thick clump of brown accumulated at the back of her panties. There was a massive blob of feces! Her ass smelled like a barn animals as Cinderello began to gasp breathlessly. He reached up and slowly spread her ass cheeks as far as he could, he figured, if he could get his mouth right over her anus, he could keep his suit clean. As soon as her asshole was visible the most horrible fart blew from her anus!

BBBBFRRTSPPPRPTFPFPFP

The fart speckled Cinderello’s face in little bits of fresh brown shit as he dry heaved! Her anus was bright pink and glistened from how sweaty it was! The rim was covered in a thick brown sludge of shit that pulsed slowly! The head of a thick brown turd began to emerge as Cinderello dove forward and sealed his mouth to her anus! He could feel her giggle and push backwards, her ass consuming his face as the turd began slithering out, it was so thick and warm, filling his mouth in seconds!

As the shit fell from her asshole she released a very airy warm blast of egg gas that puffed his cheeks and sent the gas exploding out from his poor nose!

BBBBBBBBBBBBBBBFRT

Cinderello cried as his eyes watered! The shit was so foul, worse than anything his step sisters have ever fed him! The flavor was so eggy! His throat flexed and closed as he ran his tongue through the shit, feeling the texture and breaking it up! His entire body reacted, flinching and trying to pull back, but Arielle grabbed the back of his head holding him in place!

Before he could swallow even a tiny bit, she pushed and filled his mouth again! The second turd was even larger and warmer than the first, pushing out and forcing the feces already packing his

mouth down his throat! He could feel the shit forming to the shape of his throat as it gushed down! The shit was so thick that he could barely breathe! Arielle moaned and groaned, pushing as a third and even larger turd flowed from her sweating asshole! She had never used someone's mouth as a toilet and finally understood what Drizella and Anastasia saw in all of this! It felt great!

PART 6

Cinderello cried as the thick feces forced it's way down his throat! He gasped and choked hard as a thick stream of feces blew out of his nose and filled her sweaty crack! He felt her tense up from the feeling before relaxing and bending forward again! The next turd emerged and filled his mouth, pushing the shit in his throat deep into his belly! Which one was this 9, or 10? He lost count as another and another and another turd forced its way out! Her ass was like a machine pumping out endless sausages as Cinderello cried, unable to keep up!

He could feel his stomach filling to it's limit as Arielle moaned, her hand holding the back of his head keeping him tightly in her ass with his mouth over her asshole!

BBBBBBBBBBBBBBBBBBBBBbspppfbrssppp sbbfrt sppfrttt

A gross wet fart splattered out of her asshole as she moaned in relief! It felt so wet as Cindrello's mouth filled with hot liquid syrupy shit! He could feel his entire body fighting as he flexed his throat and forced the thick shit down! His tongue trembled as he swallowed the liquid feces, feeling it seep down his throat and coat the thick shit in his stomach! There was no way he would be able to keep this all down!

"Lick me clean, then you can go," Arielle said loud as Cinderello gagged in her ass under the dress!

His mouth was coated in feces, he stretched out his tongue as his trembling hands kept her ass cheeks spread. Her anus was literally dripping with shit. It landed on the red carpet in front of his knees!

Cinderello reached out his tongue and licked up and down over her anus, it winced and flexed on his tongue, it was like sucking on the end of a rifle, he knew at any moment she could blow!

BBBBFRTTT

A far danced across his tongue as he pulled back, choking and gagging! Arielle laughed as he blushed, there was nothing more humiliating! He could feel her feces stirring and bubbling in his stomach as he licked across her asshole, covering his tongue in even more shit!

“Mhhhhhhmmmmmm that feels nice” Arielle moaned as he cleaned!

He kept licking, her anus was like licking a marker, no matter how much he cleaned it was still dirty! He gave up and crawled back and out from under her dress, he had never been so thankful for fresh air! Arielle looked over her shoulder and then pulled the dirty panties back up into her ass cheeks! Cinderello could hear a wet squelch as the material pushed into her crack smearing some shit around!

“Mmm not bad, not bad, i think i may keep your secret, for the night, but... if i need to use you again, you better be ready. The food here is going right through me” Arielle said with a smile as she walked quickly back to the ballroom and to her date! Cinderello watched her disappear around the corner before letting out a deathly gag!

He could feel her shit trying to force its way up his throat as he held it down! If he vomited up all the feces here, in the castle hallway, they would surely behead him! Cinderello sprinted outside of the castle doors as multiple guests and guards watched! He ran around the side of the castle until he was out of side and behind the bushes! then he let loose!

Arielles shit came up in a violent eruption! Spraying from his mouth as he covered the bushes in her shit! The smell was so foul, the deep stench of eggs permeating the entire area with the stench! His eyes watered as he dropped to his knees and dry heaved, a massive pile of shit forming in front of him! He could hardly believe he fit so much inside of his stomach, and it was still coming! He cried as the thick full logs began coming up, falling from his mouth in big chunks like fat sausages! Some of them came up in whole pieces and it felt like he was dying!

Cinderello lay on his side feet away from the steaming pile and bushes dripping in liquid feces! He was so sick he could barely stand! Arielle's feces had almost knocked him out cold! With a shaking hand he grasped the watch in his pocket and looked at it! IT WAS 11PM! He only had one hour left before the spell wore off!!!!

Cinderello forced himself to his hands and knees as he crawled across the garden to a small pond. He reached in, scooping out some water and choking on it before dunking and washing the feces off of his face! Luckily he had been able to keep his suit clean, but he was sure his breath was beyond horrible! He rinsed out his mouth over and over, but there was only so much water could do!

Slowly he got to his feet, he was still dizzy and could still taste the eggy flavor of Arielle's feces deep in his throat! Her shit was like an oil and the water did nothing!

“You know Darling, Prince George here traveled for over a week to be here for the ball, would you like to say hello?” The Queen said with a smile, trying to initiate conversation as the prince approached the Princess and knelt.

"It's an honor Princess Cirillia!" He smiled as she scoffed.

"Hello" She said in a rude tone with her head turned, not giving him the slightest bit of attention.

Suddenly something, or someone, caught her eye! A young man, he was skinny, sheepish looking, very embarrassed almost! He made his way through the room carefully until reaching the buffet and beginning to nibble on some food! It looked like he was choking, or gagging, he reached for a glass and began drinking wine, it looked like he was trying to rid his throat of some sort of foul taste.

"May i accompany you to a dance Princess?" The Prince asked while holding out his hand...

"Maybe some other time!" she said while pushing his arm aside and making her way across the room towards the buffet table.

Cinderello choked as he drank the wine, gasping feeling Arielles shit flow down his throat. The wine was great at getting rid of the taste and flavor but forced him to endure it one last time! He was just about to take another sip when someone interrupted him.

"Hello, how are you enjoying the party?" A very soft woman's voice asked him as he turned and nearly spit out the wine in his mouth, Princess Cirillia was right next to him...SPEAKING TO HIM! He choked down his wine and then swallowed the lump in his throat!

"Oh uhm, it's a beautiful party, I've neer seen anything like it!" Cinderello said with a smile, still blushing from the fear that his breath may smell of feces!

"Haha, never seen anything like it? Really? It's not that fancy" The Princess laughed.

"Well, i mean, it's very nice! I don't usually get treated to this kind of stuff!" Cinderello replied, not sure what to say...

"Well, from the looks of your outfit, I'd say you experience these kinds of parties every day" The Princess ran her fingers over the hem of his very fancy and expensive coat.

Cindrello was about to reply when he saw Anastasia and Drizella approaching from behind the Princess, they still had not set their eyes on him as he ducked a bit and blushed! The Princess looked behind her and laughed...

"What's wrong?" she asked

"Uhm... i uhhhh" Cinderello panicked and asked the first thing he could think of!

“Please! Princess! Dance with me?” He begged while looking up at the Princess from his crouched position! She blushed and laughed covering her mouth with one hand, something about this man was so submissive.

“I’d be delighted too,” she said with a smile while holding out her hand.

Cinderello’s heart skipped a beat as he grabbed her hand and dragged her into the middle of the dance floor! She gasped a bit from how unexpectedly fast he had pulled her! His step sisters walked by, just barely catching him as they continued to make their way to the buffet table!

The Princess smiled and put her arm around Cinderello as they began to dance, he stumbled over his own feet nearly tripping as she held onto him keeping him up! He blushed and looked up to the smiling Princess as she giggled.

“I’m sorry!” He apologized

“You should be!” she scolded him teasingly!

“It’s like you have never danced before!” The Princess smiled and began guiding him, helping him move his feet with hers as he quickly caught on.

“There we go, nice and softly” she smiled and pulled him a bit closer as he blushed harder!

“So, where are you from?” she asked

“Oh, I live here Princess, in town” Cinderello replied...

“You do? How have I never seen you? Where is your estate?” The Princess asked, assuming he was part of the rich royalty.

“Oh well, i uh... i uhmm..” Cinderello stammered as the Princess laughed again...

“Are you always so shy?” she asked as they danced, people had begun to watch them as attention turned to them!

“It’s just, I have never been with anyone so beautiful, you are... like no one... your like no one i have ever met!” Cinderello finished the thought as the Princess smiled...

“You are truly one of a kind.. What’s your name?” she asked

“Cinderello” he replied as someone gasped from behind him...

“CINDERELLO!” He heard a woman say loudly..

The Princess and Cinderello continued to dance as they slowly turned. Cinderello's eyes locked onto Lady Tremaine, Drizella and Anastasia, all standing with their mouths wide open, jaws dropped! They were surely in shock from seeing Cinderello, dressed so well, dancing with Princess Cirillia! Neither one of them knew how to react, or what to do! Anastasia was about to approach them as Lady Tremaine stuck out her arm stopping her. The three of them watched him from the side of the dance floor like a group of hawks!

'Are you okay?' the Princess asked...

"Uhhh, yes. Sorry!" Cinderello replied...

"You should be!" she teased him again!

"Your attention should always be on me, twenty four seven" she said with a smile as Cinderello nodded!

"Yes Princess!" He replied...

"Haha, wow, you're very agreeable aren't you!" She asked..

"I guess, I just have a hard time saying no" Cinderello admitted...

"You know, that's just the kind of man I'm looking for!" Princess Cirillia pulled back to face him and looked deep into his eyes! She began leaning in, her eyes closing as she puckered her lips! Cinderello's heart skipped a beat as their lips were about to touch. Suddenly a loud bell rang! Cinderello pulled back and looked at his watch! OH GOD! IT WAS MIDNIGHT!

"I HAVE TO GO!" Cinderello said with a look of dismay as he held the Princess by her shoulders and looked deep into her eyes!

"He began sprinting through the dense crowd as she screamed!

"WAIT!!!!!!!"

Cinderello had barely gotten out the front doors when his suit began turning to scraps, literally falling off of his body as he rushed down the path towards the carriage! Just as he reached it the entire thing disintegrated! The horses became dirty and wild as they began to neigh and raise their front hooves, sprinting off down the road uncontrollably! Guests from the party as well as guards and the Princess had all rushed outside but Cinderello sprinted into the bushes, hiding as he made his way back home!

The entire way he cried, he had one chance, and he had messed it all up! He had met the Princess, she tried to kiss him, if only the events with Arielle had not happened, he just needed a bit more time! He was practically naked as he sprinted home and to the barn, slamming the doors behind him!

“GODDESS! GODDDESSS!” He screamed as tears poured down his face!

Slowly she appeared from a dark cloud of brown mist that reeked of a thick pungent gas, Cinderello did not care though!

“PLEASE! I NEED MORE TIME!” He cried as he fell to his hands and knees!

“I’m sorry Cinderello, that’s not how this works, you only had one chance!”

“BUT! IT WASN’T ENOUGH TIME!” He cried!

“If you want to win the Princesses heart, you will need to do it as you are”

“But... but... that will never happen” Cinderello wept...

“CINDERELLO!” He heard the loud and boisterous voice of his step sister Anastasia as she approached! The Goddess quickly disappeared as he turned to the barn doors!

The doors opened as Lady Tremaine, Drizella and Anastasia all walked in!

“I’m sorry! Im sorry! IM SOR” Cinderello apologized over and over as Lady Tremaine approached him and delivered a terrifyingly hard kick to his stomach and ribs! Cinderello fell over on his side, gasping and crying!

“WHAT ARE YOU TRYING TO DO! HUH! DO YOU KNOW HOW EMBARRASSING THAT WAS!” Lady Tremaine screamed!

“I’M SORRY!” Cinderello screamed back as he cried in pain!

“WHAT IF THE PRINCESS FOUND OUT WHO YOU ARE, WHAT YOU DO! SHE WOULD HAVE ALL OF OUR HEADS YOU SCUM! YOU WORTHLESS IDIOT! JUST WHEN I THINK YOU HAVE REACHED THE BOTTOM, YOU SINK EVEN LOWER! PATHETIC! ABSOLUTELY PATHETIC!” Lady Tremaine screamed!

Cinderello could not reply!

“YOU...ARE DONE! NO MORE WATER! NO MORE FOOD! YOU’LL EAT NOTHING BUT FECES FROM NOW ON! YOU WON’T SEE THE SUN! YOU WILL STAY IN THE BARN AS A

TOILET! AND THE PRINCESS... WILL NEVER! EVER! KNOW THAT YOU EVEN EXIST!...UNDERSTAND!" Lady Tremaine shouted!

"But... but!" Cinderello stammered...

"GIRLS... HAVE YOUR FILL!" Lady Tremaine said in anger as she left the barn and stomped back towards the house!

Cinderello cried as he looked up to his step sisters towering over him, both of them drunk and full of food from the Ball!

"Please... don't!" Cinderello reached out as both of them laughed.

Anastasia and Drizella came over him like a rolling thunder! Their dresses practically ripped from their bodies as Cinderello fought back trying to keep them at bay! A flurry of kicks and punches came at him from both sides, pinging him as he curled into a ball to protect himself!

Both the naked women dragged him to the center of the barn as he cried and begged them to stop, it was no use though, they were in a frenzy!

One by one they smothered him in their fat asses! The crashing of their sweaty smelly cheeks on his face was so violent and erratic that he could not even tell whose ass was who's! Both of them fought, pushing into one another as they tried getting on his face at the same time! He reached up trying to move the heavy women as Drizella rolled over off of him and onto his arm! The bone snapped instantly as he screamed out in pain! His mouth was quickly filled with Anastasia's greasy asshole as she let loose!

She pushed so hard, the feces spraying from her so rough and violently that Cinderello's entire body moved up and down, flailing like a fish that had been trapped on the beach! Drizella quickly got on top of his chest, sitting heavily and holding him down!

He could see nothing but black as the hot shit forced its way down his throat, his mouth was flooded with the thick diarrhea as it flowed from his nose covering his face! The shit was coming so quick that his mouth overflowed, his throat backing up as he dry heaved and inhaled the feces into his lungs! Shit sprayed out from behind Anastasia's ass and painted the back barn wall with speckled shit as both sisters laughed hysterically!

"I CAN'T HOLD IT!!" Drizella screamed!

Anastasia's ass moved from Cinderello's face and he didn't even have enough time to spit out the feces before Drizella crashed on top of him! Her anus exploded as liquid feces flowed over his face like hot lava! She hadn't made a seal with his mouth from how rushed she was! Anastasia looked over her sister's shoulder and laughed!

“You're gonna kill him!” She said drunkenly and with a laugh!

He could see nothing, all he could feel was the hot burning of shit flowing over his head and burying him! It began piling around his head as he opened his mouth to gasp, instantly it filled with the hot gooey feces! He choked as it filled his lungs, covering his throat! There was no escape! He continued to choke gasping as the sisters took turns burying him! When they were done, you could only see his feet! The rest of his body was completely covered! His bare feet were twitching as both sisters laughed while plugging their noses!

PART 7

Cinderello woke up in a daze, the memories of the past night were a complete daze! Slowly he tried to sit up only to realize he was absolutely caked in feces! The massive mounds of shit had begun to harden over the night leaving him practically caked to the floor! The inner areas were still warm and soft, Cinderello gagged as he pushed through, breaking his body out of the feces while steam began escaping! The smell was beyond horrible!

He crawled on his hands and knees the first few feet, his breath short and his vision hazy! Eventually by the time he reached the door to the barn, he was able to get to his feet! The sun was shining high in the sky and across the farm he could see the main road full of people and horses! Slowly Cinderello began to weep and cry...

The night earlier, it began returning to him. Everything, his chance at a life, his escape from these monsters, he had lost it all! He was trapped now, imprisoned here for life! He collapsed to his knees and threw his shit covered hands to his face! He didn't care about the filth or the odor!

He could not get the face of the Princess out of his mind! She had spoken to him, given him her attention, how could he have screwed this up so horribly! Cinderello crawled across the grass to the back of Lady Tremaine's home where his shower was! He turned on the water which was freezing cold and then sat underneath it letting the feces drip from his body! He had nothing, and no one!

Knock knock knock

“Princess Cirillia, it's time to get up, it's almost noon!” The young maid said softly as she knocked and pushed open the door to the Princesses chambers.

The young maid took a step back and covered her nose as soon as the door had opened! The warm musty air rushed out past her, the stench was very sour and pungent! Slowly she walked into the room with one hand covering her nose!

“Princess Cirillia?” The maid asked again as she stirred and groaned under the thick bedsheets!

“Ughhh mmhhhhh” Cirillia groaned

Bbbbbbbbbbbfrttt sppppfrttt

A low rumble from under the bed sheets made way to a wet splatter that caused the maid to step back in disgust! It sounded incredibly foul! The Princesses thin arm rose from under the sheets to lift the side and wave the large blanket, allowing the thick pent up gas to fill the room! The Maid almost passed out instantaneously. Her head began to spin from the intense earthy sour odor as she backed out of the bed room, even her eyes were watering just from coming into contact with the methane! As soon as she got outside the door, she gasped and sucked in a deep breath, it was still rank with the odor from inside the room as she gagged quietly, trying not to let the Princess hear her.

“Ughhh Send Logan to my room, ughhhh right away!” Cirillia ordered from her bed as the Maid continued to choke quietly...

“Right away... Princess” She gasped and hurried down the hall, desperate to get away from the foul odor!

Minutes later, two armed guards dressed in knights gear marched down the hall! Behind them was a frail and very pale young man being dragged on the red plush carpet! His arms and legs were so thin that they could barely support his own weight! All of his hair had fallen out and his skin took on a very white pale tone much like a goblin! His eyes were deep and red as he gasped and begged the guards! Clawing at his bonds! All of his teeth had fallen out from lack of nutrition but he was still able to speak!

“Please! Please don’t! JUST KILL ME!” He cried as they ignored him!

One of the guards looked back and groaned from just the sight of the sick young man! They continued down the hall until they reached the Princesses Chambers. Both of them caught wind of the odor immediately and quickly tossed the slave inside! He landed on the floor with a thud, instantly scampering towards the guards only to have the bedroom door slammed shut in his face! The pounding of the door slam echoed down the castle halls!

Logan turned around, he was shaking as his stomach started to twist and churn! The smell in the room was so thick and sour! Logan was deep down in the dungeons for the entire night, he had heard the commotion, the noise, the festivities, the Princess would have gorged herself on food! He was well too acquainted with her digestive system and began to shake as he pressed his face to the cold stone floor!

Bbbbbbbbbbbbbbbbbbbbbbbfrrrrrrrttt spppprtttt

A soft low rumble followed by a wet vibrating splatter erupted from under the thick fancy bed sheets as Logan whimpered and cried louder! Cirillia could be heard giggling from her bed at the pathetic sounds he was making!

“Please...Princess, Your Majesty, I...” Cirilla began speaking and cut off the slave mid sentence.

“Every fart that you Miss” She said in a dominant but still sleepy tone as a massive eruption of gas blew out under the bed sheets.

BBBBBBBBBBBBBFRTTT

“Is another day, without food!” She finished speaking and grunted as a very disgusting wet splatter crackled between her cheeks.

Spprbfbrt spprrtttttffrttt

Logan started to whimper as he crawled closer to the bed! He didn't care about food, he just wanted to die! He had tried to kill himself by fasting many times but even then the guards forced him to eat! There was no escape from this hell! He prayed each and every morning that today, the Princess may outdo herself! Countless times she had smothered him to the point of unconsciousness, if only she pushed it a bit further, he could be free!

Spppppppppp bfrtttttspppfbrtt

“Hmmm, it's like you don't even want to eat?” Cirillia said with a giggle as he reached the side of her large and very plush bed

Logan could feel his insides twisting from the horrifying memories he had of this room! The thick bed sheets rose as Crillia pulled them aside, revealing her naked body! The blast of heat and pent up gas that blew past Logan was more than enough to knock any normal human of their feet, he was barely able to survive! He grasped the side of her mattress holding himself up as she began scooching over towards the side!

He looked up, she was beautiful, more beautiful than he could even comprehend! Her naked form was perfect, slender with just the right amounts of fat in the perfect places! She had not a blemish on her. She rolled onto her side with her small plump ass facing him, he could practically feel the heat!

Cirillia reached back to comb her fingers through her long wavy and messy hair! She let out a groan and then rubbed her hands down the sides of her body, over the curves of her hips and ass!

“Do I need to remind you why you're here?” she said in a rude tone as Logan let out a whimper and moved closer to her ass!

He reached up with shaking hands and pulled her soft fleshy ass cheeks apart! Her anus was bright pink with a very thin layer of hair, so thin it was almost invisible! Her anus was winking, tightening and pulsing!

Slowly he moved forward and pressed his lips to her anus! It was sticky with sweat and instantly he began to quiver! The sweaty salty smell was so strong that his eyes watered, he wiggled his face back and forth trying to get his nose from her ass crack as Cirillia giggled!

BBBBBBBBBBBBBBBBBBBBBFRTT SPPRRTTIspprrttt

It hit the back of his throat like a bullet as he began to choke! Logan collapsed but Cirillia reached back, grabbing his head and keeping him between her cheeks so the smell could sink in! His eyes watered as he gagged and choked, he could feel her anus pulsing in his mouth as she pushed and grunted, trying to get it all out!

He reached up and grabbed her cheeks as he cried but it only made her laugh more! Her fingers slipped as he fell to the stone floor with a thud! As he hit the floor he began to gasp and choke, the methane in his throat was so thick! He could taste the beef and potato from the banquet the night earlier and it was sickening!

“You are such a disappointment! Are you aware of that?” Cirillia asked as she got out of bed and stood above Logan, she was naked with one foot on either side of his chest looking down at him!

“Guh chauuu Princess” He choked and gasped trying to speak...

“Please... let me go!” Logan reached up with a shaking hand as she kicked it aside and laughed!

“You're hilarious!” Cirillia said with a grin as she squatted while facing him!

Logan watched as she came down, her legs bent as he full weight came down on his mouth! The pressure of her ass forced his jaw open as he cried and reached up grabbing her ass! He pushed hard, trying to lift her off of him as she moaned in delight! Cirillia's pussy was covering his nose, pinching the sides and forcing him to sniff inside of her! The smell was deep and fishy barely giving him any air!

“That's perfect, make a seat for my ass! My perfect Princess ass!” Cirillia giggled as a hot wet fart leaked out from her asshole! She closed her eyes and squinted from how wet it was!

Spoppbppprprttt bfrbttttt spppprrrrrrrrrrttttt slbpPBPPRTLlpprt

Logan's eyes went wide! The hot gas burned his tongue and throat as he cried and squeezed her plump ass cheeks! Cirillia giggled on him and grunted as her anus vibrated, spraying bits of liquid feces all over his mouth! He had tasted her shit on multiple occasions and it was a nightmare each time! The fart ended with a large eruption that filled his mouth with wet shit! Cirillia tightened up and froze on top of him as her eyes went wide!

There was a deadly silence in the room until both of them broke at once! Cirillia began to laugh hysterically as Logan started to choke and gasp! He pushed on her ass cheeks as hard as he could but there was no way he could lift her, he could barely carry himself!

Logan felt the hot shit leaking down his throat, he was so weak, too weak to even close his throat and stop it! His eyes watered as her anus puckered and blew outwards filling his mouth with shit! His cheeks puffed out and some of the shit leaked from his nose into her pussy!

"Ahhhhh, much better! And you call me cruel! Look how well I feed you?" Cirillia joked and then began to laugh as she held onto his head, keeping him lodged tight into her bottom.

Logan took a deep breath sucking a full load of her shit into his chest before choking hard! He tried to spit the feces out but with her weight pressed so heavily onto him it was forced down his throat! He screamed out into her ass while she rode him like a horse! He was bucking, throwing his body left and right trying to get her off!

BBFRR bbfrrttt sppppfprtttt

"Just imagine! If your family! Could.. See you now!" Cirillia said loud and while laughing and riding his face!

Logan cried as she farted into his shit stained mouth and throat! The gas was dry now that she was empty but still just as potent! Each tiny blast blew his tongue into the back of his throat making it stick for a moment from how shitty it was! His mouth felt like it was full of peanut butter!

Cirillia began to moan as her pussy started dripping, it felt so good with his nose lodged deep inside of her! She grabbed his head and pushed deep and she screamed out and rode him, bucking and moving her hips back and forth! She closed her eyes and began to remember the night earlier, the man she had met! He was so cute, so shy, so sheepish, she was sure she could mold him, get him to do anything she wanted! She imagined using him, having a cute face under her and a strong body, it would be so much better than this crippled and degenerating slave! She moaned and screamed out as her juices gushed over his nose! She could hear the slave choking but she didn't care!

BBBBFRT bppprtt SPPPPpsprpttt

She groaned and moaned as a few more post shit farts left her asshole! Each one puffed out the slaves cheeks and caused him to jump for a second like he had been electrocuted! His nose rammed into her pussy as she screamed again and gushed! She felt the orgasm building and started to squeeze his head, forcing all her weight and bucking hard! With both hands on his head she craned his neck and started to scream!

Cirillia froze and held him tight into her pussy! She was breathless, gasping and shaking as she had a bunch of little orgasms! Whoever that guy was from the night earlier, she had to find him! She would make him the prince! And then her slave! The slave of her dreams!

Slowly she pushed down off the floor, her pussy let go off Logan's nose as long strands of cum stretched between them. As she stood up, the cum began snapping and falling to his face! He was absolutely covered and his mouth was full of shit!

"Get up!" Cirillia kicked him in the side of the head hard with her bare foot as she held her nose from the odor!

"GET UP" She kicked him and screamed again!

"GUARDS!" She yelled as they two armed knights came in!

"Remove him, take him to the cells" Cirillia said while crawling back into her bed!

The guards began dragging the slave from the room, he was completely limp. One of the guards checked his pulse and then looked back to the Princess..

"He's dead" The guard said softly...

There was a slight silence until Cirillia broke it..

"Good" she muttered before rolling over and turning her back to the men.

"Cinderello" she muttered to herself! She was going to find him!

Cinderello had finished getting dressed in his scraps and rags and was getting ready for his daily work on the farm. It was blistering hot out which didn't help how sick he felt! Even though he had thrown up multiple times, the feeling of a full stomach of shit wouldn't leave! He grabbed the large bag of seed and began slowly sowing the massive plot of land! He was the only worker and Lady Tremaine worked him to the bone!

Anastasia and Drizella were sitting at a wooden table having their lunch! Cinderello could be seen out the window in the background sweating and laboring in the field! The table had a large pot of chili on it with a full loaf of freshly cut bread that the two of them were currently devouring!

“Ladies! Table manners!” Lady Tremaine said in a reprimanding tone as both of them slowed and began chewing with their mouths closed.

Knock knock knock

All three of them looked up at the front door as someone knocked three times! Lady Tremaine motioned with her head towards the door while looking at Drizella, she got up with a groan and walked over! She opened the door very quick and spat out!

“WHAT?”

The well dressed man from the castle took a step back and cleared his throat while blushing!

“I’m sorry Miss, I didn’t mean to disturb you!” he said politely!

“Well you did, we’re eating” she said rudely.

“I will make this quick! I am from the Royal Estate, Princess Cirillia is searching for a man and offering cash rewards for anyone who knows of his whereabouts” The man said in a loud and clear voice.

“Mhmmm, so who is it?” Drizella asked

“Lord Cinderello” He said as all three women froze...

All at once they broke into laughter! Drizella could barely stand as she used the door to support herself and wrapped one arm around her midsection! He tried to intervene and find out what was so funny, but all three of them were laughing so hard and in such a fit that he became practically invisible!

“Well, we are offering 300 gold pieces for anyone who knows of his location” The man said as Drizella stopped laughing!

“300 GOLD COINS!” Drizella shouted!

“CINDERELLO IS...” Lady Tremaine got up and ran to the front door throwing her hand over Drizella’s mouth and stopping her from speaking! She held her tight and blushed as she smiled at the man from the castle.

"Im sorry sir, sometimes, she doesn't know what she's speaking about, she's a bit slow!"

"MPPHPH MPPPH HMMHMHMH" Drizeela shouted under Lady tremains palm.

"May i ask, why are you searching for this... Lord Cinderello, If i may ask of course?" Lady Tremaine Inquired...

"Oh, Princess Cirillia is quite taken with the Lord, she plans to make him her new Prince"

There was a deadly silence as Lady tremaine smiled uncomfortably...

"Well thank you, if i hear anything, i will be sure to let you know"

"Than" The man tried to thank her but Lady Tremaine slammed the door in his face.

"WHAT THE HELL WAS THAT FOR?" Drizella shouted as Lady Tremaine took her hand off her mouth!

"Do you ever use your head?" Lady Tremaine asked!

"What?" Drizella asked

"300 gold pieces, compared to owning a free slave, for life! Do you know how much money we save using Cinderello! Losing him would put us back in the lower class! We would lose the house! The farm! EVERYTHING!" Lady Tremaine shouted!

Drizella and Anastasia both looked to one another with a bit of shock, neither of them had realized how much they depended on Cinderello for their lifestyle!

"It is imperative that Cinderello NEVER finds out they are looking for him! We will lock him below the house in a prison if we have to! We are not going to lose him for a 300 gold deposit!" Lady Tremaine said as she took her seat at the table.

Anastasia got up from the table pushing her chair out with her legs...

"Speaking of a deposit! I think i need to go make a deposit into Cinderello" She said with a grin as Drizella chuckled.

Anastasia smiled and excused herself as she made her way out back and into the sun! It was deadly hot out and she was more thankful than ever that she could enjoy a life of luxury! Cinderello was busy in the fields and delirious from the sun, so much so that he didn't hear her coming up behind him!

him! Even she could smell it, the rancid burning odor of beans, it brought a tear to her eye from how sharp it was! When she looked back Cinderello was turning green!

She dragged him into the bar and threw him to the ground before slamming the door! All of the horses began neighing in their pens from the loud noise. Cinderello was still gasping from the fart when he hit the ground! He landed so hard that all of the air left his chest! As he was wheezing, Anastasia came on top of him quickly and with purpose! He could see she was sweating and in some sort of discomfort.

“Someone came to the house today looking for you, someone from the castle” Anastasia said while struggling out of her dress and lifting it above her head! She was like a giant standing over Cinderello!

“Princess Cirillia was asking about you! She's looking for you!” Anastasia looked over her shoulder as she began to squat!

Cinderello reached up, pushing against her ass cheeks with her tiny hands and weak arms! He was like a stool as she began applying her fullweight, knowing he wouldn't last long!

“Wh....weh.....when?” Cinderello struggled to speak while carrying Anastasia's full weight! She was surprised and lifted her feet from the barn floor, her entire body was balanced for a moment before his weak arms gave way and she collapsed!

Anastasia's ass was so large that when she landed on his face, both her cheeks hit the barn floor! It burned her cheeks and hurt like a bitch but she knew Cinderello suffered more, and that's all that mattered!

“The castle attendant was here just moments ago, he is probably close enough that you could reach him if you ran.... Too bad though, you're a bit busy? Right?” Anastasia asked with a laugh as she wiggled around aligning her asshole with his tiny quivering mouth! She could feel him crying as he grasped at her thick tree trunk like thighs.

Cinderello was smothered in her fat and stench! Her cheeks clenched and smashed his face under her weight until she spread them, allowing him to sink between! The sun always made her ass a swampy mess on warm days and today was no exception, she smelled like a barn animal and he could barely breathe!

Anastasia's fat greasy asshole filled his mouth, it pushed outwards for only a moment before his cheeks filled to the brim! Cinderello screamed in pain as hot liquid shit rushed out of his nostrils and down his throat!

“Ahhhhhhh fuck, that burns, Lady Tremaine needs to learn how to cook a decent stew” she groaned while rubbing her stomach

Cinderello wanted to scream but he was completely powerless! Her asshole was like a hose on full blast splurting into his mouth liquid blasts that filled him to the brim! He had no time to swallow before more and more and more and more started out! He could feel her anus vibrating in his lips as the liquid shit sprayed from his nose and leaked down her ass crack into his eyes!

“SWALLOW IT IDIOT! YOUR GETTING ME ALL DIRTY!” Anastasia screamed and then brought both hands down in fists to his stomach!

Cinderello choked hard as she punched his stomach and liquid feces shot out of his nose and then out of her crack at such a high force that it actually stained the barn roof! Anastasia looked back as the shit splattered in a straight line behind them on the floor! She felt her stomach tighten and a gag coming, the shit was dark green and filled with undigested vegetables!

Cinderello cried as Anastasia grunted, her anus rippled as a very mushy load of shit filled his mouth! His cheeks puffed out again but there wasn't nearly enough room! It began forcing its way down his throat like the rest of her shit had, burning his throat and scraping off the skin with its acidic burn! He reached up, his hands were shaking and he could feel his body going numb from the lack of air! He grabbed Anastasia fat ass cheeks and tried with all his strength to lift her, but he barely nudged her!

Anastasia grunted as a thick load of liquid syrup like shit leaked into his mouth! He felt his body begin to shake involuntarily as she laughed over him!

“Your vibrating!!!” Anastasia laughed!

“I'M SO SORRY! I DIDN'T KNOW! I'M SO SORRY!” Anastasia heard someone yelling, there was a commotion somewhere nearby outside.

She listened carefully while sitting heavily on Cinderello's face, he was grasping at her sides but then went limp, his arms falling to the floor. She didn't care though, she was too distracted. The voices got louder and louder as she started to panic, were they heading to the bar?

“YOU IDIOT! YOU BUMBLING FOOL OF A GIRL!” Lady Tremaine could be heard yelling!

Suddenly the barn doors exploded open as three armed knights, a royal escort, Lady Tremaine, Drizella, and Arielle all entered! Arielle was in tears as Lady Tremaine tried to reason with the guards!

“I'M SO SORRY! PLEASE! DON'T TELL MY FATHER!” Arielle screamed as Lady Tremaine screamed back!

“SHUT UP!!!”

“Please! Sir! Cinderello! He is my only son! He is all I have! You can’t take him! We love him oh so much!” Lady Tremaine pleaded with the guards as Anastasia got up and blushed! She was still dripping with feces! Cinderello was laying on the ground unconscious, his mouth overflowing with diarrhea and mushy green crap! Everyone looked and began to gasp and gag! The smell was beyond horrific! Thick, sour, the kind you could taste!

“Guards! Throw him in the back and we can clean him at the castle!” The escort instructed as Lady Tremaine screamed!

“NO, PLEASE! YOU CAN’T! THIS WOULD RUIN US!” She cried as she watched the guards drag the broken boy away! He was covered in shit and starting to attract flies!

“THEY OFFERED ME MONEY!” Arielle cried.

Anastasia wiped her ass with bunches of hay and got dressed quickly, she rushed to the barn door just in time to see the royal carriage making its way down the road in the distance and out of sight!

Cinderello woke up in the water and started to thrash! He was in a panic until someone grabbed his arm and steadied him!

“Calm down boy!” The old man yelled a bit as Cinderello looked around! He was in a wooden bathtub in a very nice bathroom... There was steam rising from the bath and very fancy soaps on a tray by him! He was also clean head to toe....

“Where... where am i?” Cinderello asked.

“Wow, you really were out of it, you’re at the Castle, Princess Cirillia has summoned you!” The old man said as he got a towel and put it around Cinderello’s shoulders.

“I’m where?” Cinderello had heard him, but asked again just to make sure he wasn’t hallucinating!

“The castle!...” The old man said a bit frustratedly

He walked to the side of the room and got some nice pants and a button up shirt from a dresser. He placed them on a table and then walked to the door before turning back to face Cinderello.

“Get dressed, and when you're ready, one of the guards outside will show you to the dining room. The Princess is about to have lunch and wishes for you to join her.” he turned and left.

Cinderello was still in shock and the happiness was held back by the fear that this could all be some sort of fever dream, or maybe he was dead? How did he get here? He stepped out of the bath and began drying his lower body before walking to the clothes. They were very fancy, very fancy, a lot like the clothes he had worn to the ball. Did Princess Cirillia really ask for him?

He got dressed and then knocked on the door before opening it slowly. A guard was waiting who looked at him with confusion as he peeked through the door, slowly opening it.

“Follow me please” the guard said as he began walking, leading him from the bath house.

Cinderello was so nervous, he walked, following the guard down the brick hallways and up a staircase. They reached the main hall and the ballroom from the party, Cinderello recognized it! They walked up the main stairs and through large double doors to a massive dining room. The table was long enough for forty people but had one chair at the very far end with a small silver platter covered with a top to keep the heat in.

“This way please” the guard walked down the long table as Cinderello followed him.

When they reached the end of the table, the guard got down and opened up the throne, there was an area below for someone to sit. He motioned down as Cinderello waited and looked...

“Sit down” the guard instructed...

“Under the Throne?” Cinderello asked, a bit confused...

The guard nodded and Cinderello followed his instructions. It was very cramped as he began lowering the seat over his face! His legs stuck out the front of the throne and he had to wrap his arms around his torso tight. His face was upright, surrounded by a plush cushion. When the guard locked the Throne in place, Cinderello could not move an inch. The guard noticed how uncomfortable he was and looked down.

“Princess Cirillia will be here shortly, please, relax” he walked away and the sounds of his footsteps echoed in the long empty dining room.

Cinderello began to hyperventilate a little bit, he was always extremely claustrophobic and the throne was incredibly tight! His mind began to race until a light pair of footsteps began moving towards him. The clicking of high heels got louder and louder as his heart began to race. He could see her white dress and glimmering jewellery as she came into view and smiled down at him! My god, she looked so beautiful! She smiled so wide Cinderello thought she might cry!

“I thought, I thought I would never see you again!” she said while blushing!

Cinderello was too nervous to respond....

"Why did you run?" she asked...

"I... I..." Cinderello stammered as she laughed...

"I knew you were perfect, but when i heard of your state when you arrived, i must say, it took me by surprise! I can't say I am disappointed though, it makes me rather glad that we can skip so many steps and move right to the intimate stuff, do you feel the same way? Cinderello?" Cirillia asked with a smile, she ran her finger down the side of his face as he blushed!

"I do!" He replied, not sure what she spoke of!

"I knew you would agree! We are meant to be together! You and I, it's destiny!" Cirillia said very naively.

Cinderello watched as she stepped in front of him facing the table, he was looking up her back as she gathered her dress in both hands at her sides, much like his step sisters had done so many times before. Suddenly he was staring at Cirilla's ass! The Royal Princess... Much unlike his step sisters, she was perfect! Her legs long and pale, completely hairless! Her ass was small and plump, her cheeks perfect! She looked back and smiled....

"I had the chef prepare my favorite dish! Honey Glazed Salmon with Rice, Broccoli and Green Beans, it always gives me stomach bubbles, so this will be a nice learning experience for us both!" She said very calmly and with a smile before bending over and plopping down heavily!

Cinderello watched as her tiny ass became big and round! She hovered over him for a moment before dropping down, each cheek slapped his face before pushing into the cushion! Cinderello braced, ready for disgust, but was pleasantly surprised. Her cheeks were soft and warm, the cushion supported most of her weight so his nose could rest softly on her bare anus! It smelled but only lightly, the odor of earthy shit was very light, almost erotic in a sense! She wiggled back and forth, leaning left and right, his nose pressed into her asshole a bit and she giggled! Cinderello was expecting what he was used to, but this was different, it was, nice? He took a sniff, inhaling the odor of her asshole and then blowing out softly! She shivered and then laughed before sitting back a bit more, covering his nose! Completely with her asshole!

"I have to eat! Stop tickling me!" she giggled as he heard the dish clang and then cutlery hitting the plate!

Cinderello couldn't breath through his mouth at all from the way she was sitting, her crotch was pressed to his mouth covering it completely! The only way he could get any air was to sniff, so he did, slowly in and slowly out! The odor of her ass was soft, pleasant, almost sweet! He could feel her moving from side to side slightly, adjusting. Each time she moved to chew, he could feel her eating as her muscles tightened and loosened.

“You know, my last Prince, he ended up, well, we don;t have to talk about what happened with him, he was a failure! But I thought it was the one! When I found him, he was cleaning out toilets in the west end of town, a complete wreck of a man!” She said to him while taking a break to eat and chew a little.

“I figured, OF ANYONE, he would be able to put up with my, let's say, different tastes! At first he did okay, but slowly, over time, he resisted more and more, i had to force him over time, and things took a bad turn, i don't want that to happen with you, but, i don't think it will, i feel different, you seem, i don't know.... Subservient, are you? Are you good at listening?” Cirillia asked as Cinderello moaned under her, taking a deep sniff of her bare asshole! She giggled and laughed!

“Good” she replied while continuing to eat.

“Oooh, i think i have a little present for you Cinderello” Princess Cirillia said with excitement as her ass tightened up on his face!

He felt her asshole pull back and tighten before pushing out wide and spreading on the tip of his nose! It all happened so fast as her hot gas ripped across his face like a hurricane! Cinderello could feel his skin rippling from the force as it shot down his nose and filled his lungs with force!

Princess Cirillia began to laugh hysterically as she wiggled her ass on his face and fanned her nose! The sound had echoed all the way down the long empty hall and was still reverberating back at them!

“Are you still alive down there?” She asked without getting up

Cinderello was in shock, he was unable to move or even breath as her gas stirred in his body! It was so strong, so fresh! The odor was so sour and powerful, like rotten fish mixed with hot lemons and bitter clay! He could taste it in the back of his throat as her bare ashole flexed on his nose, the rim of her anus was still hot!

Suddenly he felt the burn inside of his chest and started to choke! He coughed hard and then gagged, dry heaving and almost bouncing the Princess on his face! Her asshole spread a bit allowing his nose to slip inside! His eyes went wide as she groaned and giggled a bit!

“I hope you have a tickle in your throat, because that was a little one” Princess Cirillia said a bit worried as she continued to eat!

Cinderello started to cry, he had no idea the Princess was like this, but surely this was better than living with Lady Tremaine and his two horrible step sisters! Just as he finished that though, Cirillias anus spread wide and unleashed hell straight down his nose!

Cinderello felt her tight asshole squeeze his nose before spreading wide to let him in a bit further! The hot gas exploded out with most of it shooting directly down his burning tortured nostrils! He could feel the gas pushing into his lungs and flowing out his mouth before the fart had even fucking finished!

Her anus began to flap and vibrate as hot syrup like shit forced its way down his nostrils! It hit the back of his throat and started leaking down into his stomach as he gagged! Cinderello was choking so hard that the entire throne was moving! Cirillia looked down in shock!

“Don’t tell me that was too much?” she asked in a spoiled tone!

He could taste the flavor and it was horrid, like hot fish and burning lemons! It was so sticky and felt like slime as it leaked down slowly! Cinderello flexed his throat, pushing and gagging, trying to get the disgusting feces into his belly!

Princess Cirillia stood up and her tight pink asshole slid off Cinderello’s nose with a wet snap! She looked back at him gasping, brown shit was leaking from his nose.

“You poor thing” The princess said while reaching down and wiping the feces from his upper lip and nose with a napkin. She folded the napkin and wiped her asshole then tossed it to the floor!

Cinderello watched her wipe between her tiny plump ass cheeks! He was in shock, he could still taste the shit deep in his throat and nose, but he couldn’t get over how beautiful she was!

“I am going to take care of you Cinderello! You will be my Prince, My King, The leader of the people! But you need to keep up with my needs! The needs of your Princess, Your Queen. That’s most important!” She said while grabbing her ass cheeks with both hands and spreading them slightly. When she did a small sharp fart escaped, it sounded like a sharp whistle.

VVRFRTTTTTT

Cinderello scrunched up his face as the odor reached his nose!

“Now i want you to take a deep breath, because i’m going to sit down, and i don’t want to stand until im finished, understand?” she asked, still looking back at him with her ass just over his face!

Cinderello was able to speak, forcing out the words...

"Yes, anything, for you... Princess" he struggled to speak without gagging...

Princess Cirillia smiled as she dropped down taking a seat!

The End
