

See you babies later. Gotta go into town to help out Tickle's. I should be back in three days, so stay in this area until then.

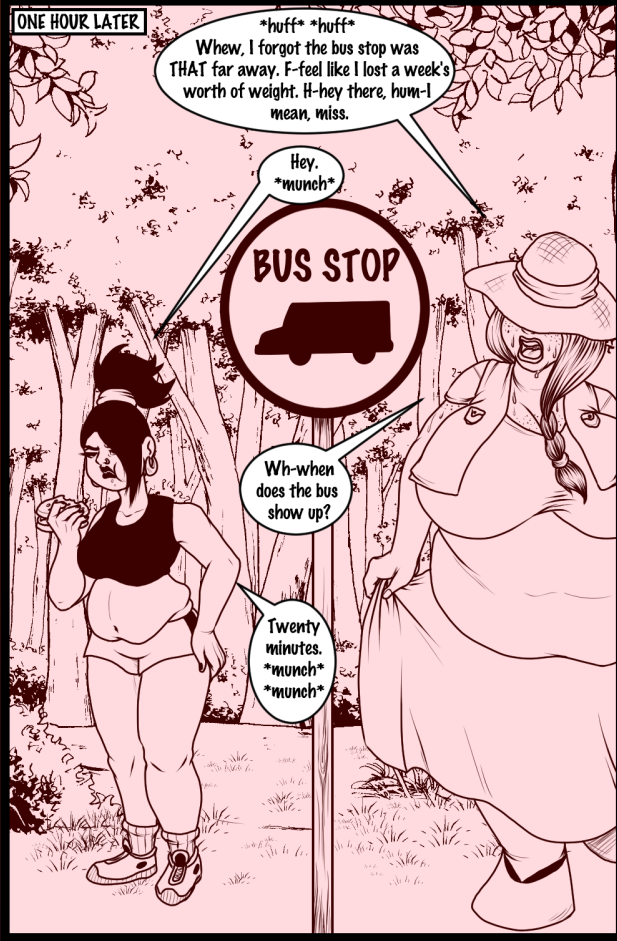

Moo-

chuckles Good to hear.

I would invite Gurgles along, but I'm afraid her disguises aren't good enough. And I think she's a wee bit too voracious to control herself around so many humans.

Maybe I'll bring her back a human or two. Don't want her upset with me.

ONE HOUR LATER

huff *huff* Whew, I forgot the bus stop was THAT far away. F-feel like I lost a week's worth of weight. H-hey there, hum-I mean, miss.

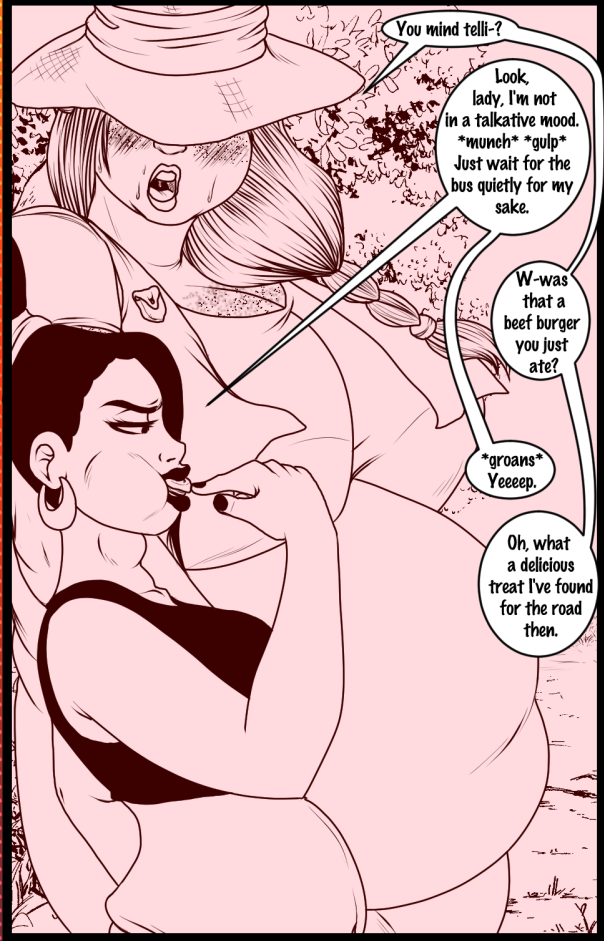

Hey, *munch*

BUS STOP

Wh-when does the bus show up?

Twenty minutes. *munch* *munch*

You mind telli-?

Look, lady, I'm not in a talkative mood. *munch* *gulp* Just wait for the bus quietly for my sake.

W-was that a beef burger you just ate?

groans Yeeep.

Oh, what a delicious treat I've found for the road then.

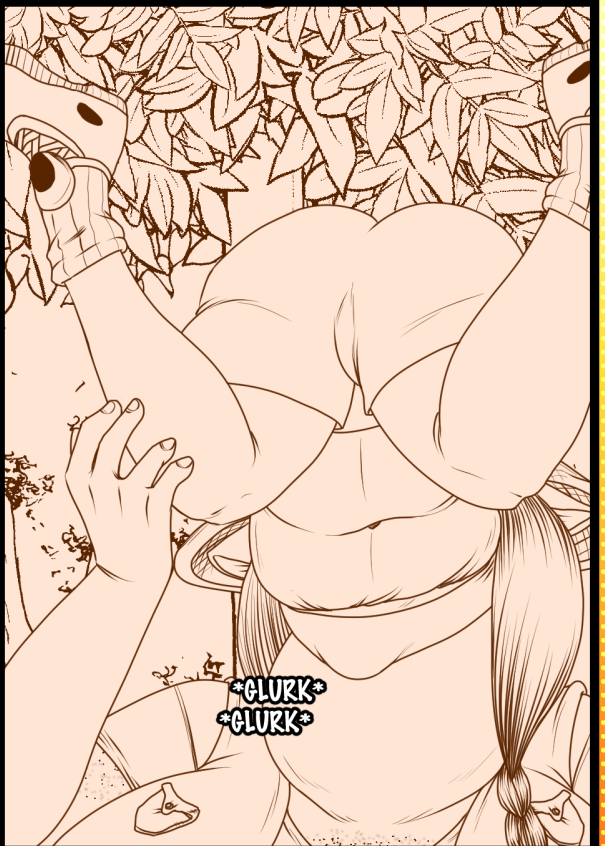

Um, I just ATE it.

Sorry, human, but I gotta
keep you in there now. *groan*
But while you're in there, can you
not move so much, please?

muffled shouts

kick

Nnh- I guess you're
gonna be a pain then.
Typical. Oooh, I hope you
don't ruin my disguise.

FIFTEEN MINUTES LATER

It'll be a tight squeeze, but I'm certain we can get in, lil lady.

Off C-coming through!

Mmf! H-help!

lick *lick* Wh-what the heck is that?!

squeeze

-GLORP-

I hope you don't mind, mister. All of the other seats are taken.

Um... uh... y-your stomach i-is...

Mmf mmm!

-GLORP-

Sorry. I'm pregnant with triplets. Rowdy lil things. Is something wrong?

N-nope. Nothing's wrong.

You sure? Your face is red.

I-I'm fine.

If you say so.

Mmf mmm!

FOUR HOURS LATER

Well, that meal hardly held me over. Think that guy kinda liked being by me. Weird, but whatever. Now to find Tiekles.

pat
pat

Jiggles?!

Tiekles? My how you've grown. I hardly recognized you. It's pretty quite around here. So-

Jiggles, you're rambling.

Oops. Sorry. I've got a bad habit of doing that, huh? Anyway, what's wrong? Your letter was pretty brief.

It's fine. A-and I ...

Just tell me. It's alright.

I told my boyfriend, well, now ex-boyfriend, that I'm a bunny nymph. I told him months ago but he broke up with me yesterday and I'm scared he'll tell someone my secret.

Would he be that cruel?

He was pretty angry with me when he told me to leave. He said that I'd have to scurry back to my burrow once he was done with me.

Jiggles, I'm scared. If the Head Nymph finds out I told a human. I might get turned into a rabbit and then ... *sniffle*

It's alright. I know what to do. Take me to him.

sniffle
O-okay.

THIRTY MINUTES LATER

KNOCK
KNOCK

Yeah!
Yeah! Gimme
a moment! Guh, it's
close to midnight.
Best not be Tiekles
or I swear I'm
gonna rip her ears
off.

KNOCK
KNOCK

Trent Wilson?

281

Yeah.
Who are
you?

Someone shocked
that you'd actually
open the door
THAT easily
and now ...

Supper time!
NOMF

Mmff!

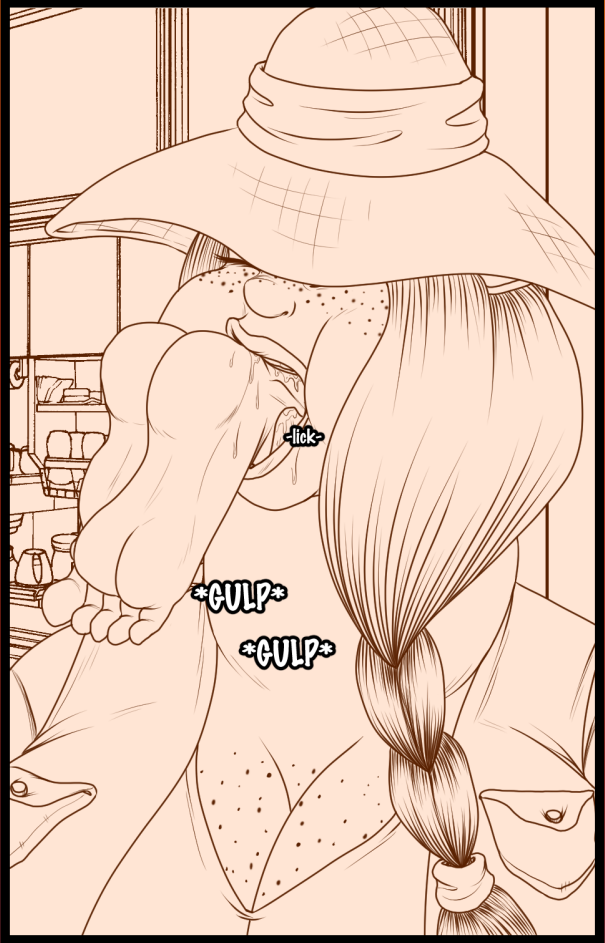

Whoa,
get inside all of the
way before ya eat,
Jiggles. Gotta shut
the door.

-lick-

GULP

GULP

HURK Oof, he tasted awful. Why'd you date such a disgusting human?

squeeze

PUNCH

Hee- I don't date people based on THAT sort of taste. Anyway, thanks, Jiggles. You're a life-saver.

Mmm, Tr-trent?

Oh, my gosh. Who are you?! Where's Trent?!

You know her, Tiekles?

Nope, but she's seen us so ...

G-get away from me! I'm calling the p-HEY!

Oh, no you don't, little human. I may be over-doing it, but it's the easiest way to handle you.

grip

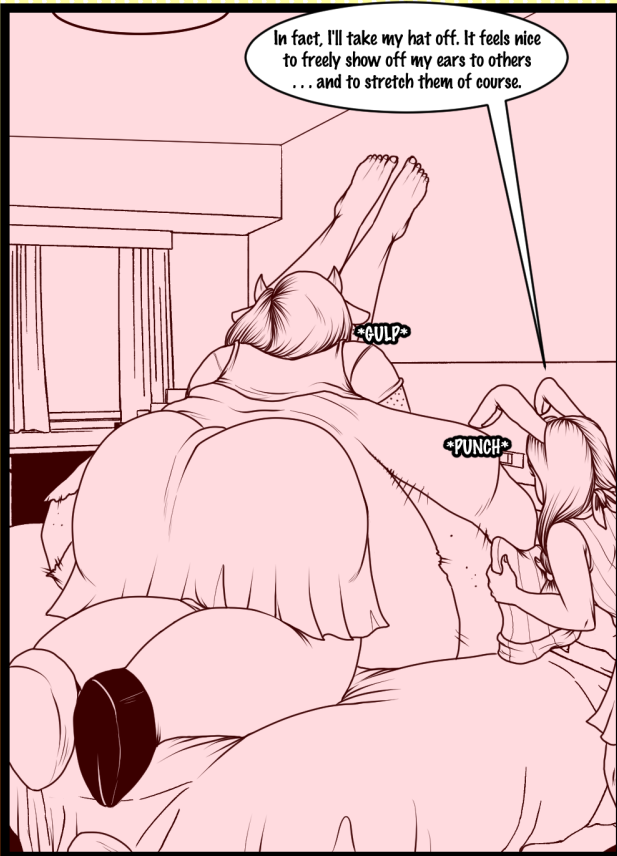

Oh, wow. You're swallowing her more so like a snake rather than like a cow. That's incredible!

Mf hamph?

Hmm? Oh! Your hat. Don't worry about it. No one's gonna see your cow looks in here. I locked the door.

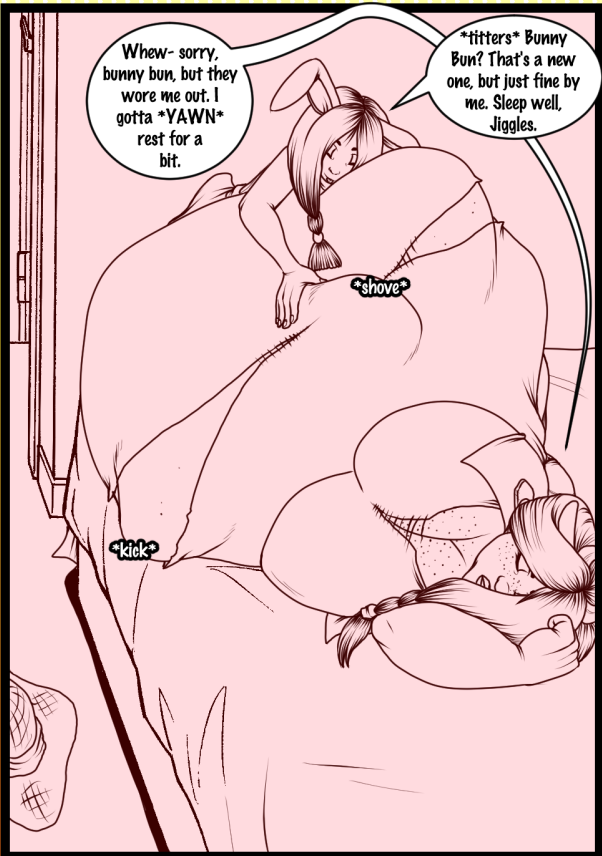

slurp

In fact, I'll take my hat off. It feels nice to freely show off my ears to others ... and to stretch them of course.

GULP

PUNCH

Whew- sorry, bunny bun, but they wore me out. I gotta *YAWN* rest for a bit.

fitters Bunny Bun? That's a new one, but just fine by me. Sleep well, Jiggles.

shove

kick

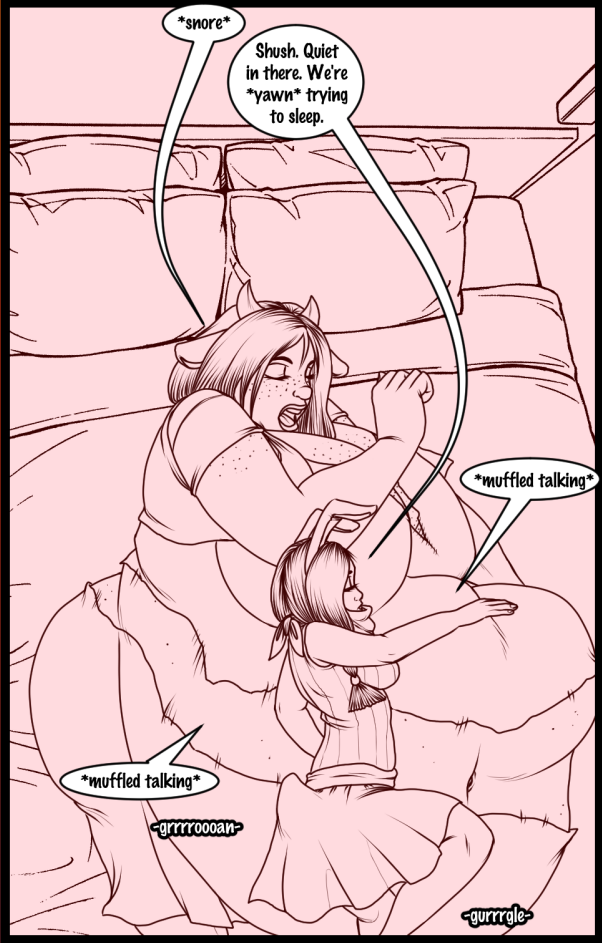

W-we just got ate? Th-this can't be happening.

-grrrrroooan-

Mfft J-Janett! Move your butt!

I-I can't! It's too tight in here! Wh-who even is that out there?!

-gurrngle-

snore

Shush. Quiet in there. We're *yawn* trying to sleep.

ONE DAY LATER

Ya didn't have to buy me new clothes, Tiekles. Could've tried the "summer bod" look.

You? In a bikini? I think the bus driver would faint at so much thickness on display. Anyway, I wanted to treat ya for your help. Speaking of "treat"...

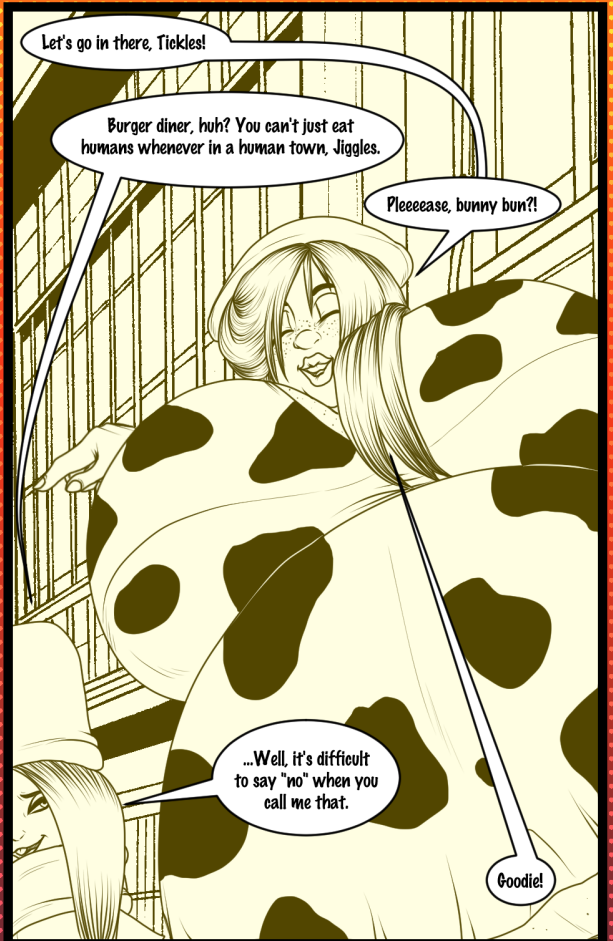

Where would you like to eat before you go home. I know you said you wanted to bring Gurgles something for your return, but you can find-.

sniff *sniff* Cow meat?

Hmm? Jiggles?

Oooo, I think I know where I wanna eat!

Let's go in there, Tiekles!

Burger diner, huh? You can't just eat humans whenever in a human town, Jiggles.

Pleeeeeease, bunny bun?!

...Well, it's difficult to say "no" when you call me that.

Goodie!
