

After a thorough examination.

Any luck?

I'm not gonna lie to you, Greg.

It's looking bad.

I replaced most of the simple electronics I identified as faulty.

Does this mean it works? Yes.
Does it work reliable? No.

For all we know, anyone you point this at might turn to slush.

I'm sorry to say, but you may have to get used to having breasts, a vagina, and menstrual pains starting next month.

Just as I have
to get used to this giant
weights on my chest.

I'll return
this to you.

But I really
advise against using it.
Ever again.

There's
no telling what may
happen.

Dang, this bites.
Sorry I dragged you
into this, Kari.

There's a slim chance still. I found an URL printed on one of the circuit boards.

I'm gonna dig around some, and see if that turns up anything.

A depressed walk home later.

Blasted stupid thing.

How can
I ever get used to
this?

This
bites.

Janet?

Greg? Is that you?

I want more, Greg.

No, Janet. Put that down.

It feels so intense,
Greg. I need it again.
It's so amazing.

Janet!
NO!

Huh?
What now? I'm that
slut again?

A 3D rendered woman with vibrant blue hair styled in a high ponytail, purple lips, and blue eyes. She is wearing a black leather jacket over a red and black striped crop top and black jeans. She is sitting on a beige couch with several patterned pillows. Her right hand is raised near her face, and her left hand is pointing towards the viewer. A speech bubble is positioned to her right, containing the text: "Not only that. You have something extra down there."

Not
only that. You have
something extra down
there.

That's a new toy. Where'd that come from?

You can be glad you're still human.

The device is unstable.

This sucks.
How can I get
anything with that
stuck on me?

Do you have
a pussy?

A woman with vibrant blue hair, purple lips, and blue eye makeup is sitting on a white couch. She is wearing a black leather jacket over a red top. A speech bubble is positioned near her mouth, containing the text "I do. But what does that have to do with anything?". The background shows a beige wall and a wooden table with a green and blue striped cushion.

I do. But what does that have to do with anything?

It means I still can get something.

Janet!

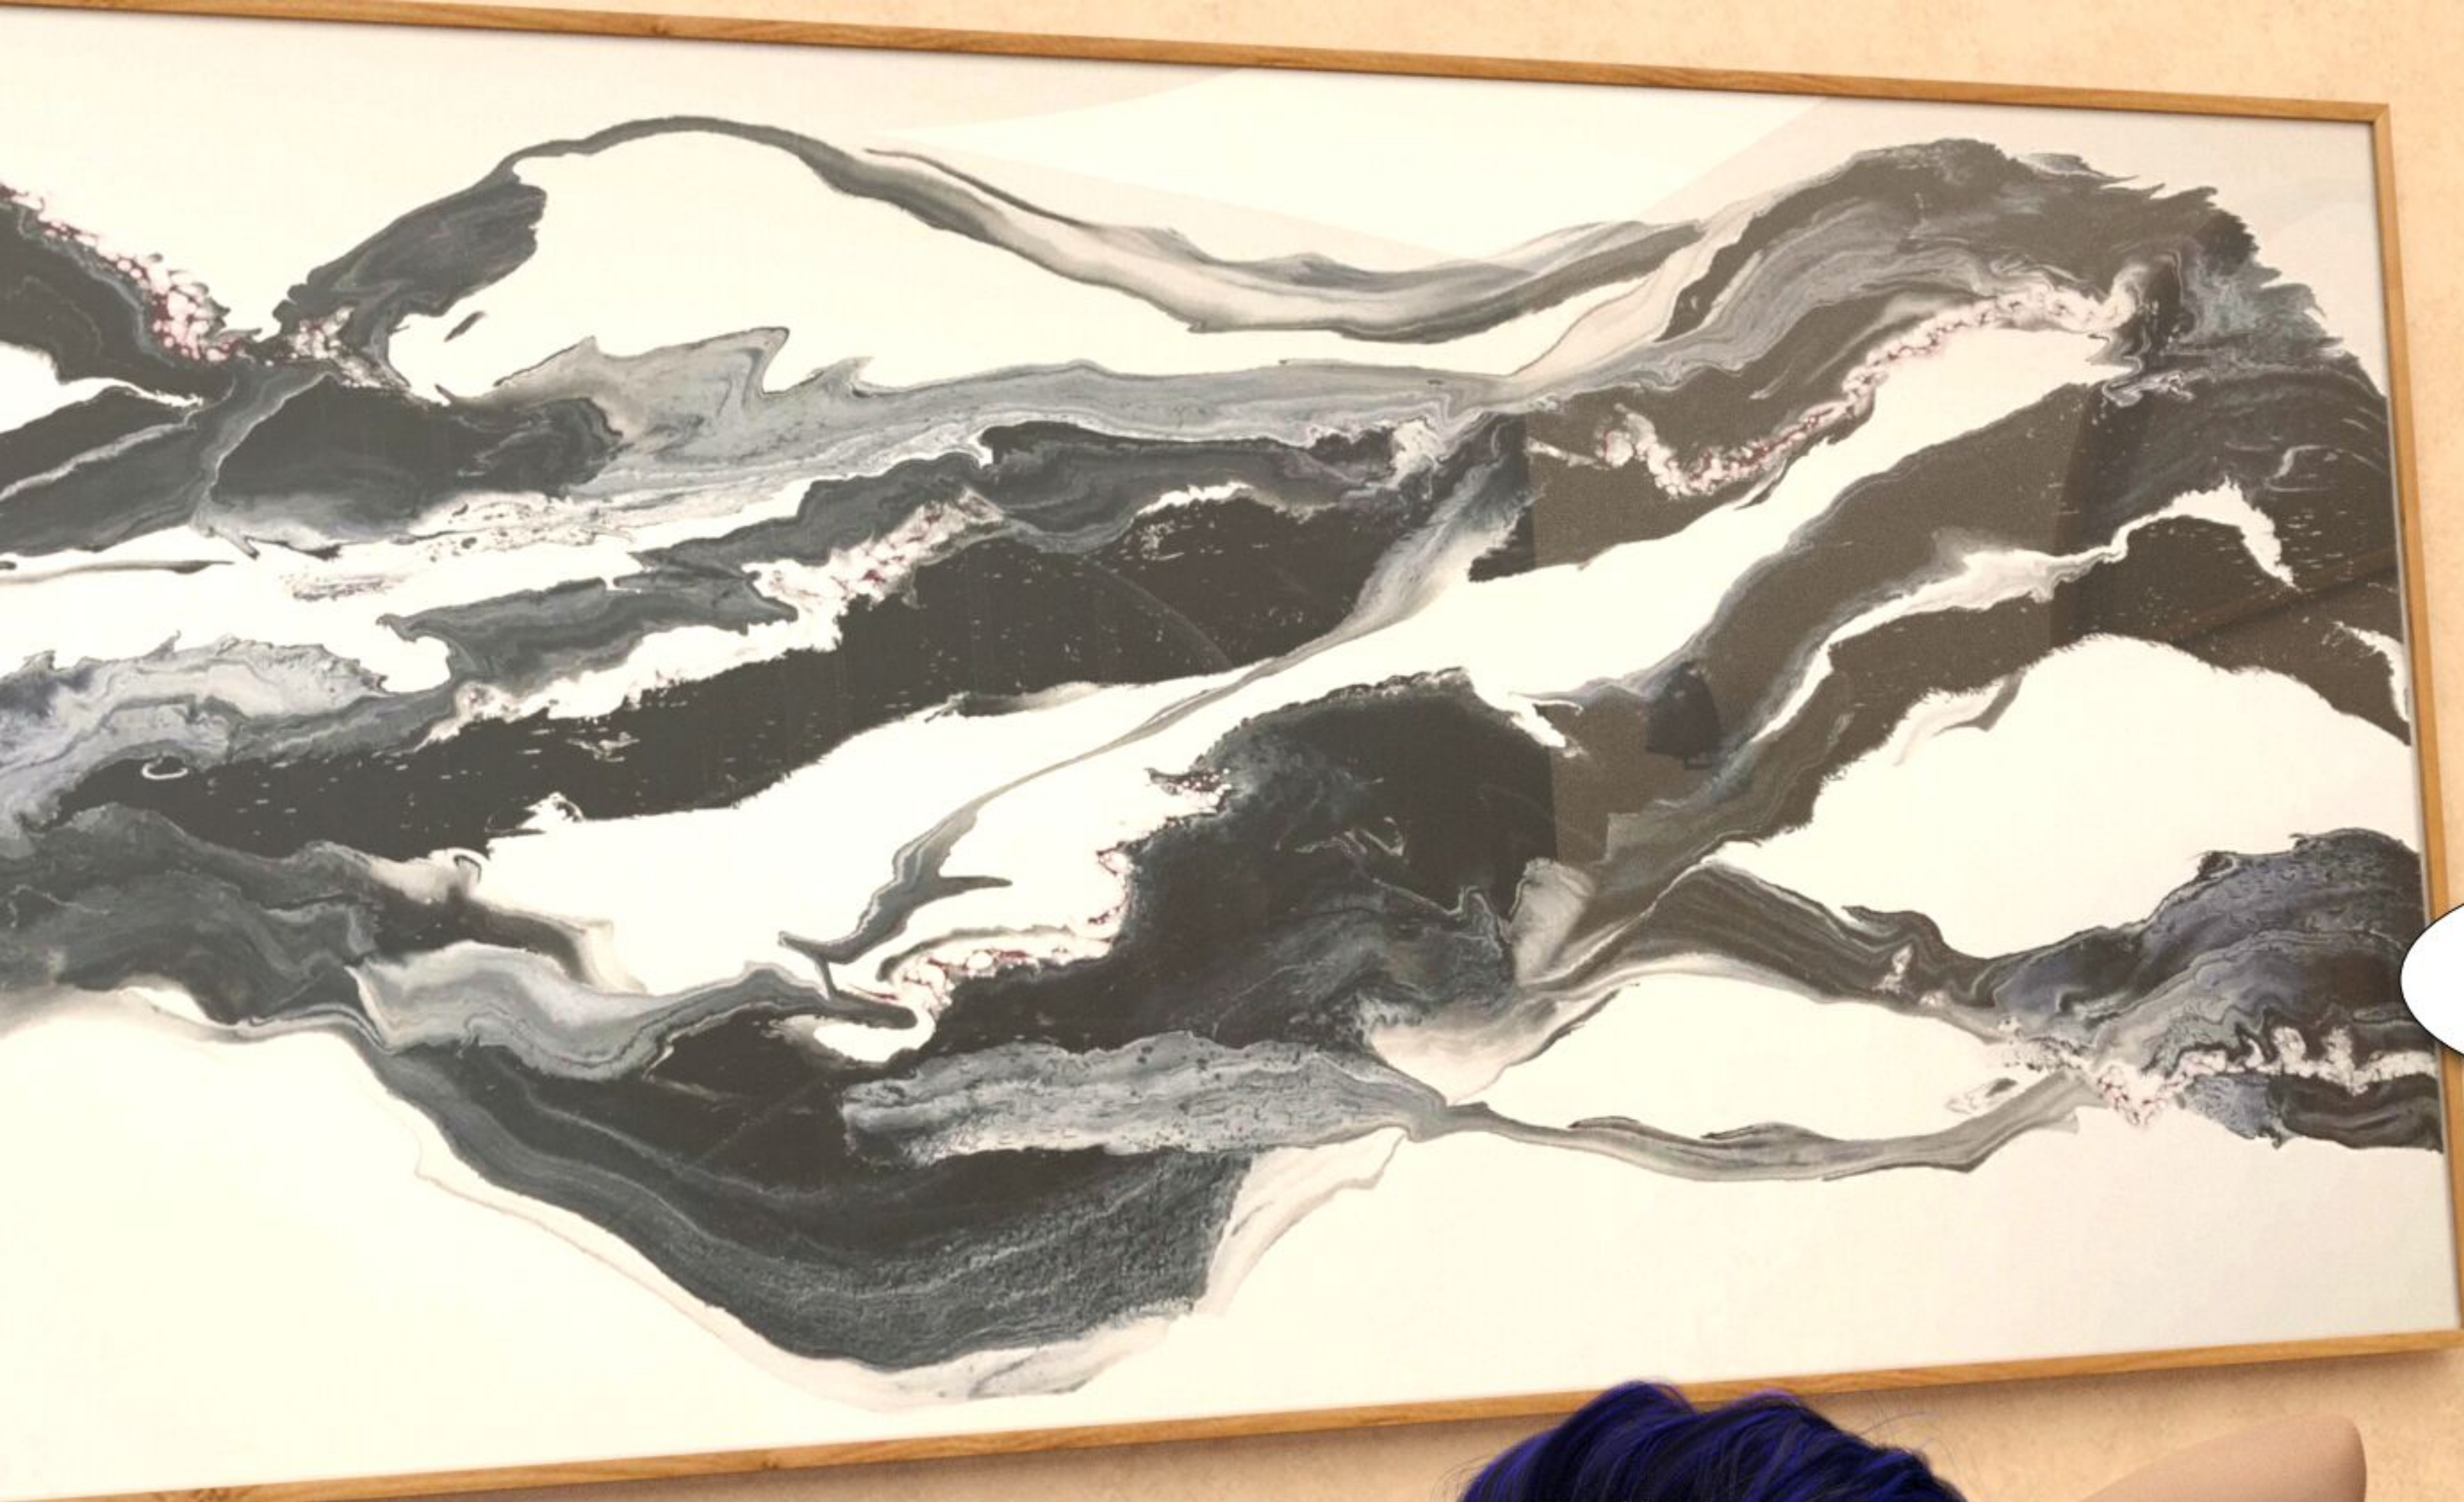

BEEP

Janet. What did you do?

Also, please
do me.

Come here
and lube it up.

Get it nicely moist, so it doesn't chafe when I pound you.

Hell
yeah. This might
be good after
all.
