

# BLUE LAGOON

Doujinshi by TheWriteFiction

Ahhh... ♡

One day, while Krillin was out, Maron took Gohan out on the waves for a taste of some wind surfing.

Coming across a lagoon miles from Kame House, the pair stopped on the sand for a rest.

BOING!

Let's have some more fun!

Suf!

BOING!

BOUNCE!

Heh heh...

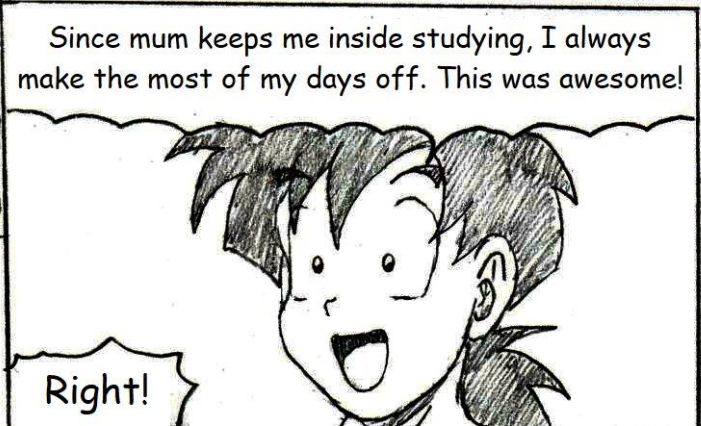

That was great! I can't believe we found such a nice beach out here in the between these islands!

Yeah! We got real lucky with this one!

Thanks for coming out with me today, Gohan-kun!

You're so much more fun than Krillin is!

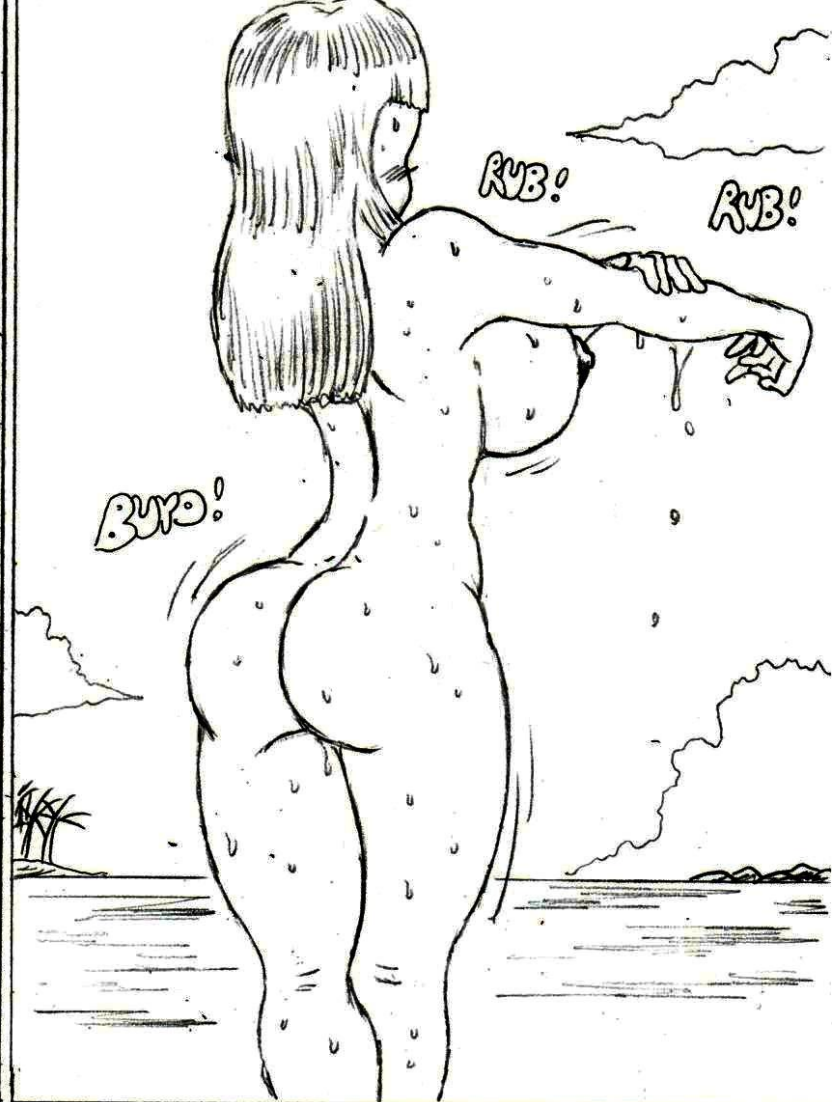

Since mum keeps me inside studying, I always make the most of my days off. This was awesome!

Right!

...let's go swimming naked!

Since we're the only ones here...

Mmm. The water is so warm.

Haah... it's been a while since I did something naughty like this.  
\*Giggle\* It's making me feel hot.

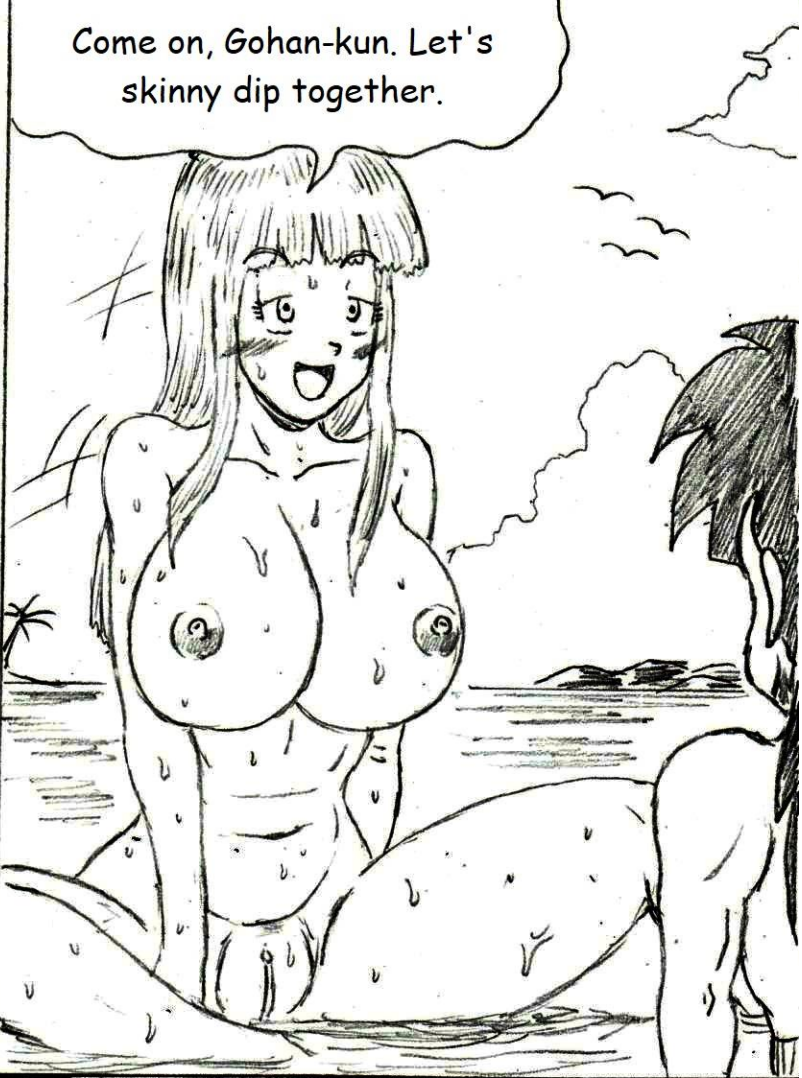

Oh? Haha. O-Okay.

Shf-

Just give me a sec.

Come on, Gohan-kun. Let's skinny dip together.

Mmm ♡

SUP!

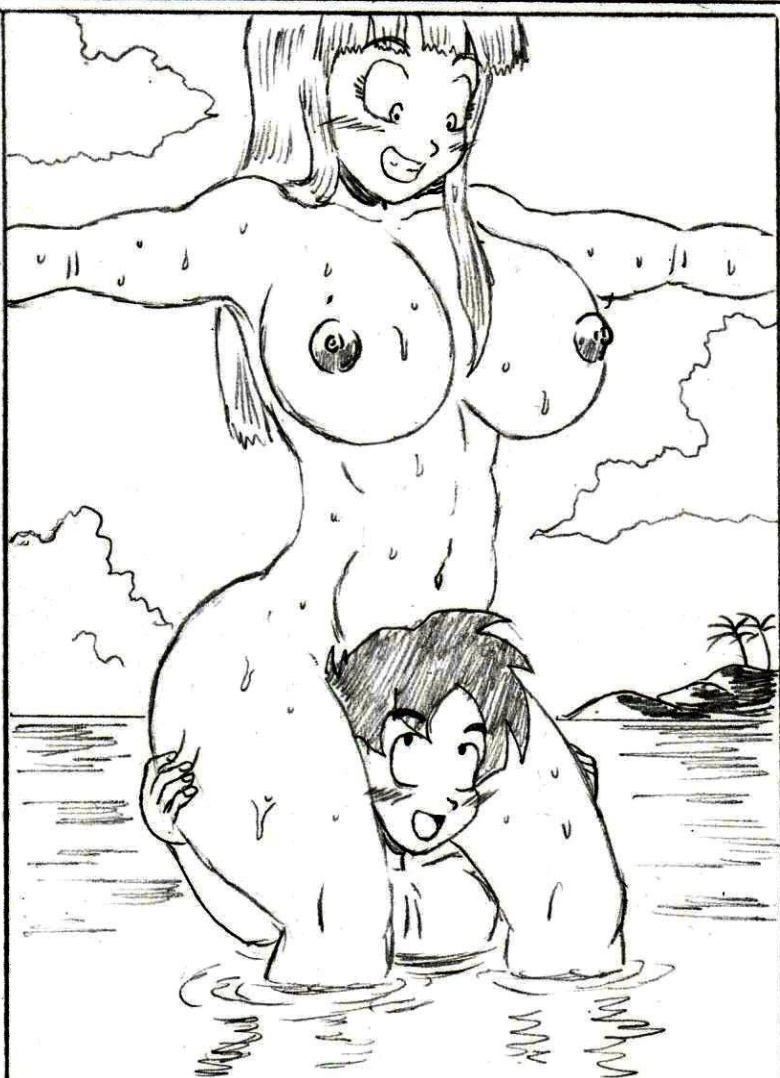

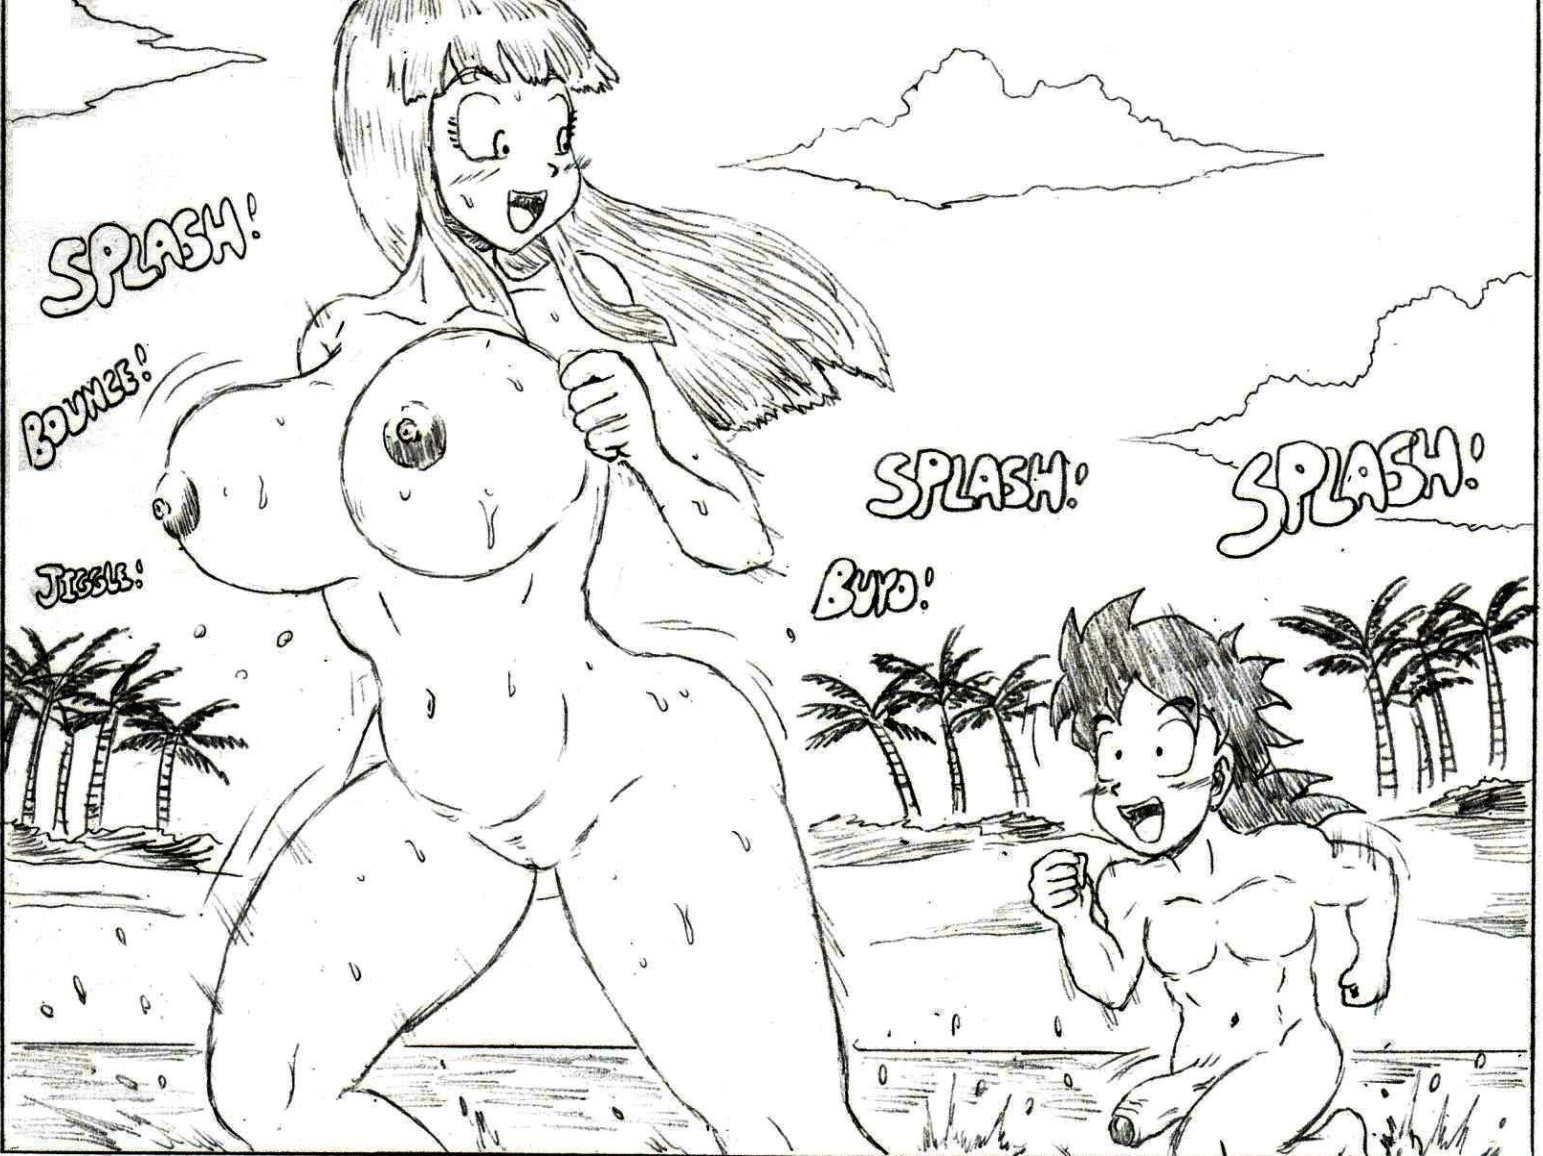

My... such a gentleman.  
\*Giggle\*

BYE!

If we're going for a swim, let's explore the lagoon together.

Oh? Sure thing, cutie.

Playing in the water with you is great fun, Gohan-kun.

I'm up for more if you are, Maron-san.

\*Giggle\*. Of course, cutie.

DIVE!

Oh, Gohan-kun...
