Cw: mentions of “dark magic”, demons, oral (giving and receiving), spitroasting, tail play, stomach/womb tattoo, creampie, minor stomach bulge, clothing ripping

Audio opens with low music playing, the sound of chalk being used to draw something. After a moment, there's the sound of a small fire being lit and paper being burned. The fire crackles for a bit. There's the sound of electricity and then everything goes silent

Kaminari: (pleased hum, stretching noise) Mmmn! It's been a while since someone's been able to summon me...let alone both of us, huh Toshi?

Shinsou: Yeah, but...I'm not going to complain, I didn't want to hunt this week anyway~ **(lowly)** hello there little summoner...I hope you realize what sort of mess you've gotten yourself into?

Kaminari: (playful laugh) Aw, of course they do~ Look how well prepared they are! Drew the summoning circle...gave the right offerings...they even have the grimoire that tells them all about us! Heh, they really did their research huh?

(approaches the listener and speaks closely to them, almost fond) Aw...you musta been real lonely to have to call on us huh? No need to be so embarrassed! It's fine! Plenty of people have summoned us before...well...like I said, not at the same time but...it just means you're talented~

Either that or **(playfully)** you've got that kind of horniness that one man can't handle~ **(laughs)** Aw! Look at you... how adorable~ Makes me wanna see more~

Shinsou: (approaches and hums) He's right. It's a bit silly to summon a pair of incubi and then play coy. **(Soft inhale)** I can smell it on you...We both can. How much you're longing for us..

Kaminari: (clicks his tongue) Ah don't worry cutie...I see that look on your face. You don't have to be worried~ I know that some of the humans have painted us all like **(pretending to be scared)** “Ah don't deal with them, they'll suck your soul out and leave you a withered husk!” **(back to normal tone)** And blah blah blah...nah, it's not like that...

(pause)

Kaminari: Nope~ Man, just because one guy had managed to catch a succubus on a bad day, we catch flack for it for the rest of time! **(Huffs)** We feed off sexual energy...not your life force~ The more pleasure you feel, the more well fed we are. It's a win win!

Shinsou: (chuckles) Think of it as...a symbiotic relationship...we get fed and you get to have the best orgasms of your small human existence. Now...if we're done with the demonology lesson...I'd like to have my meal sometime *tonight*.

Kaminari: Aw Toshi you're so impatient when you're hungry...but fine, I don't mind starting sooner rather than later. Besides..(chuckles) they're looking pretty eager themselves.
(Sweetly) Let's get you up on the bed huh? Being devoured on the floor isn't quite as fun as most people think it is haha!

(shuffling as the trio move and settle on the bed)

Kaminari: Will you do me the honor of letting me have the first taste?? **(playfully)** Aw, it's alright, I won't bite...I promise that kissing is one of the things I do *well*...so...let me show you?
(he pulls them in for a slow passionate kiss as Shinsou talks)

Shinsou: (lowly) Relax...That's it...(chuckle, aroused) Hm, I love when my meals are so eager and willing...tastes better that way.

Kaminari: (breaks the kiss with a purr) mn...mhm...me too. Look at those pretty eyes...already looking a little blissed out..(small surprised noise as he's pulled back in eagerly) Mn! Hmm~ (chuckles against their lips) Mn, don't worry~ We won't leave you hanging....we're both pretty hungry so...all three of us will get our fill tonight~

Shinsou: (aroused hum) Denks, move..(leans in for his own kiss)

Kaminari: Fine fine...I'll just have to taste elsewhere then~ (hums as he begins to touch along them) Ah aren't you so sensitive...(fabric shuffles as he pushes their shirt up) look how perky your nipples are and we've barely started...(happy hum as he latches onto them, soft moans and sighs of delight as Shinsou talks)

Shinsou: (pulls back) You're pretty loud hm? Good...I like my meals vocal...(huff) Don't try to cover your mouth, we want to hear all those beautiful moans of yours. Perfect. (chuckles) Don't bite too hard Denks...

Kaminari: Mn, like I'd ever hurt a tasty cutie like this on purpose huh? (purrs) Mn...your pleasure's so delicious...I want more of it...buuuut these are in the way. Toshi? Would you mind?

Shinsou: (huffs) You're so lazy...but fine.

(sound of clothing tearing)

Kaminari: There we go~ That's much better. (kisses down their body)

Shinsou: (smug) Hmf, well next time you summon us, do it naked if you don't want to lose your clothes.

Kaminari: (pleased sound) Aren't you perfect? Already so warm and twitching for us...mn, makes me hungry just looking at you.

Shinsou: (chuckles) Well don't just sit there...they're getting impatient and so am I.

Kaminari: (huffs) Fine...you're always rushing me you brute. Hells forbid a guy wants to admire his meal before he devours it. **(Soft kisses on their thighs)** Just look at that expression...love these little thigh twitches too **(soft bites, before he starts to eat them out happily)**

Shinsou: (small intake, hum) Mn, grabby huh? I like that...**(chuckles)** No you don't need to ask, I'm *more* than willing to see how far I can stretch that throat of yours. **(amused)** You look surprised? Didn't think incubi tongues were that long did you? Denki's rather skilled with his...he loves to drink deep of his meals. Bit of a messy eater.

Kaminari: (indignant noise with his mouth full)

Shinsou: Not that it's a bad thing.

Kaminari: (pleased noise, suckle)

Shinsou: (huffs) Mn, that's it, don't be so tense. Just relax. Let the feeling wash over you hm? Put your legs over his shoulders...don't worry, he's got you...There you go. Now...open your mouth for me.. Little wider...perfect...**(low growl as he pushes in)** Mn, just relax your jaw and your shoulders...you're going to hurt yourself if you don't. Perfect...good..you're doing **(moan)** so good...

Don't worry I won't hurt you, but I *will* use you little summoner..hope you're ready for it. **(slow careful thrusts)** that's it...let me in...let both of us in.

Kaminari: (increases his eager eating out with pleased sounds and muffled praise against them) Mn, that's it sweetheart, it's good but not quite enough huh? **(pulls away licking his lips)** Well...Let me try this then~

(slick noises as he presses his tail into them, fucking them with it)

Kaminari: Mn, so eager..my tail just eased right in. This is perfect too, cuz now...I can watch you fall apart just like this and play with these adorable nipples at the same time~ **(He suckles on them a moment before he pulls off, aroused)** That's it Toshi...look how well they're taking you..mn, I bet with a bit more practice you could just fuck their throat~

Shinsou: (huffs) Oh I bet I could, they have a talent for it I think **(moans)** That's it..move your tongue just like that...perfect...

Kaminari: Ooh~ I felt that little twitch sweetheart..you want that? Want us to train you? Well...maybe if you're good for us...**(teasing)** Let's see how well you take us huh? So far you're doing a great job...Mn, nice thing about tails is...you can get all those hard to reach places **(coos)** Ohhh that's the spot, right there? Mhm, I could tell. Gods below you are *delicious*...That's it.. Rock your hips into it, I'll pet that sweet little spot all you want.

(They go for a bit, adlib praise here, Kaminari continues to use his tail and does not stop throughout the following dialogue)

Kaminari: (chuckles) Ah they're so cute...wiggling their hips like that. So greedy...just how I like 'em~ Ohh you're right there baby..that's it **(soft fond laugh)** thaaaat's it~ show us how hard you cum sweetheart...**(sharp inhale, moan)** that's delicious...look at those shakey thighs...

Shinsou: (growl) Mn! Open up mortal...that's it...Gonna...**(moan low as he cums)**

Kaminari: (purrs)...paint their face just like that Toshi...Mn. **(little chuckle)** just ride that wave for a bit cutie...just leave it to me...c'mere. **(soft messy kisses)** Mn, Toshi's kinda messy but..he tastes really good huh? Even better when you share heh~

Shinsou: (catching his breath) aren't you two pretty....mn..Denks, switch with me..

Kaminari: Gladly~ Let me just move my tail out of the way~

(shifting about as they rearrange themselves)

Shinsou: (lowly) He opened you up nicely for me...**(slick noises as he nudges against them)** Mn, all I'm doing is brushing against you and it's like you're trying to pull me in...Just wait a moment and I'll give you every inch of my cock...

Kaminari: (eager) Ohh go slow Toshi...I wanna watch~ **(aroused)** You'll love this cutie...Toshi's gonna stretch you so good...might even see a cute lil bump on your stomach~

Shinsou: (chuckles) Squirming like that won't make me hurry~ How about you beg me hm? You know how to do that don't you?

(pause)

Kaminari: (soft groan) fuuuck that was so sweet sounding..c'mon Toshi you can't say no after that...

Shinsou: I suppose not...Hold still for me then...(low moan as he works himself inside)
Mn...That's it, breathe..breathe... mhm..legs apart, just like that, now...relax. I'm not going to move yet...just get used to the feeling.

Kaminari: (Coos) Mn, you're so perfect...and if I just...rub riight here~ (aroused sigh) makes it so much better huh? (groan) Look at that back arch. That's it...grind down on him just like that.

Shinsou: (moans and sighs lowly) Mn, fuck.. (trying to keep his composure as Kaminari speaks)

Kaminari: (pleased) I was right too...look how deep he reaches..feels amazing doesn't it? Aw...that pretty mouth looks a little lonely though...let me fill it for you huh? Open wide for me cutie~ (low eager moan as he eases himself into their mouth) Haa...mng...fuck you're a fast learner huh? I...(groan) I think they're ready Toshi...Don't hold back~

Shinsou: (huffs) Didn't plan on it...Twitching around me like that, trying to pull me in deeper...(growls softly) I'll make sure to satiate that hunger of yours little mortal...(he begins to thrust, the pace steady and unrelenting)

Kaminari: (needy) Mn, your mouth is amazing know that? No wonder you handled Toshi so easy...c'mon show me what you can do huh? (Eager moan) just like that...oh fuck...

(He begins to move slowly too) That's it...just let your mind go. You don't have to think about anything right now...just *feel*...

Shinsou: (lowly) Mhm...the world and all those petty mortal problems...(groan) don't matter right now...just focus on the feeling of us..

Kaminari: (teasing) thaaaat's it sweetheart..pleasure's all that matters right now...yours...ours...that's all there is...feel our cocks stretching you open just...(moans) just like you've always wanted someone to do.

Shinsou: (moans lowly) That's right...we can see it you know...all those dirty little thoughts racing through your mind. What you want...what you *need*...don't worry...we'll give it to you. . Every inch and...every drop of it~

(They continue for a while longer, adlib praise here)

Kaminari: Mn! You're close Toshi, your tail always does that cute little twisty thing when you're about to cum~ Don't hold back okay? I think they'd get mad at you if you did...

Shinsou: (huffs, moan) Don't need to worry about...ah...that...I don't...mn, think I could pull out even if I wanted to. They've got their legs wrapped around me so tight...heh, needy little mortal..

Kaminari: (whines) Oh fuck...h-hold still for me sweetheart...M'gonna cum, gonna fill you up so..ha..make sure to swallow~ I promise it's really good, so don't spill okay? **(loud eager moans)** Mn! Just..ah...relax your throat, just like that...ohhh god...you're so perfect for me..that's it..

Shinsou: (moves harder and faster, getting a bit louder) fuck...FUCK..(he all but snarls as he cums)

Kaminari: (moans) Mn..fuck you took him so well...look at that mess~ Beautiful. (soft sigh as he pulls out) what a good mortal. (soft kiss) I love it when you guys are so obedient..What about you Toshi?

Shinsou: (soft groan as he pulls out, huffs softly) Mn...Mhm...(catching his breath) fuck...it's been...a while since I enjoyed feeding this much...

Kaminari: (sated, catching his breath) I'll say, mn, I'm so full I don't think I'll need to eat for a week! **(coos)** You did such a good job for us sweetheart..aww..you look like you're on a whole other planet right now...feeling that good huh?

(pause)

Kaminari: (chuckles) I'm glad. Hm~ **(kiss)** C'mere Toshi...get cozy with us...I think we all need a sec to catch our breath heh..

Shinsou: I would but...I think...(swallows and sighs, his voice reluctant) I think....I might need to go back early.

Kaminari: (sated and amused) Aw Toshi, don't tell me you're gonna dine and dash, that's so rude~

Shinsou: (indignant) No! And don't look at me like that human...(huffs) It's just...You're more well versed in handling humans when they're like that than I am Denki....plus...(a bit softer) there's not enough energy left in the summoning circle to sustain us *both* here for much longer...I'm already feeling our tie to the realm weakening...hells you're already a little see through.

Kaminari: Oop! So I am...Aw cutie, shh shh it's okay. It doesn't hurt at all. Circles have a limited amount of energy in 'em...think of it like the battery powering our ability to be here. Eventually it runs out and we have to go back. **(coos and kisses)** Precious thing, worrying about me~

Shinsou: (fond) they are an odd little human...so we need to take care of them. Being fed off is more than a little exhausting and..

Kaminari: You're willing to go back early so I can do that? **(teasing)** You big softy you...

Shinsou: (snort) You dare say that around anyone and I'll tell them you've been feeding off drunks again. **(to the listener, genuine)**....I *am* sorry that I can't stay longer...but...Denki will take care of you for as long as the spell allows him to. **(kiss) (quietly)** You are *quite* the satisfying meal so.....summon us again sometime.

Kaminari: (starts to coo at him)

Shinsou: (annoyed) *Shut.*

Kaminari: (suppressing a laugh) Shutting! Shutting~ **(huff)** Go on then Toshi, leave our mortal to me.

Shinsou: (hum of agreement) Take good care of them. A steady supply is much better than having to scrounge for food. **(A magical sound, fond)** Be well little sorcerer. I'll see you soon..

(pause)

Kaminari: (deep inhale) Yeah, I'm a bit more stable now...and yes, all that bluster from Toshi means that he likes you~ It's kinda hard for him to properly talk about how he feels. It's like that with most of our kind but..I've been around humans more than him, so I understand you guys better.

(pleased) Speaking of understanding humans, *you*...are rather talented in the dark arts~ That's really rare nowadays. You're pretty special, know that?

(pause)

Mhm...we're not easy demons to summon, but oh are we glad you did. **(soft kisses)** and don't worry about next time. It doesn't need to be so complex. I can give you a little gift so you can summon us in a much easier way...if you'd like?

(low, aroused) Yeah? Want us to come back here and ravish you more? I think we can manage that...just hold still for me. I just need to put my hand riiiiight here over your stomach. It'll be a little warm but...I think you can manage.

(another soft magical sound)

There we go~ **(laugh)** Oh I feel that little spike of lust, you know what that tattoo is huh?

(pleased) You *have* been doing your research. But...this one is basically me staking mine and Toshi's claim on you. Telling the other demons that you're taken and to keep their paws off. You can summon us with it too. You'll just have to channel your energy through the tattoo..and we'll answer your call. No more giant elaborate circles! It links you to us energetically..so..you don't have to sift through the demonic realm like a summoning circle does. You just use it and we'll know to come *right* away~

(kisses slowly, with a chuckle) and... Mn, it also makes sex feel a bit more..intense. Mhm...even better than earlier. Haha, you'll just have to wait and see for next time~

(pause)

(soothing) Oh, don't worry. Mortals can't see it. But...heh...anyone tries to put their hands on you without good intent and...well...let's just say they won't like the outcome.

(hums) Now..let me take care of you okay? Feeding two hungry incubi is a pretty tall order...so...**(shifting as he lays them back)** Just rest for a moment.

(soft footsteps, his voice fond) You're such a well prepared cutie. Got a stocked mini fridge over here, wet wipes and everything...you really *were* ready for us to take you for all you were worth hm?

(opens the fridge, retrieves a bottle, footsteps back over) Yeah Toshi wasn't kidding when he said I was more well versed in aftercare...it's one of my favorite parts. Seeing you all floaty and sweet like this~ It's one of *the* cutest things ever~ Almost like the cherry on top of an amazing dessert.

(sighs as he settles with them, sound of a water bottle opening) I gotcha, take some sips for me okay? Heh, you're probably way dehydrated. Can you hold it? Good...you drink that..and I'll clean you up.

(soft cloth noises) Mhm~ Tails *are* handy...**(snickers playfully)** You took us so well y'know? Not a lot of mortals can do that. **(soft kiss)** Our little summoner...we'll take good care of you. Don't worry. You won't ever have to be lonely again for as long as you live.

Mhm...promise~ **(he takes the water back and sets it aside)** I'll stay here with you until the circle fades, so just sleep and regain your strength~ **(shuffling as they get cozy in the bed)** There we go...oop! Haha...you're kinda clingy huh? Aw that's okay...

I actually happen to be a champion at cuddles...so do your worst **(snickers)** Mhm. Yup, got a trophy for it and everything... **(kiss)** now shh...you need to rest. Can't summon us again if you're not at full strength....so just close your eyes and let yourself drift off....Sweet dreams cutie~
