Street, Twin Towers, and talked to Mike CUTLER, owner and operator of the Twin Towers, concerning information Reporting Officer had about a Rusty NELSON who is residing in Apartment 3B at this location. It was explained to CUTLER what the situation was, that a 17 year old female had gone to the apartment with her mother to be photographed and that her mother became very suspicious concerning types of photographs which NELSON was taking of her daughter. As a result of this, CUTLER stated that Rusty NELSON is a tenant at the Twin Towers and that he resides in Apartment 3B, which is sublet to him by a Larry KING, who is also a resident of the Twin Towers. CUTLER also indicated that the inside of NELSON's apartment resembles what would appear to be a photo studio. CUTLER believed that NELSON moved in sometime around the 1st of April and stated that he should be finished with his work and moving out sometime in late June or July.
