

Korra – Reign of the Earth Empress

A year has passed since the rise of the Earth Empress. In that time she has transformed her empire, bringing it into a new golden age of prosperity. At the heart of this progress is an unlimited power source, the Avatar spirit. As the other nations submit to the might of Kuvira, Korra remains an imprisoned pet. Her time as the Avatar is a distant memory, but there are still those who haven't forgotten. Before Korra was captured she was falling in love, and Asami hasn't given up on rescuing the former Avatar. Will their love be able to endure the reign of the Earth Empress? Or will they both end up broken and enslaved?

Mayhem Mania!

The mayhem series has always followed a simple formula. One location. Multiple damsels. Now this final mayhem is made up of three new stories! The first is a prequel showing Isabella's first mission as she kidnaps three schoolgirls and their mother at a prestigious academy. The second is set in the present day as Isabella tests her harem of heroine slaves to pick a successor. The final story is her successor's first mission as she takes down a group of villainesses. More sensual captures! More humiliating defeats! The final mayhem is the biggest one yet!
