Pegging Tamaki (Female Version)

(Ambience starts with Tamaki and the listener watching movies together in their apartment.)

Are you... liking the movie, sunshine?

... Yeah? I'm so glad... I know you had a stressful week with work and... I wanted to give you some comfort.

I even... prepared your favorite food and all...

(shyly) I know you've had a couple of hard weeks at work and... I wanted to make sure you are okay...

... You love it? I'm glad... You are the most important thing to me, sunshine. I don't know what I would do without you...

Is... Is it okay if I kiss you? I know we are dating and I shouldn't ask but... I wanna make sure it's okay...

... Yeah? It is? Okay...

(Tamaki leans in and kisses the listener)

You... taste so sweet... and you are so warm and smell so nice.

(Listener starts to touch him softly)

(stuttering, embarrassed) Baby... where... where are you... ah...

O-of course, if you touch me there... I'm gonna... get aroused.

... Blushing? I am? W-well is because you are... touching... my... cock...

Are... are you sure you want to do this now? You had a rough week... are you... ah... sure you don't want to rest?

...

You need me? ... Well... if... ah... if you say that... how can I ignore my girl's wishes...

Can... Can I touch you too? I... want to feel you...

... Yeah? Okay...

(Tamaki lowers his hand and starts to touch the listener)

Baby... you are so... wet... **(squelch sound)** you... must really want this...

...

What?

...

(startled) P-pegging!?! You... you want to peg me!?

... B-but... I've never done... anything like that... And... I haven't... prepared myself...

... You are gonna help? How?

(The listener flips Tamaki to be on his fours)

(shy, startled) Ah! W-what are you... AH!

(Tamaki moans as the listener starts to rub his cock and brush his hole with her fingers)

B-baby!? Your... your hands there... on my ass... aren't you... grossed out?

No? You... like seeing me like this? But... It's so embarrassing... being on my fours like this...

... You love it?... I... I didn't know you were into this kind of stuff baby... But... How do you plan to peg me?

... You have a strap on!? Since when!?

... A long time ago? ... So you must... have thought of this for a while...

(The listener starts to press her finger against his hole)

Ugh! Baby! What are you... stretch me? But... at... at least put some lube first...

I've never... had anything inside of me... if you don't use lube it's gonna hurt...

... T-thanks...

...

(shy) What...? You want me to... call you mommy? But... **(spank)** Ah!

Okay!... okay!... I get it... Thanks, mommy...

(The listener walks away and brings the lube. They open it and pour a bit on their hand)

Do... Do I have to stay like this... m-mommy?

... But... It's so embarrassing.

... I... have to be your good boy? Or you won't let me cum?

But... **(spank)** Ah! Okay... Okay... I'll be your good boy... mommy...

(Squelching sounds as the listener starts to press their fingers inside his ass)

(little high pitch, almost a scream) AH! That... that feels so... weird... mommy... It hurts...

... It's gonna feel better soon, you say? But... ah... It feels so strange... have your fingers inside my ass... Nggh!

(Listener starts to explore more, squelching sounds and Tamaki moaning and panting)

Ah! Mommy... mommy, please... Please what? I... Ah! Fuck... Mommy...

You... ah... you want me to use my words...? Mommy... It's... so embarrassing.

(The listener stops their hand)

... No!... please... don't stop... Please... keep moving your fingers... It feels... It feels weird but... nice...

(moaning hard) Ah! Mommy... Mommy, please... It feels good when you hit there...

Ah... ah... fuck... mommy... I feel so hot... My cock hurts... mommy, please...

... Touch my cock... please... It's throbbing so much it hurts... please...

... **(shocked)** That... I touch it myself... but...

(The listener pulls out abruptly)

AH! MOMMY! **(desperate)** Why... why you pull out? Please... Please don't... please...

(The listener goes away)

Baby... where... where are you going...?

(pleading) If I did something wrong I'm sorry but please...

... You are gonna... make it more fun? H-how...?

(The listener opens the fridge and takes out a food container and comes back to Tamaki)

What... do you have there?

(The listener opens the container)

Takoyaki? ... Why did you... bring the leftover Takoyaki?

... You want me to... eat it? But... why?

... It's an order...? Alright... if... if that's what mommy wants...

(Tamaki takes a few Takoyakis and eats them)

I... I did what mommy told me... please... please touch me...

...

My quirk? Why do you want me to use my quirk...?

... **(shy)** T-tentacles...? You... you want me to use my tentacles?

... But... That's so... **(spank)** AH! Okay... I get it... This is what mommy wants...

(Slimy sounds idk, be creative here for the tentacles)

There... what... do you want me to do with them...?

... **(shocked)** W-what!? Put... put them in my ass? But... mommy that's so...

(Spank) Ah! Baby... Mommy... You are so... mean...

... **(panicked)** No! No, no, no! Please don't stop... I'll do whatever you ask but please... don't leave me like this.

... Thanks, mommy. ... Yes, the tentacles... okay...

(Tamaki puts one tentacle inside and yelps)

Ah... fuck.. It's... so different... Move it...? O-okay...

(Squelching, slippery sounds as he fucks himself with the tentacle)

Nngh! This... is so much... It feels so... ah... good... baby, please... I want you to touch me too...

Ah... so... ngh... dirty... I feel so... dirty... but I... ah... I like it... mommy... baby... ah...

... What... what are you doing...? Grabbing one tentacle... baby!?

(The listener puts a tentacle inside their mouth, sucking)

Ah! Baby... putting one tentacle inside your mouth... you're such a lewd... girl...

Fuck... you look so sexy with my tentacle in your mouth...

... Touch you? ... With them? Are... are you sure baby?

(Spank) Ah!... Alright... if that's what mommy wants...

(More squelching sounds as Tamaki starts to fuck/finger? The listener)

Ah, baby... you are so wet... you are dripping... fuck it's so hot...

Mommy, please... I want to taste you...

... Beg? That's... embarrassing... but okay... please... please let me eat your pussy... I want to eat mommy's pussy... I'll be a good boy for you.

Ah... thanks... mommy.

(Tamaki lowers down and starts to eat the listener out)

(kinda muffled) Good... you taste so good... I can never get enough of you... ah!

(The listener leans forward and starts to suck Tamaki's cock)

Ah... fuck... baby that feels so good... my cock in your mouth... please keep going...

(Wet sounds from both of them)

Ah... mommy... mommy, please... I love it...

I want to make you cum... please... can I make you cum? ... Thanks...

(The listener pressed his head deeper to make him stop talking making Tamaki muffle and keep sucking. Wet sounds, moans, and pants for a couple of seconds)

Baby... are you gonna cum? I can feel you twitching... please baby come in my mount... please...

(The listener cums, subtle gulping sounds, pop sound as he detaches)

(gasping for air) Fuck... sunshine you taste so good... I love when you cum on my mouth...

(pleading) Baby, please... I need you... please... I want you to... fuck me...

... Yes... I'm sure... I think I'll go mad if I can't have you...

(The listener pulls away and walks away to get the strap on, coming back after a few seconds)

That is so... big... are you sure is gonna fit in my... ass?

... Okay... lay down? Okay...

(Tamaki lays down and the listener crawls on top)

Baby... you look so pretty...

(The listener kisses him softly, deep, tender kiss)

... Yes... it's okay, you can go in.

(Listener starts to enter him, making Tamaki yelp)

Ah... fuck baby... it's so big... please be gentle...

... Stop? No... no, it's okay baby... ah... just be gentle with me...

(softly) I love you...

(Listener starts to move, slow thrusts at first)

Baby... fuck... you are hitting so deep... ah... ah... baby...

... Yeah... it feels good... ah... don't stop...

Ah... ngh... baby, baby, fuck... ah... mommy... please... please...

(The listener kisses Tamaki, deep kiss, while still fucking, Tamaki moaning in the kiss)

Ah... Mommy, I'm... I'm gonna cum soon... Please let me cum...

Ah... Ah... Coming... Coming... Ngh! **(kinda loud)** I'm coming!

(Tamaki gives a loud moan as he climaxes, the listener gives a few more thrusts before stilling in, helping Tamaki lay down. Heavy breath and pants is all you can listen for a couple of seconds)

(panting) Sunshine... that was so... intense...

... Me? I'm okay baby... a bit overwhelmed... but I love all these cuddles and caresses you are giving me.

... Hum? Yeah... I liked it... Don't worry, angel, I'm fine... maybe a bit sore but I'll be okay after I rest a bit...

(The listener nuzzles against him)

(chuckle) Being so soft now... after you were so rough with me... Not gonna lie... I like it...

... Liked it?... Yeah... I guess I did... It was all new and intense and... bit painful at the beginning but I did enjoy it...

I want to make you happy in any way I can sunshine... If this is something you want to do more often, I don't mind.

(soft chuckle, he kisses the listener) Are you okay baby? ... I'm glad, I just want us to feel good, feel happy...

... Hum? Bath... you want us to take a bath?

Alright... stay here? But I want to help?

... You want to pamper me? Okay... if that's what you want sunshine.

(The listener gets out of bed and walks to the bathroom, turning the water on, after a few seconds Tamaki walks in)

Is everything okay baby?

... Oh... this smells very nice... did you throw a bath bomb in there?

(He sighs softly) I love it, it's my favorite smell, you are so sweet to me sunshine.

... Get in? Okay.

(Tamaki gets inside the bathtub, moving around a bit before settling down)

(softly) The water is just perfect... thank you so much, angel.

(The listener grabs the shampoo and puts some in her hands, starting to brush his hair)

Oh? Even washing my hair? Damn, I really have the most wonderful girl in the world.

Will you let me wash you when you are done with me? ... Please... I want to treat you as well.

... Thanks, baby.

(in satisfaction) Hmmmm, your fingers feel so good on my scalp... I love it so much.

Is... is it bad I like when you treat me like this? I know I'm the man of the relationship and I should be the one who treats you but...

... Really? Is it really okay? ... Yeah... I guess you are right... That's just toxic stereotypes...

(chuckle) Thank you, sunshine, you make me feel way better, I love you so much.

(The listener gets on the tub with him)

Rest on my chest, baby. I'll wash your hair too.

(Tamaki grabs the shampoo and starts to wash her hair)

Does it feel nice, baby? ... Yeah? I'm glad you like it **(kiss)**

(soft hum) It feels nice taking a bath together, we should do it more often... I mean, if you want...

... You do? **(soft, happy)** Alright... I think we are all set up... shall we get out and go to bed?

... Yeah... sounds good.

(They get out the water and dry themselves)

Here, let me dry your hair, sunshine.

(Tamaki starts to dry her hair with a towel)

I love your hair so much... it's so pretty for me... hum? You want to dry my hair too? Okay...

(The listener grabs the towel and dries his hair softly)

Hmm... feels nice... You really are treating me today, aren't you?

(shyly) I... really like this side of you.

Should we go to bed now? You have work tomorrow and I also have early patrol...

Alright.

(They both get into the bed, Tamaki signing softly in relief)

You are so warm, baby... so soft and beautiful... I'm so lucky you are my girl...

... **(shy)** You... feel the same about me? But... I'm not the best out there... I'm not manly as Kirishima or bright and optimist as Mirio... I...

(The listener cuts him off with a kiss)

Hmm!? Hmm... Baby... god you are so perfect... I don't deserve you...

... Thanks for saying that... Let's get some sleep, sunshine... We can... spend more time together tomorrow.

... Yeah... I love you too...

(Soft breathing that fades away and the audio ends there)
