
A person wearing a purple suit is standing on a paved path. To their left is a wall made of grey stone blocks with decorative diamond-shaped patterns. The path is marked with white arrows pointing forward. In the background, there are green trees and a bright orange and red sunset sky. A white speech bubble is positioned above the person's head.

Just another day
after university..

This weird app was installed in my phone..

A character with dark, spiky hair and a blue jacket is shown from a rear-quarter perspective. They are holding a glowing smartphone in their right hand. The phone's screen displays the text 'Mind Control Program' and 'START?' in red, with a large red spiral icon below. A speech bubble from the character contains the text 'Mind control..? Is this the start button?'. The background is dark and textured, possibly asphalt or a similar surface.
