

**Wish Upon A Star**

I tell you what,  
if you can squeeze into  
that thing then I will make  
love to you all night...inside  
the doll, outside the doll.  
Doesn't matter. Wanna  
take that bet!

You want me  
to get inside this creepy  
thing? That's quite the kink  
you have there! It's just  
a torso doll, I will have to  
twist myself into a  
pretzel....you're on!

A thousand bucks says that you can't do it. At least its really stretchy plastic...It will be like forcing yourself into a teeny tiny latex catsuit...

I got a plan!  
I can keep my knees bent and sit on my feet...slide my knees into her stumps...I will hold my arms bent and put my elbows where here tits are and slide my hands up the shoulders into her arm stumps.

Wow, you are really getting in there. Just don't tear it...it looks expensive...I can't believe this AirBNB just had a sex doll suit in the game cabinet!

It can't seriously be built for someone to get into! I am gonna be so awkward...no way I get on the head by myself. You will have to do the honors!

HAHA, you are doing it! Look how stretched out and tight it is...its like a latex straight jacket...Ok, do you need help with the head. Let me help!

Yeah! my arms are completely pinned! I am cramming myself into this thing...It almost hurts! But I am not losing this bet...No way. We are gonna have some fun tonight!

A woman with short red hair, wearing a black bikini, is kneeling on a green mat in a living room at night. She is adjusting a pink, muscular, humanoid sex doll that is sitting on the mat. The doll has a very muscular physique, large breasts, and thick thighs. The woman is looking at the doll's face and adjusting its mouth. In the background, there is a brown sofa, a lamp, and a large window showing a city skyline at night.

This is kinda turning me on right now...Lets get this thing on as best as it can fit...I want a few pics...for later!

Get me some pictures too...you think its a turn on? You should try it from the inside... when I get out I am gonna fuck the shit outta you!

A woman with short, vibrant red hair is seen from the back, holding a smartphone to take a picture of another woman. The second woman is bald, has a pinkish skin tone, and is wearing a form-fitting, muscular, pink bodysuit. She has a wide, open-mouthed smile and is looking towards the camera. The scene is set in a modern living room at night, with a large window overlooking a city skyline and a shooting star visible in the dark sky. A speech bubble from the woman with red hair contains the following text:

Wow, you really have it locked in....you really do look like a real life, living, rubber sex doll....Like Oh My GAWD...a shooting star! and I caught it in the picture! This is like, the best ! Whats your wish?

Yeah, I found that my elbows fit into the breast pockets....and I think I am stretching it out a whole lot... Really a shooting star! Just like in Pinnochio..."HAHA..I wish a was a real Dolly!" HAHA!

Uhhh, yeah! Lie all you want to me you dirty sex toy...Ehem, Sigh! This thing is really tightening down. Get those last few pics and come get me out of this fuck doll...before my wish cums true!

HAHA, good one...I always liked pinnochio more as a toy than a real boy...I would wish to be the toy...I mean, he lies and he gets longer and harder! I know what I would do with that!

AAH..Ok honey!  
Put the camera down...I  
think I am stuck... I need you to  
grab my feet and pull me out.  
Everything is pinned in place...  
I am just sliding helplessly into  
this position...I have no  
leverage!

The look on your  
face really sells it...the  
fear of knowing that you  
will be a sexdoll...FOREVER!  
DUN DUN DUN!  
HAHA, you do look really,  
really....real!

Ok lets go...lets get it off....I can't find my arms... I am trying to....rip it off...I can't move myself....but I can move the doll? What the hell is happening to me? Grab the Zipper and pull!

Pull you out by the feet? I thought you got your feet in there with you! You know, I can't even make out your body under there...Your face is changing!

The face, its my face...its not sliding around like a mask. When I move it moves....lips, eyelids...my brow...WHAT ARE YOU DOING JUST STANDING THERE...DO SOMETHING!

No fucking way!  
You don't even look...  
HUMAN...anymore.  
Oh right, hold on I will  
get you out of there!  
Just gotta get the  
zipper!

A woman with short red hair, wearing a black bikini, is adjusting a pink, muscular, female robot. The robot has a shocked expression with wide eyes and an open mouth. They are in a modern apartment at night, with a city skyline visible through a large window. A lamp is on in the background.

You gotta hurry, its like  
I am attached to a vacuum  
pump and I am being sucked  
into the doll...just look...I am  
moving the stumps like they  
were mine...and my dick!  
Oh shit, my dick!

THE ZIPPERS GONE!  
Jeez, you look like a  
single piece of rubber.  
You are going to be fine,  
Its not that bad, really,  
you look...Um...  
very Normal

Please be honest with me. you don't know what your doing....listen to yourself. I am turning into a fuckable sexdoll. You need to quit lying to me right now....UNNGH!

I dunno what to do... Stay positive....!'I'll get you out of there! This won't change anything between us! That wishing star was a fake..I swear it....this is something else!

A close-up illustration of a woman's face. Her skin is a pale, glossy, plastic-like material. Her eyes are closed, and her mouth is wide open in a scream, showing her teeth and tongue. Her cheeks are bright red, and her lips are also red. She has dark, thick eyebrows. In the background, a person's arm is visible, holding her shoulder. The setting appears to be a dimly lit room with a window showing a night view of city lights.

Quit lying! The wishing star! Its really transforming me...I...I... I wished it. I did.  
BUT  
I wasn't the only one to make a wish. You did too...Pinnochio, the toy! Save yourself!

It wasn't a wishing star... it was an airplane, and you aren't turning into a doll...its just a prank... You'll be back to normal any moment! AND I feel just fine!

God my libido just went into over drive....I need.... I need to fuck...or be fucked. Whats wrong with my tongue, oh right...rubber fuck doll with fuck holes...are you even listening up there...You alright?

Nothing is wrong...  
I don't need help....  
ARHHH..  
I can only say the truth...  
Everything is right with me!  
Yesss!!!! Mmm. Mmmm  
Mmmmmmmmm!

MMMMMMMM

OH MY! your head is a giant rubber dildo... your turning into your own sex toy...Why did I have to use inappropriate movie references...who is gonna screw me now!

Please you don't have much time...you need to start fucking me before you can't....Squeak...AHEM... did you hear me...I said Squeak....AHEM, SQUEAK. **SQUEAK!**

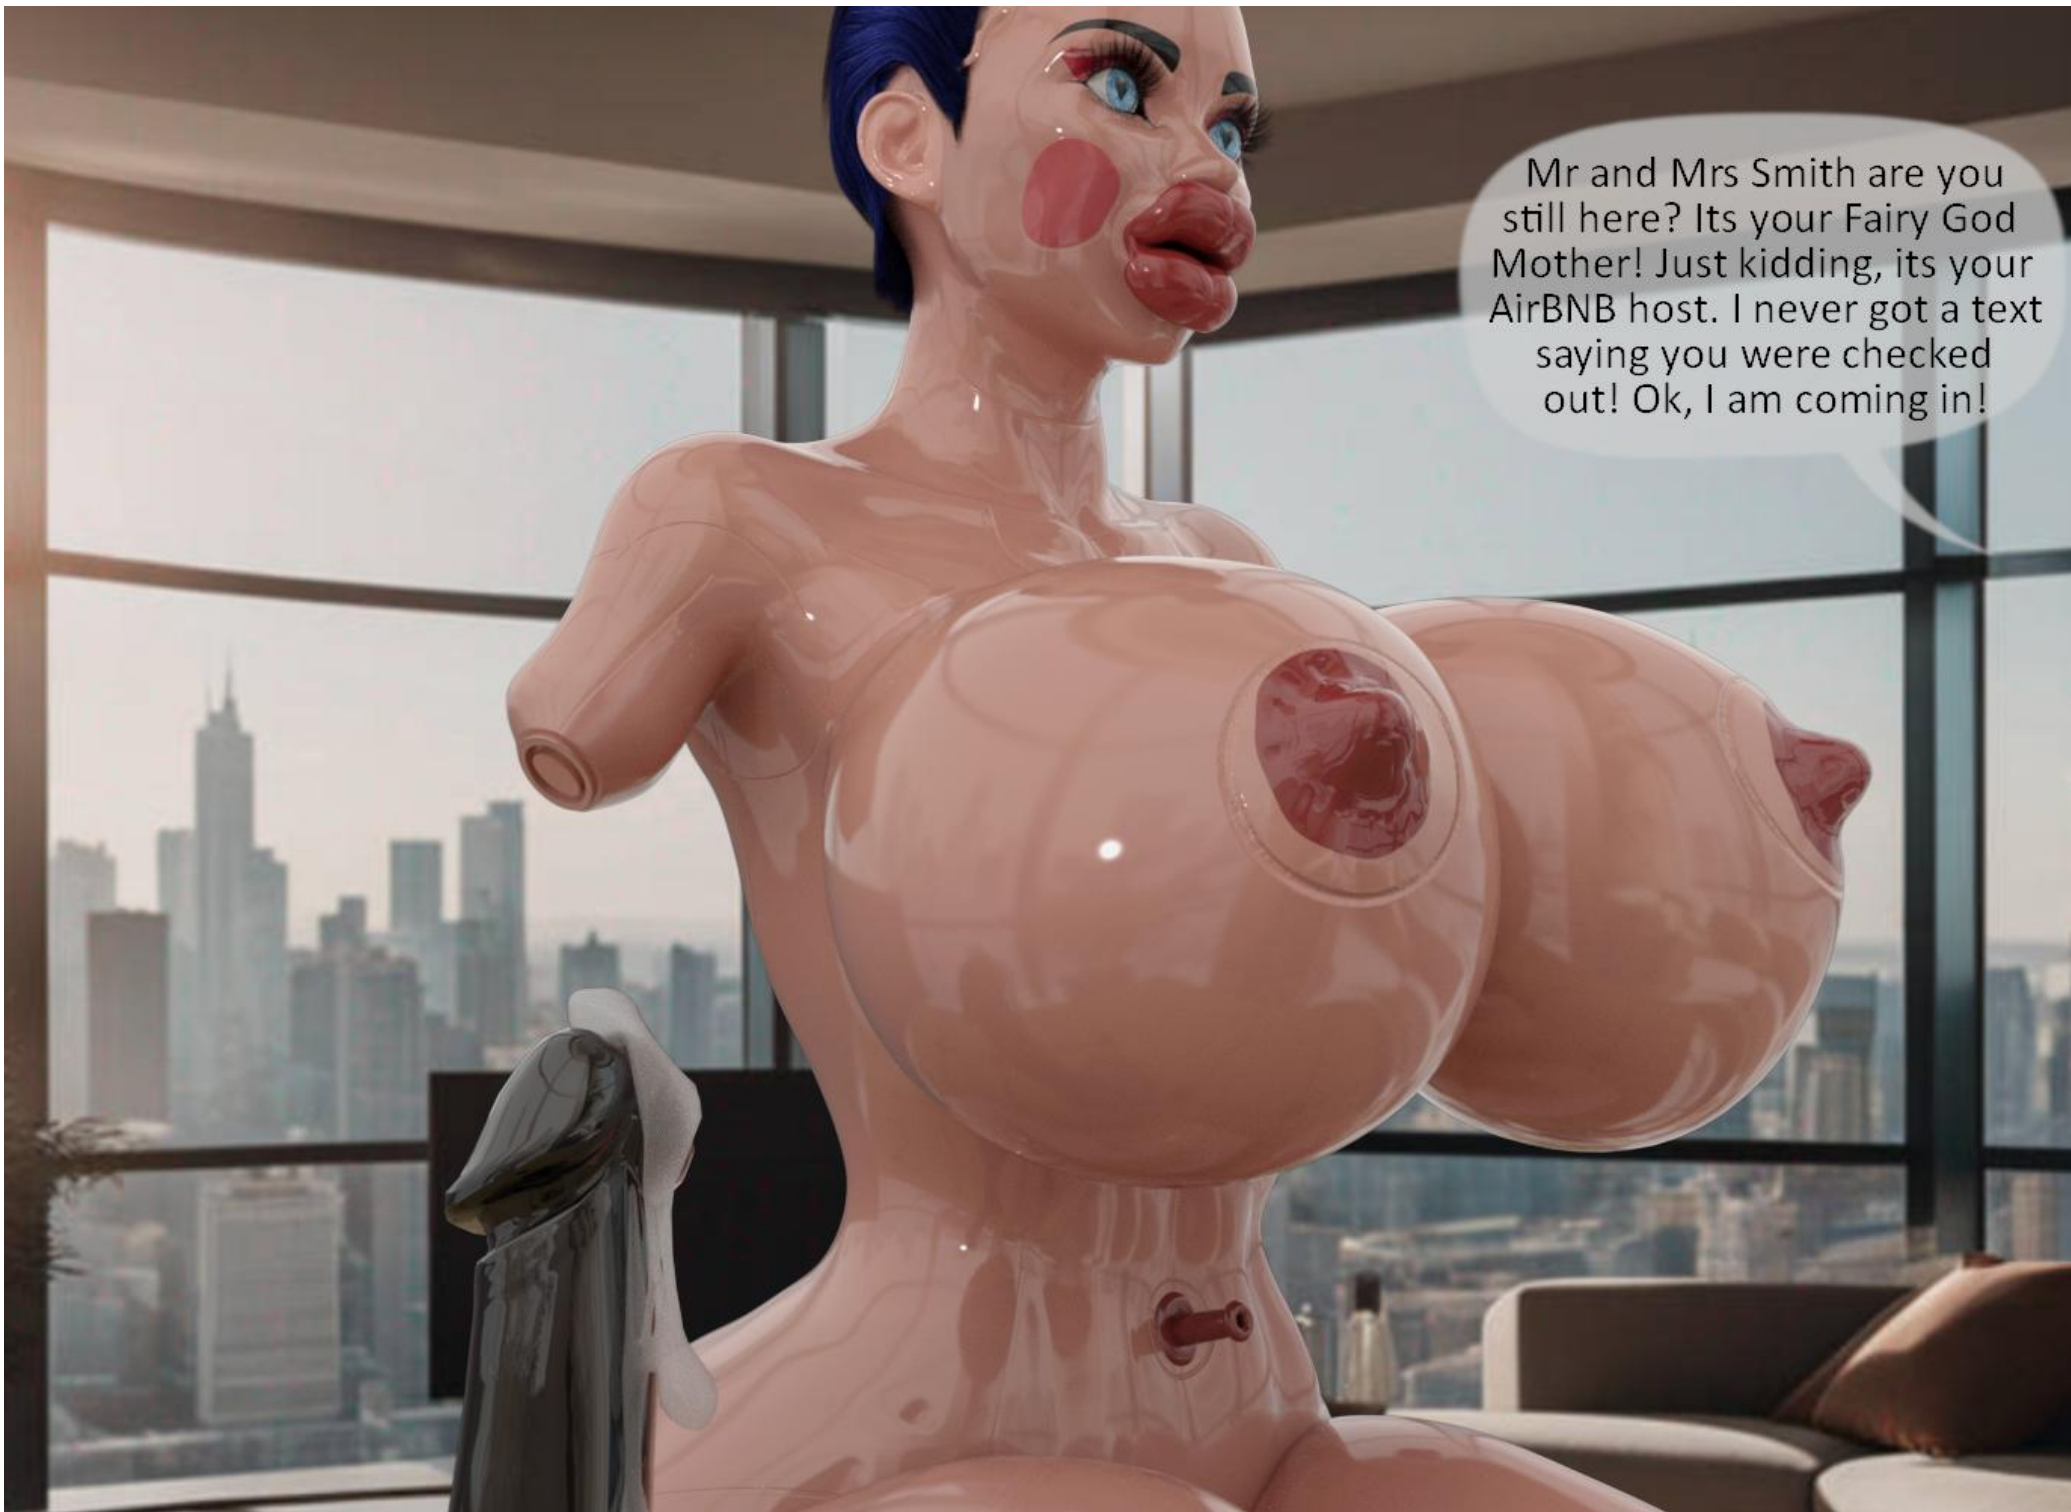

Mr and Mrs Smith are you still here? Its your Fairy God Mother! Just kidding, its your AirBNB host. I never got a text saying you were checked out! Ok, I am coming in!

Well, look at you two.  
It looks like the Smiths were  
having a little too much fun  
last night...Hmm. Something  
seems off...like you two don't  
look like things worked  
out right!

SLORP!  
GULP!  
GLUG!!!!

There we go! No good sexdoll should ever go unused. Huh, an unnatural amount of fake cum in this dildo! If only you were a real doll you would be experiencing Bliss right now!

Yeah, just imagine...  
sentient magic living sex toys  
fucking each other...imagine  
the sheer sexual energy that  
something this built and  
destined to fuck would have!  
Then stick a person in it!

GLUG!!!

GLUG!!!

GLUG!!!

Wait, whats that on the news... a wishing star. Magic is real! And I have two missing AirBNB guests...and two new sex toys...what could possibly be going on...Maybe I'll watch the secret cameras!

If only you inanimate toys could understand how fortunate you are....to be built for such a wonderful purpose. I guess I will just have to wish upon a star to get what you have, haha!

Could you imagine...a real  
life wishing star came over  
earth and I didn't even see it...  
People were granted superpowers,  
vast wealth, world peace...and me,  
Nothing...but then again, some  
people wasted theirs!

Like, SOME PEOPLE, wasted the chance of a life time for a beer or a sandwich or...TURNING THEMSELVES INTO FUCKING SEX TOYS, YOU UNLUCKY STUPID FUCKERS....HAHAHAHA

I still can't believe you two made Pinnochio references...watching you two on camera change into this pile of spunk was great...now into the game cabinet for the next kinky couple to find you and have some fun!
