Artist Thoughts

Hi I'm Scorpio69Art and I create erotic art. After a break I'm returning to creating Trans Erotica. If you've followed me for a long time, this is no surprise. Maybe you like this erotic theme or maybe you don't, but it's not new to you. If you're a recent fan, this might be surprising since my recent work has focused on Erotic Lactation, BDSM and Lesbian Erotica. Give this a try, you might like it.

Who am I and what's my motivation in creating this story? Trans Women are Women. Biologically born Women are Women. Gender is not defined by a person's plumbing. Some women have a vagina and others have a penis. Over the last 30 years I've dated both, and I don't have a preference. That's the philosophy that animates this work. A constant theme of my work has always been to portray women as subjects and not objects. I see a lot of erotic art that objectifies women, and my work has always been a statement against that trend. I create a lot of BDSM work, and that theme will show up in this story. Choosing to submit is empowering. I try to bring this out in my art.

Gabriella was my first OC, and she starred in my first story Gym Encounter. That story has been consigned to the dustbin of history. In 2016 I recreated Gym Encounter with much better art. This will be her biggest story. Gabby is based on different Trans Girls I've known as fiends, girlfriends and hookups. I don't claim that she represents all Trans Women or even most. I don't believe any single character can do that, and I'm certain that I can't do that. I hope that everyone can find something enjoyable in Gabby. If you see something of yourself in her, that's even better. Enjoy!

Why was life so hard? When she was younger and fighting with her parents about her identity not being a "phase," she consoled herself that life would be better as an adult. Struggling to pay for University on her own, she knew life would get easier when she was really an adult. Gabriella is really an adult now, and if anything life feels worse. She has a one room apartment she can't afford, bills she can't pay, no boyfriend, and she's still working as a barista, because she can't find a job in her field.

Too bad estradiol doesn't make you go away.

Having a penis wasn't her biggest problem. She knew girls who suffered from gender dysmorphia much worse than she did. She'd be lying though, if she said it didn't bother her at all. It made her afraid to date. She wasn't attracted to other trans girls; she liked guys. Would a guy truly love her for who she was? Was she overthinking it?

SIGH

I have some time before work. I think I need a little me time.

TRIPS THAT TAKE YOUR BREATH AWAY
NEWS

I wonder if Rafael will come in today? He's become a regular. I wonder if he thinks I'm cute?

What's wrong Gabby? You usually don't turn into a sourpuss until after work.

This is why you don't have a man.

Hey I think I can help with the job part. On Friday I start waitressing at this new club the Toy Box. It's an American themed sports bar that only hires femboys. I'll be making way more then I do now. I'm sure I could get you a job, if you pretend you're a boy.

I hate my job, I'm lonely and my life is a general dissappointment.

You're not helping.

I appreciate the offer Sacha, but I'm not going to pretend I'm a boy. Besides, I went to University for marketing. I want a job in my field.

So Gabby do you think your crush will come in today?

If he's not your crush, then how did you know who I was talking about?

Exactly! He always smells really nice too. Not that you'd notice that.

His name's Rafael isn't it?

Yes boss ma'am.

If you don't learn to control that temper, you'll never get a man.

What?! ... He's ... he's not my crush. He's just a regular customer and he's nice.

Um...I...um...

Um...so...I kinda of...noticed. Look we're about to get busy. We don't have time for this.

Yea I think so...something like that. Now stop fooling around and get ready!

Don't start that again! Augh!

Augh! I hate you so much right now!

Thank you Sacha. You girls are the best. You're so friendly. You always start my day with a smile.

Here you go Reyansh. Have a great day.

Oh you're so sweet! See you tomorrow.

Mrs Cliche your back. Is something wrong with your drink?

There's too much milk in my coffee. I can't drink this slop.

Oh! Mrs Cliche... why?

Look at my clothes. Why . . . why would you do this to me? I thought we were friends?

You may be my sisters friend, but you're not mine! Now make me a new drink.

Why?

Why?

Why?

That's it! We've had enough of you!
You're always a bitch, but now you've
gone to far! Get out!

I want a new coffee! Now!

If you don't get out now, you're going
to be wearing a pot of coffee.

Well I never!

Get out!

Gabby are you O.K.?

Gabby? What happened to you?

Gabby don't freak out now.
Breathe. You'll be O.K.

I can't believe she did that.

Oh God this can't be happening. This
can't really be happening. Rafael ...?

I can't ... I can't ... not today ... not
like this ...

l...l...

...not like this...

Everything is going to be O.K. Gabby, just
breath Gabby.

Gabby?

AAAAAAA!!!

Gabby wait!

Cute but clueless. That lady who just stormed out threw her drink on Gabby. I need you to go back and talk to her.

Wow! You really have no idea; that's so adorable. Now get back there and help.

I'm really confused. What just happened?

Sure anything to help, but why me instead of you?

Why'd Rafael have to come in today and see me like this?

* SNIFF *
* SNIFF *
* SNIFF *

Um . . . Gabby, Sacha thought I should
come back and talk to you. Are you O.K.?

* SNIFF *

Oh my God! I'm a mess! You can't see me like this!

Really you like them?

It's really not your fault. Are you feeling o.k.?
Cute shoes by the way.

Yes, they really match your style.

What? I'm a mess and sitting by garbage.

Ha! Very funny! What I need is a better job.

Yes last spring. I can't find a position because everyone wants 5 years of experience.

Do you mind if I join you?

Well you do need a better break room, I mean I've seen better.

The other day I heard you telling a customer that you studied Marketing. Did you complete your degree?

Sacha was more right than she realized, I might be able to help.

Are you familiar with Professor Klop and her work on customer engagement?

Yes! I was her research assistant for her new book on customer engagement in the digital space.

Did you know she is good friends with my boss Julia?

Wait a minute! Do you work for Julia Van der Meers? Professor Klopp always talks about her. She says Ms. Van der Meers was her best student. You're so lucky to work for her.

Julia's a great boss. She's incredibly supportive and has taught me so much about the industry. Well I think I've heard enough.

Oh my god! Yes! Yes I want the job. Thank you for giving me a chance.

You start Monday as our new Social Media and Search Engine Optimization Specialist. That is if you want the job?

OMG It worked! Rafael asked you out!

So there's a chance of some office romance. Your clothes are terrible, we need to go shopping. He'll never make a move if you show up dressed like an old lady.

I got an advance on my first paycheck. We're going shopping! Now get back to work boss lady!

Sache you're not going to believe what happened?

What? No and don't try that again! He offered me a job! I'll be working for Julia Van der Meers! It's the perfect job!

I don't dress like an old lady! I mean ... not really. I mean ... do I really?

Stop calling me that!

Who Hoo! Big girl clothes shopping for Sadie!

This is so exciting!

It's nice if you're going for the sexy MILF look. When he looks at you he should see a sexy young hottie.

A job with your crush! Trust me you want to look sexy. I saw some things over there that would be perfect. Trust me.

I think this one looks nice. What do you think Sacha?

Sacha I want to look professional not sexy. This is a job.

**There's no such thing as too sexy,
and you're pulling it off just fine.
There's just one little thing wrong.**

**Sache I think this is too sexy.
I don't think I can pull this off.**

**Let's just unbutton a few buttons.
Now that's sexy.**

Not everything, just a taste of what he could have.

Don't worry about that. I got a nice bonus at my other job. I'm paying for everything. Surprise!

Let me show you.

I don't know Sacha, this is so revealing. I he would see everything.

It doesn't matter, it's too expensive.

You just started that job. How'd you get a bonus already?

Sacha! Is that ... um ... what kind of job is it really?

I have a very understanding boss who gave me a chance to make some extra money. Let's sit down and I'll tell you about it.

♥Is this going to be naughty?♥

♥Yes!♥

♥ Allright Sache now fess up! What kind of job did you get really?♥

♥ I've never judged you and I'm not about to start now.♥

♥ But what?♥

♥ Yes! I should probably take this skirt off so it doesn't get dirty.♥

♥ You have to promise not to judge me.♥

♥ The Toy Box is a strip club and I'm just a server there but...♥

♥ My boss really likes femboys, so I asked him for an advance. Would you like to hear how he made me earn it?♥

♥ That's a good idea. You get a little leaky sometimes.♥

So The Toy Box isn't just a bar, it's a private members only strip club owned by Alain Truviet.

I know he's a Mafia Boss, but he's also a really nice person and a great boss. Our employee benefits include hormone replacement therapy.

Tecchnically no, but my job idoes have an element of sex work. It's really pretty hot.

Alain Truviet!?

HRT really? Wow he really is a great boss. Are you a stripper?

Tell me everything. I want all the juicy details.

The dancers there are the most beautiful femboys I've ever seen. They don't just dance, there are private rooms where anything goes. The members are all wealthy and powerful. They come from all over the world, and tip like money is no obstacle.

My uniform is just a garter belt, stockings and chastity cage. normally we just have to wear the cage at work, but my situation is a little different. It's so exciting to have my little chastity cage exposed for everyone to see. The members are really friendly and they spend so much money. One client drank whiskey that costs \$200 a shot all night. I think she's friends with my boss.

That was a double Pappy Van Winkle served neat right?

Yes my dear. Let me look at you. Oh yes, Alain does hire the prettiest little femboys. Come closer dear, I won't bite - much.

She got me so hot. She held a lit cigar right under my little balls. I could feel the heat. It was scary and thrilling at the same time. She even started playing with my nipple ring right there in front of everyone. I tried to play it cool, but she really knew how to turn me on.

♥MMMMMMM!!!♥

♥Come just a little closer sweetie.♥

♥ Doctor! AAAHHH!!! ♥

She had me sit on her lap and teased my nipples until I got all leaky. It was the most incredible experience of my life, and I was just doing my job. It's the best job in the world!

Mr Truviet called me into his office at the end of my shift, to see how my first day went. OMG he's not just a powerful man, he's fucking huge! He can also be really scary when he's mad. He was yelling at someone on the phone when I walked in. At first I was kind of nervous.

Anthony is short again! That's two months in a row that he's disrespected me! Pay him a visit and express my displeasure - both kneecaps! You heard me - BOTH!

Everything changed when he started talking to me. Alain isn't mean to people he likes. He's just a big cuddly teddy bear. The way he talked to me just made me feel special.

♥ Sache I apologize for keeping you waiting. It was very rude of me. How was your first night at the Toy Box? ♥

♥ That's what I like to hear. Come closer so I can get a better look at you. ♥

♥ OMG It was incredible! I had so much fun and the tips were huge! ♥

♥ Dr Mertens had some very nice things to say about you. She found you irresistably delicious. That means a lot coming from her. ♥

♥ Really! She's so beautiful and dominant. I was worried I wouldn't please her. ♥

♥ I don't think you ever have to worry about that. Now is there anything I can do for you my sweet? ♥

♥ Well... ♥

♥ Since you asked, my best friend Gabby just got a new job, a professional job. But she doesn't professional clothes. I want to take her shopping. Is there anything I can do to get a bonus? ♥

♥ Oh I can see you're a bad girl. I have just the thing for bad girls like you. Don't worry about your friend. You'll have plenty of money to take her shopping. ♥

I've flirted with guys before and they always get all nervous and awkward. Alain wasn't like that at all. He took charge of me. He claimed me like he owned me, and I was happy to obey.

♥That's a good girl. Get it nice and wet for Daddy.♥

♥MMMMMM!!!♥

♥ Oh Fuck! That can't just be a finger,
it feels like a dick. ♥

♥ Baby you've been getting fucked
by the wrong dicks. I'll fix that. ♥

You wouldn't believe how gentle Alain was with me. He slowly fingered me, relaxing my ass and opening me up. I was so embarrassed when I started dripping all over the floor, but Alain didn't mind.

♡○○○○○○○○!!!♡

He had the biggest cock I've ever seen! I couldn't get my fingers all the way around it. Alain was so gentle, he could tell I was scared and reassured me.

♥Don't worry baby, we'll go nice and slow. Just do what you can until you get used to it.♥

♥Oh fuck! Your cock is huge!♥

I was so scared that at first I just sucked on the tip a little. Alain didn't rush me, he just stroked my hair and kept encouraging me.

♥That's it baby, have fun with your new toy.♥

Eventually I was brave enough to really start sucking it. The head was so big and fat that it completely filled my mouth. It felt amazing to be sucking such a big cock. I wanted to suck as much of it as I could to please him.

♥That's good baby!♥

♥Schlrp!♥

♥Schlop!♥

♥AAAAAA!!!♥

♥Schlop!♥

♥Schlrp!♥

♥Schrlp!♥

AAAHHH!!!

Schlrp!

Schlrp!

Schlop!

♥Did I do a good job?♥

♥You were great Baby! Now turn around and let me see that cute little ass.♥

Gabby I've had people play with my ass before and lick it a little, but nothing like this. Alain buried his tongue deep in my ass and stayed there. My asshole totally relaxed around his tongue and my legs started trembling. I was going to let him do whatever he wanted to after that.

♥ AAHHH!!! ♥

♥ I'll try my best Daddy, but your
cock is really big. ♥

♥ O.K. Daddy. ♥

♥ Don't be afraid of it Baby. We're gonna go
nice and slow. By the time I'm done, you'll
be addicted to that fat cock. ♥

Oh Shit! Daddy it's too big! ♥

Daddy's cock was so huge, it felt like sitting on a telephone pole. I really had to struggle just to get the head in.

♥ Oh Fuck! Oh Fuck! AAAAAA!!! ♥

Daddy kept his promise and went slowly. As he worked his cock into me, it felt like I was being impaled. His cock seemed to go on forever. He was deeper in me than anyone had ever been, but when I looked down he was barely half way in.

♥ AAAHHH!!! ♥

It took forever but Daddy was patient. Eventually he forced me all the way down onto his cock. He was so deep inside me that I couldn't think straight. He hit a spot I didn't know I had and made me cum even though I was locked in chastity.

♥Yesss! Fuck It Daddy! Fuck That Ass! It's yours Daddy! It's Yours!♥

He fucked me slow and deep for what felt like forever. It was so much cock I couldn't catch my breath. Just when I started getting used to him, Daddy went full on beast mode on my ass. I came again even harder.

♥ Take your time baby, I'm not done with you yet. ♥

♥ Daddy I've never been fucked like that. My legs won't stop trembling. Let me catch my breath, I want you to cum too. ♥

♥ Oh Fuck! Slowly Daddy! Slowly! It's so big! ♥

♥ AAAA!!! SO DEEP! ♥

♥ I'm close Baby! ♥

♥ Oh Fuck! Daddy Please! ♥

♡ AAAHHH!!! ♡

♡ AAAHHH!!! ♡

All I could do was just lay there. He fucked me stupid. My brain just stopped working and I lay there in sheer ecstasy. I had to get fucked by that cock again!

♥ Baby I think you'll fit in nicely. ♥

♥ Mmmmmmm!!! ♥

♥I'd like that Daddy.♥

This doesn't have to be a one time thing Baby.

Alain you have so much money in there.
Aren't you afraid of being robbed.

Now let's see here. You needed a bonus to
take your friend shopping for her new job.
Taking care of your friends is important.

Robbed? Ha-ha, that's cute.

Alain that's too much! I mean we just had sex.

Sache I need a personal assistant to help me with certain special matters. You'd like it, and the pay is good.

Well . . . I have one condition.

Name it.

You have to fuck me again, and not just once. I want it regularly.

You drive a hard bargain. Deal!

AAAHHH!!!

Thanks for buying me all these clothes,
I really appreciate it.

No problem Gabby. When You're
a big deal, I'll be there to borrow
money.

Look at all the nice close Auntie Sacha bought me. She also told me a naughty story about how she got the money.

MEOW!

PIERSANTI

I'm still honey from her story. Sacha's so lucky to get fucked by her bosses big cock. Does Rafael have a big cock?

MMMM!

♥AAAA!♥

Would Rafael like it if I sucked him off like this?

♥MMMMMM!!!♥

♥ Oh Fuck! So deep! ♥

♥ Fuck me Rafael! FUCK ME! ♥

♥ AAAAAH!!! ♥

♥ Sacha's so lucky. I wish Rafael was fucking me. ♥

Well today's the big day Max. I'm really nervous, so wish me luck.

Meow

**That's so sweet of you. Thank you.
You're always so nice to me.**

**Thanks. I don't know why she hates
me so much. I'm always
nice to her.**

**I got you this for your first day
at your new job.**

**I also talked to my sister
about throwing coffee on
you. It won't happen again.**

**Don't fret about it dear. She
hates everyone. She's always
been that way.**

Mrs Abigail!

But I can't go to work like this!

But you know I'm trans.

I don't know?

Oh dear don't be an old fuddy duddy. You're more of an old lady than me.

You can't keep spending your Friday nights hanging out with me. You need a man in your life.

Dear trans women are women, and a pretty young woman like you needs to be dating more. So free the girls a little and give Rafael something to think about.

Trust your elders dear.

Gabby welcome aboard. Julia can't wait to meet you.

Thank again for this opportunity. I won't let you down.

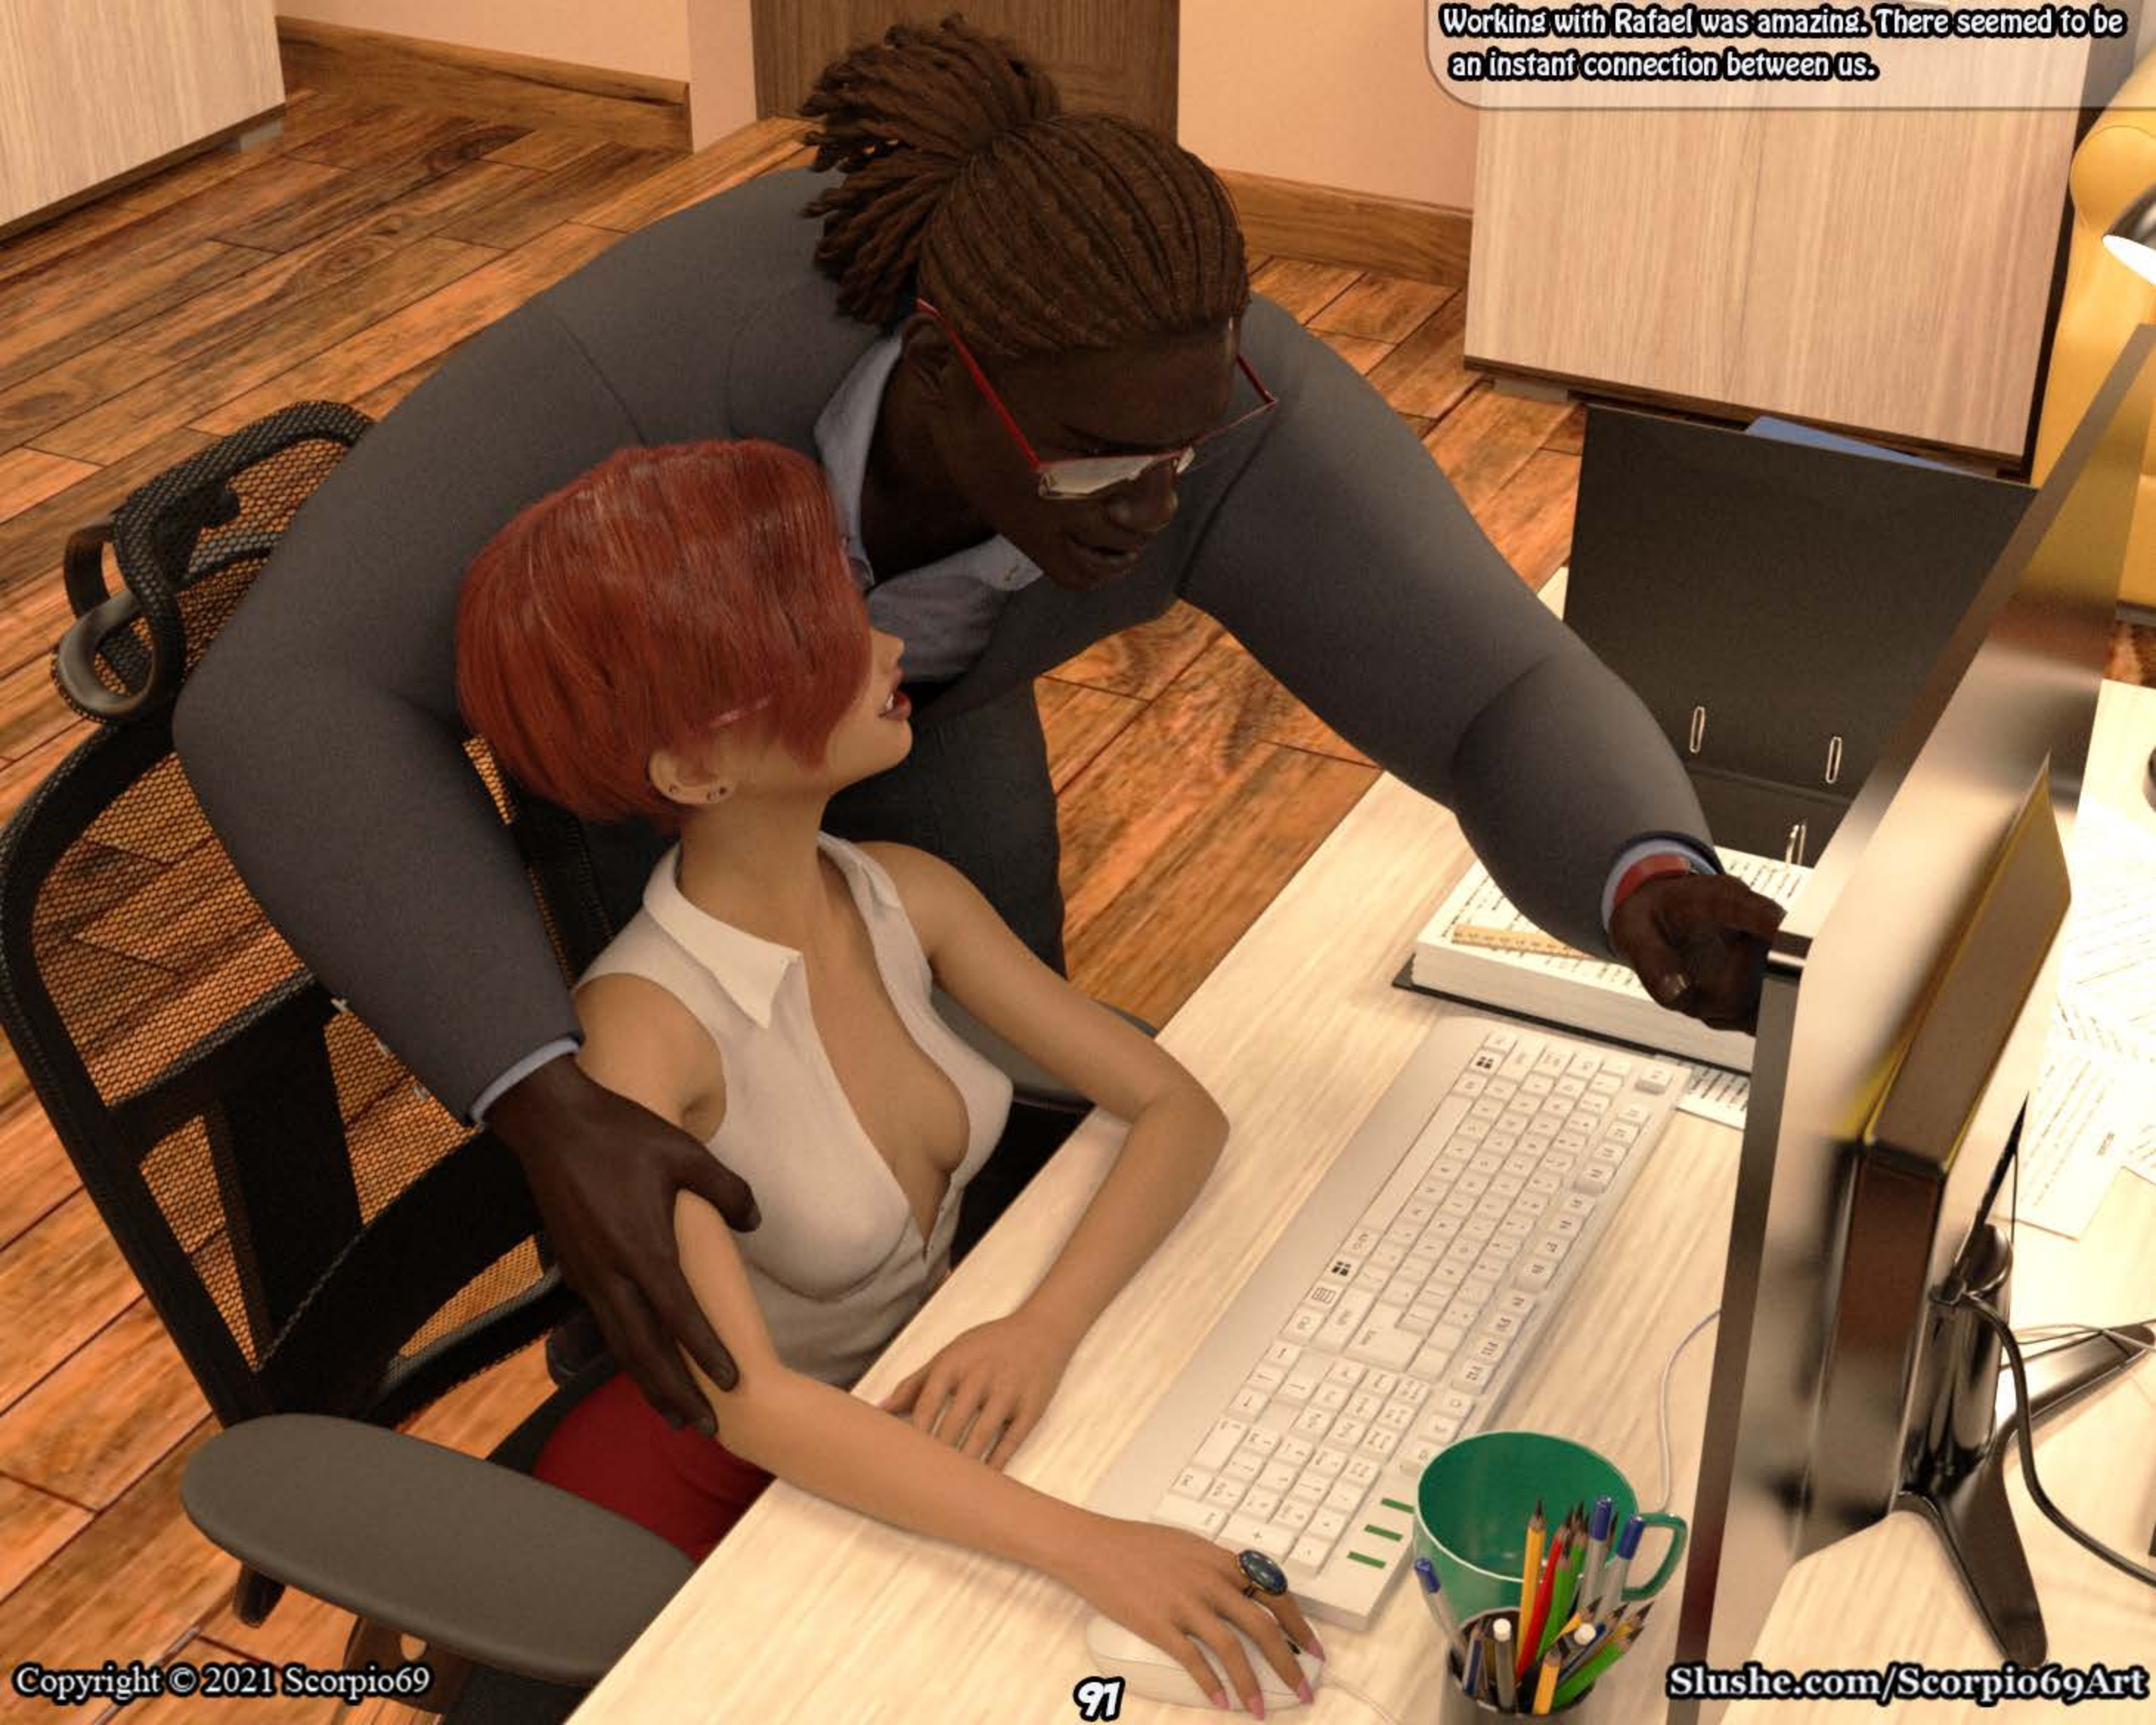

I guess Sache and Mrs Abigail were right. Rafael noticed my chest pretty quickly. He tried hard to be a gentleman, but his eyes kept drifting to my down to my breasts. I tried hard to focus, but it made me feel sexy with him checking me out.

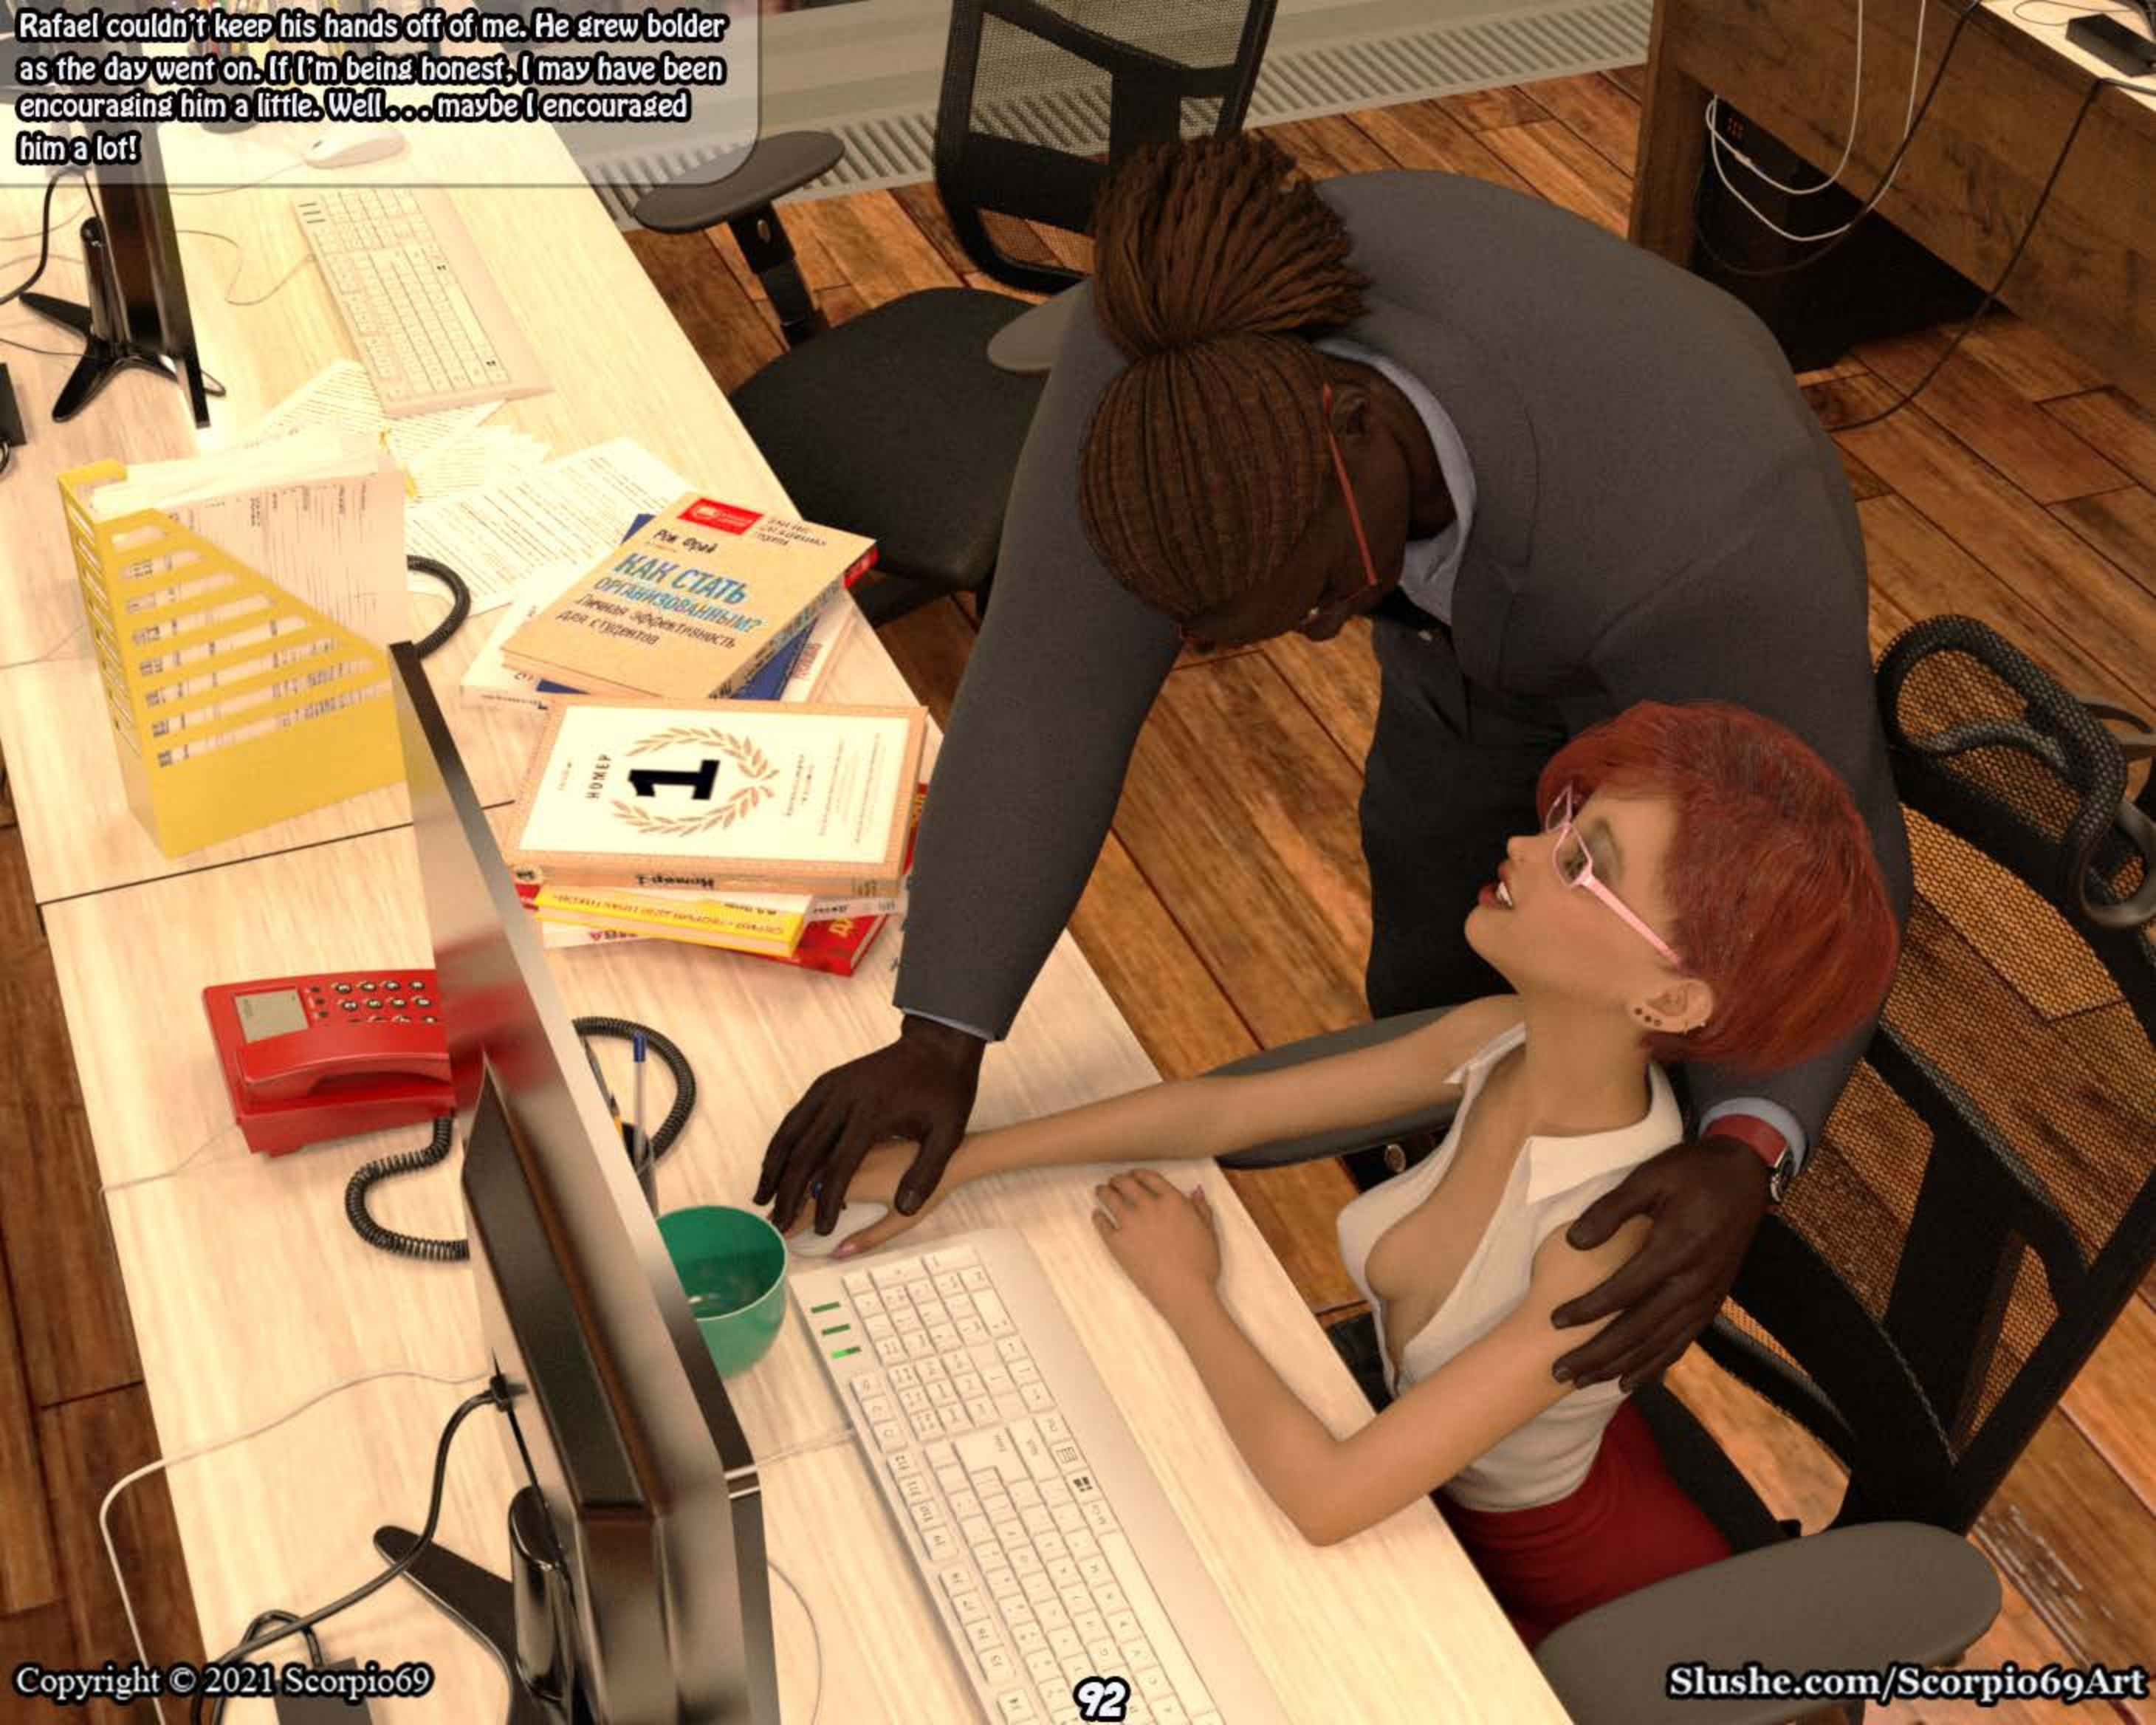

At first I was terrified meeting Julia. She was so famous and talented, that I didn't think I belonged in the same room with her. She'd called Prof Klopp to ask about me, and apparently Prof Klopp had great things to say. Julia turned out to be a very friendly and reassuring person. She put me at ease. Talking to her was like talking to an old friend.

Working with Rafael was amazing. There seemed to be an instant connection between us.

Rafael couldn't keep his hands off of me. He grew bolder as the day went on. If I'm being honest, I may have been encouraging him a little. Well... maybe I encouraged him a lot!

By Wednesday we stopped pretending that we weren't flirting. The sexual tension was getting pretty intense.

Rafael had me so horny I just wanted him to fuck me right there in the office. By the constant erections he was trying to hide, I think he felt the same way.

Gabriella do you have the Flanders report ready for me?

Yes Julia. I think you're going to love it.

Impressive! Nice job. It also seems like you and Rafael make a good team. Don't work too late tonight.

I did a breakdown of the target demographics. I included the best platforms for reaching them, broken down by age and gender. Rafael helped me with an executive summary that the client can easily understand.

Thank you!

Having Julia praise me on my first project sent my confidence sky high. Maybe that's why did what happened next. While Rafael was congratulating me, I raised my knee and nestled into his croch. I could feel his cock getting hard as a pulled me closer.

A week of flirting finally came to a conclusion.
I guess Sacha was right about working with
my crush.

♥Are you sure?♥

♥Yes, more than anything.♥

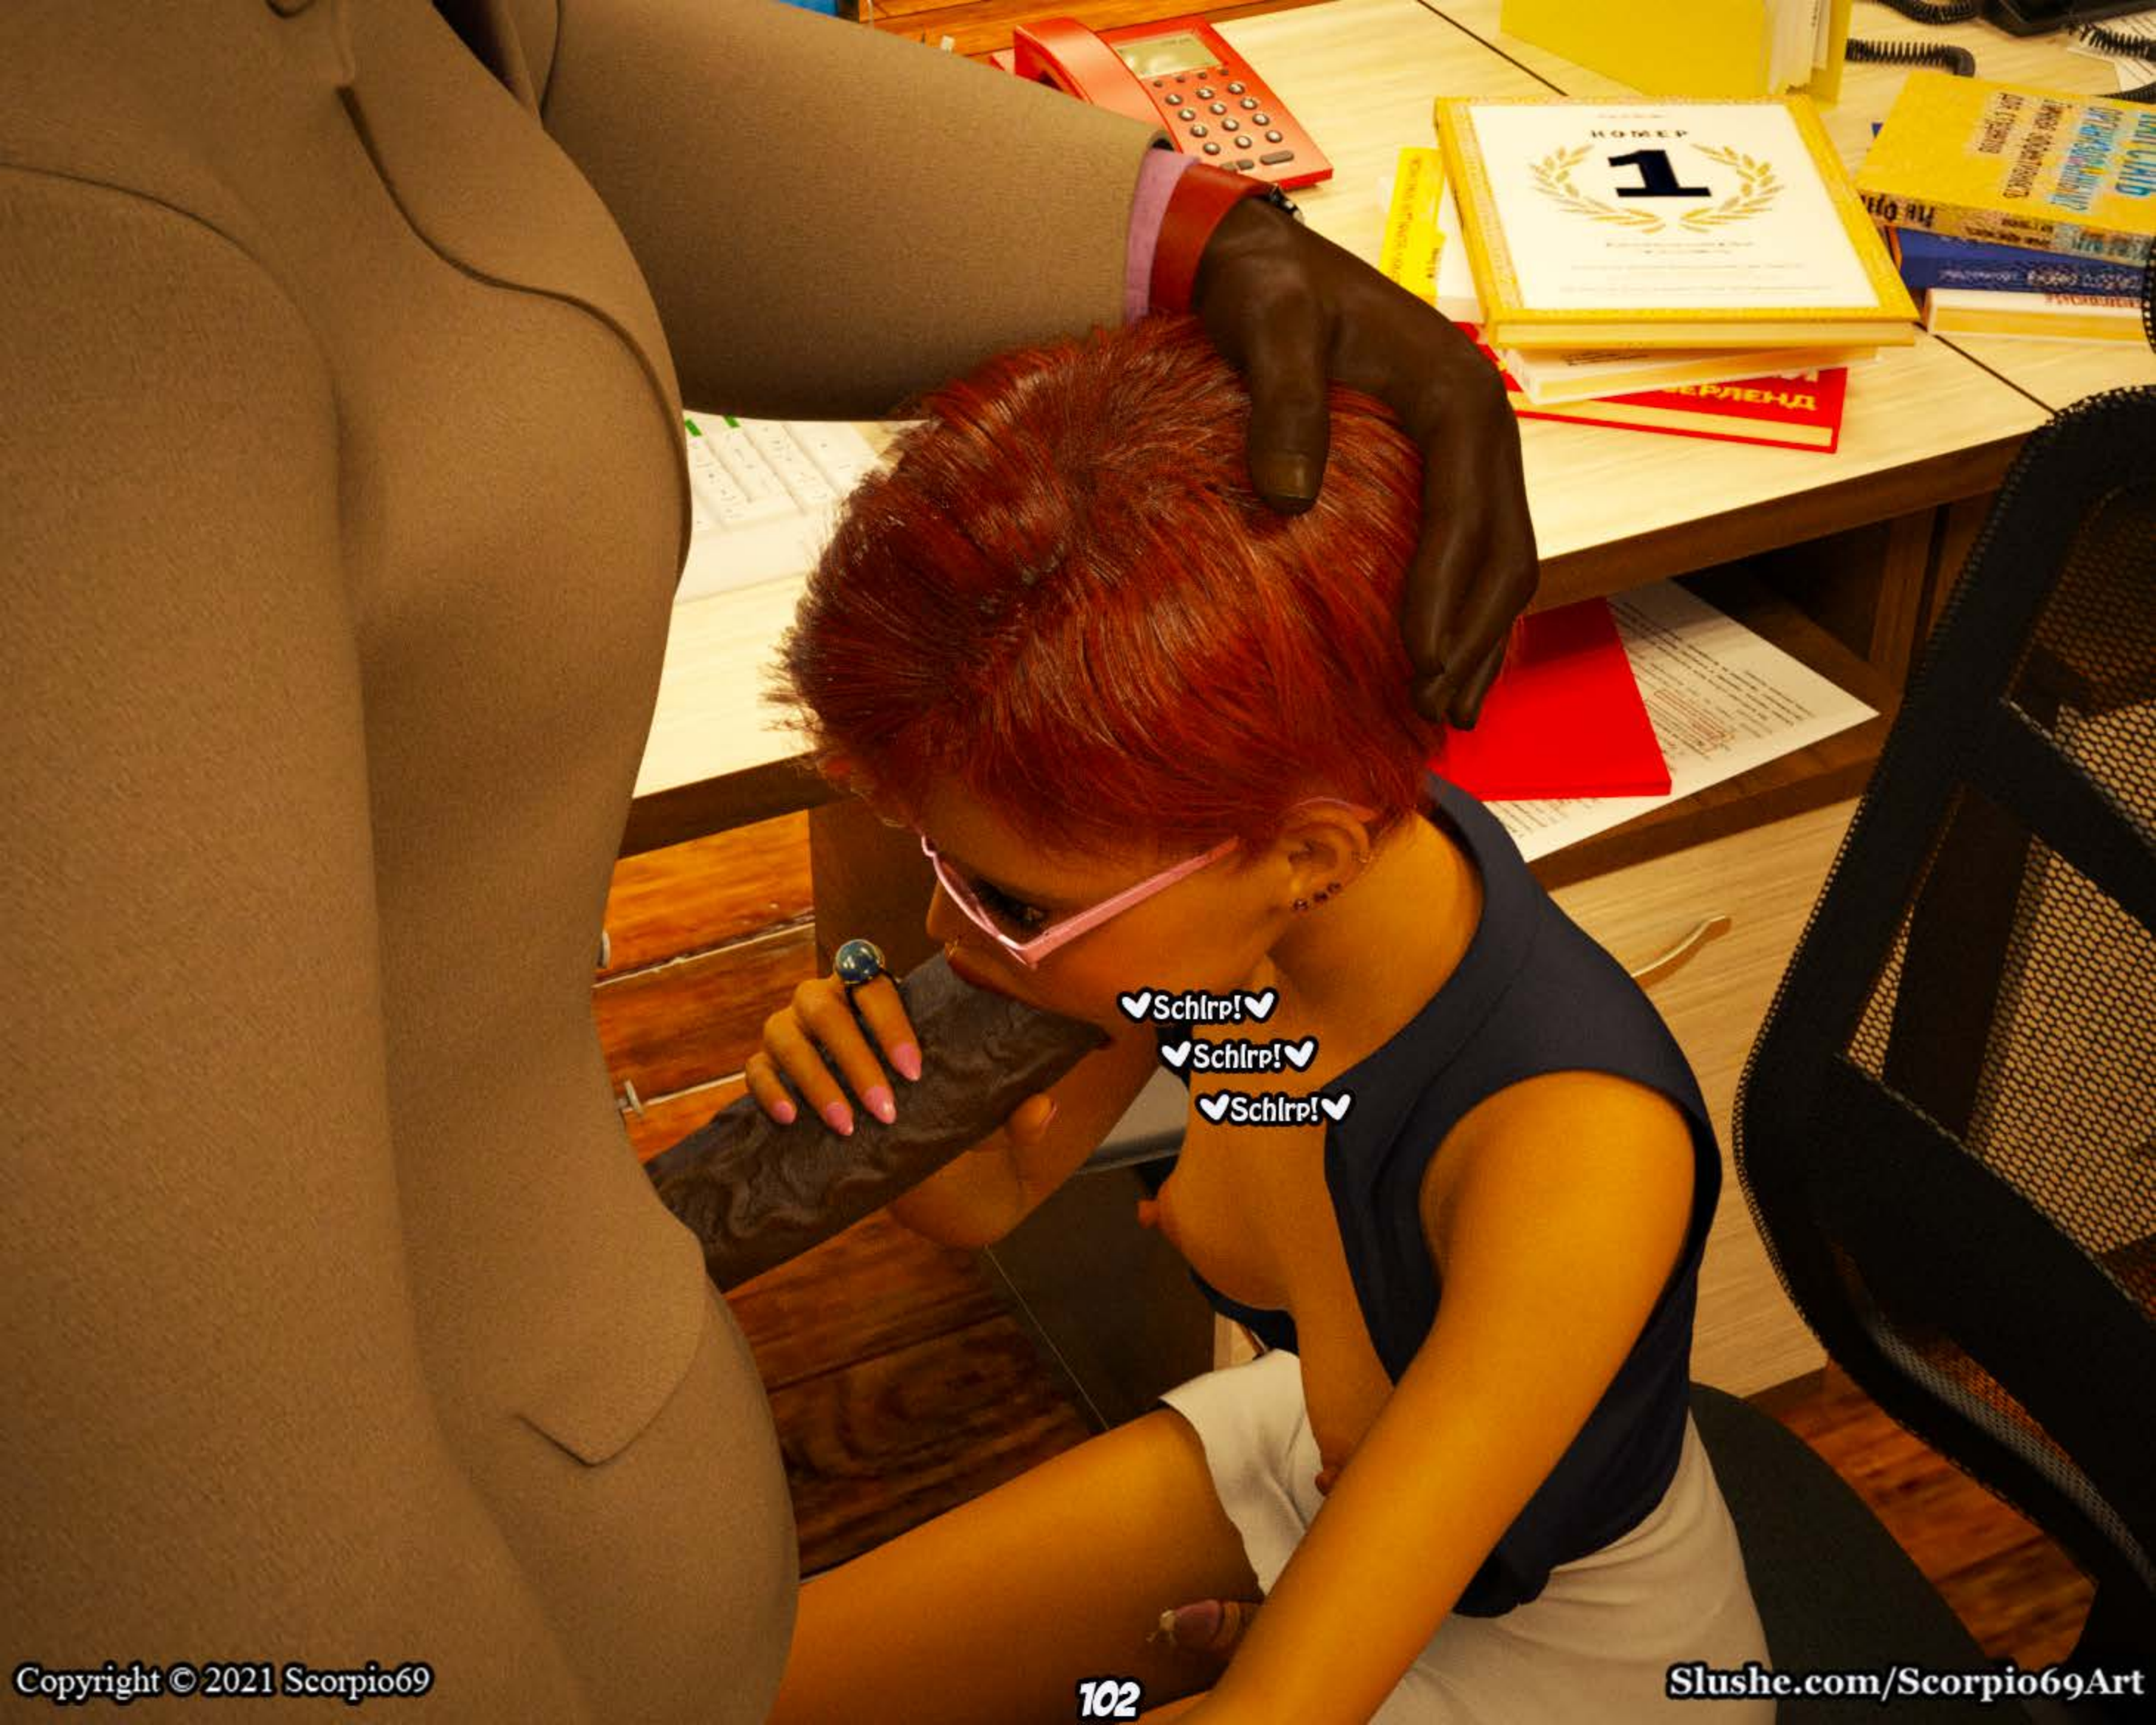

♥Wow! It's bigger than I thought.♥

♥It's ok if it's too big.♥

♥That's it Gabby, try and suck it a little deeper.♥

♥Schlrp!♥

♥Schlrp!♥

♥Schlrp!♥

♥ You did a great job Baby. You deserve a reward. ♥

♥ Did I do a good Daddy? ♥

♥Rafael♥

♥Oh Gabby your ass is perfect.♥

♥Tell me what you want baby.♥

♥Fuck Me Daddy!♥

♥ Oh God Gabby you're so tight! ♥

♥ AAAA!!! So Big! ♥

♥FUCK! You're going so deep!♥

♥Oh Shit!♥

♥ Oh Fuck! Gabby! ♥

♥ AAAAAH!!! ♥

After my first orgasm things got hazy. Rafael started fucking me hard. His cock was going so deep in me I felt his balls smacking my ass. I had never been so full in my life, I swear I could feel his cock in my stomach.

♥It's your pussy Daddy.
It's yours.♥

♥Whose pussy is that Baby?♥

♥Good girl. Let's get you cleaned up.♥

That sounds wonderful. I'm famished.

Just a little, but it would also make
make me happy.

Gabby are you hungry? I know a
a great place.

Would it freak you out if I wanted
you to meet my mother?
