

Gosh, darn it.
This stuff is
complicated.

I could
really use Masters
expertise here.

But she's
busy drooling all over
herself.

This, maybe?
It's a stretch, but might be
an option.

After a short
perpetration.

Okay,
last step: Make eye
contact with the
target.

Huh?

Hey,
Master?

Sorry about this.

Well, not quite how I expected this.

Eek!

You is
me now?

Yes, I need
to borrow your
knowledge.

Now, to see what else we can do.

Huh, nifty. This all makes way more sense now.
