PANEL 1

Focus on Little Attitude (left) & Autumn (right). Attitude looks up at Autumn for instructions.

LITTLE ATTITUDE
So what spell should I cast?

AUTUMN
Let's keep it simple.

AUTUMN
(cont'd)
Remember REMOTE HANDS?

PANEL 2

Little Attitude hovers (top right of the panel) while she's casting a stream of magic toward a partially visible Heather). Her arms are outstretched and her tongue sticks out of the corner of her mouth. She has a look of deep concentration. Autumn is not in the panel.

LITTLE ATTITUDE
Okay, here goes!

PANEL 3

Similar layout to Panel 2. Autumn leans into the panel, giving instructions to Little Attitude. Her protégé is hunched forward, still very focused, her fingers like claws ready to grab their prey.

AUTUMN
Now grab her boobs!

LITTLE ATTITUDE
You got it!

PANEL 4

Marie (left) looks shocked as a somewhat perplexed Heather grabs a handful of the maid's big boobs.

MARIE

(Shouting)

PRINCESS! What are--

SFX

(near Marie's boobs)

BWOOMF

HEATHER

(no balloon; big)

?

PANEL 5

Heather looks at Marie straight in the eyes with a malicious expression. Marie's eyes are wide and teary. Further to the right, the two faeries face one another. Little Attitude is looking down with embarrassment. Autumn (stern but not angry) leans forward, arms folded across her chest.

HEATHER

Damn, you have some FAT teats.

HEATHER

Admit it. Your mom was a COW, wasn't she?

MARIE

P-princess...

AUTUMN

I meant her OWN boobs!

LITTLE ATTITUDE

Sorries...
