

**EEK!**

You truly are adopting the mannerisms of a girl. Hehe, cute~

W-What do you want! Miss Michiru...

What do I want? Hmm, a nice ol'cock! But I'm not here for me but you. Mistress Yuna has summoned you. Go serve her well~

Yuna's Room

M-Mistress Yuna? Y-You summoned me..?

**Enter.**

Oh so it's you Ryouma. I've yet to register that cute voice as yours~

Sorry? What for? I like it better than that rough voice you used to have.

SORRY...

...

S-STAY CALM...

I... I DONT WANT TO ANGER HER... OR ELSE SHE'LL USE IT...

Come closer.

Y-Yes!

Hmm, you ended up getting some rather outstanding breasts, didn't you?

YES...

IGNORE HER...

Since I took the effort to arrange for them. How about you show me those breasts that you are evidently so enamored with?

D-DOES SHE WANT ME TOO?

Please do not misunderstand; my intentions do not revolve around that particular aspect.

Alternatively, perhaps you would prefer assisting me in a manner reminiscent of a soap girl, by washing my body?

AH! UH... NO...

Shame... Your breasts appear perfectly suited for debauchery after all~

SHAME...

However, you still have to do your duty as **my Personal Maid**. You are to stand waiting for me dressed up in the clothing in there until I get out of the bath. Understood?

Y-Yes, Mistress...

W-WHY DID I THINK SHE WANTED ME TO... DO THAT WITH HER...

Alright, get dressed and wait for me like a **Good Girl**.

Uhg!

W-WHY  
DID SHE CALL  
ME!? JUST TO  
MAKE ME WAIT!  
STUPID... BITCH..

She's  
having  
a bath...

That means  
she'll be  
naked!

I wonder how  
she'll *squeal* if I  
jump in and pull  
it out, like I used...

TO...  
DO...  
...

HUH?

I.. IS  
THAT...!?

SILKY...

FRILLY...

SATIN...

THE CLOTHES  
SHE **WANTS**  
ME TO WEAR?

SEXY...

THAT'S!

BUT  
THIS...

I... IS FOR...  
**GULP!**
